Jesus said: "My people, many of you have old pictures of how you dressed and came to church back in the 1960's. Pictures of weddings were frequent then, but not as much today. Living together in sin, was shunned by your society years ago. Today such heterosexual and homosexual relationships are accepted or tolerated by your society. You can see how America has accepted abortion, some mercy killing, and even the use of marijuana. When you see the contrast of your morals years ago compared to today, you are shocked how evil you have become. Keep praying for poor sinners, and the stoppage of abortion, which most offends Me in killing My little ones in the womb."

Jesus said: "My people of America, your current movies from Hollywood are a disgrace to your society. Half or more of these movies are rated 'R' for nudity, language, or violence. You had a Legion of Decency in the past, but these old standards would be aghast in trying to rate your current movies. See that your movies, TV programs, and adult magazines are nothing more than pornography that has become a multibillion dollar industry. It may be better to avoid these evil movies that could encourage sexual sins."

Jesus said: “My people, I have told you that your addictions have demons attached to them. This is how evil has become so pervasive in many areas of your society. You are seeing addictions to pornography, prostitution, drugs, alcohol, smoking, and internet devices. My people should not let these things control your lives, because they take away My peace in your souls, and lead you away from your prayer time with Me. Addictions require deliverance prayers, exorcisms, treatment, or miracles to break them. Use your prayers, blessed sacramentals, blessed salt, and holy water for your protection. Frequent Confession and Adoration can also help your souls.”
Jesus said: “My people, I have given you My Holy Family as a model example for your families. You have read of St. Joseph as a model husband and father, and My Blessed Mother as a model wife and mother. They brought Me up according to the Jewish way of life in the Bible. Your families today are being split by divorce and living together without marriage. Many children are being raised by one parent. It is hard to teach children the faith of following My Commandments, when many people are living immoral lives. Pray for your children to have a good prayer life, and live a proper moral life. You want your children to be saved in heaven, and not lost in hell.”
Jesus said: “My people, when your society turns its back on Me, America will be calling on My justice for punishment. Your abortions and sexual sins are even more evil than Sodom and Gomorrah. How do you expect Me to allow such sin to continue? The evil of your society is dragging your country down, and you are seeing more disasters as a result. Pray for your country to return to its previous moral values, or America will fall into ruins.”
Jesus said: “My people, in your lives you make mistakes and bad decisions at times. It is important that you look at why you chose the wrong things, and learn not to repeat them. If you do not learn from the history of your mistakes, then you will continue to repeat your sins. Do not keep making the same sinful mistakes, and pray for My help in avoiding the devil’s temptations. If all of your people improved their sinful lives, then you would have a better country.”

Friday, May 30, 2014:
Jesus said: “My people, you are well aware of the body’s needs and desires that

crave the pleasures and comforts of your earthly life. You may not always understand that your soul craves to be at peace with your Creator in Me. Your soul hungers to be satisfied spiritually with Me, and you can only find this peace with Me. You have a struggle between the body and the soul, because each one is seeking its own gratification. Some people are constantly searching, as in the vision, in order to find this peace in their souls. Because they cannot find My peace in things or entertainment, their souls are frustrated, since they are looking in all the wrong places. This is why it is a joy for you to be able to lead souls to conversion in the faith, so they can come to know Me, and satisfy their souls in My peace and love. Once you find My peace, you do not want to lose it. Do not allow addictions or material things to take away your spiritual peace, because you are allowing things to control you. By frequent confession of your sins, you can keep My peace in a pure soul. You will see that your soul's joy with Me is long lasting, but your sinful pleasures are only fleeting for the body. By allowing the soul to restrain your body's sinful desires, you can be in constant joy and peace with your Lord."

Jesus said: "My people, you have been spoiled with living in a nice house, and you have two vehicles to drive around. When My faithful come to a refuge, you may not be doing much driving, unless your gas is multiplied. You will be living in a confined community with a lot of other people. Getting some food everyday, washing your clothes, and dealing with the heat of summer and the cold of winter, will be your main concerns. All of you will need to do various jobs in food preparation and maintaining your heat in the winter, possibly with wood. Your new lifestyle will include more time for prayer and Adoration. Be thankful that most of you will be at a refuge and protected by angels from the evil ones during the tribulation. Also, be thankful that My refuge builders were able to say yes to providing a home for people to come. Trust in My protection, and the multiplying of your food and fuels."

Saturday, May 31, 2014: (Visitation of Mary to Elizabeth)

The Blessed Mother said: "My dear son, you are right in saying that my Magnificat (Luke 1:46-55) is the longest quote that is recorded about me in the

Bible. When you pray your evening prayers in the 'Liturgy of the Hours', my Magnificat is repeated. In my Annunciation you heard my fiat. (Luke 1:38) 'Behold the handmaid of the Lord; be it done to me according to thy word.' I was also in sorrow when I could not find my Son, Jesus. (Luke 2:48) 'Son, why hast thou done so to us? Behold, in sorrow thy father and I have been seeking thee.' At the Wedding feast of Cana, where you have been, I gave these words: (John 2:3,5) 'They have no wine.' and 'Do whatever He tells you.' I did not force my Son to perform a miracle, but His first miracle was to change the six jars of water into fine wine. I am grateful to my Lord for allowing me to be His mother. I was with His apostles, and I encouraged them after my Son's death. I am also thankful for being the spiritual mother of all of God's children, when I was given over by Jesus to be the mother of St. John at the foot of the cross. I continue to encourage my children to pray my daily rosary, and obey my Son's laws. We are all watching out for you in heaven."
Jesus said: "My people, I am showing you the prison cells at a large detention center. Most all of the detention centers in America are death camps, like Hitler's gas chambers. Some of these death camps even have high temperature crematoriums to burn bones. The one world people have a plan to eliminate all Christians, and those people who will not go along with their new world order. They will also kill all of those people who refuse to take a chip in the body which is the mark of the beast. Those people, who take the chip, will be controlled like robots with voices telling them what to do. My faithful should refuse to take this chip, and refuse to worship the Antichrist. I will warn My people when it is time to come to My refuges, or you could be killed by these evil ones if they capture you. Once you pack and leave for My refuges, your guardian angel will put an invisible shield around you for your protection. Some people will be martyred, and become instant saints in heaven. Trust in Me to provide for your needs."

Sunday, June 1, 2014:
Jesus said: "My people, many of your people in America need to be awakened in their spiritual lives, that are asleep like the lukewarm. You pay more attention to your own plans and concerns of the world, than My ways and My mission for

your lives. You are discussing how your church may be closing, because your attendance at Sunday Mass is decreasing. This is a national problem as well. As you allow more evil things to go on, and you let your morals decay, it is no wonder that your love for Me is also decreasing. If you all have Me as the center of your lives, there would be full churches, and the decay in your morality would stop. It is your love for Me, and your love for your neighbor that is lacking because people are only concerned with their own lives and not helping others. Pray that the spiritual eyes of your people could be opened, and that your love for Me could be increasing instead of decreasing."
Jesus said: "My people, as you remember your birthdays for this month, I am showing you in the vision how you keep track of the births of your people in your County documents. There are some people who use this old information to trace back their ancestry in previous generations. You have been asked to pray the long form of the St. Michael prayer to break any generational sin that has come down through the years. Just as your parents and grandparents have passed life on to you, and your DNA roots, so they also could have passed down weaknesses to various addictions. It is these sinful addictions that you are trying to break with these prayers of deliverance. By placing holy water or blessed salt on your family pictures after the prayer, you are praying to heal their souls and physical leanings to certain sins. This is a powerful prayer for your families, and you will have more help for their souls by praying this prayer every day for them. Do not be surprised that I can help your family members in unusual ways. Trust in these deliverance prayers that could save all the souls of your family for heaven and avoid hell."

June 5, 2014
Monday, June 2, 2014: (St. Marcellinus & St. Peter)
Jesus said: "My people, this vision of a spider catching its prey in a web, is very similar to how the devil catches sinners in the entanglement of worldly things and addictions. You are familiar with how a hunter also sets snares to catch animals for food. So the devil sets up snares to catch the sinners in ways of sin. He takes advantage of your human weaknesses, and your laziness in your spiritual lives. When you do not pray, and you do not come to Sunday Mass, you are weakening your spiritual defenses, and you are more open to fall into sin

from the devil's temptations. Your best defense against sin, is to keep close to Me, and ask My help to avoid sinful temptations. By your prayers and receiving My sacraments of Confession and Holy Communion, you can build up yourself with My graces. Avoid places of temptation, and work to avoid any addictions that could control you, and destroy your peace. You know the devil's tricks by your previous mistakes, so learn from them to avoid committing the same sins. The devil never sleeps or takes a vacation, so you need to be on guard against his web of sin at all times, every day. Your soul is in a battle, and you need to follow My ways and not your ways, so you can have your soul saved for heaven."
Jesus said: "My people, you are seeing many pirated copies of movies and songs all over the internet. This is stealing millions of dollars from the movie makers and song writers. There are some imitation products from China in many of your stores. The Chinese and others are hacking into your factories and banks to steal trade secrets of even your latest military weapons. They have plenty of money to create an advanced military that could threaten America's military, especially in the Pacific Ocean. There is very little being done to stop this computer terrorism. Other viruses are being put in many of your financial companies to create denial of service, or to steal information about people's credit cards or bank accounts. This is why most countries are going to chipped credit cards to stop the thievery. It is hard to protect yourselves from these hackers, so you have to watch your charges closely. It is hard for your government to stop the copies and cheap imitations from China, because you do so much business with them. Your internet is useful, but it has many problems with security."

June 5, 2014
Tuesday, June 3, 2014: (St. Charles Lwanga, Lydia's Mass)
Jesus said: "My people, Lydia gave you an indication of My coming for her when she squeezed Carol's hand to confirm that she saw Me. This was the last time she had her eyes open for a long time, after her stroke. She gave you many messages when she died. Today, you are honoring the Christian martyrs who were killed in Uganda, Africa. There have been many people killed in Africa because of their faith, and they refused to deny that they were Christians. My faithful in America are also being persecuted for their faith, and they need to stand up against the atheists. You may not be threatened with martyrdom today,

but a time is coming when My faithful will need to seek out My refuges so you are protected from the Antichrist."
Jesus said: "My people, what you are seeing in the vision, is a picture of an old church before any renovation by liberal renovators. It is unfortunate that My tabernacles are not always visible, and some are in back rooms. Even some churches have removed the statues of My saints, and some do not have a large crucifix on the altar. The crucifix is to remind My faithful how much I love them by My death on the cross. The saints are models for you to live by in imitating their lives of faith. My Blessed Sacrament should be displayed in a prominent spot because I am the guest that you are worshiping and adoring. Keep your churches traditional without letting any modernism corrupt them."

June 19, 2014
Wednesday, June 4, 2014: (Lydia Remacle's Mass)
Jesus said: "My people, Lydia was very thankful to her family for helping her in her last years. Even though she may have complained about certain things, she realized more now, how she was dependent on all of you for her meals and lodging. She knows that you took care of her out of love, and she loves you more now, and she is praying for all of you. It is hard to lose a mother, and you miss her, but she is in a better place without anymore suffering. You can pray to your parents as intercessors, because they are saints in heaven."
Jesus said: "My people, I am showing you a lot of dead fish showing up in various places. You can research the causes of these dead fish, but very little information has been given to explain these events. There is one possible explanation that this is being caused by the HAARP machine. When a billion watt microwave hits the water, it could kill many fish like an electric shock, and by heating up the area, the oxygen in the water could be consumed. Some fish kills were experienced when there were oil spills because the bacteria used up the oxygen when it fed on the oil. Areas with low oxygen levels are dead areas for marine life to survive. It is bad enough that man pollutes the water, but now using up the oxygen in the water creates dead zones in the oceans and lakes. Pray that these fish kills could stop, or it will be harder for people to get enough fish to eat."

June 19, 2014
Thursday, June 5, 2014: (St. Boniface)
Jesus said: “My people, you read in the Acts of the Apostles how St. Paul used the division between the Pharisees and the Sadducees to get out of a judgment from the Sanhedrin. It is better to have unity than division, so My Church can have a sound foundation. Already, you have a division in the Eastern Rite and the Western Rite. If you include the Protestant groups, My believers are split further among those calling themselves Christians. Many of the divisions among My believers have been influenced by Satan. As you approach the coming tribulation, you will see a further division with a schismatic church that will bring in new teachings which worship things and not Me. Be alert to such New Age abominations, because you will need to leave any churches with these false teachings. Worship only Me, and you will not be deceived by the devil and his minions.”
Prayer Group:
Jesus said: “My people, you have been praying your Novena for Pentecost since Ascension Thursday. If you forgot this Novena to the Holy Spirit, you can copy it off the internet, unless you already have a copy. Then you can catch up on the days that you missed. Pentecost Sunday is the end of the Easter Season, as you will return to Ordinary time or the many Sundays after Pentecost. I told My disciples to remain in Jerusalem until I sent them the Holy Spirit that is represented as the tongues of fire in the vision. Call on the gifts of the Holy Spirit to strengthen your faith in Me, and the courage to evangelize souls so they can be saved.”
Jesus said: “My people, when you see My beautiful babies and how cute they are, how can any mother want to kill her child in the womb? Every soul that is brought into being at conception, should have its right to life, despite your evil court decisions that allow abortion. This mortal sin of killing unborn babies, is one of the worst sins that offends Me because you are killing My little ones that I love so dearly. America and other nations, who allow abortions, will have to pay a punishment for these sins that are calling down My justice. Pray for the stoppage of abortion, and wake up these mothers who are being deceived into killing their children.”
Jesus said: “My people, it is better to not have war that kills so many people. There are justified wars when tyrant dictators are spreading their terror among

innocent people. It is clear that Hitler was into the occult and astrology. This evil had to be stopped, and it was America that was most instrumental in defeating Hitler's Germany and Japan's Imperial Army during World War II. You saw how many were killed in this world war, yet it did not stop the killing in other wars, or the killing of babies in abortion. More babies have been killed in abortion than all of your wars. So you can see how diabolical, abortion is in stealing these young lives."

Jesus said: "My people, you have just celebrated Memorial Day when you remember and honor all of your soldiers who have fought for your freedom in many wars. It is an honor that these soldiers could sacrifice their lives for their country. These are great losses to their families and friends, but it is the price that you pay in using wars to fight tyrants, communists, and terrorists. Satan is behind much of this killing in wars. Keep praying for peace because I am more powerful than all of these evil ones."

Jesus said: "My people, you have heard a saying: 'If people cannot learn from the mistakes of the past in these wars, then they will be doomed to repeat them.' Life is too precious to be killing people in wars or in abortions. I have made each of you in My Image with free will, to either love Me or not. I have given you this gift of free will, even though I know that many will not choose the right path by loving Me. I want My people to love Me without being forced. This is true love when it is freely chosen by My faithful."

Jesus said: "My son, I know that you have heard Me tell you to pray your long form of the St. Michael Prayer before you start and when you return home. Place some blessed salt around in your vehicle as protection from the evil ones who try to give you trouble by causing accidents or car problems as flat tires that you have had in the past. This prayer of exorcism of the demons who want to harm you, is powerful protection for all of your travels. Trust in My protection as you go about spreading My Good News of salvation."

Jesus said: "My people, marriage between a man and a woman in the Church is a beautiful love story that unites two lives for the rest of their lives. In Matrimony I am the third partner as I bring My grace over this sacramental union. You see this brought out when the two light the unity candle as a sign of their true love for each other. Pray for your young people to get married in the Church, instead of living together in mortal sin of fornication. Such relationships become an ongoing occasion of sin outside of marriage. If you truly love someone to have children, then it is best to be in the married state. Do not be influenced by what others are doing in sin, or if your society accepts living together. Follow My

laws and you will be on the right path to heaven."

June 19, 2014
Friday, June 6, 2014:
Jesus said: "My son, I am thankful that you are a little like St. Paul as you travel to many places in America. It is not easy to do so much traveling, and to be brave in the Holy Spirit to proclaim My messages to all the people who come to hear you. You are fortunate to have a better means of travel than St. Paul. You also can communicate My messages to all those who can read English on your website. You are praying to Me to send you angels to protect you from any accidents or flat tires in your travels. It can be dangerous in all the fast traffic where you will be traveling. Drive carefully and keep well rested. You will have plenty of time to pray to St. Michael and pray your rosaries for My Blessed Mother's intentions. Make an attempt to continue your Adoration visits. I will be with you to protect you, so trust in My guidance."
Jesus said: "My people, you are seeing a bloody scene outside of St. Peter's Basilica, where some faithful will be martyred for not going along with the new world order. There will also be martyrs for those faithful who will refuse to take a chip in the body, because the chips will control their minds with voices. Already, you are reading of trial runs of putting chips in people in Wyoming. In other places, there are people planning to implement mandatory chips in the body for Obamacare by 2017. I have been giving you messages about mandatory chips in the body for Obamacare for many years, but people did not want to hear of such things. Now, you have chips mandated in your documents as passports, driver's licenses, and your credit cards. Soon chips in the body will be a reality, but do not take any chips in the body, nor worship the Antichrist. When chips are mandated, your lives will be endangered, and you can come to My refuges of protection."

Saturday, June 7, 2014

June 19, 2014
Saturday, June 7, 2014:

Jesus said: “My people, I have asked you to pray for all the poor sinners in the world, and pray special prayers for your friends and relatives. Every day you see a lot of people at work, at school, or even on the road in cars. Each person has a soul that I pray would love Me and desire to be with Me in heaven. Unfortunately, there are a lot of souls that do not know Me, or that ignore Me because they are so consumed by the worldly events in their lives. My faithful know and love Me, so I am asking you to pray also special prayers for the salvation of the souls that you will meet each day. Pay particular attention to the souls in all the vehicles that you are driving by. By caring and loving every soul that you meet, you can share My love and My Word with everyone. It is important to pray for souls so they are saved from hell, especially those souls in your own family that you should not forget.”
Jesus said: “My people, you are seeing this freedom bell in the vision, as a sign of the freedoms that you will lose. I told St. Peter that when he was young, he could come and go as he pleased. Then when he was older, he would see someone lead him to a place that he did not want to go. St. Peter was placed in jail, and eventually he was martyred for his faith in Me. So it will be for My faithful of today. In your early days you were trained in the faith, and you were fortunate to receive My very words. As you grow older, you too could suffer persecution for proclaiming My Word in the face of the Antichrist. It is not easy to evangelize souls because some people love their sins of the flesh more than Me. Even in the face of persecution, you must still proclaim My Word to those who have not heard it, and to those who refuse to hear it. My Word is a word of love to show all of mankind how much I love all of you by dying on the cross. The evil ones will seek out Christians to kill them during the tribulation. So come to My refuges for your protection. You will see a major battle between good and evil, but in the end I will be triumphant over death and all the evil ones.”

June 19, 2014
Sunday, June 8, 2014: (Pentecost Sunday)
The Holy Spirit said: “Behold, the Spirit and I are One with the Father.’ These are the words of Jesus, and He tells you how you receive the Blessed Trinity at Holy Communion. You are seeing Us right now at Adoration in the monstrance

with the Host. At the First Pentecost you are reading about some of the gifts that I bestowed upon the apostles. They were given gifts of speaking in different languages, gifts of healing, gifts of prophecy, protection from poison, and the courage to evangelize souls to believe in the Gospel. These same gifts I bestow on all the faithful people. This gift of prophecy, that you have received, is how I help you to write down the words of Jesus, and to proclaim His Word at your talks. You call on My help in healing and speaking the Word of faith to the people. Even as you give thanks to Jesus for the messages, you can also give thanks to Me for conveying these messages. Call on Me to help heal the people that you are praying over, both in their bodies and their souls. Remember Me in your 'Sign of the Cross' and the 'Glory Be' prayers. I love all of the people of God, and I shower you with My graces."

Monday, June 9, 2014

June 19, 2014
Monday, June 9, 2014: (St. Ephrem)
Jesus said: "My people, in your own diocese you see very few young priest, but you have older and retired priests. You need to pray for your priests, and for new vocations to the priesthood. When you have people praying for vocations, and you have places of Adoration, you will see more vocations. This is the fertile ground for young men to hear My call to the priesthood. When you see young men considering the priesthood, give them encouragement and help them in their calling. Your new priests will be needed, even in the coming tribulation. In the Bible you have seen how many of the prophets were persecuted and even killed. All of My people from Baptism are called to be priests, prophets, and kings. My prophets help to lead My people to Me throughout the ages. So pray for your prophets also who have a heavy responsibility to carry on the faith. You will see more and more persecution coming for those who believe in Me, and those who stand up for right morals in a society of immorality. You will see criticism from the schismatic church and from your government officials. Eventually, this persecution will endanger your lives and souls, so you will need to come to the safety of My refuges. Trust in My help to provide for your needs and your protection."
Jesus said: "My people, as you see the daylight turn slowly to darkness, this is a sign of the coming darkness of evil in the tribulation. You can see the increase of

evil go from killing babies in abortion to allowing homosexual marriages, and now transgender people want their rights, as well as non-medical marijuana being accepted. Each succeeding evil will tear down the morals of your people. The demons are being allowed to tempt man into more unusual things that were not acceptable, even several years ago. The faith of the people is slowly falling away from Me because many are not keeping up a good prayer life. If you do not make some time for Me each day, then it is hard to know if you truly love Me. Even if you come to Mass on Sunday, this is only one hour a week. If you truly love someone, then you would tell that person of your love more than once a week. I should be the first love of your life, even before your spouse and your family. Every day tell Me of your troubles and prayer intentions, and I will guide you to any solution of your problems. Ask Me in prayer, and I will answer your request in whatever way is best for your soul and others around you."

Tuesday, June 10, 2014:
Jesus said: "My son, you have given My messages to the people about how I will multiply your food when it is needed both at your home and at My refuges. You quote Scripture passages of this multiplication as in today's reading of Elijah, where I did not let the flour go empty nor the jar of oil run dry for one year. You also quote My two multiplications of the bread and fish for the 5,000 and the 4,000. There are even modern day multiplications of food that you cite as well. So when it is time to come to My refuges, you will see My angels bring you Holy Communion every day for bread, and the deer will come into your camps for meat. You will be experiencing a modern day Exodus where I will provide for your food, water, and lodging with My angels protecting you with an invisible shield. My faithful need to trust in Me for everything, and evangelize as many souls as you can."

Wednesday, June 11, 2014: (St. Barnabas)
Jesus said: “My son, you have read about how St. Paul and St. Barnabas were My great missionaries who went out to bring in converts to Christianity from many cities. My son, I want you to see that St. Paul and St. Barnabas should be your role models as you go out on your mission in your talks. It is not easy to travel around your country and some other countries. You need to reach out to all the people who want to be saved, and teach them My Word, and bring them to worship Me. The Holy Spirit is guiding you what to say at your talks, and He helps you to write down My messages. Give thanks to all of Us as We help you in your mission. I thank you for your ‘yes’ to My mission, even if you may suffer persecution for speaking out a message that is not always popular to your evil world. In your prayers you can call on St. Paul and St. Barnabas to help you in your mission through their intercession. Trust in My help to lead you and protect you in all that you do for Me.”

June 19, 2014
Thursday, June 12, 2014:
Jesus said: “My people, at times you do things without thinking of how your words or actions could affect or harm someone else. Do not criticize or gossip against others behind their backs. I am the only judge of your actions. You can help someone or advise them of their sinful actions, but do not condemn them. Pray for such people who may be living in sin, and try to give them good example of how to follow My ways and My Commandments. I call all of you sinners, and you are in need of My forgiveness in Confession. Come to Confession from the priest so that through Me, you can be absolved from your sins, and My graces can be restored to your soul. You need to come to Confession at least monthly, so you can keep a pure soul. At the end of each day, you can make a recollection of your actions to see how you may have offended Me or your neighbor. Pray an Act of Contrition for your sins before you go to bed. If you have committed any mortal sins, you should come to Confession as soon as possible. Learn from your sinful mistakes so you can work to avoid such sins in the future. When you live your lives, work to be a good Christian example to those who are around you. Also, when possible try to encourage people in their faith, and evangelize souls who need conversion to My ways.

When you do everything out of love for Me, your reward will be great in heaven."
Jesus said: "My people, your priest at Mass in the morning, spoke briefly of a reading about Elijah when he confronted the four hundred prophets of Baal which the northern king of Israel allowed. The two camps each erected an altar for sacrifice, and each of them was to call down fire to consume the offering. The prophets of Baal called on their god, but nothing happened. Then Elijah had the servants flood his altar three times with water. Elijah called on Me to send fire down to consume the offering, and I did. The false prophets were later slain. This was proof to the king that I was the One true God to worship, and he was converted. In your world today, you have seen some miracle pictures and even some miracles of My Eucharist. But not all the people believe in Me or My Real Presence, even when they are shown proof of My miracles. Having a gift of faith is something to be treasured, more than other gifts. Once you believe in Me, and follow My Commandments, you will be promised eternal life in heaven. You need to pray, come to Sunday Mass, and do good works to show your love for Me and your neighbor. I am truly the One true God of all peoples, and I provide everything for you in body and spirit. My Adorers love Me so much that they even come every night to worship Me, and drink in My peace. I am the Creator of the universe, and all of mankind, and I am more than worthy to be worshiped by My people."

June 19, 2014
Friday, June 13, 2014: (St. Anthony of Padua)
Jesus said: "My people, this cave is on Mt. Carmel where Elijah was hiding from those who wanted to kill him. Many of the prophets in the Old Testament were killed because the people did not want to hear My reprimands of their bad behavior. The prophets would speak My Words, so the people thought that by killing the prophets, they would not have to obey My words. All of My prophets throughout the ages are also possible martyrs because some people love their sinful behavior more than obeying My laws. You, My son, are called to share My Word, even if it could endanger your life. Some of the people who hear My words through the messages that I give to you, will be converted and saved from hell. Just as Elijah hid in a cave on Mt. Carmel, so I will lead My faithful to

places of hiding from the Antichrist at My refuges. You will be seeing an increase in religious persecution, but never deny your faith in Me, even if people threaten to kill you. I give My servants enough grace to endure all the trials and hardships of life."
Jesus said: "My people, you have seen some various sized tsunamis result from earthquakes of at least 8.0. These earthquakes usually occur along the Pacific Rim of Fire. As one earthquake of a large magnitude occurs, there is a ripple effect down this Rim of Fire, as stress has to be relieved. Your scientists have studied such wave action in your laboratories. You also have some early warning systems for tsunamis in the Pacific Ocean because the tsunamis travel at very high speeds. Tsunamis can do a lot of damage and drown people when the waves are of significant heights. There could even be more than one wave to be watching for. I have warned My people before of the HAARP machine, which could trigger large earthquakes and subsequent tsunamis. You have seen several large earthquakes that have signs in the clouds and colors before they happen. The one world people are intent on causing a lot of disasters as part of their plan for reducing the world's population. Do not be afraid of such people because I will protect you at My refuges. My power is greater than the evil ones, and they will be sent to hell at the end of the tribulation, when I will bring My Comet of Chastisement."

Saturday, June 14, 2014:
Jesus said: "My people, Joseph's brothers did not like Joseph because he was favored by his father, and they detested his many colored robe. They decided to place him in a cistern, but later they sold him to a caravan of people headed to Egypt. In many instances, I have changed evil actions into something good. I took this resentment of Joseph's robe and his dreams by his brothers, and
I used this to provide food for Jacob's people when there was a famine. I am still changing bad intentions into good things, even today. In the first reading you are seeing Elijah calling on Elisha to take his place as a prophet. In this case as with My apostles, these men left everything behind, and they followed My call. I reach out today to call My prophets, as some follow My call without any reservations. You should be thankful, if you are called to do a mission. I thank all

of My prophets for their 'yes', and I thank all of My refuge builders for taking on the making of My places of protection. All of My people who are called to My refuges in times of persecution, need to leave their homes and possessions behind, immediately. Come to My refuges when I call on you, so you can be protected from being martyred and controlled by the Antichrist. Trust in My call of protection in these evil times, when I will conquer all evil at the end of the tribulation."

Sunday, June 15, 2014: (Trinity Sunday, Father's Day)
God the Father said: "I AM WHO AM is speaking to you of Us in the Blessed Trinity. We are three Persons in One God, even as St. Patrick tried to portray Us in the three leaves of a shamrock. We are Father, Son, and Holy Spirit, but this Blessed Trinity is a mystery for man to understand. We are truly joined together in love, even as We want all of you to obey the Commandments of love of God and love of neighbor. We have made all of you in Our Image with free will to choose to love Us without being forced. Those people, who love and accept Us by following our guides for life, will have eternal life with Us in heaven. But those people, who refuse to love Us, and refuse to obey the Commandments, are on the road to hell if they do not change their ways. This is the great choice in love that every soul has to make in life. There are no in-between grey areas for people to hide, but you must say either 'yes' or 'no' to Our love. We invite all souls to join all of creation in paying your respects to your Creator. The animals, plants, and even the stars follow their instincts or orbits according to Our plan. But man has free will to choose to love Us. When you experience Our true love for you, you will be living in peace and complete satisfaction in your soul. Live your life to follow Our ways instead of your ways, and you will find your reward in the eternal joy of Our love in heaven."
Jesus said: "My people, it is not wrong to desire a nice home or a nice car, but do not put such desires ahead of Me. In other words, do not worship or pay more attention to your possessions more than Me. Each of your possessions has a certain hold on you, but do not let those earthly things distract you from your goal of being with Me in heaven. Some people work hard all their lives just to have the finer things in life. It is better to want to follow My plans for your life,

than your own plans. In the end, it is not how many possessions you own, or how much money you have that will get you into heaven. It is how much you love Me and your neighbor in good works that will put you on the right path to heaven. Focus more on your prayer life and how to please Me, than seeking the best home and cars that you can buy. Material things will pass away, but your spiritual gifts and your treasure in heaven will not pass away. Choose Me over earthly things because I love you much more than any of your possessions or family."

June 19, 2014
Monday, June 16, 2014:
Jesus said: "My people, there are evil people in the world like this Jezebel who worshiped Baal. You have read how ruthless she was in having Naboth stoned to death because of false accusations that she inspired, so Ahab could have Naboth's land. Elijah had a contest with the prophets of Baal, and I helped him win. When these prophets of Baal were slain, then Jezebel tried to kill Elijah. There are many ruthless leaders who also have worshiped Satan, or were into the occult. The one world people are also following Satan's orders. This is why you see a lot of evil going on in the evil plots of your current leaders. They are still trying to kill My prophets and the Christians. Just as Ahab and Jezebel were punished, so I will bring My justice against the evil ones of your world. Do not be afraid if you are persecuted by these evil ones because I will protect My remnant at My refuges, and the evil ones will meet their fate in hell. In the end, I am the victor over these evil ones, as they will face their judgment for their evil deeds."
Jesus said: "My people, it was the evil one world people who instigated the terrorist acts that brought you into war in Afghanistan and Iraq. You have spent years fighting Saddam and the terrorists in these countries. This fighting has not gained anything because when you left, another terrorist group will take over. The one world people make money selling weapons to both sides, and they do not care how many people are killed. This is why they are instigating wars for their own gain for blood money. These countries are not an immediate threat to your country, because these terrorists could hide anywhere. It is good to have a good defense, but killing a lot of people has not achieved very much. It is better

to strive for peace than for war. You complain how the terrorists are killing their own people, but you also are killing your own babies in abortion, which makes you just as evil. It is not America's place to tell other nations how they should live. At times when nations try to take over other nations, then some self defense is needed. Trying to control people with your way of life is not the answer for peace. Keep praying for peace in these war-torn countries where some groups are seeking their own domination over others for power and money."

Tuesday, June 17, 2014:
Jesus said: "My people, in today's first reading, Elijah is speaking to Ahab about how the Lord is going to bring justice against him and his wife, Jezebel, for killing Naboth. Then Ahab repented of his sin in sackcloth, and I took back My punishment on him until his son would have to suffer. This mercy of Mine is similar when I pardoned King David when he had Uriah the Hitite killed to have his wife. Nathan the prophet, also was instructed to tell King David that evil will come against him for his crime. King David also repented of his sin, and My mercy spared his punishment until his son would suffer. There are many people who have sinned against Me in different ways, but I am merciful to a repentant sinner. I forgive your sins in Confession, and I ease the burden of My punishment when sinners repent like Ahab and King David. But those sinners, who do not repent, and do not seek My forgiveness, will pay a high price for their sins. I know the weaknesses of man, and I wait patiently for sinners to return to My love, like the father of the Prodigal Son. I love all of you despite your sins, but you need to learn from your mistakes, and change your sinful lives into holy lives by My grace. In the Gospel you need to love Me and your neighbor. This includes loving your enemies or those people who you dislike. In loving everyone, you are on the road to seeking the perfection that all of you need to have in order to come into heaven."
Jesus said: "My people, the one world people are trying to win another media support for battling the terrorists who are taking over Iraq without much of a fight by the Iraqi government. You are hearing drumbeats for troops on the ground and air attacks from many sources. Your people have a short memory when the same media encouraged war on Iraq some years ago. Do not be taken

in by the one world people who are instigating no-win wars that could involve losses of American troops again. If the Iraqi government does not want to fight these terrorists, another war would repeat the same mistakes of the past. Pray for peace in this area."

Wednesday, June 18, 2014:
Jesus said: "My people, in the Gospel I am inviting My people to live their Lenten devotions all year long. When you pray, do not tell people how many rosaries that you pray, so you are not bragging. Remember Me in your daily offerings, and make some time to pray to Me every day. When you are giving alms to the poor or to the Church, do not let people know how much you are giving. Also, you need to share with a meaningful donation, according to your means, and not just a token amount. You should also make an effort to do some fasting a few days every week. Try to fast from something you like on Wednesdays and Fridays, but remember to be faithful to it without being lazy. Fasting is a way to restrain the body from doing sinful behavior. During Lent you are also focused on getting to Confession more frequently. By remembering to give honor to Me in your prayers, almsgiving, and fasting, you can live a better Christian life of carrying your daily cross."
Jesus said: "My people, you sometimes include the souls in purgatory in your prayer intentions. Many of you have not seen how much these souls are suffering, so you do not realize how desperate they are for your prayers and Masses. Some souls in purgatory have been allowed to make some signs to their living relatives and friends on earth for prayers. Some people have gifts to know if a certain soul is still in purgatory. Your heart goes out to those souls, who are suffering in purgatory, but your prayers can help advance them out of lower purgatory into upper purgatory where there are no flames. Keep offering up Masses for souls that you know who are still in purgatory. You can also offer up your Masses that you attend for the poor souls in purgatory, as well as your prayers. These souls cannot help themselves, but they need to rely on your help in your prayers to bring them out of purgatory. Think of the possibility that your

own soul may have to be purified in purgatory after your particular judgment at death. If you will suffer in purgatory, then you will want your relatives and friends to offer up Masses and prayers for your soul's freedom to come to heaven. This is why you need to always remember to pray for the poor souls who are still languishing in the suffering of purgatory."

Thursday, June 19, 2014: (St. Romuald)
Jesus said: "My people, for those who live in the world, a monastic life is hard to understand. The monks live almost as hermits, except that they come together for prayers and meals. In the Gospel you were given My 'Our Father' prayer that I gave to My apostles to show them how to pray. When you pray the rosary, you add 'Hail Mary' and 'Glory Be' prayers. The monks pray in silence many hours, while many of you are fortunate to pray even one hour. It is also important to pray at least for a short time in quiet in contemplative prayer, so you can listen how I talk to your heart. Having a daily prayer life is good to keep your focus on following My ways instead of your ways. In your prayers you can give your petitions, and pray for sinners and the souls in purgatory. Prayer keeps you grounded in your faith, so you do not let worldly concerns consume all of your time. Keep Me at the center of your life, so you are doing everything out of love for Me."
Prayer Group:
Jesus said: "My people, when you come to Mass on Sunday, you are grateful to have a priest for Mass and a viable church. For those parishes who are in danger of closing, you start to realize how important it is to keep your church open. You have many memories of your children and grandchildren who were baptized and they received their First Holy Communion at your parish church. You may even have had weddings or funerals there as well. Be thankful for your home parish for as long as it can stay open."
Jesus said: "My people, you have seen some devastated homes from tornadoes where families have lost everything of their possessions. First, you are happy if there is no loss of life. You can replace buildings, but not the loss of your family members. You can see how quickly your possessions can be taken away from you. So do not be attached to things that age and become obsolete. In other words, it is your spiritual life in your soul that will last forever, so guard your

soul from sin and keep it holy with frequent Confession."
Jesus said: "My people, many of you remember how joyful you were to finally graduate from high school or college. This was one of many milestones in your lives. Getting a proper education is a first step in preparing you for a job and making a living for a future family. As parents and grandparents, you are joyful when your children or grandchildren graduate from high school or college. Many of the speeches are uplifting to the students who are going on to college, or they will be seeking their first job. Finding good paying jobs is getting more difficult when such jobs are in short supply, and some graduates have to find work in other professions than what they took in college. Pray for your relatives that are just starting out in life, because you can remember all the trials that you had at their age."
Jesus said: "My people, you go through life, and you try to eat healthy and take good care of your body. As you live day after day, you do not imagine how delicate your health is, and how quickly you could have to deal with a chronic condition or a terminal illness. You see people all around you with cancers or other illnesses, especially if you visit someone at a hospital. Thank Me for your health for as long as you can do things in your work. Many times you are sending Me petitions to heal these sick people. Some are healed, but some also pass away from their illness. Your life on earth is short, so live it to the fullest of your talents in helping people to survive."
Jesus said: "My people, when you are able to see how people of various states live, they are dealing with similar bills and needs that you have. Some have different levels of income, but many had to work for what they had accomplished. Some also need some government assistance to keep living in a home or a high rise apartment. You want to encourage such people in their education so they could help themselves. Even if you may be better off than others, you still want to see people get what they need for food and housing. Pray for those people in the world who do not have their needs met for food and shelter."
Jesus said: "My people of America, you have been fortunate to live in a peaceful nation with plenty of opportunities for jobs and freedoms. In other countries as Syria and Iraq, these people have to suffer wars in their backyards, and obtaining food and water is difficult. Even some nations have repressive governments that take away many freedoms. Pray for all peoples who have to struggle every day just to survive."
Jesus said: "My people, you are seeing some of your freedoms being taken away,

but compared to other countries, you have a very good standard of living at all levels of income. Freedom from tyrant rulers is a blessing, even if you have some complaints about your leaders. With a democratic republic you have some choices how your government should be run. You still are dealing with the one world people who are working on a world take over with the Antichrist. Have no fear because in the end, you will see My victory over all the evil ones of today."

July 2, 2014
Friday, June 20, 2014:
Jesus said: "My people, you have a life long principle to live by in today's Gospel. (Matt. 6:21) 'For where thy treasure is, there also will thy heart be.' Many people are tied to their money and their possessions because they would rather depend on themselves, than depend on Me for everything. In a sense they are worshiping or caring more about earthly things than loving and worshiping Me. Some people spend their whole lives accumulating wealth, fame, and power. But in the end, to whom will this wealth go because you cannot take it with you to the grave. This is like the rich man who had a bountiful harvest, and he tore down his small bins to build bigger ones to store his harvest. Then his life was taken from him without a chance to enjoy the fruits of his labor. Your focus should be on storing up good deeds which is your treasure in heaven. When you share your time and money with others, you are storing up more treasure in heaven. Money and wealth on earth can be stolen or it could become worthless when the dollar crashes. This wealth is passing away, but your treasure in heaven will be safe for your judgment."
Jesus said: "My people, some of you have seen this movie (For the Greater Glory) that showed how Christians were persecuted and priests were killed in Mexico if they wore their clerical vestments. This same kind of religious persecution will be coming against you during the tribulation. The Antichrist and the one world people will be allowed a short time of taking over the whole world. Your life and your soul will be at risk from mandatory chips in the body. This will be the time to come to My refuges of protection. Some people will be martyred for their faith, but they will become instant saints as they enter heaven. I will have My angels protect My faithful remnant with an invisible shield, and they will lead you to a safe haven at one of My refuges. Trust in Me to provide you a place to stay, and all of your needs as food and lodging. Some people have

questioned you, if this will really happen, but believe My messages that a persecution is truly coming when you will have to flee to places of My protection at refuges."

July 2, 2014
Saturday, June 21, 2014:
Jesus said: "My people, there are some people who worry or are anxious over what they are to eat, drink, and what they are to wear. Worries and anxieties are really from the devil, because a faithful person puts their total confidence in Me. Without Me, you are nothing, which means you are totally dependent on My help. Everything that you have, has come through My gifts. That is why you personally have lived this verse: (Matt. 6:33) 'But seek first the Kingdom of God and His justice, and all these things shall be given to you besides.' I provide your talents and the earthly things so you can work to feed your family and have a place to stay. I know all of your needs before you ask Me, so I will see to your survival. By your working with My plan every day, you have had the necessities to live, and even a surplus to help others. For those who are worrying over things, just look back a few years, and you can see how I have provided for your needs then, as I will do in the future. With this in mind, now you can have peace of mind, and peace in your soul because you are trusting in Me."
Jesus said: "My people, I have given you many messages about being prepared to have your things ready to leave for My refuges in a short time. When I give you My warning of when to leave, you need to quickly pack your things into your vehicles, and leave as soon as possible. In the vision you had a sense of urgency in the people who were escaping in their cars to avoid the evil ones. My angels will shield you with an invisible shield, but only after you leave your homes. I have not given you a date when this will happen, but the events in the world are getting more serious in Iraq and the Ukraine. The one world people could instigate another 2008 crash at any time for your banking system. You have seen how hackers have caused denial of service on many internet sites, especially financial sites. Such a crash could precipitate a martial law takeover which would be a sign to leave for My refuges. People that are arriving at My refuges will be in a panic for their lives. My refuge builders will need several counselors to calm down these excited faithful. Once they see My miracles of providing food and My luminous crosses healing them, they will relax and be

thankful for My hand of protection. Do not be frightened by the evil ones, but follow My directions when to leave."

Sunday, June 22, 2014

July 2, 2014
Sunday, June 22, 2014: (Corpus Christi)
Jesus said: "My people, this Sunday you are honoring My very Presence in every Eucharistic Host. In the Gospel of John (6:54,55) you have My very words explaining to you how important it is to receive Me in Holy Communion. 'Amen, amen, I say to you, unless you eat the Flesh of the Son of Man, and drink His Blood, you shall not have life in you. He who eats My Flesh and drinks My Blood, has life everlasting, and I will raise him up on the last day.' My faithful, who receive Me in Holy Communion at every Mass, receive My Real Presence in the Host. Not all Catholics believe that I am truly present in the consecrated Host and Wine. The consecration changes the bread and wine into My Body and Blood by a miracle of transubstantiation. For those, who are unbelievers, I have allowed miracles of My Eucharist in bleeding Hosts. These miracles are to emphasize that the Host is truly My heart tissue, and the wine is now My Blood as in Lanciano, Italy. You witnessed the testing that the bread truly became My Heart tissue with no rigor mortis, and the crystals of blood were tested as AB type blood in a miracle 1,300 years ago. It takes faith to believe in My Real Presence, but I am there just the same, even if people do not believe."

July 2, 2014
Monday, June 23, 2014:
Jesus said: "My people, you have read the book about the 'Harbingers' and how there is a parallel between how Israel was taken over, and how America could be repeating the same fate. In Israel the people worshiped Baal, and they refused to listen to the prophets who warned them to return to worship Me alone, and obey the Commandments. Because this stiff-necked people would not change their evil ways, I allowed the Assyrians to defeat Israel, and carry them off to the Babylonian Exile. In America you are also worshiping the gods of materialism

and sports instead of Me. I have sent My prophets, as yourself, to warn the people to change their evil ways of abortion, or I will allow others to take you over and put you into exile. America is being tested by similar harbingers that Israel faced. Unless America repents of its sins and changes its ways, your country will suffer a takeover by the one world people, and you will lose your freedoms completely. Wake up America, before it is too late, or My punishment will fall on you because of your evil ways."
The Holy Spirit said: "I come in wind and fire to bring you My gifts so you will be prepared for the events that are coming. I am coming at an unusual time because time is growing short before you will have to leave for Our refuges. I help you in writing your messages and in giving your talks. I also bring My healing graces over those people who you are praying over, and I help you in choosing the most appropriate messages to share with the people. My coming is special for what is coming on the earth at this time. You are sensing from the recent messages that something serious is stirring. The beginning of the tribulation is near when it will follow the Warning. People all over the world will take notice of the events on the day of the Warning. This will be the biggest outpouring of the Divine Mercy since Jesus was crucified. Not everyone will be converted, but there will be many miracles of conversion. Keep close to Us in your daily prayers, and you will have no fear, but you will have peace in your soul."

Tuesday, June 24, 2014

July 2, 2014
Tuesday, June 24, 2014: (Nativity of St. John the Baptist)
Jesus said: "My son, you are familiar with where St. John the Baptist was born in Ein Karem, Israel, and also you were on the banks of the Jordan River where he baptized sinners. St. John the Baptist was My herald in the desert calling people to repent and be baptized. After baptizing Me and hearing God the Father and seeing the Holy Spirit come over Me, he told his followers that I am the Messiah who was foretold. St. John the Baptist said: 'I must decrease, while He must increase.' St. John the Baptist prepared the people for My first coming. Now, My prophets of the end times are alerting the people to My coming victory over the evil people, including the Antichrist. When you see people falling away from their faith, as in the decreasing attendance at Sunday Mass, this will be your sign of the end times. I will bring My Warning soon to wake up the

lukewarm souls, and give them one last chance to repent, and change their sinful lives into new converts. Rejoice, when you will see Me coming in victory over the evil ones."
Jesus said: "My people, some people look at life as a game, and they think that they can do as they please, without any concern for living a good moral life. The reality is that you cannot leave your spiritual destination up to chance. Instead, you need to follow My Commandments, and live your life according to My Will and not your will. I know what is best for your spiritual life, even if your body wants to follow worldly ways. Imitate My life of love so you are working on your perfection at all times. Call on My help to avoid sin, and show your love for your neighbor, even if they persecute you or mistreat you. I give you My sacrament of Reconciliation so you can come to Me to seek My forgiveness of your sins. In most parts of your life, you make prudent plans for your earthly needs. Even more so, you need to make spiritual plans for your eternal destination. This life will pass away, but your soul lives on for all eternity. This is why your spiritual choices are most important, so your soul is pure when you face Me at your judgment. By daily prayer and monthly Confession, you can strive to keep a pure soul. When you truly love Me, you do not want to offend Me with your sins. Call on My grace to keep you holy, so you are on the right path to heaven, without leaving anything up to chance."

Wednesday, June 25, 2014

July 2, 2014
Wednesday, June 25, 2014:
Jesus said: "My people, I have asked you to imitate My life with love and good works, so people can recognize you as good Christians. Let Me be proud of your good behavior, so you are a good example to others who want to believe in Me. In life you will find evil people, who at times, try to hide their identity by disguising themselves as My faithful. By their fruits of evil deeds, you can see that these evil ones are truly wolves in sheep's clothing. This is why I want My faithful to bear good fruit in your deeds, your language, and your behavior. Think of yourself as a good tree in the vision, so you are made to do good things and bear good fruit. If you should falter in sin, you can be cleansed of your sins in Confession. Keep your souls pure and continue to bear good fruit out of love for Me. Just as the farmers cut down the bad trees and throw them into the fire, so at the judgment, I will cast the evil ones into the fire of hell. But My true

faithful souls will receive their reward in heaven for all eternity."
Jesus said: "My people, it is unfortunate that you see constant fighting in the Middle East, as various factions are struggling for power and land. It is better not to be killing people in made-up wars. I want people to live in peace, but the devil is always stirring up trouble in the Middle East. As America left Iraq, now other groups are taking your place. There are at least three factions that are fighting each other to control Iraq. It is difficult to determine who is backing and arming this latest group, but it is even harder to determine any reason for further American involvement in the fighting. The one world people are still trying to get America involved in another no-win war. Do not listen to these people who are promoting more war in Iraq. Saddam was removed from Iraq in an earlier war, but nothing would be accomplished with any further American involvement."

Thursday, June 26, 2014

July 2, 2014
Thursday, June 26, 2014:
Jesus said: "My people, in the first reading you read how Judah in the Southern kingdom of Israel, was defeated by the Assyrians, and the king of Israel and his soldiers were exiled in Assyria. This completed the defeat of both the Northern and Southern kingdoms of Israel. Again, this was My punishment on Israel because they broke My covenant by worshiping other gods than Me. America should take note of this punishment, because America is also violating My laws with its abortions, homosexual marriages, and living in fornication without proper marriage. Your sins are worse than Sodom and Gomorrah, and the evil in your society grows worse every day. If America does not repent of its sins and change its ways, you will also see a takeover by the one world people, and all of your freedoms will be taken away. I have given you extra time for conversion, but it will take My Warning to get your attention. Learn from the history of fallen and corrupt nations, or America will fall and repeat this history."
Prayer Group:
Jesus said: "My people, you saw a beautiful display of My sunlight as it fell on your relics of the saints, and then it fell directly on My consecrated Host. The whole monstrance of glass was reflecting the sun's rays and giving glory to Me. I thank all of you for having My Host and My Real Presence adored, as I am the center of your attention during your prayers. There should be more churches that

take time to adore Me in My monstrance. All of your prayers and prayer petitions are coming directly to Me in My Host. Thank you for adoring Me and giving Me praise, just as My angels are adoring Me with you."
Jesus said: "My people, you are seeing more younger priests being ordained and working in your diocese. Africa used to be a place where missionaries visited to make converts. Now, more priests are coming to America from Africa because the U.S. is becoming a mission land where the faith has declined among your members. Pray for vocations to the priesthood, and support your parish priests because you are fortunate to have them for your Masses and My sacraments."
Jesus said: "My people, I have shown you this sign before that represents how I am your bridge or your means to heaven by My death on the cross. All souls have to come through Me in order to come into heaven. No matter what faith you have, you all need to accept and love Me in order to reach heaven. Be grateful that My sacrifice has ransomed your souls from your sins. Give glory and thanks to Me for all that I have done for you out of My love for you."
Jesus said: "My people, a time is coming when your banks will declare a holiday for a while. This will upset your economy while they are closed. This is when you may have to use your stored money at home. When the banks re-open, your currency will be devalued a certain percentage, as your dollar will no longer be the reserve currency of the world. This again will lower people's net worth in dollars, but silver, gold, and diamonds will be worth more in dollars. This will be another sign of the end times as your financial system could fail at any time."
Jesus said: "My people, in the physical world you build your homes on solid foundations so your house will not fall down when you have rain and floods. Some people put their trust in money and other forms of wealth. Even on your money it is labeled 'In God We Trust'. So it is better to put your trust in Me to take care of you, than to rely on your money and possessions. All the things of this world are passing away, until you will only be left with your soul. Keep close to Me in your prayers, and you will have a place prepared for you in heaven."
Jesus said: "My people, you have been reading how Jezebel and the king were seeking to kill Elijah, the prophet. This is why I protected Elijah, and I had ravens bring him food. I protected him in a cave on Mt. Carmel in Israel, where you have visited. I am telling you this because your leaders and the one world people will also be seeking to kill My prophets and My Christians. This is why I have had My refuge builders prepare refuges for My faithful to come for protection. I will place one of My large angels over each refuge to protect you

with an invisible shield. Only those who have a cross on their foreheads from My angels will be able to enter My refuges. You will have a luminous cross over My final refuges, so when you look upon it, you will be healed of your infirmities. Trust in My protection during the coming tribulation."
Jesus said: "My people, a time is coming when the Antichrist will control many people by chips in the body, and they will be hypnotized by his eyes to worship him. I am showing you stadiums full of people who will be controlled by chips in the body and the Antichrist on TV screens. I am warning My faithful not to take any chips in their bodies because this is the mark of the beast that will control your free will for those who take it. After the Warning you are to get rid of your TVs, computers, and any internet devices, so you do not look at the Antichrist's eyes, or listen to his voice. I will warn you when it is time to come to the safety of My refuges so the evil ones cannot kill you. Leave immediately when I tell you, and your guardian angels will guide you to the nearest refuge."

Friday, June 27, 2014: (Most Sacred Heart of Jesus, the Two Hearts)
Jesus said: "My people, this vision of Our Two Hearts with My Blessed Mother, is a special feast time for the month of June. When you honor My Most Sacred Heart, it is all about your love for Me, and My love for you. My Heart was pierced on the cross, as I willingly gave up My life for My people, so My sacrifice could atone for your sins. What greater love could one have, than to give up My life for all of you? This is why you should have My large crucifix on your altars, to remind you of My great love. Some churches also have statues of My Sacred Heart, just as your Cathedral is named after Me. You know My Sacred Heart is joined with My Blessed Mother's Immaculate Heart because we are one heart together. We also want your hearts to join us as well. I am grateful to all those people who promote the devotion to My Sacred Heart."
Jesus said: "My people, on this feast day of My Most Sacred Heart, your priest makes a good point of how My people need to return your love to Me. By imitating My life and living My Commandments of love, you will be on the right path to heaven. It is by giving your will over to My Divine Will that you can fulfill the mission that I have for you. Use the talents that I have given you to share with others in providing for their needs. Most importantly, you need to share your faith with others to bring them into the faith taught by My apostles.

Converting souls and saving them from hell, is your most important goal. I died on the cross to bring salvation to all of mankind. But I call each soul to accept Me in love, and believe in My Gospels. I give you the words of eternal life to follow, and I offer you My Body and Blood as your spiritual nourishment. Make time for Me in your daily prayers, and come to Confession often to keep your soul cleansed of sin. Come to Sunday Mass and daily Mass if you can, so you can receive your daily spiritual bread of My consecrated Host. Let Me be the center of your life, and do everything out of love for Me. By showing Me your love in this way, you will surely be with Me in everlasting life in heaven."

Saturday, June 28, 2014: (The Immaculate Heart of Mary)
The Blessed Mother said in a soft voice: "My dear children, I love all of my prayer warriors who are faithful to my Son in their daily rosaries. I love how devoted you are to carrying out my Son's wishes for your mission and honoring me today on my feast day. My Son and I want to join your hearts with our Two Hearts. In the Gospel reading, you are reading of one of my seven sorrows that I suffered when my Son was lost in the Temple. You all go through sorrows on this earth, but my Son lifts you up with His graces so you can endure your troubles. He never tests you beyond what you can endure. We in heaven are watching all of your actions, so control yourselves from any occasions of sin. You not only are prayer warriors to support your families, but you also are called on to reach out to save souls from hell with my Son's help. Keep close to us in your prayers, and the sharing of Jesus' sacraments. Trust in my Son as you pray to our Two Hearts for our protection and guidance in your lives."

July 2, 2014
Sunday, June 29, 2014: (St. Peter and St. Paul)
Jesus said: "My people, I have told you that just as I suffered mistreatment at the hands of worldly people, so My faithful will also suffer in this world. My saints Peter and Paul were both martyred for their faith in Me, and that is why you are

seeing the red vestments. These two saints are the pillars of My Church. St. Peter declared that I am the Christ, the Son of the living God. Then I called St. Peter the rock on which I will build My Church, as he became the first Pope. St. Paul had a miraculous conversion with My great Light that knocked him off of his horse. He became My great missionary of the Gentiles. He also speaks to you in many of his Epistles with beautiful teachings to you at many Masses. I showed you in the vision how these two great saints were martyred by the Romans, and it even pleased the evil people that they were killed. My faithful will suffer persecution as well when you preach My Word because the worldly people refuse to accept My Word, and they refuse to stop sinning. The worldly people love their sins of pleasure more than Me, and they will hate you for criticizing their sinful behavior. You still need to stand up for what you believe in Me, and proclaim that sinful living leads to hell. Only those people, who love Me and repent of their sins, will see My reward in heaven."

Jesus said: "My people, you wonder why some people do not come to Sunday Mass. You all have free will, and you have a choice whether to come to Mass or not. Some choose not to come because they do not have a deep love for Me, or they are afraid to come, because it might mean that they will need to change their lives, and they do not want to change. When people follow their own will, I cannot help them in their mission. Those, who plan games or other events at Sunday Mass time, do not respect My day of rest on Sunday. America used to respect Me on Sunday by not working, and the stores were not open. Now, America is turning its back on Me with no respect, and little if any love for Me. When people knowingly refuse to come to Sunday Mass, they will be calling down My justice against them. My prayer warriors can save such souls from hell, but those, who miss Mass on purpose, will suffer a long time in the flames of lower purgatory. Give them more encouragement to pray and love Me, or they will suffer the consequences of their sins. Parents, who give a bad example to their kids in not coming to Sunday Mass, will suffer more for misleading the souls of their children. It is for this reason that the youth are not coming to Mass, nor are they learning to love Me. At times I have to look to the grandparents to be good examples and pray for these lukewarm sinners. You need to inform these souls that if they do not accept Me and love Me, they are risking the loss of their souls to hell. Keep praying for your children and grandchildren so they can change their ways before it is too late."

July 2, 2014

Monday, June 30, 2014: (The First Martyrs of the Holy Roman Church)
Jesus said: “My people, it is hard for My faithful souls to understand how the worldly people and the lukewarm do not even think of Me. You know of My love, and you know what it means when I tell you that without Me, you are nothing. You now can feel a little of My frustration with so many people who do not know Me, and they are not even searching for My peace. I gave man free will to love Me or not, and it is sad that so many people do not love Me. My faithful lovers are a sweet consolation to My love. I do not force Myself on people, but you can see how much the people need to be shaken up with My Warning experience. The evil on earth is so great that it is calling on My justice very soon. The events of these final days are slowly reaching a climax that will bring about My Warning. Keep praying for the re-conversion of the lukewarm, and reach out to evangelize the souls who do not know Me.”
(Funeral service for a young lady at Webster Cemetery) Jesus said: “My people, this lady shared her love with her friends and relatives, but I was not very much in her life. Your Divine Mercy Chaplet for her, touched My Heart, and I spared any judgment to hell. Continue to pray for her soul, and have Masses said for her. There is a battle waged for souls. So if a soul does not have a prayer advocate, that soul could be lost to hell if the soul ignores My love. Be thankful that this soul was snatched out of the demons’ hands. She will be watching over her family and friends, and she loves all of you. She thanks all of those people who came to her funeral.”
Jesus said: “My people, in any number of sports, you usually go through training and practice so you can be prepared in your sport, as the runners were training for their race in the vision. This is true in your spiritual life as well. You may commit a sin in your everyday life, but you can confess it in Confession. You need to remember and learn from your mistakes, so you do not repeat the same mistake. Your training to be a good Christian also includes your daily prayer life, and maybe some mental exercises of remembering to help people without being asked. It may also include daily Mass and frequent Confession. You could even include some fasting and contemplative prayer in silence. By your love for Me and your good deeds, people can truly call you a good Christian, and recognize you as a Christian by your actions and your love. You need to keep in good training by practicing and living your faith every day.”

Tuesday, July 1, 2014: (Bl. Junipera Serra)
Jesus said: “My people, in the Gospel reading I chastised My apostles for their lack of faith in My protection. The waves of a bad storm were swamping their little boat, so My apostles were humanly fearful that they might drown. Once they awakened Me amidst the storm, I calmed the waters, and they were amazed that even the sea and the wind obeyed My command. This account is a lesson for My faithful that they need to have a strong faith in Me, and a confidence that I will protect all of My faithful from harm. It is not easy in day to day life when you come up against a lost job, a severe illness, or a death in the family. At times you have human fears of how you will pay your bills, but keep the faith, because I have provided for your home and your food in the past. You are more valuable to Me than other animals, yet as I take care of them, I will provide for My faithful just as well. It is easy to be confident in your faith when things are going well, but it is when you have storms of severe trials, that your faith in Me is being tested. Trust in Me to calm all of your fears, no matter what you will face in life.”
Jesus said: “My people, fresh water and cheap fuels could help your economy run with adequate mobility. You have a lot of modern technology at hand to help provide fresh water and cheap fuels. You have read articles that fresh water will become more valuable than oil as a resource. Some people have used unusual sources as glaciers and artificial means to condense water out of the air. Some bottlers of water exploit fresh water springs or aquifers to provide their water distribution all over the world. Others are using advanced membrane technology for making large amounts of fresh water from sea water and harvesting any salts for sale. Newer methods for producing fuels have centered around some form of fracking, which has some problems with earthquakes and how to dispose of toxic water by-products. It is possible to make car engines more fuel efficient so you would need less fuel. Even hybrid engines are more fuel efficient, but it would be helpful if their cost could come down. You have seen many inventions over the last hundred years that have made your life a lot easier. Pray that your manufacturers could focus more on giving you cheaper products, instead of focusing more on high priced products for their bottom line.”

July 17, 2014
Wednesday, July 2, 2014:
Jesus said: "My people, in the Gospel of Matthew (8:28-34) there were two demoniacs or possessed people that were harassing the travelers. In Mark (5:1-20) and in Luke (8:26-39) there was only one possessed man who claimed there was a legion of demons tormenting him. The demons requested that I cast them into a herd of swine, instead of being cast back into the abyss of hell. I told them to leave the person, and the demons entered the swine and drove them into the sea where they drowned. Even though the people of that town saw the man was no longer possessed, they wanted Me to leave their town. Many times I have told you not to be fearful of the demons or evil people, because I am more powerful than even legions of demons. You are seeing in these accounts how the demons even feared My Presence. So you should trust in Me when you encounter possessed people, or demon influences on people with addictions. You need to pray deliverance prayers over them in My Name, and pray the St. Michael prayer. Even put holy water or blessed salt on them to restrain any evil from the demons. When you are confronted by demons, call on Me, and I will send My angels to protect you and console you in your trials."
Jesus said: "My people, on the day of the Warning, there will be a frightening event in the sky that could scare a lot of people. I am not seeing people repenting of their sins, or changing their ways, and the sins of the people are getting worse, instead of better. My justice is coming against America for its abortions and sexual sins. Before I allow the one world people to take you over, I will bring My Warning experience to every soul all over the world at the same time. This illumination of your conscience will be a life review of all of your actions that you will see, with an emphasis on your unforgiven sins. I will then show you your mini-judgment of heaven, hell, or purgatory based on your life's actions. If you do not change your life after you return to your body, then this will become your final judgment. This Warning is a wake-up call to all sinners, so they will see where their lives are leading them. You will have an opportunity to be re-converted to the faith, and come to Confession to cleanse your sins. I will show you how your sins offend Me, and what things you are to avoid in order to come to heaven. You all know what is right or wrong, but My Warning will show you

the consequences of your bad actions. Learn from your mistakes, and show your love for Me and your neighbor, or you will face a judgment to hell or lower purgatory."

Thursday, July 3, 2014:(St. Thomas, our 49th Wedding Anniversary)
Jesus said: "My people, today you are honoring St. Thomas, who was remembered most for his doubting My Resurrection. Once I appeared to him and he placed his finger into My wounds in My hands and My side, he believed. Then I told him how he believed because he saw Me, but blessed are those who believe in Me, and yet they have not seen Me. Faith in My Divinity and in My Words of the Gospel, take an extra effort to believe. This also means that My faithful must repent of their sins, and follow My Commandments in the way they live. Today, also is your 49th Wedding Anniversary, and you are a testimony to the dedication of your love for one another with a life long commitment. This enduring commitment is missing in a lot of marriages because of some addictions or selfish motives. When you commit to Holy Matrimony, it is beyond yourselves because the two of you are as one flesh."
Prayer Group:
Jesus said: "My people, you have witnessed a cold and snowy winter, and now you are seeing more weather disasters. In the West you are seeing serious droughts and fires. In Minnesota you are seeing floods from heavy rains and swollen rivers all along the Mississippi River. Other places have experienced destructive tornadoes, and now you are seeing a hurricane coming up the East coast. Keep praying for all the people who have lost their lives, and those with lost or damaged homes. Your economy had a big dip in the first quarter, which could have been a result of a bad winter and tornadoes."
Jesus said: "My people, your parish at Holy Name of Jesus has suffered from a priest shortage and fewer people coming to Sunday Mass. Contemplating such a closing of this church will be more difficult for those who have been there since its beginning in 1967. I have told you that every closed church is a lost opportunity for grace from the sacraments. You are seeing a general decline in all church attendance in America, as many of your people have lost their faith. You need to have a revival of the lukewarm souls so they could return to their

former fervor in the faith."
Jesus said: "My people, it only takes a few brutal killings to stir up the people in Israel among the Arabs and the Jews. This fighting builds on itself to make a larger confrontation. The fighting in Iraq has drawn more US soldiers in to protect your embassy. These expansions of troop levels could lead to another war that includes the US. Keep praying for peace in the Middle East where a larger war could break out at any time."
Jesus said: "My people, you are seeing an evil age where young couples would rather live together in fornication, than make a life long commitment to married life. Having children is the purpose of marriage, but some are more concerned with their pleasures instead of bringing up children. Your marriage of forty-nine years is an inspiration to other young people that shows them you can live out a life commitment to each other. Encourage your children and grandchildren to live a married life, instead of a sinful relationship."
Jesus said: "My people, many Americans have lived with their freedoms for so long that they do not realize how some people are suffering from living under communist tyranny in China and Russia. England at one point was testing your forefathers with excessive taxation and control by force. You had brave men lead you to the freedoms that you enjoy today. Be grateful for those lives that were given up to fight your oppressors."
Jesus said: "My people, your corporations are not helping your people to find good paying jobs. Most of your good paying jobs have been sent overseas to people who do the same work for less pay. It has been the cheap labor overseas that has taken away many of your jobs. Now you have low paying jobs or only part time jobs available. These wages are not enough to support people in their living expenses. Pray for many young people, who have to live with their parents just to survive. Now, because of such low wages, there is not enough tax money to support your welfare state. Your Medicaid and Social Security programs are running out of money, and it is hard to support them with deficit budgets. Pray for your people to change their ways, or you will see a collapse of your government."
Jesus said: "My people, I have given you examples to love Me and your neighbors, or you will face the consequences of your sins. I want My people to reach out and help their neighbors with good deeds, and to evangelize souls to the faith. Do not just live for your own pleasures, but help others who have less money to find the food and housing that is needed for them to survive. America is rich by comparison to other countries, so help the poor, and work to stop

aborting your children. Then you will be building up your treasure in heaven."

July 17, 2014
Friday, July 4, 2014: (Independence Day)
Jesus said: "My people of America, you have been blessed in the work of your documents, and your pledge of allegiance to put My Name there to shine brightly as your reason for your success. When you honor Me and love Me, you will have plentiful food and resources. Your people have been hard working, and you have had many inventors that have helped your economy. Unfortunately, you have the one world people who are undermining your morality, your families, and your jobs. These evil atheists actually worship Satan, and they are bringing your country down militarily and economically. It is hard for individuals to fight this evil because the money has corrupted your legislators so they are only following Satan's plans instead of My plans. Your families are torn apart with many living in mortal sin from their fornication and homosexual acts. It will take My Warning to bring some back to the faith, but the majority will be against you and they will follow the Antichrist. I will protect My faithful remnant at My refuges. Those, who take the mark of the beast and worship the Antichrist, will be lost, as they will be cast into hell when I bring My Comet of Chastisement at the end of the tribulation. Remain faithful to Me because evil people will control your country, and they will try to kill My faithful. Have no fear because I am more powerful than all the demons and evil people. You know the end of the story, and My victory will reign supreme over everyone."
Jesus said: "My son, I want you to do some research on how many births, deaths, and abortions occurred in the U.S. in your recent statistics. (3,941,000 births June'12 to June' 13; 2,468,435 deaths in 2011; 1,060,000 abortions in 2011) If you include the amount of abortions and the normal deaths, it is almost the same as the number of births. You can imagine all the lost talent that was lost in your abortions. It is a horror to see this many babies killed each year in America. These are less people who could be supporting you in your Social Security payments. I could list a lot of reasons that you should not kill My babies in abortion. It offends Me greatly because these acts are mortal sins of premeditated murder. Most abortions are for convenience, or to save face of embarrassment. You cannot put a price on a human life, as in the cost of an abortion. The doctors

are partly to blame for these abortions, because they are collecting blood money for their grisly work of disposing of these little bodies. Try to persuade these mothers to have their children, instead of killing them. Also, have compassion for those mothers who had abortions because they have to live with this guilt for their whole lives. I will forgive these sins, but they should be confessed in Confession."

July 17, 2014
Saturday, July 5, 2014: (St. Anthony Zaccaria)
Jesus said: "My people of America, you are celebrating your Independence, but the movie that you watched ('America') asked what would life be like without America? You are one of the few countries that put Me in your documents, and even in your pledge of allegiance to your flag. Many of your atheists are trying to remove My Name in all that you do. You have many inventors, philanthropists, and good business ideas that have made your economy what it is today. But you have some serious socialists, and even communists that have a plan to bring your country down. Their targets have been your morals, your families, and even your jobs and work ethics. You have seen drugs, pornography, living in fornication, homosexual marriages, and now open marijuana sales, which have been destroying your families and your morals. When you turn your backs on Me in your sins, and you are not worshiping Me on Sundays, then I will remove your blessings that have made your country great."
Jesus said: "My people, there are many souls that are searching all their lives to find peace in their souls. At first, they seek money and possessions of this world. They are joyful for a brief time, but they do not find peace in their souls. You can only find this peace in Me. This is why you cannot find spiritual peace in the material things of this world, no matter how hard you try. The soul is always seeking its Creator, and I am the only One who can satisfy your spiritual yearning. For those, who are searching for peace, you can direct them to come to know Me in My sacraments. Once a person finds Me and loves Me, that person will want to be refreshed often with My Eucharist. When you have My peace in your soul, you do not want to lose it. This is why you should desire to stay in My grace, and do not let anything disturb your peace. When you fall into sin, you can lose your peace, but this can be refreshed when you come to Me in

Confession. Your soul knows well how to find its peace with Me, so seek to be close to Me in your prayers and in your Masses."

July 17, 2014
Sunday, July 6, 2014:
Jesus said: "My people of the Holy Name prayer group, I am very grateful for all that has been done to keep your prayer group going for over forty years. You are facing a closing of your church for Masses, but your diocese will keep it open. Instead of coming back to your house for the prayer group, you should try and pursue paying insurance, or paying for the lights and some heat, whatever it takes to keep your prayer group in church. You can look into getting a Host, or use your laptop to show My Blessed Sacrament during your prayer group. Do not give up without a struggle to keep your prayer group in church. By your faithful endurance, you can still keep Me in this church. Call on My help and My angels to help you carry this out."
Jesus said: "My people, in this vision I am showing you what it will be like during the Warning, when all the souls on earth will be drawn out of their bodies through a tunnel to a bright Light in Me. My Warning will happen before the tribulation, and I have told you that the tribulation will be like suffering your purgatory on earth. This is why you are seeing a spread of flames going all over the earth. All souls will know that it will be a time of suffering and persecution. My faithful will be protected at My refuges, but the rest of the people will be suffering under the tyranny of the Antichrist. This tribulation will cleanse any sins on your souls so you will be prepared to come into My Era of Peace. Rejoice when I will cleanse the earth of all evil."

Monday, July 7, 2014:
St. Padre Pio said: "My dear son, I am happy that you are wearing your cross outside. Do not be afraid to wear it outside as often as possible. I thank all of you for coming here to honor me. I bless all of you and your families for

remembering me in your intentions. As you look upon my confessional, I want all of you to come to Confession as often as you can. Do not be concerned about any priest who tells you that you are coming too often. My Jesus loves you, and you can offer up your intentions and your pain to Him so you can share in Jesus' suffering on the cross. You know how much I suffered in my wounds for the souls that I was praying for. During every Mass, I suffered the most at the time of Consecration in the Mass. Give me your petitions, and I will personally deliver them to Jesus. The more you love Jesus, the more you will want to suffer for Him and for souls. Do everything for Jesus, and He will bless you in your work."

Jesus said: "My people, you have read in the Gospel how I cleansed the demon out of the demoniac. I healed the whole person both body and soul. I also healed those who had faith in Me that I could heal them. I came to heal sinners and not the self-righteous. You all are afflicted with some leaning to pride because many want to be right in everything. People want others to think they are smart, and not foolish without knowing things. Do not hold onto your pride so much that you are not willing to admit that you have made a mistake. You all make mistakes because you are not perfect. So learn from your mistakes both in earthly things and in spiritual things. The Pharisees did not want their position of authority undermined by My teachings and My miracles. This is why they claimed that I cast out demons because I was the prince of demons. I told them that Satan would not cast demons out of people, or his kingdom would be divided. But by My power as God's Son, I cast out the demon to give evidence of My Divinity. Have trust in Me, My people, for I allow the demons only so much ability to tempt you. I give you the graces in My sacraments to resist these temptations. If you should fall into sin, do not be prideful, but come to Me in the humility of Confession so I can forgive your sins and restore My graces to your souls."

July 17, 2014
Wednesday, July 9, 2014: (St. Augustine Zhao Rong & companions)
Jesus said: "My people, there were many incidents in the history of Israel where the people gave worship to foreign gods, and their sacrifices to other gods were an abomination. This offense and their sinful living brought many punishments, usually through defeats by their neighbors. At other times, when Israel was faithful to the Commandments, they defeated their enemies, and they lived in prosperity. America could take some lessons from Israel because Americans are also worshiping earthly gods and many are living in sinful lifestyles. America will also face some punishments for not listening to My prophets, and not repenting of its sins. Your society grows more evil every day with your fornications, your homosexual acts, and even trans-gender living. You are defying My natural order of living, and you are seeing some disasters from My justice that are falling upon you."
Jesus said: "My people, it is not easy to accept criticism when you feel that you are doing the right thing. Often times there are several ways to solve a problem. At times other people think that their solution is better or quicker, yet if both your solution and another person's solution achieves the right answer, then you are both right. Try to understand other peoples' solutions that could be better than yours. If you have a good result, then try to be more loving, even if you are criticized for your methods. Other people should also be loving and not critical for doing something with the right answer. Most times you have differences of opinion when you act too quickly, or you make rash judgments of how other people think. By being more loving in your dealings with others, then you will not be annoyed by the criticisms of others."

Thursday, July 10, 2014:
Jesus said: "My people, when I first sent out My apostles, I wanted them to preach that 'the Kingdom of God is at hand' to the lost sheep of Israel. Later, St. Paul became a missionary to the Gentiles, so everyone could come to Me in the Good News of the Gospel. St. Peter was the leader of My Church, as the Popes throughout the years have carried out his authority from My words. Today, you

have priests and deacons preaching My Word at your Masses, as you receive My sacraments of My Eucharist, Confession, Baptism, Matrimony, and the Anointing of the Sick. Your bishops anoint young adults with Confirmation, and those training for the priesthood with Holy Orders. Just as I called on prophets and messengers to give My Word to the people in the Old Testament, so I have also sent out prophets throughout the years after I left the earth in My Body. Even now in these end times, you are hearing My prophets speak to you of how to prepare for My coming again. You will soon be receiving My Warning experience followed by the tribulation of the Antichrist. These words of My present day prophets are a blessing to you, because I always send My Word to instruct the people of what I am about to accomplish. Trust in My Word that will set you free of your bonds of sin."

Prayer Group:

Jesus said: "My people, you had an opportunity to see how Amish farms are run with horses and propane gas for some appliances. These people will be better prepared to deal without having electricity than your people of today. At My refuges, only a few may have solar cells for electricity on a small scale. You are so used to having electricity, that many of you would suffer without your appliances and comforts. People lived without electricity for many years, so you can survive without it. Be prepared to suffer a more rustic life at My refuges."

Jesus said: "My people, you just witnessed a tornado in a local town in New York state where four people were killed. Many trees were blown over and thousands of people were without power. It is difficult to clean up the storm damage and try to return things to normal. I told you before that when the one world people can takeover, they will turn off your electricity so they could control you more easily. Be prepared in your homes for alternate heating fuels in the winter, and lamp oil lamps for your light at night. Having extra food and fuel could get you through any times without electricity. Trust in Me to provide for your needs."

Jesus said: "My people, I have asked you to put aside some water and extra food to deal with the coming water and food shortages. In some cases you have had to use your emergency water when there were broken water mains or when your well water is poisoned or dry. Out West the people are rationing water because it is in short supply. Some areas in California could not grow their normal amount of food because of their droughts. Having an emergency supply of food will be needed when you will see a world famine. Fear not any starving, because I will multiply your food and water for your survival."

Jesus said: “My people, those people who are like the wise virgins, are the ones who are storing food for the end times. Those, who do not have extra food, could go starving as the foolish virgins. You are to share your food with others because it was not meant for hoarding. I will multiply what you have to help yourselves and your neighbors survive. Be thankful that I am warning you to prepare for the coming world famine and tribulation.”
Jesus said: “My people, I have mentioned before how I will make My remnant faithful into saints, because I will take away their possessions, and I will test them with a more rustic living. When you lose your warm showers, electronic entertainment, and your rich foods, you will be suffering harder lives, but you can endure it. You may not have working cell phones or your electric appliances, but you can get by without them. During this tribulation, you will understand how you can live without all of your electronic helps. Give thanks to Me for helping to make saints out of you.”
Jesus said: “My people, you are fortunate to have a country with many natural resources so you could produce cheap fuels for your cars, vans, and recreation vehicles. During the summer, many take long trips for camping or sight seeing, and your cheap fuels enable these long trips. This easy transportation also enables you to travel to places so you could give talks to the people about what I have given you in My messages. Teach the people how to live good Christian lives with a good prayer life, and sharing their time, money,and their faith.”
Jesus said: “My people, it is harder for people to make a good living out of multiple low paying jobs, which is about all that is available. This is why there is no extra money for luxuries when there is just enough to survive. Even older people on fixed incomes are finding it hard to manage a living on pensions, Social Security, and a few investments. No matter how difficult it may be to earn a living, you can trust in Me for all of your basic necessities. I take care of all the animals, so I will take care of you also, because you are more valuable to Me in your souls.”

July 17, 2014
Friday, July 11, 2014: (St. Benedict)
Jesus said: “My people, whenever you do good works in My Name and preach My Gospel, there will be people who want to persecute you. I warned My

apostles to be prepared to be persecuted and mistreated by rulers and judges for preaching in My Name. In the early years of Christianity, many Christians were martyred for their faith. Even in today's world, you may be criticized for protesting abortions or homosexual behavior. Some women think that they have the right to kill My babies in the womb, and you are violating their rights when you fight abortions. Others feel it is their right to marry in same-sex marriages, even though their acts are mortal sins, and they are living unnatural lifestyles. Your society is living in evil pleasures and sins, and some people do not want you preaching My Word that they are living in sin. When the evil ones, who are promoting the Antichrist, come into power, they will even seek to kill Christians because they will be led by Satan. This is why I am having My faithful people build refuges of protection that My angels will defend against these evil ones. You will soon be facing persecution and killing in the detention death camps, for not taking the mark of the beast or a chip in the body, and not worshiping the Antichrist during the tribulation. Be prepared to leave for My refuges when your lives and your souls will be threatened by those who want to kill you. Trust in My protection to shield you from harm, but some will be martyred and become instant saints in heaven."

Jesus said: "My people, all of you have to carry a cross, for this is your burden in your human condition. I choose the cross that best fits your talents and My graces. Those, who choose to follow Me in My Commandments, will have a lighter cross to carry. Those, who try to refuse this cross, and refuse to have Me lead their lives, will have to carry a cross that is twice as heavy. It is difficult to explain to people how they can best live their lives, and what mission I want them to follow. These questions have to be discerned in front of My Blessed Sacrament in silent contemplative prayer, so you can listen for My words of instruction. I give everyone a mission to accomplish, but until you give your will over to Me, it will be hard for Me to use you for My work. When you follow only your own will, you will only accomplish your work and not Mine. I call all of you to help everyone, both physically with your time and money, and to share your faith in evangelizing souls, so they are saved from hell with My help. Keep a good prayer life every day, and come to Mass and Confession as often as you can. When you come before Me at your judgment, you will be judged on how much you loved Me and how much you loved your neighbors. All of your good works will be used to balance off your sins. Trust in Me that you will be judged fairly, according to the gifts that you have been given. To whom more is given, more will be expected of that person."

July 17, 2014
Saturday, July 12, 2014:
Jesus said: “My people, I have given every soul a free will to choose to love Me or not. I do not force My love on anyone. When you make your choice, there are consequences for everyone. My Commandments are all about loving Me and loving your neighbors. I am all love and I am merciful, but I am also just. Most people have heard about heaven, hell, and purgatory, but some do not believe that they exist. Trust in Me, they are very real because some people have seen them that are still alive to witness this truth, as in near death experiences. I want My people to live their lives in following My plan for their lives. There are people who do evil things, and even some worship the world and Satan. When you come to Me in judgment, you will see a review of your life’s actions as in the Warning experience. But at death I will give every soul one last chance. I will show people heaven for those who love Me. I will show those, who refuse to love Me, the hell fire, mentioned in the Gospel. Also, there is purgatory for purifying souls. At that moment, the soul chooses its own destination. I do not send people to hell because they choose it by their own free will. I do everything in My Divine Mercy to save all souls from hell. I even accept prayers for people that would otherwise be lost in hell. Pray for all the souls who have yet to be judged, because there is no coming back from hell. Pray also for all the souls in purgatory.”
Jesus said: “My people, families today are being attacked and torn apart with many problems as jobs, providing a home, and providing for any children. Even keeping a car to go to work, can be another problem to finance and keep running. Family prayer is important to hold the family together, and to train the children to rely on a good prayer life to deal with life’s problems. When I am at the center of your lives, I will take care of all of your necessities. During your working years, you were bringing up your family with Sunday Mass, and even your daily Mass, along with your rosaries. Your good example to your children has given them a true faith that they are close to Me as well. Parents need to keep praying for their children, even after the young adults leave their parents’ home. Parents need to offer their help to their children,both financially and helping them in their faith. By keeping your focus on Me, and helping your

children to keep focusing on Me, you can all be on the right road to heaven. It is your spiritual destination that is most important for everyone, and heaven should be your goal."

July 17, 2014
Sunday, July 13, 2014:
Jesus said: "My people, I love all of you so much, and I want to share My love in My words of My Gospels with everyone. Different people receive My Word with various responses. Some do not want to listen, and they refuse to follow My Commandments. Others receive My Word with joy for a while, but their roots do not sustain them. Others receive My Word, but the pleasures and distractions of the world choke off their faith. My joy is the souls who receive My Word, and act on it by living My Commandments. These are the ones who bear much fruit, thirty, sixty, and a hundredfold. This is My call to everyone to hear My Word, and give your will over to My Divine Will. Then I can use My faithful in their missions to help support and care for their families in their worldly and spiritual needs. When you are true believers, your love for your neighbors will be seen in your acts of charity. Share your goods and your faith with all of those in need of your help. Be loving and gracious in all that you do with all the people around you. When you bear such good fruit in your actions, I will reward you in heaven for following My Word."

July 17, 2014
Monday, July 14, 2014: (St. Kateri Tekakwitha)
Jesus said: "My people, when you are raising up your children, you teach them what they need to survive in this world. More importantly, you also teach them faith in Me and how to follow My Commandments. In the vision you see how the mother and father are united in their belief in Me, and they bring their young children to Sunday Mass. This passing on the faith to your children is very important for their souls as they go through life. You train them in the faith and you give good example to them of how important it is to worship Me on Sunday,

My day of rest. It is actually a mortal sin to miss Mass on Sunday according to the Third Commandment of worshiping Me on that day. Some parents love Me so much that they even come to Mass every day to receive My daily Bread in My Eucharist. With today's many worldly distractions, some children have strayed away from their early training. Keep praying for these souls who know better, but they are not obeying My Third Commandment of worshiping Me on Sunday. I only request one hour a week to give Me praise and worship on Sunday, but some of My people have become too lazy in their spiritual lives. I should be at the center of your life every day. Try to encourage your children to come to Sunday Mass, but they should desire to choose Me of their own free will. Do not give up on your children who do not come, but keep praying for their souls. It is this unity of the family in prayer and Sunday Mass that is so important for their souls. Parents are responsible for the souls of their children, so keep them under your spiritual protection. Even as a grandparent you can pray and watch out for the spiritual lives of your grandchildren. By your constant prayers, you can lead your children and grandchildren to heaven, so their souls are saved from hell for all eternity."

Jesus said: "My people, you should know that the devil exists, and he is attacking you constantly to win souls over to his side. If the devil can get you to believe that he does not exist, then he will sift your soul like wheat. The more you commit sins, the weaker you will be in fighting off the devil's temptations. This is how the devil is able to draw people into sinful addictions that have a demon connected to each addiction. In order to protect yourself from the devil's temptations, you need to build yourself up in My graces from Holy Communion and Confession. When you are attacked by the demons, call on My Name and call on Me to send angels to defend you. Wear blessed sacramentals as the scapular, the Benedictine Cross, and My Blessed Mother's rosary in order to protect yourself from evil attacks. You can also pray the long form of the St. Michael prayer as an exorcism prayer against the demons, to help get rid of a person's addictions. The devil uses your earthly desires to tempt you into sin, so be on guard for attacks on your earthly pleasures. By being strong in your graces, using frequent Confession, and wearing your blessed sacramentals, you will be well prepared to fight the devil's temptations. You should also be ready to help others in their fights with the devil. By replacing evil with good, you can be a blessing in the world to help more souls come to heaven."

July 17, 2014
Tuesday, July 15, 2014: (St. Bonaventure)
Jesus said: “My people, the demons are always taunting you to get rid of My churches, because they hate My Presence in the tabernacle. These demons are also trying to attack My priests and spread errors in various heresies. Pray for My priests and to keep your churches open. I have My angels protecting My Hosts in My tabernacles, and I raise up great saints to fight heresies and instruct the people, like St. Bonaventure. In the Gospel you see Me foretelling the destruction of some of the cities of Israel that prospered in My day. I have sent My prophets to warn the people of the similar destruction of America’s cities of today, because of your people’s many abortions and sexual sins. I send punishments among the sinners of great cities. It may not happen on the day of a prophecy, but if the people do not repent with this warning, these cities will eventually fall, even as My prophecies came true. Keep praying for the people of America, and for your clergy and churches to remain faithful to Me.”
Jesus said: “My son, every time you travel to give talks, whether by plane or car, you have to bear a lot of driving or waiting in airports. Many people would find it difficult to do all of the traveling that you do, let alone give talks and pray over people. You have willingly accepted your mission without complaint, and you have been faithful in your prayers, Masses, and daily Adoration for over twenty years. I thank you for carrying out your mission, but you will be suffering more persecution in the future by those in My Church, and by your government people. You are proclaiming My messages that are difficult for some to hear and understand. The evil ones want to keep you from sharing My words, which is why you will suffer much for My Name’s sake. Continue your work with My help and protection.”

July 30, 2014
Wednesday, July 16, 2014:
Jesus said: “My people, you may be familiar with the history of Israel when the Assyrians first conquered the Northern Kingdom that was worshiping Baal instead of worshiping Me. This was the first defeat for Israel because they did not repent of their sins, and they continued to worship false gods in place of Me.

Later on, the Southern Kingdom of Israel would also be defeated, and the people were exiled into Babylon. This followed the pattern of the Harbingers that are happening in America where you have been attacked by terrorists that have the same ancestry as the Assyrians. America has also suffered a bank collapse in 2008 that was precipitated by easy money for housing loans that got caught up in a moment of greed with derivatives. These derivatives or bets are still active, and it is just a matter of time until these bets will go bad, and the whole economic system will fail as the dollar fails. This is part of a planned martial law so the one world people could take over America, and form their own North American Union with a new currency. Before this collapse occurs, I will bring My Warning to save souls. Before martial law is declared, I will warn My faithful to leave for My refuges, and they will not return to their homes. Trust in My help when you will be seeing a great religious persecution of Christians. Some people will be martyred, but the rest of My faithful will be safe at My refuges."
Jesus said: "My people, on the Shroud of Turin you can see all the scourging marks of the whip that tore out parts of My flesh. You can see the wounds from My crown of thorns. You can also see the nail marks in My hands and feet. You can see the wound in My side from the lance that was thrust into Me. I suffered much because the Jews convicted Me of blasphemy, but they did not believe that I was truly God's only Begotten Son. I am showing you My suffering because My followers will also have to suffer persecution for believing in My Name. Some people will be martyred, but the rest will be protected at My refuges. Many do not believe that the tribulation is coming, which will threaten the lives of My followers. You are already seeing the atheists trying to remove My Name wherever it is found. Your government will be punishing all those people who will not take a chip in the body, nor worship the Antichrist. All Christians will be persecuted for their belief in Me. This is why I will warn My faithful to come to My refuges before they could be captured and killed in the detention death camps. Trust in My protection, but you surely will be persecuted as I was."

Thursday, July 17, 2014

July 30, 2014
Thursday, July 17, 2014:
Jesus said: "My people, the time for the Warning is ticking down because it is close, even in your time. I do not give dates, but by the events going on, you can

have a sense of this timing. You have been given a grace of more time to repent, but the people are growing worse in their sins with very little sign of repentance. America has been given many messages from My prophets to wake up and repent, but your people are not listening to My Word. Because of your sins, I have been giving more messages about your disasters, and a time when America will be taken over by the one world people. It will take My Warning to get your people's attention, but even then, the majority of the people will still desire the pleasures of their sins rather than coming to Me for the forgiveness of their sins."

Prayer Group:

Jesus said: "My people, you remember how St. Peter and St. Paul were put in prison for preaching My Word. Later, they were martyred to try and stop the spread of Christianity. I told My apostles that I would not let the gates of hell prevail over My Church. This vision of a prison is how My faithful will be persecuted for their faith. Many prisoners are starved with only a little bread to eat. I will warn My faithful when they will have to leave their homes for My refuges when their lives are in danger. Trust in My help to protect you from the evil ones."

Jesus said: "My people, as the people who closed your church get their way, you will not be able to enter because they will change the locks. You have paid your contributions to keep this church open, but now your way into this church will be blocked. Eventually, you may have to return to your home to have your prayer group. You are seeing the signs of the decay in My Church when your churches are gradually closed. This is why you need to pray for your priests and pray for your churches to remain open. I told you that My faithful will have to stay in their homes for Mass and prayers. This is just another sign of the end times."

Jesus said: "My people, it is sad that 298 people had to lose their lives because Russian surface to air missiles were used to shoot down the Malaysian 777 airplane. The Russian separatists mistook it for a Ukrainian plane. This will be a lesson for all commercial planes that they should avoid flying over known war zones, especially where missiles are shooting down planes. Compensation will be worked out between the two parties."

Jesus said: "My people, Israel is fighting for its very life, as they are fighting to stop Hamas from firing rockets into Israel. Hamas weapons are going deeper into Israel's territory. It appears some ground attacks are starting in Gaza to try and prevent more rocket attacks. This war could easily expand, if other nations become involved. It is even questionable if your leaders would defend Israel."

Jesus said: “My people, your Federal Reserve is continuing to help your banks and the stock market with their bond purchases and low interest rates that are providing easy and free money. This is why your banks and stocks are thriving at record levels. This easy money is the reason for your last crash in 2008. Those, who are saving money, are being punished with such low interest rates for CDs. The banks and stocks are making huge profits with this free money, but this could precipitate a destruction of your banking system by the one world people.”
Jesus said: “My people, in the past you were used to seeing Catholic schools as a part of your parish churches. Now, because you need lay teachers, it is becoming expensive to send your children to Catholic schools, when you can find them. You personally were brought up in Catholic schools, so you know how important it is to be taught the faith in addition to other courses. Because so many schools have been closed, it is not surprising that you are seeing fewer young people coming to Mass. Your infrequent CCD classes are not providing enough good teaching of the faith. If your children are not taught the faith, then very few youth will come to Mass.”
Jesus said: “My people, more people are falling away from their first fervor of faith in their younger years. You have many lukewarm Catholics, because your priests are afraid to talk about sin and coming to Confession out of fear of a loss in their collections. These priests will have less collections anyway when the people stop coming to church because the people are not being fed by the truth of the Gospels that should be explained better than your homilies of today. The people also are weak when they complain that the homilies are too long and lacking in serious content. In order to inspire people to continue coming to Mass, the priests need to encourage Bible study after Mass. Without encouraging prayer groups, Adoration, and Bible study, your churches will not be spiritually strong.”

July 30, 2014
Friday, July 18, 2014: (St. Camillus de Lellis)
Jesus said: “My people, you know how I had compassion on many sick people, and I healed them in both body and soul, for those who had faith in My healing. I have given many gifts of healing to those who are close to Me, and those who desire to help people. Faith healing requires a true belief that I can heal people’s health problems. As much as I wanted to heal the sick people, I was even more

concerned about healing souls from sin. Your bodies will pass away, but your souls live on forever. If you can help the sick, then do what you can to help them. You can pray for sick people to be healed, and you can pray over people by calling down the power of the Holy Spirit to heal them. You know what it is like to live in pain, so pray for the sick to get better, so they can have My peace in their heart and soul."

July 30, 2014
Saturday, July 19, 2014: (Mass for Lydia Remacle)
Jesus said: "My son, you are seeing your wife's parents, Lydia and Camille, as they are watching over you from heaven. They are happy for all that you are doing for the people in My Church. They also are concerned about Carol, Sharon, and Vic as they live out their lives. They thank you for working with the old house in cleaning it up, and planning for its sale. Camille wants you to share his things with the family, and to watch out for those who are too anxious to make money on the house. They want to guide you on the house. They are praying for all of you."
Note: At Mass they sang 'I Vow to Thee My Country' which Carol played for her mother many times in the car. Lydia said Carol played it too loud.
(Funeral Mass for Maffy Camillaci) Maffy said: "I thank Joe and Mary Ann for a beautiful eulogy. I am also happy to see all of my family here for my funeral Mass. Thank you to all of my friends and relatives for coming. When I was around, you always had something to eat. I am grateful for all those people who took care of me in my later years, and for all those who visited me at the nursing homes. I love all of you so much, and I will miss you here, but I will be praying for all of you in heaven. I had a very fruitful life in helping people, and I only wish I could have done more. God bless all of you, and my family needs to remember their spiritual training in prayers and coming to Mass on time."
(Dr. Garcia's rosary and Mass) The Blessed Mother said: "My dear children, I thank all of you for your rosaries both today and over the years at this annual meeting. I send my blessings over all of those who attended today's service, and over this blessed land. You all are my prayer warriors, and I thank you for your dedication and your devotions. Go out and share my Son's Word with all of those people who you meet in life."

Jesus said: “My people, you are seeing Russian troops shooting down planes, even a commercial airliner over Eastern Ukraine. Under the guise of protecting Russian leaning people in the Ukraine, Russia is using undercover troops to keep taking over more territory. They are not meeting much resistance, so Russia will continue to take over all of the Ukraine if there is no help from the West. It is Russia’s plan to retake the countries of their old empire because America is not fighting. Another hot spot is where Israeli troops are invading the Gaza Strip where Hamas has used tunnels for attacks on Israel. If other countries come to the aid of Hamas, this could trigger a larger war in the Middle East. Sooner or later, America could get drawn into one of these conflicts. Keep praying for peace, but these wars are a punishment for sins.”

Sunday, July 20, 2014:

July 30, 2014
Sunday, July 20, 2014:
Jesus said: “My people, this parable of the wheat and the weeds, is all about the judgment of souls. I allow the good people to live among the bad people, as I love all of you. The weeds planted in the field, are those people who have been influenced by the devil. The wheat represent My faithful people, who listen to My words and act on them. I ask all the people to follow My Commandments, and repent of their sins out of love for Me. I give everyone many opportunities for obeying My laws and following My ways instead of each person’s ways. At the end of your lives, you all have to face Me at your judgment. This is the harvest of souls where the weeds, representing the evil people, are gathered up and burned in hell. The wheat, representing My faithful people, are stored up in My barn of heaven. I love all the sinners, as everyone is good, but it is your actions that will determine your eternal destination. Those souls, who love Me, follow My Commandments, and repent of their sins, will be saved. But those souls, who refuse to love Me, refuse to follow My laws, and refuse to repent of their sins, will be on the road to hell, if they do not change their lives. I will send My Warning to give all souls one last chance to change, or they could be lost. Have faith in Me, and love Me by your own free will, and you will be with Me in heaven for all eternity.”

July 30, 2014
Monday, July 21, 2014: (St. Lawrence of Brindisi)
Jesus said: "My people, the Scribes and Pharisees asked Me for a sign, but I told them that the only sign I would give them, is the sign of Jonah. I drew their attention to how Jonah was in the belly of the whale for three days and three nights. I was foretelling them My death and Resurrection, since I would also be in the earth for three days, and then I would rise from the dead. I told these unbelievers that Nineveh at the judgment would rise up and condemn the generation of My time because at the preaching of Jonah, the people of Nineveh repented, but the Pharisees had One greater than Jonah before them in Me. These hypocrites had seen My miracles of healing, and they heard My words, yet they still did not repent or believe in Me. They had seen plenty of signs in these healings, which is why I talked of their condemnation for not believing. I also mentioned how the Queen of the South will rise up and condemn My generation at the judgment because she sought the wisdom of Solomon, but the Pharisees had One greater than Solomon before them in My Presence. The lesson is to repent of your sins, and believe in the Good News of My Resurrection from the dead."
Jesus said: "My people, what you are seeing in this world of today, is a battle between good and evil, and souls are at stake for who will be saved and who will be lost. You see priests, prayer warriors, and the good angels on the one side, and the atheists, occult priests, and demons on the other side. The people are in the middle, and I am calling on My faithful to evangelize as many souls as they can. It is not easy to win souls over to be converted, because it takes work to teach people to love Me and accept Me. You may have to pry souls away from the demons and the souls' addictions. You will need prayers and even Masses to win over souls. My faithful need to be good examples so the new converts will want to experience the deep love that you have for Me. Some will come to Me out of love, but a few may come to Me out of the fear of hell. All souls have to choose their eternal destination between My love in heaven, or the devil's hate in the flames of hell."

Tuesday, July 22, 2014

July 30, 2014

Tuesday, July 22, 2014: (St. Mary Magdalene, Lydia's Mass)
Jesus said: "My people, you are all familiar with the Sanctuary Light on the altar, which is a candle left burning to indicate My Real Presence in My consecrated Hosts in the tabernacle. My Real Presence in My Hosts is not fully appreciated or understood by all Catholics. It is unfortunate that all Catholics do not genuflect to the tabernacle when they come into church. Receiving Me in Holy Communion is an opportunity to have Me with you intimately until the Host is consumed. If people truly believed in My Real Presence, they might be drawn to come to Me in daily Mass. Another reason why I am showing you this Sanctuary Light, is because monasteries have been safe places for protection for many years. During the tribulation, I told you that monasteries will be places of refuge, even if they are not preparing food and bedding. My angels will provide for the food and bedding that will be needed. So pray for these monasteries that the monks and nuns will be able to remain faithful to their vocations, and that they will help the people in need."
Jesus said: "My people, some of you spend too much time in recreation time watching TV programs, sports, or movies from various sources. You even are enticed by all the clearer pictures from various resolution TVs. It is true that at times I warn you about wasting too much time on frivolous things, when you could be helping people or praying to save souls. The more distractions that people involve themselves with, the less time they have to do My mission for them. Instead of focusing on buying the latest electronic toys, you would be better off focusing on spiritual things that could bring your soul closer to Me. It is hard to be critical or judge other people of their activities, if you are being distracted from other things that are equally taking time away from Me. It is good to stop and analyze how you are spending your time, and notice how you could be doing more for Me."

July 30, 2014
Wednesday, July 23, 2014: (St. Bridget)
Jesus said: "My people, in older days before abortions became common, families had more children than today. You have seen the mention of babies in the womb in the first reading and in the Psalm. Without the immigrants coming in, America would be losing population because of all of its abortions. Abortions are killing

My babies, and your birth control mentality is how little the preciousness of life is even thought of in your society. Whether your society thinks of life as precious or not, all of My creations are precious to Me. Your country is going to pay dearly for all of this killing of My babies. You have aborted more babies than the lives that were lost in all of your wars. An unborn life is just as important to Me as any other living human being."
Jesus said: "My people, I want you to pray for the Native American people in Canada and in the United States. They have suffered from the abuse of the present society, until now they only have some reservations for their land. Some of these people are very poor because there is still some discrimination and few jobs for them. St. Kateri Tekakwitha has blessed all of you through her relic. Her sainthood has been accepted by My Church and the Pope, thanks to those who have pursued her cause for sainthood. Be thankful for all the miracles received through her intercession. Continue to pray to Kateri for her namesake in your daughter, Catherine. You had Kateri's statue in her room for many years. She is watching over your daughter to bring her closer to Me. Pray for all of your family so they are allowed an opportunity to come to heaven."

Thursday, July 24, 2014

July 30, 2014
Thursday, July 24, 2014: (St. Sharbel Makhluf)
Jesus said: "My people, those people, who are faithful to Me and love Me, will not have to fear any judgment to hell. My faithful will be called to suffer their purgatory for their sins either on earth in sickness, or in purgatory. I am showing you a brief look at those souls who are suffering in purgatory. In lower purgatory, the souls are suffering a hell-like burning, but they are promised to be with Me one day in heaven. The souls do not see Me, or feel My Presence. My Blessed Mother visits these souls on her feast days. The souls in upper purgatory are in a grey area, and all souls in purgatory are dependent on the living souls for prayers and Masses to help them leave this place of purification. Once souls have made reparation for their sins, then they will be allowed into heaven. You will be One with Me in love and peace, and your soul will be completely satisfied to see Me in My beatific vision. You will be greeted by Myself, My Blessed Mother, and your deceased relatives and friends in heaven. You will see My Eternal Light outside of time, and you will hear the choirs of angels

constantly singing My praises. My saints and angels will be all around you, and you will see the Godhead of Myself, God the Father, and God the Holy Ghost sitting on a large throne. My love will permeate your soul, and you will never want to leave this experience. I do prepare mansions in heaven for My faithful. Rejoice in this experience, and share it with others, as this is your goal to be with Me for all eternity. This is truly what is meant in the Gospel when it says: 'Many have longed to see what you see, but have not seen it, and to hear what you hear, but have not heard it.'"

Jesus said: "My dear son, you are fortunate to receive the graces of coming through this Holy Door of the Basilica Cathedral of Notre Dame in Quebec City. This Basilica is celebrating its 350th anniversary. In 2000 you tried to come through the Holy Door of the St. Peter's Basilica in Rome, but you could not come through it because of all the pilgrims. Now, you have been granted another chance at this Holy Door. This is a chance to leave some of your worldly concerns behind, and focus more on Me in your mission. You can also offer your petitions for your family, friends, and special souls that you are praying for. Pray for the health of your family members, both in their bodies and in their souls."

Friday, July 25, 2014: (St. James)

Jesus said: "My people, I love all of you as My human family, as I became a man among you, born into the Holy Family of My Blessed Mother and St. Joseph with St. Ann and St. Joachim as My grandparents. In the Gospel you heard of the mother of St. John and St. James who wanted her sons to be on My right and My left when I come into My Kingdom. I told them that they had to suffer as I would, but it was not My place to allow this request. My faithful need to take a lesson from this Gospel not to be prideful in seeking places of honor or status before men and women. Pride is one of the great deadly sins, and you need to guard yourself against being boastful of yourself and your accomplishments. Instead, you are to seek true humility and not false humility, so you are imitating My life. Follow My ways, and not man's ways. Your Bishop spoke of the true value of family life, where there is a father and mother to bring up the children in an environment of love. I give the example of the Holy Family to imitate. Your society is too attached to sexual pleasures, and many men and

women do not seek the commitment of marriage, especially marriage in My Church. You have too many single parents bringing up children without a father or a mother. Fathers need to take more responsibility for the support of the children who they have fathered. It is not right for same sex couples to claim their marriage is like that of a man and a woman. They also should not be bringing up children to imitate their bad lifestyle. I have given you Adam and Eve as your first parents. I was brought up also in a loving family of the Holy Family that you should use as a model for your families. Live according to My Commandments, and you will have life eternal with Me in heaven."

Jesus said: "My people, you should not have women dancing in front of My Blessed Sacrament in My tabernacle. You did right to leave such a service that was disrespectful. Certain forms of entertainment should not be allowed at Mass either. You should not have to provide such entertainment to try and draw people or the youth to Mass. I am the Guest of honor at each Mass, and I want you to give My Blessed Sacrament reverence, for I am Holy. You will see other abominations when people will bring New Age symbols and teachings into My churches. Try to get these signs of New Age removed, or leave such churches for a more faithful Mass. When such signs come into My churches, leave in disgust and shake the dust of such places of evil from the soles of your shoes. I told you that you will see a division in My Church between a schismatic church, and My faithful remnant. This schismatic church will teach New Age which is a worship of things and not of Me. This evil element will accept the Antichrist and his teachings. You may even have to return to your homes for prayers and Masses to avoid such evil teachings, and because you will be persecuted for My Name's sake. Do not have fear, but trust in My protection when I will call you to My refuges after My Warning."

St. Anne said: "My dear son, I am grandmother to Jesus, and I love Him so much, and I am so proud of Him, as you love Him and your grandchildren. I want to thank you and your group for going through the Holy Door of Notre Dame, coming to Mass and Confession, praying your Novena prayers, and being here to celebrate my feast day. I am confirming the many souls that my daughter Mary and I were able to bring to heaven from purgatory. I love all of you, and you are so faithful to the Blessed Mother's rosary every day. Your prayers and Masses are also helping to release many of your relatives and friends from purgatory. Remember that all the souls who arrive in heaven through your intercession, will be praying for you both on earth, and when you may need help to come out of purgatory. Jesus, my Grandson, is so happy to see so many souls

come into heaven. Rejoice in all the blessings and graces that all of you have received tonight."

Saturday, July 26, 2014: (St. Anne & St. Joachim)
Jesus said: "My people, you have fulfilled all that you came here to share in this feast of St. Anne and St. Joachim. Well done, My good and faithful servants. As you go on the road again, remember your prayers to St. Michael for a safe journey. I love all of you, and I want to watch over you and protect you in all of your travels. My prayer warriors are so precious to Me in all that you do for Me and other souls. Keep remembering to pray for all of your family members, poor sinners, and the poor souls in purgatory. You all have gained many graces and treasures in heaven for all the efforts that you have done to make this trip possible. Go now and share all of your joys and experiences with your friends, so they may share in your love for Me, St. Anne, and St. Joachim."
(Vigil Mass for Sunday) Jesus said: "My people, there are several examples that I likened how people could seek the Kingdom of heaven. It could be thought of as a treasure buried in the ground that people are seeking. It could be considered as a pearl of great price that someone sold everything to buy it. The Kingdom of heaven is not something that you could buy with material goods. You can store up your works and good deeds as treasures in heaven. Gaining entrance into heaven is not easy for mankind because you need to have strong faith to know how to love Me and give your will over to My Divine Will. When you can live your faith in obeying My Commandments, you are on the right path to heaven. Every soul is at a certain progress in seeking their perfection. Do not be critical of those people who do not have as much grace or faith as you do, because you were not close to perfect at the beginning of your life. Continue to keep close to Me and pray for all souls, so they could be saved from hell. At the judgment, I will choose which souls are worthy of My prize of being with Me in the Kingdom of heaven."

July 30, 2014
Sunday, July 27, 2014:
Jesus said: “My people, in the Gospel you are seeing the fisherman hauling in a large catch of various species of fish. This represents how the angels were gathering up all the good and bad souls for the judgment. This will be when I will separate all the evil souls from all of the good souls, and the evil souls will be cast into hell. The good souls will receive their reward when I bring them to the places that I have reserved for them in heaven. I am merciful in trying to save all souls, but I am just in My judgments. You must come through Me as the gateway to your salvation in heaven. Those, who repent of their sins and love Me as their Savior, will be accepted into heaven. To be saints in heaven, your souls need to be purified on earth through suffering, or purification in the trials of purgatory. There are many parables and accounts of this judgment scene, but it represents how you are judged on all the actions and good works throughout your whole lifetime. Keep close to Me in your daily prayers so you can rejoice as one of My saints in the glorious beauty of heaven. This Basilica is just a slight touch of My glory in heaven.”

Monday, July 28, 2014:
Jesus said: “My people, in the first reading from Jeremiah, I showed him about how the loincloth rotted until it was good for nothing. I likened the people of Judah in their worship of other gods, to this rotted loincloth. Since the people of Judah did not repent of their sins, and did not stop worshiping other gods, I prophesied through Jeremiah how Judah would be destroyed by their enemies. Because of these prophesies of punishment, Jeremiah’s life was in danger because the people did not want to hear these words. My son, you are also prophesying against America for the same reason. Your people are worshiping sports, fame, and material things instead of worshiping Me. They also are not repenting of their sins. As a punishment, America also will be destroyed by your enemies for your many abortions and the exporting of your bad movies, pornography, and your birth control methods. You, personally, may also receive resentment for these prophesies, but it is your mission to warn the people to repent, and have their souls saved while they can. Trust in Me that I will provide

refuges for the protection of My faithful. This damage to your tree in the yard is a sign of more violent disasters, and the wrath of the evil ones for all the souls that were released from purgatory."
Jesus said: "My people, chips in your credit cards will soon be mandatory, just as it is in foreign countries right now. You have heard rumors of such smart cards being mandated in 2016, but you need to confirm this with some research. (Several articles have confirmed this coming.) Because there are a lot of false articles on the internet, all of your information needs multiple sources. These things will happen, as I gave them to you in previous messages. The one world people also put false information on the internet to mislead people, or they try to refute true information. Trust in My Word that you will be seeing mandatory chips in the body because of Obamacare. The timing will be controlled by when I will bring about the Warning. The Warning will give all of you a chance to change your lives before you will need to come to the safety of My refuges. Your dollar is in danger of losing some of its value because the reserve currency status will be lost. Keep a watch on the currency values to know when this will happen. If the dollar does go down in value, this could cause a recession, or a bank holiday. All of your financial uncertainty could cause a flight to other currencies or precious metals. Trust in Me to provide for what you need, even if you will need to go to My refuges."

July 30, 2014
Tuesday, July 29, 2014: (St. Martha)
Jesus said: "My people, today's Gospel shows the faith in St. Martha when she said how her brother, Lazarus, would be raised up on the last day. St. Martha was hoping that I would have come sooner to heal her brother before he died. Then I told St. Martha: (John 11:25,26) 'I am the Resurrection and the Life; he who believes in Me, even if he dies, shall live; and whoever lives and believes in Me shall never die.' Later, I called her brother from the tomb, and he was raised from the dead. This is similar to My death when I was buried in the tomb for three days. Then I performed My greatest miracle in rising from the dead. This is when you saw in the vision how My great Light imprinted My image in the Shroud of Turin. I took upon Myself all the sins of everyone, and I have brought salvation to all souls who accept Me. In the first reading, St. John speaks of Me

as all love, and My faithful need to love Me and their neighbor. This love of Mine was poured out on all of you, when I gave up My life in reparation for all of your sins. I have paid the price of your souls, as you have been redeemed by My death on the cross. Rejoice in this opportunity to be with Me in heaven for all eternity. Come forth like Lazarus from the tomb of your sins, and repent and be saved."
Jesus said: "My people, I have told you a few times that the Warning is very close. Many people are not prepared for their Warning experience. You will be made aware of all of your unforgiven sins and even your sins of omission. This is why people should be preparing for the Warning so you do not experience a vision of hell as your mini-judgment. One way to prepare is to come to frequent Confession so you can have a pure soul before you come before Me. You can also seek any opportunity for a plenary indulgence which removes all reparation due for your sins. You received this at the Holy Door at the Notre Dame Basilica in Quebec City, and you receive it on Divine Mercy Sunday if you meet the requirements. Even souls, who are prepared, are going to see what I think of all of their actions that offend Me. This is why you will be frightened from the signs in the sky, and how you will be seeking a more thorough Confession after you return to your body from your Warning experience. This Warning experience will be a wake-up call for all sinners, because after I give you your mini-judgment, you will have a taste of your destination. After this experience, souls will truly know that there is a hell, a purgatory, and heaven. They will know that they have to love Me and accept Me in order to come through Me into heaven. My faithful will need to be ready to help convert sinners as they will be repenting of their sins, especially their family members. After this experience, you all will be held more responsible for your sins, because you will know what I expect from each of you. Trust in My Divine Mercy which will come upon you in the Warning."

August 14, 2014
Wednesday, July 30, 2014: (St. Peter Chrysologus)
Jesus said: "My people, in the first reading, Jeremiah was given a mission to get

the people of Israel to repent of their sins and to stop worshiping other gods, or they would see a punishment come upon them. For prophesying the destruction of Jerusalem, the people did not want to hear these words, and they persecuted him. Despite this rejection, Jeremiah was allowed My protection to complete his mission. My son, you also are proclaiming My Word to America to repent of its sins, and stop worshiping other gods in place of Me. Today's gods are sports, fame, and material things. You also will receive persecution because the Godless people prefer their pleasures instead of Me. They also do not want to hear any prophesies about the destruction of America. You will continue to be rejected by some elements in My Church, but even more by your government. I will protect you also so you can complete your mission. In the end, you will need to flee to My refuges because all Christians will be persecuted for My Name's sake."
Jesus said: "My people, you are seeing in the news how over six hundred people have died from the ebola virus in Africa because they are not receiving the proper treatment with IVs and isolation. Now, even a few cases of ebola have been brought to America. It can be treated to save infected people, but there is always a chance for an epidemic to start. Ebola is not transmitted by virus in the air, but through contact with bodily fluids. AIDS and ebola are man-made laboratory creations for the intended purpose of reducing the population. The one world people want to reduce the population from seven billion people down to 500 million. This plan is inspired by Satan, and he uses the evil one world people to carry out a planned pandemic virus. Ebola could mutate to a virus spread in the air, then you would have a dangerous, contagious, and deadly virus. Such a pandemic virus has already been made, and at one point, it will be released into the atmosphere by the chem trails. I will warn My faithful when this virus will be spread, because at My refuges you can look upon My luminous cross or drink the healing spring water, which will cure anyone from such a virus. When your lives are threatened by a world famine, a bank failure, a pandemic virus, or mandatory chips in the body, I will warn My faithful when it is time to come to My protection of your souls and bodies at My refuges. These refuges will be found at My Blessed Mother's places of apparition, shrines to My Blessed Mother or Me, monasteries, places of holy ground, and caves. You will be led there by your guardian angels. I will provide My protection at My safe havens."

August 14, 2014
Thursday, July 31, 2014: (St. Ignatius of Loyola)
Jesus said: "My people, in today's Gospel I gave a parable about the day of judgment. It talks of a fisherman gathering in a catch of fish, and the good fish are stored, while the bad fish are thrown away to be burned up. This is such a stark reality between those faithful people who come to heaven, and the unbelievers who are being cast into the eternal flames of hell. I need to explain to you the people who are sent to hell. These are the lukewarm souls who I vomit from My mouth. I am a God of love and I am merciful, but just. This means that I give every soul plenty of opportunities to be saved from hell. I even show these souls what hell is all about, and they still refuse to love and accept Me. I give every soul a free will, because I do not force My love on anyone. I desire that souls give their will over to Me so they can fulfill their individual missions. Those souls, who refuse to love Me and only want to follow their own will, are the souls on their way to hell. The souls headed for hell are lazy, spiritually, and they do not want to come to Sunday Mass, nor pray to Me about how to love Me. These souls only love themselves, and want to do as they please without anyone telling them what to do. You may wonder how do these souls refuse a loving God, but accept Satan's call who hates them. Satan is very deceptive with his lies and temptations. He involves many souls with addictions that destroy their minds to understand My love. He taunts them with pride to cause souls to be the master of their own lives. He tempts them with the many pleasures and distractions of the world. When people refuse to obey My Commandments of love, they are calling down My justice upon them. You read in the Scriptures that many are called, but few are chosen. It is not easy to strive to be a saint, because it is a denial of your earthly pleasures and desires. I call on My faithful to work hard to evangelize and pray for souls to save them from hell. The souls in hell will suffer eternally in the flames of hell. They will never see My face, or experience My love because there is only hate in hell. The demons will torment the souls in hell forever. Hell is a place of total hopelessness of ever getting out. The justice of hell is because these souls refused to repent of their sins, and they refused to love Me. It is sad that so many souls are lost, and seeing these souls suffer in the sulfur stench is why My faithful need to work harder to save souls. These soul bodies are ugly as the demons in their appearance. I plead for souls to wake up to the reality of what hell is all about before they are lost forever. The more you preach in My Name, hopefully more souls will hear your words and come to believe in My love and avoid Satan's lies. The souls in the

upper level of hell are those who ignored Me with indifference to My love. The souls in the middle level of hell are those souls who sold their souls to the devil for fame and fortune in this life. The souls in the lowest part of hell are those who taught people and brought souls to hell. Come to Me and follow My Commandments to avoid hell, and receive your reward in heaven."

Prayer Group:

Jesus said: "My people, it is unfortunate that a broken water main lost hundreds of gallons of precious water in California, where there is a serious drought. Once the water was finally shut down, residents had to endure no water until the pipe was fixed. You had a taste of not having water for toilets and showers at St. Anne de Beaupres when there was a small water pipe failure in the road. Pray for these people in California that are rationing their remaining water sources."

Jesus said: "My people, this war, that is going on in Gaza between Hamas and the Israeli forces, has been on display to show a battle of rockets, missiles, tank fire, and mortars. Israel is extending its battle to destroy the rockets and tunnels that were being found. Many civilians and soldiers have died in this conflict. Some are seeking a cease fire, but both sides want to continue the fighting to gain some advantage. Pray for peace in this area which has seen constant conflict."

Jesus said: "My people, you cannot help but notice unusual storms causing floods in the Eastern part of your country, and severe droughts and fires in the West. This can be attributed to a dramatic change in the jet streams which are causing cool, wet weather in the Northeast. These extremes are causing a reduction in your food crops. A continuation of these conditions will contribute to a coming world famine."

Jesus said: "My son, just a week ago you had the twenty-first anniversary of your messages. I thank you for continuing your mission in spreading My messages of preparing the people for the end times. You are going through a dramatic change with the closing of your church at Holy Name of Jesus. Fortunately, you have an invitation to continue your prayer group at your neighboring church at St. Charles Borromeo. Rejoice that you can continue your Adoration services."

Jesus said: "My people, your battle for religious freedom in America is being fought between those who want the Christians to be controlled, and the right to life groups who do not want to be forced to offer birth control devices. Even after your Supreme Court allowed some freedom from your Obamacare provisions, the abortion favoring party is struggling to reverse this decision.

Abortion and contraception are mortal sins that will bring your country down. Those, who are seeking contraceptives, could easily find them elsewhere, without forcing people to go against their religious principles."
Jesus said: "My people, you are seeing various viruses such as ebola causing threats to the health of your people. You have already seen an attempt to force flu shots and other shots on your people. These shots could be causing more harm than good in lowering your immune systems to future viruses. My people need to refuse these shots, and rely more on Hawthorn, herbs, and vitamins to build up your immune systems. When a new pandemic virus is spread, you will see many deaths because the people's immune systems will not be able to fight off the new virus. I will warn My faithful when to come to My refuges to be healed of any viruses by looking on My luminous cross in the sky."
Jesus said: "My people, you are seeing the beginning of the coming division in My Church when some churches are being stripped of the holy objects as statues, Stations of the Cross, and the tabernacle on the altar. You are seeing less reverence for My consecrated Hosts in some churches. When schismatic churches take over, there will be nothing of Me, but only worship of New Age objects. You will have to come to your homes for Masses and prayer groups. The persecution of Christians will get worse, and you will have to come to My refuges eventually, for protection."

Friday, August 1, 2014:

August 14, 2014
Friday, August 1, 2014: (St. Alphonsus Liguori)
Jesus said: "My son, you have seen the reaction of the people to the words of Jeremiah when he called the people to repent. He also prophesied the destruction of the holy city. For this the people wanted to kill him. Jeremiah was allowed some time for his mission, but eventually they killed him. In the Gospel I received a similar rejection in My hometown when I told the people that Isaiah's word was fulfilled in My coming. These people of Nazareth tried to throw Me over a cliff, but I walked through their midst because it was not My hour. Later, these people scourged Me and crucified Me. Many prophets of the Old Testament were killed because the people did not want to hear My words of chastisement. You, My son, have accepted My mission to call America to repent and change its ways. You also are called to prepare My people for the coming tribulation which will bring about the fall of America, and the coming into

power of the Antichrist. You also will see the rejection of My words, and you will be persecuted for My Name's sake. I will protect you for a while, but then you will need to flee with My faithful because the evil ones will be searching to kill all Christians. Even in parts of your world today, My followers are being martyred and forced to flee for their lives. Satan has inspired his evil followers to remove all places of My Name, and they will also try to kill My faithful. I have provided refuges for the end times so My people will be protected by My angels. You will also see some Christians martyred for their faith, but they will become instant saints. Trust in My words because they are true for all time."
Jesus said: "My people, you are nothing without Me. Your size is minimal against the massive storms in nature, earthquakes, or even the tides. Compared to My creation on earth, you take up little space and have a minimal effect on any of earth's events. I am showing all of you this comparison to keep you humble, and not to get puffed up with pride in what you have done, or what you can do. Even though you are small in the physical world, I treasure the love of every soul in your spiritual life. You can have a huge effect on the spiritual lives of others with your prayers, actions, and good deeds. In the end, it is the souls who are most important, because they live on forever. All of creation is ordered by My Word, but men and women have free will, and they have to choose whether they will live in harmony with My creation or not. Where you have evil, you have disharmony, and this is why your world is in chaos. If you had peace all over the world, your world would be in harmony with My Divine Will. It will take My Warning and deep faith to bring more souls to Me in conversion. Choose life that you may have your reward in heaven."

August 14, 2014
Saturday, August 2, 2014:
Jesus said: "My people, in the first reading you have read how Jeremiah spoke My Word of prophesy against Jerusalem, even if the people at first wanted to kill him. Later, he was protected when they realized he was giving them the Word from God. In the Gospel you also read how St. John the Baptist spoke out to King Herod how he should not take his brother's wife for his own wife. For this, Herod had St. John the Baptist imprisoned and later had him beheaded. My faithful of today need to witness their faith to everyone without concern if My ways are not politically correct to your society. You may see family members

living together in fornication, so you need to advise them of living properly without condemning them. It is also important to advise people because you love them, and you do not want to see them lost to hell. Even when you stand up for life against abortion, you may face ridicule. When people know they are doing wrong, they do not want to admit it. Instead, they want to criticize or even persecute the messenger of My Word. This is why Christians are being persecuted and even killed in some places, because the people do not want to hear of their sins when they know that they are doing wrong. The atheists and Godless people are trying to rid your world of My Presence, so this is the battle of good and evil that you are facing. Keep speaking out because you will be held responsible to warn your neighbor of their errors. How they respond to My Word, will be their responsibility. I love all of you, and I want you to follow My ways so you can be with Me in heaven."
Jesus said: "My son, I have shown you how sins of omission can cause you to suffer more in purgatory for not prompting your family members to come to Sunday Mass and come closer to Me. I want you to share copies of My messages on heaven, purgatory, hell, and Sunday Mass with your family members. If you do not make an attempt to help them, then you will be committing a sin of omission. You need to tell them that you are doing this out of love for them, and you do not want to see them risking their souls on a path to hell. I do not want you to force this on them, but you are advising them in helping them in their spiritual lives. Keep praying for all of your family members with your St. Michael prayer, but you need to reach out to your family, because the time to change their lives is running out."

Sunday, August 3, 2014

August 14, 2014
Sunday, August 3, 2014:
Jesus said: "My people, in today's Gospel you read about how I multiplied the bread and the fish so the 5,000 people could have something to eat. I was so generous that the apostles even collected twelve baskets of fragments. This miracle is a prefigure of how I am shared and multiplied in My Eucharistic Hosts. I am showing you the Blessed Trinity because We are always Present together, and We are never divided. This is a mystery for you to understand, but when you receive Me in Holy Communion, you also receive God the Father and God the Holy Spirit. I am truly Present in each consecrated Host, but many do

not believe in My Real Presence in the Host. Even if some do not believe, I am still Present just the same. Give praise and thanks for this gift of Myself to all of you at every Mass."
(God the Father Mass) God the Father said: "I AM WHO AM is showing you how the Warning is at the door, and your preparation with Confession, can lessen your mini-judgment. My Son, Jesus, has shown you that many souls will see the flames of hell as their mini-judgment, and if they do not repent and change their lives, this will be their final judgment. This will be a huge wake-up call to many sinners to see where they would go, if they did not love Me, or repent of their sins. Even after this illumination of people's consciences, there still will be many souls that will refuse My love, and they will desire the world's pleasures more than desiring to be with Me in heaven. Many evil souls will choose to go to hell by their own free will. These souls do not want to hear My Name because like the demons, they will refuse to serve Me and praise Me. My faithful souls are My joy because they love Me, and they let Me lead them. Being prepared for My Warning by Confession, will be your best preparation, because you will be reviewing your unforgiven sins. If your sins have been recently confessed, then you will have only a few sins to review. I am pouring out My blessings on your people at your meeting today, that is in My honor. Thank you for being faithful to your Lord and Master. I love all of you so much, and I loved your procession of prayers."

August 14, 2014
Monday, August 4, 2014: (St. John Vianney)
Jesus said: "My people, in your recent workshop on the Book of Revelation, you were acquainted with the seven trumpets. One of the disasters or plagues, dealt with 'Wormwood' which relates to 'Chernobyl' and to the meltdown of the nuclear plants in Fukushima in Japan. The radiation from these plants is still polluting the Pacific Ocean. This radioactivity can be seen as making the water bitter as in the Book of Revelation. These nuclear events are a taste of the plagues that will afflict the Godless people in the coming tribulation. Just as Jeremiah prophesied about the Babylonian Exile and the destruction of Jerusalem, so these trumpets of the angels are a sign of the coming fall of America. This fall will then lead up to the coming into power of the Antichrist, that will signal the beginning of the tribulation. Have no fear, My faithful,

because I will protect you at My places of refuge, that will be protected by My angels."
Jesus said: "My people, I have talked about a deadly pandemic virus that would be purposely spread among the people to reduce the population. This concept of reducing the population is a plan of Satan, who hates man, and he has the one world people carrying this out because they worship Satan. This statement about reducing the population is also in the Georgia Guide stones, which is part of their ten commandments that contradict My Commandments. For those who want to learn more about AIDS and ebola as laboratory creations, there is a book called 'Emerging viruses, AIDS and ebola' by Dr. Leonard Horowitz. This book shows you all the background for how these viruses were made and distributed. When the swine flu became pandemic, these evil ones behind it, tried to force everyone to have a flu shot which actually impairs your immune system. This same scare with ebola, will precipitate the same mandatory flu shots that will again compromise your immune system. It is better to refuse these flu shots, and take Hawthorn, herbs, and vitamins to build up your immune system. If you see a contagious deadly virus that is transmitted in the air, then I will advise My faithful to come to My refuges, where you can look on My luminous cross in the sky or drink the healing spring water to heal any disease. This pandemic virus is one of the conditions to come to My refuges. Other signs are a world famine, a bank failure, a division in My Church, and mandatory chips in the body. You may even see people persecuted because they refused these flu shots. Have trust in My protection, as your lives will be in danger, when I will call all of My faithful to My refuges."

August 14, 2014
Tuesday, August 5, 2014: (Dedication of St. Mary Major in Rome)
Jesus said: "My people, this incident with St. Peter was unusual when I invited him to walk on the water, but it is a good example of how I want all of My followers to walk in faith. Just as I encouraged St. Peter to have more faith to endure the storms of life, so I also invite all of My followers to trust in Me to help them in their daily trials. You may come up against some impossible situations, but with Me, all things are possible with faith and prayer. When you face demonic problems, you can pray your St. Michael prayer of exorcism, and call on Me to send you My angels of protection. I know all of your worldly

needs, but I will only provide what is necessary, so your soul is protected. You have many worldly goods that are not necessary for your soul's salvation. Right now, you are only trusting Me a little, as St. Peter did, but at the time of the tribulation, you will have to give Me your full trust when you will be led to My refuges."
Jesus said: "My people, the farms in the middle and East of your country have been getting adequate amounts of rain, as the vision of a lush farm shows you. The Western states have had a steady drought without many sources of water. You need to pray for your farmers so they can bring some good crops to market, so you have enough food to eat. Many of your crops do well when there is an adequate amount of rain. Farmers all over the world are experiencing the same problems with unusual weather. There are some areas that are starving for food, but it is difficult to transport the food to where it is needed. There is enough food for everyone, if people would share it by their available transportation. Food and water are your life's necessities, but these things are taken for granted in America. In third world countries it is much harder to find both water and food. Without available access to water, people have to travel great distances to find water. Even the animals have to migrate for available food and water. Because some countries have excesses, they should be willing to share what they have with countries that are not as blessed. The more you share food and your faith with others, the more rewards you will have in heaven. When you share your goods with the poor, you will be making the most use out of all My gifts to you."

August 14, 2014
Wednesday, August 6, 2014: (Tara's Mass, Transfiguration)
Jesus said: "My people, I took St. Peter, St. John, and St. James up Mt. Tabor where I was transfigured in My Glorified Body along with Moses and Elijah. God the Father said: 'This is My Beloved Son, listen to Him.' This was a preview of My Resurrection, which is why I did not want My apostles to talk about this vision until after I had raised from the dead. This vision also was a help for the faith of My apostles, and it showed them that I truly am a God-man. This is a mountain top experience beyond anyone's dream. In the church on the mountain, there are two side altars honoring Moses and Elijah. This is a special scene also for your Eternal Father prayer group, because this is the picture of the Transfiguration that you place on the altar. The Masses you had offered for Tara

were anticipated,
and now she is with Me in heaven. She is praying for her family and friends."
Jesus said: "My people, I am an all-loving God, and I even died to save all mankind from their sins. At times you can understand how it is difficult to get people to love Me, repent of their sins in Confession, and give their will over to Me. You are a spiritual soul that can only find peace in Me. You also have a human nature that craves the comforts and desires of this world. Man is tempted by the devil, and man's pride can hold him back from giving his will over to Me. It is not easy to give up this world, so you can do My planned mission for your soul. It takes time and hard work to win souls over to Me. Struggling to live like a saint, is against your human nature, but you will have a great reward in heaven for all that you do to win souls for Me. It is not easy to get people to live a holy life, but it is very rewarding to see people come to Me through your efforts. Keep praying for the conversion of all sinners, who could be lost to hell without your help. By the example of your love for Me, people can see My peace in your life, and they may desire such a peace for themselves. Keep trusting in Me to help everyone, for without Me, you are nothing."

August 14, 2014
Thursday, August 7, 2014:
Jesus said: "My people, in the reading from Jeremiah, he talks of how God the Father made a new covenant with Israel. He will be their God, and Israel will be His people. In the Gospel I am making another covenant with all sinners. I became a God-man so I could give My life as a sacrificial offering to My Father for all the sins of mankind. My love is so great for man that I would die to redeem all of mankind. I tested My apostles to see if they truly knew My mission. (Matt. 16:16) Simon Peter said: 'Thou are the Christ, the Son of the Living God.' St. Peter was inspired by the Holy Spirit, but he did not understand My plan of redemption. Once I arose from the dead, and the apostles received the Holy Spirit, then they were able to proclaim My death and Resurrection for man's salvation. This same faith in My love, and the desire to save souls from hell, is also what I am asking of all of My disciples. My followers also need to acknowledge in faith that I am the Christ, the Son of God, and the Second Person of the Blessed Trinity. By repenting of your sins and accepting Me as your Savior, you will be on the right path to heaven. You are seeing My covenant

with all of you, but there are two parties to every union. My faithful need to agree to live up to their promise to love and obey Me. I will always love you, and you need to love Me in return as My follower."
Prayer Group:
Jesus said: "My people, I am showing you this calendar spinning around as the pages of the day keep flipping over faster. This represents how I am speeding up the time already, so you will have less time to spend in the tribulation of the Antichrist. The Warning is coming soon that will initiate the events leading up to the declaration of the Antichrist and the beginning of the tribulation. At My Warning, time will stop, as all the souls on earth will come to Me for their life review and their mini-judgment. Keep prepared for this event with frequent Confession."
Jesus said: "My people, I want you to spend some dedicated time with Me each day in prayer in your dedicated prayer room. Some people pray in the morning, and some pray at 3:00 p.m. when they start their Divine Mercy chaplet, followed by their rosaries. Try not to pray too late because you get sleepy, and it is hard to pray from the heart without your full attention. If necessary, excuse yourself from your company so you do not forget your prayer time. Daily prayer is your way to keep in touch with My love, as I hear all of your prayers and intentions. By keeping your focus on Me every day, I will see how much you love Me, and you will see your reward in heaven."
Jesus said: "My people, once you come to My refuges for your protection, you all will be put to work as in the vision for cutting up wood for a fire. Bring the tools of your skills as a good saw, so you will be ready to cut some wood. During the winter, you may need some wood for heat in a wood burner, and this could be used for cooking as well. If you have some forests nearby, you could prepare for winter by cutting some trees down. You may want to bring along a splitter to break up the wood better. I will multiply your fuel, your water, and your food, at My refuges of protection."
Jesus said: "My people, I am showing you these babies with their mothers on the floor because you will have children during the tribulation and during the Era of Peace. Have some preparations for mothers having their babies and some baby food, and baby clothes. There will not be any abortions at My refuges, or during the Era of Peace. The life of these little ones is precious to Me, so encourage your mothers to have their children. My angels will provide for any of your needs, even if it requires them to multiply what you have."
Jesus said: "My people, I have asked My faithful at their homes and at My

refuges to store some canned food, MREs, and even some dried food for the coming world famine. You will be seeing some poor growing conditions of either dry ground, or areas with too much water in floods that will ruin your crops. You will have succeeding weather conditions over a few years, and you will see the beginning of a world famine. Trust in Me to multiply your food when you are starving."
Jesus said: "My people, call on some faithful priests to be ready to come with you to My refuges. Have some vestments, lectionary books, Mass books, hosts, and wine for Masses at My refuges. You could have daily Mass with some priests. Even if your refuge does not have a priest, My angels will provide you with daily Holy Communion, and daily Adoration around the clock. This will be a powerful multiplication of My Eucharist so I will always be with you."
Jesus said: "My people, I have given you lists of things to bring in your backpacks or your suitcases. For the spiritual things, bring your rosaries, Mass books, Bibles, blessed salt, and other spiritual books as the Liturgy of the Hours. For your backpacks, bring matches, eating utensils, some changes of clothes with heavy coats and boots in cold areas, some food as MREs, some water, a deer knife, wind-up flashlights, and toothbrushes with toothpaste. These things will be multiplied as you need them. Also bring sleeping bags, tents, and bicycles if there is room in your van. I will give you a warning when it is time to leave for My refuges, and My angels will lead you to the nearest refuge with a shield of invisibility to protect you."

August 14, 2014
Friday, August 8, 2014: (St. Benedict)
Jesus said: "My people, in America most of you are well-off compared to some other countries. Even still, many middle class jobs have been sent to foreign countries because of the cheaper salaries. This leaves a select number of skilled jobs that makes it harder for your children to find employment to support a family, a house, and a car. As a result your children are living at their parents' home longer, and they may require more financial help. It also is becoming very expensive for college, and the young people have to be more selective for their education. Parents do not mind helping their children financially, but it can be an extra burden on retired parents if they are still helping their own parents as they age. Even with all of these financial problems, family and friends are still

helping each other out of love for whatever life's problems require. While your people are just trying to survive day to day problems, it is hard for them to even understand the need to prepare for the coming tribulation. Your whole way of living will soon be thrown into chaos, as you will have to deal with the persecution of Christians by the one world people. This is why I am calling some faithful to set up places of refuge when your lives and souls will be endangered by the Antichrist and his followers. Trust in My protection, and remain faithful to Me through these coming trials."

Saturday, August 9, 2014: (St. Theresa Benedicta, Edith Stein)
Jesus said: "My people, in the Gospel My apostles had weak faith so they could not drive out the demon from the boy. I explained to them, that if they had true faith the size of a mustard seed, they would have been able to heal the boy. In another account I told them that this kind of demon required prayer and fasting to cast it out. Even so, in today's world, My prayer warriors and healers also need a strong faith and a faithful calling of the power of the Holy Spirit for healing people of both body and spirit. With faith you could see miraculous healings, and even exorcisms of the demons with blessed salt and your long St. Michael prayer. Have trust in My power because I can accomplish the impossible for you."

August 14, 2014
Sunday, August 10, 2014:
Jesus said: "My people, the lesson from today's Gospel is to have a strong faith, so you can deal with the storms of life. The best source of faith should be from your upbringing in your family. The problem with many parents today, is that they are not fully grounded with a solid faith to begin with. As a result many of the children do not feel strong in their faith, which is why many of them do not come to Sunday Mass or to Confession. If the parents are strong in their faith, then the children have a better example to follow. It is sad in today's society that

you have many single parents trying to bring up their family. This makes it hard to give a good example of faith, and provide for the family's support with a job at the same time. Some children get their faith from the good example of their grandparents. There are various ways to learn the faith, as in Catholic schools, Bible study, or a good CCD class. My people need to keep searching for Me, so they can have a personal relationship with Me, and I can give them peace that they will not find anywhere else. Faith needs to be nurtured, but each person needs to seek a deep faith by growing in holiness. If you do not seek to improve your faith every year, then you could fall back into your old sinful habits. Parents are responsible for bringing up their children in the faith, and if they fail to work on helping the children, then they will have to answer to Me at their judgment."
Jesus said: "My people, in the end days of the coming tribulation, you will be seeing a major persecution of Christians. I have told you that some Christians will be martyred, but the remaining Christians will be protected at My refuges. You will first see the Warning when all the people on the earth will be shown their life review, followed by a mini-judgment. After the conversions of the Warning, the events will quickly lead up to the reign of the Antichrist for a short time. It is when your lives are in danger that I will warn you that it is time to leave for My refuges. Do not delay, but load your vehicles with your preparations, and leave as quick as you can. Do not be concerned about your money and your possessions because these things will pass away. Focus more on protecting your soul, and work to help convert as many souls as possible to the faith. Your soul and other souls are much more valuable to Me than these passing possessions."

August 14, 2014
Monday, August 11, 2014: (St. Claire)
Jesus said: "My people, in the Gospel you could see how I was obliged to pay the temple tax, and I did so in a miraculous way. It is part of My Church laws to help support your local church and the bishop's diocese. Those, who teach My Gospels, are worthy of being supported financially for their work, and the upkeep of the church is also included in the donation of the people. There are some people, who are poor, and they can only give a little, but those, who have better jobs, should contribute more than just a few dollars. Your charity to help

people and support My Church is really your means of thanking Me for what you have. Those, who have higher incomes, could even afford more charity donations. Do not be selfish, but be willing to share your money with those people who need your help. Free will giving for charity is one thing, but collecting taxes can become a burden on people when taxes are higher than they should be. Be thankful for all the gifts that I have given you, but do not forget to be generous in your church and charity donations."
Jesus said: "My people, this dark high ceiling in a church represents a division that is coming in My Church, and it will come from some masons in the Vatican. There are New Age elements in My Church that are having workshops that involve statues with curses, Reiki healing, and enneagrams. Many innocent people are being drawn into Eastern transcendental meditation, false centering prayers, and labryinths. These curiosities can lead into demonic possessions or obsessions. Wherever you see these New Age things, or occult meetings in a church, you need to leave these evil influences. At first these false teachings are very deceptive because they are led by demons trying to trick you into a false worship of nature. You should only worship Me and not things of the world. If you are in doubt about any of these things, then pray to Me and the Holy Spirit to help you discern what is wrong teaching from the devil. You will need to leave infected churches, and come to the homes for secret services that are avoiding persecution. Eventually, you will have to seek the safety of My refuges to avoid being martyred."

August 14, 2014
Tuesday, August 12, 2014: (St. Jane Frances de Chantal)
Jesus said: "My people, I love all of you so much, and I do not want to lose any soul to the evil one in hell. This is why I give every soul so many opportunities to listen to My Word, and be saved. I am truly the Good Shepherd who leaves the ninety-nine sheep in the desert, and I go looking for the lost sheep until I find it. I am also in search of every soul, as I am like the Hound of heaven looking to save as many souls that will receive Me. Once I have a soul's attention, I show each soul how they need to come to Me with the innocence and trust of a young child. You need to humble yourself before Me, and be willing to admit that you are a sinner in need of repentance for your sins, when you come to Confession.

You also need to accept Me as your personal Savior, because you have to come through Me in order to come into heaven. I give each of you a guardian angel to advise you how to live in My love, by following My Commandments of love. Love everyone, as I do, and keep praying to save all sinners from hell."
Jesus said: "My people, in some of your news reports you are seeing how terrorists are threatening certain ethnic and religious groups, so these people are fleeing their homes to save their lives. Other reports are showing the brutal killing of the enemies of the terrorists. It is because of this brutality that many Iraq military people fled, and did not want to fight these terrorists. This is why your American military does not want to defend people who do not fight for their own freedom. This fighting in Iraq is difficult to determine who is truly leading the warring factions. You are seeing a deeper American involvement with more observers on the ground directing airplane attacks which are getting more frequent. Pray for a peaceful resolution in these conflicts. The vision of Christian churches being burned is a sign of the coming religious persecution to America. Just as Hitler tried to exterminate the Jews, so the one world people and their men in black will try to exterminate Christians. Be prepared to leave for My refuges when your lives will be in danger. Some people will be martyred, but the rest will be saved at My refuges by My angels."

August 29, 2014
Wednesday, August 13, 2014:
Jesus said: "My people, I have given you this vision of how My angels have placed a cross on the foreheads of all of My faithful. You cannot see this cross now, but it will be visible on your foreheads during the tribulation. It will be this cross that will allow you into My refuges. My angels will not allow anyone without a cross to enter My refuges. More souls, who will be converted at the Warning, will be marked with crosses later. The evil ones will not see your cross, but other faithful people will see your cross. This will be how you can tell a faithful person from an evil person in the tribulation. This 'T' (tau in Greek) sign is mentioned in today's first reading from Ezekiel (9:1-24) where an angel marked the faithful with a T on their foreheads. This protected them from the destroying angel. This is similar in the old Exodus when the Hebrews put lamb's blood on their doorposts and lintels so the destroying angel would pass over their

houses. Now, you have a modern day Exodus where the cross on your foreheads was purchased by My Blood in My sacrifice on the cross. In your research, you noticed the 'T' (tau) symbol was promoted by St. Francis of Assisi, so all Franciscans wear this symbol of My cross. This cross on your foreheads today, will be your means of protection when you come to My places of refuge in the tribulation. My angels will place a shield of invisibility over My faithful on their way to My refuges."

Jesus said: "My people, for the first few hundred years after I died, the Romans made sport out of killing the Christians. Many Christians were martyred for their faith during that time. This vision of a lot of blood, will be when Christians will be killed both now and more so during the tribulation. Satan has twisted many minds of the people to persecute those people who believe in Me. Some of My faithful will be martyred in the end times, while the rest will be protected at My refuges. During the harvest of souls, the unbelievers are represented as clusters of grapes who will be killed in a wine press, and their blood will run high again. Read about My justice against the evil ones in the Book of Revelation." (Rev. 14:20) 'The wine press was trodden outside the city and blood (of the evil ones) poured out of the wine press to the height of a horse's bridle for two hundred miles.'

Jesus said: "My people, you are seeing three major conflicts going on where people are being killed every day. One conflict involves Israel fighting the Hamas in Gaza to try and stop the rocket attacks against Israel. Another conflict is with ISIS in Iraq that is cleansing various religions in a take over attempt. America is trying to prevent a mass killing, but air attacks will only slow the ISIS takeover. Another conflict is where Russia is trying to take over the Ukraine, as the Ukraine is not getting any help to defend themselves. All of these conflicts could get worse if more nations become involved. America has been drawn into too many no-win conflicts that are depleting your defenses. This is why your people are weary of these long wars that have only given profits to your Defense-Industrial complex, and that is bleeding your taxpayers dry. Pray for peace in these areas, but eventually you will see a world war in Armageddon in Israel."

August 29, 2014

Thursday, August 14, 2014: (St. Maximillian Kolbe)
Jesus said: "My people, today's special Gospel was very appropriate from St. John that talked about how I gave up My life for the salvation of all mankind. This speaks of My great love for all of you. (John 15:13) 'Greater love than this no one has, that one lay down his life for his friends.' This was the same love that St. Maximillian Kolbe had for the poor man that was condemned to die. There was a prisoner who escaped the prison, and the punishment for his remaining group was that every tenth man had to die. One of those condemned prisoners had a family, so St. Maximillian Kolbe volunteered to die for his fellow prisoner. He had the same love for this man to give up his life as I have a great love to give up My life for all of your souls to be saved. You may not be called on to die for your friends, but you still need to love everyone, even if you do not like their actions."
Prayer Group:
Jesus said: "My people, one of the worst plagues that has come against America is the illegal drug culture, and the abuses of pain killers. About sixty years ago, there were hardly any illegal drugs that were obviously being used in public. Today, you are seeing cocaine, heroin, and marijuana being spread all over America. The latest push has been to legalize marijuana which would widen its use even more to the young people. These drugs destroy brain cells, and it could be another problem for drugged drivers on the road. There is an evil plan to destroy America, and spreading drug use and pain killer abuse is one of these methods of destruction. Teach your children and adults about the bad effects from drug addictions. Many lives are being destroyed by allowing so many drugs to come into your country. You see many people and even celebrities dying from drug overdoses. Abusing your body with drugs is a sin against your own body."
Jesus said: "My people, your liquor business is another source of drinking addictions. Some drinking is acceptable, but excessive drinking is also a sin that causes addiction to alcohol. You have demons connected to these addictions, which is why it is difficult to rehabilitate someone from excessive drinking. These alcoholics find many people to enable them with money to buy their alcoholic drinks. Without a serious desire to stop, it will take prayer, fasting, treatment, and even exorcisms to break these addictions. Please help any alcoholic addicts to cure themselves. They need encouragement and prayers to be healed."
Jesus said: "My son, you have already experienced how you could get addicted

to using computers for games, programming, and internet sites. You see many young people using handheld devices for excessive texting, and social networks. There are a lot of dangerous people who could harm innocent people by stealing money or with sexual abuse, as well as with pornography, which is another source of addiction using computers. Many of these addictions start out with innocent curiosity, but these things can control people with bad habits. Pray also to help people who are addicted to computers or pornography."

Jesus said: "My people, smoking cigarettes seems like an innocent thing to try, but many people become addicted to a nicotine habit that is expensive, and can cause cancer in your lungs. You have learned that even second hand smoke can be dangerous for people's lungs. Many public places have forbidden smoking, so the number of smokers is on the decline. There are various helps to wean people off of cigarettes. This is another addiction to prevent by not starting. Pray for people to desire to stop this dangerous habit."

Jesus said: "My people, I have warned you about the influence of the one world people who instigate many of your wars for the purpose of making blood money in selling weapons, planes, tanks, missiles, and other means of killing. You see some wars fought for power, land, greed, and religious differences. I want all of you to live in peace and harmony with My creation. Do not be taken in by the devil's temptation to take things by force. Satan is behind the one world people who perpetrate wars for power and reducing the population. Continue to pray for peace all over the world to put an end to the selfish motives behind wars."

Jesus said: "My people, death is a natural end to your life which is usually occurring in older people. When mothers take the lives of their own children by abortion, they can cause a major reduction in your population. Satan again is behind your abortion mentality because he hates man, and he is using various means to encourage abortion. This is a grave sin to take any life, but these aborted babies never had a chance to fulfill their mission. Pray for the stoppage of abortion that is killing My little ones."

Jesus said: "My people, I love all of you so much, and I am reminding you in today's messages of how important it is not to let anything control you that could lead to an addiction. You need a daily prayer life to show your love for Me, and to help you to avoid these temptations to addictions that could threaten your lives. Those, who are faithful to Me, are less effected by depression and anxieties, because I give you a desire for love in your life. If you pray, wear blessed sacramentals, and receive My sacraments worthily, you will be protected from many of Satan's temptations. Life is too precious to lose by addictions, so

keep My peace in your soul, and do let things control you."

August 29, 2014
Friday, August 15, 2014: (Assumption of Mary into heaven)
The Blessed Mother said: "My dear children, this feast of my Assumption into heaven with both body and soul is an accepted dogma of faith in my Son's Church. This was an accepted honor for me as my Son's gift for my acceptance of being His mother. Only at the last judgment will the rest of the deceased souls be rejoined with their bodies. Death is a consequence of original sin, and this is why all the rest of humanity has its soul separated from the body at death. My Son is the Second Person of the Blessed Trinity, and death had no hold over Him, as He conquered death and sin by giving up His life on the cross. My Son gifted me with an Immaculate Conception, and I lived in His Divine Will without sin so He would have a pure vessel to carry Him for nine months. Because I did not have original sin, I was granted this gift of being assumed into heaven without my body being separated from my soul. You honor me and pray to me for interceding with my Son for your intentions, but you do not praise me because God is the only One worthy of being praised. There are some who accuse Catholics of praising me, but this is false, because my children only honor me as Jesus' Blessed Mother. Continue to pray your rosaries to help save souls from hell with my Son's assistance by His sacrifice on the cross. I reaffirm the messages of Fatima that souls are going to hell because no one is praying for them."
Jesus said: "My people, I have given everyone My Ten Commandments about love of God and love of neighbor. Why is there such a problem to tell right from wrong? People have a conscience which tells them when they are doing something wrong, yet they rationalize their actions with mistaken excuses. The devil is a master of making excuses and telling you lies so you will follow his temptations. If you have a properly formed conscience, you will have no doubt when you are doing something right or wrong. I know man is weak to sin, so this is why I have given you Confession to repent of your sins and be sorry for offending Me. First you have a choice to do right or wrong, but every action has its own consequences. Second, if you chose a sinful action, you know there could be a punishment, and you again have a choice to repent and ask My

forgiveness or not. If you continue to make sinful choices, and you do not repent, then you could be on the road to hell. If you make the right choices to follow Me, and you repent of your sins, then you are on the right road to heaven. See My Light and focus on loving Me and loving your neighbor, so you can reach your goal of being with Me in heaven. It is common sense to desire heaven over hell, so choose your actions wisely to overcome the devil's lies and tricks."

August 29, 2014
Saturday, August 16, 2014: (St. Stephen of Hungary)
Jesus said: "My people, I love the little children, and I would hope that all of you could be loving and trusting Me as they do. They are not aware of the dangers that other people could kidnap them or abuse them. They are dependent on their parents for protection and advice on how to love Me. Teaching the children the faith should be one of the parents' main responsibilities, since these souls are in their care. It is another responsibility of the mothers not to kill their babies in the womb by abortion. Your birth control mentality is only a selfish concern for pleasure without concern for any pregnancy that could result. You need to love the children and take care of them properly, so they have a chance to be responsible adults."
Jesus said: "My people, the one world people have been making tunnels underground for years in order to connect their underground cities to protect their own people. They can secretly buy and store supplies without people seeing their operations in these tunnels. When they want to start a martial law takeover, they can move their men in black troops throughout their tunnel network. They will already have troops stationed where they need to be. This is a very devious plan that few people are aware of. No matter what evil plans are made by the Antichrist, I will be protecting My faithful at My refuges with My angels shielding you from danger. Trust in My plans for your protection, as the time of My defeat of the evil ones is near. You all know the outcome of this battle. Satan, the Antichrist, and the false prophet will be defeated, and then they will be cast into hell. Then I will welcome My faithful into My Era of Peace, and later into heaven."

August 29, 2014
Sunday, August 17, 2014:
Jesus said: “My people, there are a lot of sacrilegious Holy Communions being received at Masses on the weekends. You know for yourself that very few souls come to Confession. Part of this is a rationalization that they do not commit mortal sins. One big situation is that a good share of couples are not married, yet they are having relations that are mortal sins of fornication. It is hard to live in this situation without knowing they are committing sins. Confessing this sin in Confession would be hard to say that these people would not be repeating this sin, because there is no firm purpose of amendment to stop this sin. This is why such people who are committing sexual sins should not be receiving Holy Communion without Confession. It is better to get married, than to live in sin. You commit another mortal sin of sacrilege if you receive Holy Communion in the state of mortal sin. This behavior is obvious to people, so it is good to warn people not to live together in sin, and not to receive Holy Communion in the state of mortal sin without Confession. In church almost everyone gets up to go to receive Holy Communion, so it would be awkward and embarrassing to remain in the pew. Those in mortal sin should remain in the pews, but they can receive if they go to Confession. Sacrilegious Holy Communions are received a lot because people are spiritually lazy in not getting married, and not going to Confession. If you truly love Me, then My faithful should live properly and come to frequent Confession.”

Monday, August 18, 2014:
Jesus said: “My son, I have called you to do a mission for Me to share My messages with people all over the world. You are asked to share your faith and My Word, so the people will be prepared for the Warning and the coming tribulation. My focus has been around seeking repentance for sin and asking My forgiveness in Confession. By having a clean soul, you will be ready for any judgment, and to defend yourself from the attacks of the evil ones. I love all peoples, and I want you to bring My love to all of the people of Puerto Rico. Let them know that it is your love in prayer that the people should seek in loving Me

and loving their neighbors."

Tuesday, August 19, 2014:
Jesus said: "My people, in the Gospel I told My apostles that for the rich to enter heaven, it would be as hard as pushing a camel through the eye of a needle, like in the entrance to the Church of the Nativity. I am showing you these gold tunnels because I will take away the wealth from the rich, and when My faithful come to My refuges, they will be stripped of all of their possessions. These tunnels will lead you to My Light at the Warning, which is close. You will be drawn out of your bodies to greet Me at your life review. Then you will be shown your mini-judgment to heaven, purgatory, or hell. If you have your soul prepared with frequent Confession, then you will not see any judgment to hell. This is My promise to those who are faithful to Me. My faithful may have to suffer some time in purgatory for those who die now. Those, who live through the tribulation, will suffer their purgatory on earth. Keep close to Me in your prayers and good works, as I will call My faithful to My refuges of protection at the appointed time."
Jesus said: "My son, this road, that I am asking you to travel, had a gold color because I want you to follow My Will of your own choosing. I desire that all of My people would follow Me because I am leading all of you on a path to heaven by fulfilling your missions. It is not easy to say 'yes' to all that I want you to do, but I give all of you a sufficient amount of grace to do your missions. I never test you beyond your endurance, but call on My help, and I will send My angels to assist you, and to protect you from the attacks of the devil. You all are called to evangelize souls, so you can assist them in conversions, and most of all to help souls avoid hell. Encourage the people to form good spiritual lives through daily prayer and Mass as often as you can. The closer you are to Me, the more graces that I will share with you to protect you from the devil's temptations. Keep My peace in your soul every day, and do not let anything disturb your peace."

Wednesday, August 20, 2014:
Jesus said: "My people, you need to watch your tongue, and do not be influenced by evil people with swear words, even though they may harm you or insult you.

Pray for these souls that are violent and stealing money, or using drugs. You know that the demons are controlling such people, so do not let the evil venom from the demons take away your peace. Try to help these people get assistance with their drinking and drugs. Keep praying your long form of the St. Michael prayer to help contain these demons. If people do violence to your person, you may need to advise your authorities about their actions. Do not do violence back to others who harm you or insult you. The people on drugs or alcohol need to want to stop on their own. You cannot enable these people, but they need to learn the consequences of their actions. Do not let these people take away your love for Me and your neighbor. Keep close to Me in all that you do, and you will have My reward."

August 29, 2014
Thursday, August 21, 2014: (St. Pius X)
Jesus said: "My people, I am showing you a heavy rainstorm that represents all the turmoil that will go on outside of My refuges. I am having some faithful people set up refuges for the safety of My people. My refuge builders are special to Me because they have given Me their 'yes' to carry out My mission. They have gone through financial stress to pay for the land and build the shelters. They are providing beds and food along with a water source that will be multiplied for all the people who will come to the refuges. I will indeed have My angels build any necessary buildings for bedding, and they will provide food where it has not been stored. There will be a five-story tall angel at each refuge who will protect My faithful, and only accept those marked with a cross on their foreheads to come in. There will be an underground church at My refuges. If you do not have a priest for Mass, then the angels will bring you daily Holy Communion. There will be perpetual Adoration where My people will choose their hour to adore Me. Have full trust in My protection during the tribulation, when I will provide for all of your needs."

August 29, 2014
Friday, August 22, 2014: (Queenship of Mary)
Jesus said: "My people, I want My faithful to be close to Me in their daily prayer, in visits to My Blessed Sacrament, at Mass as often as you can make it, and in at least monthly Confession. I am showing you the countryside because

these people appreciate My creation, and they have quiet time to pray whenever they choose. In the cities, you have a lot of noise and many distractions, and it is hard to make time for quiet prayer. I should be the center of your life, and I ask My faithful to imitate Me in holiness. I know you have to work for a living, and you have many demands to take care of your car, home, and your family. I know your needs, and I will help you if you call on My assistance in prayer. You make many choices in life in how you spend your time. If you truly love Me, you will make some time in every day to pray to Me, and thank Me for all of My gifts. If you walk with Me every day in your daily consecration, I will be with you in all that you do to help you. If I am not a part of your life, then you will have twice the burden to carry. You all have to carry your cross of bearing life and its trials, but I am like Simon in helping you to carry your cross. When you share your quiet moments with Me in prayer, I can fill your heart with My love, and you can share your love with Me. Your soul will live on forever, so it is more important to guard your soul and feed it with My Eucharist, than the care of your body which is passing away. You are responsible to take care of your body, but the soul is the spiritual life that is united with Me."

Saturday, August 23, 2014

August 29, 2014
Saturday, August 23, 2014:
Jesus said: "My people, I am asking all of you: Who do you think I am? My apostle, St. Peter, answered: 'Thou art the Christ, the Son of the Living God.' My faithful need to proclaim that I am the Second Person of the Blessed Trinity, and My Father's Beloved Son. St. Peter was given the keys to lead My Church because he was the 'rock' on whom I built My Church. The gates of hell will not prevail over My Church. During the tribulation, it will be My faithful remnant that will preserve the faith, and I will defend them from the evil one. I gave My priests the power to forgive sins in Confession. Whatever they retain on earth, will be retained in heaven, and whatever they loose on earth, will be loosed in heaven. When you see the priest in Confession, I am acting through him to forgive your sins and restore My graces to your soul. Confession is your best means to prepare yourself for the Warning and your judgment. By coming to frequent Confession, you will be promised a place in heaven."

August 29, 2014

Sunday, August 24, 2014:
Jesus said: “My people, I welcome your singing of My praises at Mass and in prayer. I love the spirit of this people in Puerto Rico, and I share My love and joy with them in their souls in Holy Communion. This beautiful singing is just a beginning of the music from My choir of angels that you will hear constantly in heaven. I mentioned before that you will hear this music in your heart from the packets of light that fall on your soul bodies. Rejoice, because your place in heaven awaits you. My faithful people need to share My love and joy with the peoples all over the world, so they can come to know and believe in Me. I pray that all souls would want to be with Me forever in heaven. The demons are trying to steal souls from Me, but I will send My angels to defend you and help you in your ministry to save souls by conversions. You will need to pray your St. Michael prayer to fight off any attacks from the demons, because they do not want to lose the souls that you are evangelizing. My power is greater than all of the demons, so have no fear, and continue your mission of evangelizing the people.”

Monday, August 25, 2014

August 29, 2014
Monday, August 25, 2014:
Jesus said: “My people, I am showing you Myself on the cross, because as I had to suffer, My faithful will also suffer for Me in this life. Everyone’s cross is different. I have fashioned your cross to fit your talents and the graces that I have given you. I want you to carry your cross without any complaints, and offer up all of your sufferings to save souls. I want you to carry the cross of your rosary, the Benedictine Blessed cross, and your relic of My True Cross. These are your sacramental weapons to fight the evil ones who are trying to stop your evangelizing of souls. Keep your focus on Me as the center of your life. With Me helping you, who could be against you? I will put My angels around you to protect you. Do not be afraid to speak out about loving Me and loving your neighbor. Even when people want to persecute you, give witness to your faith in Me without any fear. When you are attacked by demons or the evil people, call on Me to send My angels of protection. Because you are faithful to My mission, you will have your reward in heaven.”

August 29, 2014

Tuesday, August 26, 2014:
Jesus said: “My son, I thank you for all of your personal efforts along with your friends, when you were evangelizing the people of Puerto Rico, and praying over them. I know you had to make some extra efforts, and you had some trials with the car and your feet. Offer up all of your sufferings for the souls that you met. Some were even asking you when you would return. You were seeing how some of My faithful were even taking on the setting up of My refuges. This was a witness to you how some people are taking My Word to heart in providing places for the faithful, when they will need a safe haven to come to for My angel protection. I have given you My Word that I will protect you at My refuges, and provide for your physical and spiritual needs. Have trust in Me that I will always be watching over you to keep the evil ones from killing you.”

September 2014

Wednesday, August 27, 2014

September 10, 2014
Wednesday, August 27, 2014: (St. Monica, Tara’s Mass)
Jesus said: “My people, today’s feast of St. Monica shows you the persistence in prayer that she had for her son, St. Augustine. In his younger years he was involved in a sinful lifestyle, and his mother was praying for his conversion for thirty years. Your wife can identify with her persistence in prayer for forty-six years, until her father was saved by a deathbed conversion. Praying for souls can be their salvation from going to hell. These confirmations of prayers answered, is why you need to have Masses and prayers said for all souls who have died. Be persistent in your prayers also for living souls that are living in sin. By praying for their souls, you can help intercede for them, so they can be saved from hell.” (Jennifer, Judy Shanahand’s daughter, funeral Mass) Jesus said: “My people, it is sad when a spouse has to bury his wife, or a mother has to bury her daughter. Many heard at the eulogy of how she was such a beautiful mother of her four children. It will be difficult for the husband to bring up his four children without their mother. The family and friends will have to give them needed support to get by. Death can come at any time, but it is harder while the children are still young. Jennifer had to suffer the last few years because of her illness. She is grateful for all the help that she received during this time. Between this suffering

on earth and today's Mass, she is now with Me in heaven. She loves all of you, and she thanks everyone who came to her funeral. She wants the family to call on her intercession for prayers in any of their life's difficulties. She will be watching out for all the family in her prayers for them."
Jesus said: "My people, you have been seeing a lot of disasters and heavy rainstorms as you went to Puerto Rico. Many of the local streams were overflowing their banks as the storms were taking down trees and dislodging boulders onto the roads. The rain also caused some power outages. In some homes there were several lights that gave a little light to take showers. The small lights were enough to see a little in the dark. Offer up any pain or fever that you suffered from Puerto Rico. I will help heal any sickness."

Thursday, August 28, 2014: (St. Augustine)
Jesus said: "My people, in the Gospel I told the people to 'Stay Awake' for they do not know the hour of My return to the earth. Even now, I am having you, My son, evangelizing and preparing the people for the end times. Many times you are flying airplanes to various destinations for your talks. I have asked you to prepare the people for My coming Warning with frequent Confession. My messages are warning the people not to take any chip in the body, not to worship the Antichrist, and to avoid taking the flu shots. The chips could control your minds to make you into robots. These chips will violate your free will with voices that will control you. So do not take them, even if they threaten to kill you. The flu shots are not that much protection, but they will lower your immune system to diseases. I have also asked some faithful to prepare refuges for the safety of My faithful during the tribulation. At the end of the tribulation, I will conquer the Antichrist and his minions with My Comet of Chastisement. Then all of the evil ones will be cast into hell, as I will then bring My faithful into My Era of Peace."
Prayer Group:
Jesus said: "My people, you are seeing the Russian President getting bolder with the latest invasion of his troops into the Ukraine. There is no apparent help with troops or arms that could support the Ukraine. This is just how Hitler took Europe without any resistance from the West. Russia senses that your President is weak, and America is not helping the Ukraine. This weakness is enabling

Russia to take over the Ukraine a little at a time. It is Russia's intention to take back their old satellite countries, and without any resistance, this will happen. Russia is also enabling computer hackers to attack your banks because of America's sanctions on Russia. Pray for peace, but these attacks will eventually lead to a larger war."

Jesus said: "My people, it is one thing to hear news about tropical storms hitting land, but it is another thing to see the actual flooding in the streams in person. It rained heavy for several days with a tropical storm in Puerto Rico, and it caused blackouts and damage along the highways from rock slides. (This was Hurricane Cristobal early) On your news you are seeing the severe damage to the buildings as food fell off the store shelves. I have told you that a large earthquake would destroy San Francisco, and now you are seeing a beginning threat to this city that My punishment will bring down. Pray for those who were injured. You have been doing Masses of reparation for those people who will die in the coming disasters."

Jesus said: "My people, you are seeing incremental involvement of America in fighting the terrorists in Iraq. These terrorists are flaunting beheading of their enemies, and even some threats of attacking America. Your present government is weakening your defenses by getting rid of the generals who do not go along with your President's agenda. You should be building up your defenses to deal with terrorists in Iraq, Russia attacking the Ukraine, and China's threats in the Pacific. It is the one world people's plan to weaken your defenses so you will be an easy target for takeover. Be ready to come to My refuges when your lives are in danger."

Jesus said: "My people, there are examples of injustice in some places in your cities. But there are factions trying to exploit these events to cause riots beyond peaceful demonstrations. Stirring up the division of races is another tactic of the one world people to divide and conquer your country. Pray for peace and no more riots that just enhance differences."

Jesus said: "My people, your country is weary of fighting all of your no-win wars for so many years. This is why some people do not want our ground troops involved in a new war. Your troops have been thinned out, and it is even difficult to put a substantial number of troops on the ground to fight another war. The one world people want your troops out of your country, so they can take you over with the foreign troops that are here. Pray for My protection, but these wars are a punishment for your abortions and your sexual sins."

Jesus said: "My people, you are seeing evil things as black masses, occult

meetings, and atheists persecuting Christians. Your media has so favored atheistic goals, that Christians are being persecuted even when your government is forcing Christian businesses to supply birth control devices. This persecution of My faithful will get worse until you will be treated as Hitler killed the Jews and others. This will be when you will have to come to My refuges when your lives are in danger."
Jesus said: "My people, in your trip to Puerto Rico you were giving the people My messages that I asked you to give to your children's families. These messages on hell (7-31-14), purgatory, heaven (7-24-14), and Sunday Mass (7-14-14) are needed for your people to wake up to where their spiritual destination is headed. Continue your long form of the St. Michael prayer (12-8-13) to break the addictions in your families by delivering them from their demons. The Warning is coming, and many people are not ready to face their judgment before Me. I have mentioned before that frequent Confession can heal your souls, and keep you in a state of grace so you do not experience a taste of hell in your mini-judgment. It would be good to read these messages for your preparation for My Warning."

September 10, 2014
Friday, August 29, 2014: (Passion of St. John the Baptist)
Jesus said: "My people, St. John the Baptist was My herald in the desert to prepare the people for My coming ministry. He said that I was the 'Lamb of God' because I would be sacrificed as a lamb for the salvation of all souls. He also said that he must decrease while I must increase. This is a message to all of My faithful that I should come first in their lives. St. John the Baptist baptized many people in the Jordan River, and he was not afraid to speak the truth, even to King Herod who had St. John captured and later beheaded. In the end times I have sent many messengers who are heralding My coming again to bring judgment, especially on the evil ones of the earth. I want My prophets to also be bold and speak out the truths of their faith, so souls can be converted and saved, before the Antichrist comes to power. My messengers are not giving a politically correct message, but it is My message for saving souls, which is what is needed most at this time of your sinful society. Listen to My words and heed My words in your preparation for the coming tribulation. Some will be martyred for their faith to be instant saints, while the rest of My faithful will be protected at My

refuges."

Saturday, August 30, 2014

September 10, 2014
Saturday, August 30, 2014:
Jesus said: "My people, today's Gospel of the talents, that were given to the three servants, has several messages for the people of today. You have two responsibilities to help provide for your physical needs, and to build up My Church by conversions to save souls. Some people are given more gifts and graces, so I expect more from them. Those, who have less gifts, need to carry their cross as well. Some people have real disabilities, and they need some financial help and physical assistance. There are some who cannot find work, and they need some help as well. Others are able to work, but your welfare system discourages getting entry level jobs that do not pay enough to live. Certain assistance also degrades a person's well-being that they are always dependent on welfare payments. My people not only need to survive in this life, but they also need to share their faith with others so they can experience My love. It is the lazy servants, who could help themselves, but they refuse to do so. They could share My love, but they are indifferent to Me. These souls are on the road to hell. You need to repent of your sins, give praise to Me as your Savior, and love one another with good works, if you expect to receive your reward in heaven."
Jesus said: "My people, I told you that you would be seeing more disasters by bad weather over land. You are approaching the peak time for hurricanes, but they have not been very active in the Atlantic Ocean. You will have stronger storms over land with thunderstorms and tornadoes as you head into the fall. Many of My faithful are fixing their refuges with some last minute additions. With events getting close, any refuge plans may have to be finished by My angels. I will accept anyone who discerns that they want to provide a refuge for people. Even last minute refuges will still help My faithful to find a safe haven. Be ready to leave for My refuges once I give you the word to go. Do not delay when I warn you, so you are not captured by the evil ones. Call on My help, and My angels will lead you and protect you at My refuges."

September 10, 2014
Sunday, August 31, 2014: (Labor Day coming tomorrow)
Jesus said: “My people, tomorrow you are celebrating Labor Day, and I am showing you how the communists exploit union workers to their cause. Lenin’s leadership started after Fatima in 1917, when My Blessed Mother prophesied how Russia would spread her errors, if people did not follow her messages. Even today, you see the control of the communists in Russia and Communist China, as well as other countries in Asia. They preach atheism, and they try to persecute and kill Christians. Their intention is for a world takeover, as the one world people are financing communism because they are led by Satan. The two forces of communism and Moslems will join to take over the world. This will be allowed for a brief time, until I will bring My victory against these evil ones. Trust in Me to protect you from Satan’s followers.”
Jesus said: “My people, you are seeing how fast you travel on a subway train from station to station. This fast travel represents how I am speeding up the time, and the major events are quickly passing you by as well. You will thank Me that I am speeding up the time of the tribulation, so you will have less to suffer. I told you that I will allow the evil ones to have a brief time of control. I will offer you protection during this time, because I only allow the demons to go so far in tempting you. I will speed up the earth on its axis so time will be shortened, and you will be able to endure this trial. Once the Antichrist declares himself, this will begin the tribulation, and your purgatory on earth. Those, who live to the time of the tribulation, will not have to suffer in real purgatory, because they will suffer from their trials at My refuges. Rejoice that you are living in the end times, as you will have many opportunities to save souls from hell, both now and after My Warning.”

Monday, September 1, 2014

September 10, 2014
Monday, September 1, 2014: (Labor Day)
Jesus said: “My people, it is sad for new graduates of your expensive colleges, that they will have a hard time finding good paying jobs. Your corporations have shipped most of your good paying jobs overseas for cheaper labor costs. Many of your graduates have to take low paying jobs in different fields just to provide

enough money to survive. Some graduates need to stay with their parents or roommates for affordable living expenses. September is a sign of school starting, but some colleges are not even affordable. Many have to concern themselves with trying to obtain the cheapest education, because they are not sure of obtaining a job that could pay for their education. America's labor force has increased in the percentage of part time jobs. This is why your average household income is stagnating with even some declines. Between a reduced population from your abortions, and your low paying jobs, your payments that support Social Security and Welfare will not be enough to fund it without more deficit spending. Your rich people are surviving, but the average family and the poor are struggling for money for food, shelter, and transportation. Pray for your children who are having a hard time to obtain an education, and a job to provide an adequate living."

Jesus said: "My people, you have seen television programs and movies where you have seen how your authorities can catch criminals by tracking cell phones, phone calls, charges by credit cards, and computer sites that are visited on the internet. You all need to know that the government and the crooks can track you with the same devices. Do not leave your TV on for more than an hour. They have a silent sound (SSSS)technique to control your mind through your TVs. Put aluminum foil over all of your chipped documents, especially your new passports. Watch what you say on the phone or in e-mail messages. Most communications are monitored and watched by your government. By being careful with your documents and using multiple passwords that are changed often, you can be more protected from identity thefts. A time is coming when the evil ones will try to force you to take chips in the hand, or they will wipe out your accounts if you refuse. The electronic money you have now can be tracked and zeroed if the authorities want to control you. Be ready to leave for My refuges when I notify you, and do not take any chipped devices with you, because they will not work at My refuges."

Tuesday, September 2, 2014

September 10, 2014

Tuesday, September 2, 2014:

Jesus said: "My people, this vision of Me on the cross in the rain, represents how My death on the cross has washed away the sins of My people. My sacrifice on the cross has brought salvation to everyone. It is your responsibility to seek My

forgiveness, and accept Me as your loving Savior. It is My death that has purchased your soul, and all I ask is that you receive My gift, by loving Me and your neighbor. I breathed the Holy Spirit upon My apostles, and I give My faithful the Holy Spirit to dwell in your soul. You are all temples of the Holy Spirit because you have His life-giving Spirit in you. Just as I had to carry My cross and suffer in this world, so all of My followers need to pick up their crosses, and suffer along with Me. Not everyone is called to suffer martyrdom, but you may be called to suffer a dry martyrdom. Be willing to suffer in this life for My Name's sake in defending your faith in Me. All of those souls, who receive Me, I will give over to My Father in heaven. Those souls, who refuse Me, I will refuse to give over to My Father."
Jesus said: "My people, there are two plans of the one world people that could destroy America's financial system that would allow your takeover. The first is a massive earthquake created by the HAARP machine in the Atlantic Ocean. This would precipitate a large tsunami that would inundate New York City and all the banks along the cities on the Eastern Coast of America. Such a disaster would create a martial law to takeover the whole country. The second plan would be a tsunami of money created by all the trillions of dollars of derivatives going into default. Such a black hole in the dollar, would allow the electronic money of the one world people to replace the dollar, and put them into total financial control. Without the chip in the hand, people would not be able to buy or sell. Refuse to take any chip in the body, and come to My refuges when I warn you to come. The evil ones want full control of your bodies and your souls. Refuse to follow them, and call on Me and My angels to protect My faithful. Remember the outcome of this battle for power, because the evil ones will be defeated, and cast into hell. Trust in Me because I am more powerful than all the evil ones and their plans."

September 10, 2014
Wednesday, September 3, 2014: (St. Gregory the Great)
Jesus said: "My people, I have told you in the Gospels that if you had the faith of a mustard seed, you could move mountains. You plant the small mustard seed, and with watering, you have a large bush growing. So it is with faith, when you plant the seed of faith and nourish it. When I touch a soul with My love, the soul blooms into a beautiful conversion that can build up My Church. You plant the

seeds in the ground, and water them, but it is I who grows the leaves and then the fruit. This is why I call on My faithful to be good evangelists, so you can plant the seed of faith in the good soil of hearts that are open to receive My love. You lead them to Me, and I offer the souls a true mission in My vineyard. Once these conversions come forth as the fruit of your labors, then I can harvest these souls for My greater glory. Rejoice that it is My love and My power, that grows your crops, and cultivates the growth in My people of faith."
Jesus said: "My people, it is true that many Christians are under attack by their college professors for believing in My existence. I am proud of those students who stand up for their belief in Me, even though they risk persecution for doing so. You have read how professors in college have been expelled for believing in Me, even when they minimize Me as an intelligent design. A good point was made about all of you being created with free will in My Divine Image. I do not force My love on you, but I showed My love for all of you by dying on the cross for your sins. You have free will to love Me or not. The contrast of My creation of everything in Genesis to the 'Big Bang Theory' was revealing of the failed logic of your scientists. Creation from nothing can only come from My power. Where did all the hydrogen come from to make the stars? Your scientists have no answers, and they only have hard to imagine theories. The Darwin Theory (not proven) of evolution is another manufactured science. There may be mutations within species, but there is no proof that a lower form's chromosomes could be increased to a higher form of an animal or a plant. This also can only come from My power of creation. The experience of heaven has been documented by some people with near death experiences. Also, My messengers, as yourself, have been gifted to see heaven, and they are able to share their experiences with others. Believe that I exist, as does the devil, hell, and heaven. I have shown you the joy of the saints and angels in heaven. You are all called to be saints, so you can be with Me in heaven for all eternity."

Thursday, September 4, 2014

September 10, 2014
Thursday, September 4, 2014:
Jesus said: "My people, in today's readings there is a call for humility, instead of letting yourself be prideful of your being smart or rich. I have given you all of your gifts, so you need to be thankful, and not boasting of your accomplishments. If you must boast, then boast only about Me. All that you have

in this world is passing away, and soon even your very life will be taken from all of you when you die. This is why saving souls is so important, because your soul lives on forever. When I asked My apostles to lower the nets for a catch of fish, St. Peter did so reluctantly. He had fished all night, and he caught nothing. It was his skill as a good fisherman that thought lowering the net would not catch any fish. When My apostles caught enough fish to nearly sink two boats, St. Peter realized that he was a sinful man because of his pride as a fisherman. Now, when My apostles followed Me, they would be fishers of men and women. Many of you have had prideful moments, but just like St. Peter, you should confess your sins, and recognize that My ways are better than your ways. When I ask you to do something, be willing to do it, and have no reservations to follow My Will. You need to be in quiet meditation each day in prayer, so you can hear My voice in your heart and soul. It is hard to be humble, because your body craves fame and fortune. So pray to be humble as part of your desire to follow Me in obedience and holiness."

Prayer Group:

Jesus said: "My son, I know you had to suffer some pain in your throat with the third stretching of your esophagus. Offer up any pain for the souls in purgatory. You will have to follow your doctor's advice to prevent another procedure. You all have to suffer some pain in this life, and it is how you accept it that could help souls."

Jesus said: "My people of Holy Name, you have been coming to this church for almost fifty years. Now, in a few weeks you will see your last weekend Mass at this church, and the Blessed Sacrament will be removed. You also will have only two more prayer group meetings here, until you will move to St. Charles Borromeo Church. I understand your sadness in this closing."

Jesus said: "My people, up to now all you have seen is sanctions and diplomatic efforts to stop the war in Iraq and the Ukraine. NATO is now preparing to move troops in defense of the Kurds and the Ukraine. The terrorists and Russian troops will test the resolve of these plans. Without some threat of retaliation, these countries could be lost. Keep praying for peace there, but this could be the beginning of a major war."

Jesus said: "My people, thank you for revisiting this Shrine of the North American Martyrs in Midland, Canada. I know you are shouldering the costs of this trip for My Name's sake. You all will gain graces for yourselves and your intentions for making this walk. You are an inspiration for others to walk in your footsteps."

Jesus said: “My people, I know how hard it is for your workers to suffer the stress of your work places. Very few truly understand this daily grind that your workers must endure. You worked thirty-four years under the threats of layoffs and hard to gain raises in order to support your family. Other workers are still struggling to keep jobs, and even some need a second job to provide a living income. Pray for all of your workers, and all the trials that they have to put up with.”
Jesus said: “My son, I am grateful for My messengers who are willing to go to different places all over the earth to bring My Word to My people. Many times I send you out to evangelize souls, without knowing what you will be facing. Still you go out in faith and trust in My protection, even when the evil ones were throwing many roadblocks in your way. You may have had trials, but I provided you with angels and My graces so you could endure everything.”
Jesus said: “My people, you have seen priest shortages and lower attendance of My faithful at Sunday Mass. You need to pray for the priests, and for the lukewarm souls to come back to church. The devil is testing all of you every day with his temptations. Do not be lazy in your spiritual lives, and do not let the devil stop you from coming to Mass. You need your daily prayers, Sunday Mass, and frequent Confession to keep strong in your faith. Call on My angel power to keep you focused on Me in loving Me and loving your neighbors.”

Friday, September 5, 2014:
Jesus said: “My people, you are fortunate to have a new bishop and priests available to provide daily Mass and Confession. I feed you in My Eucharist every day, because you have enough Masses available at several churches. You need to pray for your bishop and your priests so they can continue to provide My sacraments for you. When you are able to receive My sacraments so often, you are blessed with My graces in your spiritual lives. You have a lot of evil in your world, and you need protection from the temptations of the devil. When you are reverent to My Blessed Sacrament at Mass, and pray your rosaries, you give a good example to all of those people around you. Continue to be the prayer warriors of your family, and keep praying for those people who need to come to Mass in your family. Pray also for all sinners and for the souls in purgatory.”
Jesus said: “My people, I have told you about the Industrial-Defense complex

that makes the sophisticated weapons for all of your wars. Many of these companies are overcharging you for their weapons, or they overspend their contracts. If you did not have any wars, this would put them out of business. So the one world people are always instigating new wars to use up more bombs, planes, and ships. These people make money on the weapons, and they sell them to both sides of a conflict. These Defense companies are also concerned with making more deadly weapons as the years go by. These same contractors are also interested in making deadly bioweapons as contagious and deadly viruses like ebola. They can kill more people with a deadly disease than with expensive explosives. My people do not have to be fearful of these evil ones, because I will protect you from all diseases when you look upon My luminous cross at My refuges. Trust in Me because I am more powerful than Satan and his one world people who are causing wars.

Jesus said: "My people, you know the cost of being a Christian, in that you are fools for Me in the light of the worldly people. Others may look at you as being weak, or praying too much, but I call My faithful to suffer in saving souls. Whenever you try to do good in saving souls, the demons will be fighting you for those souls. You may work hard to help people, even though they may not thank you, but you will gain merit in heaven. You can help people in their physical needs out of Christian charity, but working to save souls will be more valuable, even if it is a harder task. Keep praying for your families, all sinners, and the souls in purgatory. Some of you waste too much time on your own pleasures and pastimes, when you could use your time better in prayer and reading the New Testament. You may not suffer as much as St. Paul or My apostles, but as I suffered in life, you also will suffer. All that you do for souls, will gain you merits in heaven towards your eternal reward with Me in heaven."

Sunday, September 7, 2014:
Jesus said: “My people, there is a thread of love in all of today’s readings, and My Commandments are all about love of Me, and love of neighbor. These Commandments are your spiritual guide in how to live your lives. By following them, you will be in obedience to My Will. These tablets in the vision are a sign of My covenant with My people. I will be your God, and you will be My people. You did not choose Me, but I chose you for a mission on the day that you were conceived. In the first reading from Ezekiel (33:7-9) you are being asked to warn those people, who are living in sin, to change their lives. They may be condemned for their sin, but you are held responsible to tell them of their sin. This is similar to when I asked you to give some messages to your family about coming to Sunday Mass. You would commit a sin of omission, if you did not warn them. You are a watchman as a prophet of the end times, so it is your responsibility to warn the people to repent of their sins, because time is running out before the Antichrist comes. I will be protecting My faithful at My refuges, so tell the people to be ready to come to My refuges when I call them.”
Jesus said: “My people, I am warning you to be aware of New Age symbols that are coming into your churches. One of these symbols is an octagon shape which is used in enneagram workshops. Any prayer that is not focused on Me, should be discerned so you are not being distracted by the evil one. New Age teachings and symbols are focused on worshiping things, instead of Me. They focus on cosmic energy and any other power but from Me. When they call on Reiki healing, the devil can heal to some extent, and he can deceive you. Whenever you pray healing prayers, always invoke My Name, and you will have the proper source of My power, and not any evil power. The devil is very cunning and he plays with your curiosity, and Eastern transcendental meditation like yoga and such deities which you should avoid. These New Age teachings are being brought into My Church to divide it. So leave any churches that are contaminated with these evil influences. If you suspect any people who may be under evil influences, then you can pray your long St. Michael prayer as a deliverance prayer to rid any demon influence. There are many occult evil forces in the world, so call on Me to send you My angels to protect you from any evil attacks.”

Monday, September 8, 2014: (Nativity of the Blessed Virgin Mary)
The Blessed Mother said: “My dear children, I am rejoicing in my Son, Jesus’ gifts of life to me, and my Immaculate Conception without sin. I was born to St. Anne and St. Joachim as my parents, and you read the genealogy of my Son, Jesus from Abraham’s time to St. Joseph. I love all of my children, as I was given by Jesus to be the Blessed Mother of mankind at the foot of the cross. I thank all of my children who are faithful to me in your devotions, your consecrations, and praying my rosaries. Many of you have my statues and pictures depicting my various places of apparitions. I have appeared to many people in apparitions and locutions. You recognize me in my soft, quiet voice to you. My children should be happy that heaven has allowed me to give you so many messages. I only hope that you take my words to heart, and share them with others in their conversions. Just as I lived in the Divine Will of God without sin, so I call on all of my children to strive to perfection in avoiding sin as much as you can. You can come to frequent Confession to keep your souls pure and ready to meet my Son, when you meet Him at your death or in the Warning. Wear my brown scapular for my mantle of protection, and pray my rosaries every day.”
Jesus said: “My people, I have warned My people to have extra food, and alternative sources of fuel for heating, especially in the winter. You have a kerosene burner and a wood burner for heat, if you lose your electricity. You also have fuel for each source. In a power outage you may want to have windup flashlights or some batteries for flashlights. You could have some lanterns with lamp oil and matches for light and a little heat. You may also want some sleeping blankets if your fire goes out. I am reminding you of these power outage preparations because the vision is a sign of a power outage coming in the winter. You may want to check your extra food and water supplies, as well as check that your burners are in working order. Have some extra fuels on hand for a few months. By being prepared, you could help your relatives and neighbors to get by on any extended power outages.”

September 10, 2014
Tuesday, September 9, 2014: (St. Peter Claver)

Jesus said: “My people, in your world today, you have many judges and lawyers, but very little justice, and even more injustice in your settlements. Part of the reason for so much injustice, is the fraud, cheating, and payoffs for the corruption and political interference in your justice system. It is money and agreements outside of court that make a mockery of your justice system. Some criminals get light sentences, while others get years in jail. I had words about lawyers: (Luke 11:46) ‘Woe to you lawyers also! because you load men with oppressive burdens and you yourselves with one of your fingers, do not touch the burdens.’ In other words some lawyers take advantage of made-up laws to steal from the people, and charge exorbitant fees for so little work of their secretaries. You have some good lawyers and judges, but there are more bad and corrupt lawyers and judges. In the last judgment, I will judge these evil ones harshly for all of their injustices. Then all of their evil ways and actions will come to light for everyone to see, what was hidden in secret. Trust in Me for I will defend My faithful even against these evil ones, who try to persecute you, and even kill you.”
Jesus said: “My people, I am showing you a contrast of the good of My Word in the Bible, vs. the spreading evil in the world. I am the Light of the world, and My Word is like a Light that disperses the darkness of evil. There is a battle raging between good and evil, as I am fighting with the devil for the souls of the world. On one side you have the believers in Me and My Word, and on the other side are the unbelievers who refuse to repent of their sins, and refuse to love Me. In the parable of the wheat and the weeds, I allow both to grow up until the harvest of souls. Then the weeds, representing the evil people, will be cast into the flames of hell, while the wheat, representing My faithful believers, will be gathered into My barn of heaven. So you are in the midst of the evil ones, but you must live your faith, even if you are insulted or persecuted. You must love everyone, even your enemies. When you are insulted or persecuted for My Name’s sake, do not harm them, but pray for them and forgive them. Living a Christian life of love will appear foolish to the worldly people, but you must be a beacon of faith by witnessing to My Word in the Bible. This is why I am encouraging you to spend your free time reading the Bible, instead of wasting time on your own pleasures.”

Wednesday, September 10, 2014:
Jesus said: “My son, you can remember how difficult it was when you buried each of your parents and your wife’s parents, but they died in their eighties and nineties. When your son, David, died at only four days, it was harder, and you had a full church at his funeral. When people die, you have comforted many relatives of the deceased, and you prayed for some of these people in the hospital before they died . It is these acts of mercy that are appreciated by others. Death and sickness are part of your lives, but when people care enough to come to the hospital and funerals, it is a sign of love that is shared. The Gospel of Luke was about the beatitudes, so it is good for My faithful to help people in their needs, and to do it out of love for Me and their neighbors.”
Jesus said: “My people, I mentioned in a previous message how the one world people manipulate events that lead America into no-win wars. You are seeing America gradually being drawn into battle with a new terrorist group called ISIS. Even when the Iraqi army had your weapons of tanks, they ran out of fear, and now ISIS has these tanks. It is difficult to rely on helping ground forces that do not want to fight their enemies. America’s air power is powerful, but without sufficient ground troops to battle ISIS, it would be hard to stop these terrorists. Unless there is some support from other nations to battle ISIS, this stepped up battle is only a temporary deterrent. Fighting ISIS is one battle, but restraining Russia from taking over the Ukraine, could lead to a confrontation for a larger war. Keep praying for peace that these forces will stop fighting and killing innocent people.”

Thursday, September 11, 2014:
Jesus said: “My people, I know that it is hard for you, who live in the world, to become saints ready for heaven. All of you are at different levels of progress on your way to sainthood. Do not be critical of others who may have just been converted to the faith. Today’s Gospel about loving your enemies and sharing your possessions, is one of your challenges to follow Me. I have created everyone, so I love those who are good and those who are bad. It is difficult as a human being to love those who hate you and persecute you, but I call you to love

everyone as I do. You all have souls made to My Image, so you should love everyone, but you do not have to agree with their evil actions. By giving people your good example, then they may see the good in a Christian life, and they could have a change of heart."

Prayer Group:

Jesus said: "My people, I want to alert My faithful to various internet sites that put out false information that looks like real news stories. I have warned you in the past to search the internet further to find several news stories that can verify a real story, instead of this disinformation tactic by ill-meaning people. Many of these false stories sound too good to be true, so be careful with any information you see on the internet."

Jesus said: "My people, many of your people are having services to acknowledge those people who were killed in the buildings in New York City on 9-11-01. This was a sad tragedy when terrorists flew planes into these buildings and brought them down. It was this event that launched a war against terrorists in Afghanistan. Your people need to be vigilant against any future attempts to kill a lot of people. Pray for all the souls who die in disasters, and are not ready to meet Me at their judgment."

Jesus said: "My people, it is ironic that your President is now stepping up an air attack on ISIS fighters, right near this 9-11-01 anniversary. When your troops left Iraq, it is not surprising that these terrorist groups took advantage of little resistance to their taking over a good portion of Iraq. It is time that your military people and your President realized their mistake, and now you are trying to slow down the advance of ISIS. It will be difficult to stop these terrorists without having troops on the ground that are willing to fight them. Keep praying for peace and that this war does not get larger."

Jesus said: "My people, last winter you had heavy amounts of snow, and colder temperatures than usual. Now, you have had a cool and rainy summer. These early signs of snow are verifying some early predictions of another bad winter. I gave you a message recently to have some extra food, water, and heating fuels ready if your power goes out. Having oil lamps, lamp oil, matches, and windup flashlights may also be needed in winter power outages. It is better to be prepared for a bad winter than to be caught without what you need."

Jesus said: "My people, you have seen news stories that are warning people of a new cold virus (enterovirus EV-D68) that has caused some serious symptoms in children in Middle America. Your medical people are trying to fight this spread of disease. I have warned you before that the one world people want to reduce

the population with viruses led by Satan's people. Many of these viruses are man-made, like ebola, that is causing many deaths in Africa. I have warned My faithful to come to My refuges to be healed of any deadly viruses when you look upon My luminous cross."
Jesus said: "My people, I have given you messages before that the one world people are planning your demise with a crash of the dollar, and bank failures that could precipitate a martial law. If your economy is suddenly crashed, people would be desperate for food and a place to stay warm in the winter. Be prepared for such a disruptive takeover of America that would bring about a North American Union of America, Canada, and Mexico. This is one of the signs that I have given you that will endanger your lives, and it will be the time to call on Me to have your guardian angel lead you to My nearest refuge of protection."
Jesus said: "My people, as you approach the end times, the faith will grow weaker, and it will be hard to find a Mass. Your prayer groups may eventually have to meet secretly in your homes for prayers and Masses. You will be seeing the persecution of Christians getting worse, which is why I will warn you when it will be necessary to come to My refuges for your physical and spiritual safety. Once you leave your homes, your guardian angels will put a shield of invisibility around you from the evil ones trying to kill you. Trust in My protection at My refuges, but some people will be martyred in the coming tribulation."

Friday, September 12, 2014:
Jesus said: "My people, as you came into this church, you were greeted by My holy martyrs and their bone relics. These missionaries were brave even amidst the danger of the Indians who tortured them, and eventually killed them. Their intent was to bring Me to the Indians and try to convert them to faith in Me. There were a few converts, but there was much rejection of My faithful sons. Even as you are about to walk in their footsteps, I want My faithful to have the same courage and zeal to share My Word of the Gospel with as many souls that have open hearts to receive you. The harvest of souls is great, but there are few laborers to say 'yes' to My mission of evangelizing souls. I am always asking My Father in heaven to send more laborers into My vineyard, so all souls will have an opportunity to hear My Word and My call to come to Me in heaven. I

am grateful for all of My missionaries and messengers for bringing My Word to My people. Those who labor in the harvest of souls will have their reward with Me in heaven."

September 25, 2014
Saturday, September 13, 2014: (St. John Chrysostom)
Jesus said: "My people, you are blessed today to be able to offer the Sacrifice of the Mass at the very place where the Canadian martyrs were buried. Again, you need to see them as an inspiration for your faith today. Even as you offer Mass here today, you can see that I am the same yesterday, today, and tomorrow because I am outside of time living in the now of heaven. I am inviting all of you to be faithful to Me and keep holy by frequent Confession. Later, you plan to walk even in the rain where the martyrs walked to their deaths. When you suffer this trial of rain, you will be saving many souls by conversions, and releasing souls from purgatory."
Jesus said: "My dear pilgrims, you are making some extra sacrifices to be here in the cold and today's rain. I appreciate all of your efforts that are bringing souls out of purgatory into heaven, and you are seeing in the vision all the thousands of conversions on your behalf. You have been praying many years for conversions in your families, and many of these will be granted at the Warning. This is when more people will be crossed on their foreheads by My angels. Rejoice in My Divine Mercy which will help heal some of today's lukewarm souls that know better, and will be given another chance to reform their lives. Keep praying for these souls, so they could be saved through your intercession. Every soul, who has a prayer advocate, has an opportunity to be saved. All I ask is that people repent of their sins, and accept Me as their Savior."

September 25, 2014
Sunday, September 14, 2014: (Exultation of the Holy Cross)
Jesus said: "My son, all of the crucifixes in the visions have a special meaning for you. Today, you celebrate My Exultation of My Holy Cross even on Sunday,

because My death on the cross has been your salvation of your sins. I love My people so much that I came to the earth to share My Word and to sacrifice My life as a spotless offering to atone for all the sins of mankind in the past, present, and future. I have shown you My love by dying for you, and I pray that My people will love Me, obey My Commandments, and repent of their sins in Confession. The first cross of the martyrs is why you did the walk to share in the glory of their offering of their lives to God as martyrs for the faith. The second cross is a remembrance of the many times that you have visited Mount Calvary in the Holy Sepulcher Church in Jerusalem, Israel. The odor of sanctity in this spot, is a testimony of the holiness of My place of Crucifixion. The third cross is a drawing of My crucifix by Josyp Terelya that you had placed on every cover of your books. Josyp suffered much for Me for so many years in Russian prisons. Having My crucifix on the cover of your books is also a testimony of how I am the center of your life in your mission to save souls, and bring My Word to the people of the end times. I love all of you who are faithful to Me, and are even ready to suffer martyrdom for My Name's sake."

September 25, 2014
Monday, September 15, 2014: (Our Lady of Sorrows)
Jesus said: "My people, this umbrella over you in the vision, is protecting you from the trials of life. This represents My Blessed Mother's mantle of protection, by which she watches over all of her children. At the foot of the cross I gave My Blessed Mother over to St. John, but this also was making her the Mother of all of mankind. In today's feast you are seeing all the sorrows that My Blessed Mother had to endure in this life. She is acquainted with grief and sorrows, so she can readily help you when you call on her to help you in your trials. Every life is filled with sufferings and unexpected events every day. Call on My help and My Blessed Mother to get you through all of life's difficulties. You know in your mission for Me that things do not always go smoothly. You also will be facing attacks of the demons, because they do not want to give up souls to conversions. So call on Me, and I will send My angels to comfort you, and to fight off any demon attacks that are placed in your way. I will be helping you with the grace that you need to bring My Word to the people who need to be converted. You have been sent out to evangelize the people, so do not shy away

from your mission just because of any testing of your endurance. Trust in Me and My Blessed Mother's mantle to protect you in your battles with the demons."
Jesus said: "My people, My Blessed Mother suffered much when she saw Me scourged at the pillar, when she met Me carrying My cross, and when I died from crucifixion. She had a deep love for Me, and it was hard for her to see Me suffer and die. She later held My dead Body, and then watched My burial. She knew that My mission was to save all souls by My sacrifice on the cross. Without the sacrifice of My Body and Blood, there would be no salvation. Ever since Adam and Eve's sin, there was a promise of a Redeemer that would be sent to free mankind of their sins. My Blessed Mother knew that My death was necessary, so this helped soothe the pain that she suffered in her heart. Now, she is happy that all of her children have a chance to be saved. She prays for all of you to stay true to your love for Me."

Tuesday, September 16, 2014

September 25, 2014
Tuesday, September 16, 2014: (St. Cornelius & St. Cyprian)
Jesus said: "My people, you are seeing major hurricanes hitting land on the West coast of Mexico. These storms brought flood waters into the Southwest of your country. This huge rainfall is in contrast with the lack of rain in drought stricken California, that is experiencing more fires. The weather patterns these last few years, have not brought much rain to California. This has put a strain on any food production from this area that provides fruits and vegetables for your country. This not only affects your food, but it has hurt the employees who depend on working these farms. Your people need to pray for a change in the rain patterns for California."
Jesus said: "My people, you are seeing people in Africa suffering from both AIDS and ebola viruses. Both of these viruses are man-made, and they were made purposely to reduce the population, as they were led by Satan. You need to do some research on the deaths from each virus in Africa alone. Because medical isolation and other methods to fight these viruses are not occurring in Africa, you are seeing both of these viruses causing many deaths. Your President wants to fight the spread of ebola, but sending troops to Africa has a difficult chance of containing this epidemic. Without any cure and little isolation, this virus will

continue to spread and kill people. Pray for a means to stop the ebola virus from spreading, and for a cure in large quantities. Your troops could contract this virus, and spread it in your country on their return. This plan of battling ebola is not like a war, but it could help the people in dealing with the epidemic."Note: AIDS, Africa, 2011 there were 23.5 million HIV cases, and 1.2 million deaths. 70% of all HIV cases live in Africa. AIDS, in the US: 49,237 cases and 15,529 deaths.
Ebola: in Africa 2014: 4,846 cases, and 2,375 deaths.

September 25, 2014
Wednesday, September 17, 2014: (St. Robert Bellarmine)
Jesus said: "My people, the first reading about the various beauties of love, reminds you of a couple that are married. When you are married in a commitment for life, you make sacrifices and compromises out of love for the other spouse. You may have different ways that you live your life, but you accommodate your spouse's differences. Married people show their love for each other in little ways, as well as big ways. As time goes along, the spouses do not realize how dependent they are on each other for their various needs. It is when your spouse is sick, or away from you, that you see how much you rely on each other. You each can live independently if necessary, but your lives are easier working together. This is why when a spouse dies, or there is a divorce, this separation is so traumatic at first. Each day that your spouse is with you, you need to treasure your love relationship, and appreciate the gift of your lives together. Even as you love your spouse, your love for Me should be greater. You are My creations, and I love every soul so dearly. I pray that every soul would love Me, and show Me in each person's prayer life, and how that person loves Me and his or her neighbors. Love is everything in this life, and it supercedes all of your wants and possessions. Love is self-giving, and it requires work every day to be loving and feel loved."
Jesus said: "My people, in the reading to the Corinthians, St. Paul likened your imperfect state to a mirror, where you can see all of your imperfections. In this life you are easily distracted from Me by your events of the day, and your own personal desires. You should be loving everyone, but sometimes you neglect to show your love for people, when you are busy with your own agenda. You need

to be open to help people out of love, and not just to gain something by your actions. You struggle in this life to avoid anger and swearing. You also can get annoyed with the way people drive their cars. But once you are allowed into heaven, there will be no evil or sin, and you will see Me face to face in My beatific vision. In heaven there is no anger, but only love with no anxieties and no worries. There are only saints and angels with Us in heaven. When you are in heaven, you can intercede for souls in helping them to come to heaven. This is why you can call on your deceased relatives in heaven to be your intercessors, by letting them bring your intentions to Me."

September 25, 2014
Thursday, September 18, 2014:
Jesus said: "My people, today's Gospel is focused on how all of you are sinners, and you should not be judging others as sinners. The Pharisee was critical of the woman for her sins, and for her coming into his house to see Me. I forgive all sinners of their sins, whether their sins are few, or much more serious. The parable of the two debtors where one was forgiven more, was a sign to the Pharisee that this serious sinner would love Me more for forgiving her more serious sins. There is another parable that I gave about judging people as sinners. Before you try to remove the splinter from your brother's
eye, you need to remove the wooden beam from your own eye first. You have two problems here. First, you should not be judging people, because I should be your only judge. Second, people need to look at their own faults, and have them forgiven, before they try to assist their neighbor in their faults. This accusing others of being sinners, is a sign of your human weakness to sin that all of you are subject to. Do not be so proud to think that you are not a sinner, because all of you fall short of being perfect, and you need to admit that you also sin. Come to Me in Confession to ask My forgiveness of your sins, and come frequently, so you can keep a pure soul."
Prayer Group:
Jesus said: "My people, in some past messages I spoke of a new virus that would be contagious and deadly at the same time.(8-8-12) This airborne deadly virus has already been made, and it will be used to spread a pandemic virus using the chemtrails. Now, you are seeing a resurgence of a new strain of ebola virus that

first appeared in the 1970's. Any airborne mutation of this deadly virus would fit the description of what I mentioned before. Whenever such a virus starts killing people all over the world, I will warn My faithful to come to My refuges, where you will be healed by looking on My luminous cross. Your troops are being sent to help control this outbreak of ebola in Africa, but they could be at risk of bringing ebola back to America. Pray that My faithful can get to My refuges because these viruses were designed to reduce the earth's population by the one world people led by Satan."

Jesus said: "My people, the same one world people who have drawn you into so many no-win wars are beating the war drums again to draw your troops into more fighting in Syria and Iraq. These evil ones are trying to deplete your fighting forces so America would be an easy takeover target. These evil ones keep your Defense Industrial complex making more weapons for this next war, and they profit from their sale. The violence of the ISIS killings is meant as an incentive to get rid of this threat. You would be better off not to get drawn into these planned conflicts. In all the previous wars there were no lasting winners, but you lost troops and trillions of dollars in a wasted effort. Pray for peace because these evil ones always want wars."

Jesus said: "My people, your prayer group has been having its meetings at Holy Name for almost twenty years. You are being offered a new place to meet at St. Charles Borromeo Church. It is interesting that you have a first class relic of this saint. It is a blessing to be able to continue your meetings, with even a chance for more people to join your prayer group. Prayer groups in general are finding it hard to keep their members coming every week. It also is harder to get younger members to pray. Prayer in the rosary is your best weapon to fight the evils in your world today."

Jesus said: "My people, I have called many people to set up refuges so My faithful could be protected during the coming tribulation of the Antichrist. You will see miracles of My angels as they will help provide dormitories, beds, and multiplied food for your independent survival. If you provide some bedding, a building to sleep, food, water, and fuel, My angels will multiply what you have for as long as you need it to survive. Your faithful people will be working together in full trust of Me so all of your people will have what is needed to survive with My angel protection."

Jesus said: "My people, I have warned you in previous messages that a time will come when most of your churches will be closed. Then your prayer groups will be returning to your homes for prayers and Masses. It will not be long after this

that you will need to come to the safety of My refuges. Call on Me and My angels to lead you to the nearest refuge when I warn you it is time to come."
Jesus said: "My people, you have seen flu epidemics before that have overwhelmed hospital facilities. Just as you saw a football stadium full of survivors from Hurricane Katrina, so you will need such stadiums to treat the coming pandemic virus. Many people will die from a new flu virus, much like in 1918. Be prepared to leave for My refuges where you will be healed with My luminous cross and the spring water. Do not fear these evil ones, but trust in My protection."
Jesus said: "My people, you have been through cold and snowy winters before. You need to have some snow removal equipment ready in working order, as well as some shovels in case you cannot power your devices. When you have power outages, you will need alternate fuel sources to stay warm such as wood for a wood burner, or kerosene for a kerosene burner. Plan to have extra water, food, and cooking utensils. By being prepared, you will be ready for any hard winter. Trust in My protection, even through the cold and snow of winter."

September 25, 2014
Friday, September 19, 2014: (St. Januarius)
Jesus said: "My people, this setting sun represents how the glory of America is about to leave its first place in the world. Even though America appears to be stronger than ever on the outside, there are one world people working to bring about your demise. Your dollar is about to be collapsed because you are the largest debtor nation by your deficits. Most of your manufacturing has been transferred to China, so you are too dependent on them for most of your purchases. Your current Administration is tearing apart your military, general by general, in preparation for a takeover of America into the North American Union. This is all part of the plan for the Antichrist's takeover of the world. When the financial and military collapses come, the one world people will declare martial law and take over. My Warning is at the door before the lives of My faithful will be endangered. It will be when your lives are in danger, that I will tell My faithful it is time to leave for the safety of My refuges. Just as you are seeing your churches and schools closed, so your country is about to be brought down as well. When they say peace, peace, then you will see sudden

destruction."
Jesus said: "My people, in some of your prayer intentions, you may be praying for some people that are having problems in providing for themselves. In your eyes, they may appear that they do not know how to earn and manage money. You are trying to help them, but they make poor choices in your eyes, and they are missing out on their education opportunities. It is difficult when people keep making the same mistakes, yet they look for financial help from wherever they can get it. With people, who are reasonable, do not try to run their lives, but in a kind way, try to show them how they could improve themselves. With people, who are controlled by addictions, you need to be firm with your help, but not judgmental. You need to pray for these people, and even some may require deliverance prayers, as the long form of the St. Michael prayer. Praying this for your family members, may take some time, but continue with your persistent prayer. In all of your help, do not allow these people to disturb your peace and get angry. Be kind and loving, even if you are persecuted by them verbally."

September 25, 2014
Saturday, September 20, 2014:
Jesus said: "My people, I have asked you to pick up your cross and carry it every day. Your priest asked a very pointed question of what are you willing to give up in order to come closer to Me. My faithful need to give up their free will over to Me, so they are able to accomplish the mission that I have planned for them. You have free will to follow Me or not. Another commitment will require you to give Me a good portion of your time each day. This time starts with a commitment to your daily prayer, and possibly a visit to My Blessed Sacrament. When you take time to visit Me, you can share your day's troubles, and ask for My help in your intentions. In the quiet time of Adoration you can discern answers to your questions, and what decisions you need to make. When you are making big decisions in your life for marriage, jobs, or other milestones in your life, it is good to come to Me for discernment of the proper course of action. Be thankful that you always have Me with you in My Blessed Sacrament."
Jesus said: "My people, this movie (The Way) has some viewpoints from each pilgrim who has a particular intention from people with all walks of life. This represents your journey as a pilgrim in life, with heaven as your destination. On

the way, you encounter many people that are struggling through life with you. You learn to love even strangers because you share with each other in your survival. You not only share your food and drink, but you also share each other's hurts from life's trials. I love all of My people, and I offer a helping hand to ease the burden of your life's cross. You all have faults and sins in life, and I bring you to this oasis of cleansing water to wash away your sins in Confession. Not only do you have a friendship with your fellow travelers in life, but you have a friend and even One who loves you in Me. This earthly life is short and everything in it, is passing away. It is your soul that lives on forever, so your spiritual journey in this life has much more meaning for your eternal destination. Seek to be with Me in love every day, and you will have your reward with Me in heaven."

September 25, 2014
Sunday, September 21, 2014: (Holy Name 50th Anniversary, closed)
Jesus said: "My people, you have a bittersweet celebration today. On the one hand you are celebrating your 50th Anniversary as a church, but on the other hand, your church is being closed with this last Mass. I showed you an empty tabernacle in the vision, and later you took a picture of the actual empty tabernacle. I will no longer be Present in this church, except on occasional funeral or wedding Masses. Many other sacramental graces will be lost because Holy Name of Jesus will be no longer functioning as a church for Sunday Mass. This is a sad day to remember that your home church is no more. Your family received many of your sacraments at this church, which is why this was your home parish. Now, you will be joined with other parishes depending on the location of neighboring churches. This closing of churches and dropping Sunday Mass attendance, are signs of the decay of the spiritual life of your country. It is even worse in Europe. My Warning will wake up some of the lukewarm Catholics, but if the people do not repent of their sins, and obey My Commandments, then they are on the road to hell."

September 25, 2014
Monday, September 22, 2014:
Jesus said: “My people, I am making an analogy of the light in a room to the Light of faith, that shines forth from each of you. You are the Light of faith and the salt of the earth when you can share your faith with others. It is easy to share your faith with fellow believers, but to evangelize others, it takes courage and fortitude from the Holy Spirit. Many Catholics are content to give witness to others by living a Christian example in their actions. Acting as a Christian and praying for the conversion of sinners, is a small commitment. Going out to preach My Word to strangers, takes more effort, and I will assist you in this mission for souls. Traveling all over the world takes a higher calling, and I am grateful for your ‘yes’ in carrying out your mission. It is not easy to travel long distances in your van, or to take trips in airplanes. But the graces that you will receive, are more than worth your efforts.”
Jesus said: “My people, just as I had to suffer persecution and ridicule, so My followers will suffer as well. You will be persecuted by some in My Church, by your government, and by the Moslem Brotherhood. Even the atheists will criticize you for believing in God. For awhile this criticism will be verbal, but as time goes on, you will suffer physical abuse and even possible martyrdom. First, you will see your churches closed, and you will need to meet in your homes. As the persecution increases, you will need to come to My refuges for your protection from being martyred in the detention death camps. Just as the Jews were persecuted by Hitler, so Christians will be called second class citizens, and they will be subject to being martyred for My Name’s sake. At My refuges My angels will shield you from being seen with an invisible shield. Some of you will be martyred for your faith, while the rest will be safe at My refuges. Trust in Me to protect your souls from the evil ones in these times.”

September 25, 2014
Tuesday, September 23, 2014: (St. Pio)
Jesus said: “My people, there are more people who are centered around worldly things, than those people who are centered on Me. As a result of these worldly people, there is more sin abound as well. In the vision I am showing you a great cleansing water that will come to give every sinner a chance to repent, and

change their lives. I am speaking of the coming Warning experience that will be a wake-up call for everyone. It is only My supernatural intervention into the lives of everyone, that will stem the tide of so much sin in the world. People will always have free will to choose good or evil, but they will be more acquainted with the consequences of their sins. This will be My Divine Mercy working on every soul, and My faithful will be better able to evangelize their family members because their hearts will be open to repentance. I have told you that the best preparation for the Warning, is frequent Confession, so you do not experience any mini-judgment to hell. Keep praying your long form of the St. Michael prayer for your friends and relatives. Once you have had your Warning experience, then you will be more responsible for your sins, because you will know more how much sin offends Me. Show Me your love by prayer and obeying My Commandments."

Jesus said: "My people, America and its allies started bombing two terrorist groups in Syria. Once the easy targets have been hit with bombs, these groups will start building caves, much like they did in Afghanistan. Without soldiers on the ground, such air attacks will only slow down the terrorists for a while. They will move to another safe haven where they can hide. These air attacks could eventually lead to American soldiers on the ground, just as previous wars have followed the same course. These strikes will degrade ISIS only to a certain point. These confrontations could go on for a longer time without a winner. Your leaders have not learned from their past fighting, that these wars have gained them nothing. It is better to try and workout some peace arrangements, than to keep fighting these no-win wars. Keep praying for peace in this area."

October 2014

October 8, 2014

Wednesday, September 24, 2014:

Jesus said: "My son, in the Gospel you read how I sent My apostles out two by two to proclaim the Kingdom of heaven. I told them to take little with them, because My apostles are worthy of being fed and taken care of for bedding. My messengers have accepted My mission to bring My Word to the people. They

will find a just house to provide for their needs. I have warned you, My son, to pray the long form of the St. Michael prayer both when you start out and when you return. This is for your protection from any accidents or any attacks from the demons, who do not want you to evangelize people or to pray over them. At times I allow you to be tested by difficulties, as problems finding your way, flat tires, or other car problems. Many times you even suffer physical problems as a price for the souls that your words will touch. I send you angels and good people to help you overcome any testing for souls. The demons do not want to give up any souls easily, so each soul will require a battle to save. Call on My help if you are attacked by the demons. Be always ready to face trials when you are spreading My Word. Those people, who work in the harvest of souls, will have many graces for their reward. I thank you for all that you do for Me, and the souls that you help."

Jesus said: "My people, when you see checkpoints, like roadblocks, or heavy amounts of army troops moving around, be warned that your authorities are preparing for martial law. The one world people know the time when they will crash the dollar, and turn off the electricity to precipitate a martial law. Before this happens, they will be stationing troops all over to control any revolts or riots. My Warning will come first before any threats to your life. After the Warning, you will be evangelizing people, especially your family members. You will need to get rid of your TVs and computers after the Warning, so you do not look at the Antichrist's face who will control the media. Soon after the six weeks of conversions, you will see the world famine, a division in My Church, martial law, and mandatory chips in the body. At that time I will warn you to leave your homes for My refuges for your protection. The tribulation will happen once the Antichrist declares himself, and he will be allowed a brief control of the world. His reign will be brief, while My faithful are protected by My angels at My refuges. Some people will be martyred for the faith. At the end of the tribulation, I will bring My Comet of Chastisement to defeat the evil ones. I will cleanse the earth of all the evil ones, as they will be cast into hell. I will renew the earth, and bring My faithful into My Era of Peace. Rejoice in My victory, as you will be rewarded for being faithful to Me."

October 8, 2014

Thursday, September 25, 2014:

Jesus said: “My people, all of your churches are experiencing a drop in attendance at Sunday Mass for various reasons. At a certain point, there are not enough people attending Sunday Mass to pay the bills, so churches are closing all over your country. You are shocked in your own church that had to close, but you are seeing the signs in so many churches that are clustered and sharing priests, who are also declining. This loss of faith in the people, is another sign of the end times, when people’s faith will grow cold in their hearts. My Warning will wake up some lukewarm souls into a return to the Church, but the Warning is a sign of the coming Antichrist’s takeover that will be imminent then. If the lukewarm do not wake up and re-convert their lives, then the Antichrist will sweep up their souls, and they could be lost. Evangelize your family while you still can, because their time to be saved is running out. Come to Me now into My loving arms, or you could be lost in hell forever.”

Prayer Group:

St. Meridia, our prayer group angel said: “I am Meridia and I stand before God. It is an honor for me to be the guiding angel for your prayer group dedicated to the Eternal Father. I want you to acknowledge me at every prayer group meeting, even as you have the statues of the three archangels on the altar. Maybe you could have an artist draw a small picture of me so you could place it on the altar. Remember your first prayer group meeting here on September 25, 2014.”

My guardian angel, Mark, said: “I also am standing before God, and my name is Mark, John’s guardian angel. The people of this world do not realize the serious time that you are living in, right before the Antichrist will be allowed a brief reign by God. Your whole lives will soon be changed, especially after the coming Warning which is close, even in your time. Our Lord will allow this grace of His Divine Mercy to wake up all sinners to the reality of their eternal destination. Learn from the Warning and keep your focus on Jesus as the center of your lives.”

St. Michael said: “I am Michael and I stand before God as the protector of America. You see me dressed for battle with the evil ones, even as you are seeing physical battles in Syria and Iraq. There is an ongoing battle between the demons and evil people against the good angels and those who believe in Jesus. I am calling all of you prayer warriors to pray for sinners, for peace, and for the souls in purgatory. Pray especially for the souls of your family and friends that they will be saved from hell.”

Jesus said: “My son, I am confirming this message of Maria when she saw you carrying a red cord to unite all the refuges as a network for My glory in these

end days. These refuges that I have called My faithful to build, will be your safe havens where My angels will be protecting you during the tribulation of the Antichrist. It is good for each refuge to share with one another. I have told you in previous messages how you will be sent to the various refuges to give support, much like St. Paul kept visiting the various Christians that he had evangelized."
Jesus said: "My people, peace be with you, even though you are seeing wars and killings all around you. You need to trust in Me with your daily prayers for peace. I listen to all of your prayers, and I will bring My justice against the evil ones who are behind your wars and your abortions. Any taking of life is a serious sin against My plan for these souls. You know in the end that I will be victorious over all evil. So you may have to endure this evil age for a while, but keep your faith, and you will see your reward in My Era of Peace and eventually in heaven."
Jesus said: "My people, yes, there are many angels kneeling in Adoration of Me on your altar, as they give praise to Me constantly here and in heaven. I am thankful that you sought to continue your Adoration of My Blessed Sacrament in your prayer group meetings. Your new pastor has made a great spiritual gesture to allow your prayer group to continue in his church. The graces that come to you in your Adoration, will be shared with all the members of this church. I love My adorers, who are My special lovers of My Blessed Sacrament."
Jesus said: "My people, it is not easy to see Holy Name of Jesus Church being closed, but it is good that you are being welcomed into a new home at St. Charles Borromeo Church. I want all of you to reach out in love to share your new parish. You have been clustered here for a short time, but now you are being joined together. Share your joy and love with your new family of believers. Do what you can to join in their ministries, and work to help support your priests both spiritually and financially. Pray for your priests who bring you My sacraments."

Friday, September 26, 2014: (St. Cosmas & St. Damian)
Camille said: "Hello John, it is good to be able to speak to all of you again. I am here with Lydia, and we are praying for all of you. I am happy to see that you are using the inheritance money to fix up Vic's place because it was in great need of repair. Vic will give you a lot of trouble with his addictions, but keep praying

your St. Michael prayer to free his demons. We love all of you, and we are watching all that is about to take place on the earth. You are right that the Warning will be big in people's lives. I pray that more people will change their lives. Your mission of saving souls and encouraging people to build refuges, is very clear to me now. I also see why making money on your books is not important, but getting God's message out, is more important. Be prepared for a rough ride through the coming events that the Lord has revealed to you."

Saturday, September 27, 2014

October 8, 2014
Saturday, September 27, 2014: (St. Vincent de Paul)
Jesus said: "My people, in the vision you are seeing a latrine with a reference to (Matt. 15:10-11) 'And He called the people to Him and said to them: Hear and understand: It is not what goes into the mouth that defiles a man, but what comes out of the mouth that defiles a man.' The Pharisees held many traditions about washing their hands and their cups and pans. They also could only eat certain foods. I spoke to the Pharisees about how they dressed and fasted for show, but inside they were full of dead men's bones. What comes out of your mouths is what comes from your heart. Some speak ill of others in gossip, and some may utter swear words in anger. You can also utter prayers to Me which shows your love in your heart for Me and your neighbor. So your mouth can be used for good or for bad things. I speak to you of a good tree which represents My faithful who share My Word to save souls. There are also bad trees represented by wicked people who spew evil things from their mouths. By their fruits you will know who people are, either by good fruits or by bad fruits. Come to Me and trust in Me so your good deeds can be a witness to your faith in Me."
Jesus said: "My people, you are seeing an unusual number of fires from moving crude oil, and in some refineries. Some of these fires are caused by arson to slow down your gasoline sources. Your government is using the regulatory agencies to harass your energy sources, especially your coal production. You are seeing some conversions of coal-fired plants over to natural gas plants to make electricity. It is irresponsible for your government to try and shut down all of your coal production and coal-fired plants for electricity by passing regulations that coal plants could not possibly meet. Your coal plants provide 39% of your energy production, and there is no other fuel or means to replace it. Limiting your electricity production could cause many businesses to shut down. These

trumped up regulations could ruin your economy with little recourse for the people to stop this abuse of power in your government. The one world people are using many means to bring down your economy, and losing cheap power is one of them. Pray that your Congress could override your regulatory agencies that are shutting down your energy production."

Sunday, September 28, 2014

October 8, 2014
Sunday, September 28, 2014:
Jesus said: "My people, I am showing you the children because only those who love Me and trust in Me as an innocent child, will enter into the Kingdom of heaven. I am showing you the confessional because I forgive all of those people who are sorry for their sins, and are repenting of their sins as well. I forgive sinners through the priest's absolution, as the priests are acting in My place. It would be good for your spiritual lives to plan on coming to Confession at least once a month. When you come to Confession, you should make a proper examination of conscience so you can remember your past offenses against Me. Have true contrition for your sins, and remember to pray the penance given by the priest. In the Gospel I chastised the religious leaders and the Scribes for not listening to St. John the Baptist who preached repentance. It is not enough to perform outward appearances or call Lord, Lord. I look into your hearts to see the sincerity of your actions and the proper intentions. I seek to have a personal love relationship with My faithful. This is difficult, unless you give your will over to Me so I can use your open heart to carry out the mission that I have chosen for you. When you love Me and your neighbor from your heart, I will see that your actions are truly inspired, and not just for show. I love you, and I thank you for all that you do for My greater glory."
Jesus said: "My people, when the time of persecution comes, you will see government forces or Moslems burning Catholic Churches down. Catholics will be a target of the one world people, and these people will try to burn down the churches while people are at Mass. This is why you are seeing the thick smoke with people trying to escape the flames. This will be a time when you will need to go to your homes for prayers and Masses. Many of your churches will be closed down, and only the schismatic churches will remain open. Once you see this persecution of Catholics, it will not be long until I will be warning you that it is time to come to My refuges. These events will be happening one after

another in rapid succession. Keep your souls pure with frequent Confession because soon it will be hard to find a priest for Confession. You are living in the end times, so have your things ready to leave for My refuges at a moment's notice. Trust in Me and My angels to protect you from the evil ones."

Monday, September 29, 2014

October 8, 2014
Monday, September 29, 2014: (Archangels Michael,Raphael,Gabriel)
St. Michael said: "I am Michael and I stand before God. I want to thank you for promoting my exorcism prayer for the families in breaking the generational sins of addictions. Also, you promote this same prayer when you are traveling in the car both coming and going. You cannot always see me, but when you pray, I am watching over you in your travels. You need to call on me whenever you are tested by possessed people or you sense danger from evil spirits. I am a protector of your country and there is a great battle going on for souls. When you see Our Lord's victory coming with the Comet of Chastisement, I will be instrumental in casting the demons and evil people into hell. I was the leader for Our Lord when the evil angels and Satan were put out of heaven into hell. You were reading about us in the Scriptures, and we are the warriors for God, even as you see us dressed for battle. I thank your priest for promoting my prayer of protection after Mass. Trust in Jesus and our power to battle the demons when you call on heaven's help."
Jesus said: "My people, it is hard to describe the time that you are living in, but it is urgent that you be prepared for the coming events that will bring your country down. I have mentioned how your events are happening in rapid succession. Americans have been living a sheltered life, but soon you will see a return to severe persecution of the Christians. Already, many of My faithful are being persecuted for believing in Me. A lot of people are lukewarm in that they know about Me, but they are afraid to admit to someone that they believe in Me. Those, who believe in Me, and are willing to win souls for Me, are My faithful remnant. I look into the hearts of people, and those, who truly believe in Me, are in the minority. Your time is running out, so those, who desire to be with Me in heaven, need to get closer to Me in their prayers, Masses, and Confession."
Jesus said: "My people, every time that you see someone lying in a casket, you think of how some day you will be in that casket. I want to ask each of you: What would you do if you knew that you were going to die tomorrow? Most of

you would want to have a priest for Confession and the Anointing of the Sick which some still call the last rites. It is a very serious situation to appreciate that you will face Me at your judgment. Your good deeds and acts of love will be balanced against your past sins. You will then receive a judgment of your actions to heaven, hell, or purgatory. At the very end I will give every soul one last chance to accept Me as Savior, or to reject My love. For those, who go to hell, they will choose this punishment of their own free will. I give every one many opportunities in life to be saved, so you can see how much I love all of you, and I do not want to lose even one soul to hell."

Tuesday, September 30, 2014

October 8, 2014
Tuesday, September 30, 2014: (St. Jerome)
Jesus said: "My people, today you celebrate the feast day of St. Jerome. You were at the cave of Bethlehem where he lived for a while. His translation of the Bible into the Latin Vulgate was a forerunner of all the languages that would spread My Word. In the vision you see My Light that disperses the darkness of sin in your world. In the beginning was the Word and the Word is God. This Word of the Scriptures is how I can communicate My love to you, and I give you My life to imitate for your own lives. It is important to not just read and hear My Word, but you should put it into your actions so you can live by My Word. When you are a believer and share My Word with others, then you are like a beacon of Light that shines into the hearts of all the people who you meet. I gave My apostles the command to go out to all the nations to spread My Word. So I am sending My prayer warriors out two by two, so you can evangelize souls to be saved for My greater glory in heaven."
Jesus said: "My people, I am showing you some backpacks that were prepared for the refuges several years ago. I want you to take apart your backpacks and make sure that you have all of your necessities. In some cases you may have left some things out because you did not have enough room to store everything. Once you pack your backpacks again, you could put any extra needed things in your small suitcase that you use as a carry-on bag for the airplanes. Before you put your things back in, make a list of the most important items that you will need for the few days that you are taking to get to your refuge. This exercise in checking your list, is to make sure that you include any recent things mentioned in My messages. You have some of these things on your website. Research My

messages to update your list of needs. This is another message to stress your readiness to have things ready to leave for My refuges, when I will warn you."
Spiritual Items: Rosary, scapular, Mass book, blessed salt, Holy Water, Benedictine cross, blessed candle, relics or medals, Pieta prayer book, small Bible and spiritual books.
Physical Items: Meals Ready to Eat(MRE), dried food, few cans, bottle of water, eating utensils, matches, few changes of clothes with layers for hot & cold weather, boots, gloves, heavy coats, deer knife, windup flashlight, toothbrush, toothpaste, soap, wash cloth, comb, brush, surgical masks, fold up shovel, sleeping bag & blanket, small tent, tools of your trade, small water filter.
Other Suggestions: First Aid kit, paper, pen, scissors, toilet paper, saw, screwdriver, umbrella, mosquito net, trash bags, can opener, nail clipper, ear plugs, sewing kit, shoes or sneaks, hat.
For Families: Disperse items through each other's backpacks to save space.

October 8, 2014
Wednesday, October 1, 2014: (St. Therese, the little flower)
Jesus said: "My people, in today's Gospel I called people to follow Me without looking back. I did not say this is disrespect of their parents or relatives, but when you choose to follow Me, you will be choosing a new life centered around Me. When you focus on Me, I do not want you to fall back into your old sinful lifestyle. When you work for Me, you will do everything out of love for Me and love for your neighbor. Your new life with Me, will be one that imitates My holiness, so you will be a good example to others. When I call you, I am looking for your 'yes' to give Me your free will in doing what I ask of you, without any reservations. I may even ask you to do things that take you out of your comfort zone. Be willing to donate your money and time for all the charities where you are called to help. Remember to count the costs for My discipleship, but to continue on without looking back."
Jesus said: "My people, you have some sayings about walking in another person's shoes in order to know that person's problems. You all have difficulties with life's trials, and it is hard to interpret a person's actions without knowing the whole story. This is why I do not want you to judge people on just what you see. I am the only One who knows all the reasons for a person's actions because I look into the intentions of each person's heart. Some people do things only to

show off to the people around them, and they may not be sincere in what they say. If you find a true friend who does not lie or put on airs, then you have a treasure of an honest person. This is how I want My faithful to act with a sincere love of Me and a love for their neighbors. By living your Christian faith in your actions, then you will be giving a good witness for how I want you to live in holiness."

Thursday, October 2, 2014: (Guardian Angel feast)
St. Mark, my guardian angel, said: "I am Mark and I stand before God's face. Today's feast of the Guardian Angels is one chance for us to be recognized as your constant helpers. As you sit in your pew and look around at all of your daily Mass people, they all have their guardian angels watching over them. Even as you come back to your seat after receiving Holy Communion, you have other angels around you giving praise to Jesus in your body. There are also angels on the altar giving praise and glory to God in the tabernacle. You remember that it is the Presence of Jesus that is no longer at Holy Name's empty tabernacle. I watch over you in your actions and your words, and I prompt you for prayer and other ways to help you in your holiness. Jesus is happy with you for continuing your Adoration of Him at your prayer group meetings. Remember to honor St. Meridia, your prayer group angel, at your meeting tonight. We angels of God are all around you as we each have different tasks to carry out for our God. Continue your daily prayers, as this is your time to give God your praise and worship, just as we do constantly."
Prayer Group:
St. Therese said: "My dear son, I am thankful that you have my relic displayed at all of your prayer group meetings. You also have My picture in your bedroom. I am happy to see you and bless all of you. You know of my Little Way, and I want you to treasure my Jesus in your hearts. You saw some red roses recently, and I want you to keep praying for the stoppage of abortion in your country. Continue to pray my 24 Glory Be novena for all of your intentions.
Jesus said: "My people, as you see your beautiful great grandson, think of how many babies are killed in abortion that were not allowed to be born. What makes women think that they can abort their babies and deny them a chance to live? Each conception has a soul, and you are denying My plan for this life when a

baby is killed in the womb. It is better to give a child up for adoption than to kill him or her. Your country will pay a heavy price for all the babies that you are killing each year. These mortal sins need to be confessed in Confession."
Jesus said: "My people, you are seeing a few cases of suspected ebola virus in your country. Your disease control people are treating this lightly, instead of quarantining sick people, especially those people who came from Africa. All passengers from Africa with ebola symptoms should not be allowed on planes that could spread this disease. It is not established if they can cure ebola, let alone keep these people isolated. You need to pray for an ebola cure and a containment of this disease."
Jesus said: "My people, with all the cases of ebola in Africa, you are already seeing an influence on the African economy. Such an outbreak of ebola could also spread in America, and you could see a dramatic effect on your own economy. I showed you a football
stadium being used to handle a pandemic virus. An unchecked spread of ebola all over the world could cause a world recession. Pray that this disease could be controlled and cured."
Jesus said: "My people, other news events have covered up some of the recent news of this conflict. It is hard to get recent assessments of the bombing in this area. Without troops on the ground, ISIS could continue its attacks. Keep praying for peace in this conflict."
Jesus said: "My people, I know instantly when a life of an unborn baby has been taken, because the guardian angel of each aborted baby comes before Me. These angels are My witnesses of all of America's abortions. How long do you think I will allow this killing to continue? I told you if you did not stop killing My babies, that I would do something severe to stop it. America's punishment is coming for allowing these mothers to legally kill their children."
Jesus said: "My people, I have warned you in previous messages that when you see a lot of deaths from a pandemic virus, that this would be a sign to leave for My refuges. Even though the amount of ebola cases are few now, there could be an outbreak of deaths that could be severe in crowded cities. Be ready to leave for My refuges where you could be cured by looking upon My luminous cross in the sky, or by drinking the healing spring water."

Friday, October 3, 2014:
Jesus said: “My people of America, in today’s Gospel I gave many woes to several towns in Israel because they had the Son of God walk their streets, and still the people rejected Me. I performed many miracles and I gave them My parables, yet there were many who did not believe in Me. There were also a good number who did believe, and they became Christians. I prophesied then how many of these towns, who did not believe, would be brought down for their lack of faith. Even America, that has a Christian background, needs to heed My voice to repent, or you will face My woes as well. You already have seen constant wars, some financial ups and downs, weather problems, and pestilence from diseases. Because of your abortions and sexual sins, you will be facing My punishment, as I will allow the one world people to bring you down into the North American Union.”
Jesus said: “My people, you have to admit that your recent weather patterns are much different from your past experiences. Part of the reason for these changes is a combination of the use of the HAARP machine in conjunction with the chemtrails. Both of these things are black operations, or secret operations run by your government, which is why you do not hear this in your censored news. The HAARP machine is a strong microwave machine that can heat up the ionosphere to change your jet streams to create floods with low pressure, or droughts with high pressure. With man-made manipulation, as Nicholas Tesla and others have used, you can see why your weather patterns are different, and more violent than usual. Many of your snow storms and violent tornadoes were enhanced by the HAARP machine. Pray that the evil one world people will have their plans exposed, so this control of the weather will no longer be secret, but you will see how this power can be abused for political reasons.”

Saturday, October 4, 2014: (St. Francis of Assisi)
Jesus said: “My people, you are fortunate to have a new bishop after your previous bishop had to retire. Your new bishop’s ways are different from your previous bishop, and it will take time for the priests to get used to him. I want you to pray for your new bishop, and support him the best that you can. You also need to pray for all of your bishops and priests because they will be struggling to

lead their flocks through the coming trials of the tribulation. You depend on your religious leaders to provide your sacraments and your spiritual direction. This is why it is important for My faithful to give your priests and bishops as much support as you can."

Sunday, October 5, 2014:
Jesus said: "My people, in the Gospel I told the Pharisees the parable of a vineyard owner and the evil tenants who took care of the vineyard. When the owner sent his servants for some of the grapes, the tenants beat and killed them. He even sent his son, but they killed the heir, thinking that they could gain his inheritance. The Pharisees said the owner should give the vineyard to other tenants. Then the Pharisees realized that I told this parable about them, because I would take away their mission, and give it to My apostles. The son, who was killed in the parable, represented Me when these people killed Me outside of Jerusalem. There is another account in the Book of Revelation that speaks of the evil people as clusters of grapes that would face My winepress of justice and they would be cast into hell. My faithful remnant are the wheat that I will gather into My barn in heaven. I was persecuted and eventually crucified by the religious leaders, but My death on the cross was a victory over sin, and this became the salvation of sinners. An evil act of killing was turned around into My Resurrection, and I formed My Church on St. Peter to lead My Church on earth. I have given everyone a chance to believe in Me, and follow Me as a guide to heaven. Now, you see how I was the cornerstone of My Church, but I was rejected by the Jewish leaders."
Jesus said: "My people, you have traveled to the airport at Denver, Colorado, and you have seen all of the New Age symbols on the floor and on the walls. This place also has some tunnels and underground cities. As the time for the tribulation approaches, many events will start to threaten your lives. These events include a world famine, martial law, and mandatory chips in the body. My Warning experience will be first before the events that will lead up to the Antichrist's coming. This is why you are seeing the open door in the vision because it is a sign that when I tell you to leave, you need to leave your homes for My refuges. Call on Me and I will have your guardian angel lead you to the

nearest refuge. This is another reason that you need to heed My messages on preparing your backpacks, so you will be ready to leave for My refuges as soon as possible. If you delay in leaving, you are risking being captured by the men in black who could kill you at the detention death camps. Have trust in Me because I will have My angels protect you and provide for your needs at My refuges."

Monday, October 6, 2014: (St. Bruno)
Jesus said: "My people, do not take your priests for granted, because they are being attacked by the demons just as everyone else is. They not only bring you My sacraments, but they are your spiritual leaders as well. They need the financial and spiritual support of their parishioners. Even as people deal with their household expenses, your parish priests have to deal with paying their staff, and the maintenance of the buildings. The priests also need your encouragement in their homilies, and all the good things that they do for your families. Most of all, the priests need your prayers to help them in their ministry, and strengthen them in their spiritual lives. You need to love your priests, and show them your appreciation for all that they do for you. You also need to pray for vocations to the priesthood, and for all those men in the seminary who are training to be priests. By praying for your priests, you are building up the faith in My Church."
Jesus said: "My people, in the Bible it talks of earthquakes, famine, and pestilence during the tribulation. (Matt. 24:7) 'For nation will rise against nation, and kingdom against kingdom; and there will be pestilence and famines and earthquakes in various places.' The vision is showing you hordes of flying grasshoppers that are devouring everything in their path as a Biblical plague. This is one form of pestilence that will threaten your food in the fields, and it will lead to a famine where your food will be spoiled. Another form of pestilence will be from various deadly diseases as the ebola virus. Right now ebola is spread by bodily fluids, but mutations or another laboratory creation will make ebola type diseases spread in the air, and it will be much more contagious and deadly. When such a virus is spread in the chemtrails or by infected people crossing the border, you will see millions of deaths. I have mentioned before, when you see a lot of people dying from a virus, that this will be a sign to come to My refuges. At My refuges you will look upon My luminous cross or drink

the healing spring water to be healed of any virus. Have your masks available and take Hawthorn, herbs, and vitamins to build up your immune system. Refuse to take any flu shots which will lower your immune system and give you less resistance to these coming deadly viruses."

Tuesday, October 7, 2014: (Our Lady of the Rosary)
The Blessed Mother said: "My dear children, I am appearing with a black veil over my head because I am sad and in mourning for your country that is spiritually depraved in favoring same-sex marriage. Many of your states have been forced to remove your ban on such illegitimate marriages because of your liberal judges that are overruling the will of the people. These gay and lesbian marriages are being accepted by your society, even though this lifestyle is unnatural and living in mortal sin. You are greatly offending my Son with same-sex marriage in addition to your many abortions. I can no longer hold back my Son's hand of punishment that will befall your nation. You are choosing the road to sin as a nation when thirty of your states are in favor of these sinful marriages. Today's feast honors my Holy Rosary, and my faithful children need to add this intention of stopping gay marriages along with stopping abortions in your prayers. Your country is on its way to your own funeral for your flagrant sexual sins and your many abortions. Keep praying to save souls, but you can expect my Son's punishment to fall on your country."
Jesus said: "My people, on this feast of My Blessed Mother's rosary, you are seeing in the vision how there is always a need for prayers for saving sinners on earth, and for the poor souls in purgatory who are looking for people on earth to pray for them to be released. I rely on My prayer warriors for all the rosaries that you pray each day. Your prayer time is your special time with Me when I listen to your prayer intentions. You always are praying petitions for your relatives and friends in their sicknesses and operations. You also can give Me praise and worship in showing Me your love. When your prayers are answered, you can pray prayers of thanksgiving for all that I do for you. You even do special prayers for blessing your food, and you are praying your long form of the St. Michael prayer for your families in their addictions. I watch over you at all times, especially in your travels to evangelize souls. You have many reasons to

pray your rosaries, and I thank you for all the souls who are benefitting from your prayers."

October 23, 2014
Wednesday, October 8, 2014:
Jesus said: "My people, you have read about the Tetrad blood moons as an unusual occurrence of four blood moons that fall exactly on the Jewish feast days of Passover in April, and the feast of Booths today in October in the years of 2014 and 2015. This is only the ninth time that this has occurred since My birth on the earth. When this has occurred, there were great events happening in Israel. This is why there will be another big event happening in Israel during this time of the four blood moons. Another occurrence will be the seventh year of the Shemitah after America's stock crash in 2008 that will occur in September of 2015. The Jewish Shemitah year begins on September, 2014 and ends on September, 2015. America has seen dramatic financial disruptions in 2001 and 2008. This coming 2015 will continue to haunt America's finances because of its abortions, homosexual marriages, and all the living together in fornication without marriage. My punishment of America will be carried out by the one world people, as your freedoms will be taken away when the North American Union is formed. This is why I have been warning My faithful to have their backpacks ready for when I will tell them to leave their homes for My refuges. The religious persecution will become so severe that the lives of all Christians will be in danger."
Jesus said: "My people, you have seen a lot of earthquakes in California, but most of them have been 3-4 on the Richter scale. Recently, you have seen several earthquakes of 6.0 or more off the coast of California. This could be a sign of an increase in earthquake activity in this area. You will be traveling to California, and you need to keep praying your Masses and prayers for the reparation of souls who could die suddenly in California earthquakes. Many souls are not prepared to die in the coming severe earthquakes. This is why these souls need prayer advocates to save them from hell. These souls will thank you for saving them from hell. The one world people have been planning to cause earthquakes in California and the New Madrid fault, so they could trigger a possible martial law as a result. Keep praying for souls, as you are advocates for

those who will die in any disasters."

October 23, 2014
Thursday, October 9, 2014: (St. Denis and companions)
Jesus said: "My people, today's message is about My Real Presence in My Blessed Sacrament, and how important it is to give Me reverence in My Body and Blood of the consecrated Host. You rarely hear any preaching of My Real Presence because many do not believe that I am truly Present in My consecrated Host. Even among Catholics, there are many who do not believe in My Real Presence. In the vision there is a darkness of evil before My Host, because the devil wants to hide Me and discourage your belief in My Real Presence. At the Consecration in the Mass, the priest consecrates the Hosts, and this bread is transubstantiated into My Real Body and Blood. At this point My angels come and adore Me on the altar. Even for priests who do not believe in My Real Presence, I have given miracles of My Eucharist where My Blood physically appears on the Hosts to take away their disbelief. I ask My adorers to visit My tabernacle containing My Hosts, or to adore and praise Me with My consecrated Host in the monstrance. Even when you come into church, or go in front of My tabernacle, you should genuflect in reverence to honor My Real Presence in the Hosts there. By your reverence for My Blessed Sacrament, you are giving witness to others of your true belief that I am present in My consecrated Hosts. Give thanks and praise to Me that I am always with you in My Blessed Sacrament, since this is My most precious gift to you that you can receive Me intimately into your soul. Be sure that you receive Me in Holy Communion without mortal sin, so you do not commit any sin of sacrilege."
Prayer Group:
Jesus said: "My people, originally, the one world people were going to put four dead bodies in the large black plastic containers, and then they would cremate the whole container. This was intended for use in killing those people who would not go along with the new world order. There are now new plans to use these same black containers to hold the bodies of those who will die from ebola or any pandemic deadly virus. This will contain the disease and the hot fire would cremate bodies and kill any virus. My faithful need to come to My refuges and look upon My Luminous Cross to be healed of any deadly virus. Pray that your

people can contain this virus."
Jesus said: "My people, America's economy is progressing, but Europe and other areas of the world are slowing down. With all the news of wars and ebola spreading, there have been up and down stock markets. A strong dollar is making American goods more expensive. You are seeing the beginning of some fears in your markets that are causing the selling. This month of October has a bad history of stock reductions in price. Pray for your people's jobs, because there are plans of the one world people to crash your markets and change your dollar into strategic drawing rights, which will be a common basket of world currencies."
Jesus said: "My people, I have asked you to store up to a year's supply of food in case your food stores are shut down for a number of reasons. You could have a power outage from a bad winter, a deliberate turning off of electricity by the one world people, or a deliberate or natural EMP (electromagnetic pulse) attack that could put your electricity out for a long time. This is why I have warned you to have food and water for a long time. If your lives are endangered by gunmen looking for food, you may have to come to My refuges sooner."
Jesus said: "My people, after the terrorists struck your buildings with airplanes in 2001, many people were scared for their lives, and they came to your churches. You may again see some serious incidents that could bring people back to church. When people feel threatened, they at times come to Me for help. Once the danger passes, the people return to their old ways. Now is the time to pray for souls who could be killed suddenly in any number of disasters."
Jesus said: "My people, while it will be a happy experience to meet old friends, your people will realize that it will be good to learn about the safety that you will find at My refuges. Your red cord will add more parts of My network of believers so you all can keep in touch with each other. You are living in dangerous times, and many of those who receive messages, will share My words of warning for the coming tribulation. Be attentive and be ready to make preparations for what is coming."
Jesus said: "My people, not all of the people realize that you are dependent on Me for all of your needs. There are going to be some serious things happening that you will not always be able to handle on your own. It will be in these coming trials that you will have to put your full trust in Me to provide for your daily needs. The evil events will become so severe in persecutions, that you will need to follow your guardian angels to My refuges of protection. Do not delay in leaving your homes, once I warn you that it is time to come to My refuges."

Jesus said: “My people, I have informed you of many serious problems that will be occurring as you come close to the tribulation. I have told you many times not to be afraid of the evil ones, because I am always in control, and My angels will defend you from the demons. Those, who are fearful, are lacking in faith and trust in My power. Those, who are at peace, have My grace of faith, and they are trusting in My protection. When the fearful ones come to My refuges, you will have to calm them down with counseling to show them how they will be provided for and protected by My angels. Keep praying for My help, and have full trust in My power when you come to My refuges.”

October 23, 2014
Friday, October 10, 2014:
Jesus said: “My people, this vision of the Statue of Liberty against some black water, represents a reflection in a mirror of all the sins of America that I am forced to look at every day. You look at your image in the mirror, but think if you could see your soul’s reflection. Many of you would see the darkness of your sins. In this vision you are seeing a reflection of the sins of your country on the soul of your country, represented by the Statue of Liberty. In New York City you have seen your punishment in 2001 with the destruction of your trade towers. In 2008 you saw another punishment in your stock market crash on Wall Street, not far from ground zero. Your harbingers will continue, and America could see another market crash in this year of the Shemitah (2014-2015). Your people are spiritually blind to not see all of your sins in your abortions, same-sex marriages, and many living in fornication without marriage. If you truly looked close in a spiritual mirror, you would see how sinful America is, and how its sins are calling down My judgment. Individual sinners can repent and be saved, but America is lost as Sodom and Gomorrah, and you will receive My punishment.”

Saturday, October 11, 2014

October 23, 2014
Saturday, October 11, 2014:
Jesus said: “My people, this pillar of fire which led the Israelites in the desert, is

now leading My Church. It represents the fire of the Holy Spirit leading My faithful through the darkness of sin in this world. The devil and sin has blinded many people with addictions and the pleasures and comforts of this life. Many people do not understand that as I suffered in this world, My faithful will suffer with Me also. I have been preparing My people for the coming tribulation, which many people do not want to know about. I have been calling some faithful people to prepare refuges that will protect My faithful from the evil ones who want to persecute and kill all the Christians. You will be enduring a modern day Exodus, where My people will take their backpacks, and be guided by My angels to the nearest refuge. This means leaving your homes and comforts behind, and coming to My safe havens to protect your bodies and souls from persecution and martyrdom. You will be living rustic lives at My refuges, but I will make saints out of My faithful by stripping you of your money and your possessions. Many may not want to live this hard life, but if you remain in your homes, you will face the men in black who will kill My believers in the death camps. This is why I am asking My faithful to support My refuge builders in their expenses because the money will be lost anyway under the Antichrist. If you know places of refuge, you could help them in any construction and pray for these builders. Many will seek refuges as places of safety, so be generous to help the builders in their time of need. Remember that they will be helping you, as I have led them to build a refuge."

Sunday, October 12, 2014

October 23, 2014
Sunday, October 12, 2014:
Jesus said: "My people, over the years you have seen many wars fought for physical freedom from evil tyrants. Now, you are seeing a time when I will allow evil a brief reign over the earth. You will not be able to fight this evil with guns, but I will provide a safe haven of refuge for My faithful. You are experiencing a spiritual battle of good against evil. In this battle, your weapons will be My Blessed Mother's rosary. I have told you that a wayward soul could be saved by a prayer advocate. I will send My angels to protect you, and give you spiritual freedom from the devil's attacks. You will have spiritual freedom from evil at My refuges, in My Era of Peace, and eternally in heaven. You are seeing a battle for each soul as the demons do not want to let souls go free. It is by exorcism by

a priest, or by deliverance prayers as the long form of the St. Michael prayer, that demons of addictions could be cast out of possessed souls. Do not give up on any soul, but be persistent in your prayers for your relatives and friends, who may be away from Me. Many of your prayers for conversions may be answered after the Warning, when souls will be more open to seeking My forgiveness in Confession. You need to join in this battle for souls every day in your daily rosaries. Call on Me and I will answer your requests to save souls."

October 23, 2014
Monday, October 13, 2014:
Jesus said: "My people, in My mission on earth I would give the people parables, but they did not always understand their true meaning. I gave My apostles the explanations of My parables so they could have the full meaning of what I was teaching them. For example, I gave a parable about the Sower, and I told My apostles that the seed represented the Word of God, and how various people received it. Even today, you read the Scriptures with My explanations, and people have different reactions and understanding of My Word. I want My people to not only read and hear My Word, but I want them to act on it out of love. I give various talents and graces to different people, so some achieve great works for Me, while others are not drawn to achieve much because of their little effort. Strive for the higher levels of heaven by giving your best efforts to evangelize souls. I also look into your hearts to see how each person reacts to the good and bad events in each person's life. When you have everything going well, it is easy to respond positively to such events. It is when I test you with sicknesses, deaths, or injustices, that it is difficult for most people to handle. Some people are graced with My peace, and they are not disturbed, even though they react with love and compassion. There are others who are even resentful of Me that I would allow bad things to happen to them. Still others are critical of those who bother them, and they do not always have love for those who are causing them problems. It is not easy to love your enemies, but you should love everyone, even though you may hate or dislike the actions of others. I want My people to realize that I am watching all of their reactions to life's events, so put more love in your responses, so you can keep My peace in your soul without being disturbed."

Jesus said: “My people, there are many monasteries that have adored My Blessed Sacrament for many years. These monasteries are places of holy ground that will be refuges for My faithful to come during the tribulation. Some of them are aware of the end times, and they are preparing extra food and bedding that will be needed by those who come here. The monks and nuns in different monasteries have been faithful to Me in all of their daily services and duties. This monastic life will be a good example for all the pilgrims who are directed by My angels to such monasteries. At all of My refuges there will be Perpetual Adoration. If they have priests, they can have daily Mass. If there are no priests, My angels will provide daily Holy Communion to everyone. Where no food or bedding has been planned, My angels will provide what is needed by My faithful. My angels will guard over My refuges so only My faithful with crosses on their foreheads, will be able to enter. The angels will shield My refuges from any evil ones. My faithful will endure this rustic life for less than 3½ years. Rejoice when I will bring My victory over all the evil people of this evil age. I will cast the evil ones into hell, then I will renew the earth, and then I will bring My faithful into My Era of Peace.”

October 23, 2014
Tuesday, October 14, 2014:
Jesus said: “My people, you are seeing the tablets of My Ten Commandments in front of you, but you are a also seeing a black veil being placed over them as the devil’s attempts to hide the truth of My Law. I told you that I came on the earth to fulfill the Law, and not to change it. It is true that I love everyone, and I want everyone to come to church. You all know the Ten Commandments, and if you commit a mortal sin, then you need to confess any serious sin in Confession before you can receive Me in Holy Communion. All those who have mortal sin on their souls, commit a sin of sacrilege if they receive Holy Communion. You are hearing about discussions about the sexual sins that are under My Church’s understanding of the Sixth Commandment. Let there be no doubt that fornication in living together, adultery of relations with other men or women, and homosexual acts between two men or two women, are all mortal sins in My eyes. Any people who claim that these acts are not mortal sins, are committing heresy in My eyes. I always accept sinners to come to Me for forgiveness. Same

sex marriage is an abomination in My eyes, and I am the judge of this, and it should not be accepted in My Church. My faithful remnant need to stand up for their true beliefs in My Law, and even defend My Church from any heresies. I have given My laws to be obeyed, and not to be rationalized or glossed over by a make-believe love. If you truly love Me, and do not want to offend Me, you will obey My laws, and have your mortal sins confessed in Confession."
Jesus said: "My people, in your previous cold war with Russia, you had a clock that moved closer to twelve o'clock when there was a threat for nuclear war. Now, your clock is moving closer to twelve o'clock because you are moving closer to the Warning, and the coming of the Antichrist into power. I keep telling you to prepare for My Warning by coming to Confession at least once a month, to keep your soul pure so you do not see your mini-judgment to hell. Not only is My Warning coming soon, but you are also seeing the other signs that I warned you about before the Antichrist declares himself. You are seeing farmers finding it hard to grow crops with bad weather conditions that are leading up to a world famine. You are seeing potential signs of a division in My Church between a schismatic church and My faithful remnant. The schismatic church will teach New Age teachings and that the sexual sins are no longer mortal sins. You are also seeing signs for a coming martial law in a potential crash of your dollar, a pandemic virus like ebola that could be transmitted through the air, and potential ISIS terrorists that could kill people in America. Another sign is the coming mandatory microchip in the body that will be demanded by your new health care law. With all of these signs at the door, you can easily see that your country is about to be taken over, and the Antichrist will soon come into power. Trust in Me because I will protect you from the evil ones, and I will provide for your needs."

October 23, 2014
Wednesday, October 15, 2014: (St. Teresa of Avila)
Jesus said: "My people, I have given you the gifts of the Holy Spirit in My sacraments of Baptism, Reconciliation, Holy Communion, and Confirmation. You have also inherited the weaknesses of the flesh from the fall of Adam. This is why St. Paul expresses the conflict between the desires of the body and the desires of the soul. You all know My Commandments, but they are truly your

guides for love of Me and love of your neighbor. You need to let the Holy Spirit guide you in your daily actions. You are striving for perfection with an imperfect body, but you can call on My help to lead you on a path of holiness, as St. Teresa is another guide for you. You need to examine your conscience of your previous sins, or of the sins that you repeat the most. Try to work on avoiding any occasions of sin, and understand how the devil leads you into any temptations of that sin. Try to keep My peace in your soul so you do not allow people or events to upset or disturb your peace. Through daily prayer and frequent Confession, you can keep your soul pure and focused on imitating My life. From time to time, you need to make an assessment if you are improving in your faith, or if you are falling back into your old sinful habits. If you want to work toward your perfection with My help, you need to be improving over time. Keep praying to Me to help you with any habitual sins, or if necessary you may need counseling from a priest or a medical professional. By knowing and recognizing your sins, you can work to minimize them in your spiritual life."

Thursday, October 16,2014:(St. Margaret Mary Alacoque-Sacred Heart)
God the Father said: "I AM WHO AM, and I am happy to greet My pilgrims on their journey of life to follow Me and My Ten Commandments. I want to address My prophets and messengers, so they will go forward and proclaim My Word. You are living in an age of confusion that is caused by the devil. I gave Moses My Ten Commandments of love of God and love of neighbor. You know that it is against My Fifth Commandment to kill the unborn or others. You also know in My Sixth Commandment that it is a mortal sin to commit fornication, adultery, or homosexual acts. Some people are implying doubt in My laws, but they are not to be changed or modified for a better hearing. My prophets need to speak out in defense of My laws, because those, who want to change My laws, are heretics, and they should not be followed. Give glory and praise to Me as I watch over My people. I will forgive all repentant sinners, but woe to those who try to mislead My faithful, because they are walking on a path to My judgment to hell. I love all of you, but you need to love Me, and obey My Commandments in order to enter heaven."

Friday, October 17, 2014: (St. Ignatius of Antioch)
Jesus said: "My people, you are seeing a battle of good and evil. I am showing you this dark, empty church because you are seeing the result of the evil one's work in closing many churches. Every closed church is a lost grace of My sacraments. Some of these churches are being closed for a lack of faith in the people who have stopped coming to Sunday Mass, and for fewer vocations to the priesthood. In the Gospel, I am warning My faithful to avoid any evil people who can draw people into hell by their teachings and evil powers. The one world people worship Satan, and they are following his orders to kill people. Some of them also can control souls, if they give their will over to Satan and the demons. When souls die and are brought before Me in judgment, I give them one last chance to accept Me as Savior, and seek My forgiveness of their sins. Only those, who refuse My love and refuse to follow My laws, send themselves to hell. My angels will cast these evil ones into hell. I love everyone, and I call all souls to love Me and seek the forgiveness of each person's sins."

Saturday, October 18, 2014: (St. Luke the evangelist)
Jesus said: "My people, you are so taken up with 'breaking news', but your news is old and forgotten before the day is over. When you read My 'Good News' in the Gospels, as St. Luke, My Word lives on forever. Your news quickly passes away, but My Good News will always be remembered, and acted on. When I asked you to read the New Testament, it is to help you in your daily lives so you can follow My Word in how I lived. Today, you are blessed to be here in front of this glorious Luminous Cross that appears without any light source. Many people have been healed here to give witness to My healing power in My cross. You will also see miraculous healing in the Luminous Crosses in the sky above My refuges. As you look upon My Luminous Cross, you will be healed of all of your viruses, or any other sickness or chronic problems. Give praise and glory to Me for all that I do for all of My faithful, both now and during the tribulation."

Sunday, October 19, 2014: (Mission Sunday)
Jesus said: “My people, more demons are coming out of hell to possess or attach to people because of their increasing reliance on addictions than relying on Me. You are seeing fewer people coming to Mass because these demons are encouraging spiritual laziness. My people, be alert to keeping My peace in your souls without letting anything control you, or disturb your peace. You are seeing the need for so much prayer to break all addictions which are getting worse in this evil age. My faithful need to keep focusing on their daily prayers, and wear their blessed sacramentals of rosaries, Benedictine Crosses, and scapulars. You need to call on Me, the angels, and the saints to protect you from all the demons that are present. My power is greater than all of the demons, so call on My power, and do not be misled by any powers of the evil ones in New Age or any transcendental meditations. Avoid Ouija boards, enneagrams, or any other occult practices, so you do not open yourselves to demon possession or obsession. Trust fully in My protection because you should not fear the evil ones, since you are living your faith in My trust. Give praise and thanks to Me for all of My protection. Those, who worship occult gods and crystals, are being led by the demons into hell. Continue to follow Me, and you will have your reward in heaven.”
Jesus said: “My people, this vision pictures a tiled roof like those found in California. In the next scene I showed you a massive tsunami of water that flooded the Western coast. This would be triggered by a substantial earthquake under the ocean. You have been expecting a large earthquake in California or offshore for some time. I have shown you a serious earthquake around San Francisco over four times. I also have told you that the one world people are planning to use the HAARP machine to create a massive earthquake in California or the New Madrid fault. When this event happens in California, it will not come as any surprise. Keep praying your Masses of reparation for those souls who will die suddenly in any disasters.”

Monday, October 20, 2014:

Jesus said: “My people, your Gospa group has presented you with a beautiful weekend at the Luminous Cross in Thermal, California. You have been given many graces from the conference speakers that have enlightened your minds and hearts. You need to give thanks to Me and thanks to all the people who have prepared for this conference. This Gospa ministry has required prayers and contributions to keep it going. Those, who have been helped by this ministry, should desire to give thanks by helping to support this ministry with as much as you could donate. You are seeing in the Gospel how all of your wealth and possessions have been given to you from Me. You are only stewards of My gifts, so be willing to share your gifts with others. Do not be selfish with your money because soon your money will be taken from you. America has been given many gifts of wealth and freedom, but your many sins of abortion and sexual sins are calling on My justice. Your desire for pleasures and riches have blinded you from your true mission of doing My Will. Because you have made these things into idols or gods, you worship worldly things more than Me. This is why I will bring a chastisement upon America because many of you have lost your spiritual way. My coming Warning will wake you up to know that I am in charge of the world. You need to repent of your sins and convert your lives to follow Me, or you could be on the road to hell. See My Light and come to your Lord who loves you, because I do not want to lose one soul. When you repent and follow Me, you will have your reward in heaven.”

Tuesday, October 21, 2014:
Jesus said: “My people, when you come to church, you know it is holy because I am Present in My Hosts in My tabernacle. This is why you need to have souls free of mortal sin in order to receive Me worthily in Holy Communion. You are tabernacles of My Real Presence until the Host is consumed. Because I am always Present in My tabernacle, you can come to visit Me, and give Me praise and worship. It is unfortunate that My churches are not always open so you can make visits at any time. You know of some churches that are open, and I am like an oasis of grace that I share with you for visiting Me. Not all Catholics believe that I am truly Present in My Blessed Sacrament. I have an extra love for My adorers, who believe in My Real Presence, and visit Me often. I rely on My

prayer warriors to pray for all sinners so they have the opportunity to be saved. By being persistent in your prayers for your relatives and friends, you could be instrumental in bringing them to Me. It is at your death that your soul has to repent of your sins, and accept Me as your Savior, in order to enter into heaven. Rejoice, My faithful, when you will be purified to enter the splendor and beauty of heaven, where you will be enveloped in My love as One with Me."

November 6, 2014
Wednesday, October 22, 2014: (St. John Paul II)
Jesus said: "My people, I have told you many times that a division will come in My Church between a schismatic church and My faithful remnant. This tree that has been cut down, is a decayed traditional church, that will be replaced by My faithful remnant who will pray and have some Masses in the homes. You will see My faithful come under attack from a schismatic church and your atheistic government. The schismatic church will teach New Age which worships things, and they will teach that the sexual sins are no longer mortal sins. Christians will be targets from the evil ones, very much like the Jews became second class citizens in Germany under Hitler. This is why you will have to hold any Masses and prayer groups in secret at your homes. As the persecution gets worse, eventually, you will need to leave your homes for My refuges during the tribulation. Do not be afraid of the evil ones. Some faithful will be martyred, and become instant saints in heaven. The rest of My faithful will be protected by My angels at My refuges. Be patient, for soon I will bring My chastisement that will cast the evil ones into hell, while My faithful will be brought into My Era of Peace."
Jesus said: "My people, you all are familiar with how people in jail are restrained from their freedom. My people, who are captivated by addictions, sins, and the world's pleasures, are also restrained by their bodies. I came to the earth to free all sinners from the bonds of their sins. When you give yourself over to sin, you become a captive of the devil's territory. When you come to Me

in repentance and give your will over to Me, I will release you from your earthly shackles, and I will open your prison gate to enjoy My freedom of love. Once you renounce worldly pleasures and desires, you will crave to be with the God who loves you. When you follow My Light, I will disperse the darkness of depression and despair. Your soul craves to be with Me because I offer you love and peace in your soul. You can only find peace with Me, and your soul desires to be in My Presence. This life is passing away, but My reward in heaven will last for all eternity. You would much prefer the One who loves you, rather than the devil who always hates you. I keep telling you not to let any addiction control you, or take you away from focusing on Me as the center of your life. When you allow Me to lead you through life, you will experience My spiritual freedom. Remember that I died on the cross for all of you, so you all could have salvation from your sins. I call you to live a holy life of prayer and frequent Confession, so you can carry out the mission that I have given you. Your soul finds spiritual satisfaction in all that I do for you. Continue to seek Me in love in all that you do."

November 6, 2014
Thursday, October 23, 2014: (St. John of Capistrano)
Jesus said: "My people, I wish that all of you were burning with the fire of love in the Holy Spirit. Those, who are on fire for love of Me, God the Holy Spirit, and God the Father, have all that you need in this world to reach heaven. By repenting of your sins and giving your will over to Me, you are ready and willing to carry out the mission that I have given you. Not all people have this same love for Me and fervor in faith. There are many people who worship worldly things than Me. The atheists and non-believers will ridicule you, and even persecute you for believing in Me. Despite this division between My faithful and the non-believers, I call on My people to stand up for your belief in Me. You need to be shining examples of how Christians should live with humility and kindness. I bring peace into your hearts and souls, but it is the devil who brings division with his rejection of Me. My call is for all of you to love one another, but you may be divided against the non-believers who follow the world and the devil, instead of Me. It is the evil one who spreads wars and disobedience of My Commandments. You are to love your enemies, even if you disagree with their actions. At the judgment, all the evil doers will be cast into hell, but My faithful

will have their eternal reward in heaven."
Prayer Group:
Jesus said: "My people, you are seeing several suspected cases of ebola in various parts of your country. Most of these cases are care givers who were assisting ebola patients. There is a concern about people coming into your country from the three African countries that have cases of ebola. Your health people are starting to track all people from these countries who come to America, especially if they have fevers. It is hard to purify planes from any contamination. It might be better to have passengers fever free before boarding any planes. Your researchers are looking for a fast test for ebola, and are considering any possible cures. Pray that this epidemic can be contained."
Jesus said: "My people, you have seen two attacks on Canadian police with at least one fatality. Both incidents appeared to be Moslem converts who were intent on killing policemen. These incidents have caused Canada and America to go on high alert for any terrorist attacks. It is apparent that ISIS wants to bring their attacks into Western countries. Your people need to be alert for any further terrorist attacks. These are fear tactics to upset your people. Trust in Me to protect you from such incidents."
Jesus said: "My people, for all the publicity of your air attacks, it is not clear that they are slowing down further ISIS takeovers. In some cases where there are sufficient ground troops, these bombings could be helpful. Until there is sufficient resistance to ISIS troops, their takeovers will continue. Pray for a lessening in hostilities, but this war could last for a long time."
Jesus said: "My people, you have already seen one incident in Illinois where an early voting machine was changing Republican votes into Democrat votes. Your voters need to be able to see that their votes are not being changed by the voting machines. You have seen such fraud occurring in the last two elections, and it may continue with your current election as well. Those, who control these machines appear to have an agenda to continue this cheating. In some cases it may be difficult to verify that your vote is being manipulated. You are concerned about fair elections in other countries, but you need to investigate vote fixing in your own country."
Jesus said: "My people, you recently heard a good speaker who was pointing out that your Bill of Rights in your Constitution was meant to protect your citizens from the powers of your government. You are seeing many of your freedoms gradually being usurped by liberal judges who have a leftist agenda. Even your President's Executive orders are superceding their power by controlling

regulations from your government agencies. If your Congress people do not fight such control, then you will soon see a dictatorship running your government. A takeover of your country is coming, and My faithful will need to come to My refuges of protection when your lives are in danger."
Jesus said: "My people, when you see your freedom of speech, and your freedom of religion restricted by persecution, then you are seeing the signs of the coming tribulation. Keep fighting for your rights before they are taken away. Once you allow your government and judges to control you, you will lose the battle for your freedom. Then you will be forced to come to My refuges for your protection."
Jesus said: "My people, I keep advising you about the preparations you could make when you leave your homes for My refuges. You may need masks for any deadly pandemic virus. You could use MREs (meals ready to eat) or survival tablets for the few days of travel to a refuge. A few bottles of water, windup flashlights, a change of clothes, along with tents and sleeping bags will be needed. By having your backpacks and supplies ready, you can leave quickly when I tell you it is time to leave your homes. Have trust in My angel protection for the coming tribulation."

Friday, October 24, 2014: (St. Anthony Claret)
Jesus said: "My people, this cross in flames is a sign that all those, who believe in Me, will be the targets of the evil ones who follow the Antichrist. You have seen ethnic cleansing in some countries, but soon you will see the one world people trying to cleanse or kill all of My believers all over the earth. This is why I am providing My refuges as safe havens for My faithful so you will be protected from these evil ones by My angels. You already are seeing Moslems killing Christians in other countries. This persecution of Christians will bypass your citizen rights as you will see a takeover of your country by ruthless people led by Satan and the Antichrist. Know that this persecution will endanger your lives, and be prepared to leave your homes when I give you a warning."
Jesus said: "My son, I told you that you would be seeing one event happen after another in rapid succession. Your events are happening so fast, that there is a need to give an update to your DVD talk. You have started to work on your next talk, and I want you to remember to pray your St. Therese 24 Glory Be Novena

for its success. As the events of My messages are becoming clear to many observers, this is why you are seeing an increased interest in your books and DVDs. Your DVD is better at giving a big overall picture of things than reading the chronological order of the messages. The index in your books helps people to find the various subjects that they may be interested in. I have given some messages that are emphasizing how little time is left before you may have to come to My refuges for protection. Take some time to complete this new talk, so you will be able to translate some of this in a Spanish talk."

Saturday, October 25, 2014:
Jesus said: "My people, in older days you saw people build the Tower of Babel, but because these people were doing it out of pride and arrogance, I brought various languages among them as a punishment. Even today, most of your towers are built by banks, insurance companies, or corporate headquarters. It is really a display of power, money, and prestige. When your trade towers were brought down, this was a strike at your financial influence. As a nation, America is headed down the wrong path, when you legalize abortion, same-sex marriage, and smoking drugs. Pornography and casinos are further signs of your decadence. Because your country is not repenting of its sins, you are calling My punishment down upon you."
Jesus said: "My people, you all have a choice to accept Me in love or not, but those, who love Me, need to accept My Commandments of love of Me and your neighbor. All of My Commandments are your guides to live a good Christian life. In your charity, you need to help your neighbor and support My Church. When people ask you for help, you need to reach out in love to provide your services for their needs. The more that you share your money, time, and talent, the more treasure you will store up in heaven for your judgment. I love all of My children, and I thank you for coming to Mass to give Me praise and worship. You are not alone in this world, but you are part of My human family in sharing with each other."

November 6, 2014
Sunday, October 26, 2014:
Jesus said: “My people, in today’s Gospel I answered the man who wanted to know which is the greatest Commandment. Moses was given the Ten Commandments, but they are all based on love of Me, and love of your neighbor as yourself.(Exodus 20:1-17) I want to enumerate the Commandments for your understanding. The first Commandment tells you not to have any gods or idols before Me as sports, fame, or possessions. The second Commandment tells you not to swear or take My Name in vain. The third Commandment tells you to keep Sunday holy by coming to Mass, and to avoid working as much as possible on My day of rest. The fourth Commandment tells you to honor your parents, and to take care of them in their old age. The fifth Commandment tells you not to kill others, especially in abortion. The sixth Commandment tells you not to commit adultery, fornication, homosexual acts, or prostitution. The seventh Commandment tells you not to steal, cheat, or embezzle your neighbor. The eighth Commandment tells you not to lie or gossip about your neighbor. The ninth Commandment tells you not to be envious or desire your neighbor’s wife. The tenth Commandment tells you not to be envious or desire your neighbor’s possessions, money, animals, or anything else. Remember that I love everyone equally, as I died for all of you on the cross. I want you to love Me as well, because all creation is centered around Me. I created every person, and all the planets, stars, and even the angels. I created everything to be in harmony with My will. You all have free will, but your actions will determine your eternal destination, whether in heaven or hell, by your own choice.”

Monday, October 27, 2014

November 6, 2014
Monday, October 27, 2014:
Jesus said: “My people, in the fall you think of how the farmers are harvesting their crops so you can have your food to eat. As you travel all over the country, you see the corn, soybeans, and wheat in the fields. In California they are doing everything to control water loss by using plastic sheeting, because of the drought. It is your farmers that provide your food, yet they are abused by your processors and bankers. You need to be thankful for your harvest every year, because the farmers have to deal with poor growing conditions at times. There is a physical harvest of food now, but at some point you will see a harvest of souls.

There is a battle going on between the devil and Me for souls. A fair number of souls are lost to the devil because of people's addictions to pornography, drugs, alcohol, computers, and gambling. This is why I keep telling the people not to let anything control them. It is hard to keep peace in your soul if addictions with their attached demons, are pulling you away from Me. At the last judgment, you will see the great harvest of souls, and this is why I need prayer warriors to evangelize souls before they are lost. I need more people to go out into the vineyard of souls to bring them home to Me. My people need to strive for heaven by giving their will over to My service so they can have their reward in heaven."
Jesus said: "My people, in various parts of the world you are seeing wars and acts of terrorism. Some factions in different countries are struggling to control more land from their neighbors, with the Middle East and the Ukraine having the most trouble. You also are seeing a general struggle between Moslem and Christians over how to live their lives. There is another struggle between those who believe in Me, and those who do not believe. It is the atheists who are more outspoken, and they fight against any mention of Me in public places. Many college students are finding it difficult to practice their Christian faith, with so many teachers and professors that openly put Me down as not even existing. With such a current Godless and hedonistic society, it is hard to live a good Christian life without being criticized and even persecuted. As you approach the tribulation time, be aware that Christian persecution will get much worse, until your only safe haven will be at My refuges. Evil will have a brief reign until I will bring My victory over all the evil ones. Be patient in your daily struggles, but be ready to leave for My refuges, when your lives are in danger of being killed."

November 6, 2014
Tuesday, October 28, 2014: (St. Simon & St. Jude)
Jesus said: "My people, in the vision you see how My rain comes down on the good and the bad people. This rain is a sign of how I died for everyone, so I can cleanse all souls, if they are willing to repent of their sins. The apostles were sent out to evangelize souls to be with Me. Even so, by Baptism and Confirmation, My faithful are also called to be evangelists. Even if you are not sent out to foreign lands, you can be a good Christian example to try and keep your family

coming to Mass on Sunday. You can also encourage your friends and fellow workers to come to church, or to become Catholics in your RCIA programs. You are all called to build up My Church with new members, so make an effort to reach out and share your faith with the people around you."
Jesus said: "My people, some of you have seen some serious flares coming off the sun from an active sunspot. So far you have not seen a large flare aimed at the earth. There will be more flares, as in the vision, but there will be minimal damage to any of your satellites or your power grid. You could do some research to check on any current or future flares. If such a large flare was directly aimed at the earth, you would see a large effect like an EMP (electromagnetic pulse) wave that could destroy your chips on earth so nothing would work that used chips. Such an EMP event would be devastating to all countries affected. This is just one more possibility for a power outage that will have an effect on everyone, depending on how long it would take to get your power grid working again. This is also why I asked My people to stock up on some extra food and fuel if you are without power for a long time. Trust in My help, even when you have to endure any kind of disaster."

Wednesday, October 29, 2014

November 6, 2014
Wednesday, October 29, 2014:
Jesus said: "My people, as you come closer to November, you are approaching the end of the Church Year with thoughts of your death, and the end days. In the Gospel I am talking about those who are coming to the Kingdom of heaven, and those evil doers who will not be allowed in. It is not enough to call Lord, Lord, to let you into heaven. You must repent of your sins, and accept Me as your Savior. You will be judged on all of your actions for your eternal destination. Your good deeds will help offset any punishment due for your sins. Not everyone goes straight to heaven after they die. Those, who do not go to hell, may have to spend some time in purgatory for the remission due for their sins. These people are the ones in the vision who are waiting at a train station for My train that will take them to heaven. Keep praying for the souls in purgatory because the feast day of All Souls' day is coming on November 2nd. As you put your friends and relatives' names in your Book of Remembrance, remember to keep their pictures around your house as well."
Jesus said: "My people, today you have a democratic republic with elections by

the people, and the Bill of Rights to protect your individual citizens from your government. Your government leaders are leading you down the path to a North American Union with Mexico and Canada. This coming new world order will be a dictatorial totalitarian state, that will take away your elections, and take away your individual rights because your Bill of Rights will be abolished. If you do not stand up for your rights, they will soon be taken away by another Executive Order that should not be allowed. The one world people, who are running your government, will soon try to force all of you to take a chip in the body. This chip will control the minds of those who take it. Refuse to take any chips in the body, and refuse to take any flu shots. You will have to come to My refuges soon, when the men in black will try to force chips on you. Call on Me when your life is in danger, and I will have your guardian angel lead you to My nearest refuge. The coming tribulation of the Antichrist will usher in an evil worse than you have ever seen. These evil ones will try to eliminate all believers in God, and those who are opposed to the new world order. This evil will last a short time before I will bring My victory over these evil ones, who will be cast into hell. My faithful remnant will be protected and brought into My Era of Peace."

November 6, 2014
Thursday, October 30, 2014:
Jesus said: "My people, in both readings you are given examples by St. Paul and Myself to go forth and preach My Word to the people, even though you may be persecuted for doing so. St. Paul tells you to put on the armor of God, but it is a spiritual armor of faith and the Holy Spirit. For it will be the Holy Spirit who will give you the words to evangelize souls. You are facing demons from Principalities and Powers who can only be fought by My Word, and the sword of St. Michael, the archangel. Call on My help and My angels to assist you against the demons and the evil people. Do not be afraid to speak out, but shout My Word from the rooftops. Once the evil ones have their hour, you will need to seek My refuges for protection."
Prayer Group:
St. Meridia, said: "I am Meridia, and I stand before God as the guardian of your prayer group. I want to thank Fred for drawing my picture, and for all of you for placing it on the altar with the other archangels. You are fulfilling my request, and by looking on my image, you can remember me when you request petitions

from me. You have recently changed your prayer group meeting place, and this is a good time to see that I have been looking over you for many years."
Jesus said: "My people, there have been many scandals in your current government, and your President is having a low approval rate in your polling. Many of your individual rights have suffered under increasing regulation, and many of your people are just getting by, despite your elevated stock market. If there is any dissatisfaction with your government's direction, you will see it in your election results. Pray for your leaders that they will do what is best for your people."
Jesus said: "My people, I have been giving you some serious messages about the path that America is taking. You have some serious issues with your laws and decisions concerning abortion and same sex marriage. If you do not change your laws, these sins will bring your country down. You need to stop killing My babies, and your same sex marriages are an abomination, because I made man and woman to marry, and not same sexes. If America does not repent of its sins and change its ways, you will see My punishment brought down upon your country. Pray for your people to seek My forgiveness of your sins. I will forgive all repentant sinners."
Jesus said: "My people, in America you have seen most of your ebola patients contained and even healed in some cases, unless there are unreported cases. It is always hard to tell from your news if any new cases have been found. African countries are still experiencing an epidemic, and it continues to spread, even with some medical help. This epidemic is not yet contained, and it could spread more because of poor medical care. Pray for all the people who have the disease, and for those who have died from it."
Jesus said: "My people, your government is forcing its people to buy more health insurance than your citizens need. You have adopted a one insurance plan fits all, and you are even forcing people to pay penalties who do not join. Now, before your elections, the party in power is not telling you how high your health premiums will be raised. You have heard from other sources how many people will not be able to afford paying these high premiums that will be much worse than your previous plans, which you were not allowed to keep. This is another source of distrust in the lies of your leaders. Pray that your elections will correct the injustices in this health care law."
Jesus said: "My son, you have been faithful in your novena prayers for the success of both a new English and a new Spanish DVD. You have worked hard to gather your plans of what messages to share on your current events. Continue

your work and your prayers, and I will help you to bring it to the people who need to hear My messages. Call on the Holy Spirit to give you the right words to share with My people."
Jesus said: "My people, tomorrow is really a hallowed eve of All Saints' Day on November 1st. Halloween has become a day of praising evil with your emphasis on witches, demons, and goblins. Instead of giving credit to the evil one, your costumes should not look so sinister. You give candy and treats to the children, but look more to honor My saints than to give acknowledgment to the evil spirits. There is enough evil in your world already without glorifying evil in witches and the demons. Give praise and glory only to Me because these evil ones will eventually be cast into hell."

Friday, October 31, 2014:
Jesus said: "My people, you are seeing the leadership of your country doing everything to bring your country down, so the one world people could take it over. Without a strong military presence, your people will be a prime target for Russia and China. Elements in your leadership want to get rid of all of your nuclear weapons, and to get rid of your generals who do not go along with the new world order. This same leadership is trying to bankrupt your country with supporting too many people who are not working. Your country is also being dismantled spiritually by encouraging abortion, same sex marriage, and legalized marijuana. These plans of your leadership are a recipe for America's downfall. You are headed for a socialist state, which is just a step away from a totalitarian dictatorship. If your people do not revolt and take back your country physically and spiritually, then soon you will become prisoners of the North American Union. The one world people have sold you out to China, and your leadership is following these evil orders. Without some kind of change around in your government, your country is finished as a free nation. My faithful will suffer much persecution at the hands of your corrupt government, so that your only protection will be your fleeing to My refuges. Trust in My help because soon these evil ones will be cast into hell."

Saturday, November 1, 2014: (All Saints' Day)
Jesus said: "My people, there are many everyday people who become saints in heaven, and who people do not know. You are more familiar with the names of your canonized saints, but there are many more saints, and they are still coming, after being purified in purgatory. In the first reading from the Book of Revelation, there will be more saints coming to heaven from the tribulation time. Those people, who are faithful and live in the tribulation time, are the souls who are washed and are wearing white robes. These people are My special saints who will live in My Era of Peace after My victory over the evil ones. Those people, who have endured the trials of the Antichrist, will be rewarded in My Era of Peace, and later in heaven. My faithful need to be patient a little longer before you will have your reward for all that you are going through now, and later for My Name's sake. Rejoice in My Communion of saints on earth, in purgatory, and in heaven."
Jesus said: "My people, your weather has been relatively calm, but this vision of a downpour of rain at night, is a sign that your weather is changing because of a change in the jet stream winds. Many parts of your country are witnessing colder than normal temperatures. Your cold weather will be coming in waves as each change will bring you closer to winter weather. You need to start preparing for winter by having your warmer clothes ready, along with hats and gloves. As you go out in your van, remember to pray your St. Michael prayer in the long form, and have your travel plans ready. The evil ones will try to block you in your mission, so be careful driving, and call on My help and that of My angels. As you get closer to winter, you will encounter worse weather conditions. Keep praying and trusting in My help to get you where you can give your talks."

Sunday, November 2, 2014: (All Souls' Day)
Jesus said: "My people, if you have visions of your relatives, or you have some communication from the souls in purgatory, then you need to pray for them. The souls in purgatory suffer greatly in their purification. They are saved, and they will one day be with Me in paradise. Some suffer flames in lower purgatory, and

some suffer mostly from not seeing Me, or not feeling My love. Some of your relatives could be in purgatory, so continue to pray for the poor souls, especially for your own family members. If you have Masses said for individual souls, this could alleviate their suffering the most. These family members still want you to have their pictures around to remember them. I love all souls, and I want My faithful to keep trying to evangelize fallen away souls so they can be saved from hell. Even if you could get them into lower purgatory, they could see Me one day, which is better than being lost forever in hell. Eternity is a long time, and you do not want to see any of your family lost in hell."

November 6, 2014
Monday, November 3, 2014: (St. Martin de Porres)
Jesus said: "My people, you remember your history, how the Early Christians had to hide in the catacombs from being killed by the Romans. Just as Christians were being killed in the early days of the Church, so in the end days, Christians will again be threatened with martyrdom. This is why the vision is showing you people hiding in caves and underground bunkers. The evil people will have their hour during the coming tribulation, so you will see persecution of Christians getting worse from your government. This will be manifested when you see the enforcement of mandatory chips in the body. As you see the signs when your life will be in danger, I will warn you that it is time to come to My refuges. Do not worry about leaving your homes and possessions behind, because your money will not help you, if you do not have a chip to buy and sell. At My refuges you will find My angels protecting you, and you will have bedding, food, and water to survive. Trust in My protection, but there will be some who are martyred for their faith."
Jesus said: "My people, in these end times many people are receiving messages from Me, and they are recording them in a journal as you do. Each messenger has a different mission, so do not criticize other visionaries for what they are receiving. Each of you are prophets for the end times, so it is wise not to read other people's messages. It is up to My Church to be watchful of any publications, since it is good for My messengers to have a spiritual director, as a priest. You can test the fruits of a person's mission to see if they are from Me. My messengers should be obedient to Church authorities as priests and bishops.

As the tribulation is almost upon you, you are seeing many of My messages fulfilled. Continue to have a good daily prayer life, so all of My messengers can keep close to Me in following their missions."

November 6, 2014
Tuesday, November 4, 2014: (St. Charles Borromeo)
Jesus said: "My people, many people speak about the eyes as being a window to the soul. I want all of you to be open windows to welcome people into your life, and to love everyone without discriminating. You are seeing the many windows in an apartment building in the vision. If all of you were open and loving, you would not have so much crime and so many wars that you have in your world today. Love of neighbor means sharing with each other in money, time, and talent. You cannot just speak the words, but you should carry it out in your actions. The greatest sharing of all is to share your faith in Me with other people. You could even work to evangelize souls, so you could save souls from going to hell. Saving souls should be your greatest desire to build up My Church, and to help your neighbor for all eternity. This gift of faith is a blessing for anyone to give or receive. I came to the earth to not only heal people, but also to bring My Word, and ultimately to give My life so that all souls could have salvation, if they repent and accept Me as their Savior. When you give your will over to Me, then I can use you to fulfill the mission that I have planned for you. Trust in Me to help you in all that you need, both physically and spiritually. I love all of you so much, and I want you to love Me with your whole heart, mind, and soul."
Jesus said: "My people, you have seen one party dominate your politics for the last six years, and some of these elections have been unfairly controlled by having voting machines that only vote for the party in control. You also have many states that allow devious ways to add votes. Where people need identification or matched signatures to vote, the votes are tallied properly. Because this fraud is not fought, this is why the current party has been winning with no votes for the opposition in some places. The one world people control both parties, so it does not matter which party wins in the end. The evil ones will control things with this lock for a while, but at the end of the tribulation, these evil ones will all be cast into hell. This will be when I will bring My victory against them. My faithful will need My protection at My refuges, until I bring

My judgment against the Antichrist, the False Prophet, the demons, and the evil people."

November 19, 2014
Wednesday, November 5, 2014:
Jesus said: "My people, many of your incumbents were voted out of office, which will give a new look to your Congress. Your people are unhappy with those who are in power, so they took their complaints to the voting booth. It remains to be seen if these newly elected officials will change things for the better. Your next few years may determine the final direction for your country. It will be the responsibility of your new leaders for determining how America goes forward. There is still a possibility of a martial law declaration that could overrule your new Congress. Keep praying for your country to change its evil ways, or My judgment will be brought down upon you."
Jesus said: "My people, America's Constitution lays out the powers of all three branches of your government with various checks and balances. When the Executive Branch bypasses the Legislative Branch with Executive Orders, you have a breach against Congress. You will see your legislators taking a long look at how to legally stop your President from being a dictator. Compromise and vetoes are one thing, but overriding Congress' powers will be a real problem for your government. Pray that such a battle can be resolved, or you could see a revolt or an impeachment of your President."

Thursday, November 6, 2014

November 19, 2014
Thursday, November 6, 2014:
Jesus said: "My people, your President has had his own way for six years. In the first mid-term election, he lost the House of Representatives to the opposite party. In the second mid-term election, he lost the Senate as well. He will not relinquish any power, and his determination to use Executive Orders, may challenge the whole purpose of emergency powers. In his mind, he thinks he is in control, and he will not give up anything until he is forced to by your people

and their Congress. You are going to see a challenge to the validity of following the President's orders that were never meant to override Congress. Over the years Congress has not fought the encroachment of the Executive Branch over Congress' powers given by your Constitution. The one world people want to take over your country, and they could use this battle of powers to bring down America, especially with a bank and dollar failure. Your very government will be brought down by a major man-made incident to trigger America's downfall."

Prayer Group:

Jesus said: "My people, in some parts of your country, you are seeing churches closed or clustered. The number of people, who are coming to Sunday Mass, are declining as the older faithful are dying. The younger people in general, are not as strong in their faith as their parents. Even if your numbers are getting less, My faithful still need to have a strong faith, and give good example to your children and grandchildren. Without enough people coming to Sunday Mass, it is hard to support and maintain your churches. Keep working and praying to build up My Church with your evangelization efforts."

Jesus said: "My people, you need to prepare for a coming winter season. I have asked you to stock up on some food and alternative heat sources. You have just seen some severe power outages in Maine where 140,000 people were without power because of a bad snow storm. With wood or kerosene heaters, you could keep warm, even during a power outage in the winter cold. Your food may be needed if your stores are closed for any length of time. Pray for My help in all of your essential needs this winter."

Jesus said: "My people, I have warned you in a previous message how you could see a power outage for months in some places this winter. I gave you several reasons for this, including storms, an EMP attack, or terrorist activities. You witnessed your own power outage for eleven days back in 1991, but a longer time would require a fair amount of fuel to be stored. You may have to pray to Me to multiply your fuel, especially if you have to leave your homes for My refuges."

Jesus said: "My people, the drought in the West is placing a heavy demand on the available fresh water for drinking. A drought over a few years may even force people to move to areas with adequate water. Desalinization of salt water will be needed, much as they do in the Middle East deserts. Having some extra water stored, will also be needed for any extended power outage."

Jesus said: "My people, you have seen a large shift in your political races, because a good share of your people are dissatisfied with your current

leadership. The opposition party will now control a good share of your Congress with control of the House and the Senate. These new leaders will now be responsible for running your country, but they will be restrained somewhat by your President. Pray that you will see changes to better all the lives of your people."
Jesus said: "My son, you have lost a number of your prayer group members to old age and sickness. Remember each one of them as they have deceased, especially Sam Cimino, recently. You can offer up Masses and prayers for his soul. You could even relate some of your past experiences with Sam for your prayer group people who did not know him."
Jesus said: "My son, you have been traveling in your van with good weather. Now that winter is coming, you will see more difficulties in your driving conditions. Take along some extra food, water, and emergency items in case you get stranded with car problems. Also, remember your long form of the St. Michael prayer both coming and returning. Pray your St. Therese Novena for the success of your Spanish and English DVD for your recent update. It is important to get My messages out to the people before the tribulation begins. Trust in Me and call on My angels when you are in need of help both physically and spiritually."

November 19, 2014
Friday, November 7, 2014:
Jesus said: "My son, I want you to be joyful as well when you go out on your mission to My people in sharing My Good News of salvation. You also are citizens of heaven, as you are faithful to Me through all of your earthly trials. When you have hope in Me, your heart and soul are at peace because you are assured of My grace and My help in all that you do. Keep praying your St. Michael prayer and your St. Therese Novena for your safety and a successful Spanish and English DVD. I love all of My people, and especially those who go out to evangelize souls. Your work is helpful in building up My Church, which is facing more persecution. You may encounter some trials on your trip, but I will send My angels to guard you, and assist you against any attacks of the evil ones. Go in confidence that you are sharing My Word to bring joy into the hearts of those who hear My messages."

November 19, 2014
Saturday, November 8, 2014:
Jesus said: “My people, you are seeing one of the end time signs in the weak faith of the people. My true faithful are always at Mass on time, but the lukewarm come in late, or not at all to Sunday Mass. It is hard to find a deep fervor in people, as attendance at Sunday Mass continues a steady decline. Your people have plenty of opportunities to come to church now, but in a while you will see Christians being persecuted for attending public church services. You will soon have to come to the homes for Mass and prayer groups. This is why it is good to belong to a prayer group, where you can meet My followers of like mind. Eventually, the persecution of Christians will be so great, that you will need to seek the safety of My refuges, where My angels will protect you throughout the tribulation. Have trust and confidence in My protection, because I am more powerful than all of the evil ones.”
Jesus said: “My people, just as you have prayer groups and deliverance prayers to save people, so there are occult group meetings that desecrate My consecrated Hosts in black masses. You truly have a battle of good and evil. Just as the demons shouted out that I am the Holy One of God, so the evil people of today recognize that My consecrated Host truly is My Body and Blood. This is why these evil ones try to get My consecrated Hosts so they can desecrate them. My people need to wear their blessed sacramentals of rosaries, scapulars, Benedictine crosses, blessed salt, and holy water for protection from the evil spirits. You also need to pray for all of your family members for their souls to be saved. Pray your long form of the St. Michael prayer to break any addictions in your family to free them of their demons. My faithful also need monthly Confession, Sunday Mass, and visits with Me in Adoration to have the grace to fight the demons and evangelize souls to be saved. By fighting evil in your own family, you can give an example to other families.”

November 19, 2014

Sunday, November 9, 2014: (St. John Lateran Basilica dedication)
Jesus said: “My people, you have just read in the Gospel how I overturned the tables of the money changers, and I made a cord to chase them out of the Temple. I accused those people of buying and selling in God’s house. There was even a quote how My house consumes Me with love for My places of worship. Today, you have another evil of homosexual priests, and even some Masons that have infiltrated into the hierarchy of My Church. How I would love to cleanse My Church of these evil ones, but I cannot violate their free will at this time. Be assured that at the judgment, these men will have to answer for their sins, and for misleading the people with their lies and their actions. I call My faithful to obey My Commandments, even despite any clergy who speak otherwise. In these end times there will be a division in My Church, and do not follow the schismatic church. The evil ones will teach New Age beliefs that are contrary to My teachings. They will also teach that sexual sins are no longer mortal sins. You will have to have your Masses and prayers said in the homes when the schismatic church takes over.”

Monday, November 10, 2014

November 19, 2014
Monday, November 10, 2014:
Jesus said: “My people, in today’s Gospel I asked My apostles who I was. Finally, St. Peter claimed that I was the Christ, the Son of the Living God. My people also need to know who I am, because many are losing respect and reverence for My Blessed Sacrament. Not all Catholics believe in My Real Presence in the My consecrated Hosts. I am still Present in My Body and Blood in every Eucharistic Host. Just as the king of Babylon abused the sacred vessels of Israel, so you will see abuses in My own Church as well. The vision of the hand writing on the wall: mene, teckel, and peres, was representing the fall of Babylon that was to come. So even in your own country you are seeing other signs of the writing on the wall of your own coming destruction. Your abortions and your sexual sins alone, are calling down My justice on America, and you will be punished by the loss of your freedoms. The one world people will be allowed to bring your country down, as you will become a part of the North American Union. This is just one step closer to the coming of the Antichrist during the tribulation. My people will need to seek My refuges for their

protection, as they leave their homes. Trust in My protection from the evil ones, as you will find rest at My refuges."
Jesus said: "My people, your most important possession is your soul, so you need to protect it from sin and the devil's temptations. You can protect your soul by monthly Confession, and by wearing your blessed sacramentals. Put blessed salt around your house, and you can place blessed medals over your doors and windows. You can have your homes consecrated to My Sacred Heart Enthronement for your home's protection. My Blessed Sacrament should be an important part of your life, where you receive Me in Holy Communion at Mass, and you adore Me at Adoration. Receiving Me in Holy Communion is your best taste of heaven on earth. At the Warning everyone will know that they have to come through Me to get into heaven. In St. John's Gospel I said: "Unless you eat the Flesh of the Son of Man, and drink His Blood, you shall not have life in you. He who eats My Flesh and drinks My Blood has life everlasting and I will raise him up on the last day."

November 19, 2014
Tuesday, November 11, 2014: (St. Martin of Tours)
Jesus said: "My people, this Gospel reading is truly about My day of judgment for all souls. You see Me separating My sheep from the goats, where the sheep are My believers who are saved, but the goats are the evil ones who are lost in hell. Then I went into an explanation of who are the good people and who are the evil people. Every person is made to My Image and likeness, and each person is a temple of the Holy Spirit. So if you meet someone who is hungry, or needs a drink of water, or is sick, or in prison, you should help that person because I am in them, like the beggar. So those who love Me and help their neighbor out of love, they will be welcomed into heaven. But those who refuse to love Me and refuse to help their neighbor out of selfishness, these will be cast into hell. You all will have to face Me at your judgment, and your actions will be judged on how you loved Me and your neighbor. All of your good deeds and works of love are stored up in heaven to offset all of your sins. So do not come to Me with empty hands without any good works, because I will claim that you do not know Me. If you knew Me, you would have fed Me, clothed Me, and

comforted Me in your neighbor. Your life should be one of love that you share with Me and your neighbor. There is no room for being selfish or loving only yourself, for those who come to heaven."

November 19, 2014
Wednesday, November 12, 2014: (St. Josephat)
Jesus said: "My people, you all have some imperfections, and it may seem that you are spiritual lepers in your sins. You all are calling out to Me to be healed by My forgiveness and absolution in Confession. Once you are healed in your souls and made clean again, you need to give Me thanks for dying on the cross for you. In other times, people ask Me for various petitions, but once a prayer is answered, very few remember to thank Me for any healings. Just as the one leper returned to give praise and thanks to God for his healing, so My people need to be thanking Me as well. This also applies to when people help you in any way. You need to thank people for their help and hospitality. You also need to reach out and help people when you see that someone needs help. Even with the Poor Clares here, you need to thank them for their life's dedication to prayer and helping people. I have told you that monasteries will be places of refuge during the coming tribulation."
For Carol (not my wife): Jesus said: "My people, when anyone dies, it is appropriate to have Masses and prayers said for that person's soul. You do not know My judgment of a person, so praying for the souls in purgatory would be most helpful for them. Do not assume that all souls go straight to heaven because only a few do so. Pray for Carol's soul and have Masses said for her. She needs a little purification as most souls do."
Jesus said: "My people, as you take advantage of the opportunities to attend Adoration and the celebration of Holy Mass, I want you to relish these moments with Me. A time is coming soon when My churches will be closed with barbed wire, and you will not be able to enter. You will need to go to your homes to celebrate Mass and pray because such activities will be outlawed in public by your government. The Christian persecution will become so great that your lives will be in danger. Once you see Christians being martyred, you will be called to the safety of My refuges, where My angels will protect you from the evil ones. Some Christians will be martyred, but they will become instant saints in heaven.

The rest of My faithful will be at My refuges. Rejoice in My protection because I will soon bring My victory over the evil ones who will be cast into hell. Once the evil ones are removed, I will renew the earth and I will bring My faithful into My Era of Peace and later into heaven. Be patient with the current evil world because the days of the evil ones are numbered. I love all of My people, but you must repent of your sins and accept Me as your Savior, in order to enter heaven."

Thursday, November 13, 2014

November 19, 2014
Thursday, November 13, 2014: (St. Frances Xavier Cabrini)
Jesus said: "My people, just as St. Paul and many saints were in prison, so My people will have to endure a great persecution, where some will be tortured and killed in the many detention death camps in America. All of My believers will be targets for extermination by the one world people who are controlled by Satan.
Just as the Moslems are killing Christians in other countries, you will soon see the same threat in America. My faithful need to have their backpacks ready to leave for My refuges at any time. As soon as I warn you that it is time to leave, My faithful, who leave on time, will be saved at My refuges. Those, who do not leave right away, are risking being captured by the men in black, and these faithful will be thrown in prison and later martyred for their faith. Those, who are martyred, will become instant saints in heaven. My faithful, who come to My refuges, will be protected by My angels, and you will have food, water, and bedding for the less than 3½ years of the tribulation of the Antichrist. Rejoice, whether you are a martyr, or you are at My refuges, because you will all be sharing in My coming Era of Peace for your reward for being faithful to Me."
Prayer Group:
Jesus said: "My people, the chapel of Divine Mercy in Stockbridge, Massachusetts is very ornate with relics of the saints. I am showing you this chapel because this devotion to the Divine Mercy is very important to remember to pray the chaplet at the 3:00 p.m. hour. You have seen how powerful this chaplet is in saving souls, if you pray it at someone's death. When you call on My Divine Mercy, I will always listen to those requests, especially in having mercy on souls that are leaving their body. The soul remains around the body for several days, so your chaplet is effective while the soul is there."

Jesus said: “My people, there are some religious orders, as the Poor Clares, who pray for the world’s souls in their contemplative prayer of silence. I have asked My adorers to take five or ten minutes to pray in silence with contemplative prayer. During that silence I could talk to your soul, and give you advice on how to live a holy life. The more you come to Me in your Adoration visits, the easier it will be to listen to My advice for how to live your lives.”
Jesus said: “My people, you need to pray for your priests and bishops without criticizing them or gossiping about them. Only if they are making heretical statements, should you speak out against My clergy. My priest sons are being tested every day, so they need your prayers and your support in their ministry, which provides you My sacraments. Pray for more priestly vocations because priests are needed for the harvest of souls. Some of your churches are being closed because of a priest shortage. Each priest is My gift to you because I am acting through each of them.”
Jesus said: “My people, My Eucharist is My very Presence among you in every tabernacle. Give reverence to My Eucharistic Presence by genuflecting when you come into a Catholic Church. Some churches do not have My tabernacle in plain sight, but it is in a back room. I am the most important Guest, so My tabernacle should be in a prominent location. Give reverence in receiving Me in Holy Communion by bowing or genuflecting, and it is more reverent to receive Me on the tongue, instead of in the hand. You also need to take some private moments with Me after you receive Me. By giving reverence to My Eucharistic Host, you are acknowledging your true belief in My Real Presence in My consecrated Hosts.”
Jesus said: “My people, My sacrament of Reconciliation is very important for souls to cleanse their sins and to seek My forgiveness. It is necessary to have a pure soul in order to lead a holy life. My faithful should come to Confession at least once a month so you can remember your sins. If you should commit a mortal sin, then you need to come to Confession as soon as you are able. You need to confess any mortal sins before receiving Me in Holy Communion, so you do not commit a sin of sacrilege. Make sure you make a good examination of conscience before you come to Confession. Remember to do your penance from the priest, and have true contrition that you are sorry for having offended Me in your sins.”
Jesus said: “My people, faith is a gift from Me, and it needs to be instilled by good training and a good example from parents or grandparents. When your children are young, you take them to Sunday Mass, and you should take them to

monthly Confession as well. As your children grow up, sometimes they lose their original fervor for the faith. You need to pray for your children, even when they leave your house, so they can keep the faith. Encourage your children to attend Sunday Mass and come to Confession. Your prayers can be your children's salvation, so be persistent in your prayers for them."
Jesus said: "My dear prayer group people, I am pleased with all of your prayers and petitions that you bring to Me each week. When you pray in a group, you multiply the prayers and graces that I bestow upon all of you. Even this church and parish receive graces for your prayers of Adoration at your meetings. Continue to have faith in all that I do for you in your daily activities, but your prayer time is needed to help all of the souls in the world and your individual petitions."

November 19, 2014
Friday, November 14, 2014:
Jesus said: "My people, in the last week of the Church year before Advent begins, you will see more readings of the end times. Today's Gospel shows you three incidents of My justice. The first incident was against those who were killed by the flood when it rained forty days and nights. The second event was when Lot was led by the angels with his family out of Sodom. But Lot's wife was turned into a pillar of salt when she looked back at the destruction of Sodom and Gomorrah. Some were killed then because of their homosexual sins. The third event has not happened yet, but it will be at the end of the tribulation. This will be when I will bring My Comet of Chastisement that will hit the earth, and two-thirds of the people will be killed. This will be My victory over the Antichrist, the false prophet, the demons, and the evil people. During the three days of darkness, the evil ones will be cast into hell. Before the comet comes, I will take My faithful up into the air so they are not killed by the comet. I will then renew the earth, and I will bring My faithful into My Era of Peace. Rejoice as you see My justice carried out in this generation, just as it was in the time of Noah and Lot. Those, who repent of their sins and accept Me as their Savior, will be saved, but those, who refuse to love Me, will be lost in hell. Choose life with Me now, or you will burn forever in the justice of hell."
Jesus said: "My people, you have been fortunate to find new domestic sources of

natural gas and oil because more oil is available and global demand for oil is down. You have seen lower crude oil prices as well as lower prices for gasoline. This low price is helping many families to cut down on their fuel bills. Once the winter weather arrives, your natural gas heating bills will be going up, but not as much as in the past. As colder temperatures and snow become a problem, you could again see some power outages. Be ready with extra alternative fuels and extra food in case power outages are worse than normal. Many times it is the blizzard winds that can cause problems. You are still picking up your tree leaves because the trees were slow to drop them. Your people are struggling to get the leaves picked up before heavy snow storms arrive. Having snow blowers ready and your heaters maintained, would be good preparations for the coming winter. Most of your weather people are predicting another cold and snowy winter as last year. It was the deep cold below zero temperatures that caused some people to die from exposure. You may have to check your older neighbors who could use some help to get through the winter. Helping your neighbor out of love should be your everyday thinking, and not just when you are asked."

November 19, 2014
Saturday, November 15, 2014:
Jesus said: "My people, at another time I gave a message of a funeral with a caisson, but this was for one of your retired presidents. Now, I am showing you another funeral with a black casket that is for an acting head of state. There is a strong possibility that your current president is in danger with all the recent breakdowns in his security at the White House. There are terrorists who could threaten any of your leaders. This should be a warning that your Secret Service and your Homeland Security should be on alert for any attempts on your President's life."
Jesus said: "My people, your President is speaking of writing a new Executive Order that would change your immigration laws to allow a form of amnesty for illegal aliens. This action is questionable according to your Constitution, and it could evoke a drastic response from the opposite party. In the vision I have shown you a gavel in a courtroom. There will be a challenge of such an order in the courts, and it could even be heard before the Supreme Court over this Constitutional breach of authority. If your President continues to go around

Congress to write his fiat laws, then he would be equivalent to a dictator. This is why the opposite party will fight these Executive Orders. Pray that there could be some compromises instead of a war of words."

Sunday, November 16, 2014:
Jesus said: "My people, this gold beast in the vision is how some people are concerned with acquiring wealth for its own sake. This is a symbol of greed consuming people in its worst form, when people lie, cheat, and even kill people for wealth. Those, who desire wealth in this way, are not trusting in Me to provide for them. Instead, some people think if they have a lot of money, that they can depend on themselves for everything. Do not worry about what you will eat, drink, wear, or where you will stay. These are the things that the worldly people are seeking. Seek first the Kingdom of God, and all of these things will be given to you. You need to trust in Me for everything every day, and I will provide for your needs. I know what you need, and I will see to it for you."

November 19, 2014
Monday, November 17, 2014: (St. Elizabeth of Hungary)
Jesus said: "My people, alcoholic drinks can be very deceiving. At first people drink to socialize with one another at parties. Gradually, drinks are taken every day, and it could quickly lead to instances of getting drunk. Some people seek to get a high feeling, but this drinking to excess is sinful, because you lose control of your faculties. This can be dangerous to yourself and others if you drive and drink, and even in combination with any medicines. Some drinkers get violent and beat people. Controlling a drinking condition needs to start with a desire to stop drinking. Some are able to detox and keep clean, but it may require help in a treatment center. It may also require removing any liquor, or access to buying it. It is the enabling of money and buying liquor that could perpetuate this addiction. You also need to pray your St. Michael long form prayer to release the demons that are controlling people. Many families have such drinking problems

passed on from earlier generations. That is why your generational healing exorcism prayers are needed to stop this cycle of passing such addictions on to the children. Keep praying for the healing of any drinking and drug addictions in your family, and be persistent in your prayers as the blind man called out to Me to be healed in the Gospel."
Jesus said: "My people, this vision of a knight in armor, is how I want My faithful to be strong in Christian warfare as you put on the armor of God. You are fighting a battle of good and evil as St. Paul writes to the Ephesians (6:10-17): 'For our wrestling is not against flesh and blood, but against the Principalities and the Powers, against the world-rulers of this darkness, against the spiritual forces of wickedness on high.' So you need to be defenders of the faith in My armor. You wear the breastplate of justice, the shield of faith, and the helmet of salvation. Whenever you hear heretical statements from any source, you are bound to call them heresies in public, and alert My faithful not to follow any heresies or heretics. A day is coming when some leaders will speak heresies, and you need to be brave enough to stand up against those leaders who are misleading the people with heresies against the sound teachings of My Church, as described in the Catechism. Pray for the Holy Spirit to help you in what to say to any heresies."

November 19, 2014
Tuesday, November 18, 2014: (Dedication of St. Peter & St. Paul Basilicas)
Jesus said: "My people, today's Gospel is all about keeping your faith in Me through all the storms of life. When I was walking on the water to My apostles, I called St. Peter to come to Me on the water. He also started walking on the water, but when he took his focus off of Me, he was fearful of the wind and from drowning. I questioned St. Peter in his faltering faith. This is a lesson for all of My people, that you need to keep focused on Me in faith through all of life's trials. Just as I calmed the storm, so I can calm the storms in your lives, if you call on My help. Many people have fears and worries about things that they cannot change. Fears, worries, and anxieties are tools of the devil to weaken your faith. If you have the faith of a mustard seed, you would not doubt My protection in providing for your daily needs. Have confidence and faith in Me, even if you must suffer anything for Me. My love is with you always, and that

should be enough for you."
Jesus said: "My people, when the events are serious enough to endanger your lives, you can call on Me, and I will have your guardian angels lead you to the nearest refuge. You may be led to several smaller interim refuges, before you are led to your final large refuge. At the interim refuges, you may have to use your backpacks and sleeping bags until you find a refuge with dormitories. In the vision, you saw some people bedded down in a basement on the floor. Be thankful that My angels are putting invisible shields around you so the evil ones cannot harm you. At all of My refuges you will have something to eat and drink, with a place to sleep. I will multiply your food, water, and fuel to keep you warm. Put your trust in Me when you leave your home because you are not returning home. You will be living in full trust of what you need from Me. You will even have daily Holy Communion by a priest at Mass, or by My angels. Pray that you will be at a refuge with a priest. I have asked people to set up My refuges, and My faithful will be benefitting from their work. Be sure to thank them for all that they do to help you."

November 6, 2014
Wednesday, October 22, 2014: (St. John Paul II)
Jesus said: "My people, I have told you many times that a division will come in My Church between a schismatic church and My faithful remnant. This tree that has been cut down, is a decayed traditional church, that will be replaced by My faithful remnant who will pray and have some Masses in the homes. You will see My faithful come under attack from a schismatic church and your atheistic government. The schismatic church will teach New Age which worships things, and they will teach that the sexual sins are no longer mortal sins. Christians will be targets from the evil ones, very much like the Jews became second class citizens in Germany under Hitler. This is why you will have to hold any Masses and prayer groups in secret at your homes. As the persecution gets worse, eventually, you will need to leave your homes for My refuges during the tribulation. Do not be afraid of the evil ones. Some faithful will be martyred, and

become instant saints in heaven. The rest of My faithful will be protected by My angels at My refuges. Be patient, for soon I will bring My chastisement that will cast the evil ones into hell, while My faithful will be brought into My Era of Peace."

Jesus said: "My people, you all are familiar with how people in jail are restrained from their freedom. My people, who are captivated by addictions, sins, and the world's pleasures, are also restrained by their bodies. I came to the earth to free all sinners from the bonds of their sins. When you give yourself over to sin, you become a captive of the devil's territory. When you come to Me in repentance and give your will over to Me, I will release you from your earthly shackles, and I will open your prison gate to enjoy My freedom of love. Once you renounce worldly pleasures and desires, you will crave to be with the God who loves you. When you follow My Light, I will disperse the darkness of depression and despair. Your soul craves to be with Me because I offer you love and peace in your soul. You can only find peace with Me, and your soul desires to be in My Presence. This life is passing away, but My reward in heaven will last for all eternity. You would much prefer the One who loves you, rather than the devil who always hates you. I keep telling you not to let any addiction control you, or take you away from focusing on Me as the center of your life. When you allow Me to lead you through life, you will experience My spiritual freedom. Remember that I died on the cross for all of you, so you all could have salvation from your sins. I call you to live a holy life of prayer and frequent Confession, so you can carry out the mission that I have given you. Your soul finds spiritual satisfaction in all that I do for you. Continue to seek Me in love in all that you do."

November 6, 2014

Thursday, October 23, 2014: (St. John of Capistrano)

Jesus said: "My people, I wish that all of you were burning with the fire of love in the Holy Spirit. Those, who are on fire for love of Me, God the Holy Spirit, and God the Father, have all that you need in this world to reach heaven. By repenting of your sins and giving your will over to Me, you are ready and willing to carry out the mission that I have given you. Not all people have this same love for Me and fervor in faith. There are many people who worship worldly things than Me. The atheists and non-believers will ridicule you, and even persecute

you for believing in Me. Despite this division between My faithful and the non-believers, I call on My people to stand up for your belief in Me. You need to be shining examples of how Christians should live with humility and kindness. I bring peace into your hearts and souls, but it is the devil who brings division with his rejection of Me. My call is for all of you to love one another, but you may be divided against the non-believers who follow the world and the devil, instead of Me. It is the evil one who spreads wars and disobedience of My Commandments. You are to love your enemies, even if you disagree with their actions. At the judgment, all the evil doers will be cast into hell, but My faithful will have their eternal reward in heaven."

Prayer Group:

Jesus said: "My people, you are seeing several suspected cases of ebola in various parts of your country. Most of these cases are care givers who were assisting ebola patients. There is a concern about people coming into your country from the three African countries that have cases of ebola. Your health people are starting to track all people from these countries who come to America, especially if they have fevers. It is hard to purify planes from any contamination. It might be better to have passengers fever free before boarding any planes. Your researchers are looking for a fast test for ebola, and are considering any possible cures. Pray that this epidemic can be contained."

Jesus said: "My people, you have seen two attacks on Canadian police with at least one fatality. Both incidents appeared to be Moslem converts who were intent on killing policemen. These incidents have caused Canada and America to go on high alert for any terrorist attacks. It is apparent that ISIS wants to bring their attacks into Western countries. Your people need to be alert for any further terrorist attacks. These are fear tactics to upset your people. Trust in Me to protect you from such incidents."

Jesus said: "My people, for all the publicity of your air attacks, it is not clear that they are slowing down further ISIS takeovers. In some cases where there are sufficient ground troops, these bombings could be helpful. Until there is sufficient resistance to ISIS troops, their takeovers will continue. Pray for a lessening in hostilities, but this war could last for a long time."

Jesus said: "My people, you have already seen one incident in Illinois where an early voting machine was changing Republican votes into Democrat votes. Your voters need to be able to see that their votes are not being changed by the voting machines. You have seen such fraud occurring in the last two elections, and it may continue with your current election as well. Those, who control these

machines appear to have an agenda to continue this cheating. In some cases it may be difficult to verify that your vote is being manipulated. You are concerned about fair elections in other countries, but you need to investigate vote fixing in your own country."
Jesus said: "My people, you recently heard a good speaker who was pointing out that your Bill of Rights in your Constitution was meant to protect your citizens from the powers of your government. You are seeing many of your freedoms gradually being usurped by liberal judges who have a leftist agenda. Even your President's Executive orders are superceding their power by controlling regulations from your government agencies. If your Congress people do not fight such control, then you will soon see a dictatorship running your government. A takeover of your country is coming, and My faithful will need to come to My refuges of protection when your lives are in danger."
Jesus said: "My people, when you see your freedom of speech, and your freedom of religion restricted by persecution, then you are seeing the signs of the coming tribulation. Keep fighting for your rights before they are taken away. Once you allow your government and judges to control you, you will lose the battle for your freedom. Then you will be forced to come to My refuges for your protection."
Jesus said: "My people, I keep advising you about the preparations you could make when you leave your homes for My refuges. You may need masks for any deadly pandemic virus. You could use MREs (meals ready to eat) or survival tablets for the few days of travel to a refuge. A few bottles of water, windup flashlights, a change of clothes, along with tents and sleeping bags will be needed. By having your backpacks and supplies ready, you can leave quickly when I tell you it is time to leave your homes. Have trust in My angel protection for the coming tribulation."

November 6, 2014
Friday, October 24, 2014: (St. Anthony Claret)
Jesus said: "My people, this cross in flames is a sign that all those, who believe in Me, will be the targets of the evil ones who follow the Antichrist. You have seen ethnic cleansing in some countries, but soon you will see the one world people trying to cleanse or kill all of My believers all over the earth. This is why I am providing My refuges as safe havens for My faithful so you will be

protected from these evil ones by My angels. You already are seeing Moslems killing Christians in other countries. This persecution of Christians will bypass your citizen rights as you will see a takeover of your country by ruthless people led by Satan and the Antichrist. Know that this persecution will endanger your lives, and be prepared to leave your homes when I give you a warning."
Jesus said: "My son, I told you that you would be seeing one event happen after another in rapid succession. Your events are happening so fast, that there is a need to give an update to your DVD talk. You have started to work on your next talk, and I want you to remember to pray your St. Therese 24 Glory Be Novena for its success. As the events of My messages are becoming clear to many observers, this is why you are seeing an increased interest in your books and DVDs. Your DVD is better at giving a big overall picture of things than reading the chronological order of the messages. The index in your books helps people to find the various subjects that they may be interested in. I have given some messages that are emphasizing how little time is left before you may have to come to My refuges for protection. Take some time to complete this new talk, so you will be able to translate some of this in a Spanish talk."

November 6, 2014
Saturday, October 25, 2014:
Jesus said: "My people, in older days you saw people build the Tower of Babel, but because these people were doing it out of pride and arrogance, I brought various languages among them as a punishment. Even today, most of your towers are built by banks, insurance companies, or corporate headquarters. It is really a display of power, money, and prestige. When your trade towers were brought down, this was a strike at your financial influence. As a nation, America is headed down the wrong path, when you legalize abortion, same-sex marriage, and smoking drugs. Pornography and casinos are further signs of your decadence. Because your country is not repenting of its sins, you are calling My punishment down upon you."
Jesus said: "My people, you all have a choice to accept Me in love or not, but those, who love Me, need to accept My Commandments of love of Me and your neighbor. All of My Commandments are your guides to live a good Christian life. In your charity, you need to help your neighbor and support My Church. When people ask you for help, you need to reach out in love to provide your

services for their needs. The more that you share your money, time, and talent, the more treasure you will store up in heaven for your judgment. I love all of My children, and I thank you for coming to Mass to give Me praise and worship. You are not alone in this world, but you are part of My human family in sharing with each other."

November 6, 2014
Sunday, October 26, 2014:
Jesus said: "My people, in today's Gospel I answered the man who wanted to know which is the greatest Commandment. Moses was given the Ten Commandments, but they are all based on love of Me, and love of your neighbor as yourself.(Exodus 20:1-17) I want to enumerate the Commandments for your understanding. The first Commandment tells you not to have any gods or idols before Me as sports, fame, or possessions. The second Commandment tells you not to swear or take My Name in vain. The third Commandment tells you to keep Sunday holy by coming to Mass, and to avoid working as much as possible on My day of rest. The fourth Commandment tells you to honor your parents, and to take care of them in their old age. The fifth Commandment tells you not to kill others, especially in abortion. The sixth Commandment tells you not to commit adultery, fornication, homosexual acts, or prostitution. The seventh Commandment tells you not to steal, cheat, or embezzle your neighbor. The eighth Commandment tells you not to lie or gossip about your neighbor. The ninth Commandment tells you not to be envious or desire your neighbor's wife. The tenth Commandment tells you not to be envious or desire your neighbor's possessions, money, animals, or anything else. Remember that I love everyone equally, as I died for all of you on the cross. I want you to love Me as well, because all creation is centered around Me. I created every person, and all the planets, stars, and even the angels. I created everything to be in harmony with My will. You all have free will, but your actions will determine your eternal destination, whether in heaven or hell, by your own choice."

November 6, 2014

Monday, October 27, 2014:
Jesus said: “My people, in the fall you think of how the farmers are harvesting their crops so you can have your food to eat. As you travel all over the country, you see the corn, soybeans, and wheat in the fields. In California they are doing everything to control water loss by using plastic sheeting, because of the drought. It is your farmers that provide your food, yet they are abused by your processors and bankers. You need to be thankful for your harvest every year, because the farmers have to deal with poor growing conditions at times. There is a physical harvest of food now, but at some point you will see a harvest of souls. There is a battle going on between the devil and Me for souls. A fair number of souls are lost to the devil because of people’s addictions to pornography, drugs, alcohol, computers, and gambling. This is why I keep telling the people not to let anything control them. It is hard to keep peace in your soul if addictions with their attached demons, are pulling you away from Me. At the last judgment, you will see the great harvest of souls, and this is why I need prayer warriors to evangelize souls before they are lost. I need more people to go out into the vineyard of souls to bring them home to Me. My people need to strive for heaven by giving their will over to My service so they can have their reward in heaven.”
Jesus said: “My people, in various parts of the world you are seeing wars and acts of terrorism. Some factions in different countries are struggling to control more land from their neighbors, with the Middle East and the Ukraine having the most trouble. You also are seeing a general struggle between Moslem and Christians over how to live their lives. There is another struggle between those who believe in Me, and those who do not believe. It is the atheists who are more outspoken, and they fight against any mention of Me in public places. Many college students are finding it difficult to practice their Christian faith, with so many teachers and professors that openly put Me down as not even existing. With such a current Godless and hedonistic society, it is hard to live a good Christian life without being criticized and even persecuted. As you approach the tribulation time, be aware that Christian persecution will get much worse, until your only safe haven will be at My refuges. Evil will have a brief reign until I will bring My victory over all the evil ones. Be patient in your daily struggles, but be ready to leave for My refuges, when your lives are in danger of being killed.”

November 6, 2014
Tuesday, October 28, 2014: (St. Simon & St. Jude)
Jesus said: “My people, in the vision you see how My rain comes down on the good and the bad people. This rain is a sign of how I died for everyone, so I can cleanse all souls, if they are willing to repent of their sins. The apostles were sent out to evangelize souls to be with Me. Even so, by Baptism and Confirmation, My faithful are also called to be evangelists. Even if you are not sent out to foreign lands, you can be a good Christian example to try and keep your family coming to Mass on Sunday. You can also encourage your friends and fellow workers to come to church, or to become Catholics in your RCIA programs. You are all called to build up My Church with new members, so make an effort to reach out and share your faith with the people around you.”
Jesus said: “My people, some of you have seen some serious flares coming off the sun from an active sunspot. So far you have not seen a large flare aimed at the earth. There will be more flares, as in the vision, but there will be minimal damage to any of your satellites or your power grid. You could do some research to check on any current or future flares. If such a large flare was directly aimed at the earth, you would see a large effect like an EMP (electromagnetic pulse) wave that could destroy your chips on earth so nothing would work that used chips. Such an EMP event would be devastating to all countries affected. This is just one more possibility for a power outage that will have an effect on everyone, depending on how long it would take to get your power grid working again. This is also why I asked My people to stock up on some extra food and fuel if you are without power for a long time. Trust in My help, even when you have to endure any kind of disaster.”

Wednesday, October 29, 2014

November 6, 2014
Wednesday, October 29, 2014:
Jesus said: “My people, as you come closer to November, you are approaching the end of the Church Year with thoughts of your death, and the end days. In the Gospel I am talking about those who are coming to the Kingdom of heaven, and those evil doers who will not be allowed in. It is not enough to call Lord, Lord, to let you into heaven. You must repent of your sins, and accept Me as your

Savior. You will be judged on all of your actions for your eternal destination. Your good deeds will help offset any punishment due for your sins. Not everyone goes straight to heaven after they die. Those, who do not go to hell, may have to spend some time in purgatory for the remission due for their sins. These people are the ones in the vision who are waiting at a train station for My train that will take them to heaven. Keep praying for the souls in purgatory because the feast day of All Souls' day is coming on November 2nd. As you put your friends and relatives' names in your Book of Remembrance, remember to keep their pictures around your house as well."
Jesus said: "My people, today you have a democratic republic with elections by the people, and the Bill of Rights to protect your individual citizens from your government. Your government leaders are leading you down the path to a North American Union with Mexico and Canada. This coming new world order will be a dictatorial totalitarian state, that will take away your elections, and take away your individual rights because your Bill of Rights will be abolished. If you do not stand up for your rights, they will soon be taken away by another Executive Order that should not be allowed. The one world people, who are running your government, will soon try to force all of you to take a chip in the body. This chip will control the minds of those who take it. Refuse to take any chips in the body, and refuse to take any flu shots. You will have to come to My refuges soon, when the men in black will try to force chips on you. Call on Me when your life is in danger, and I will have your guardian angel lead you to My nearest refuge. The coming tribulation of the Antichrist will usher in an evil worse than you have ever seen. These evil ones will try to eliminate all believers in God, and those who are opposed to the new world order. This evil will last a short time before I will bring My victory over these evil ones, who will be cast into hell. My faithful remnant will be protected and brought into My Era of Peace."

November 6, 2014
Thursday, October 30, 2014:
Jesus said: "My people, in both readings you are given examples by St. Paul and Myself to go forth and preach My Word to the people, even though you may be persecuted for doing so. St. Paul tells you to put on the armor of God, but it is a spiritual armor of faith and the Holy Spirit. For it will be the Holy Spirit who will give you the words to evangelize souls. You are facing demons from

Principalities and Powers who can only be fought by My Word, and the sword of St. Michael, the archangel. Call on My help and My angels to assist you against the demons and the evil people. Do not be afraid to speak out, but shout My Word from the rooftops. Once the evil ones have their hour, you will need to seek My refuges for protection."

Prayer Group:

St. Meridia, said: "I am Meridia, and I stand before God as the guardian of your prayer group. I want to thank Fred for drawing my picture, and for all of you for placing it on the altar with the other archangels. You are fulfilling my request, and by looking on my image, you can remember me when you request petitions from me. You have recently changed your prayer group meeting place, and this is a good time to see that I have been looking over you for many years."

Jesus said: "My people, there have been many scandals in your current government, and your President is having a low approval rate in your polling. Many of your individual rights have suffered under increasing regulation, and many of your people are just getting by, despite your elevated stock market. If there is any dissatisfaction with your government's direction, you will see it in your election results. Pray for your leaders that they will do what is best for your people."

Jesus said: "My people, I have been giving you some serious messages about the path that America is taking. You have some serious issues with your laws and decisions concerning abortion and same sex marriage. If you do not change your laws, these sins will bring your country down. You need to stop killing My babies, and your same sex marriages are an abomination, because I made man and woman to marry, and not same sexes. If America does not repent of its sins and change its ways, you will see My punishment brought down upon your country. Pray for your people to seek My forgiveness of your sins. I will forgive all repentant sinners."

Jesus said: "My people, in America you have seen most of your ebola patients contained and even healed in some cases, unless there are unreported cases. It is always hard to tell from your news if any new cases have been found. African countries are still experiencing an epidemic, and it continues to spread, even with some medical help. This epidemic is not yet contained, and it could spread more because of poor medical care. Pray for all the people who have the disease, and for those who have died from it."

Jesus said: "My people, your government is forcing its people to buy more health insurance than your citizens need. You have adopted a one insurance plan

fits all, and you are even forcing people to pay penalties who do not join. Now, before your elections, the party in power is not telling you how high your health premiums will be raised. You have heard from other sources how many people will not be able to afford paying these high premiums that will be much worse than your previous plans, which you were not allowed to keep. This is another source of distrust in the lies of your leaders. Pray that your elections will correct the injustices in this health care law."
Jesus said: "My son, you have been faithful in your novena prayers for the success of both a new English and a new Spanish DVD. You have worked hard to gather your plans of what messages to share on your current events. Continue your work and your prayers, and I will help you to bring it to the people who need to hear My messages. Call on the Holy Spirit to give you the right words to share with My people."
Jesus said: "My people, tomorrow is really a hallowed eve of All Saints' Day on November 1st. Halloween has become a day of praising evil with your emphasis on witches, demons, and goblins. Instead of giving credit to the evil one, your costumes should not look so sinister. You give candy and treats to the children, but look more to honor My saints than to give acknowledgment to the evil spirits. There is enough evil in your world already without glorifying evil in witches and the demons. Give praise and glory only to Me because these evil ones will eventually be cast into hell."

November 6, 2014
Friday, October 31, 2014:
Jesus said: "My people, you are seeing the leadership of your country doing everything to bring your country down, so the one world people could take it over. Without a strong military presence, your people will be a prime target for Russia and China. Elements in your leadership want to get rid of all of your nuclear weapons, and to get rid of your generals who do not go along with the new world order. This same leadership is trying to bankrupt your country with supporting too many people who are not working. Your country is also being dismantled spiritually by encouraging abortion, same sex marriage, and legalized marijuana. These plans of your leadership are a recipe for America's downfall. You are headed for a socialist state, which is just a step away from a totalitarian dictatorship. If your people do not revolt and take back your country physically

and spiritually, then soon you will become prisoners of the North American Union. The one world people have sold you out to China, and your leadership is following these evil orders. Without some kind of change around in your government, your country is finished as a free nation. My faithful will suffer much persecution at the hands of your corrupt government, so that your only protection will be your fleeing to My refuges. Trust in My help because soon these evil ones will be cast into hell."

November 6, 2014
Saturday, November 1, 2014: (All Saints' Day)
Jesus said: "My people, there are many everyday people who become saints in heaven, and who people do not know. You are more familiar with the names of your canonized saints, but there are many more saints, and they are still coming, after being purified in purgatory. In the first reading from the Book of Revelation, there will be more saints coming to heaven from the tribulation time. Those people, who are faithful and live in the tribulation time, are the souls who are washed and are wearing white robes. These people are My special saints who will live in My Era of Peace after My victory over the evil ones. Those people, who have endured the trials of the Antichrist, will be rewarded in My Era of Peace, and later in heaven. My faithful need to be patient a little longer before you will have your reward for all that you are going through now, and later for My Name's sake. Rejoice in My Communion of saints on earth, in purgatory, and in heaven."
Jesus said: "My people, your weather has been relatively calm, but this vision of a downpour of rain at night, is a sign that your weather is changing because of a change in the jet stream winds. Many parts of your country are witnessing colder than normal temperatures. Your cold weather will be coming in waves as each change will bring you closer to winter weather. You need to start preparing for winter by having your warmer clothes ready, along with hats and gloves. As you go out in your van, remember to pray your St. Michael prayer in the long form, and have your travel plans ready. The evil ones will try to block you in your mission, so be careful driving, and call on My help and that of My angels. As you get closer to winter, you will encounter worse weather conditions. Keep praying and trusting in My help to get you where you can give your talks."

Sunday, November 2, 2014: (All Souls' Day)
Jesus said: "My people, if you have visions of your relatives, or you have some communication from the souls in purgatory, then you need to pray for them. The souls in purgatory suffer greatly in their purification. They are saved, and they will one day be with Me in paradise. Some suffer flames in lower purgatory, and some suffer mostly from not seeing Me, or not feeling My love. Some of your relatives could be in purgatory, so continue to pray for the poor souls, especially for your own family members. If you have Masses said for individual souls, this could alleviate their suffering the most. These family members still want you to have their pictures around to remember them. I love all souls, and I want My faithful to keep trying to evangelize fallen away souls so they can be saved from hell. Even if you could get them into lower purgatory, they could see Me one day, which is better than being lost forever in hell. Eternity is a long time, and you do not want to see any of your family lost in hell."

November 6, 2014
Monday, November 3, 2014: (St. Martin de Porres)
Jesus said: "My people, you remember your history, how the Early Christians had to hide in the catacombs from being killed by the Romans. Just as Christians were being killed in the early days of the Church, so in the end days, Christians will again be threatened with martyrdom. This is why the vision is showing you people hiding in caves and underground bunkers. The evil people will have their hour during the coming tribulation, so you will see persecution of Christians getting worse from your government. This will be manifested when you see the enforcement of mandatory chips in the body. As you see the signs when your life will be in danger, I will warn you that it is time to come to My refuges. Do not worry about leaving your homes and possessions behind, because your money will not help you, if you do not have a chip to buy and sell. At My refuges you will find My angels protecting you, and you will have bedding, food, and water

to survive. Trust in My protection, but there will be some who are martyred for their faith."
Jesus said: "My people, in these end times many people are receiving messages from Me, and they are recording them in a journal as you do. Each messenger has a different mission, so do not criticize other visionaries for what they are receiving. Each of you are prophets for the end times, so it is wise not to read other people's messages. It is up to My Church to be watchful of any publications, since it is good for My messengers to have a spiritual director, as a priest. You can test the fruits of a person's mission to see if they are from Me. My messengers should be obedient to Church authorities as priests and bishops. As the tribulation is almost upon you, you are seeing many of My messages fulfilled. Continue to have a good daily prayer life, so all of My messengers can keep close to Me in following their missions."

November 6, 2014
Tuesday, November 4, 2014: (St. Charles Borromeo)
Jesus said: "My people, many people speak about the eyes as being a window to the soul. I want all of you to be open windows to welcome people into your life, and to love everyone without discriminating. You are seeing the many windows in an apartment building in the vision. If all of you were open and loving, you would not have so much crime and so many wars that you have in your world today. Love of neighbor means sharing with each other in money, time, and talent. You cannot just speak the words, but you should carry it out in your actions. The greatest sharing of all is to share your faith in Me with other people. You could even work to evangelize souls, so you could save souls from going to hell. Saving souls should be your greatest desire to build up My Church, and to help your neighbor for all eternity. This gift of faith is a blessing for anyone to give or receive. I came to the earth to not only heal people, but also to bring My Word, and ultimately to give My life so that all souls could have salvation, if they repent and accept Me as their Savior. When you give your will over to Me, then I can use you to fulfill the mission that I have planned for you. Trust in Me to help you in all that you need, both physically and spiritually. I love all of you so much, and I want you to love Me with your whole heart, mind, and soul."
Jesus said: "My people, you have seen one party dominate your politics for the

last six years, and some of these elections have been unfairly controlled by having voting machines that only vote for the party in control. You also have many states that allow devious ways to add votes. Where people need identification or matched signatures to vote, the votes are tallied properly. Because this fraud is not fought, this is why the current party has been winning with no votes for the opposition in some places. The one world people control both parties, so it does not matter which party wins in the end. The evil ones will control things with this lock for a while, but at the end of the tribulation, these evil ones will all be cast into hell. This will be when I will bring My victory against them. My faithful will need My protection at My refuges, until I bring My judgment against the Antichrist, the False Prophet, the demons, and the evil people."

November 19, 2014
Wednesday, November 5, 2014:
Jesus said: "My people, many of your incumbents were voted out of office, which will give a new look to your Congress. Your people are unhappy with those who are in power, so they took their complaints to the voting booth. It remains to be seen if these newly elected officials will change things for the better. Your next few years may determine the final direction for your country. It will be the responsibility of your new leaders for determining how America goes forward. There is still a possibility of a martial law declaration that could overrule your new Congress. Keep praying for your country to change its evil ways, or My judgment will be brought down upon you."
Jesus said: "My people, America's Constitution lays out the powers of all three branches of your government with various checks and balances. When the Executive Branch bypasses the Legislative Branch with Executive Orders, you have a breach against Congress. You will see your legislators taking a long look at how to legally stop your President from being a dictator. Compromise and vetoes are one thing, but overriding Congress' powers will be a real problem for your government. Pray that such a battle can be resolved, or you could see a revolt or an impeachment of your President."

Thursday, November 6, 2014

November 19, 2014
Thursday, November 6, 2014:
Jesus said: “My people, your President has had his own way for six years. In the first mid-term election, he lost the House of Representatives to the opposite party. In the second mid-term election, he lost the Senate as well. He will not relinquish any power, and his determination to use Executive Orders, may challenge the whole purpose of emergency powers. In his mind, he thinks he is in control, and he will not give up anything until he is forced to by your people and their Congress. You are going to see a challenge to the validity of following the President’s orders that were never meant to override Congress. Over the years Congress has not fought the encroachment of the Executive Branch over Congress’ powers given by your Constitution. The one world people want to take over your country, and they could use this battle of powers to bring down America, especially with a bank and dollar failure. Your very government will be brought down by a major man-made incident to trigger America’s downfall.”
Prayer Group:
Jesus said: “My people, in some parts of your country, you are seeing churches closed or clustered. The number of people, who are coming to Sunday Mass, are declining as the older faithful are dying. The younger people in general, are not as strong in their faith as their parents. Even if your numbers are getting less, My faithful still need to have a strong faith, and give good example to your children and grandchildren. Without enough people coming to Sunday Mass, it is hard to support and maintain your churches. Keep working and praying to build up My Church with your evangelization efforts.”
Jesus said: “My people, you need to prepare for a coming winter season. I have asked you to stock up on some food and alternative heat sources. You have just seen some severe power outages in Maine where 140,000 people were without power because of a bad snow storm. With wood or kerosene heaters, you could keep warm, even during a power outage in the winter cold. Your food may be needed if your stores are closed for any length of time. Pray for My help in all of your essential needs this winter.”
Jesus said: “My people, I have warned you in a previous message how you could see a power outage for months in some places this winter. I gave you several reasons for this, including storms, an EMP attack, or terrorist activities. You witnessed your own power outage for eleven days back in 1991, but a longer

time would require a fair amount of fuel to be stored. You may have to pray to Me to multiply your fuel, especially if you have to leave your homes for My refuges."
Jesus said: "My people, the drought in the West is placing a heavy demand on the available fresh water for drinking. A drought over a few years may even force people to move to areas with adequate water. Desalinization of salt water will be needed, much as they do in the Middle East deserts. Having some extra water stored, will also be needed for any extended power outage."
Jesus said: "My people, you have seen a large shift in your political races, because a good share of your people are dissatisfied with your current leadership. The opposition party will now control a good share of your Congress with control of the House and the Senate. These new leaders will now be responsible for running your country, but they will be restrained somewhat by your President. Pray that you will see changes to better all the lives of your people."
Jesus said: "My son, you have lost a number of your prayer group members to old age and sickness. Remember each one of them as they have deceased, especially Sam Cimino, recently. You can offer up Masses and prayers for his soul. You could even relate some of your past experiences with Sam for your prayer group people who did not know him."
Jesus said: "My son, you have been traveling in your van with good weather. Now that winter is coming, you will see more difficulties in your driving conditions. Take along some extra food, water, and emergency items in case you get stranded with car problems. Also, remember your long form of the St. Michael prayer both coming and returning. Pray your St. Therese Novena for the success of your Spanish and English DVD for your recent update. It is important to get My messages out to the people before the tribulation begins. Trust in Me and call on My angels when you are in need of help both physically and spiritually."

Friday, November 7, 2014

November 19, 2014
Friday, November 7, 2014:
Jesus said: "My son, I want you to be joyful as well when you go out on your mission to My people in sharing My Good News of salvation. You also are

citizens of heaven, as you are faithful to Me through all of your earthly trials. When you have hope in Me, your heart and soul are at peace because you are assured of My grace and My help in all that you do. Keep praying your St. Michael prayer and your St. Therese Novena for your safety and a successful Spanish and English DVD. I love all of My people, and especially those who go out to evangelize souls. Your work is helpful in building up My Church, which is facing more persecution. You may encounter some trials on your trip, but I will send My angels to guard you, and assist you against any attacks of the evil ones. Go in confidence that you are sharing My Word to bring joy into the hearts of those who hear My messages."

Saturday, November 8, 2014

November 19, 2014
Saturday, November 8, 2014:
Jesus said: "My people, you are seeing one of the end time signs in the weak faith of the people. My true faithful are always at Mass on time, but the lukewarm come in late, or not at all to Sunday Mass. It is hard to find a deep fervor in people, as attendance at Sunday Mass continues a steady decline. Your people have plenty of opportunities to come to church now, but in a while you will see Christians being persecuted for attending public church services. You will soon have to come to the homes for Mass and prayer groups. This is why it is good to belong to a prayer group, where you can meet My followers of like mind. Eventually, the persecution of Christians will be so great, that you will need to seek the safety of My refuges, where My angels will protect you throughout the tribulation. Have trust and confidence in My protection, because I am more powerful than all of the evil ones."
Jesus said: "My people, just as you have prayer groups and deliverance prayers to save people, so there are occult group meetings that desecrate My consecrated Hosts in black masses. You truly have a battle of good and evil. Just as the demons shouted out that I am the Holy One of God, so the evil people of today recognize that My consecrated Host truly is My Body and Blood. This is why these evil ones try to get My consecrated Hosts so they can desecrate them. My people need to wear their blessed sacramentals of rosaries, scapulars, Benedictine crosses, blessed salt, and holy water for protection from the evil spirits. You also need to pray for all of your family members for their souls to be

saved. Pray your long form of the St. Michael prayer to break any addictions in your family to free them of their demons. My faithful also need monthly Confession, Sunday Mass, and visits with Me in Adoration to have the grace to fight the demons and evangelize souls to be saved. By fighting evil in your own family, you can give an example to other families."

November 19, 2014
Sunday, November 9, 2014: (St. John Lateran Basilica dedication)
Jesus said: "My people, you have just read in the Gospel how I overturned the tables of the money changers, and I made a cord to chase them out of the Temple. I accused those people of buying and selling in God's house. There was even a quote how My house consumes Me with love for My places of worship. Today, you have another evil of homosexual priests, and even some Masons that have infiltrated into the hierarchy of My Church. How I would love to cleanse My Church of these evil ones, but I cannot violate their free will at this time. Be assured that at the judgment, these men will have to answer for their sins, and for misleading the people with their lies and their actions. I call My faithful to obey My Commandments, even despite any clergy who speak otherwise. In these end times there will be a division in My Church, and do not follow the schismatic church. The evil ones will teach New Age beliefs that are contrary to My teachings. They will also teach that sexual sins are no longer mortal sins. You will have to have your Masses and prayers said in the homes when the schismatic church takes over."

Monday, November 10, 2014

November 19, 2014
Monday, November 10, 2014:
Jesus said: "My people, in today's Gospel I asked My apostles who I was. Finally, St. Peter claimed that I was the Christ, the Son of the Living God. My people also need to know who I am, because many are losing respect and reverence for My Blessed Sacrament. Not all Catholics believe in My Real Presence in the My consecrated Hosts. I am still Present in My Body and Blood

in every Eucharistic Host. Just as the king of Babylon abused the sacred vessels of Israel, so you will see abuses in My own Church as well. The vision of the hand writing on the wall: mene, teckel, and peres, was representing the fall of Babylon that was to come. So even in your own country you are seeing other signs of the writing on the wall of your own coming destruction. Your abortions and your sexual sins alone, are calling down My justice on America, and you will be punished by the loss of your freedoms. The one world people will be allowed to bring your country down, as you will become a part of the North American Union. This is just one step closer to the coming of the Antichrist during the tribulation. My people will need to seek My refuges for their protection, as they leave their homes. Trust in My protection from the evil ones, as you will find rest at My refuges."
Jesus said: "My people, your most important possession is your soul, so you need to protect it from sin and the devil's temptations. You can protect your soul by monthly Confession, and by wearing your blessed sacramentals. Put blessed salt around your house, and you can place blessed medals over your doors and windows. You can have your homes consecrated to My Sacred Heart Enthronement for your home's protection. My Blessed Sacrament should be an important part of your life, where you receive Me in Holy Communion at Mass, and you adore Me at Adoration. Receiving Me in Holy Communion is your best taste of heaven on earth. At the Warning everyone will know that they have to come through Me to get into heaven. In St. John's Gospel I said: "Unless you eat the Flesh of the Son of Man, and drink His Blood, you shall not have life in you. He who eats My Flesh and drinks My Blood has life everlasting and I will raise him up on the last day."

November 19, 2014
Tuesday, November 11, 2014: (St. Martin of Tours)
Jesus said: "My people, this Gospel reading is truly about My day of judgment for all souls. You see Me separating My sheep from the goats, where the sheep are My believers who are saved, but the goats are the evil ones who are lost in hell. Then I went into an explanation of who are the good people and who are the evil people. Every person is made to My Image and likeness, and each

person is a temple of the Holy Spirit. So if you meet someone who is hungry, or needs a drink of water, or is sick, or in prison, you should help that person because I am in them, like the beggar. So those who love Me and help their neighbor out of love, they will be welcomed into heaven. But those who refuse to love Me and refuse to help their neighbor out of selfishness, these will be cast into hell. You all will have to face Me at your judgment, and your actions will be judged on how you loved Me and your neighbor. All of your good deeds and works of love are stored up in heaven to offset all of your sins. So do not come to Me with empty hands without any good works, because I will claim that you do not know Me. If you knew Me, you would have fed Me, clothed Me, and comforted Me in your neighbor. Your life should be one of love that you share with Me and your neighbor. There is no room for being selfish or loving only yourself, for those who come to heaven."

November 19, 2014
Wednesday, November 12, 2014: (St. Josephat)
Jesus said: "My people, you all have some imperfections, and it may seem that you are spiritual lepers in your sins. You all are calling out to Me to be healed by My forgiveness and absolution in Confession. Once you are healed in your souls and made clean again, you need to give Me thanks for dying on the cross for you. In other times, people ask Me for various petitions, but once a prayer is answered, very few remember to thank Me for any healings. Just as the one leper returned to give praise and thanks to God for his healing, so My people need to be thanking Me as well. This also applies to when people help you in any way. You need to thank people for their help and hospitality. You also need to reach out and help people when you see that someone needs help. Even with the Poor Clares here, you need to thank them for their life's dedication to prayer and helping people. I have told you that monasteries will be places of refuge during the coming tribulation."
For Carol (not my wife): Jesus said: "My people, when anyone dies, it is appropriate to have Masses and prayers said for that person's soul. You do not know My judgment of a person, so praying for the souls in purgatory would be most helpful for them. Do not assume that all souls go straight to heaven because only a few do so. Pray for Carol's soul and have Masses said for her. She needs a

little purification as most souls do."
Jesus said: "My people, as you take advantage of the opportunities to attend Adoration and the celebration of Holy Mass, I want you to relish these moments with Me. A time is coming soon when My churches will be closed with barbed wire, and you will not be able to enter. You will need to go to your homes to celebrate Mass and pray because such activities will be outlawed in public by your government. The Christian persecution will become so great that your lives will be in danger. Once you see Christians being martyred, you will be called to the safety of My refuges, where My angels will protect you from the evil ones. Some Christians will be martyred, but they will become instant saints in heaven. The rest of My faithful will be at My refuges. Rejoice in My protection because I will soon bring My victory over the evil ones who will be cast into hell. Once the evil ones are removed, I will renew the earth and I will bring My faithful into My Era of Peace and later into heaven. Be patient with the current evil world because the days of the evil ones are numbered. I love all of My people, but you must repent of your sins and accept Me as your Savior, in order to enter heaven."

Thursday, November 13, 2014

November 19, 2014
Thursday, November 13, 2014: (St. Frances Xavier Cabrini)
Jesus said: "My people, just as St. Paul and many saints were in prison, so My people will have to endure a great persecution, where some will be tortured and killed in the many detention death camps in America. All of My believers will be targets for extermination by the one world people who are controlled by Satan.
Just as the Moslems are killing Christians in other countries, you will soon see the same threat in America. My faithful need to have their backpacks ready to leave for My refuges at any time. As soon as I warn you that it is time to leave, My faithful, who leave on time, will be saved at My refuges. Those, who do not leave right away, are risking being captured by the men in black, and these faithful will be thrown in prison and later martyred for their faith. Those, who are martyred, will become instant saints in heaven. My faithful, who come to My refuges, will be protected by My angels, and you will have food, water, and bedding for the less than 3½ years of the tribulation of the Antichrist. Rejoice, whether you are a martyr, or you are at My refuges, because you will all be

sharing in My coming Era of Peace for your reward for being faithful to Me."
Prayer Group:
Jesus said: "My people, the chapel of Divine Mercy in Stockbridge, Massachusetts is very ornate with relics of the saints. I am showing you this chapel because this devotion to the Divine Mercy is very important to remember to pray the chaplet at the 3:00 p.m. hour. You have seen how powerful this chaplet is in saving souls, if you pray it at someone's death. When you call on My Divine Mercy, I will always listen to those requests, especially in having mercy on souls that are leaving their body. The soul remains around the body for several days, so your chaplet is effective while the soul is there."
Jesus said: "My people, there are some religious orders, as the Poor Clares, who pray for the world's souls in their contemplative prayer of silence. I have asked My adorers to take five or ten minutes to pray in silence with contemplative prayer. During that silence I could talk to your soul, and give you advice on how to live a holy life. The more you come to Me in your Adoration visits, the easier it will be to listen to My advice for how to live your lives."
Jesus said: "My people, you need to pray for your priests and bishops without criticizing them or gossiping about them. Only if they are making heretical statements, should you speak out against My clergy. My priest sons are being tested every day, so they need your prayers and your support in their ministry, which provides you My sacraments. Pray for more priestly vocations because priests are needed for the harvest of souls. Some of your churches are being closed because of a priest shortage. Each priest is My gift to you because I am acting through each of them."
Jesus said: "My people, My Eucharist is My very Presence among you in every tabernacle. Give reverence to My Eucharistic Presence by genuflecting when you come into a Catholic Church. Some churches do not have My tabernacle in plain sight, but it is in a back room. I am the most important Guest, so My tabernacle should be in a prominent location. Give reverence in receiving Me in Holy Communion by bowing or genuflecting, and it is more reverent to receive Me on the tongue, instead of in the hand. You also need to take some private moments with Me after you receive Me. By giving reverence to My Eucharistic Host, you are acknowledging your true belief in My Real Presence in My consecrated Hosts."
Jesus said: "My people, My sacrament of Reconciliation is very important for souls to cleanse their sins and to seek My forgiveness. It is necessary to have a pure soul in order to lead a holy life. My faithful should come to Confession at

least once a month so you can remember your sins. If you should commit a mortal sin, then you need to come to Confession as soon as you are able. You need to confess any mortal sins before receiving Me in Holy Communion, so you do not commit a sin of sacrilege. Make sure you make a good examination of conscience before you come to Confession. Remember to do your penance from the priest, and have true contrition that you are sorry for having offended Me in your sins."
Jesus said: "My people, faith is a gift from Me, and it needs to be instilled by good training and a good example from parents or grandparents. When your children are young, you take them to Sunday Mass, and you should take them to monthly Confession as well. As your children grow up, sometimes they lose their original fervor for the faith. You need to pray for your children, even when they leave your house, so they can keep the faith. Encourage your children to attend Sunday Mass and come to Confession. Your prayers can be your children's salvation, so be persistent in your prayers for them."
Jesus said: "My dear prayer group people, I am pleased with all of your prayers and petitions that you bring to Me each week. When you pray in a group, you multiply the prayers and graces that I bestow upon all of you. Even this church and parish receive graces for your prayers of Adoration at your meetings. Continue to have faith in all that I do for you in your daily activities, but your prayer time is needed to help all of the souls in the world and your individual petitions."

November 19, 2014
Friday, November 14, 2014:
Jesus said: "My people, in the last week of the Church year before Advent begins, you will see more readings of the end times. Today's Gospel shows you three incidents of My justice. The first incident was against those who were killed by the flood when it rained forty days and nights. The second event was when Lot was led by the angels with his family out of Sodom. But Lot's wife was turned into a pillar of salt when she looked back at the destruction of Sodom and Gomorrah. Some were killed then because of their homosexual sins. The third event has not happened yet, but it will be at the end of the tribulation. This will be when I will bring My Comet of Chastisement that will hit the earth, and

two-thirds of the people will be killed. This will be My victory over the Antichrist, the false prophet, the demons, and the evil people. During the three days of darkness, the evil ones will be cast into hell. Before the comet comes, I will take My faithful up into the air so they are not killed by the comet. I will then renew the earth, and I will bring My faithful into My Era of Peace. Rejoice as you see My justice carried out in this generation, just as it was in the time of Noah and Lot. Those, who repent of their sins and accept Me as their Savior, will be saved, but those, who refuse to love Me, will be lost in hell. Choose life with Me now, or you will burn forever in the justice of hell."
Jesus said: "My people, you have been fortunate to find new domestic sources of natural gas and oil because more oil is available and global demand for oil is down. You have seen lower crude oil prices as well as lower prices for gasoline. This low price is helping many families to cut down on their fuel bills. Once the winter weather arrives, your natural gas heating bills will be going up, but not as much as in the past. As colder temperatures and snow become a problem, you could again see some power outages. Be ready with extra alternative fuels and extra food in case power outages are worse than normal. Many times it is the blizzard winds that can cause problems. You are still picking up your tree leaves because the trees were slow to drop them. Your people are struggling to get the leaves picked up before heavy snow storms arrive. Having snow blowers ready and your heaters maintained, would be good preparations for the coming winter. Most of your weather people are predicting another cold and snowy winter as last year. It was the deep cold below zero temperatures that caused some people to die from exposure. You may have to check your older neighbors who could use some help to get through the winter. Helping your neighbor out of love should be your everyday thinking, and not just when you are asked."

November 19, 2014
Saturday, November 15, 2014:
Jesus said: "My people, at another time I gave a message of a funeral with a caisson, but this was for one of your retired presidents. Now, I am showing you another funeral with a black casket that is for an acting head of state. There is a strong possibility that your current president is in danger with all the recent breakdowns in his security at the White House. There are terrorists who could

threaten any of your leaders. This should be a warning that your Secret Service and your Homeland Security should be on alert for any attempts on your President's life."
Jesus said: "My people, your President is speaking of writing a new Executive Order that would change your immigration laws to allow a form of amnesty for illegal aliens. This action is questionable according to your Constitution, and it could evoke a drastic response from the opposite party. In the vision I have shown you a gavel in a courtroom. There will be a challenge of such an order in the courts, and it could even be heard before the Supreme Court over this Constitutional breach of authority. If your President continues to go around Congress to write his fiat laws, then he would be equivalent to a dictator. This is why the opposite party will fight these Executive Orders. Pray that there could be some compromises instead of a war of words."

Sunday, November 16, 2014

November 19, 2014
Sunday, November 16, 2014:
Jesus said: "My people, this gold beast in the vision is how some people are concerned with acquiring wealth for its own sake. This is a symbol of greed consuming people in its worst form, when people lie, cheat, and even kill people for wealth. Those, who desire wealth in this way, are not trusting in Me to provide for them. Instead, some people think if they have a lot of money, that they can depend on themselves for everything. Do not worry about what you will eat, drink, wear, or where you will stay. These are the things that the worldly people are seeking. Seek first the Kingdom of God, and all of these things will be given to you. You need to trust in Me for everything every day, and I will provide for your needs. I know what you need, and I will see to it for you."

Monday, November 17, 2014

November 19, 2014
Monday, November 17, 2014: (St. Elizabeth of Hungary)
Jesus said: "My people, alcoholic drinks can be very deceiving. At first people drink to socialize with one another at parties. Gradually, drinks are taken every

day, and it could quickly lead to instances of getting drunk. Some people seek to get a high feeling, but this drinking to excess is sinful, because you lose control of your faculties. This can be dangerous to yourself and others if you drive and drink, and even in combination with any medicines. Some drinkers get violent and beat people. Controlling a drinking condition needs to start with a desire to stop drinking. Some are able to detox and keep clean, but it may require help in a treatment center. It may also require removing any liquor, or access to buying it. It is the enabling of money and buying liquor that could perpetuate this addiction. You also need to pray your St. Michael long form prayer to release the demons that are controlling people. Many families have such drinking problems passed on from earlier generations. That is why your generational healing exorcism prayers are needed to stop this cycle of passing such addictions on to the children. Keep praying for the healing of any drinking and drug addictions in your family, and be persistent in your prayers as the blind man called out to Me to be healed in the Gospel."

Jesus said: "My people, this vision of a knight in armor, is how I want My faithful to be strong in Christian warfare as you put on the armor of God. You are fighting a battle of good and evil as St. Paul writes to the Ephesians (6:10-17): 'For our wrestling is not against flesh and blood, but against the Principalities and the Powers, against the world-rulers of this darkness, against the spiritual forces of wickedness on high.' So you need to be defenders of the faith in My armor. You wear the breastplate of justice, the shield of faith, and the helmet of salvation. Whenever you hear heretical statements from any source, you are bound to call them heresies in public, and alert My faithful not to follow any heresies or heretics. A day is coming when some leaders will speak heresies, and you need to be brave enough to stand up against those leaders who are misleading the people with heresies against the sound teachings of My Church, as described in the Catechism. Pray for the Holy Spirit to help you in what to say to any heresies."

November 19, 2014

Tuesday, November 18, 2014: (Dedication of St. Peter & St. Paul Basilicas)

Jesus said: "My people, today's Gospel is all about keeping your faith in Me through all the storms of life. When I was walking on the water to My apostles, I

called St. Peter to come to Me on the water. He also started walking on the water, but when he took his focus off of Me, he was fearful of the wind and from drowning. I questioned St. Peter in his faltering faith. This is a lesson for all of My people, that you need to keep focused on Me in faith through all of life's trials. Just as I calmed the storm, so I can calm the storms in your lives, if you call on My help. Many people have fears and worries about things that they cannot change. Fears, worries, and anxieties are tools of the devil to weaken your faith. If you have the faith of a mustard seed, you would not doubt My protection in providing for your daily needs. Have confidence and faith in Me, even if you must suffer anything for Me. My love is with you always, and that should be enough for you."
Jesus said: "My people, when the events are serious enough to endanger your lives, you can call on Me, and I will have your guardian angels lead you to the nearest refuge. You may be led to several smaller interim refuges, before you are led to your final large refuge. At the interim refuges, you may have to use your backpacks and sleeping bags until you find a refuge with dormitories. In the vision, you saw some people bedded down in a basement on the floor. Be thankful that My angels are putting invisible shields around you so the evil ones cannot harm you. At all of My refuges you will have something to eat and drink, with a place to sleep. I will multiply your food, water, and fuel to keep you warm. Put your trust in Me when you leave your home because you are not returning home. You will be living in full trust of what you need from Me. You will even have daily Holy Communion by a priest at Mass, or by My angels. Pray that you will be at a refuge with a priest. I have asked people to set up My refuges, and My faithful will be benefitting from their work. Be sure to thank them for all that they do to help you."

December 3, 2014
Wednesday, November 19, 2014:
Jesus said: "My people, in today's Gospel you are reading St. Luke's account of the parable of the talents. You are seeing the contrast between those who used

their God-given talents to make a living, and those who did not use their talents out of fear and laziness. You cannot help but notice there are similar contrasts in your own society. You have some people who are industrious, and they do well with their talents to prosper in making a living. On the other hand, you also have those who are not working, and they are being supported by your taxpayers. It is a waste of people's talents when they do not even try to get a job, like the rest of your society that is working. When you come to the judgment, you all will have to answer for what you did with your life. Many of you may have to spend some time being purified in purgatory. Others, who did not use their talents, may have a longer time in purgatory for not carrying out their mission in life. I am merciful, but some may receive My justice for all of their abuses and laziness. Reach out and help your neighbor in good works, and you will store up treasure in heaven."

Jesus said: "My people, in an earlier message (9-8-14) I warned you to be prepared for power outages that could come from another cold and snowy winter like last year. Already you have seen a terrible snowstorm in Maine where 140,000 people lost electricity. Now, you have just seen a huge arctic cold wave that has caused much colder temperatures than normal for most of your country. The worst lake effect snow levels of almost five feet of snow has occurred just south of Buffalo, N.Y., and it closed the main highway for several days. Get used to these weather disasters because this is just the beginning of winter. You can see why I have had you stock up on food, water, and fuel, when you get snowed in without access to your stores. You may want to put emergency food, fuel, and water even in your cars, as you saw people stranded in their cars for days. Some may think that these preparations are too much, but it is better to be supplied than to go without anything to eat and drink. Continue to trust in Me to protect you, and provide for your needs."

December 3, 2014

Thursday, November 20, 2014:

Jesus said: "My people, in the Book of Revelation you are seeing unusual symbols of My glory in heaven. Because I died on the cross for your sins, I am the Lamb who was slain, and I am the only One worthy to open the book with the seven seals. This world is passing away, and it will be coming to an end after My Era of Peace. The evil ones are being allowed a brief reign, which will get

worse, but I will be protecting most of My faithful, since some people will die in martyrdom. Evil may appear to be in control for a while, but I still limit what they can do, and when they can do it. Only after the Warning will the evil ones be allowed to rule the world for less than 3½ years. My faithful will be called to My refuges during this tribulation. At the end of the Antichrist's brief reign, I will bring My punishment on the earth, and all the evil ones will be cast into hell. Then My faithful will be brought into My Era of Peace, and later into heaven. You will suffer your purgatory on earth during the tribulation. Rejoice that My coming victory will finally bring true justice to the earth."

Prayer Group:

Jesus said: "My people, you need to pray for all the people in southern Buffalo, N.Y. where they are clearing out over 70 inches of snow. Many vehicles and trucks are stranded in the snow and there have been eight or more deaths caused by this storm. When you see people unable to travel from their home, now you understand why I advised My people to stock up on food, water, fuel, and wind up flashlights. These are good preparations for any disasters or power outages."

Jesus said: "My people, your Congress and your President have different plans for immigration reform. It is troubling that your President is purposely going around Congress to pass his own fiat rules, no matter what he calls them. This is challenging your Constitutional powers when the Executive Branch overrules the Legislative Branch in making its own laws. This is a serious precedent which would allow your President to pass further laws on other cases that could not be passed in Congress. Your law abiding immigrants are being usurped by illegal immigrants at the stroke of a pen. Pray that there are not any serious problems as a result."

Jesus said: "My people, this court decision over a policeman killing a person, has caused some dissension in this neighborhood of Ferguson, Mo. It is questionable whether any of these disturbances are being aggravated or not. Pray that peace will come to this area that has seen some destruction already."

Jesus said: "My people, your temperatures are going to get warmer, but the rain and melting snow could cause some flooding in some areas. Pray that your travel conditions will not hinder families from coming together for the holidays. Those, who are traveling, may want to pray their long form of the St. Michael prayer for protection on their trip. They also could take extra food and water with them in case they could get stranded in their vehicle. These first serious snowstorms have put people on alert that bad weather can be dangerous. By watching the weather reports, you can see if it is safe to travel."

Jesus said: “My people, next year your new Congress may have a new agenda, especially in the Senate. Many of your house passed bills did not even get debated by the Senate because the leader of the Senate blocked them from the floor. Next year your President will be faced with vetoing spending bills or not, which could shut down your government. You will see a serious need for some compromises in getting your necessary money appropriations passed. Pray that there are some reasonable compromises made for the benefit of your country.”
Jesus said: “My people, the cruel killings of these rabbis in Israel is calling out for justice by Israel’s leaders. The killers were killed and their homes are being destroyed. These continuing acts of terror against innocent people have raised tensions between the Israeli people and the Palestinians. Keep praying for peace in Israel, Syria, and Iraq.”
Jesus said: “My people, you have seen some people die from heart attacks in their snow removal. Your people need to be more prudent in any risks that are needed to clean any snow in the driveway. You also need to help older people to stay warm in their dwellings so they do not die of cold exposure. Families need to keep checking on their older parents so they are not in any danger from the winter cold. Even the homeless people may need some help to stay warm on cold winter days. Help your neighbors in need who may have to get food from the store. You can also make some Thanksgiving donations to your local food shelves for the poor to be fed.”

December 3, 2014
Friday, November 21, 2014: (Presentation of Blessed Virgin in Temple)
Jesus said: “My people, in years past, you used to receive loaves of bread from your pastor for Thanksgiving. This joy will probably not happen at your new parish. The thought of sharing your bounty with others for Thanksgiving, is still a way of helping those who are poor, and in need of food. You could give a donation to your local food shelf either with money or a food gift. Pray your rosaries for the poor people, as you honor My Blessed Mother’s feast day. By sharing with the poor, you are showing your love for both Me and your neighbor. You also have the joy that you are helping someone who will not be able to repay you, so you will gain treasure in heaven.”
Jesus said: “My people, you already have seen bad snowstorms in Maine and lake effect snow around Buffalo and Oswego. This vision of a blizzard

snowstorm is a sign that you are going to see more snow disasters throughout the winter. It would be prudent, as I have been warning you, to have some extra food and water, and an alternative heating system for possible power outages. People in Buffalo would be happy to have such preparations when they could not even get out of their houses. With a warming trend, some snow could melt and threaten some flooding. You have seen by these recent storms how important it is to have enough food and water on hand. Have some extra light sources also as oil lamps, and windup flashlights. You are seeing colder and snowier winters than before, so be prepared. Trust in My help to provide for your needs every day."

December 3, 2014
Saturday, November 22, 2014: (St. Cecilia)
Jesus said: "My people, as you approach the end of the Church Year, your thoughts are focused on the end of your life, and the end times of this evil age. Many people do not even think of how their life is coming to an end, and how to prepare for it. As people grow older and their health is not like it used to be, these restrictions may help in realizing that life is not going on forever. Your life will end one day, so now is a good time to prepare. You want to die in the state of grace, so coming to monthly Confession is your first step in keeping your soul pure. Daily prayers are important to show your love for Me, and to give Me some time each day. Making time for Me each day may require some planning around your days' events. While you are able, you should try to help others to store up treasure in heaven to balance your sins. When I see that you are consistently faithful to Me throughout your life, I will reserve a place in heaven for you, even if you need some purification in purgatory. I have mentioned before that the dark days are in the tribulation of the evil ones, and this time will be your purgatory on earth. By being ready to die every day, you are also preparing yourself for the end days, which could be at My refuges. Keep the faith, and keep your soul pure and prepared to meet Me at your judgment."
(Christ the King) Jesus said: "My people, in tonight's Gospel you are seeing Me as King, and I am separating My sheep from the goats at the judgment. Those, who worship Me on Sunday and pray to Me daily, are My faithful remnant that I will welcome into heaven. But there are many evil ones who worship Satan with all of their occult potions, enneagrams, Ouija boards, crystals, and the like. You

also have people who worship earthly idols of fame, money, sports, or possessions, instead of worshiping Me. All the Satan worshipers and idol worshipers are on the road to hell if they do not convert at the Warning, and change their allegiance to Me. Souls can only come into heaven through Me. If I tell the evil worshipers that I do not know them, then they will be cast into hell. All souls have to choose which territory they want to be in: either the Lord's territory or the devil's territory. There is no in between choice, so each person must make his or her own choice for all eternity. Repent of your sins and accept Me as your Savior, and you will be with Me in heaven forever."

Sunday, November 23, 2014

December 3, 2014
Sunday, November 23, 2014: (Christ the King)
Jesus said: "My people, today you are celebrating My Kingship as My victory over sin and death, as well as a victory over the evil ones of the world. I am truly King, and I am in control of all of the things being allowed on the earth. The demons are in restraint, and they are only allowed what people call down on themselves. You are seeing your old picture in this vision of My coming judgment on the earth. You are seeing Me on My judgment seat, where I am harvesting the souls at the end of this age. I have a sickle in My hand to harvest My faithful souls as the wheat that I will put into My barn, representing heaven. My angels are being unleashed to harvest the grape clusters of the evil ones who will be cast into hell. Every soul will have to answer to Me for all of his or her actions. I will weigh your good deeds against your sins. This is why souls need purification to make up for any deficits. Rejoice in My Kingship, because the reign of the evil ones will be brief."
Jesus said: "My people, in previous messages, I have told you that during the tribulation, My angels will provide shelter, food, water, and fuel for My faithful at all of My refuges. My angels will finish building any needed bedding at all of My refuges. They will bring food, water, and fuel to all the refuges that do not have any preparations. This is why even at this site you could see My angels leveling this field and building any necessary dormitories. Do not think that I cannot bring this about, because I will be performing the impossible for all of your needs. Trust in Me fully to provide for all of your needs."

Monday, November 24, 2014

December 3, 2014
Monday, November 24, 2014: (St. Andrew Dung-Lac & companions)
Jesus said: “My people, I have told you in previous messages how My angels are marking crosses on the foreheads of My faithful people. You cannot see your crosses now, but you will see each other’s cross during the tribulation. The evil ones will not see your cross, and they will not have a cross on their foreheads, but they will have the mark of the beast. This cross on the forehead will allow you into My refuges. My angels are instructed not to allow anyone in, without a cross. Even when the judgment comes, only those with a cross on the forehead will be allowed into heaven. In the reading from the Book of Revelation, it speaks of the 144,000 who were sealed on their foreheads who would be saved. This is a symbolic number, because there are more Gentiles who will be saved in heaven. Only souls that repent of their sins, and accept Me as Savior, will be allowed into heaven. You cannot come into heaven except through Me, because I am the Good Shepherd at the gates of heaven. My faithful should have no fear of your earthly sufferings, because you are promised a place in heaven. But woe to those souls who refuse to love Me, and refuse to repent of their sins, because they are on a path to hell of their own choosing.”
Jesus said: “My people, there are evil people who try to use suicide tactics in order to keep a secret from being exposed. You are about to see some ruthless tactics being used to kill a lot of people with deadly gases. Some use deadly radiation, or plutonium weapons so they can kill a lot of people all at once. There are many ways to kill large numbers of people. You heard about a deadly virus as a pneumonic plague that could kill millions of people in a short time. This is why such deadly viruses should be contained from evil people stealing such weapons. By keeping track of where these viruses are, hopefully your people can keep such viruses out of the evil ones’ hands. Satan and these evil ones can try to reduce the population, but they will be unsuccessful in killing all of My faithful. When you come to My refuges, you could look on My luminous cross so you will be healed from these deadly viruses. Trust in My protection from all of the evil ones who are trying to reduce the population.”

Tuesday, November 25, 2014

December 3, 2014

Tuesday, November 25, 2014: (St. Catherine of Alexandria)
Jesus said: “My people, a time is coming when I will bring My judgment upon the earth when you will see great plagues come against the evil ones. My faithful will be protected, except for some who are martyred for their faith. The tribulation will be a terrible time of evil, but My faithful will be protected at My refuges. It is true that many may be fearful of the things going on around the end time. My faithful should not have any fear because My angels will protect you. Even if you should be martyred, you will go instantly to heaven. I have told you before that fear, anxieties, and worries are all from the devil to take away your peace. So go on about your daily activities until these things will happen. I will help those who are building refuges in their expenses and plans. Be prepared to go to your refuges with your backpacks, tents, and sleeping blankets, but have trust in My protection.”
Jesus said: “My people, some of the people of Ferguson, Mo. think there was an unfair review of the case of a white officer killing an African-American. By the numbers of protesters and some of the violence, you can question the intent of their gatherings. There are some who think that there were agitators in the crowd that were stirring up the people into a riot, over this decision of the grand jury to not indict the policeman. Even other cities were trying to show protest support for what some say was an unjust decision. The one world people like to stir up trouble, especially among the races. Much of this protest appears to be instigated for causing racist divisions. These divisions are what the one world people are all about in their agenda for a takeover of America. It is basically divide and conquer, wherever they can encourage divisions among people. If you know their agenda, you can determine what they are going to do. Pray for peace among your people, because you do not need any more wars.”

Wednesday, November 26, 2014

December 3, 2014
Wednesday, November 26, 2014:
Jesus said: “My people, you remember when Bishop Sheen spoke of all the wasted pain in the hospitals. What he was saying, is that all of you could offer up your pain for souls because it has redemptive merits. You are actually joining your suffering with My suffering on the cross. You are going to be experiencing pain in some form throughout your whole life. So do not waste these opportunities to offer up all that you suffer for poor sinners and the poor souls in

purgatory. You, personally, have had experiences in the past when you suffered some kind of physical pain before or after your talks for the souls of the people you were talking to. Even now, you are going through this again, so offer it up for the souls that you visited. At times when you experience pain, you can empathize more with other people's pain that could be worse than your own. This is why you need to pray for all the sick people who are suffering in any way."

Jesus said: "My people, I am showing you a vision of heroism when a fireman was able to throw a life preserver out to a person swept away by a flood. Then the person's life was saved when he pulled the person out of the water. Many people understand how precious a life is, and some people are even willing to put themselves in danger to save others. You may even call such people heroes. You are made up of body and soul, where both are precious to Me. I wish that people were as intent on saving souls, as they are in trying to save the physical body of people. You have evangelists and missionaries literally throwing out a life preserver to save souls with My Word, so the souls would repent of their sins and be saved. The body is going to die and turn to dust, but the soul lives on forever. So truly saving souls in that way, makes evangelists even more heroic for saving souls instead of just the body. There is a reality in each person's judgment, because there is a heaven and hell, as well as a purgatory for purification. So you have to choose to be with Me in heaven, or with Satan in hell. When the devil can trick people into thinking there is no hell and no devil, then he has won such souls. The devil is a great deceiver with his lies, but I only speak words of truth. You can only come to heaven if you repent of your sins, and accept Me as your Savior who died for all of you on the cross. I reach out to save many souls, but many refuse to listen to My pleas. You can come to Me in heaven out of love for Me, or some may come to Me by avoiding the eternal fires of hell. Show your love for Me in prayers, and your love for your neighbors in doing good works for them."

Thursday, November 27, 2014

December 3, 2014

Thursday, November 27, 2014: (Thanksgiving)

Jesus said: "My people, today is a great opportunity for all of you to appreciate all the gifts that you have been given in your children, grandchildren, and great grand-children, your life, your faith, and all of your possessions. You need to

realize that you are dependent on Me every day for your very existence and all that you have. This is why the Gospel of the Samaritan leper who was healed and returned to thank Me, is appropriate for today. You all have so many blessings, that you cannot even count them. Just as when I answer your prayers, I await your prayers of thanksgiving. When you do things for other people, you almost expect some kind of thank you from them. You do not force them to say something, but they should respect you in some way. One of the best ways you can thank Me, is to share your gifts with those who are in need, as the poor. If you truly love Me in your neighbor, you should show your love in donations or actual work for them. When you share your gifts, you even have a great feeling of joy that you were able to help someone."

Friday, November 28, 2014

December 3, 2014
Friday, November 28, 2014:
Jesus said: "My people, in the first reading from the Book of Revelation, you are reading about the very end times that you have been given as a mission. You have warned the people for many years not to take the mark of the beast, or a computer chip in the body. Even in your present world, the evil ones will soon be trying to force chips in the body on people. Refuse to take any chips in the body, even if the authorities threaten to kill you. I will be warning My faithful when it is time to come to My refuges, once your lives are in danger. Remember that My power is greater than the evil ones, and that I will protect you with miracles by My angels. Some of My faithful will be martyred, even by being beheaded as in today's Gospel, but they will become instant saints in heaven. Once you see My Warning or illumination of conscience with your mini-judgment of a life review, then the events will quickly lead up to the Antichrist's reign. His reign will be brief before I will bring My Comet of Chastisement on the world. Then My faithful will be lifted up to protect them from being killed. The evil ones will be cast into hell, and I will renew the face of the earth. Then I will bring My faithful into My Era of Peace, which will be the new heavens and a new earth of the first reading (Rev. 20). Rejoice, My people, because your redemption is at hand in your lifetimes."

Saturday, November 29, 2014:
Jesus said: "My people, this is the last day of this Church Year, and you will start another Church Year with tomorrow's First Sunday of Advent. The readings are speaking of being ready for the end of this age with My victory over evil. In the vision you are seeing people called on the carpet to their judgment before Me. By your daily prayers and frequent Confession, you can keep your souls pure and ready for your death, or the end of this age, whichever comes first. My faithful need to be ready to die any day, because you cannot even be sure that you will see tomorrow. While some people are more concerned about shopping for Christmas, the worldly may not be ready in their souls for when they will die. Those, who worship idols of the world instead of Me, will be in for a big surprise on their way to hell. Pray for all sinners to be aware of their coming judgment by leading good lives."
Jesus said: "My people, there has been a lot of questions about why the National Guard was not called out earlier to prevent rioting, fires, and destruction of the local stores. It was obvious that the protestors would react badly when the policeman was not indicted. Emotions were boiling over, but it was not an excuse to loot and firebomb buildings and police cars. This is what happens when crowds are incited and firebombs are intentionally used. Hopefully, if there are any other demonstrations, your authorities should be there in numbers to quell any riots. Civil disobedience does not help anyone's cause when such destruction results. Now the people in that area will have less stores to buy from. Keep praying for peace among your races, but be aware of thugs and vandals who only want to cause trouble."

Sunday, November 30, 2014

December 3, 2014
Sunday, November 30, 2014: (First Sunday of Advent)
Jesus said: "My people, the word in the Gospel is 'Watch' not only for My first coming at Christmas, but also for My coming again either at the end of your life, or at the end of this age. You are also in preparation for My coming Warning, which will signal the coming of the Antichrist's reign. One preparation is prayer and frequent Confession, so you are ready to meet Me in your mini-judgment of

the illumination of conscience. Another preparation is having your backpack, tent, and sleeping bags ready to leave for My refuges. I have had some faithful preparing refuges for people to stay and live throughout the time of the tribulation. These refuges will have angel protection, My luminous cross for healing, food, water, and bedding. When I give you the time to leave, you are to leave in haste for My refuges, guided by your guardian angels. This modern day Exodus is similar to the same haste to leave Egypt. Once you see the world famine, the division in My Church, martial law, and mandatory chips in the body, you will know to leave your homes for My refuges. Then the Antichrist will declare himself in his brief reign, and the 3½ years of the tribulation will begin, but the time will be shortened for the sake of My elect. So be watchful for My Warning that will be My grace for all sinners to convert, if they so desire."
Jesus said: "My people, this vision of water going down a drain, represents what will soon happen to the dollar when it crashes. The one world people control the money and its sources. Whenever they expand the money in circulation, as the Federal Reserve issues more bonds, then you have a prosperous economy. Whenever they contract the money supply by cutting back on bond circulation, or raising interest rates, then this creates recessions. When the dollar crashes, and a new currency is used, many of your businesses will fail, and all of your dollars will be worthless. This will eventually crash your economy, and you will have riots without any food and welfare checks. This will precipitate martial law, and a takeover of America into the North American Union. So do not be overly concerned what to do with your money, because its value will disappear. It is better to have food, water, and your supplies ready to be taken to My refuges. It is also better to trust in Me than your money and your possessions. Be prepared to leave for My refuges when you see martial law."

Monday, December 1, 2014

December 3, 2014
Monday, December 1, 2014:
Jesus said: "My people, it is good to put up Nativity Scenes outside your house in your pagan country that displays snowmen and Santa Claus for Christmas. I am truly the reason for celebrating Christmas, because this feast is all about My birth and My first coming. The atheists do not believe in Me, and they try to get rid of anything religious, even on private property. There may come a time when

you will be criticized or even persecuted for putting up My Nativity Scene. So keep proclaiming My Presence as long as you can. Many people are busy buying gifts for their friends and relatives to show them how much they care for each other. Remember to share with the poor people as well. The poor cannot repay you, so you will gain treasure in heaven. You also need to adjust your prayer life around this new Advent Season, which only lasts about four weeks. This season is one of joy and giving of gifts, so you can give Me some extra gifts of yourselves to put at My crib. Think of Me more as you are putting your Christmas decorations in place."

Jesus said: "My people, the one world people and Satan know that their time is limited, but they cannot move ahead with their takeover plans, until I bring about My Warning that will give sinners a second chance. After the Warning and the conversion time, then these evil ones are planning a martial law takeover of America that would place you into the North American Union. I have mentioned before how such a martial law could be caused by three events, either one at a time or at the same time. The Federal Reserve could crash the dollar by calling in all of their bonds as there is not enough money to pay for a defaulted National Debt. Even with a new currency, the loss of dollar valued assets would be so catastrophic that your whole economy would fail. Another tool would be to use an airborne pandemic virus that would kill many people. A third tool would be to create false flag terrorist events that could kill people with guns, and it could cause riots. Such a martial law is being planned, and it will be implemented after the Warning. When such a martial law is declared or before, My faithful will need to leave their homes for the nearest refuge. You will be safe at My refuges where My angels will shield you from being killed. Trust in My protection at My refuges."

December 3, 2014

Tuesday, December 2, 2014:

Jesus said: "My people, the first reading from Isaiah (11:6-9) talks about the wolf laying down with the lamb, and all the animals were eating grass or hay. It will no longer be the survival of the fittest, when animals used to eat each other. This is a sign of the Era of Peace when everyone will be a vegetarian, and the Tree of Life will support people in living long lives. This is the reward for all of

My faithful, and it was spoken of by My Blessed Mother at Fatima. Some people do not want to believe in such a time, but it is described in the Scriptures, so it will happen. You are preparing for Christmas, but there will be another time when I will come to bring My victory over all of the evil ones of this world. Rejoice, as you look forward to My Era of Peace, when there will be no more evil."

Jesus said: "My people, you are aware of how sometimes people are uneasy about having to leave their homes to come to a refuge. Even within families, the husband and wife may not think alike on leaving for My refuges. When it comes time to leave, I will be giving an interior message to everyone that it is time to leave. This notice may be enough to put both spouses on the same page. Some do not want to believe My words, but those who refuse to leave, may be captured and killed. After the Warning, try to evangelize any souls that are away from Me in your family. Use this time of conversion to get your family together, so you could all come to the same refuge. My faithful will have crosses on their foreheads to get into My refuges. When you leave your homes, you will see chaos all around you, as the evil ones will soon try to force mandatory chips on everyone. Those, who take the chip will be under the evil ones' control, and they will not be able to go to My refuges. Those, who refuse this chip in the body, will be saved at My refuges. I will have your guardian angel lead you to the nearest refuge of safety. Trust in My protection both on the way, and at My refuges, where My angels will put an invisible shield all around you.

Wednesday, December 3, 2014: (St. Francis Xavier)

Jesus said: "My son, I am showing you how many saints and missionaries have been sent out, like My apostles, to spread My Word of the Gospel to all the nations. Today, you and My other messengers of the end times have a different mission. Not only are you spreading My Word wherever you go, but you are like St. John the Baptist as you prepare the way for My second coming. Your message is the same, to have people repent and be saved in their souls before it is too late. You also are preparing people for My coming Warning experience, which needs frequent Confession to have a pure soul to avoid any mini-judgment to hell. You also are preparing people to be ready to leave their homes to come to

My refuges of protection. Preparing people for the end times, is not an easy message, but it is better than not being prepared at all. You have told people how some faithful are already building refuges, and it would be wise to have backpacks, tents, and sleeping bags ready to leave for My refuges, when I give you the word to leave. Other messengers are receiving messages about refuges, so you are not alone. My messengers need to keep a good prayer life, and visit Me at Mass and Adoration so they can keep close to Me, and continue their missions. Trust in My Word, and be prepared for the coming tribulation of the Antichrist."

Jesus said: "My people, because of your current fracking methods and crude oil from Canada, you are seeing more train cars carrying crude oil. There are volatile portions of crude oil that are very flammable, and this scene in the vision is what can happen in crashes when flames erupt. There have been plans to ship crude oil via the Keystone Pipeline so it can be refined in the South. The President and the Senate have blocked this for many years. Soon there will be a chance to take some of the crude oil off of the trains, when a pipeline could be used. America is coming close to energy independence, as there is a price war over oil between the large suppliers. Even the coal situation is becoming a problem if it is over regulated by your President. Much of your electricity is produced by coal, and only a few coal plants have been converted over to natural gas. America needs electricity for its homes and businesses, so there is a conflict with power plants and environmental regulations. Pray for your country that you will be able to have cheap fuels for heating and running your country's economy."

December 17, 2014

Thursday, December 4, 2014: (St. John Damascene)

Jesus said: "My people, in the Gospel you are seeing a comparison of those who build their houses on rock vs. those who build their houses on sand. The rich people are building their homes on sand, because they depend on their wealth only as their foundation. So when troubled times come, they will be tested and found wanting, because their material things will pass away, and their souls could be lost, since they did not do My Will. Those people, who put their trust in Me and follow My Will, are those people who are building their foundation on

Me as their rock. When the trials come, they will be protected in My refuges, and at the judgment, I will welcome them into heaven. The things of this world are passing away, so it is better to put your trust in Me for all eternity. Your souls are more important than your mortal physical bodies, so focus more on acting in faith with Me forever."

Prayer Group:

Carl said: "I am happy that you are going to have some Masses said for us, because we could still use your prayers. Most people do not realize that souls do not go straight to heaven when they die. You will be surprised how long it takes some souls to get to heaven. Prayers and Masses are a great help for souls in purgatory. We will always remember you as our good neighbors, and you could put our pictures up to remember us."

Jesus said: "My people of America, you are seeing a darkness over your country as a sign of the many sins in your land of abortions and sexual sins. You are seeing some racial overtones over some recent killings. Your people should be praying for sinners in America, because your sins are calling down My judgment upon you. You have been given messages how disasters will be falling upon you. You have a battle for souls, but very few are praying as you do in your prayer group."

Jesus said: "My people, some people have tried to predict the day of the Warning, but it is not important to know the exact day. It will happen in My time, and not any sooner. This illumination of conscience will give every sinner a chance to see how I am judging his or her life, and to see how I am offended by your sins. The Warning will happen to everyone at the same time. Refuse to take the mark of the beast, or a computer chip in the body. This experience will make people desire My forgiveness. Bring as many souls to Me for Confession as possible so souls will have an opportunity to be saved. This may be the last chance to save some souls, so work hard to evangelize your family and friends after the Warning."

Jesus said: "My people, you have remarked how you are seeing more signs of 'Merry Christmas' than in previous years. Can you imagine if someone could read My Gospels over the loudspeakers in your shopping malls? It would shock some people to understand that you are celebrating My birth at Christmas. Instead of Santa Claus, reindeer, and snowmen, it would be better to see My Nativity scene. I thank those people who are displaying Nativity scenes in front of their houses as their Christmas decorations. Keep praying for souls to hear My Word, and be saved."

Jesus said: “My people, this Christmas Season is a good time to share gifts with each other, but do not overspend just to impress people. It is better to share your love than worrying about what to buy each other. You can also share your bounty with the poor, who are always struggling to have enough to eat. These are the real gifts of Christmas when you can share your time and good works with others. Remember to leave your gifts at My crib as well.”
Jesus said: “My people, you can do without the pornographic and vile language movies that are put on your stages. These ‘R’ rated movies are corrupting your people, so do not give your money to support such products that are offensive to Me. There are some good movies, but they are not as supported by your people. Choose your movies carefully, so there is a proper theme and rating, without watching the movies that should be thrown out into the garbage can.”
Jesus said: “My people, many signs are in front of you that are predicting a crash of your economy. You have read of St. Paul’s Epistles when he says there is peace and then sudden destruction happens. The one world people are planning a takeover, and a coming persecution of Christians. You are beginning to notice how the persecution of Christians is getting worse every day. You will soon be threatened with your lives, if you proclaim your faith in public. When your lives are in danger, then it will be time to come to My refuges of safety where My angels will be shielding you. Be grateful that there are people who are setting up refuges to protect My faithful. I will help these builders in all of their needs so My faithful will have a safe place to stay.”

Friday, December 5, 2014

December 17, 2014
Friday, December 5, 2014:
Jesus said: “My people, I am showing you two waves of destruction that will strike the Eastern coast of America. The first will be a large tsunami of water that will impact your Eastern coast. The second wave at a different time, will be a wave of bankruptcies all along the Eastern coast banks. Such a set of financial failures will collapse your financial system, and your economy will head into such a deep depression that martial law will result. This will be a time of chaos when My people will need to come to My refuges of safety. Be prepared for some dramatic changes in how you will live through the coming tribulation. You will see the Antichrist come into power after My Warning. Be assured that My

angels will protect your souls. Some of My faithful will be martyred for their faith, but the rest of My faithful will be protected at My refuges."
Jesus said: "My people, I am showing you My Sacred Heart pulsating to show you how much I love all of you. I died on the cross to bring salvation to all of mankind. This death of Mine for your sins, shows you how far I would go to save your souls. I pray that you love Me also, by worshiping and adoring Me in My Real Presence in the consecrated Hosts. Those people, who pray to Me and love Me every day, are My true believers, and they will be with Me in heaven for their faithfulness to Me. Give your will over to Me, so you can carry out the mission that I have planned for you. Every soul has been given a mission on earth, but until you put Me first, your mission cannot be accomplished."

December 17, 2014
Saturday, December 6, 2014: (Rose Guido's Funeral-Joe's mother)
Jesus said: "My people, I know how difficult it is to lose a mother who was the matron of the family. All of the people at the funeral were giving testimony to Rose's life by their presence. The best gift that she gave her family was the gift of life. If the children reflect on this, they would not be alive if it was not for their mother giving birth to them. She nurtured all of her children, grandchildren, and great grandchildren with her love and attention to their meals and their education. It is good to have Masses and prayers said for her soul. These souls also want you to remember them with their pictures and your visits to their graves."
(Second Sunday of Advent) Jesus said: "My son, you remember when you were in Israel at the very spot that St. John the Baptist was baptizing people, long ago. You even saw people being baptized there by total immersion in the water. I, Myself, was baptized by St. John when the Blessed Trinity was manifested for all to hear. St. John the Baptist prepared My way, and he called the people to repent of their sins, and to seek My forgiveness by being baptized. All of you are sinners, and you are all in need of My forgiveness of your sins. It is good to come to Confession at least once a month, especially before Christmas. Cleansing your souls, gives you a pure soul which you need to guard from the temptations of the devil. Advent is a time of prayer and penance. Before I did anything big in My ministry, I retreated to the mountains to pray and fast. You

can also take time in your prayer room to pray, and at times you can visit Me in Adoration."

Sunday, December 7, 2014

December 17, 2014
Sunday, December 7, 2014:
Jesus said: "My people, today at Mass, you saw all the young children celebrating Mass with their reading and singing. When you see the infants and how cute they are, you must wonder how a mother could kill her child in the womb with abortion. Such killings are the most hideous crimes that you are allowing in your country, and your country will pay a dear punishment for these abortions. These mothers need to confess this sin and make reparation. Young girls can prevent such abortions by avoiding fornication, or if they are married, they can use family planning. Pray to stop abortions, and when possible, try to counsel pregnant women not to have abortions. There are proper Catholic groups to help pregnant women, and even groups to counsel women who have had abortions. It is better to offer adoption than to have abortions. I am always willing to forgive such sins, but the sinners need to come to Me to have their sins forgiven, especially in Confession for Catholics. America still has almost a million abortions every year, so this needs to be corrected, or you will lose your freedoms as a country. There are some faithful who are praying to stop abortions, but your society needs to heed My warnings."
The Blessed Mother said: "My dear children, I thank all of you for praying my rosaries for your individual intentions. Today is the anniversary of America's entry into World War II at Pearl Harbor. One of my main prayer intentions is to pray for peace. You still are seeing wars in Syria, Iraq, and Afghanistan. You also have had a message about a possible war in Israel that could be connected with the Tetrad blood moons. Even in America, you are seeing unrest with some of the latest killings. You are about to celebrate my feast of the Immaculate Conception tomorrow on December 8th. So as you pray your rosaries every day, continue to remember to pray for peace in the world from all of your wars."

Monday, December 8, 2014

December 17, 2014
Monday, December 8, 2014: (Immaculate Conception)
The Blessed Mother said: “My dear children, you have read from Genesis how Eve was tempted by the devil, and she ate the forbidden fruit from the tree of the Knowledge of Good and Evil, and gave it to Adam to eat. You also read how I would later crush the head of the serpent in the devil. This is a contrast to my being born without original sin, because I am the new Eve to help lead the people to my Son, Jesus. The Lord prepared me to be the tabernacle where He would stay for nine months in my womb before He was born. I gave my will over to Jesus all of my life, so I was free from all sin. When I proclaimed my fiat to the angel: ‘Be it done unto me as you said.’ this was a continuing gift of myself in giving my free will over to my Lord. It is not easy to live in the Divine Will of God, because it is a total commitment of all that you are in doing His mission. I am an example of pure love for God that all of you should strive to follow. God has blessed me with all of his gifts, and I give thanks to Him, and praise Him at all times.”
Jesus said: “My people, you are seeing in the readings how My Blessed Mother was prepared to give Me birth. From long before she was born, I was planning her mission. Even as My Blessed Mother was prepared in a sinless life, so My faithful could use this Advent to prepare themselves in prayer so they could present themselves before My crib at Christmas. You could even come to Confession to purify yourselves, as My Blessed Mother was pure. Strive to imitate My Blessed Mother’s sinless life, and how she kept My peace in her heart. I love all of My faithful, and I will give you My special graces as your Christmas gifts.”

December 17, 2014
Tuesday, December 9, 2014: (Juan Diego)
Jesus said: “My people, you have been given many gifts in your life, both physically and spiritually. Your best way to give Me thanks, is to share what you have in donations, and to share your faith with others. Both the gifts of money and evangelizing souls, will help build up My Church. Not all people, who receive gifts, give thanks to Me or others. Very few people want to share their

faith in evangelizing souls. When people reflect on their financial gifts, they realize that it is only expected to share their wealth. But even then, people may only give a token amount. Your gift of faith is even more precious than money, because you are on the road to heaven. There are a lot of souls who are on the road to hell and they need saving. This is why sharing your faith is an even greater calling to save souls from hell. Because it is harder to see souls that are headed to hell, people do not always recognize this need to save them. It actually takes more effort to work on saving a soul than to give a donation of money. Satan does not give up souls easily, so it takes a lot of follow up to keep souls on the straight and narrow path to heaven. The least that you could do, is to pray for souls and sinners to be saved, and to offer up Masses to get souls out of purgatory for the deceased."
Jesus said: "My people, I have told you that you would see snowstorms coming in waves, and it appears some areas are being struck with higher than normal snowfall levels. Snowstorms require the right mix of moisture, cold temperatures, and wind levels. Each snowstorm has been unique from lake effect to storms from the ocean. Each storm has also caused some power outages, so your people need to have food and fuel, as I have been warning you all winter. Most people do not realize how heavy storms can keep you from getting to the stores or the banks. Those people, who have experienced power outages, are well aware of their needs, and why it is prudent to be well supplied with food, fuel, and a means for light. The more you are supplied, the more you will be prepared for how winter could test you. Be careful not to over exert yourself in removing the snow, as you saw some people die from heart attacks. In heavy snowstorms, you may have to clear your roofs, and be watchful of older people who could die of exposure or a lack of food."

December 17, 2014
Wednesday, December 10, 2014:
Jesus said: "My people, seeing these people in the vision carrying their belongings in a wagon, is a sign that you could be leaving for My refuges in the not too distant future. When persecutions of the Christians become worse, your lives will be in danger, and I will call you to come to My refuges. Life at the refuges will be rustic with very little electricity, as your electronic devices will

not work. People will have to work to help each other to survive. You will have food, water, and bedding, but your prayer life will be enhanced. You will have Holy Communion every day from a priest or My angels. I will be with you supporting you in all of your trials for less than 3½ years. Rejoice at My refuges, because My victory over the evil ones will be soon."
Jesus said: "My people, in Hitler's Germany he tried to eliminate all of his opposition. This is why he killed the Jews who controlled the money, the priests and nuns who controlled the church, and the learned people who had college educations. In America today, your President is also trying to eliminate his opposition in a different way. He is getting rid of the generals who will not cooperate with him. He is circumventing the Congress by his memorandums and Executive Orders. He is a leader of your left media, and he is behind your voting fraud using controlled voting machines, and illegal and dead people's names. The one world people are working with your President and some Congress people to takeover your government. They will be escalating their persecution of My Church because there is a plan to exterminate Church people and those who will not follow the new world order. This is why you are seeing people killed at the detention death camps like Hitler did, as seen in the vision. This is why I will warn My faithful when it is time to come to My refuges, because the evil ones want to kill all of you. These evil one world people will control the world for a short time with the Antichrist, but then I will bring My victory over them as they will be cast into hell. My faithful will then be brought into My Era of Peace, and later into heaven."

Thursday, December 11, 2014

December 17, 2014
Thursday, December 11, 2014:
Jesus said: "My people, every day you have to get up and work, for most people. This means dealing with the trials of the day, as your current snowstorm of heavy snow. Even as you are digging out, you also have to sometimes dig out of your sins in your soul with a good Confession. Many of you are quick to clean out your driveway so you can get to work or to the store, but how many people move as quickly to clean out the sins on their soul? You also took your cars in to get them inspected, and you had the brakes and other parts repaired. You again went through some pain of the expense to have good working vehicles. You also

need to inspect your souls and confess your sins, along with prayers of reparation for your sins. You need a pure soul to do your mission, more than just having working vehicles. You have physical responsibilities for your family, and you have spiritual responsibilities for your soul and others."

Prayer Group:

Gary said: "it is good to be with you and your prayer group tonight. I love all of you, and I am sorry to give you my parting words, but my body was shutting down. I was doing good out in Colorado until my health gave me some issues. Pray for me and have one Mass said for me, and Our Lord will take me to Himself. I am free at last from all of my physical problems, and I am looking forward to being with Jesus. I will be praying for all of you, and I will have to continue my evangelizing from heaven."

Jesus said: "My people, your government should be protecting your country and keeping it on a course that helps its people. Instead, you have leaders that want power in their own hands for their own agenda. The agenda of the one world people and your leaders is to bring your country down for a takeover, with a communist dictatorship in its place. This is why you will see My believers persecuted because the evil ones want the Antichrist to take over. Trust in My protection at My refuges, and you will have My peace in your souls."

Jesus said: "My people, you have seen an unusually large sunspot that has been sending out huge flares. Up to now, these flares have not been aimed at the earth. Such flares could cause a disruption in your communications. You also have been seeing some unusual low pressure systems that have looked like large hurricanes. These weather systems have been causing floods and major snowstorms. The HAARP machine is playing a role in these natural disasters, and that is why these systems keep coming in wave after wave. Pray that your people will not see many deaths from such disasters."

Jesus said: "My people, some of your politicians are having a problem in coming to a compromise on the current funding resolution to keep your government funded. It is a little unnerving to use last minute brinkmanship before passing needed legislation to continue keeping your government running. You will know the outcome by midnight tonight. (It passed.) You have seen this problem before, but there is not an apparent blockage to passing this bill. Each of your parties want to blame the other for any stoppage. The real challenge will come next year when the Republicans will control both the Senate and the House."

Jesus said: "My people, your new space program is getting started to take astronauts to Mars and possible comet landings. The testing of a new booster

rocket was successful on its second try. It will be a new page in your space travel to travel to another planet like Mars. You are just learning more about My universe in all of its planets. Give thanks to Me that you have a model home planet as Earth, on which you are all surviving for many years."
Jesus said: "My people, you rarely hear homilies on sin or Confession. This is why My faithful have become complacent, and they are not confessing their sins as often as they should. My priests should make an emphasis in their homilies to encourage people to come to Confession, especially when your Diocese is having a special celebration of Confession. This is why many Catholics are falling away from their faith when they feel that they are not committing serious sin and need Confession. Keep praying for sinners and for fallen away Catholics to be reconverted."
Jesus said: "My people, I am glad that many of you are in the Christmas spirit in preparation for My birthday on Christmas. Christmas is a special time to be with your family in sharing their presence and sharing gifts. For some it requires traveling considerable distances to be together. This also might be a good time to plan getting together when the Warning occurs, so you could all come to the same refuge. Many faithful are still building refuges, or finishing up their preparations. Pray for My help to get all of My refuges ready to receive My faithful at the proper time."

December 17, 2014
Friday, December 12, 2014: (Our Lady of Guadalupe)
Jesus said: "My people, I wanted to show you the connection between the Aztec Indians, who killed their infants, and today's society that kills its infants in abortion. My Blessed Mother of Guadalupe came as a pregnant Indian woman in 1531 to Juan Diego, because her image on the tilma was also meant to convert the Indians and crush the serpent gods that they were offering up their babies to in sacrifice. Many of the Indians were converted because of this miracle. This is in contrast to how today's women are aborting their babies, and they are offering them up to the gods of convenience and no embarrassment. A million abortions are carried out each year in America, and it is the serpent of the devil that leads women to kill their children. This is why My Blessed Mother of Guadalupe is a symbol of your struggle to stop abortions, and this constant

sacrificing of babies to your worldly gods. Continue to pray for the stoppage of abortion. Remember when I told you that if you do not stop your abortions, then I will stop them in a way that will take away all of your freedoms as a punishment."
Jesus said: "My son, you are well aware how important it is to have local food shelves for people who do not have money for food. Some people sell their food stamps for drugs and alcohol, and then they need food to live. You have seen all kinds of cases of newly divorced women without a job, or people just coming to town before they could get on welfare. Many poor families do not have good money managing skills, so having money for food is not always easy to find. Some people were thankful for your bringing them food, but others were indifferent, or too proud to ask for help. As you brought food to people, you were happy to help feed the poor. Since you know how helpful the food shelves are for people, you are also remembering to send your food shelf a good donation in this holiday season. Some people bring gifts of food to the church, while others give checks of money to buy the food. You also were a buyer of food for your food shelf, and you helped bring the food and delivered it. I have asked My people to feed the hungry, and you have answered My call. You are storing up treasure in heaven for your good works."

Saturday, December 13, 2014

December 17, 2014
Saturday, December 13, 2014: (St. Lucy)
Jesus said: "My people, in the readings I spoke of Elijah and St. John the Baptist as My standard bearers who defended My Word against all the idol worshipers. Elijah defended Me against the prophets of Baal who were later killed, after he called down My fire on a sacrifice sitting in water. St. John the Baptist was another light bearer who called the people to repent and be baptized. He was the one to call Me the 'Lamb of God' and told the people to follow Me. He said that he must decrease while I must increase. This means that I should be the center of everyone's life. Just as Elijah and St. John the Baptist risked their lives to protect My Word, so I call on all of My faithful to stand up against the society's evils of abortion, euthanasia, and homosexual marriages. My Word is forever, and you all need to defend it like beacons of light in bringing the faith to make converts of people. By evangelizing souls for Me, you will receive your

heavenly reward."
Jesus said: "My people, St. Lucy was martyred in the early years of Christianity. It was very difficult for Christians at that time, since they had to hide in the catacombs, so the Romans did not kill them. In the vision, you are seeing graves, which could be a sign of how some of My faithful could die from martyrdom from the coming tribulation. The rest of My faithful will be led by their guardian angels to the nearest refuge for their safety from the evil ones. You will be seeing another persecution of Christians in the tribulation, much like the persecutions of My martyrs in the Early Church. Keep praying for the souls who will be persecuted, and call on My martyrs, as St. Lucy, to help you through this coming trial."

Sunday, December 14, 2014

December 17, 2014
Sunday, December 14, 2014: (Third Sunday of Advent, Gaudete Sun.)
Jesus said: "My people, you have sacraments to celebrate vocations in life with Matrimony for the married people, and Holy Orders for the priests. In your society today, there are some who get married in the Church, some by the justice of the peace, and a good number who do not get married at all. Many Catholics are becoming lax in not coming to Sunday Mass, and not getting married in the Church. Just because there are a lot of couples who do not get married, it does not make it right, because these couples are still committing sins of fornication in living together. Many of these couples do not want to make commitments, or they are too lazy spiritually to get married, or come to Confession to confess their sins. These are usually the fallen away Catholics who are not practicing their faith. At some point, either at the Warning or at their deaths, these people will have to answer to Me for their sins at their judgment. There are no excuses for your sinful actions. If these sinners do not show Me that they are sorry for their sins, and do not love Me, they could be on a path to hell. The prayer warriors in the family can help save such sinners, but these sinners will suffer a long time in purgatory. I have given everyone My Ten Commandments to live by, and there are grave consequences for those people who do not love Me and their neighbors. Try to live holy lives by daily prayer, Sunday Mass, monthly Confession, and if you are living as a couple, you should get married in My Church, and not live in sin. Those people, who abide by My laws, will have

their reward in heaven. Keep praying for your family members, especially those who are living in fornication or adultery."

Monday, December 15, 2014

December 17, 2014
Monday, December 15, 2014:
Jesus said: "My people, you are all suffering now in this valley of tears, as you struggle to make a living, and endure the evil of this age. You will see even worse persecutions before I will come in victory over the evil ones. When you see Me coming again in glory, I will be calling all of the people out of their graves. At the final judgment, you will be reunited with your glorified bodies. Those people, who are faithful to Me, will join Me forever in heaven. But those people, who rejected Me, will join the evil ones in hell. In the end there are only two final destinations in either heaven or hell. So prepare your souls in My grace to meet Me both at the crib at Christmas, but ultimately you want to be with Me in heaven. Just as the angels rejoiced with the shepherds at My birth, so the angels will be rejoicing when all the worthy souls come into heaven."
Jesus said: "My people, I have been giving some faithful the funds and help to build both interim and final refuges. Some faithful are finishing up their plans, while some may still have time to get things ready for people to come and stay. Refuges need bedding, food, and water. They also need to be consecrated and protected from the evil ones by My angels. I will multiply your food, water, and fuel for heating and cooking. I will even provide a water source, and multiply the water that you have. Those faithful, who desire to have an interim refuge, I will accept their 'yes', and provide for their needs. When the time comes to call My people to My refuges, I will have My angels put a shield of protection around these refuges so the evil ones cannot enter or see them. You need some lavatories, showers, and good size kitchens to prepare food for a lot of people. The time to come to My refuges is growing close, so My people need to be prepared to live independently from your normal society. Trust in Me to protect you and provide for your needs."

Tuesday, December 16, 2014

December 17, 2014
Tuesday, December 16, 2014:
Jesus said: “My people, you see many Christmas decorations in your homes and stores. Many of you also are rushing around to get your Christmas gifts and send out your Christmas cards. Your gifts are good that you are sharing with others, but you should include gifts to the poor. Look beyond your mailing costs for sending out Christmas cards, because it is a good time to keep in touch with your friends and relatives. Among all of these activities, I hope your people open their hearts to Me. It would be good to go to Confession, so you can present a pure soul to Me at My crib. You need to show more love for Me and your friends and relatives. Take more family pictures so you can update your old pictures around the house. Pictures are a good way to remember people, even your deceased relatives. By showing your love for everyone, then the Christmas spirit of My birth can enlighten all of your hearts with My peace.”
Jesus said: “My people, you have read in the Scriptures how I prophesied the downfall of some of the towns of Israel. You have been given several messages about the coming destruction of San Francisco, because of its homosexual sins. There are even other sins of living together, and the bad movies produced in Hollywood, as well as the pornographic movies. This is why California has been suffering droughts, fires, and now floods and mud slides. There are individual sins that people are responsible for, but when a whole society sins collectively, then it is punished collectively as well. Pray for the people of California that they change their ways of spreading sinful entertainment, or they will suffer further punishment. America’s sins of abortion are also calling down My justice, because you have laws promoting such killings of My little ones. You are upset by some terrorist killings, but why are you not upset by the million babies that are killed in America every year?”

December 31, 2014
Wednesday, December 17, 2014:
Jesus said: “My people, as you look at the order of the generations of the Israeli people down to St. Joseph, you can see My plan of salvation for all of mankind. Ever since the original sin of Adam and Eve, I have promised to send a Redeemer. I was to be incarnated as a man, so I could offer My life up as a

Divine sacrifice, and salvation could be brought to everyone. Throughout the history of the Israelites, they were in and out of My graces. As they worshiped idols and other gods instead of Me, I allowed their enemies to overtake them. When they came back to Me, they prospered. So it is with all nations, even in America. When your people are faithful to Me, you have prospered. Now, when your sins cry out for My justice, I will allow your enemies to take you over. You are on the brink of such a takeover, and your people do not even realize how sinful they have become. Even so, your country will collapse under the weight of your own sins. Pray for My protection of your souls at My refuges during the coming tribulation."

Jesus said: "My people, you are aware of how I washed the feet of My apostles at the Last Supper. I did this to give them an example of how they needed to care for the people around them in evangelizing souls. In the vision I am showing you how I was washing the feet of My faithful in many different countries. This is the same lesson that I want My faithful of today to go out an evangelize souls in all the nations. It is not easy to be an evangelist, or a missionary in foreign lands. There are many souls to harvest before the tribulation, and you need to call on Me to send more laborers out into My vineyards. The world today needs a spiritual revival, but it will take My Warning to wake up the sinners from their idolatry of sports, fame, and possessions."

Jesus said: "My people, I am showing you some empty rooms because it is not too late to start storing beds, food, and water for My refuges. I will be protecting My faithful at both My interim and final refuges with My angels. The angels will be putting up shields to keep the evil ones out, and make My faithful invisible to their enemies. Those, who choose to set up refuges, need to get their supplies ready for food, heating, and bedding. Time is running out before My Warning will come, and the persecution of Christians will grow worse. You need to have your buildings in place before My Warning, and prepare lighting and places for washing up. You will be living in communities to help each other in surviving the less than 3½ years of the tribulation. The evil ones will have a brief reign before I will bring My victory over them, and then I will bring My faithful into My Era of Peace. Work hard to evangelize your family members after the Warning, because they will only have a short time to change their sinful ways."

December 31, 2014
Thursday, December 18, 2014:
Jesus said: “My people, the angel Gabriel explained to My Blessed Mother how she could become pregnant with Me by the overshadowing of the Holy Spirit. Then she gave her fiat acceptance of My Will, even though she would be at risk of criticism for being pregnant before St. Joseph took her into his home. This is why I had St. Joseph receive a dream that explained to him how she became pregnant through the power of the Holy Spirit. It is hard to go through life unless I reveal My plan to My people. This is why it is so important for My faithful to give their wills over to My Will, so I can direct them in their missions. You need to give up your plan of how to live, so you can accept My plan. You were placed here on earth to know, love, and serve Me, even as all of My creation is directed by Me. You have been given free will, so you can either choose to follow Me or not. By following My Will, you will be in keeping with the rest of My creation.”
Prayer Group:
Jesus said: “My people, your President has lost both Houses of Congress, and now he is writing memorandum of some appearing breaches of your Constitution. You have seen his attempt to give amnesty to over four million illegal immigrants. He is also trying to establish diplomatic relations with Cuba. Just because the Congress has not ruled in these areas, it does not mean that he is free to make his own laws. Some people are already challenging your President’s authority in these areas. Pray that your leaders can prevent your President from becoming a dictator of his own laws.”
Jesus said: “My people, California has been receiving rain again, which gives hope to resuming the planting of fruits and vegetables. During the winter, you rely on California and Florida for providing fresh fruits and vegetables. Keep praying that your farmers will have good growing conditions so they could deliver your food to the table.”
Jesus said: “My people, with these latest killings, you are still seeing threats from Islamic terrorists. It is sad that they are even killing innocent children in gruesome violence. These Pakistan terrorists were even criticized by their own groups in Afghanistan. Such attacks have put more of your security forces on alert for more of these attacks. Pray for peace among your warring factions. I love everyone, and I want all of you to love your neighbors instead of killing each other.”
Jesus said: “My people, you are seeing some large swings in your crude oil prices and your stock prices. Some oil producers are trying to push the new

suppliers of oil out of the market with prices below their cost. This is a help for auto drivers in paying lower prices for gasoline, but other energy suppliers are suffering from not as much profit. Russia's economy is financed by oil exports, and their currency has lost a lot of its value because of the latest low crude oil prices. Pray that these industries could stabilize, so the world economies are not disturbed."
Jesus said: "My people, every year around Christmas, your families try to come together to celebrate My birthday and share your gifts. In your winter weather you have seen unusual storms of heavy snow and wind damage. Pray that your families will have good weather for their traveling on the roads and in the airplanes. You are always happy to see your family members around Christmas because you do not see them very often."
Jesus said: "My people, just as you shared your contributions of money and food for Thanksgiving, so you could also help provide gifts for the poor in your giving trees. Sharing gifts with the poor could gain you treasure in heaven because the poor cannot repay you. Your hearts are warmed to see the poor happy to receive some Christmas gifts. You can also pray for the poor that they could have food to eat and a place to stay. Love your neighbors by sharing what you have."
Jesus said: "My people, your people have better housing and comforts than I did when I was born in a stable. You need to welcome people into your home, instead of closing Me out in the cold. If you truly love Me and your neighbors, you would help them to find sufficient food and lodging in their needs. Remember this Christmas to share your prayers and your good works, in addition to your exchanging of gifts."

December 31, 2014
Friday, December 19, 2014:
At St. John the Evangelist after Holy Communion, I saw a railroad train moving along at a good speed, and there were fog clouds all around it. Jesus said: "My people, in the vision of this railroad train in the clouds, it is symbolizing how I was taking this Carmelite nun to heaven. She is the one whom you were praying

for. This train comes around for souls from time to time, and you do not want to miss it. Some souls are worthy enough to come straight to heaven, while other faithful may have to wait at the train station of purgatory. Those, who are faithful to Me, are assured of being with Me in heaven one day. The more good works that you have, the quicker you will get into heaven. So continue to love Me and your neighbor in all that you do."
Jesus said: "My people, all of you are approaching the finish line of your earthly life, when I will call you home to Myself. You have until that time to build up your treasure in heaven, which is more valuable than anything that is valuable on earth. At your judgment you will be accounting for all of your unforgiven sins and for any reparation due for your past sins. I have mentioned before that you could receive a plenary indulgence to take away any such reparation, if you fulfill the requirements on Mercy Sunday after Easter. This would give you less time to suffer in purgatory. If you are living during the tribulation time, you will be living your purgatory on earth. You are about to come to Me at My crib, and it would be good to come to Confession so you could greet Me with a pure soul. Rejoice at this time to share your love with Me and all of your relatives and friends on Christmas."

December 31, 2014
Saturday, December 20, 2014: (Gary Countryman's Mass)
Gary said: "I am happy to see the both of you, Carol and John, at my Mass this morning. I thank you for the Mass and our many years of friendship at your prayer group meetings. Our Blessed Mother is gracious to me because she promised to take me up to heaven on Christmas Day. Our Lord is allowing these Masses to atone for my sins, and I am looking forward to being with Him in heaven. There are many souls in purgatory who are waiting for your prayers, so they can come to heaven also. I know this is one of your prayer intentions, so keep your prayers coming for them."
Jesus said: "My people, in everyone's life, I give each of you many opportunities to help people in their needs. It is your decision to use these opportunities of grace to store up treasure in heaven. Those people, who do not use these opportunities to help people, are committing sins of omission. Some of you have special skills that you can share with your relatives and friends. Do not look for

thanks or any reward, but be thankful that you could help someone. Once you have helped solve someone's problem, it makes you feel good to be there for that person. Sometime in the future, you also may have to rely on someone's help, so you are paid back in a different way. When you do these good deeds, do them out of love for Me, and love for your neighbor."

Sunday, December 21, 2014

December 31, 2014
Sunday, December 21, 2014: (Fourth Sunday of Advent)
Jesus said: "My people, I am showing you a well dressed person in their casket to emphasize that you cannot take your accumulated wealth past the grave. Many people in life measure a successful person by how much money they have. I look at each person's heart, and I measure your spiritual success by your love for Me and your neighbor in your good works. It is your treasure in heaven that is more valuable than any amount of treasure in this life. So seek My Kingdom first, and I will provide for all of your needs. Have trust in Me every day to get you through life, and do not depend on your wealth, which can be lost or stolen. Your priest's homily mentioned the materialism of your society, especially around Christmas. Focus more on My coming, instead of all the gifts that you buy people. You should always remember that My birth is the reason for the Christmas Season."

Monday, December 22, 2014

December 31, 2014
Monday, December 22, 2014:
Jesus said: "My people, in this Christmas Season you are reading today of the miracle births of Samuel from Hannah, and Myself from My Blessed Mother. Both of us boys were dedicated to the Lord. We each had different missions, but the mothers were proud to be a part of the salvation history of mankind. In the Gospel My Blessed Mother gave her Magnificat that is prayed at night in the Liturgy of the Hours. My Incarnation as a God-man is a mystery in itself for man to understand. This is Our plan so I could offer up My Divine Sacrifice that would atone for all the sins of mankind in the past, present, and future, because

My death on the cross was outside of time. You are all blessed as you commemorate My birth again. Do not let all the glitter and shopping rage of this season take your focus off of Me as your Savior. I am the only One worthy of your worship and thanks for you being saved for heaven one day."

December 31, 2014
Tuesday, December 23, 2014:
Jesus said: "My son, your wife's prayers have been answered in buying these stained glass windows. You are being enabled to provide a place for the end times. I know you are unsure of the timing of My events, but go ahead with your plans, the best that you can. You know that I can do the impossible to help you, and protect you with My angels. Do not be concerned about how things will be worked out, because you need to have faith that everything will happen according to My plan. You have been given many messages about other people's plans for a place to stay. Now, you will be dealing with your own plans. Have patience because I am in control of the timing of the events as the Warning. Trust in My help and that will be enough for you."
Jesus said: "My people, I have shown you many images that represent the coming Warning experience, which will be a life review for every sinner. This will be a spiritual wake-up call for everyone, all at the same time. Many people have predicted the date of the Warning, and all of them have been proven wrong. I have not given the date of the Warning, because it is God the Father who knows the date. He will reveal this date when it is in His time, and not any sooner. The tribulation cannot begin until after the Warning, and the conversion time. This is why I told you to go forward with your plans for people to come, as best you can. You not only are preparing a place to stay, but you also want to help have Masses at your home when all the churches are closed. Once you have your addition in place, you could have a priest bless it, and possibly have a Mass there. You need to have all the preparations to have a Mass, so see what is still needed."

Wednesday, December 24, 2014

December 31, 2014
Wednesday, December 24, 2014: (Christmas Vigil)
Jesus said: “My people, I am happy to see this Holy Name reunion Mass to celebrate My birthday. Many of you are happy to see your old friends and be reunited. This is a joyful time of year when all of your families have a chance to share your love and your gifts together. Take a few quiet moments to listen to My words of love and peace. All the angels are rejoicing and singing My praises at this time of commemorating My birth. If you could hear the angelic voices, you would be overwhelmed with the harmony of their voices. Even Carol’s father admitted how the angels sang much better than any earthly voices. Enjoy these earthly moments of joy because they are very few in between the difficult times. Keep praying for the salvation of the souls of your family.”

Thursday, December 25, 2014

December 31, 2014
Thursday, December 25, 2014: (Christmas)
Jesus said: “My people, you all are celebrating Christmas as you exchange your gifts with each other. This is a joyful moment, but it is brief when this evil King Herod tried to kill Me. He thought that My kingship was a threat to his position as king. He was so intent on killing Me, that he had all the baby boys up to two years old slaughtered in Bethlehem. This killing of the Holy Innocents is a sign of your brutal killing of the unborn babies today in your million abortions every year. This is your death culture that is promoted by Satan, and it is carried out by the Satan worshipers of the evil one world people. Even as you are joyful over the commemoration of My birth, keep in mind that there are still evil people in this world who have little regard for the preciousness of every life. Keep praying for the stoppage of abortion.”

Friday, December 26, 2014

December 31, 2014
Friday, December 26, 2014: (St. Stephen)
Jesus said: “My people, you have just celebrated My birth, and now you are seeing the suffering that people are going through to defend their faith in Me. I

have created a division in people between those who believe in Me, and those who do not believe. St. Stephen is one of My early martyrs, and he even forgave his persecutors, who were stoning him to death. Many of My followers had to hide in the early years to keep from being killed. Many of My prophets and evangelists risked their lives to spread My Word. In some places of the world today, Christians are still being martyred for their faith. You are living in the end days before I will come again, and My evangelists are needed to prepare the people to repent of their sins. I will soon bring My Warning to wake up sinners from their evil ways, so they can understand how their sins are offending Me. I call on My messengers to bring My Word of salvation to all the nations, so everyone can receive My peace."
Jesus said: "My people, you are being slowly poisoned by the chemicals and viruses from the chemtrails, and the pollution in your fresh water. You are seeing a lot of fracking being done to harvest oil and natural gas, but the poisons used in the water for fracking, could affect your well drinking water. The chemtrails are loaded with aluminum oxide, barium ions, polymeric fibers, and viruses. When these agents fall into your fresh water sources, they could be contaminating your water. You also are seeing a constant flow of radiation that is being poured into the Pacific Ocean from Fukishima, Japan. This radiation is being carried by water currents to your Western shores. Your fresh water in your lakes, rivers, and wells is a precious source of water that you should be protecting from any pollution. You are having to trust your health testing to check if your water is fit to drink. Pray and work to protect your water from any poisonous pollutants."

Saturday, December 27, 2014

December 31, 2014
Saturday, December 27, 2014: (St. John the Evangelist)
Jesus said: "My people, all during this Christmas Season you have been celebrating My coming as a Savior. Now with St. John the Evangelist's feast, you are seeing the reason for My coming. I died on the cross on Mt. Calvary for the salvation of all sinners. St. John saw the empty tomb and the burial cloths, and he believed in My Resurrection, as promised. As you go through all the feasts of the Church Year, there is a focus on My being the Savior with My Resurrection from the dead. This was the whole purpose of My coming to the

earth. It was to save all sinners from their sins. Rejoice at My coming at Christmas, but also rejoice at My offering you an opportunity to be saved from your sins. Give praise and thanks to your Savior."

Sunday, December 28, 2014

December 31, 2014
Sunday, December 28, 2014: (Holy Family Sunday)
Jesus said: "My people, today celebrates My Holy Family, and we are a model for all families to imitate. You are not all perfect, but you are called to seek perfection as My heavenly Father is perfect. The family should be the core, basic unit of your society with a married father and mother for the children. You are seeing many attacks on the family by the devil and the evils of your society. Your country still allows the killing of babies in the womb in your million abortions each year. You also see couples living in fornication without marriage, and same sex marriage which I see as an abomination. The children should be brought up in a loving environment of mother and father to teach them the faith, and a proper education for their life's work. Without the proper order in your families, your society will sink into an abyss of sin, as you are seeing today in America. Those nations who disobey My laws, will pay the price when I bring My justice against them. Pray for all the members of your family, and do the best that you can to help save their souls from hell. Remember to keep praying the long form of your St. Michael prayer for their protection both physically and spiritually."
Jesus said: "My people, when you will be forced into hiding, it will be the best to hide people in a basement or underground caves. When I have My angels put invisible shields around your dwellings, then the evil ones could not see you. This invisible protection will come after the Warning, and when your lives are threatened. Many of My faithful have saved food, fuel, and bedding supplies. These things may have to be multiplied for your independent survival. Have trust in Me when you have to leave your homes to find a refuge. My faithful will be threatened by a Christian persecution. Prepare yourselves physically and spiritually for how you will have to live in secret. Continue your daily prayers so your mission can continue into the tribulation."

December 31, 2014
Monday, December 29, 2014: (St. Thomas Becket)
Jesus said: "My people, you had the same readings today in the Gospel as on Sunday, only you were able to hear the whole story without the short form. Simeon was blessed to finally meet Me, because he had been promised that he would see Me before he died. He gave a beautiful testimony of how I would save Israel, but he also foretold how I would suffer and die. He also said that a sword would pierce the heart of My Blessed Mother. Many important events in My life occurred in Jerusalem, where many of the prophets were killed. Even in your events of today, I send My prophets to warn everyone of what is to come in these end days. You will be facing the Antichrist and the evil people during his brief reign during the tribulation. Have no fear because I will have My angels defend you at My refuges. I will send My Warning to prepare all the sinners for the coming tribulation. This reign of evil will be brief before I will bring My victory over it with My Comet of Chastisement. The evil ones will be cast into hell, but My faithful will be protected at My refuges, and later they will be brought into My Era of Peace."
Jesus said: "My people, I want you to take a lesson from nature in how the seasons of a tree are a little like the events of a person's life. The beginning life of a tree starts as a small sapling, much like a human that starts as a small baby. In the spring you see the buds on a tree as a sign of new life. Even as a child grows up, he or she changes from a child's ways to adult ways. In the summer, a tree brings forth green leaves and seeds that fall to the ground. An adult comes into his or her prime, and children come forth as a fruit of a marriage in the younger years. In the fall season, you see the green leaves turn color, and they fall to the ground. As a person grows old, you see that person's hair turn white or grey from black or brown. In some cases you see hair falling out as well. Once the leaves are gone and the snow arrives, the trees look barren and almost like a symbol of death. As a person gets late in life, it is just a matter of time until one dies and is buried. It is this latter part of life that should wake people up to see that life is short, and all of you are going to die. This life is passing away, but your soul and spirit live on forever. You all should be concerned about your eternal destination. By following My laws and loving Me and your neighbor, you can be favored to come to Me in heaven. By being sorry for your sins and seeking My forgiveness, I will welcome you into heaven. Live your lives with a

goal of being with Me in heaven for all eternity."

December 31, 2014
Tuesday, December 30, 2014:
Jesus said: "My people, at the time of My birth, the people of Israel had been waiting thousands of years for the Messiah to come and save them from their sins. That is why some of the Jews could not believe that I was the Christ, because I did not fit their expectation of who the Messiah would look like. I came as a poor son of a carpenter, and I was born in a stable in a manger. Even so, I am the Son of God who came to save all of mankind from their sins. Simeon was promised to see his Savior before he died. Anna also was praying and fasting in the Temple for many years, waiting to see Me. They both gave their testimony that I was the expected Savior, but not everyone believed them. Even today, you have been waiting a long time for My return, and I have told you that you will live to see My coming. I will come on the clouds in glory and splendor to bring everyone to their judgment. Rejoice that you will see My day, just a Simeon saw Me."
Prayer Group:
Jesus said: "My people, you are seeing My miraculous Star of Bethlehem in the heavens in the vision, as it directed the Magi to find Me. I am the Light of the world, and I disperse the darkness of evil on the earth. My star pointed the way to Me, even as you see stars on the top of Christmas trees. There is another Light that will be in the sky over My refuges, and that is My luminous cross that people will look upon and be healed. Give praise and thanks to Me because I will be directing My faithful to My refuges with My angels."
Jesus said: "My people, Simeon and Anna were patiently praying and fasting in the Temple, as they awaited My coming. They gave personal testimonies to their faith that I would answer their prayers to see Me as the Messiah. They gave glory to their God, and they are witnesses of My mission on earth."
Jesus said: "My people, even as an infant, I was having an effect on the earth, because you record your history of events as before and after My birth. I came into the earth as a God-man by My Incarnation. I am the Savior of all of mankind throughout the ages. Rejoice that I took all of your sins upon Me so I could be the sacrificial Lamb to save all of you by My Blood. This grace is

bestowed on all of those people who are baptized into the faith when their original sin is forgiven."
Jesus said: "My people, My Blessed Mother played a huge role in salvation history, even as she and St. Joseph were the descendants of King David at Bethlehem. As you look back on My life, you can see how it has all been planned by My heavenly Father in every detail. As you commemorate My birth at Christmas, you can come to My crib like the Magi who brought Me their gifts. I am a part of all of your lives, as I invite everyone to follow Me to heaven."
Jesus said: "My people, you were unable to celebrate the feast of the Holy Innocents because it fell on a Sunday. Do not forget this sad story of how Herod had all of the infant boys in Bethlehem killed in his attempt to kill Me. My angels directed St. Joseph and our family into Egypt to avoid Herod's soldiers. Even today, you have another Holy Innocents in all the abortions of the unborn babies. Pray for the stoppage of abortion which is defying My plans for these little lives."
Jesus said: "My people, just as people did not receive My family into the inn, do not refuse people to be sheltered in their time of need. Reach out to the poor so you can help them with food and a place to stay. You need to have compassion on your neighbors in need. When you all come to your judgment, I will ask you, if you helped your neighbor out of love. If you fed them, gave them water, clothes, and shelter, then you will find your reward with Me. But those, who were selfish and did not help their neighbors, will suffer greatly for their inaction, when they did not help Me in their neighbor."
Jesus said: "My people, I gave you this example of the Good Samaritan as one to imitate in your own good deeds. I give all of you many opportunities in life to help those in need, and even to help the souls in purgatory with your prayers and Masses. Even when you make an extra effort to help people, you feel good that you could help them, and you will receive treasure in heaven for your good deeds. When you come to your judgment, you will only have your good deeds to balance off your sins and any reparation due for your sins."

John Leary Messages Year 2015

January 2015

Wednesday, December 31, 2014

January 21, 2015
Wednesday, December 31, 2014:
Jesus said: "My people, just as you see these physical pillars holding up a church in the vision, so I want My followers to be spiritual pillars, defending the faith, and building up My Church with new conversions. Do not keep your faith to yourself, but reach out and share your faith with others, so they too, can believe in Me. I am calling on My faithful to be prayer warriors in their families. Take the responsibility of praying for their souls, and leading them by your good example in attending Sunday Mass and monthly Confession. You do not want to see any of your family members lost in hell, so help them in their spiritual lives the best that you can. By your prayers and sacrifices, you can help save their souls."

Thursday, January 1, 2015

January 21, 2015
Thursday, January 1, 2015: (Solemnity of Mary)
Jesus said: "My people, today celebrates My Circumcision in older years, and now My Blessed Mother's place of honor. In all that My Blessed Mother did, she always led people to Me as her Son. Today, you are seeing the shepherds giving glory and praise to their Savior, as it was announced by My angels. In a few more days, you will celebrate the Epiphany and the gifts of the Three Kings. They announced My own kingship, and they gave Me royal gifts of gold, frankincense, and myrrh. Rejoice in this new year, as you have more time to perform good deeds for your neighbors. Keep praying for peace where there are constant wars."
Jesus said: "My people, you have heard some predictions of a possible bank failure this year in September. I have mentioned before that dates of predictions are rarely on time. You have a conflict with the free will of man and people praying for petitions. I have also told you that the major events would not be allowed to happen until after the Warning. The evil ones have their plans, but

they are controlled by the Father's Will and His plans first. On a human level, you will see a struggle for power between your President and the new Congress. There will be a lot more vetoes because the Senate will no longer be under his party's control. Getting sufficient votes to override any vetoes will be a constant theme running your government. The use of Executive Orders and memorandum will come under more scrutiny by your Congress. The new party in control will be fighting to prohibit any dictatorial control by your President. The events of this year will shape the future freedoms of your citizens."

Friday, January 2, 2015

January 21, 2015
Friday, January 2, 2015: (First Mass for Carl and Marian B.)
Jesus said: "My son, your friends have enabled you to build this new addition to your house for some possible home Masses. You are seeing a new room in the vision that will provide the space that you need. It is appropriate that you have these Masses said for the souls of your friends. Multiple Masses for individual intentions are the most needed to liberate souls from purgatory. Your friends will be most thankful for your gift. Masses for the deceased are much more valuable to souls than any amount of money. I told you that you cannot take your money beyond the grave, but if your heirs use some of the money for your Masses, it is even better. In this case, you are both helping each other with My work. Continue your work on this project, and you can pray your St. Therese Novena that everything will go well without any interference from the evil one."
Jesus said: "My son, I have shown this vision to you before, but I want to emphasize how I am already speeding up your time. During the tribulation, it is mentioned in the Bible how I will shorten the time of this trial for the sake of My elect. (Matt. 24:22) In the vision you are seeing the earth spinning around faster to shorten the 24 hour day. This trial will be less than 3½ years before I will bring My victory over the evil ones with My Comet of Chastisement. Fear no evil because My power is greater than all of the demons. In addition to the time speeding up, you could even see a polar shift that could bring some dramatic changes in your weather with more disasters. The power of nature is much greater than what man could control, so trust in My power over the power of man, or the demons."

Saturday, January 3, 2015

January 21, 2015
Saturday, January 3, 2015: (Diane's funeral Mass)
Jesus said: "My people, Diane is happy to see all of you come to her funeral. She is sorry that she had to leave you so suddenly. She will be praying for all of you. She loves her family and all of her friends. She needs a few Masses to come to heaven. She still had a good life in all that she did."
Diane said: "I love all of my family, and I am glad that my son was listening to my lessons for his life. Remember me in your prayers and Masses, as I will be praying for you as well. Whichever pictures of me that you like the best, treasure them in your homes. You will learn also how short life is, as you will come to Jesus sooner than you think. Trust in the Lord and follow Him, and He will give you your reward."
Jesus said: "My people, for the present time, you need some transportation, and you need a dependable vehicle for leaving to My refuges. Not everyone can afford late model cars, as some can only afford used cars. Your cars do not last very long, which is why a lot of people try to buy cheaper used cars. In your days, it is important to have a car to get to your workplace, which is why parents help their younger children to buy a car. Be thankful that your fuel costs have come down with lower crude oil and gasoline prices. I have mentioned before that if you leave for My refuges when I tell you, you can leave in your vehicles. Those people, who do not leave right away, may have to leave for My refuges by bike, or on foot. Be ready to leave in a short time, and you could be more comfortable in your own cars. Trust in My help to protect you from the evil ones, who want to kill you."

Sunday, January 4, 2015: (The Epiphany)
Jesus said: "My people, many of you pray to Me as the Infant Jesus, and I am always present to you in whichever way you see Me. The Epiphany is a celebration of My manifestation as your true King, when the Magi presented Me with their gifts of gold, frankincense, and myrrh worthy of a king. I ask My faithful to come to Me with your gifts of mind, heart, and soul, as you give Me your will to follow My ways instead of your ways. This is a glorious feast as My angels are singing My praises. Give thanks to Me for My Incarnation as a God-man, so I could offer My life up in sacrifice for your sins. It is good to

keep your focus on Me during this Christmas Season that ends with the feast of My Baptism. Even the Magi avoided Herod so he would not be led to Me. Herod is the reason our Family had to leave for Egypt, but the Holy Innocents paid the price for his greed for power. Many people are still being persecuted today for their belief in Me. In the end My believers will be vindicated when they come to Me in heaven."
Our Blessed Mother said: "My dear children, my Son and I are looking down on your prayer group, and we are pleased with your devotional prayers for your intentions. My Son is blessing you for being so faithful to your prayer group. Continue to be faithful to praying my rosary because this is your most powerful weapon against evil, and for answering your prayer petitions. We hear all of your prayers and my Son has taken them to the Blessed Trinity. You are celebrating my Son's Epiphany, and there is great joy and praising of God in heaven on these feast days. Give praise and thanks to my Son because He answers your prayers for what is best for your souls, and the souls of your intentions."

January 21, 2015
Monday, January 5, 2015: (St. John Neumann)
Jesus said: "My people, St. John the Evangelist talked of people who were against Me as being antichrists. But there is the Antichrist who is the first beast of the Book of Revelation, and he will be a demon incarnate. He will have unusual powers, and a great charisma that will control people through his eyes. In the vision you could see how he could control people, as in a hypnotic state, with his eyes that would make them worship him. This is why I have warned people not to look at the Antichrist's eyes, or listen to his words. After the Warning, the Antichrist will be gaining in power, and my faithful are to remove all of your TVs and computers out of your homes so you do not look at his eyes. Remove all cell phones and any device connected to the internet. I will warn My faithful when to leave for My refuges, as your lives and souls will be in danger. Trust in My protection because My power is greater than all of the evil ones."
Jesus said: "My people, your society is living at a fast tempo, and you are always in a hurry to go someplace. Because you are influenced by consumerism and living in a fast mode, you do not always have time for Me in your day. You are

on this earth to know, love, and serve Me. Until you slow down and follow My agenda, instead of your own, you will have little, if any, time for Me in prayer. It is when you are quiet and still, that you can hear My Word for your soul. When you are in a rush to do too many things, you get frustrated by not being able to accomplish more than you have time to finish. With My agenda, it is souls and prayers, that are more important than earthly tasks. When you do things out of love for Me, you will be much more peaceful in your soul. When you do things to help your neighbor, you are not being selfish with your time, but you will be happy to help someone. Do not let noise or time run your life, but follow My directions instead. If you let the worldly desires and comforts run your life, then you will have no time for Me, and little time to pray. Plan your prayer time during the day by making time for Me, because it is difficult to pray at night when you are tired from the day's events. By following My ways, you will be much more at peace in your soul."

Tuesday, January 6, 2015: (St. Andre Bessette)
Jesus said: "My people, in the readings you hear of My love for man, and how I showed My love with the ultimate gift of My life to forgive your sins. It is My Body and Blood that is symbolized in the breaking of bread in giving it to the five thousand men. This multiplication of the bread and fish was another miracle to witness that I am a God-man who suffered all of your human frailties, except I was without sin. This is a good opportunity to help people understand that I left My Eucharist with you so I could be with you intimately with My Real Presence. At every Consecration of the Mass, you have the transubstantiation of the bread and wine into My Body and Blood, even though you may not see My very Blood. There have been miracles of My Eucharist when actual blood appeared on the Host to help those unbelievers to believe in My Real Presence. This is why you should be reverent in bowing or kneeling to receive My consecrated Host on your tongue. Also, you should genuflect to My Presence in the tabernacle when you enter church, and when you walk by My tabernacle. This concept of the multiplication of food will also be used to provide food for My people during the trial of the coming tribulation of the Antichrist. My faithful, who survive the persecution, will be living at My refuges that will be protected by My angels. There, the priest will give you Holy Communion, or if

a priest is not present, My angels will give you daily Holy Communion. You will have perpetual Adoration of My consecrated Host at every refuge. I will not leave you orphans, but I will remain with you until I come in victory over the evil ones."

Wednesday, January 7, 2015:
Jesus said: "My people, I know what you need in life to survive, and I will help you to achieve your goals. I call on you to trust in Me to provide for you, even in difficult circumstances. You have seen lost jobs in recessions, and how people have lost money in the stock market, or they have lost their homes in the housing crisis. Keep praying to Me and following My ways, and I will find a job, a home, and transportation for you. You have been preparing some refuges to house people, and store some supplies, food, and bedding. Preparing even an interim refuge requires some planning, dedication in faith, and confidence that I will direct you in what to do. Pray for discernment if having a refuge is My mission for you. Work toward helping people to find a safe haven during the tribulation, if you hear My calling. Those, who carry out My work out of love for Me, will have their reward in heaven."

January 21, 2015
Thursday, January 8, 2015:
Jesus said: "My people, in the Gospel you can see how the Old Testament readings are the predecessor of My New Testament readings. Salvation history has been foretold through many prophets, how a Redeemer would come and save the people from their sins. I read the Scripture from Isaiah how I would heal the blind, the lepers, and the poor. I would release sinners of their sins through My sacrifice on the cross. This is why I told the people of Nazareth that this Scripture reading was fulfilled in their hearing. The people received Me with joy at first. Later, when they heard about My claims of being God's Son, they wanted to kill Me, but I walked through their midst. The people of My day did not understand My mission in bringing salvation to the whole world. I did not just come only to save the Jews, but all of humanity is given an opportunity to be

saved. Those people, who believe in Me as their Savior, and seek My forgiveness of their sins, will be saved from hell and their sins, and they will find their reward with Me in heaven."

Friday, January 9, 2015

January 21, 2015
Friday, January 9, 2015:
Jesus said: "My people, I have compassion on all of My people, just as I had compassion on the leper in healing him. I know all of your needs, and I will provide for you every day. Trust in Me to take care of you, even throughout the coming tribulation. I am showing you in the vision how I will multiply your food and drink at My refuges, that are protected by My angels. Have no fear, even when you see people killed by terrorists, or when Christians will be persecuted with martyrdom. I will warn My faithful when it is time to leave for My refuges. I will have your guardian angels guide you to My safe havens. You will be protected from the evil ones by an invisible shield that will not allow them to harm you. Give thanks and praise to your God who looks over your care both spiritually and physically."
Jesus said: "My people, you have all come together to share in the wedding of Sarah and Trent, who many of you know through friends. You have read the passage in the Bible when Tobiah and Sarah prayed on their wedding night to be protected from Asmodeus, the demon. Several other husbands of Sarah were killed by the demon on her wedding night. St. Raphael answered their prayer by casting out the demon, and Tobiah's life was spared. I mentioned this so you could pray this prayer to St. Raphael for the protection of Sarah and Trent in their wedded life. This is a prayer that all couples could pray for each other so God's protection from the demons could be with them at all times."
St. Raphael's prayer:
Blessed St. Raphael, the Archangel, we beseech thee to help us in all of our needs and trials of this life, as thou, through the power of God, didst restore sight to Tobit and gave guidance to young Tobiah. We humbly seek thine aid and intercession, that our souls may be healed, our bodies protected from all ills, and that through Divine grace we may be fit to dwell in the eternal glory of God in heaven. Amen.

January 21, 2015
Saturday, January 10, 2015: (Sarah and Trent's Wedding)
Jesus said: "My people, at every wedding, your thoughts go back to the wedding at Cana as you read in the Gospel. It is also one of the Luminous Mysteries of the rosary. This is fitting because Sarah has a rosary ministry with her sisters and parents. I performed My first miracle at Cana when I changed the water into wine at the request of My Blessed Mother. She had a beautiful quote to the servants when she said: 'Do whatever He tells you.' This is also fitting because My Blessed Mother always leads you to Me. I want to bless Sarah and Trent on their wedding day. As they keep close to Me in prayer, I will bless their marriage every day. Getting married in My Church is a beautiful example to all couples, so they can live in My graces throughout their married lives."

Sunday, January 11, 2015

January 21, 2015
Sunday, January 11, 2015: (The Baptism of the Lord)
Jesus said: "My people, today's feast of My Baptism is also a feast day of the manifestation of Our Holy Trinity. God the Father proclaimed in a voice over Me: 'This is My beloved Son, and I am well pleased with Him.' There also was a dove over Me, representing the power of the Holy Spirit, and I was there as God the Son. This was the beginning of My ministry on earth, and it is also the end of your Christmas Season. I love all of My people, and My death on the cross has brought salvation to all sinners who repent of their sins. It is My sacrifice that removes original sin from all souls who are baptized either as infants or as adults. Rejoice in My graces of Baptism that makes each of My followers priest, prophet and king."
David said: "I am greeting my father, my mother, and my sisters, Jeanette, Donna, and Catherine. I am still watching over each of you, and as you accept the infant Jesus, remember me as your infant son. You are working now to provide a place for people later, so remember to pray to me for any help in this new part of your mission. Time is growing short, but Our Lord has asked you to proceed with your plan. Trust in the Lord for everything, and He will protect you and provide for your needs."
Jesus said: "My people, today, many of My faithful are comfortable in their homes with all of their electronic devices. You are concerned with keeping your

grass green, and keeping your cars clean. At My refuges you will need to get used to different priorities in what you are doing to follow My Will. You will have different things to eat with no electronic devices because they will not work. Keeping warm will be more work, and preparing your meals will also be more difficult. I will help you to lead holier lives. You will have more time to pray to Me, and you will attend perpetual Adoration every day. Some people may not want to leave the comforts of their homes, in order to come to rustic living at My refuges. I ask My faithful to trust in Me for their protection by My angels, and to trust in Me to provide the food they eat and the water they drink. When you will be living in full trust of what I provide, your soul will be at rest in My peace."

Monday, January 12, 2015

January 21, 2015
Monday, January 12, 2015:
Jesus said: "My people, every day you need to pick up your cross and carry it through all of life's trials. You cross many bridges that could test your faith. You may have your own personal health problems to deal with. Your family and friends may also have health problems that you may need to help them. Comfort those who are sick, and share your sympathies with those who are mourning deaths in your family or among friends. Even visiting the elderly and helping them at times is one of your callings. You can also assist those who need charity donations to get by. Remember to love Me and your neighbor in helping them in their trials. Sometimes you have to be like Simon in helping people to carry their crosses which may be heavier than yours. All that you do to assist your neighbor in good works, will store up treasure in heaven for your judgment."
Jesus said: "My people, I have told you before that this land is consecrated, and it is a refuge for the end times. The angels are here to protect this shrine from the evil ones. St. Mother Cabrini thanks all of you for coming and for making the effort to climb the stairs to the statue of My Sacred Heart. I will have My angels provide food and bedding for the people who will come here during the tribulation."
St. Frances Xavier Cabrini said: "My dear pilgrims, I thank all of you for making an effort to visit my shrine, even through the fog and icy conditions. I want to bless all of you, especially Juliet, and all the people from California. Some of you braved the weather to have a drink from the spring that I enabled. Others

even made the climb to see Jesus' statue and my own heart rosary. Come to me as an intercessor for all of your prayer requests. I know some of you have my statues in your homes, and a few have my relics. I will be praying for all of you, and I will be watching out for all of you from heaven. You can imitate my life by caring for the poor, and those who need food and financial help."

Tuesday, January 13, 2015

January 21, 2015
Tuesday, January 13, 2015:
Jesus said: "My people, everyone has a God-given physical appearance, but it is vanity to desire to look younger than you are, as you grow older. Be content with your present appearance after you have washed and taken care of your normal hygiene. Also, do not put on airs that you are someone of greater riches or fame. The worldly people seek these things, but it is the inner appearance of your soul's condition that is more important to Me. You remember when I criticized the Pharisees for their enhanced appearance and their looking for places of honor at banquets and in the Temple. I told them how they looked good on the outside, but inside they appeared as dead man's bones. Focus more on keeping your soul pure with prayer and frequent Confession. Seek to present a beautiful soul to Me, and do not concern yourselves with beauty, riches, and fame of the body that are fleeting and will pass away. But your soul lives on forever, and you should be more concerned about your soul's destination to heaven. I love all of My people, and I call all of you to seek My love in heaven over all of your earthly desires."
Jesus said: "My people, praying for the conversion of poor sinners is one of your best prayers to save souls from hell. In the Pieta prayer book you have the St. Bridget prayers for a year for your family members. You also have the twenty-four Glory Be Novena to St. Therese for prayer intentions like the new chapel. Then there are the three beautiful prayers for someone who is dying. These devotions are all trusting in My mercy to save souls. I hear all of your prayers, and I answer them for what is best for the souls who are being prayed for. Do not forget your daily rosaries, which are your best weapons against the evil ones. I keep stressing the importance of prayer to counteract all the sins in your world. The saving of souls is also the greatest reason that I died on the cross to give souls an opportunity to be saved from hell, and come to heaven one day."

Wednesday, January 14, 2015

January 21, 2015
Wednesday, January 14, 2015:
Jesus said: "My people, I am showing you this river of water that represents how My graces and blessings are flowing over you. Just as a river seems to flow endlessly, so My graces and blessings flow out to you endlessly, as in the picture of My Divine Mercy. I love all of you so much that I died to free you from your sins, and offer every soul salvation. I give everyone free will to choose to accept Me or not. Those people, who seek My forgiveness of their sins, and accept Me as their Savior, will have fertile ground to receive the rain of My graces and blessings. Those people, who reject Me, are rejecting My graces and help to come to heaven. Pray for these souls who are away from Me, so they can be saved. The souls, who love Me and follow My ways, will receive their reward at My judgment. These people are My faithful who are called to be evangelists for other souls. Those people, who experience My love, are one with Me in their souls, and they want to share this love relationship with Me with others. I am love itself, and I want all of you to share in My love, and desire an everlasting personal love relationship with Me."

Thursday, January 15, 2015

January 21, 2015
Thursday, January 15, 2015:
Jesus said: "My people, the Israelites did suffer hard times in the desert, but I provided them water from the rock, manna on the ground, and quail for meat at night. Still they complained about the food, and I sent them serpents as a punishment. Moses held up the bronze serpent so those, who looked on it, would be healed of their snake bites. Many people in today's world complain also of their financial and food problems. In all of these cases, My people need to have trust in Me that I will provide for their needs. I have helped you to survive in the past, and I will continue to do so both now and in the future. The trials of the Exodus will be similar for My faithful at My refuges. You will have rustic living with little electricity. You will need your food, water, and lodgings multiplied to survive. My luminous cross will also heal your ailments by looking upon it. My angels will provide Holy Communion daily, if a priest is not present. You will have deer come into your camps and die for your meat. Water will be supplied in springs if necessary. You will have interim and final

refuges for your places to stay. Be thankful that My angels will protect you from the evil ones, and do not complain about your food and dwellings."
Prayer Group:
Jesus said: "My people, you are seeing a horrifying look of a soul who is suffering in the lower parts of purgatory where the flames are just as cruel as those that are in hell. Some of the souls in lower purgatory will be there until the end of this age. I am just in all of My judgments, and I am merciful to even allow some souls into lower purgatory rather than going to hell. Keep praying for the souls in lower purgatory, and offer individual Masses if the names are known."
Jesus said: "My people, most of the recent terrorist killings have been committed with automatic weapons. Some terrorists use high explosive bombs, especially suicide bombers. You have seen several incidents in Europe recently, and these terrorists were only interested in getting headlines with hostages. It is sad that most of these people are Moslem jahadists. They are intent on upsetting people's peace to promote their own religion, and they are trying to force Shariah law where they have large numbers. Pray that these cells could be captured before they kill more people."
Jesus said: "My people, you are already seeing a battle over the funding of Homeland Security, and the taking back of your President's misuse of his writing laws on immigration without Congress. Several funding bills could be how Congress is going to fight your President in his attempts to make legislation without Congress. This could hold up the funding of various parts of your government. Unless your President is willing to compromise, you could see some difficult problems that could affect many Americans."
Jesus said: "My people, you have seen Jewish people being attacked and killed by Muslim terrorists. You have also seen attacks on policemen and even military people. You will be seeing more attacks against various religions, especially Christians. In Muslim countries, Christians are being killed, and even threatened in ethnic like cleansing. If Christians do not leave, they are being killed. These same attacks on Christians will increase in America, so be prepared to go into hiding or come to My refuges."
Jesus said: "My people, you are seeing a war going on between your oil suppliers. It is more expensive to extract oil by fracking, so your Arab countries are willing to take lower profits to try and force new American oil sources out of business. Many oil companies are making less profits, and their businesses are at risk. Pray that your country can get through this test so your economy is not

affected."
Jesus said: "My people, many of your good jobs have been sent overseas for cheap labor, so your average worker is making less money with low paying jobs. Even your Health program is encouraging your employers to have workers only work thirty hours so they do not have to pay high health premiums. This again is hurting workers income along with paying higher health premiums and higher deductions. Some people are paying penalties rather than paying premiums that they cannot afford. This will be another fight in Congress over Health Care. Pray that people can get more affordable health insurance."
Jesus said: "My people, your Sunday Mass attendance has been dropping more in recent years because the people in your society are growing weak in their spirituality. People are distracted by more earthly comforts and entertainment than coming close to Me in prayer. It is not easy to keep a holy life with so much sexual sin in fornication and homosexual sin. As evil is getting worse, the faith in people is getting weaker. Pray that your people will have a spiritual revival, or I will have to bring My Warning sooner."

Friday, January 16, 2015

January 21, 2015
Friday, January 16, 2015:
Jesus said: "My people, in the Gospel I told the paralytic man: 'Your sins are forgiven.' The people were thinking how could I forgive sins, since only God can forgive sins. I used this healing of the paralytic man to show them that the Son of God can heal both the body and the soul. If they understood My power, they would see that I am God the Son of the Blessed Trinity. In the vision I showed you an even greater miracle of when I called Lazarus forth from his tomb. He was dead several days, and I brought him back to life to show them that I had power over death and sin. This so amazed the religious leaders that I threatened them with My many followers. As a result, these leaders wanted to kill both Me and Lazarus. This raising of Lazarus from the dead was a preview of how I resurrected from the tomb after three days. This miracle of My Resurrection overshadowed all of My miracles to convince people that I really am God the Son. My death on the cross was My real reason for becoming a God-man, so I could sacrifice My life for the sins of all of mankind. Trust in My great love for all of you, that I would give up My life to save all souls who repent of their sins."
Jesus said: "My people, you are seeing your people who are committing many

sexual sins, and they are not repenting because they do not think that they are doing anything wrong. I assure you fornication, adultery, prostitution, and homosexual acts are all mortal sins, and they need to be confessed. When you come before Me at the judgment, these souls, who are in sin and do not repent, are on the path to hell. You cannot rationalize away your sins, or make excuses, because you know My Ten Commandments in your conscience. These sexual sins and your abortions are bringing your country down. This is why My Blessed Mother and I are requesting your prayers to help so many sinners to change their lives to avoid coming to hell. I have told you before that your prayers can save your family members. Do not forget to pray your rosaries every day, and make up for missed rosaries on the next day. I depend on the prayers of My faithful for poor sinners. So do not disappoint Me with any spiritual laziness. Be persistent in your prayers, and you will help sinners and yourselves to come to heaven. Those people, who have been given much, I will expect more from them with a heavy responsibility to follow My ways."

Saturday, January 17, 2015

January 21, 2015
Saturday, January 17, 2015: (St. Anthony in the desert)
Jesus said: "My people, I am showing you a ladder which has both physical and spiritual meanings. In the physical world you could use a ladder to get up into a bunk bed, get up on your roof, or even climb up the ladder in a company's supervision. When you think of ladders in the spiritual realm, you could be climbing Jacob's ladder as you come closer to heaven. You could be climbing through the levels of purgatory with people's Masses and prayers. You could also be progressing in your spiritual life from a grievous sinner to a faithful righteous person in a holier life. You could also be striving with your good deeds to reach a higher level in heaven one day. I have also shown you that each day of your life is one step closer to heaven when I will call you home at your death. This life is passing away quickly, so do whatever you can to evangelize souls, and keep close to Me in your daily prayers. By following My Commandments and repenting of your sins, I will make a home for your reward in heaven."
(4:00 p.m. Mass) Jesus said: "My people, throughout the ages I have called people to be My messengers and prophets. I have warned My people through prophetic writings of any dangers that were to come. So, I am calling you, My son, to spread My Word through evangelization, and also to warn the people of the evil in the end days of the Antichrist. You have been given messages about

preparing refuges, both small and large ones. The interim refuges will be a place to stay for awhile on your way to a large refuge. You have already been preparing things to go to My refuges, as well as having extra supplies for surviving independently with My angel protection. You may need a source of water, and a place for people to bed down. If you are called to have a refuge, then you need to hurry plans along because the time is short before I will bring My Warning, and allow the evil ones their brief reign. Trust in My protection and providing for your needs."
Jesus said: "My people, in your human condition, good health is a blessing. There are some people with permanent disabilities, and others who suffer chronic pain, like arthritis or other bone and nerve problems. The doctors may offer pain pills, but they cannot always remove the source of the pain. It is the aggravating pain that can cause some people to be in depression without any letup. Pray for these people in pain that they will have the grace to endure this trial in life. Those, who are healthy, should pray a prayer of thanksgiving that they do not have to suffer such pain. When you can assist such people in pain, you will gain treasure in heaven. Even despite any health problems, remain faithful to Me in your daily prayers."

Sunday, January 18, 2015

January 21, 2015
Sunday, January 18, 2015:
Jesus said: "My people, in the Gospel and other accounts, Andrew led people to Me so they could experience My love relationship. In the same way, I want My faithful to imitate Andrew so you can be My ambassador to lead souls to Me to be saved. Reaching out to others as evangelists, is part of your calling in your vocation to win souls over to Me. By your Baptism and Confirmation, you are called to share your faith with others. When you love Me so much, you want to share that love experience with others. Love is contagious, and it needs to be shared. I love all of you so much, and I want you to love Me and your neighbor. Give praise and thanks to Me for bringing you all together in your faith of My Good News."
(Bishop's Right to Life Mass) Jesus said: "My people, this funeral service is being held for all of the unborn babies who were killed in abortion, as they did not have a proper burial service. Unfortunately, the unborn babies are treated as human garbage, and sometimes they are used in cosmetics. Rarely is an aborted baby given a death certificate because the pro-abortion people do not want them

considered human, which they are. It is sad that your mothers are killing their children for conveniences. Your people do not consider life precious enough to stop your abortions. Your country will soon pay a serious punishment for all of these deliberate killings. When you lose your freedoms, and are running from your persecutors, you will remember My words about your punishment. The Israelites suffered for disobeying My laws, and every nation who kills their babies, will suffer as well. Pray to stop abortion, and try to discourage pregnant women from aborting their children. Adoption is a better option."

Monday, January 19, 2015

January 21, 2015
Monday, January 19, 2015:
Jesus said: "My people, when your priests go away on vacation, you have a difficulty finding retired priests so you can have Holy Mass. It is at these times that you see how valuable it is to have your priest present for Mass and the sacraments. Once you need to have Mass in the homes, it will be difficult to locate a priest in hiding. This is why it may be a good time to befriend a priest for your refuges. My daily Mass people will find it difficult, if you cannot have a priest for Mass. Keep in mind that the priests will be persecuted, and they will have to find refuges to survive. So when you can have a priest in the homes, you will have to provide books, vestments, candles, and the bread and wine for Mass, as well as food and a place to sleep. Remember that the priests are priests forever according to the order of Melchisedek."
Jesus said: "My people, this vision is to give you an idea of how hard it will be to live through the tribulation. It will be easier at My refuges to survive than among the persecution of the evil ones. The Antichrist and his minions will try to kill as many Christians as they can because they want to remove all traces of God all over the earth. I will protect My faithful at My refuges with My angels, and a shield of invisibility. Be grateful that I will always be with you because every refuge will have perpetual Adoration of My consecrated Host. You will suffer a rustic living as meals will be harder to prepare during the tribulation. Despite all of these coming trials, it will still be better to suffer purgatory on earth, rather than the suffering in real purgatory."

Tuesday, January 20, 2015:
Jesus said: “My people, the Jewish people have many Mosaic practices and traditions about not working on the Sabbath. I even mentioned to them how they should pull one of their animals out of a pit on the Sabbath to save its life. Then I emphasized how the Sabbath was made for man, and not man for the Sabbath. It is still part of My Church law to minimize any servile work on Sunday. This is to respect My day of rest. In America you used to have blue laws not to force workers to work on Sunday. Now, people work on Sundays, and they hold their sports games on Saturday night and Sunday morning. It is better to put off any work on Sunday until you can do it during the rest of the week. Even more important, My people need to make time for Me at Sunday Mass. I only ask you to attend one hour a week for Me on Sunday,according to My Third Commandment. So do not be lazy, or so selfish with your time that you miss Sunday Mass. Pray for those in your family who do not come to Mass every Sunday because their souls are in danger of being lost. Encourage all of the fallen away Catholics to return to Sunday Mass to honor My day of rest. If you truly love Me, then you should show it by coming to Sunday Mass to give Me praise and thanks for all that I do for you every day.”
Jesus said: “My people, you have no idea of how harsh the coming tribulation will be, when the evil ones will have a short reign. If you do not come to My safe havens with My angel protection, then the evil ones will drag you off to the detention death camps to kill you with gas chambers or guillotines. They know who the Christians are, and their intent is to exterminate anyone who goes against the new world order. Those, who are preparing refuges, will have only a short time to build them, before I will bring My Warning experience to everyone. After the Warning and conversion time, the evil ones will come looking for all of My faithful to kill them. I will not leave My faithful orphans, which is why I am providing My angel protection at My refuges. My refuge builders will need to have water, food, and fuel so I can multiply them for your survival. You also will need bedding for those who come to your refuges. You will have one of My

angels appointed to watch over every refuge. You will have healing spring water and My luminous cross to heal all of your ailments. You also will have daily Holy Communion and perpetual Adoration. You all will be living in a community where everyone will have to contribute their skills to help each other. You all will need full trust in My help, and My protection. So have no fear of these events. Be ready to counsel any new arrivals to calm down their fears. You will not need guns because you will be protected with an invisible shield from your enemies."

Wednesday, January 21, 2015: (St. Agnes)
Jesus said: "My people, in the Gospel of another day, I spoke of not hiding a light under a bushel basket, but it should be put in a prominent place for all to see it. In the vision you are seeing My great Light shining from My consecrated Host. I am truly Present in My Host, and this is why My Light is shining forth. Even in My tabernacle, I am still Present, and this is why My tabernacles should also be in a place of prominence, and not in a back room out of sight. My faithful also should be like beacons of faith, so you shine forth My Word out to everyone. Do not be afraid to defend My way of life, instead of your society's sinful lifestyles. Those, who are faithful to Me, even under difficult circumstances, will receive their reward with Me in heaven."
Jesus said: "My people, you have variable jet stream patterns that appear to bring precipitation over the same areas. You have seen unusually heavy snow or rain, as in Buffalo, N.Y. with seven feet of snow. You also have seen droughts in California. When you see low pressure going over the same area for days, or high pressure consistently in another area, this is a sign that your weather is being manipulated by man-made machines as the HAARP machine. These microwave machines can control jet streams to create floods, droughts, as well as high winds in tornadoes, hurricanes, and typhoons. You have seen many typhoons in the Pacific Ocean that have ravaged the Asian countries. Even in the winter you are seeing such storms in the Philippines. These weather-making machines can cause serious harm to countries where they are used. This is a dangerous tool that the one world people are using as a means of blackmail for their agenda. Only your internet will carry stories about the HAARP machine and chemtrails. These stories are not broadcast, and are censored from your

controlled media. Be watchful of your weather events and earthquakes, as they can be manipulated to cause many disasters. Pray for My intervention into the one world people's plans, as their reign will be brief, before I will bring My victory over all of them."

Thursday, January 22, 2015:(Roe v Wade anniversary, stop abortions)
Jesus said: "My people, every year you march against abortion in Washington, D.C. on January 22 where your Supreme Court has approved of killing My unborn babies. Your nation will suffer a loss of your freedoms because you are denying the freedom of life for all the unborn babies that you are killing. All mothers of aborted babies, the doctors who killed them, and all those people who support abortion, are all liable for punishment of their evil deeds, and should seek My forgiveness. My Blessed Mother has said to you that not working to stop abortion in prayer or protest, is the worst sin of omission. You complain of all the terrorist killings, and the holocaust in Germany, but you are just as guilty in killing My babies. I have told you that if you do not stop your abortions, then I will stop them in a way that you will regret. This means I will allow the one world people to punish you with a takeover, and a loss of all of your freedoms in a totalitarian state of communism. Socialism is where you are today, and that leads to God-less communism. This is why I am having some faithful set up refuges when martial law is declared, so you will be protected from the evil ones by My angels at My safe havens."
Prayer Group:
Jesus said: "My people, your elected officials should be held to a higher standard of ethics than others, because they serve your people. You have seen other officials charged with crimes because of their inappropriate behavior. They are human, but it puts a bad light on your officials that sometimes think they are above the law. Pray for all of your elected officials that they lead upright lives, instead of causing any scandals."
Jesus said: "My people, your media is so censored, that they do not want to show the thousands of people who are protesting abortion. Many of your Congress people try to hide from these protestors. I applaud those who are standing up to defend the little babies from being killed by abortion. Shame on those mothers who are killing their children. Shame on the doctors as well who take blood

money to perform thousands of abortions. These souls need to seek My forgiveness for their crimes. Your country is in danger of My punishment because your laws and decisions allow the killing of unborn babies. Keep praying for the stoppage of abortion."

Jesus said: "My people, your media is very quick to show you riots and other protests, but not any protests against abortion or homosexual marriage. It has been proven that most of your announcers and owners of your media, are very left of center in displaying their censored politics. This has been a goal of left leaning organizations to control the media and its message, which many times is favoring atheism instead of talking about Me. Some people are no longer watching TV. Avoiding the left brainwashing is a good reason not to watch it."

Jesus said: "My people, some of your modern churches do not have statues or pictures of Me, My Blessed Mother, or the saints. Many churches do not even have a large crucifix by the altar. Pictures and statues of the saints help you to remember them to imitate their holy lives. Stained glass windows are also a means of displaying Myself and My saints, even as you are viewing an old stained glass window that you brought to your prayer group. Some people have reached out to save such holy objects from being thrown out or desecrated. I commend those people who are trying to preserve such holy objects."

Jesus said: "My people, when you look at who is attending Sunday Mass, there are fewer young people coming, especially as they grow into adulthood. Each succeeding generation is getting weaker in their faith. When your children attend college, they find many professors who are teaching atheism. Your society also advocates more sinful lifestyles as living together or same sex marriage. You see attacks on the family in many ways that try to split the families. With such an environment for your children, you can see why fewer young people keep their faith strong into adulthood. Keep praying for your children to stay close to Me, and strong in their faith."

Jesus said: "My son, I know that you wanted to be at your friend's funeral, but you were away when she died. She was a dedicated fighter for the faith, and she had invited you for several talks in Canada. My faithful network needs to keep in touch with each other, and pray for each other. Carmel suffered for a time with cancer, and this was her purgatory on earth. She will be brought to heaven on the next feast day of My Blessed Mother."

Jesus said: "My people, I have been advising My refuge builders to be stocked up on the physical needs as food, water, and fuel. I will multiply what you need, even your buildings that are like dormitories for bedding. My faithful also need

to stock up on your spiritual needs, as preparations for Mass, Adoration, rosaries, scapulars, and religious books as Mass books, Bibles, Pieta prayer books, and the Liturgy of the Hours. You will be praying more at My refuges, so you will need plenty of rosaries and religious books to share."

February 4, 2015
Friday, January 23, 2015: (St. Marianne Cope)
Jesus said: "My people, you are again being given My apostles and St. Marianne Cope as models to imitate in helping people, as St. Marianne did in working with the lepers for thirty years. When you see people suffering in pain, your heart goes out to them to relieve them. You can pray over sick people, or help comfort them by your visits. Not only are you concerned with people in physical pain on earth, but there are soul bodies suffering in lower purgatory from the flames. You can pray for these souls, and have Masses said for individuals. By helping to move these souls out of the flames, these souls will be grateful for any help that you can give them. Remember to help all souls in pain, either on earth or in purgatory."
(Mass for Janet's 100 yr old mother) Jesus said: "My people, some of you have had to take care of your parents in wheelchairs, and caretakers require patience and endurance to take care of all of their parent's needs. You do what you have to do for your parents because they spent time bringing you up. Sometimes when they have memory problems or other disabilities, you need to take them to assisted living places, or even to nursing homes. Be grateful for every year that your parents are alive. You love them deeply, and you are at a loss when I take them home. Keep remembering your trials, because you may one day need to have your relatives take care of you. You do not know how long you have to live, but make the most of your short time on earth. Keep praying for the souls of your family, so none of them are lost to hell."

February 4, 2015
Saturday, January 24, 2015: (Mass for Carl & Marian)
Jesus said: "My people, there are many souls suffering in purgatory, but praying Masses for these souls is the best help to bring them to heaven. Carl and Marian

are on their way to heaven because of these Masses. It is hard for people on earth to appreciate what souls in purgatory are suffering. The lower level has burning flames, but the higher level does not. It is still a gray, dingy environment without My loving presence. These souls are also outside of time, so they do not know how long they have been suffering, nor do they know how much longer they have to suffer. Over time and with prayers and Masses said for them, these souls have a sense that they are rising in levels closer to coming to heaven, which they are promised one day. Have mercy and sympathy for the souls in purgatory who are suffering because of their sins. When you can have a plenary indulgence as on Mercy Sunday, reach out to accept it, because it could lessen your time in purgatory. Those people, who live during the tribulation time, will be suffering their purgatory on earth. Remember to keep praying for the poor souls in purgatory."

(4:00 p.m. Mass) Jesus said: "My people, I call many of My faithful to come forward to work in My vineyard. You are seeing three basic answers to My call. The one, like the apostles, is where they dropped everything and followed Me without looking back. The second is one like Jonah, who was a reluctant prophet, and he did not want to help his enemies. But he was thrown into the sea and a whale threw him up on the beach. Later, he finally went to Nineveh and told the people, if they did not repent, then in forty days, Nineveh would be destroyed. The third answer, which was not in the readings, is to not answer My call at all out of fear or laziness. When you see these three responses, I can even ask each of My faithful, which response are you going to give Me when I call you to be My evangelist? My son, when I asked you to do a mission for Me, you said that you would do My Will without knowing what I was calling you to do. In order for Me to work a mission through you, you have to give your will over to Me so you can follow My agenda and not your own. You have been faithful to My mission for you, and you will have My reward for coming forward to preach My Word to the world. This is the response that I pray more of My faithful would answer. Some are also answering My call to set up refuges of protection during the tribulation. By answering My call, I can work miracles through My people. Give praise and thanks to Me that I call people to help and lead My faithful, as My priest sons do."

February 4, 2015

Sunday, January 25, 2015:
Jesus said: “My people, many people give donations to the Church, relatives, and friends, but fewer people take time to donate to the poor. I know it is difficult to pay your bills, and still have money left for donations. Most Americans are rich compared to the poor in the third world countries. You spend money on restaurants and entertainment, so you could spend a few of those dollars to feed the poor who have next to nothing. You have plenty of welfare programs for any people in America, but there is no safety net for the truly poor in other countries. Make room in your budget next month to help the poor in foreign lands. You had a deacon promoting ‘Food for the Poor’, and he was showing you a true need for help in the Caribbean countries. You also can pray for these poor people, that they will find a way just to survive.”

Monday, January 26, 2015:(Camille Remacle’s birthday,Carol’s dad)
Camille said: “Hello everybody, I am back to have a few words for you. You are seeing me receive Holy Communion because this is a sign of how you will receive your Jesus at the refuges. I am surprised that you are being asked to have a safe place at this late date. I understand your desire to do so with your latest good fortune. Our Lord is still continuing to tell you to go forward as soon as you can get started. You were wondering how you were going to protect your family, so now you are being led to set something up. You need to work a little harder on getting the old home ready to sell. It has been sitting idle long enough.”
Jesus said: “My people, you have had some cold weather, but not as much snow as usual. You have also seen some major snow disasters in Buffalo, N.Y., Maine, and now along the Northeastern coast. When you see empty shelves in the store in preparation for a bad storm, this should be a sign to you to have plenty of supplies on hand for just such occasions. My faithful, who are preparing refuges in the Northern states, also need to be storing hats, gloves, winter coats, boots, sweaters, blankets, and plenty of alternative fuels. You also need some extra warm underwear, and a good number of beds. I will need to multiply your food, water, and fuels, so you can keep fed and warm. Living in winter weather needs plenty of preparation for heating your place and cooking your food. You will be living independently from your normal services, so think of how you are going

to survive. In all of your coming trials, you need to have trust in My help, and guard your prayer lives from any distractions."

February 4, 2015
Tuesday, January 27, 2015: (St. Angela Merici)
Jesus said: "My people, this vision of the Capitol building in Washington, D.C., shows it on fire, and this can be taken as a future heated debate, or eventually as a martial law takeover. You are going to see some debates, and hopefully some compromises, in order to get by your President's vetoes. Both of your political parties are in a fight to control your country's agenda. You also will be seeing a struggle between your conservatives and the one world people who have the money to control people. With each election the sentiment of the people has been more to the center than the extreme left of the last six years. If your parties do not reach some compromises, then funding your government may be more difficult. Your President's veto threats and the use of Executive Orders and memorandums, are showing that he will not be compromising, unless he is forced to. Pray for your leaders that they will do what is right for the people, and not just for the new world order."
Jesus said: "My people, pray for the people who are suffering in New England from this latest blizzard storm. Some people have no electricity, while others have flooded houses. Pray that they can have a warm, dry place to stay before they can return to their homes. Record snow levels were seen in the New England states and parts of New York. Some places were spared heavy snow, but others are still beginning to dig out. It is not easy to suffer cold weather without electricity. You need a generator, or a fire with wood, kerosene, or natural gas. Those, who are prepared with fuel, water, and food, could weather the storm. Keeping warm with heavy clothing also helps to survive. Pray that no more lives are lost to the bad weather. Trust in My help to get people through this trial."

February 4, 2015
Wednesday, January 28, 2015: (St. Thomas Aquinas)
Jesus said: "My people, today you celebrate a great theological teacher in St. Thomas Aquinas. He has inspired many to understand Me a little better by his

teachings. You also received a flashback to your grammar school years when you were being taught your faith from the catechism. You remember the one answer that I repeat many times. You are here on earth to know, love, and serve Me. This simple answer is truly about your obedience to following My words, and it is a sign that you need to give your will over to Me, so you can fulfill your individual missions. Living a faithful, holy life is what I call everyone to do. You are here on this earth for only a short time, so do the best that you can to please Me by your good deeds, and seek Me for the forgiveness of your sins."
Jesus said: "My people, if you saw some dollars on the floor, you would gladly pick them up as valuable for buying things. While this is true today, there will come a time when you will not pick them up, because they will be worthless to you. There is a plan by the evil one world people to crash your dollar, and use this currency crisis as a means for taking over America. When the dollar crashes, everything denominated in dollars will crash in value as well,and it will cause a depression. The new money will be electronic money called SDRs or Strategic Drawing Rights, and it will be controlled by the one world people. If you do not take a computer chip in the body, you will not be able to buy or sell anything, except on the black market. My faithful should not take a computer chip in the body for any reason, because it will control your mind and free will. You will be told in the Warning experience to not take a chip in the body, and to not worship the Antichrist, or look at his eyes. After the Warning, I will tell My people with an interior message, when to leave their homes for the nearest refuge. My angels will lead you to a safe haven with an invisible shield to protect you. Those, who accept My warning, will be protected, but those, who refuse to leave their homes, could be martyred at the detention death camps."

February 4, 2015
Thursday, January 29, 2015:
Jesus said: "My people, every person is different, and the extent of your spiritual progress is a combination of My gifts and opportunities, as well as your desire to strive for perfection. Whatever level of holiness that you have, is always coming from My graces, and it is not just on your own efforts. I call all of My people to strive to be perfect as My heavenly Father is perfect. Man has a fallen or imperfect nature because of Adam's sin, so it is difficult for you to attain the perfection that is necessary for sainthood in heaven. It takes a strong will, and a

deep faith in Me to overcome the desires and distractions of the world. You need to keep your focus on Me in prayer to keep progressing in your spiritual life. I want all of you to shine as beacons of true Christianity, so you can evangelize souls to the faith, and help save them from hell. The canonized saints are your models to imitate, as well as imitating My life and that of My Blessed Mother. If you are striving for perfection, then follow Me and My Blessed Mother, since we had no sin."

Prayer Group:

Jesus said: "My people, as these people in New England are digging out of the snow, it is still early to know the extent of the damage from the Juno snowstorm. Pray for all the people who lost electricity, and those who suffered flood damage. It will take some time to restore these devastated areas back to normal. In the last few years you have been seeing more severe winter storms from a change in the jet streams. It was good that people had some time to prepare for this storm."

Jesus said: "My people, there is an uneasy peace in this area of Israel and Lebanon where some recent rocket attacks have killed some soldiers. Israel is surrounded by hostile Arab nations, and there is less support coming from America than in the past. There is always a threat of an expanded war in this area, so pray for peace between these warring factions."

Jesus said: "My people, you will see a lot more vetoes of bills by your President, but some compromise will be needed to fund your government. Each party is trying to control the budget process, but one party has a majority in both the House and the Senate. Each side may have to make some concessions in order for anything to get passed. Pray for your leaders to make the right choices."

Jesus said: "My people, even your scientists are admitting that the recent flu shot has only been effective for 25% of the viruses causing this year's flu cases. This is why there have been more cases than usual. You have also seen some small epidemics of measles in parts of your country. Some diseases that were thought to be under control, are causing more sicknesses as tuberculosis and even polio. Certain antibiotic resistant diseases are also hard to treat. Some of your physicians are concerned about these developments. Pray for a healing for these new outbreaks. At My refuges you will see great healings of all diseases by looking on My luminous cross and drinking the healing spring water."

Jesus said: "My people, you are seeing a decrease in the numbers of priests and the number of faithful coming to church. It is difficult to know all of the reasons for these declines, but America's abortion rates and the numbers of couples living in sin, are causing a great stress on the faith of your people. This trend will

continue until I will bring My Warning experience upon you, when some will be converted. This illumination of conscience will test all sinners in seeing how much they are offending Me with their sins."
Jesus said: "My people, Lenten devotions are a good way to help put your spiritual life back on the right track. You will begin Lent in a few weeks, so now would be a good time to think of how you could break some of your sinful habits. Your fasting and extra prayers could give you the strength to make some good resolutions to help your spiritual life. Just as you make New Year's resolutions, so you can make some spiritual resolutions to improve your life."
Jesus said: "My people, you know the life expectancy for men and women. You also know that one day you are going to be in a casket, just as you view people at the funerals you attend. You do not know when I am going to call you home in death, so you need to be ready to meet Me at your judgment every day. By living a holy life of prayer and frequent Confession, you can keep your soul pure and ready to meet Me. Even receiving plenary indulgences, as on Mercy Sunday, can help remove any reparation due for your sins, which could shorten any purgatory time. Keep praying for your soul, and the souls of your relatives and friends. Prayer is your best weapon against the evils of your world."

Friday, January 30, 2015

February 4, 2015
Friday, January 30, 2015:
Jesus said: "My people, just as I suffered on the cross, so My followers will also suffer persecution at the hands of the Godless people that are running your governments. You may be comfortable now, but you are already seeing how Christians are being abused in Arab countries. Some people are even being beheaded as foretold in the Book of Revelation. Be prepared to lose your freedoms, your money, and your possessions in the coming tribulation. This is why I am having some faithful people prepare refuges that will be protected by My angels. You do not know how much Satan is driving his people to kill all of My followers. You will see an evil that you have not seen up to now. The Antichrist is a demon incarnate, and he will lead many Arabs against you. In the end My victory will prevail, because My power is greater than all of the evil people and demons put together. So as in the reading, do not lose confidence or trust in My power and My protection. I will even multiply your water, food, and fuel, so you can survive this trial. Above all, keep your faith, because that will be your passport into heaven. All suffering on the earth will pass away, and you will

share My eternal joy in heaven."
Jesus said: "My people, it is just a short time until you will see the Antichrist come into power, when I will allow him less than 3½ years to reign. Do not be fearful of this evil age coming, but trust in My protection. Some people are trying to build up their money and possessions, but all of these things will be taken away from them. My followers will need to come to My refuges or be martyred. I have warned My faithful to be prepared to leave your homes with your backpacks, tents, and sleeping bags to come to My refuges. Those few people, who have said 'yes' to preparing a refuge, need to have extra food, water, and bedding for as many people as they can take care of. I will multiply your supplies, and My angels will finish any needed buildings. Some people can even help these refuge builders in their expenses. You will need all the people at a refuge to work hard, and use all of their skills. You will need full trust in My protection. So do not concern yourself with frivolous earthly goals. Focus on improving your spiritual life so you will be able to endure the coming trial of the tribulation.

February 4, 2015
Saturday, January 31, 2015: (St. John Bosco)
Jesus said: "My people, I have left you My very Self in every Holy Communion that you receive. My Eucharist is the most sacred gift that I have bestowed upon My people so I can always be with you. I only ask that you receive Me reverently by bowing or kneeling, and taking My consecrated Host on your tongue. You also need to receive Me without mortal sin on your soul, so you do not commit a sin of sacrilege. This is why it is good to come to monthly Confession so you can keep a pure soul. Not every person believes in My Real Presence, but I am still there. This is why you genuflect before My tabernacle that contains My consecrated Hosts. When you receive Me in My Eucharistic sacrament, you receive My graces to heal any effects of sin on your soul. Before you receive Me, you could pray an Act of Contrition for any venial sins only. Mortal sins require Confession to the priest to be cleansed from your souls before you can receive Me in Holy Communion. By giving Me praise and thanks for My gifts to you, you are giving reverence to My Real Presence. Remember to take some quiet time with Me after receiving Holy Communion. This is your intimate time with Me to hear My words for your life. This miracle of changing bread and wine into My Body and Blood, is the best reason to come to daily

Mass. Adoration visits are also a way of keeping close to Me."
Jesus said: "My people, I have told you that I would put an invisible shield of protection around the people at My refuges during the tribulation. Before this time, there may be a need to hide people from the authorities. The evil ones will be searching for Christian leaders before martial law is declared. It will be in these early stages when some of My faithful will be more vulnerable. Keep this in mind as you are making plans for your addition, so more people can have a place to stay. Again, trust in My help and protection in all that you are called to do."

Sunday, February 1, 2015

February 4, 2015
Sunday, February 1, 2015:
Jesus said: "My people, just as I preached My Word to the people, so I have called My prophets and others to spread My Word as well. You share money and help people with their physical needs, but you can also share your faith in Me with others. You may be the only person to speak of Me to someone, so do not be silent, but preach My Word as best as you can from the rooftops. There are special prophets that I send to My people throughout the ages. You, My son, are one of My prophets to prepare My people for the end times. This is a gift, but only boast in Me as St. Paul did. You need to keep a faithful prayer life, and live a holy life as a good example to others. I give you My words of love to share with the people, so they will not be fearful, but be thankful that I will be protecting them at My refuges during the tribulation. Call on My help every day to do your mission, as all of My faithful are called to keep the faith, and share it with others."

Monday, February 2, 2015

February 4, 2015
Monday, February 2, 2015: (Presentation of Jesus in the Temple)
Jesus said: "My people, this feast is when I was presented in the Temple for the Jewish tradition of circumcision, and My Name was now known. Simeon was promised to see Me before he died, and he was grateful for being in My Presence. Anna also gave thanks and praise for My Presence. My faithful are also happy and grateful to be in My Presence, especially when you receive Me in Holy Communion. Those faithful, who love Me very much, come to daily Mass and to Adoration, so I can be Present to them every day. This is why I have a

special place in My Heart for My daily Mass people, and those who visit Me often in My Blessed Sacrament, either in My monstrance or in My tabernacle. This Presentation in church is My true Body and Blood, and it is My most generous Gift of Myself that I could give all of you."
Jesus said: "My people, you have just witnessed a second big snowstorm that has pushed some areas into record totals of snow for this season. You also are seeing very cold areas as well, even as cold as you had last winter. You have seen the snow coming from lake effect, some coming across the country, and several tracks going up the Eastern coast. With another month of these storms, you could even see more snow records for the whole winter season. You have also seen cancellations of many airplane flights and train routes. People have been stranded at airports, and sometimes cities have been shut down by snowstorms. This all works hardships on businesses and the employees. Last year you saw a negative GDP in the first quarter because of the winter problems. You have even seen some deaths as a result of these storms. You can pray that your people in the Northern states can endure the cold, and withstand the high snowfall levels. It even appears that your winters are getting worse than better. Your storms are getting more severe than usual because the jet streams are being manipulated."

February 4, 2015
Tuesday, February 3, 2015: (St. Blaise)
Jesus said: "My people, just as I reached out to heal people, and help them when I could, so I send each of you opportunities to pray over people, and help the poor. I know it is challenging to help people when at times they do not want to help themselves, or they cannot help themselves. Still you need to help your friends in need, even if it takes you out of your comfort zone. You may even be asked to make a few donations for their needs. Do not pass up these opportunities because you can gain treasure in heaven. This is better than suffering any purgatory for your sins of omission. You remember the story of Lazarus and the rich man. The rich man enjoyed the comforts of this life, and he refused to help the beggar, Lazarus. When both of them died, the rich man suffered the flames in hell, while Lazarus came to Me in heaven. You may not suffer in hell, but you still would rather endure a little discomfort to help someone on earth, than suffer more time in the flames of purgatory."
Jesus said: "My people, I have warned My people about a coming Christian persecution, when your lives will be in danger. I have called people to set up

refuges where you will be protected by My angels, and the refuge builders will supply the guests with food, water, and a place to sleep. I will call My people with an interior message when it is time to come to My refuges. My refuges will include places of My Blessed Mother's apparitions, places of consecrated ground, shrines, monasteries, places that have had perpetual Adoration, and caves. The vision of a dug out cave in the side of a hill, had a white cylinder inside to give support from the dirt, and you are able to sleep on the plastic. There also was a camouflaged opening so people and animals could not enter. Some refuges will be well planned, while others may be more crude in using what is available. All of My refuges will have My angel hide you with an invisible shield. Be thankful that I will be protecting My faithful from the evil ones."

February 19, 2015
Wednesday, February 4, 2015:
Jesus said: "My people, you know how your walls look like new after you paint them. If you are painting them white, then you are covering all the marks and discolorations. It even brightens a room to have a new coat of paint. Think of when you come to Confession. After your absolution, your soul is now pure white with all of the black sins removed. It is beautiful for Me to see all the pure souls coming out of Confession. I pray that more souls would take advantage of My sacrament of Reconciliation, so they could have pure souls as well. Instead, I am faced with looking at many fully black souls with mortal sin, and even souls with so many venial sins that I cannot see any white, but gray souls. I encourage those souls in mortal sin to come to Confession immediately. People do not realize the danger of dying in mortal sin, as they are risking being cast into the fires of hell forever. I love all souls, but to come to heaven, you must love Me, and seek My forgiveness of your sins. I will send My Warning at some time to wake up sinners to this reality of having their sins revealed, and they will desire My forgiveness. You do not see all the souls that are being lost to hell because they ignore Me, and are not sorry for their sins. So look to paint your soul white by coming to frequent Confession. Then you will look beautiful on the outside of your body, and on the inside of your soul."
Jesus said: "My people, New Age influences will soon becoming more pronounced in your society, and in your churches. In the vision you are seeing strange statues of goddesses, and pictures of the occult. The snake in the vision

represents Satan, who is behind these New Age teachings. Eventually, these New Age influences will be dividing My Church between a schismatic church and the faithful remnant. The evil ones will control the churches, and My faithful will need to seek homes to have secret home Masses. This is why I have led some faithful to set up both interim and larger final refuges. My angels will protect you at My refuges from those who will try to kill you. A persecution will grow so bad against Christians, that My people will need to leave their homes to come to My safe havens. I will multiply your food, water, buildings, fuels, and bedding. Some people will be martyred for My sake, but the rest will be living rustic lives at My refuges. You will only have to endure less than 3½ years before I will bring My victory over the evil ones, and then I will bring you into My Era of Peace."

February 19, 2015
Thursday, February 5, 2015: (St. Agatha)
Jesus said: "My people, just as I sent My apostles out to evangelize souls, so I send out My faithful to evangelize souls as well. When you go out to give talks, My son, you also travel light with one bag for your clothes, and one bag for My messages. When you are invited, there are people who put you up in their homes, and they feed you your meals. They even take up collections for gas when you are driving, and plane tickets when you are flying someplace. It is good to wear your sacramentals and shake holy water or blessed salt in your vehicles for protection from the evil ones. You pray the St. Michael prayer before traveling back and forth. Keep praying for your safety, and have people pray for you as well. You know the evil one tries to discourage you, and block your visits. You are in a battle with good and evil, so work to save as many souls as you can."
Prayer Group:
Jesus said: "My people, there are some increased air attacks against ISIS because of some of the brutal executions of ISIS' hostages. Jordan has threatened all out war, but no one is committing troops on the ground to root ISIS out of its conquests. Again there is little military aid being given to those forces that would be fighting ISIS. You are also seeing Russian rebel troops taking over more territory in the Ukraine. It is the same story. Everyone decries Russia's takeover, but no one is coming forward with military aid to help the Ukrainian people. Pray for peace in these areas, but as long as these forces see little

opposition, they will continue their conquests."
Jesus said: "My people, some people are now questioning the religious terrorism of the ISIS forces because they are defying human respect for prisoners, and their religious fervor is being questioned. Some extreme Muslims believe in killing infidels and any enemy that fights them. These people are not showing love for anyone, and their motives are becoming suspect. Pray for them to change their vicious desire to kill people."
Jesus said: "My people, you are seeing jet engine problems and storms that have brought down several airplanes. It is up to the companies maintaining these planes to see that they are airworthy. There also is little protocol on when planes should turn back from heavy storms that cannot be avoided by flying around or over the storms. Since many lives are at stake, these pilots need more guidance in making safe decisions. Pray for the safe travel of your airplane flights all over the world."
Jesus said: "My people, you have just seen two heavy snowstorms back to back, and now you may be facing another storm. You are also seeing some unusually cold temperatures as well. This winter is causing many problems for everyone, as you are being forced to stay inside more until this weather breaks. Just keeping your driveways clear has been a consistent problem. Pray for your people to find the strength to persevere through all of your cold and snow."
Jesus said: "My people, you are seeing a great hate for Christians being demonstrated in Arab countries when machetes are used to butcher My followers. These killings are motivated from a Satanic source more than just persecution. It is not normal for one religious group to try and exterminate another religious group. This hate has a Satanic origin for many extreme terrorists who are driven to such killings. So you are in a battle of good and evil, and I will protect My faithful at My refuges."
Jesus said: "My people, as you are seeing more evil forces attacking your families, you are seeing a breakdown in the family as evidenced in your sinful lifestyles. Because evil and sin are becoming rampant in your society, you are seeing an increase in the numbers of people who worship Satan and are participating in occult meetings, and New Age workshops. This is why I am calling My faithful to pray more deliverance prayers for your family members and relatives, who have fallen away from Sunday Mass and My sacraments."
Jesus said: "My people, as Lent will be coming in a few weeks, you need to strengthen your spiritual lives with more prayer and fasting. At times the cold, snowy winter may put you in a bad mood that could easily lead to depression.

You have Me with you at all times, so you should be more joyful as a Christian who loves Me and your neighbors. Do not let your job situations or the weather get you down, but use your prayer life to lift up your spirits over your daily problems. This world is passing away, so your main focus should be on your future life with Me in heaven. When you are down, call on Me, and I will send you My angels to protect you and give you the grace to carry on with your life in joy and not sadness."

February 19, 2015
Friday, February 6, 2015: (St. Paul Miki & his Japanese companions)
Jesus said: "My people, I want each of you to look deeply into your soul to find some quiet time with Me, so you can see if you are truly doing My Will or your will. This is a hard reality because you are taken up with so many earthly distractions. You want to love Me more, and help people out of love,but at times you want to do more things for yourselves. If you want to test this in your lives, think if all that you are doing is what I would want you to do. This is how you can measure how worldly you are, and how much time you are doing your things instead of My things. I do not deny you of your earthly pleasures, but I am asking you to give Me a higher proportion of your time. Aside from sleeping, eating, and working for a living, how much of your free time is given to Me. If you are spending less than one hour a day with My things, then it might be time to analyze your priorities in who you are really serving. Do not be a servant of self, the world, or the devil's things, or you will be serving them more than Me."
Jesus said: "My people, I have been warning you that a collapse of your money system and your government, will allow the one world people to take over America, and put you into the North American Union. This will bring you closer to mandatory chips in the body, and the coming into power of the Antichrist. None of these things can happen entirely, until I bring My Warning experience to everyone on earth. I will give all sinners one last opportunity to change their lives, and seek My forgiveness. I will show all the people how they stand with Me in their mini-judgment. If they do not change their lives, then this first judgment will become their final judgment. My refuge builders need to have all of their buildings finished before My Warning, or My angels will need to finish them. Be prepared to leave for My refuges after the six weeks of conversion time. I will give you an interior message when to leave for My refuges, or you may be captured and martyred. Have trust in My protection during the

tribulation, because I will then bring you into My Era of Peace."

February 19, 2015
Saturday, February 7, 2015: (Fr. Gerard J. McMahon Funeral Mass)
Jesus said: "My people, Fr. McMahon was a hard working, and faithful priest throughout his life. He was an inspiration to his parishioners and other priests. Sometimes people take My priest sons for granted, but each one is a gift to you, and it is hard when one dies. It is good that your bishops honor your deceased priests with a funeral Mass. Your church was full, and this was a testimony to how much people loved him with this Mass. I received him into heaven today. My people can see the shortage of priests, and you need to pray for your bishop and your priests. Pray also for new vocations to the priesthood. You need fertile ground for vocations, by encouraging young men to answer My call. Where there is Adoration of My Blessed Sacrament, you have this fertile ground. I am grateful to see such a holy priest, and all that he did for his people."
Jesus said: "My people, you have heard of the account of Job in how I allowed Satan to test Job by taking away his herds and some of his relatives. Even though much of his wealth was lost, and his people died, he still was patient, and he did not curse Me. Satan realized Job's faith endured through all of his testing. Patience can be a difficult virtue to master, because it takes great restraint, and a deep faith and confidence in My help. This would be a good virtue to work on during your coming Lenten Season. In the Gospel, you witnessed how I healed many people of their ailments, but I also healed their souls of their sins. Those people, who have gifts of healing, should use their gift to help others who ask them to pray over the sick. Even if you do not have healing gifts, you can still pray for the sick and visit them in their home or the hospital. You can also pray to help heal souls as well. I call all of My faithful to do what they can to share their love and faith with all the people around them."

Sunday, February 8, 2015

February 19, 2015
Sunday, February 8, 2015:
Jesus said: "My son, you have read in the second reading about how St. Paul had a mission to go out and preach My Word as a missionary. He had a choice, but he was compelled to share My love with the people. It was not easy for him to travel around and to encourage people to stop their sinful lifestyles. So you also

have been given an opportunity to share My messages with the people. You have accepted My mission, and you also need to travel to your talks by car or airplane. Your travel is much easier than St. Paul had to endure. Not only have I asked you to save souls by love of Me and your neighbor, but I have asked you to prepare the people for the end times and the coming tribulation. This also is about encouraging people to set up places of refuge where angels will protect My faithful. Be willing to share your faith, when priests ask you to talk in general for a short time. You may find yourself in places out of your comfort zone, but do not be afraid to go forward because the Holy Spirit will give you the words that you need to speak."

February 19, 2015
Monday, February 9, 2015: (Ida DiMarsico funeral, Rocco's mother)
Jesus said: "My people, it is hard to lose your mother, even if she lived a long life. Mothers are always looking out for their children both in their physical and spiritual needs. Ida has suffered for some years, and now she is with Me in heaven. Even despite the snowy weather, your prayer group members were here to support Rocco and his family. You come to many funerals to pay respects to the families that you touch in various ways. Comforting the mourning of your friends and relatives is one of your neighborly duties. Keep praying for this family to endure this loss of their mother."
Jesus said: "My people, your life on earth is very delicate as indicated in the vision of a red cord. Your earthly life is very fragile, and once this string is cut, your physical life is over because of your mortal nature. Your soul lives on forever, which is why directing your spiritual life toward heaven with Me, is more important than your earthly needs. There is another interpretation of this red cord, which someone gave you in a message. This same red cord means how you will be linking refuge people together in a network, so you know who is on your side. Even as you go out to give talks, many of the people at your talks can meet each other, and keep in touch for their refuge preparations. You also can have links between people on each trip when you go to several cities. I am using My messengers to share My messages, and give My faithful confidence in My help and My protection. Give praise and thanks to Me for how I lead My people through these hard times."

Tuesday, February 10, 2015

February 19, 2015
Tuesday, February 10, 2015: (St. Scholastica)
Jesus said: “My people, when you are thinking of living independently at My refuges, your ordinary comforts today will be taken away. You need to think of how you could cook food on a wood burning oven or heat your house with wood, kerosene, or possibly propane. I will provide your meat with the deer, and I will multiply your water and your fuels. You may have to grow some vegetables with your non-hybrid seeds. This too, I will multiply for all to have some variety in your food. In the Northern States you will need warm clothes, boots, hats, gloves, and shovels. You will be fortunate at My refuges to have a priest for daily Mass. This will require vestments, books for Mass, a cup, hosts, altar wine, candles, bottles for the wine and water, a cross, and possibly bells. You will have Perpetual Adoration, so you do not have to go out. If you do not have a priest, My angels will bring you daily Holy Communion. You will also need rosaries, scapulars, Pieta prayer books, Bibles, and the Liturgy of the Hours. You need your earthly needs, as well as your spiritual needs. Be thankful that My angels will defend all of My refuges with a shield of invisibility. My angels will not allow anyone into My refuges, unless they have a cross on the forehead, imprinted by My angels. When you prepare your refuges, think of all of these things that you will need, along with providing bedding, wash places, and outdoor lavatories.”
Jesus said: “My people, you are fortunate to have a monthly healing Mass at your old closed church of Holy Name. When you come to such a Mass, you can pray for yourself, or you can receive a blessing for someone who is sick or terminally ill. Even when you receive Me in My Eucharist, you have My healing for your body and soul. When I was on the earth, I would heal the person’s sins first, and then any physical problem. I have blessed some souls with healing gifts, and they can pray over people and heal them. Even when I prayed over people, they had to have faith that I could heal them. In My hometown of Nazareth, I could only heal a few foreigners because of their lack of faith. So it is with healing today, people have to have faith that I can heal them.”

February 19, 2015
Wednesday, February 11, 2015: (Our Lady of Lourdes)

Jesus said: “My son, you know immediately that this wood bin in the vision is a sign to have plenty of wood for both heating your house, and it can be used for cooking as well. You have seen again how snowy and cold your winters are getting, so you need plenty of fuel to heat your house when you could lose your electricity. Those people, who are being asked to build refuges, also need to stock up on their fuels, as wood, so they can live independently from any utility services. I will multiply your fuels, water, and food, but you need to have some stored things to be multiplied. Some people will be frightened for their lives during the coming Christian persecution. Fear not, because I will be defending you by My angels, and I will provide for all of your needs, both physical and spiritual.”
Jesus said: “My people, some of your scientists do not believe in My account of creation in the Book of Genesis. They have no understanding about creation out of nothing, so they provided a ‘big bang theory’ that does not have any explanation of where the elements of hydrogen came from to form the stars. Most of these same scientists are atheists, and they do not believe in a Supreme Being, as I am. With Me, all things are possible, just as you see the order of My creation that man is destroying. These people also believe in ‘Darwin’s theory of evolution’ which again does not explain all the different chromosomes of the animals and how they came to be. These man-made theories are without proof, even though these scientists teach them as facts. I am the One, who controls all life, and that is why you should not kill anyone, because I have a plan for everyone’s life. I keep reminding you that you are put on this earth to know, love, and serve Me. When you serve anyone else, it is not according to My plan for your life. So when you read My Word in the Scriptures, you need to defend My creation account as the real means by which you are all living. I positioned your planet at the right distance from the sun, so it is not too cold and not too hot. You have liquid water, sunlight, and oxygen in the air so you can survive. Belief in Me takes faith that the atheists are not willing to accept. Try to evangelize as many souls to the faith as you can, and you will have your reward in heaven.”

Thursday, February 12, 2015

February 19, 2015
Thursday, February 12, 2015:
Jesus said: “My people, when I made man and woman in Adam and Eve, they were made to complement each other. Man and woman have been given

different skills, so they could work together. Some of your people want equality with men and women, but they are not made the same. The men can do heavier jobs, while the women can do lighter things. Each of them should have equal freedoms, but their jobs fit their skills. It is better for a man to be married, so the two can help each other in bringing up the children. Single parent families are causing the children to miss a motherly or fatherly figure to imitate. This is why your society should be built around a family of husband and wife, and not the distorted lifestyles in your present society. Once the family life is broken, your nation will fall apart from within. Pray that your society will learn from its mistakes, but Satan wants to divide and conquer you. Call on My help, and trust in Me, and not just in yourselves."

Prayer Group:

Jesus said: "My people, these trumpet sounds represent the seven trumpets that were announcing the coming events of the tribulation from the Book of Revelation. Each of My angels that blew the trumpets, had control over the four corners of the earth. This time of trial will test all souls, but My angels will begin My victory over the evil ones, who will be tested by several plagues. Rejoice in My coming victory, as I will bring My faithful into My Era of Peace after your stay at My refuges."

Jesus said: "My people, My life is an example to you of how I risked speaking out against some hostile people. My faithful are also called to speak out against the evil ways of your society. It is not easy to witness to your faith in Me because there are some evil people who want to persecute you, and even kill Christians in some places. Do not be fearful of what to say, because the Holy Spirit will give you the words to speak. I will protect My faithful at My refuges when your lives will be in danger."

Jesus said: "My son, you are brave and dedicated to working for Me, even amidst some severe cold and snow. Pray your St. Michael prayer for My protection from any trials that you may face both going and coming. Travel in the winter time presents many driving hazards, but I will be at your side to protect you from harm. Continue to trust in Me as you share My words among the people who you will be seeing. Your mission is a good example for others to follow."

St. Therese said: "My son, you and your wife have been faithful to praying my twenty-four Glory Be prayers. Even if you have missed some days, I know you have a good heart to follow the Will of My Jesus. I truly have sent you some signs that your prayers are being answered, especially with the stories from the

contractor who visited you today. Have faith in Jesus, and My intercession for your mission to be completed."
Jesus said: "My people, America is facing My punishment for your evil decisions and laws that are allowing abortion and same sex marriage. Your Supreme Court refused to make such a ruling when 30 states had allowed such marriages. Now 37 states have passed laws allowing same sex marriage. Such a ruling in favor of this same sex marriage by your Supreme Court would force such an abomination on all of your states who have not passed such laws. You know that I consider same sex marriage as an abomination, even as you are reading about Adam and Eve in the Book of Genesis. Pray that your court does not allow this to be the law of the land, or you will be putting another nail in your coffin."
Jesus said: "My people, I have told you that you would see waves of cold and snow come upon you this winter. Many of your Northeastern cities are struggling with heavy snowfalls, and now with some below zero temperatures. Pray that your people can keep warm without any power outages. You are tired of all of your snow removal, but trust in My help to get you through this winter. Such weather is hurting your businesses, and keeping some shoppers from coming to the stores. You may have to have more patience for the rest of your winter. Call on My help when you are being tested."
Jesus said: "My people, your coming Lenten Season starts on Ash Wednesday, and it is an appropriate time to work on healing your sinful habits. It is not easy to improve your spiritual life on your own, but you can call on Me, My angels, and My saints to intercede for you in improving your faith. Leading holy lives, takes a great effort because you are fighting the devil and your earthly desires. My ways are not mankind's ways, so it is difficult to curb your earthly ways and follow My Will. Those, who do make an extra effort this Lent, will receive My graces and treasure in heaven."

Friday, February 13, 2015

February 19, 2015
Friday, February 13, 2015:
Jesus said: "My people, you have read the account of how the devil in the serpent, enticed Adam and Eve to commit a sin of eating from the tree of the Knowledge of Good and Evil. It was because of this sin, that you have pain, sickness, death, and a weakness to sin. It is because of this sin in the world, that I was promised as a Redeemer to save My people from hell, where the demons

were sent. This vision of a black pyramid represents the one world people who actually worship Satan, and carry out his orders to spew evil all over the world. These evil ones control the finances, and they are behind the running of the governments in all of your countries. These are the ones who will form unions on every continent, and this power will be given over to the Antichrist when he declares himself. I have helped My faithful prepare refuges to protect themselves during the tribulation."

Sunday, February 15, 2015

February 19, 2015
Sunday, February 15, 2015:
Jesus said: "My people, a time is coming when all of My churches will be closed because of the Christian persecution, as it will be unlawful by your government to hold a public Mass. This will be when My priests will have to hold private Masses in the homes. Satan will have his evil servants close the churches, so My sacraments will be hard to find. He knows the power of Confession and My Eucharist, so he wants to keep My faithful away from church. Already, he has made some people so lazy that they are not coming to Sunday Mass. The next step will be to close My churches. My faithful need to open their homes to hide My priest sons. These people need to have vestments, books, bread and wine for Mass. Some of these homes for Mass will become refuges that will be protected by My angels. Give thanks and praise to Me for allowing My faithful to have Mass available. Have more appreciation for the opportunity to have Mass and receive Me in Holy Communion every day."
Jesus said: "My people, this cross that you are seeing over everyone, represents the cross that I give you to carry throughout your life. This is appropriate for the upcoming Season of Lent that starts on this Ash Wednesday. During Lent you need to focus on your prayers, fasting, and almsgiving. In the Gospel you read of My healing of the man who had leprosy. There is a parallel of how you are also 'unclean' when you commit sins against Me. There are many souls who are unclean with mortal sin on their souls, who should be coming to Confession. When you come to Me in the priest, I can heal your sins of a spiritual leprosy, as you confess your sins and you are healed by the priest's absolution. During Lent you need to make some sacrifices that could help you in healing some of your sinful habits. You could give up some things that you like, in order to help control the worldly desires of the flesh. Make a commitment that you could achieve and offer up throughout the whole Lenten Season."

Monday, February 16, 2015

February 19, 2015
Monday, February 16, 2015:
Jesus said: “My people, in the first reading you read how Cain killed his brother, Abel. You have seen such killings going on throughout man’s history. The worst of these killings is all of your abortions, where you are killing My precious little ones. Their blood cries out to Me, just as the blood of Abel cried out to Me. Their guardian angels come back to Me to give witness of the aborted children. Just as Cain was punished for killing Abel, so America will be punished with the loss of your freedoms. You heard of more Christians being killed by Muslims, and now the Muslims are even threatening the same for Rome. I have warned My faithful of the coming Christian persecution. You are seeing this especially in Arab countries, but soon it will be happening in America. This is why I am having some faithful prepare refuges of safety for My people. As you saw a waterfalls flowing, this represents My constant flow of graces, and I am always ready to grant My mercy on repentant sinners.”

Tuesday, February 17, 2015

February 19, 2015
Tuesday, February 17, 2015: (The Seven Holy Founders of Servites)
Jesus said: “My people, you have witnessed My mercy with My death on the cross to allow all of mankind the opportunity to be saved from their sins and avoid going to hell. Even as I am merciful, I am also just in My punishments as well. In many accounts in the Scriptures, you have seen or read of My justice in how sinful people have been punished. You have read today how I spared Noah and his family by warning him to build and enter the ark of safety. I then brought the flood to kill all of the evil people who did not follow My ways and lived sinful lives. You have seen other times as in Sodom and Gomorrah how sinful people were destroyed by fire, but Lot and his family were also spared. The Israelites were also punished with the Babylonian Exile. Even today, America is killing a million of My unborn babies every year. There are also great numbers of adulteries, fornications, and homosexual acts being committed. For all of these sins, America will be punished as well, when you will lose your freedoms by the one world people. My mercy will be granted to all of My faithful who will be protected at My refuges. There will come a great tribulation of evil by the Antichrist and his minions. I will punish all of these evil ones by casting them

into hell, when I will bring My victory over them. Rejoice in My victory when I will bring all of My faithful into My Era of Peace and into heaven."
Jesus said: "My people, many people find it difficult to accept two men or two women being married. I find it sinful and appalling that your society accepts such an abomination. But now, your courts are forcing you to accept this lifestyle as their right to live in sin. Another extension of these rights is when they are allowed to adopt children. The poor children will not know what a normal family is, and they may be encouraged to imitate this same sex lifestyle. Your hate crime laws are even punishing anyone who is critical of their lifestyle. It is sad when your normal households of husband and wife are now in the minority. When you encourage living together or same sex marriage, you are destroying the family image, and advocating sinful lifestyles. It is your court system and parts of your society that are defending gay marriage along with their adoption of children. There were many Sodomites that were killed by the fire that I sent on the cities of Sodom and Gomorrah. You will see more punishment for these lifestyles and your abortions."

End February 2015

March 2015

Wednesday, February 18, 2015

March 4, 2015
Wednesday, February 18, 2015: (Ash Wednesday)
Jesus said: "My people, today you are beginning a new Lenten Season that should be focused on improving your spiritual life. Some of you are already praying a lot, so you need to be able to fast between meals, and try to avoid any occasions of your most frequent sins. Denying yourself of some comforts, can help strengthen you against sinful temptations. You could make a few more charitable donations than you normally do. I have asked you to make more time for Me, so you could read the Bible or other spiritual reading. Keep remembering to take advantage of any opportunities to help people. Lent is a time to focus more on love of Me, and love of your neighbors. Be ready to share your faith with others for conversions. I rely on My prayer warriors to keep praying for sinners and the souls in purgatory. Choose some extra efforts that you could make during Lent."

Jesus said: “My people, there are some people who are frustrated with life’s events, especially in the winter during February. Cold and snowy winters are hard to cope with when you are setting snow level records and cold temperature records. Many of you in the Northern states have not seen a thaw or much weather over freezing in the last month or so. Even those people in the Southern states, are suffering from power outages in ice storms. It is hard to lift up the spirits of people who are so downcast. Christians should be happy to have opportunities to help people every day. If you should meet any frustrating situations, it might be better to change your environment, or remove yourself from such a state. If you cannot make such changes, then call on Me to have My angels console you, and strengthen you through your trials. You are entering the Lenten Season, so try to bear your burdens without any complaints. Think more about loving Me and your neighbor, instead of being upset by life’s trials.”

Thursday, February 19, 2015

March 4, 2015
Thursday, February 19, 2015:
Jesus said: “My people, in today’s first reading, you are asked to choose life between the blessing and the curse. This is literally a choice between heaven or hell for your final destination. Those, who follow My laws and love Me, will receive their reward. But those, who refuse to love Me and refuse to accept Me and My ways, are on the road to hell. In the Gospel I asked everyone to pick up their daily cross and bear it up for My Name’s sake. Bearing your daily struggles, especially this winter, can be trying at times, but imitate how I carried My cross. In everything, I want you to love Me and your neighbor. St. Paul finished his life by saying that I have fought the good fight and I have finished the course. I have kept the faith. Now, I will receive My reward. (Timothy 4:6-8)”
Prayer Group:
Jesus said: “My people, you have seen the Muslim terrorists martyr twenty-one Coptic Christians with their gruesome killing and beheading. You have seen several episodes of these brutal beheadings, and yet where is the outrage from your leaders as they look the other way? It is bad enough that these terrorists are killing Christians, but why is your President making excuses for the terrorists? You are looking at what the radical Muslims will do when they come to America.”

Jesus said: “My people, you are seeing continuous waves of snow and deep cold coming into your Northern states. Even though you are weary of snow removal, you still need to help each other to get through your wintry trials. You are fortunate to have good snow plows to clear your roads. Many people are suffering from higher heating bills than average. Be willing to remove the snow for your neighbors, and help people stuck in the snow. Be aware of older people so they can get proper heat and food to eat. All of your good deeds will store up treasure in heaven.”

Jesus said: “My people, as you start a new Lenten Season, you remember quickly how hard it is to do some fasting and more acts of self-denial. Some are giving up sweets, TV watching, or other comforts. When you suffer a little denial of your earthly desires, it is difficult to continue throughout all of Lent. You also are realizing that you do not really need so many comforts. With more charity donations, you are helping people in their financial needs. Remain steadfast in your devotions of more prayers.”

Jesus said: “My people, you are taken back by so many beheadings by the Islamic terrorists in how ruthless they are. Many of you do not see how your abortionist doctors tear the little babies apart in abortion, and crush their heads. They even have to make sure that all the body parts are removed. Then they discard these little bodies into a human garbage bin. I would say that your abortions are even more vicious than some of these beheadings. ISIS is killing some Christians, but you are killing a million babies every year. If you want to have compassion, you should protest all of your abortion laws to save the defenseless unborn babies.”

Jesus said: “My people, having mission retreats are appropriate during Lent so you can be guided in improving your spiritual life. Many people do not take the time to come to Confession as often as they should. These missions usually have one night focused on repentance in Confessions. Take advantage of this opportunity to cleanse your souls of your sins. Even despite your bad weather, you should make time for Me at your parish missions. Lent is a good time to examine your consciences, so you could live a holier life. You could even continue some of your Lenten practices throughout the whole year.”

Jesus said: “My people, it is obvious that Russian troops in non-military garb, are slowly taking over the Ukraine, and they are meeting little to no resistance. No one is sending substantial arms to help the Ukraine. All the West can do is use sanctions and diplomacy which is not stopping the tanks. The European countries are next on Russia’s agenda, so they need to make a stand before it is

too late. Keep praying for peace, but defensive fighting will be required."
Jesus said: "My people, you are seeing some serious damage to your cars in all the ice related accidents. Your ice storms are causing power outages where people have to find warm shelters. Homes are suffering broken water pipes and crushed roofs from the heavy snowstorms. Your economy and people's lives are being adversely affected by all the cold, snow, and ice. Pray for your safety and warm places to stay. Keep helping your neighbors in their needs."

Friday, February 20, 2015:
Jesus said: "My people, Lent is a time of fasting between meals, and no meat on the Fridays of Lent. This sacrifice of fasting is to help the soul control the desires of the body. You can eat at meal time, but no snacks in between. Some people may not be able to fast, but if you are healthy, it is better for your spiritual life. You can also make some other sacrifices as not eating desserts, or giving donations to the poor. As you see in the vision, coming to Confession will help remove the sins from your soul, as they are washed away with the priest's absolution. By making your extra Lenten devotions a part of your life, then you can work toward a holier life, and not just your normal routine. It is by changing your life in removing your bad habits, that this will help you in your progress toward sainthood. This is your goal to be perfected, and ready to come to Me in heaven."
Jesus said: "My people, when you use a manual shift car, you go through the gears to pick up speed. I want to relate this to your level of spirituality. There are some souls who are stuck in first gear, and they have not advanced much since their grade school religion classes. If you truly love Me, you will desire to go to the next level of understanding, as you progress in your faith. This could mean using Bible study or taking courses in the faith or theology. You can also enhance your love for Me by coming to daily Mass, praying the daily rosary, and coming to daily Adoration. I am happy when My prayer warriors are so active in loving Me and helping their neighbors. This Lent is a good opportunity to pray more and enhance your faith in parish retreats. By trying to reach the next levels of faith, you can also strive for the higher levels of heaven."

March 4, 2015
Saturday, February 21, 2015;
Jesus said: “My son, you are planning for the possibility of having Mass in the homes, once the Christian persecution will close your churches. This is why you were taking down some dimensions for an altar. You also could be seeking out some priests who could offer Mass at your home. Pray for your priests because the evil one is doing everything to mislead them away from their vocation as a priest. Pray also for My faithful who could be coming to your home for Mass. Eventually, you will need to have secret Masses, and even come to places of refuge. This is a large undertaking that will require a lot of work for My refuge builders. Remember that My angels will protect My refuges with an invisible shield.”
(4:00 p.m. First Sunday of Lent) Jesus said: “My people, this tree of life means there had to be new life to repopulate the earth after Noah and the flood. The evil people were removed as they were drowned. The animals had to repopulate the earth as well. I made a new covenant with Noah by placing a rainbow in the sky whenever it rains, and I would not drown people again by a world flood. As you start a new Lenten Season, you need to refocus on Me in repentance of your sins. I am the Tree of Life where I am the Vine and you are the branches. Those, who do not follow Me, are separated from Me, and wither away without nourishment from My sacramental graces. Use this Lent to improve your spiritual life, and you can show Me how much you love Me, and how much you love your neighbor. Make your plans for fasting, prayer, and almsgiving.”

March 4, 2015
Sunday, February 22, 2015: (First Sunday of Lent)
Jesus said: “My son, you are seeing progress made in the building of your addition, as the large tree was taken down, and the stump was ground up. You are still working on removing the wood, but you are now ready to dig out the basement and remove any roots. In the vision you saw a large stained glass window that represents the stained glass windows that you have purchased. You are getting ready to build your new holy place, and your new kitchen. You have had a mission for evangelization for many years, and now you are having an additional mission of preparation. I want to confirm the naming of your holy place after ‘The Eternal Father’. I know you will put the same effort into

providing for your guests as you have done with spreading My messages. Keep praying your St. Theresa Glory Bes for the successful completion of your addition."

March 4, 2015
Monday, February 23, 2015: (St. Polycarp)
Jesus said: "My people, I have told you that I give all of you plenty of opportunities to help people in doing works of mercy. You can help the hungry, the thirsty, clothe the naked, give shelter to those in the cold, and visit the sick, and those in prison. Those people, who use such opportunities to help people, are showing their love for their neighbors, and Me in them. These helpers will receive My reward in heaven. Those people, who do not help others out of selfishness or laziness, are not showing love for their neighbors or Me, and they are on the road to hell. This is the last judgment. With love, you come to heaven. Without love, you are destined for hell. So choose life and love."
Jesus said: "My people, most people who have chosen to build refuges, have already built their place. Some people are still building a refuge, or they are finishing up their preparations. You need a place of prayer or chapel at each refuge where you will have Adoration of My Blessed Sacrament. This chapel will also be a place to hold Mass if you have a priest. Even when a priest is not present, My angels will bring you daily Holy Communion during the tribulation. Each person will take an hour to pray before My consecrated Host. As you heard at the mission, it is prayer that enables Me to talk to your heart. It is My words that will confirm your mission, especially at My refuges where people will use their individual skills. You need quiet time in contemplative prayer, in order to be open to hear My Word. I have shown you many refuges where people receive messages for their refuge. Trust in My Word and My protection, as I will heal your ailments, and I will provide for your physical and spiritual needs. I will call My faithful to My refuges with an interior message, when your lives and souls will be in danger."

March 4, 2015
Tuesday, February 24, 2015: (Mass for Sam Cimino)

Jesus said: “My people, you are all suffering from the cold and the snowy weather, but the poor are fortunate to have a heated home or shelter. They also are dependent on food shelves or food stamps for their food to survive. So when you are thinking of giving alms, you could give donations to your local food shelves for Lent. You were a part of this work before, and you know how much the people appreciated receiving food in their need. You also were reading the Gospel about praying the ‘Our Father’ prayer. During Lent you are praying more, and it is good to focus on forgiving people, instead of holding grudges. Life is too short to avoid people over petty differences. Learn to forgive and forget, so you can move on with a life of joy, instead of a life of hate. Sam was grateful for your Mass in remembering him.”
Jesus said: “My people, you remember what I told the Pharisees when they criticized Me for eating with sinners, as tax collectors. It is the sick people who need a physician, and not the self-righteous. So when you become ill, you seek out a physician to get well. In your vision, you saw how you are more sympathetic to others who are sick, because you understand a little of their pain and discomfort. When you are well, you do not feel this pain as much as when you are sick. You may want to help people to get better, when you offer them some medicine or advice. This is true also in your spiritual life when you may commit sins of swearing or sexual sins. You feel spiritually sick in your soul, and you may see a need to come to Me in the priest at Confession to be healed. Absolution can free you of your sins and heal your spiritual sickness. You may see others who are living sinful lifestyles, or they are not coming to Sunday Mass. Do not judge others, but you can give them some gentle advice on how to live a less sinful life according to My Commandments. You can even encourage others to come to Confession to help their souls, and heal their spiritual sickness. You can come to Me, and I can heal the whole person, both in physical sickness, and in spiritual sickness.”

Wednesday, February 25, 2015

March 4, 2015
Wednesday, February 25, 2015:
Jesus said: “My people, in the first reading you read how the people of Nineveh took Jonah’s warning seriously, and they put on sackcloth and ashes in repentance of their sins. In most of the accounts of the Bible, the people were defiant of My Commandments. In the vision at Babel, they defied Me by

worshiping other gods, and they were punished with many languages. The people of Sodom and Gomorrah defied Me, and I sent fire and brimstone against them. Even today, your people are defying Me with their abortions, euthanasia, and many sexual sins. I have given you many messages about a coming cleansing of your people in the tribulation. At the end of the Antichrist's reign, I will bring a Comet of Chastisement that will kill two-thirds of humanity. These are just punishments because I have pleaded with you many times to repent and change your ways. Those, who refuse to obey Me, will suffer the consequences. I will provide safe havens for My believers, even as I protected Noah and his family, and Lot and his family. Those, who repent and follow My Commandments, will find a place with Me in heaven, even if they suffer martyrdom for their faith in Me."

Jesus said: "My people, at times you have people work hard for you on a job, beyond what was agreed to in a contract. When you see such a generous spirit in someone, you feel drawn to reward that person with an extra donation for the their good service. You can verbally thank them as well. There are also other situations when you see people in need, and you want to offer help in your donations of food or money. Even when you have been given an unexpected inheritance, you want to share your good fortune with your family and friends. You can share some donations also with the poor at your food shelves. When you are given such gifts, you also are seeing another purpose in sharing safe places with My faithful during the tribulation. For those, who share their wealth, faith, and their skills with others, you will be storing up treasure in heaven. Even after you have helped some people with money, prayers, and Masses, you have a warm feeling in your heart that you could share your love with them, and your love for Me in them."

Jesus said: "My people, you are aware of how cold it has been in the last few years. You use electricity to run your natural gas heater. When you think of living at a refuge, you will need to live independently without the services that come into your house. You will be faced with how to keep warm, where to get your water, and what food you will eat. Keeping warm may require cutting up wood, or having your gasoline, or kerosene multiplied. I will multiply your fuels, so you may need to have a gasoline power saw to cut up your wood. Wood is usually available from your trees or multiplied wood. You can save rain water in barrels from your gutters, but you may need to filter the water to purify it. You could even have a miraculous spring for water. You could grow some vegetables and use deer meat for food. Call on Me, and I will provide for your needs to

survive. This tribulation will only last a short time before I will bring My faithful into My Era of Peace."

Thursday, February 26, 2015

March 4, 2015
Thursday, February 26, 2015:
Jesus said: "My people, this scene shows a paralytic man who was determined to come to Me, despite the crowd in the house. He had faith that I had the power to heal him. I started out by healing the man's sins, even though some people thought only God could heal sins. If these people truly knew that I was the Son of God, they would understand how I want to heal the whole person. In many healing miracles, it is necessary for the person to have faith in My healing power. This is why I could only heal a few people in My hometown of Nazareth because they did not have faith in My healing power. After I healed the paralytic's sins, I then told him to walk, pick up his pallet, and go home. The people were amazed at the man's healing, and they gave glory to God for the healing. So when you call on Me to heal someone, you need to have faith that I could heal that person. Remember with Me, all things are possible."
Prayer Group:
Jesus said: "My people, I know that you have been suffering through record cold temperatures with no let up. In a few more weeks, you will see a little warmer weather, so the deep cold will be coming to an end. Take heart, and do not let this weather bring you into depression. You need to bear a few more weeks of suffering as you are in prayer during Lent. When you are down, you need to count your blessings in your family, and that you are warm in your homes. When you pray your rosaries, you are sharing your love for Me, and you know how much I love you. My grace is enough to get you through the trials of life."
Jesus said: "My people, you need to pray for all the sexual offenders that they will not kill any more women. It is sad that some men are so demented that they would kill for such a pleasure. Many families are torn apart by the loss of their family members to such a cruel crime. You also are seeing the unusual slaying of Christians in Arab countries by Islamic terrorists. The killing of My babies in abortion is another tragedy to lose so many little lives. You will see My justice against such killers in due time. These killings will not go unnoticed."
Jesus said: "My people, this example of Ecuador going completely into electronic money shows you how quickly your money system could be changed.

Not all of the Ecuadorean people are liking this, but some are changing over. The bulk of America's money transactions are already electronic in your debits and credits. You have only a small amount of money in circulation that could be stopped. Once you do not have physical money, you will be ready for the new electronic money called SDRs. The next step will be a mandatory chip in the body which will be the mark of the beast. Do not take any chip in the body that could control your free will."
Jesus said: "My people, your internet has become an important part of your economy for buying goods online. It is also an opportunity to share ideas and messages. If this free internet were to be censored as your other media outlets, there would be total control over any free speech. Such control could threaten to take down your own internet site as well as any other sources of messages. This new control is just another loss of your freedoms that are being taken away one by one. Your people need to stand up for your freedoms before they are all taken away by your government."
Jesus said: "My people, you have been well taught on the Church and the family as they are being attacked in your society. Your visiting priest did a good job in presenting the importance of the family at home, and the family in My Church. You could have had a better attendance if your weather was less severe. The Church and your family are the home where you feel most comfortable. Retreats give you an opportunity to expand your faith, and come to Confession to cleanse your sins. Take advantage of attending your retreat missions."
Jesus said: "My son, you have been praying for the successful completion of your new addition. The first step of clearing a large tree has been completed. When temperatures permit, you will start the foundation and building of the basement as the next step. Keep going forward with your plan for a safe place."
Jesus said: "My people, during Lent you are working on your little penances of fasting between meals and praying more than usual. Even coming to daily Mass would be a blessing for some people. Doing a little more spiritual reading could help your faith as well. Coming to Confession during Lent would also be good for your souls. Some people may be giving up things to show their love for Me, by not letting anything control them. By continuing your Lenten practices, as the Stations of the Cross, you can benefit spiritually from this Lenten Season."

Friday, February 27, 2015

March 4, 2015

Friday, February 27, 2015:
Jesus said: “My people, today’s readings are all about how I judge people on their lives. I give every sinner many opportunities to come to Me for the forgiveness of his or her sins. You cannot come into heaven unless you ask My forgiveness of your sins, and accept Me as your Savior, when I died for you on the cross. I forgive your sins many times in your life, but you need to keep seeking My forgiveness every time you commit sins against Me. I am always willing to forgive a repentant sinner, no matter how great the crime. I am like the father of the Prodigal Son in waiting for you to return to Me for forgiveness. In the same way, I want My followers to forgive others of any harm done to My believers. You should not hold grudges against people, and do not go to your grave with any unforgiven things on your heart, or you will suffer more time in purgatory. Lent is a good time to make amends with Me in Confession, and with your neighbor before you bring your gift to the altar.”
Jesus said: “My people, this scene of the Islamic terrorists destroying old artifacts of history, has two intentions. The first intention is to destroy any history that would show people how the mistakes of man are being repeated without learning from the past. The other intention is to infuriate the West with more atrocities, as their brutal killings, to precipitate a large war that could bring on the Twelfth Imam. There are also similar things going on in America to change the history books to remove any national patriotism. Freedom was the reason for your Founding Fathers to set up your Constitutional Republic. The one world people want to make you more subservient to your government, so you are being conditioned to accept their new world order. This is why your President and his party are trying to strip Americans of their freedoms for more control. There are also atheists running your government and your schools, and they are trying to remove My Name from all of your society. This is why Christian persecution will be coming to America where your religious freedom will be taken away. If you do not take a stand against those who want to take away your freedoms, then you will be taken over, and you will have to come to My refuges. Evil will have its hour, but it will be short lived, when I will bring My Chastisement against these evil ones, and they will all be cast into hell. Then I will bring My faithful into their reward in My Era of Peace, and later into heaven.”

Saturday, February 28, 2015

March 4, 2015

Saturday, February 28, 2015:
Jesus said: “My people, this is an ugly scene in a church where people normally come to worship Me, but you are seeing many black souls because very few are coming to Confession. This also represents the people who are, or will be a part of a schismatic church, that does not believe in Me, and worships New Age gods and goddesses. The first attack on My Church will be from within where some people will follow New Age teachings. My faithful should leave any schismatic church, and seek out home Masses that worship only Me. The second attack on My Church will come from your government that will close your traditional churches, and they will not allow public Masses. The third and more violent attack will come from Islamic terrorists who will burn churches, and behead all the people who will not join Islamic ways. Many of these evil people, who are attacking My Church, are led, or are inspired by Satan, himself. This is why My faithful will retreat to home Masses, and eventually to places of refuge, protected by My angels. Have no fear of these evil ones, but do not attend New Age or schismatic churches. I will protect My faithful with an invisible shield.”
(4:00 p.m. Mass) Jesus said: “My people, in the first reading I was testing Abraham to see if he was willing to give up his only son, Isaac. But I had My angel hold his knife from killing his son. He was rewarded for his act of faith. There is a parallel in that My heavenly Father had Me, His only Beloved Son, come to earth to sacrifice My life for all of mankind’s sins. This shows you how much I love all of you enough to give up My life for you. This was My plan to be the Redeemer of all mankind, from the time that a Redeemer was promised to man. I wanted to show My apostles My glory in a view of My coming resurrected Body. I also showed them Moses and Elijah, which is why St. Peter wanted to set up tents to relish this vision. My heavenly Father then said: ‘This is My Beloved Son, listen to Him.’ I then told My apostles to not mention My Transfiguration until after I rose from the dead. St. James, St. John, and St. Peter did not yet understand how I could rise from the dead, because no one had ever done such a thing. This vision of My Transfiguration is a preview of the miracle of My Resurrection. This is another example, that with Me all things are possible.”

Sunday, March 1, 2015

March 4, 2015
Sunday, March 1, 2015:
Jesus said: “My people, the Jewish people have made blood sacrifices with

animals for many years in atonement for sin. In the first reading Abraham was tested by My Father, as he was about to sacrifice his only son. An angel was sent to hold his hand, and he sacrificed a ram instead. I came as a Redeemer, and I was called the 'Lamb of God' by St. John the Baptist. Later, I was the unblemished Lamb sacrificed on the cross in atonement for all of mankind's sins. This image of My Crucifixion is the same sacrifice offered at every Mass. Every time you see the Host and wine raised up, you are to remember My physical sacrifice of My life for your sins. When you speak about the 'sacrifice of the Mass', it is an offering up of My Body and Blood for all the sins of the world. You have My Real Presence which you receive in Holy Communion, that requires your soul to be without mortal sin, or you commit a sin of sacrilege. Give reverence to My consecrated Host in Holy Communion and in Adoration of My Blessed Sacrament. I have left you with My Real Presence in My Body and Blood, every time you have the sacrifice of the Mass. Rejoice in this gift, and My miracle, every time you have the transubstantiation of the bread and wine into My very Body and Blood."

Monday, March 2, 2015

March 4, 2015
Monday, March 2, 2015:
Jesus said: "My people, I am showing you a lot of lights in your church now, because soon these lights will be off forever, when the evil ones will close your churches. You are happy to receive Me in Holy Communion now, but soon you will have to receive Me in the homes, and then in My refuges. Many do not want to hear these hard things now, but what you are seeing in Arab countries with Christians being killed, will soon be happening in America. Whether you like it or not, the Christian persecution will spread all over the world, as the Antichrist will take over. You are fortunate that I have some faithful building refuges, where My angels will protect you from the evil ones, who want to kill you. Trust in My protection, and keep your soul pure in case you are martyred."
Jesus said: "My people, when you look at yourself in a mirror, you are seeing how you appear to others. People can see your manner of dress as some description of who you are. During Lent, it is good to examine your actions and how you could change your sinful ways into a holier life. You can start by noticing if anything controls you in bad habits. You can also look at your most frequently confessed sins as a place to improve your spiritual life. Try to imitate My life or the lives of the saints, if you are looking for good role models. Each

year you need to make a spiritual assessment if you have improved, stayed the same, or if you are worse than last year. By making plans to improve your life, you need to improve every year so you can work toward your perfection in sainthood. By striving for perfection, you can also strive for the higher levels of heaven."

March 4, 2015
Tuesday, March 3, 2015: (St. Katherine Drexel)
Jesus said: "My people, many of you have situations with the weather, sickness, or job problems that frustrate you because things are hanging on, without getting better. It is hard to suffer from problems that do not seem to see any light at the end of the tunnel. Some people feel tried at the end of their patience. When you come to see Me at Mass, think of Me as the Light of your hope, even when you are down in your spirit. I am the Great Healer of your physical and spiritual problems. When you seek a healing, or a needed grace, you need to have faith that I can help you. Then give Me your prayer request, which I know before you ask Me. I can help with impossible situations, but you should also ask for the grace of patience to endure your suffering until your problem is resolved. Time and My grace can heal most situations. People with chronic or permanent ailments are My suffering servants. These people should be inspirations of hope to those with temporary problems. There are always worse cases than your own problem, so work to stop your complaining. Your faith is more important than any earthly problem. So keep focused on Me as your Light to answer your problems."
Jesus said: "My people, you are seeing millions of unborn babies still being killed in America. You are also seeing vicious killings of Christians in Arab countries. This information is readily known in the news, but there is no action being taken to stop either of these atrocities. Some protest abortions, but your government laws allow these so-called legal killings. Some protest Arab killings of Christians, but again nothing is being done to stop these killings. If people do not stand up against these killings, then your freedoms will be lost next as your punishment. I have been giving you many warnings that Christian killings will be coming to America. The same Islamic terrorists want to kill Christians in America. My faithful need to be ready to leave for My refuges when I will warn them that their lives are in danger. Be ready to leave your homes with your backpacks, tents, food, and bedding in your vehicles. Be grateful that I am

providing safe havens to protect you from the evil ones who want to kill you. Many people do not want to believe such a tribulation can happen in America. Believe that the Antichrist is coming for less than 3½ years, but most of My faithful will be protected. Some will be martyred, even as you are seeing today. I bring a message of hope that My faithful will be brought into My Era of Peace after I bring My victory over the evil ones."

Wednesday, March 4, 2015

March 19, 2015
Wednesday, March 4, 2015: (St. Casimir)
Jesus said: "My people, I am grateful for all of My followers who truly believe in My Real Presence in My consecrated Host. It is those faithful who love Me so much, that spend hours giving Me praise and Adoration. I am always present to you in My tabernacle, as I wait for your visit whenever you can find an open church. When you come in front of My Blessed Sacrament, you can ask Me what you need in life, or I can help you in making any big decisions about faith or your financial problems. You can trust that I will answer you in time, or possibly you can listen to My words in your quiet contemplative prayer time. As you see churches closing, and as you will see churches being closed in the future, you will be missing this opportunity to adore Me and visit Me in church. Later, at My refuges you will have perpetual Adoration of My Blessed Sacrament at both My interim and final refuges. Rejoice, that you have Me with you always in My Blessed Host until the end of this age."
Jesus said: "My people, if you look all over the world, there are many forces of evil seeking out world control. You have a deepening Muslim terrorism taking over the Middle East with vicious killings. You have Communist Russia trying to reestablish its old empire. Even Communist China is controlling foreign bases, and expanding its territories in Asia. Ultimately, you will be seeing the one world people establishing continental unions which will be given over to the Antichrist for his takeover. You can see the coming tribulation being set up by Satan's leadership. I am allowing this evil to last only a short time, until I will bring My victory over the evil ones, and I will cast them into hell. Be patient and have hope, as I will provide refuges for My people during this tribulation. Those, who are faithful to Me, will have their reward in My Era of Peace, and later in heaven."

Thursday, March 5, 2015

March 19, 2015
Thursday, March 5, 2015:
Jesus said: “My people, you have read the account of Lazarus and the rich man in the Gospel, and it should remind most people in America of how you are living a good life compared to the rest of the world. There are many poor around you like Lazarus, so you need to be ever vigilant in not forgetting them in your charity donations. You look at your after tax income, and you could afford ten per cent of your income for donations to My Church, your family, and the poor. There are many good causes as your local food shelves, Food for the Poor, Catholic Relief Services, and other places to help the poor. You can also offer your time as well to help the poor, and even your neighbors. By remembering to help the less fortunate people, you are showing your love for Me in them. Do not begrudge sharing your money, time, and talent in helping others, especially the poor.”
(Loretta Harrington’s Memorial Mass) Jesus said: “My people, it is always difficult to lose a mother and a grandmother, but she had the good blessing of a long life. She loved her family in all that she could do for them, and she was happy to see all of her family and friends at today’s service. She was led by Me into her reward in heaven, as seen in the garden of the vision. Loretta will be praying for all of her family, and she will be your prayer intercessor in heaven. She especially wants to thank all of her care givers and her children for all the patient hours of taking care of her in her last days. Many blessings will come over those who cared for her in her need. Give praise and thanks to Me for this special woman who was a gift of life for her family, and for all the people that she worked with.”
Prayer Group:
Jesus said: “My people, the sin of avarice, or the love of money and power, can be a great source of crime. You have seen people rob banks, sell drugs, embezzle stocks, and kill others for inheritances. The idea of getting rich quick has even caused many gambling problems with broken homes. Some people think that with more money, they could live an easy life. Depending on wealth is a very empty life because such people do not want to depend on Me for help. This earthly wealth will be lost or stolen, and it will not last or help people get to heaven. It is better to depend on Me for all of your needs, because I have the words of everlasting life in heaven.”
Jesus said: “My people, the illegal drug industry is tearing your country apart with drug addicts and cartel killings for money and power. The drug dealers

would not be in business unless they had a lot of customers and sellers that make big money. Drugs like cocaine, heroin, and marijuana and the like can degrade your body and kill brain cells. It is a communist tactic to destroy America from within. Other countries have severe laws against drugs, but America's authorities are not as stringent. Pray that these drugs could be stopped by tougher laws."
Jesus said: "My people, the pornography business is another great evil that is linked with prostitution and exotic dancing. An even more diabolic part of this problem is child pornography and pedophile attacks. Even date rape and college sex crimes have become a recent problem. This evil use of sex to gain money or pleasure, is a disrespect of the use of My gift of procreation. Internet use of pornography has broken up many marriages, and has even encouraged adultery with other partners. Here again, your laws permitting such evils need to be stronger."
Jesus said: "My people, you have seen the recent statistics that only one third of your households have a normal marriage of a husband and a wife. Those people, who live together in adultery or fornication, are living in sin, and they need to separate or get married normally to avoid this sin. Those people desiring same sex marriage with homosexual acts, are even living in a worse abomination because it is unnatural and destroys the whole concept of a true marriage that should be between a man and a woman. Your society has given full acceptance of such sinful lifestyles, and this is why your children are having so many problems without the proper models to follow from their parents. These sexual sins are bringing America down by this widespread immorality and disregard for My Commandments."
Jesus said: "My people, I know there is a desire to control the number of children at times, but My Church has only accepted Family Planning means to avoid pregnancies. Other means of birth control as condoms, vasectomies, and tube tying are sinful things that are outlawed by My Church. This desire to stop pregnancies is what has led to your prolific abortions and the day after pills that are killing many of My babies. Abortion alone will bring down countries as America, who allow such killings. Pray for people to obey My Sixth Commandment, and follow what is taught in Humanae Vitae."
Jesus said: "My people, you have seen many homes and marriages destroyed by alcoholic addictions. This starts out with casual drinking, and it can lead to binge drinking when people get drunk. Too much alcohol can actually be deadly, especially if mixed with medications. Drunk drivers have killed many people when their driving is affected by excessive drinking of alcohol. There are ways

to help stop drinking, but the person has to desire to stop. Many addictions, as excessive drinking, have demons attached to this behavior, and it takes deliverance prayers to heal as well. You know of family members with these drinking problems, and they can affect other parts of your extended family. Keep praying for such souls to stop their drinking."
Jesus said: "My people, just as you have prayer groups to honor and worship Me, so you have Satan's opposite of occult groups and New Age groups that worship Satan and crystals. This is an evil straight from hell, and some Satan worshipers are controlling the one world people who are carrying out Satan's orders to kill man. These evil ones are behind your death culture that is supporting abortion, euthanasia, wars, vaccines, and viruses that are meant to reduce the population. These are the same people who are forming continental unions that will bring the Antichrist into power. This ultimately will bring on the tribulation that I have warned you about in many messages. You are facing a battle of good and evil that I will have to settle with My victory over all evil. Keep praying to save souls, and lead people away from any evil practices against Me."

Friday, March 6, 2015:
Jesus said: "My people, the Jewish leaders did not want to accept Me as God's Son, so they wanted to kill Me, even as Joseph's brothers wanted to kill the master dreamer. Thus the builders rejected Me, and I had to set up My Church with St. Peter and My apostles. The Jewish leaders did finally crucify Me, but My Resurrection defied their plans. It was My plan of salvation that has survived when I died to save all of mankind from their sins. I have protected My Church down through the ages, and it will not be destroyed even by the Antichrist. My faithful remnant will survive by My grace at My refuges. When all of the people come face to face with Me at the Warning for all the people in the world at the same time, they will know that they can only come to heaven through Me as their Savior. Those people, who refuse to accept Me and refuse to ask My forgiveness of their sins, will be on the road to hell. There are only two choices, heaven with Me, or hell with the devil. At the Warning you will also learn that My Church is the only church with the fullness of the faith in My sacraments. Believe that I am your Redeemer, and I will set you free of your sins, and invite you into heaven."

Jesus said: “My son, you have been given many detailed messages about My refuges, and how they will be protected by My angels. I have talked about invisible shields because I want you to have full trust in Me without using guns to kill people. I have shown you very powerful angels that will stand guard over My refuges, and only allow people with crosses on their foreheads to enter. These same angels will multiply your dwellings so more people could be accommodated. They will also multiply your fuels, water, food, and bedding as needed. They will bring you Holy Communion if you do not have a priest. When people start coming to you at the proper time, you will need counselors to calm them down, and I will give them miracles to believe. Even before the people come, I will be showing you signs for helping people believe without any doubt that I am helping you. You have experienced many confirmations over the years about My messages, but others have not had this experience, so it is harder for them to believe. This new additional mission will require some work, that you already know a lot about preparing. You will need to organize your home better to remove what is not necessary. You will need to organize your items so they are cataloged and easy to find. You will need spiritual things just as well as your physical things. I will help you organize your thoughts and needs as you progress on this project.”

Saturday, March 7, 2015: (Sts. Perpetua and Felicity)
Jesus said: “My people, it is hard for My people to have patience with other people, especially when they repeat the same offensive behavior. Now, you can imagine just a little of what I suffer in My endless mercy for seeing all of your sins. Heaven and I are all rejoicing over one sinner who repents and seeks My forgiveness. I will always forgive a repentant sinner, but each person needs to be sorry for offending Me, and to try and avoid the same sin. I did not condemn the prostitute, but I told her to go and sin no more. The account of the Prodigal Son is very touching, and I see Myself as the father in many cases on earth. I keep seeking out the lost sheep to come back to Me. I am like the hound of heaven always in search of lost souls. There are also many faithful, who have been close to Me for years, and they need to be patient, and not complain of the sinners that I forgive. You all are sinners, and you are at various stages of your spiritual progress. So do not look down on others because of their sins, but for My grace, you could be like them. Instead, remain faithful to Me, and continue to seek Me

out in monthly Confession. Then you can keep a pure soul which is ready when I call you home to your judgment."
(Gerry Oftedahl Memorial Mass) Jesus said: "My people, I am very proud of Gerry as a great fighter to save My babies from being aborted. I wish many more could have her zeal for such a cause as these very lives of the unborn. Gerry had so much treasure stored in heaven for her work, that they outweighed her sins, so she was escorted into heaven by the guardian angels of the babies that she saved. Give thanks to Me for her gift of life that could lead your Right to Life group for so many years."
Gerry said: "I am so happy to see all of my family and my dear Right to Life friends. I so enjoyed doing all that I could to help save God's little ones. Keep up the good fight for the unborn babies. Our Lord loves us fighters more than you know for standing up to protect life. I will be praying for my family and for all the Right to Life workers."

March 19, 2015
Sunday, March 8, 2015:
Jesus said: "My people, it is very hard to hear of all the brutal killing of Christians by Muslim extremists, but it is also hard to deny that it is going on. With Me there is only love and an appreciation for life. In some parts of the world there is only hate and killing that can only come from the evil one. I do not want My children killing each other, but immediate defense of one's life from a killer is justified. This is why I have not given any messages about fighting with guns because I want My angels to defend My people. When you are shielded by invisibility of My angels, you will not need guns at My refuges. The deer will drop dead in your camps like the quail did in the Exodus, so you will not need guns to kill them. You are constantly being threatened with wars and all kinds of deadly weapons. It is better to trust in My protection than any of your weapons. Your rosaries should be your best weapon against evil and the demons."

March 19, 2015
Monday, March 9, 2015: (St. Frances of Rome)
Jesus said: "My people, there are many proud and arrogant people who have been humbled by disease and sickness. Your health can even be considered as

one of My gifts, because you have experienced difficulties with sickness. In today's first reading, Naaman expected himself to be healed directly by the prophet, Elisha. Instead, he was asked to wash seven times in the Jordan River. He resisted at first out of pride, but he followed his servant's advice to follow the prophet's words. Once he washed seven times, he was healed. In many ways people are humbled in their pride. Instead of being puffed up with pride in your own works, you need to be more humble in following My ways instead of your ways. When you look back at your life's events, you can see how My plans accomplished more than your worldly plans. I do not violate your free will, but when you are obedient to My Will, you will see the best is being done for your soul and the souls around you. Those people, who exalt themselves, will be humbled, but those people, who humble themselves, will be exalted."
Jesus said: "My people, personal pride can hold you back from being a more loving and sharing person. Many times you compare yourself with other people to see if you are better than them in looks, money, faith, or social status. You should see people for who they are, without thinking that you are better than them. In Lent you should be focusing more on humility and living a humble life, without looking for acknowledgment of your accomplishments. You should be loving and sharing more with people when you have the opportunity. I give everyone many opportunities for grace, so take advantage of them to store up treasure in heaven. Share your love, faith, and wealth with people, and you will find your reward in heaven."

March 19, 2015
Tuesday, March 10, 2015:
Jesus said: "My people, today in your society, you have some evil people who are trying to create divisions between race, religion, and social status. These evil ones want to destroy your government and take over. When your people focused on Me, your country, and the family, America prospered. Now, with all the evils of drugs, and materialism running your people, the corporations and rich people are manipulating and controlling your lives with chips and chipped documents. The Gospel is focused on love and forgiveness, which is lacking in some of your people. Just as I forgive you your sins many times, so you need to forgive your neighbors, and even your family members. Your life is too short, so you should try to live in harmony with everyone to stop hate and wars. Imitate My life and the lives of the saints, as you strive for your sainthood."

Jesus said: “My people, your life can be a little like a sleigh ride with ups and downs, as well as some unexpected bumps. You need to have the same acceptance of difficulties as you do your blessings. It is more difficult to work out problems, but I help you to get through everything in your life. It is your trust in My help that I admire most in My faithful servants. Work on your humility and your generosity to help family, friends, and the poor with your almsgiving. By sharing your faith and your donations, you are thanking Me for My gifts to you. You know how much I love all of you, and I want you to love Me and your neighbor as well. During Lent, you are also focused on seeking My forgiveness in Confession, and you can forgive others who have harmed you in any way. By working to heal your bad habits, you can have a great benefit from your Lenten devotions. I thank all of you for doing what you can to build up My Church, and My faithful in it.”

Wednesday, March 11, 2015

March 19, 2015
Wednesday, March 11, 2015:
Jesus said: “My son, you are following My wishes in making your chapel. It is appropriate to name your chapel for the ‘Eternal Father’ as a namesake for your prayer group. Do not be concerned about letting people know about this name, even if your inspectors see what you are doing. You are preparing a prayer meeting place for when the churches are closed. I will guide you in your preparations, so you can have a successful completion of your construction. I am calling many others to also set up places for prayer, where I will have My angels defend My faithful. I will be giving you messages on how to prepare your place for what is to come. Put your full trust in how I will lead My people to safety at the proper time.”
Jesus said: “My people, you have anxiously awaited the warmer weather that you have experienced in the last few days. Even the melting snow piles are a welcome relief that you can see the ground again. Your Lenten retreats are inspiring your faith, and you are feeling a joy in My loving you all the time. As winter is losing its grip over your Northern states, your lives are returning to your normal warmer weather for this time of year. My creation will soon be showing signs of spring with the new life coming up all around you. You have had a hard, cold winter, and it is good to be able to walk around with more joy in your heart and soul. During Lent, you are enduring your fasting and other penances that you have taken on for My sake. As you rejoice in a change of

weather, you are also rejoicing in your heart and spirit for the joy of knowing and loving Me."

Thursday, March 12, 2015

March 19, 2015
Thursday, March 12, 2015:
Jesus said: "My people, some of the Jewish leaders accused Me of being with the prince of devils when I cast demons out of people. They did not realize that it was by the finger of God that I cast the demons out. Even in your own days, there are people possessed or influenced by demons. This requires exorcism by an exorcist priest, or deliverance prayers by My faith filled people. You also are being controlled by the one world people, who worship Satan and carry out his orders. These evil ones are preparing the way for the Antichrist's reign. One of their means of control is to force your people to have chipped documents as driver's licenses, charge cards, and passports. These chips allow them to track you and eventually control your money. You have read in the Scriptures of not taking the mark of the beast, and not worshiping the Antichrist. The next step of the evil ones' control is to force you to take chips in the body, which is the mark of the beast. Refuse to take any chips in the body because they will control your free will and your soul as being hypnotized. Even if these evil ones threaten your life, your property, your money, or even your relatives, refuse any chips in the body for any reason. It is when your government authorities will demand mandatory chips in the body, that you will need to come to My refuges of protection. Do not fear these evil ones, since My angels will protect you at My refuges. Some of My faithful may be martyred for not giving up their faith, but they will become instant saints in heaven. This evil tribulation will last only a short time before I will bring My victory over all the evil ones, as they will be cast into hell."
Prayer Group:
Jesus said: "My people, it is sad that people in My churches and schools are removing My crucifixes and statues. You are only a few weeks away from Holy Week, when you will be venerating My crucifix, as I died on Good Friday. I have asked all of My faithful to imitate Me by picking up their daily cross and carry it through their day. The statues of Me and My saints are to remind you of our lives, and how you can use My saints as models for your lives. You could even have a large crucifix in your altars at church to remind you of how much I love you, since I died to save all of mankind from their sins."

Jesus said: “My people, you have seen the building of churches years ago, but now you are closing more churches than you are building new ones. You are being called to build up My Church with new or old members because many Catholics have become lax in their faith, and they are not coming to Sunday Mass. You have seen some people who are being inspired to knock on the doors of your members who are no longer attending Mass. Sometimes giving a personal request to return to church for those who are not attending, may be all that is needed to stir them into action.”

Jesus said: “My people, your life is a school of training on earth where you learn from your experiences in preparation for your graduation at death into heaven. This life truly is a place of training where you are trained to love Me and your neighbor because you will be judged on how you loved. You have plenty of opportunities in life to help people and store up treasure for your judgment. Use this time of Lent to grow holier in your life by prayer and spiritual reading.”

Jesus said: “My people, at the beginning of Lent, you made resolutions of fasting and making certain penances. You are about in the middle of Lent, and now would be a good time to see how you are succeeding in your Lenten devotions. Many of you are still fasting and keeping up with your penances. You may be doing more spiritual reading, which you could even continue after Lent is over. I am proud of My people who are still keeping up their penances as not eating sweets, or spending more time in prayer. The more acts of self-denial that you can achieve, the more your spiritual life can be helped.”

Jesus said: “My people, you have heard about fasting, almsgiving, and the forgiveness of sins. During Lent, it is a good opportunity to come to the priest in Confession. I have given many messages suggesting that monthly Confession should be a minimum in coming to Confession, which is needed by all sinners. If you accept that you are a sinner, then you need to come to Me to seek My forgiveness of your sins. All sinners need to have their souls cleansed from their sins. By asking My forgiveness, you are being humbled in your spiritual weaknesses. Do not be so proud or lazy that you stay away from My sacrament of Reconciliation.”

Jesus said: “My people, in Lent you are called to give alms, and the poor are in most need of your donations of food and money. You may give donations to many causes, but do not forget the poor who are always in need of their necessities. You can even serve the poor at soup suppers, or take food to them. Do not look down on the poor, but pray for them, and lift them up the best that you can.”

Jesus said: “My people, you have many ways of praying in Adoration, giving thanks, prayers of petition, praying for the souls in purgatory, and your morning and night prayers. Praying daily rosaries, reading the Scriptures, the Liturgy of the Hours, or the Pieta prayers, are just a few examples of how people pray to Me. I listen to all of your prayers. I answer your prayers in whatever is best for your soul or the souls of others. When you pray, you could keep focused on intentions that are best for people’s souls. Prayers during Lent should be done daily by making the time for Me before all of your other earthly activities.”

Friday, March 13, 2015

March 19, 2015
Friday, March 13, 2015:
Jesus said: “My people, I have encouraged all of My faithful to work hard at evangelizing souls to be saved from hell with My help. All of you, who are baptized and confirmed, have been given a gift of faith to be nurtured, but also you need to share your faith with others. You not only are called to build up My Church with new converts, but you also need to try and reconvert those Catholics who have fallen away, and are not practicing their faith. Many families have some members who are not coming to Sunday Mass. You need to carefully remind them of their faith commitment without pushing them away. Even if they still do not want to listen to your invitation, you can continue to pray for their souls to come back. I have called all of My faithful to go out to all the nations to help save souls, so you will have to answer to Me for your actions.”
Jesus said: “My people, the evil one world people are planning America’s demise, and they are considering crashing the dollar, and turning off the electricity. Your economy is based on the dollar, but if it was crashed, it would throw all of your National debt into receivership with the Federal Reserve. Such a crash would crash your stock market and create chaos in the streets, as people would be seeking food and water. This event could easily precipitate martial law, and a rapid takeover of your government by a dictatorial regime. If you see such an event taking place, prepare to come to My refuges for protection. My angels will protect you from any rioting with their invisible shield. I will multiply your food, water, and bedding at My refuges so you will have all of your needs satisfied. Keep trusting in Me, and I will protect you throughout the time of the tribulation.”

Saturday, March 14, 2015

March 19, 2015
Saturday, March 14, 2015:
Jesus said: “My people, in today’s Gospel (Luke 18:9-14) of the Pharisee and the publican, you see the pride of the Pharisee who is claiming how he tithes, and is thankful that he is not like sinners, as the publican. He spoke as a self-righteous person, instead of being a repentant sinner. The Pharisee did not give of himself, so he did not gain anything from his visit to the Temple. The publican bowed his head, and beat his chest as a humble, repentant sinner. He asked Me for mercy for his sins, and he went home justified and rewarded for his humility. All sinners need to come to Me humbly to seek My forgiveness and My mercy. You are all
human and you have inherited Adam’s weakness to sin. When a repentant sinner seeks My forgiveness, I will always forgive that person, and cleanse the sins from that person’s soul. When you come to the priest in Confession, his absolution and My grace will set you free of the bonds of your sins. In the vision you see this endless flow of water that represents My endless flow of graces that I bestow on every repentant sinner.”
(4:00 p.m. Mass) Jesus said: “My people, I am just in My judgments, but I am merciful to sinners. The Israelites worshiped many foreign gods before Me, even after I brought them out of Egypt with a heavy hand. They were into unnatural sex and idolatry, much like the people of today. Because of their sins of disobedience, I allowed Israel’s enemies to defeat them, and carry them off to captivity for seventy years. America is walking down the same path as Israel did. With your abortions, fornications, adultery, and same sex marriage, you also are worshiping idols of money, fame, sex, and even occult beliefs, instead of worshiping Me. Because of America’s sins, you are calling down My justice that will bring a great punishment down upon your people. I am merciful to repentant sinners, but your sins as a nation, will put you also into exile. It is just a matter of time until I will allow your enemies in the one world people, to take you over. This will be the beginning of the tribulation of the Antichrist. Trust in My help to protect you through this time.”

Sunday, March 15, 2015

March 19, 2015
Sunday, March 15, 2015:
Jesus said: “My people, there are two times when My heavenly Father presented Me to you, at My Baptism and at My Transfiguration. When St. John the Baptist

baptized Me, God the Father said: (Matt. 3:17) 'This is My Beloved Son, in Whom I am well pleased.' Again, at My Transfiguration God the Father said: (Matt. 17:5) 'This is My Beloved Son, in Whom I am well pleased; hear Him.' Now, in today's Gospel from St. John you have a quote that is cited many times: (John 3:16) 'For God so loved the world that He gave His only Begotten Son, that those who believe in Him may not perish, but may have life everlasting.' My coming into the world had one purpose in love, and that was to sacrifice My life so that all souls would have the opportunity to be saved from their sins. Those people, who accept Me as their Savior, and seek the forgiveness of their sins, will be saved from hell, and welcomed into heaven. But those people, who refuse to believe in Me and refuse to ask My forgiveness, are on the road to hell by their own choosing. I love all of the people that have been created, and I desire that they love Me in return. I also want My people to love their neighbors as themselves. I am love, and I want My people to know that I love you so much that I am willing to die for each soul."

Monday, March 16, 2015

March 19, 2015

Monday, March 16, 2015:

Jesus said: "My people, today's first reading from (Is 65:17-25) speaks about the new heavens and the new earth which truly describes My Era of Peace, once the world is recreated, and the evil ones are placed in hell. I will bring My faithful people into this new earth, both those who survived the tribulation, and those who were martyred during the tribulation. This new heavens and new earth is also mentioned in the Book of Revelation (21:1-8). This is when there will be no evil, and people will live a longer time than usual. These faithful will receive their reward, and eat from the tree of life. These souls will be prepared as saints to enter heaven. Rejoice My people, and be patient for My coming victory over the evil ones."

Jesus said: "My people, right now, things are normal with some indications of coming problems with persecutions and a government takeover. When chips in the body become mandatory, you will see people hiding in basements or underground places. Once your lives are in danger, you will need to come to My refuges of protection. This is why you are making your preparations along with many other refuge builders. You will need to store food, water, and have bedding accommodations for some people. I will have My angels protect your dwelling, and multiply your food, water, and fuels to keep warm and for cooking. Your

people in your community will all have to work together for your mutual survival. You will need a chapel for prayer, Mass if you have a priest, and around the clock Adoration. You will only have to endure this rustic life for less than 3½ years before I will bring My victory over the evil ones. Be patient and rejoice that I will be protecting My faithful at My refuges."

Tuesday, March 17, 2015

March 19, 2015
Tuesday, March 17, 2015: (St. Patrick)
Jesus said: "My people, I healed many people on earth both physically and spiritually, but the people had to have faith in Me so I could heal them. I have given messages how My people would be healed of their ailments both at My final and interim refuges. I also have said that some interim refuges would become final refuges. At all of My final refuges you will have a Luminous Cross in the sky where people will look upon it and be healed. At refuges without the Luminous Cross, you will have healing springs of water or holy water to heal people. You could be prayed over with the laying on of hands. This healing of ailments will also be accompanied by a healing of souls. You may not have any medical doctors at your refuge, so this healing gift of Mine will be needed by My faithful. Trust in Me to bring My faithful through this coming tribulation by My protection at My refuges through My angels."
Jesus said: "My people, your new addition is getting put up fast, as your construction of a new chapel should be framed in within a week. Continue your St. Theresa prayers for a successful completion of your addition. All of your plans are coming together, as now your kitchen plans will be next. Your chapel still needs some more planning for how to furnish it. I will be giving you more instructions as time moves on. Your new mission will take a lot of work to set up. Be patient, but move along with your plans because the time for building is running out, before some major events could quickly lead to martial law. Trust in My help with all of your building plans, and your preparations for the needs of the people who will be coming to you."

End March 2015

April 2015

Wednesday, March 18, 2015

April 2, 2015
Wednesday, March 18, 2015:
Jesus said: “My people, you are seeing your President acting as a dictator, as he is doing all that he can to get rid of any of his opposition. He has eliminated many of the generals who do not want to carry out his plans of disarmament. He has used some questionable means to steal his elections. He is usurping the Congress with his Executive orders, memorandums, and his vetoes. He is even threatening to go to the UN for any deal with Iran to avoid the Senate ratification. His latest push is to try and unseat Israel’s prime minister by supporting his opposition. Many of his actions violate your Constitution, but the party in power of the Congress will not stand up to his dictatorial actions. If your representatives do not resist him, you will have a true dictatorship. Pray that you take back your country, or the one world people will control your lives.”
Jesus said: “My people, I have given you messages before about having plenty of water on hand for drinking and reconstituting your dried food. There are various ways that I could provide the water you need for your daily survival. You could have some barrels to catch rainwater from your gutters, and springs could be used to provide water. Just as I multiplied the bread and fish, I can also multiply your water and food at your refuges. You may have to use your heirloom seeds to grow your vegetables. I will also have to expand your house to accommodate more people. Your present addition will give you extra space in your basement, your chapel, and your kitchen. You will be using this addition for prayer meetings, Masses, Adoration, as well as more space to provide food for the people. Pay attention to every detail of My instructions so you are prepared to provide for the people that I will send to you. Trust in My angel protection for the short time of this coming tribulation. You will need to assign various tasks for all of your people to help in providing for your survival in this trial.”

Thursday, March 19, 2015

April 2, 2015
Thursday, March 19, 2015: (St. Joseph)
Jesus said: “My people, St. Joseph was My foster father, and he provided for My Blessed Mother and Myself as I was growing up. He guarded My life when we had to go to Egypt to avoid Herod’s soldiers. He also taught Me his trade as a carpenter. He was a kind and righteous man in all he did to follow God’s plan of

salvation. All fathers could use St. Joseph as their role model to follow. Fathers for years have protected their families, and have provided the money for them to live. Today, both parents work in some families, so some of the traditional roles have changed. It is unfortunate that fathers are missing in some families, so the children are brought up without a father image to guide them. This truly has a bad effect on the children who live in divorced families or unmarried families. Pray for more fathers to support and live with their families. Parenthood has its responsibilities, and fathers should not leave everything for the mothers to do. This is why your society has poor spiritual values, because of your sinful lifestyles. Your society is decaying because of the attacks on the family. Pray that your families stay together to help each other. It is with prayer that your families can deal with life's trials and keep together."

Prayer group:

Jesus said: "My people, during Lent you pray the Stations of the Cross as you remember how much I suffered abuse from the Roman soldiers. Every time that you look upon a crucifix, you are reminded how I suffered and died for your sins. In a few weeks you will be attending Holy Week services that will give you the readings of My Passion and death. Never forget how much I love you, and I pray that you love Me also."

Jesus said: "My people, I fasted in the desert for forty days before I started My three years of My public ministry. You complain about some mild fasting, but I suffered a lot more. Your Lenten services are modeled after My forty days in the desert. For those people, who are following all of these Lenten sufferings, it is a way of building up your faith."

Jesus said: "My people, as you walk on a beautiful sunny day, you are lifted up from all of your dreariness in this winter. Many signs of spring, as the singing birds, are slowly putting new life into your experience of My creation. As you approach Easter Sunday, you are seeing longer days which add to the celebration of My Resurrection. It is in these beautiful experiences that you are happy to be alive in your spirit. Give praise and thanks to Me for all that I do for you."

Jesus said: "My son, it was almost fifty years ago since you experienced the building of your present house. Now, you are revisiting some new construction, but for a different purpose than raising a family. Those people, who are building safe havens, are making preparations for a new family of faithful who will be together throughout the coming tribulation. I have heard your prayers for this chapel, and your desire to carry out this second mission that I have given you. Some of My faithful have answered this call, and I thank all of My refuge

builders for all of their efforts and dedication to this mission of protection for My people."
Jesus said: "My people, repenting of your sins in Confession is your best Lenten practice that you could do for your souls. Lent is all about improving your spiritual lives, and frequent Confession is your best way to get close to Me and repair your souls from the effects of your sins. There are a large number of sinners who do not take advantage of My sacrament of Reconciliation. My people need to keep their souls clean so their souls are prepared to meet Me at their judgment."
Jesus said: "My people, one of your sincere prayer intentions is to pray for the healing of many sick people you know, and others who have asked you to pray for them. It is difficult to see so many people in pain, and some are on the verge of death. Keep praying for these intentions, and even for the healing of these sicknesses. You have experienced the frustration and pain of being sick with your cough in your throat recently. Have mercy and sympathy for those people who are suffering in their ailments."
Jesus said: "My people, you attend many funerals for your friends, and even relatives of your friends. You have even seen deaths in your own family. It is an act of mercy to attend these funerals and give comfort to the families who are mourning their losses. When people die, they leave others behind who will miss them dearly. It takes time to heal such losses, so it is good to have people comfort the family members. You can also pray for the souls who have passed on, and have Masses said for their souls. Many souls have to be purified in purgatory, so your prayers and Masses can help these souls come to heaven sooner. These souls cannot pray for themselves, so they need people on earth to pray for them."

Friday, March 20, 2015:
Jesus said: "My people, what you are seeing in this vision, is a massive application of aluminum oxide, polymeric fibers, barium salts, and viruses that are being spread all over your skies. Many people are becoming sick because of these applications, in the name of global warming to block the sun. This is a government secret operation that has been going on since 1998, without any mention in your media. This is part of the one world people's plan to reduce the

population with their man-made viruses. Your people have seen these chemtrails in the skies, as they are very obvious, but your people are not aware of the dangers to your health. I have recommended Hawthorn pills, vitamins, and herbs to build up your immune systems to combat the effects of these chemtrails. Your people should complain to your government representatives to stop this invasion of your airspace by these bad chemicals and viruses."
Jesus said: "My people, I was giving some sources of water in previous messages, but in the vision I showed you how My angels could dig out a well for you. This well had water coming in from a spring, and people were lowering a pail on a rope to pull up the water. It did not require a pump, but it would take time to pull up a lot of water. Most refuges will not have electricity for pumping water. All the wells at My refuges would be clean, and not contaminated. Since water is necessary for your survival, a well would be convenient. I could multiply your water in the barrels, if it was needed. My angels will protect My refuges, and I will multiply your fuels and food as well. My angels could also build more dormitories for the people to sleep, and even a multistory building if necessary. Trust in My help to provide for all of your needs at My refuges during the tribulation."

Saturday, March 21, 2015:
Jesus said: "My son, I want you to take note of the things that you will need for your new chapel. First you are arranging for someone to build you an altar with certain dimensions. You will need to bring down your tabernacle and some statues. You will need a lectern for reading the Gospel and the Epistles. You will need vessels and candles, along with your monstrance for Adoration. You may need some stands for the gifts to be brought up. You also will need some chairs for the people to sit. You will need some lights and some small Stations of the Cross. Once you have the chapel built, then you can plan where to place things. You may have to keep the doors open if you have a large number of people for your services. Remember that during the tribulation, you will have perpetual Adoration of My Blessed Sacrament at all of My refuges. I will be with you through this struggle, and My angels will protect you."
(4:00 p.m. Mass) Jesus said: "My people, you know how I was tried in the Garden of Gethsemane when I was sweating drops of blood. My human side

was asking if it was possible to avoid dying on the cross, but then I wanted to do My Father's Will. I came to the earth as a man so I could be the Redeemer that was foretold by the prophets. So I had to go through the severe trial of being crucified on the cross. In some cases My followers are being tested as I was, when I lived on the earth as a God-man. It is easier to follow your own will in your comforts, than to follow My Will which could take you out of your comfort zone. I have given each of you a mission to accomplish along with the grace and the means to accomplish your mission. You need to pray to Me in quiet contemplative prayer to understand the mission that I want you to do. I am asking each of you to give Me your 'yes' to do My mission for you. Many times people give Me their 'yes' without knowing completely what I am asking them to do. By following My Will, I will lead you to achieving your mission. You need to have full trust in Me that this mission is the best for your soul. Some people are asked more than others because I know they are capable of doing what I need done. I give every person opportunities to do My Will, but not all of the people want to go against their own will. Those people, who follow My Will, are going to accomplish more and gain more graces than those people who do not follow My Will. It is your choice to follow Me, as I asked My apostles to leave everything to follow Me."
Jesus said: "My people, this vision of wine being poured out on the floor, represents how all of your comforts will soon be taken away. Just as Israel was punished by being defeated and exiled in Babylon, so America will be punished for its sins by persecution and captivity as well. It is for this reason that I am having My people set up refuges of protection during the coming tribulation of the Antichrist. Those people, who come to My refuges, will be protected and fed. Those people, who refuse to leave their homes for My refuges, could risk capture and martyrdom. I love all of My people, and I will not leave you orphans. At My refuges I will be with you in perpetual Adoration, until I bring you into My Era of Peace with My victory over the evil ones."

April 2, 2015
Sunday, March 22, 2015:
Jesus said: "My people, the Gospel account today, shows you My human side in how I was in deep sorrow for My friend, Lazarus, who had died. I know how hard it is to lose a loved one at death, and I sympathize with your sorrow. At the

same time, it gave Me a perfect opportunity to ask Martha if she believed that I would raise people up on the last day of judgment. I gave her My reassurance even in My own Resurrection from the dead, for I have conquered sin and death. (John 11:25, 26) 'I am the Resurrection and the life; he who believes in Me, even if he dies, shall live; and whoever lives and believes in Me, shall never die.' Some people have a fear of death because of the unknown. If you love Me and your neighbor, and obey My laws, you should have no fear, because you will be with Me in Paradise, just like the good thief on the cross. Everyone who dies, does not come immediately to heaven. Some are lost to hell, while others need various amounts of purification in purgatory. This is why you need to pray for the souls of the dead, and have Masses said for them, so they will suffer less time in purgatory. I love all of you, but each person has to have an accounting at the judgment for his or her actions. I raised Lazarus from the dead, and I can raise all of My faithful as well. When I died on the cross for all of you, I brought My victory over sin and death."

April 2, 2015
Monday, March 23, 2015:
Jesus said: "My people, both of today's readings have to do with sins of the flesh. In Daniel the two elders were lusting for Susanna, and in the Gospel I was tested by the people with a woman who was found committing adultery. I did not condemn her, but I told her to sin no more. I also told the people that whoever had no sin could throw the first stone. I wrote their sins in the dirt, and they slowly went away, one by one. Sexual sins are the most committed sins. These sins are adultery, fornication, homosexual acts, and even people using birth control devices. The lust in the heart, and sexual attraction can cause many sins, so you have to control your passions. Even impure thoughts need to be confessed, as some are drawn into pornography and prostitution. There are many people who make money on mankind's sexual desires. Even women who do not properly cover themselves, are tempting the men to sin. I created this sexual drive in people to provide for procreation, but not to be abused for pleasure only. People need to live chaste lives, and not be controlled by their earthly desires of the flesh."
Jesus said: "My people, you see how brutal ISIS is in beheading people and taking over parts of Syria and Iraq. Once your troops left Iraq, you are seeing

ISIS and Iran fighting to take over Iraq. You are fearful of these terrorists, but I tell you it is the evil ones that are controlling the one world people, who will threaten you the most. The masons and the Zionists worship Satan, and they take their orders directly from Satan. These are the people controlling the money, and they control your governments. These are the ones who are planning to crash your money, and take over your government. These Godless people have placed a large force of mercenary soldiers at many camps all around your country that are from various foreign countries. These are the soldiers who will try and force your people to take the mark of the beast in a computer chip. This is why you will need to come to My refuges to avoid being captured and killed by these soldiers dressed in black. Trust in Me to protect you and feed you at My refuges."

Tuesday, March 24, 2015

April 2, 2015
Tuesday, March 24, 2015:
Jesus said: "My son, listen to the complaints to Moses in the Exodus, because in your modern day Exodus, you will also hear complaints and fears from the people who come to you. Many will not understand that they will need to live in full trust of My miracles to protect them, feed them, and provide for their daily needs. The first problem is that you will need counselors to calm the people down from their fears of being killed by the men in black. At all of My refuges only those people with crosses on their foreheads, will be allowed in by My angels. The angels will place an invisible shield over My refuges so the evil ones will not harm you. Water will be provided, even if the water in your barrels needs to be multiplied. Food will also be multiplied. Bedding will be there and again it will be multiplied if necessary. You will wash your clothes and your bodies with what water is available. Your spiritual needs will also be met with daily Holy Communion and perpetual Adoration. Pray that your people will be understanding, and that they do not complain too much."
Jesus said: "My people, you are just hearing how 150 people died in a plane crash in the Alps of France. These poor people had their lives come to a sudden end without much warning. Every time you take a plane flight, there is a remote chance that you could be in a plane crash. All of these people had to face Me at their particular judgment. Many souls were not prepared spiritually to have to answer for their life's actions. It is sad for all the loved ones who are left behind

that are grieving their losses. When you see people facing the loss of their lives, it gives you pause to think if you are ready to die. I have asked My people to keep close to Me with pure souls by coming to frequent Confession. When you lead good lives by following My Commandments and praying your daily prayers, you will have a pure soul, and be ready to meet Me any day that I may call you home. Those people, who are not ready and have sinful souls, fear death more than the holy souls. This is another reason to reach out to convert souls before it is too late, so you can help prevent souls from going to hell. Your life on earth passes by quickly, until you are at death's door. So work to keep a pure soul, so you know that you will not go to hell, but share in My mercy. It is better to desire heaven and avoid any sin that offends Me. I love all of you, and I do not want to lose any souls, but you have free will to choose to obey Me or not."

April 2, 2015
Wednesday, March 25, 2015: (Funeral Mass for Edward Mandery)
Jesus said: "My people, it is a sorrowful day to see a loved one pass on at a relatively young age of 57. His life was a joy to those who loved him, and it will take time to heal his loss. The family and friends need to comfort the woman in his life. He is in purgatory and he will need Masses and prayers for his soul. Keep his picture to remember him. He will be watching over you in your needs. Give thanks and praise to Me for the gift of his life."
Jesus said: "My people, you are well aware of the Last Supper that was a Jewish custom of the Passover. It is also a model for the Mass, but you have My own Body and Blood sacrificed instead of the lamb's blood. I am the unblemished 'Lamb of God' that was sacrificed for all the sins of mankind. You have Holy Communion in the unleavened bread, which is now My Real Presence in My Blessed Sacrament. This is your spiritual daily Bread that you can receive at daily Mass. At My refuges you will also have My Presence, either from a priest at Mass, or from My angels who will bring you daily Holy Communion. You can even save a Host in your monstrance for Perpetual Adoration. Every time that you receive Me in Holy Communion, you are commemorating the Jewish Seder Supper, and My Last Supper at the Passover time. You will see this relived as part of your Holy Thursday Mass celebration."
Jesus said: "My son, you have been given several signs to go ahead with this

chapel as a place for home Masses, and eventually as an interim refuge. I have also shown you people hiding in this new basement when the refuge time comes. My angels will protect My faithful at My refuges, and you will see many miracles of multiplication to provide for all the people that I will send to you. I have told you also to go forward with your plans, even if the tribulation occurs during your construction. Time is growing short before the evil ones will be given their hour of reign. Trust in My protection no matter how much you will be tested with persecution and criticism. I told you that I would be giving you any instructions that are needed to run a refuge. Trust in Me and My angels to defend you, and provide for your needs."

April 2, 2015
Thursday, March 26, 2015:
Jesus said: "My people, St. John's Gospel has a more obvious explanation of My Divinity than the other Gospels. In today's Gospel from St. John I spoke of how Abraham was glad to see My day when he died. The people of My day could not understand how I could see Abraham since I was not that old as a man. Then when I told them before Abraham came to be, 'I AM', they wanted to stone Me for what they thought was blasphemy. In actuality, I was telling the truth because I am the Second Person of God in the Blessed Trinity. The people of Nazareth also heard Me infer that I was the Christ, the Messiah of God, but they tried to kill Me also. Then in front of the Sanhedrin, the Jewish High Priest demanded that I answer if I was the Son of God. When I said, 'I AM', they accused Me of blasphemy, and that is why they wanted to kill Me. They could not believe that I was God's Son, even though I performed many miracles as multiplying the bread and fish, calming the storm, and raising Lazarus from the dead. These leaders also saw Me as a threat to their authority. These people were waiting for a Redeemer, but they thought that the Messiah would defeat the Romans. I used all of these circumstances for My ultimate plan of salvation, so I would die for all of the sins of mankind. Be thankful for My death and Resurrection, which has paid the price for your souls. You are seeing how much I love My people, by offering up My very life for all of your souls. This is why I want you to remember My love by having a large crucifix on your altars."
Prayer Group:
Jesus said: "My people, this new war of Saudi Arabia with the terrorists in

Yemen appears to be happening because Saudi Arabia is concerned about the oil transport lanes that are being threatened by Yemen. This is an additional war to the conflict in Iraq where Iran, ISIS, and the Kurds are all fighting to gain control over Iraq. It is possible that America could get drawn into these conflicts for control of the oil. Already in Afghanistan, American troops are still remaining. Pray for peace in the Middle East where there is a constant conflict for land and oil."

Jesus said: "My people, after the investigators heard the voice recorder, they realized that the co-pilot locked the cabin door so the pilot could not enter the cockpit. The co-pilot than purposely directed the plane into a sharp descent that crashed the plane into the mountains with no voice communications. Some people are thinking that this could have been a terrorist act to kill all of the passengers, just as some previous terrorist acts have crashed planes on purpose. Pray for the safety of your airplane passengers, and your attempts to prevent this from happening again."

Jesus said: "My people, in the spring time you usually have more tornadoes and hail storms. Recently, such tornadoes have struck Oklahoma. This state has also been witnessing a cluster of small earthquakes. There are some people speaking about a possible large earthquake in America. I have warned you in the past of a large earthquake on the San Andreas Fault and an earthquake on the New Madrid Fault that could be triggered by the HAARP machine that sends out powerful microwaves. Some people have mentioned certain dates, but I have told you not to trust dates so you do not lose your faith. I will send America a punishment for its sins in My time only."

Jesus said: "My son, at times you are seeing delays in your construction by rain, snow, and cold temperatures. Your spring weather will come, but it is being interrupted by various cold waves from the North. Be patient as the workers need good weather to work. I am glad that you are doing what you can to bring your chapel to completion. A time is coming soon when I will warn My people that it is time to come to My refuges for protection by My angels. Trust in My leading you to safe havens when your lives and souls will be in danger."

Jesus said: "My people, I pray that most of My people have profited from their Lenten devotions and penances. Your fasting between meals, and your penances, have been difficult to bear, but it helps your souls to control your earthly desires. This test of your will and self-control is a great help in fighting your temptations to sin. When you are having spiritual attacks, you could resume your fasting and penances to give you strength. You can also call on Me,

and I will send My angels to comfort you and protect you. Trust in My help and stay close to Me with pure souls."
Jesus said: "My people, enjoy your opportunities to come to Mass and Adoration at church, because a time of persecution is coming when your churches will be closed or burned down. You are seeing an increase in attacks on Christians by violent Muslims in various countries. Be prepared, My people, because this persecution will soon be coming to America."
Jesus said: "My people, you are entering the most important week of the Church calendar, as you are approaching Holy Thursday, Good Friday, and Easter Sunday. This coming Sunday is Palm Sunday or Passion Sunday that begins Holy Week. Try to make a point of attending all the Holy Week services so you can appreciate how I suffered to save your souls from your sins. I gave up My life as I was crucified to pay the price or ransom for your souls. On Easter Sunday you will share in My victory over sin and death. Your Lenten penances will be over, but remember Me every time you look at My crucifix."

Friday, March 27, 2015

April 2, 2015
Friday, March 27, 2015:
Jesus said: "My people, you are approaching Palm Sunday when you read about My Passion and death. The Jewish leaders condemned Me to death for claiming I was God's Son, which is a truth that they refused to believe. They took Me to the Romans who helped carry out My sentence to death by crucifixion. On Passion Sunday you will read a long account of how I was scourged, and beaten while I was carrying My cross. You will have the Stations of the Cross today, so you can read of how I suffered on the Via Dolorosa. All of My sufferings were part of My sacrifice to save souls from their sins. This was why I came to the earth as a man, so I could suffer all that you go through in life, except sin. I love all of you so much that I was willing to give up My life for you. Whenever you are going through earthly suffering in pain or sickness, you can unite your suffering with Me on the cross. You can offer up your pain for redemptive merit to help other souls. As you go through Holy Week, you will appreciate all the cruelty of man both in mistreating Me, and how evil people mistreat and kill others. Walk with Me to Calvary as you carry your own cross in life."
Jesus said: "My people, life on earth could be considered a race through time, with heaven as your finish line. As with your judgment, you will be tested how

you loved Me and your neighbor in your actions. You have many choices in life to follow your will, or My will. You make this choice in every one of your actions because every choice is made by your free will. If you follow My Commandments and cleanse your sins in Confession, you will have your reward in heaven. I know you have earthly weaknesses to sin, so you need to repent of your sinful mistakes, and start anew. Seek My forgiveness with contrition, and I will free you of your bonds of sin. You can also try to evangelize as many souls as you can to keep them from going to hell. St. Paul at the end of his life said: (2Tim 4:7) 'I have fought the good fight, I have finished the course, I have kept the faith."

Saturday, March 28, 2015

April 2, 2015
Saturday, March 28, 2015:
Jesus said: "My people, today, you have many different denominations of My followers, but I have My one true Church led by St. Peter's successor. You are already seeing an increasing persecution of Christians by radical Muslims. There will be a coming tribulation when you will see an apparent battle between My people and the devil's people. My faithful remnant will be led to My refuges when I give an interior warning. They will be united and protected by My angels. They will be working together for their survival as I will provide for their food, shelter, and bedding. Trust in Me to lead all of My people to My safe havens of protection."
Jesus said: "My people, you are reading My Passion in St. John's Gospel, but at first the people were cheering Me with palms. This is why this coming Sunday is called Palm Sunday, but it is also know as Passions Sunday because you read a long Gospel about My Passion and death. In some ways all sinners go through a spiritual hot and cold time. You love Me in your prayers and Masses, but at other times you fall into temptation and sin. You are graced to have My sacraments, especially Reconciliation, to cleanse your soul of your sins. I will always forgive a repentant sinner, and I am waiting for you to return to Me to ask My forgiveness of your sins. You need to strive to have a pure soul, and be a loving Christian by showing Me your love, and your love for your neighbor. Do not show people by your bad actions that you are a hypocrite, because you do not practice what you preach. By keeping close to Me in your daily prayers, you will be a role model for others to follow."

End April 2015

May 2015

Wednesday, April 15, 2015

May 1, 2015
Wednesday, April 15, 2015:
Jesus said: “My people, you have just read in the Acts of the Apostles how St. Peter and St. John were put in prison for speaking about Me in curing the crippled man. I had My angel miraculously free them so they could teach in the Temple. The Jewish leaders imprisoned them again, and later had them beaten. This is how much these leaders tried to keep the apostles from spreading My Good News of salvation. My Church survived this persecution, even until today. As the time of tribulation approaches, you will see more severe Christian persecutions, as you are seeing Christians beheaded in Arab countries. This is why I am having My faithful build refuges of protection for My people. You are one of these builders, as you see in the vision all of the things that are needed. You will need an altar, a lectern, some chairs, and some stands. You may also want some prayer books and song books for the people. I will advise you on your needs, once your building is completed. Be patient and have faith in how My angels will protect you, and provide for your needs and the needs of the people who will come.”
Jesus said: “My people, I am showing you some rustic scenes because many of My rural refuges are accessed by dirt roads. You have seen many refuges in person that are off dirt roads. When you come to most of My refuges, they may not be modern looking, but they will be practical to house and feed My faithful. As more people come, it may be necessary for My angels to build more buildings, or add floors to existing buildings. My angels will put up an invisible shield around My refuges to protect My people from the evil ones, and the angels will only allow people in who have crosses on their foreheads. My refuge builders and My angels will supply the food, water, and bedding to accommodate the faithful people who will be led to both My interim and final refuges. The final refuges will have a luminous cross to heal people of their infirmities. The interim refuges will have healing springs of water, or holy water to heal people. All of My refuges will have daily Holy Communion from a priest, or from My angels. This Holy Communion will be used for perpetual Adoration for everyone to take turns in their holy hours around the clock. I will be with you always, so trust in My love and protection that I will take care of My

faithful. Some may be martyred, but they will become instant saints."

Thursday, April 16, 2015

May 1, 2015
Thursday, April 16, 2015:
Jesus said: "My people, in the old Exodus, I protected the Israelites from the Egyptian soldiers with a large Shekinah flame. I also used this flame to lead My people at night through the desert. Just as I protected My people in the old Exodus, so I will protect My people through the coming tribulation or modern day Exodus. The one world people will be forming continental unions, as the North American Union, and they will be seeking to kill all the Christians. This is when I will be directing My faithful to My interim and final refuges. When I give My people an interior voice to leave their homes for My refuges, I will have your guardian angels lead you with a small Shekinah flame in the night to the nearest refuge. Once you leave your home, these angels will place an invisible shield around you, so you will not be seen by the evil ones, and you will not need guns to defend yourself. You will be seeing My miraculous hand of protection watching over you, just as I protected the Israelites from the Egyptian soldiers. Trust in Me to protect you, and provide for your needs at My safe havens, which I have directed My refuge builders to prepare for this tribulation."
Prayer Group:
Jesus said: "My people, you have been reading about the drought in California which has required mandatory restrictions for water usage. Other means of obtaining fresh water from desalinization of ocean salt water are being looked at. This would be expensive water that people will need to pay for, especially for drinking and cooking. This need for water will also be a concern for all of My refuges. I will help people obtain pure water from wells and springs. Water is needed for survival for drinking. Some water may be available for sponge baths and washing things, but it will be limited unless a large source of water is available. You will not go thirsty at My refuges."
Jesus said: "My people, you are seeing in these latest conflicts that airplane attacks are not enough to win control on the ground. It will take a commitment of soldiers on the ground to fight off any attacks of ISIS or any other terrorist attacks in Iraq and Yemen. America and other nations are getting more reluctant to send in any troops in these latest conflicts. If very little is done, the terrorists will occupy more parts of these countries and the oil. Keep praying for peace in

the Middle East."
Jesus said: "My people, your government has been having problems in restraining your own citizens who want to fight with ISIS. The other problem of suicide bombers or other killers with guns, are also causing a problem to restrain their killing of innocent victims. Your people will need to take actions to discourage this recruitment of your own citizens to join militant groups."
Jesus said: "My people, I have delayed My Warning experience, so people will have more time to prepare their refuges. There are not a lot of people who have given their 'yes' to build a refuge. This takes a lot of faith and work to set up a place for people to stay. It may require some extra building and securing of food, water, and bedding for those who would come. Pray for My refuge builders, and help them in some of their needs."
Jesus said: "My people, I have told you that the one world people are trying to control you in your documents, your food, and even taking away more of your freedoms. Your freedoms of speech and religion are being attacked the worst. There are even more controls over what you can do with your land, or how you can speak in public. Your chipped documents are most notable in trying to control you. Keep proclaiming Me as your Lord and Savior, even though you may face persecution for standing up for what you believe. If you do not fight for your freedoms, then you will lose them."
Jesus said: "My people, at times you have seen runs on food and water in your stores when there is a threat of a hurricane or a threat to your electricity. This threat to your food supplies is why I have asked you to store some extra food for the coming martial law and tribulation. Have some extra food so I could multiply it for your needs and for those who come to My refuges. Even My refuge builders should take this advice to be prepared for closing stores."
Jesus said: "My people, My Easter Season is a blessing of joy and hope for My people. Do not let worldly troubles cause you to be down and depressed. If you are truly My Easter people, then you need to share your faith and love with your neighbors. With My death on the cross, I have brought you salvation and freedom from your bonds of sin. So lift up your spirits and give praise and thanks to Me for all that I have done for each of you. Everything you have, has come through Me, so trust in Me to provide for all of your needs."

Friday, April 17, 2015:

Jesus said: “My people, from the beginning, the Jewish leaders were trying to put down My followers, and they even wanted to kill St. Peter and St. John. It was Gamaliel who persuaded the Sanhedrin not to kill them. My disciples were being persecuted and martyred for three hundred years by the Romans and other leaders. There has always been a conflict between the evil ones and My Church. I told My people that the gates of hell would not prevail over My Church, and it stands until today. There will be a division in My Church between a schismatic church and My faithful remnant. It will be this remnant that will be protected at My refuges. I will be with you always in My tabernacles, and later you will have perpetual Adoration at My refuges. Have trust in Me to protect My faithful, even though some will be martyred in the coming persecution of the Antichrist. I will bring My victory over the evil ones, as they will be cast into hell. The remaining faithful will be brought into My Era of Peace, and later into heaven.”

(Joanne & Steve’s wedding) Jesus said: “My people, when you see a marriage between a man and a woman, it reminds other married people of the vows of commitment that they made when they were married. When you see the two lights made one in the unity candle service, I am reminding you that I am a third partner in your marriage. I give you the sacramental grace of Matrimony to live out the vows made in this ceremony. Unfortunately, there are a good number of marriages that end up in divorce for many reasons. It is sad that couples do not always try to work out their differences, as they want it their way without any compromise. Those couples, who have a similar faith commitment to Me, find it easier to get along with each other. When you honor Me every day in your prayers, you will have My help to get through all of life’s trials.”

Saturday, April 18, 2015:
Jesus said: “My people, many of My miracles encouraged the faith in Me for My apostles. When they saw Me calm a violent storm, they wondered about My powers. When they saw Me walk on water, this was defying natural things. They saw Me heal the sick, raise the dead to life, and multiply the bread and the fish. These were all astounding miracles that brought many people to believe in Me. I told My apostles that I would be killed, but I would rise on the third day. My Resurrection from the dead, is My greatest miracle, as My apostles saw and felt My wounds in My flesh, and they believed. Adam’s sin brought many weaknesses to sin, to sickness, and to a short life in death. My Resurrection is an example to My followers that those, who follow My Commandments, seek My forgiveness, and accept Me as Savior, are promised one day to have a united body and soul at the last judgment. This is the hope I give to everyone, that you can strive for a holy life, so you may have eternal life with Me in heaven as your reward.”
Jesus said: “My people, you are seeing problems with Greece making its payments, and stock bubbles in China that could affect your markets, as they did on Friday. I have warned you in the past that there is a strong possibility of a financial instability occurring this year with the Tetrad blood moons. If there is a currency crash or a stock market crash, this could upset people’s sources of food and other necessities of life. Those people, who are dependent on your government for Social Security or welfare, could find it difficult to buy anything if these funds stop coming. This is another reason to have some extra food and water. If chaos and riots result over finding food, you could see a martial law, and your lives would be in danger. My refuges would be your places of protection at that time, so be prepared to leave your homes to come to My safe havens. My

Warning experience needs to take place first, because many souls are not spiritually ready for the evil that is coming. Trust in My help in your needs and for My angel protection."

Sunday, April 19, 2015:
Jesus said: "My son, I am showing you in the vision how people are building most refuges in rural settings. There are some refuges in cities and suburbs, but they will need special angel protection from robbers, and the men in black. These mercenary soldiers will be seeking out Christians and those people against the new world order, to kill them. My angel, who will defend each refuge, will be huge and powerful, and the angel will not allow anyone into the refuge who does not have a cross on the forehead. The angel will place an invisible shield all around the refuge, but the evil ones will not be able to shoot you, bomb you, set fire to the building, nor poison you, or affect you with any viruses. This will be a miraculous protection, and you will have food, water, and fuel for the people to survive who come. The angel will also provide you with daily Holy Communion, if you do not have a priest. You will have perpetual Adoration of My Host during the tribulation, and your guardian angels will give honor and praise to Me. This trial of evil will be less than 3½ years before I will bring My victory over the evil ones. Trust in My protection, and be patient until I come."

Monday, April 20, 2015:
Jesus said: "My people, you remember the account of Jonah, the prophet, when I

asked him to go to Nineveh so he could tell the people to repent, or they would be destroyed in forty days. These people were the enemies of the Jews, so Jonah was reluctant to do My bidding, and he tried to run away. A big storm came up, and the people on the boat threw Jonah overboard, and he was brought to the shore by a big fish. I have asked many people to do My missions, but not all of them wanted to give Me their 'yes'. I do not force Myself on anyone, but those, who do accept My mission, I will give them the grace and physical things that they need to carry it out. I have already used you, My son, to warn the people of the coming tribulation. You have been more willing to carry out My plans than Jonah did. Now, I am asking you to carry out an additional mission of providing a safe haven. You have been given the means to carry this out, and you are moving forward as fast as you can. I bless you for your efforts for all that you do for Me, and you will have your reward later. Call on Me whenever you are tested, and I will send My angels to help you."
Jesus said: "My people, you will be seeing a time when anyone proclaiming Christian values, will be persecuted for revealing people's sins. There are so many people living in mortal sin from fornication, adultery, homosexual acts, and people using birth control, that they do not want to hear that they are living in sin. It is this guilt coming from Christians that causes these sinners to persecute Christians. Just as I was persecuted for speaking about loving everyone, so My faithful will be persecuted as well. The evil in the world will grow so bad, that I will need to protect My faithful at My refuges from people trying to abuse you. This is why I am having some faithful set up refuges now with angels and supplies that they need to feed people. Trust in Me to shield you from persecution. Some may be martyred, but they will be with Me in heaven."

Tuesday, April 21, 2015: (St. Anselm)
Jesus said: "My people, you are still celebrating My Easter Resurrection, but I have left you a most precious gift of Myself in My very Presence in My Blessed Sacrament. The Eucharist is the central focus of the Mass because of My Real Presence in the consecrated bread and wine. In today's reading I called Myself the 'Bread of Life'. (John 6:48-55) 'I am the Bread of Life. If anyone eat of this Bread, he shall live forever; and the bread that I will give is My Flesh for the life

of the world.' 'Amen, Amen, I say to you, unless you eat the Flesh of the Son of Man, and drink His Blood, you shall not have life in you. He who eats My Flesh and drinks My Blood, has life everlasting, and I will raise him up on the last day.' My son, you come to Mass and Adoration every day because you believe in My Real Presence in the Host, and you know that I am the source of all life. When you receive Me in Holy Communion, you are receiving your daily spiritual nourishment for you soul. When you adore Me in front of My monstrance or My tabernacle, you are giving glory and praise to Me for all that I do for you. Remember Me every day as I share My love with you, and you show Me your love in your prayers and actions."
Jesus said: "My people, most people, who have decided to have a refuge, have already prepared a place as a safe haven. There are still a few people who are still preparing a place of safety. I will accept anyone who discerns in prayer that they want to have a refuge. I have mentioned before that My angels could even help complete any unfinished refuges. I also said that I would hold off My Warning so people would have more time to finish their safe haven. Please be patient with every leader of any given refuge, because they are trying their best to provide a place to live for My faithful during the tribulation. I will direct people to come to various refuges, and My angels will help the refuge builders in providing the food, water, and bedding that will be needed at each refuge. Trust in My protection during this coming tribulation."

Wednesday, April 22, 2015:
Jesus said: "My people, you have read of how the Jews stoned St. Stephen to death because of how he taught about Me, and they were no match for his wisdom. Even Saul, before his conversion, was having Christians dragged out of their homes and killed. Despite the persecution and threats to their lives, the apostles, like St. Philip, still went out to proclaim My Good News. The apostles performed miracles of healing and casting out demons, so this enabled them to convert many people to the faith. Eventually, all the apostles, except St. John, were martyred for their faith. Even today, I am asking My faithful to make an effort to convert souls to save as many people from hell as they can. Here in America, you are not yet risking your lives to spread My Good News. It is

spiritual apathy that grasps many Christians today. A time is coming when your lives will be threatened, just as Christians are being beheaded in Arab countries. I bless My missionaries and prophets with My grace and protection, so they can spread My Gospel to all the nations. Be willing to support My evangelists in their work with your prayers, and any other support that you can give them."
Jesus said: "My people, you are seeing sabotage causing a major fire to come at an American refinery in the vision. I have mentioned before that many of your supposed accidents in your energy sources were purposely caused. There are terrorist elements that are seeking to affect your energy sources with sabotage. There is an increasing supply of oil and gas that is making the United States more energy independent. This competition with other countries in their oil supplies has caused an over supply that has resulted in lower gas and oil prices. The lower oil prices are causing layoffs and cutbacks in the number of rigs used, because fracking methods are more expensive to obtain oil. Many oil companies are losing profits due to these lower prices. The one world people are struggling among themselves on where oil prices should be. There are some Arab terrorist elements that are at odds with America becoming more oil independent. Their plans to reduce your energy supplies could be the reason that you may see more disruptions in your gasoline supplies. Be on the alert that you could see more price fluctuations in your gas prices, for several reasons that are all planned by the one world people to control your fuel supplies. Your economy thrives on cheap gas prices, but they may not stay low for long."

Jesus said: "My people, as the Ethiopian eunuch was traveling home from Jerusalem, he needed St. Philip to explain the passage from Isaiah that referred to Me. St. Philip was instructed by the Holy Spirit to come to the Ethiopian, so he could instruct him about My death and Resurrection, and later he baptized him. Just as St. Philip came out of the water, he disappeared, and he continued evangelizing other areas. This is an example for all of My faithful, that you are the ones to explain the Scriptures about Me to everyone, and if possible, you could see that people could be baptized into the faith as well. If My faithful do not invite converts or re-converts into My Church, then you would not have any

RICA instructed people to be brought into the Church at Easter. Call on the Holy Spirit to inspire you to evangelize souls, just as St. Philip did in today's reading."

Prayer Group:

Jesus said: "My son, you are constantly cleaning out cupboards and drawers, as your house is storing all of your kitchen food, dishes, and pans. You are constructing this chapel as I have led you, and I have made it possible for you to build it. When you do things by following My instructions, you will see a beautiful result. This will be a place for prayer and protection during the coming persecution. Give glory and praise to Me for all that I do for My people."

Jesus said: "My people, I have mentioned before how your President is intent on extending his authority over your people by fiat regulations without Congressional approval. He is even defying your Constitution in reaching out to control every part of your life by his dictatorial orders. Your current Congress has been too afraid to confront your President's power, so he will continue to assume powers he should not have. Stand up for your rights, before you allow him unlimited power that is against what your founding fathers set forth in your Constitution."

Jesus said: "My people, the environmentalists are proclaiming earth day as a step toward controlling global warming. There are some signs of melting glaciers and some minor increases in the earth's temperature, but there is also a push to use such a cause as a means to control the world's economy with carbon credits. This is another ploy by the one world people to redistribute wealth with an aim for world control under a totalitarian state led by the UN. This world control is how the Antichrist will come into power, so people need to understand an evil plan in this use of so-called global warming to control them. The evil ones are manipulating your weather for their own purpose."

Jesus said: "My people, you are seeing a buildup in military equipment and firepower by Iran, China, and Russia. Iran is trying to export its terrorism into Iraq and Yemen, and it could come into a war of confrontation with Israel and the United States. Even Saudi Arabia is sending airplane attacks against the rebels in Yemen. The whole Middle East is on the verge of an open war that could bring other nations into a conflict. Keep praying for peace in this area of constant conflict."

Jesus said: “My people, you will see an increasing Muslim control in various cities, as their intent is to bring their law in control of communities, in open defiance of America’s laws. This same means of overpopulating their opposition is how they will be controlling many countries. The violent terrorists from these people are killing many Christians. A time is coming when My faithful remnant will need to come to My refuges for their protection. My angels will protect you and provide for your needs.”
Jesus said: “My people, there are two forces in the world that are trying to win converts to their side. Some of the violent Muslims are purposely trying to proselytize more terrorists to their cause here in America. In other Arab countries there is an ethnic cleansing of Christians who are being forced to turn Muslim or be killed. The Christians are not violent in their evangelization, but they are being confronted by people who want to kill them. Eventually, I will bring My victory over these evil ones, but you must be patient at My refuges of protection.”
Jesus said: “My people, evil will have its hour during the coming tribulation of the Antichrist. Because the evil ones will try to kill all of My followers, I will have refuges set up to protect My faithful remnant. Once I bring My victory against the evil ones, they will all be cast into hell. Then I will recreate the earth, and I will bring My faithful into My Era of Peace. This will be a reward for My faithful when there will be no more evil, and thou will be prepared for heaven.”

Friday, April 24, 2015:
Jesus said: “My people, I want you to open your ears and hear My Word of the Gospel. In My day some of My followers no longer stayed with Me when I asked them to eat My Body and drink My Blood. They did not hear and understand My words, as I spoke to them of a spiritual nourishment under the appearances of bread and wine. I have left My Blessed Sacrament with all of you to be received worthily without being in mortal sin. There is a transubstantiation of the bread and wine into My Body and My Blood at every Mass. Even as some of My followers could not accept My Real Presence in the consecrated Host, there are many Catholics today, who also do not believe in My Real Presence in My Host. My believers in My Real Presence, are My special people because

they give Me special praise and Adoration of My Blessed Sacrament at the daily Mass, and when they adore Me in front of My tabernacle. The apostles believed in My Resurrection because they saw Me, but blessed are My followers who have not seen Me in person, and still they believe in My Resurrection and My Real Presence."
Jesus said: "My son, you are praying prayers of reparation as if you are in your new chapel. There are different kinds of prayers, but you are praying for your country and the souls who will die during the tribulation who are not spiritually ready. This is why I must bring My Warning experience to all souls, so they have an opportunity to desire Confession for all of their sins, or repent however they can. I call people to make a decision to love Me as their Savior, and to repent of their sins, or face a judgment to hell. This is an eternal life decision that all souls must face. You are praying reparation for souls to make the right choice to repent of their sins. The more souls you can pray for, are the more souls that could be saved from a judgment to hell. This cause of saving souls from hell, should be your primary work as one of My disciples."

May 1, 2015
Saturday, April 25, 2015: (St. Mark the Evangelist)
Jesus said: "My people, the Church and I give approval of the Latin Mass and the Novus Ordo Mass. This Latin Mass is the same Mass which you attended for many years, but now you have the Mass in the vernacular of the language of each country. I still am very pleased with the reverence and holiness of My Latin Mass. The Mass is a blessing for you, and the gift of My Blessed Sacrament which you receive in Holy Communion, nourishes you and sustains you through life's trials. I only ask that you receive My consecrated Host without mortal sin on your soul, because you are receiving My Body and Blood under the appearances of bread and wine. In these Easter readings you are seeing the importance of sharing My Gospel message of My Good News of My salvation in My death and Resurrection. It is this belief in Me that I want My disciples to spread throughout the nations, making converts wherever you go. Souls can only enter heaven through Me, and all souls, who enter, need to repent of their sins and accept Me as their Savior and Lord over their lives. Following My Commandments and doing My Will the best that you can, is the holy life that I call all souls to lead. Give praise and glory to Me, just as My angels do

constantly. My son, give thanks to Me for your guardian angel, Mark, whose namesake is honored in your feast today of St. Mark the Evangelist."

Sunday, April 26, 2015

May 1, 2015

Sunday, April 26, 2015:

Jesus said: "My people, you remember when I asked St. Peter if he loved Me. St. Peter said: 'yes, I love you.' Then I told him to feed My sheep. I am the Good Shepherd, and I laid down My life for My sheep. I protect My sheep from the wolves and the demons in the world. I do not desert you in time of trouble, but I am always willing to forgive all repentant sinners. In another passage I do not want to lose even one soul. So I left the ninety-nine sheep in the desert, and i went out to find the lost sheep. Once I found it, I carried it upon My shoulder to join it with the other ninety-nine sheep. My sheep know My voice and they follow Me in all of My Commandments. Those people, who do not follow Me, scatter and are lost. My people, you have free will to choose to love Me or reject Me. There are consequences for your choice. My sheep I will gather into heaven, but the goats who reject Me, will find eternal suffering in the flames of hell. I call all people to come to Me so they can be with Me in heaven for all eternity. The evil ones will be judged to hell with all the demons, and they will never see My face. There is a great chasm between heaven and hell, so that those, who are in hell, cannot come across into heaven. I call on My disciples to help in saving as many souls from hell as they can."

Jesus said: "My people, My Church has had to fight off many heresies throughout the years. When you hear heretical statements against the teachings of My Church, you need to stand up and criticize them for their false teaching. You have the Catechism of the Catholic Church which is a repository of all things that are true according to the teachings of My apostles. There is a dramatic split coming in My Church between a schismatic church and My faithful remnant. This schismatic church will accept New Age teachings, and it will claim that many sexual sins will not be mortal sins any longer. These schismatic teachings will defy My Sixth Commandment and the teachings of Humane Vitae. My faithful remnant will protest and fight such teachings as heresies. If My leaders continue to teach heresies, then you do not have to follow their false and incorrect teachings. Eventually, this split in My Church will require My remnant to have their prayer groups and Masses in the homes. As the

Christian persecution increases, you will need to come to the safety of My refuges. When your churches start to teach heresies, you need to try and correct those in error. If the church leaders do not stop their heresies, then you need to leave that church. You all will need to follow only My true teachings, and do not be deceived by false teachings. Pray for discernment for the truth in what is taught in My churches. Avoid all heretical churches, and trust in the enlightenment of the Holy Spirit. I will protect My remnant from all evil and all heresies, especially at My refuges."

May 1, 2015

Monday, April 27, 2015:

Jesus said: "My people, I want you to give thanks to Me for all of these beautiful nuns who have dedicated their lives to serving Me, especially in prayer. Pray for these nuns that they continue on without losing their vocation. These nuns pray often in contemplative prayer, and I want to remind My Adorers to spend five to ten minutes in silent prayer, so you can be united with Me before My Blessed Sacrament. This monastery and all faithful monasteries, will be safe havens during the tribulation. Any food, water, and bedding will be provided by My angels, and multiplied for all those people who come here. I also want to remind My faithful to have their sins cleansed in Confession at least once a month. Only receive Me in Holy Communion with a pure soul, without any mortal sin. Keep close to Me in your daily prayers so you can show Me how much you love Me. I am the Good Shepherd, and I love My faithful, and I seek out lost souls to bring them into My sheepfold. Go out and evangelize souls in all the nations."

Jesus said: "My people, when I greeted My apostles in My resurrected Body, I said to them: 'Peace be with you.' Not long after that, I breathed on them with the power of the Holy Spirit. It was the gifts of the Holy Spirit that enabled My apostles to boldly proclaim My death and Resurrection. When St. Peter prayed with the Gentiles, he was amazed when they also received the gifts of the Holy Spirit. I was emphasizing to St. Peter in his three visions that I came to die for all souls, and not just the Jews. It is the laying on of hands that brought the gifts of the Holy Spirit on all the new converts. Even today, My people need to call on the gifts of the Holy Spirit in their own lives. In the early Church, and even now, it is necessary to make discernment about the teachings of the faith. Whenever certain beliefs in the faith are questioned, My people need to call on the Holy

Spirit to discern what is the truth of God, or any false doubts that Satan is using to cause division. When you are trying to do good works for Me, the devil will try and bring division to diminish your good intentions. Keep true to My teachings of My apostles, and do not let any heresies test your faith in Me. You have My Word in the Bible, and the Catechism to give you proper instruction as to what is true. Remember to challenge any attacks on the truths of My faith. Do not let the devil disturb your faith, but keep the faith strong by your traditional teachings of the faith with My help, and that of the Holy Spirit."

Tuesday, April 28, 2015

May 1, 2015

Tuesday, April 28, 2015:

St. Michael the Archangel said: "I am Michael and I stand before God. My son, I am coming to give you strength, and courage to speak out against a false teaching that you know in your heart and in what you were taught, is wrong. You have consulted with what the Church teaches in the Catechism, and truly I know beyond a doubt that hell is forever and eternal, because I was ordered by God to cast the demons into hell forever. This has occurred in the 'now' time of God before man and time were created. Whenever you hear statements against the teachings of the apostles, you need to speak out against it, even if anyone refutes what you are saying. Call on Jesus and the Holy Spirit to make a proper discernment, but you must defend the traditional Church teachings against any heretical statements. Your eyes have been opened to understand how diabolical influences can persuade good people to believe in heresies or false doctrine. Keep praying to Me for protection from these evil forces, and you can easily see clearly how the coming division in the Church will take place. It will be the faithful remnant that will be protected from the gates of hell, and any demonic teachings."

Jesus said: "My son, you are having your spiritual eyes opened to the effects of heresies on people's faith. I have given you My words in the Gospels, and you have a recent compilation of the truths of the faith that St. John Paul II put together in the Catechism of the Catholic Church. These truths are your authority from Me to disprove any heretical teachings that are being put out by different clerical authorities. After your experience today, you are realizing how close the great apostasy is in your time. There are many confusing statements and doubts coming into your hearing that have many demonic influences. Those people, who advocate traditional Church teachings, are coming under more attacks from

the liberal views in your current society. I have told you, if you hear heresies being taught in a church, then move on to another church. Soon you will see a schismatic church take over most of the churches. This is when you will need to have your prayer groups in the homes, and Masses by faithful priests. The next attack will come from your government, when they will close your churches, and Christians will be persecuted with even martyrdom. Once your lives are endangered, you will need to come to My refuges for My protection. Hold on to your faith with My help in your daily prayers. Repent of your sins in monthly Confession, and trust in My help to protect your souls from any heretical deceptions of the demons."

Wednesday, April 29, 2015

May 1, 2015

Wednesday, April 29, 2015:

Jesus said: "My son, you are seeing two heretical statements being mentioned in some magazine articles. The one statement was that hell is not eternal, and the other statement is that souls, who go to hell, will be annihilated or will no longer exist. Both of these statements violate My true Church teachings because hell is eternal, and the souls in hell will suffer the flames there for all eternity. If people hear these heresies from Church sources, they could be misled and think that there is no reason to fear My judgment to hell. This would make them think that there is no need for repentance. If there is no punishment for sin in My justice, then My death and Resurrection to save souls from hell would be meaningless. This is why these statements are heretical, and those people, who spread such false teachings, should be called heretics, and they should be held accountable for their errors. You can see how the spreading of doubts and heretical statements could risk souls to hell. Beware of such statements, that are heresies, because you do not have to follow them, no matter who proclaims them."

Thursday, April 30, 2015: (St. Pius V)

Jesus said: "My people, you are reading in the Acts of the Apostles how important it was for St. Paul to spread My Good News in the Gospels to the Jews and the Gentiles. I have died and resurrected to bring salvation to all souls who will accept Me and repent of their sins. I love all of My people, and all the

people need this opportunity of My grace of salvation, so they can hear and understand. There are only two choices for your eternal life in your soul. You either accept My gift of grace in My sacraments and repent of your sins to be saved, or you choose to ignore Me, or reject Me which will send you to the eternal flames in hell. Many people are deceived as they follow other gods and other heresies, but they risk losing their souls by not following the teachings of My apostles. My son, you are seeing more clearly, how important your mission is to alert My faithful to the lies and heresies around you that are misleading the people. Hold fast to My teachings in the Gospels and the Catechism of the Catholic Church, because this is My truth to follow, and not the lies, doubts, and heresies that you are hearing from various sources. I am the only **real authority, so listen to My words only, and do not be deceived by the devil or any heretics."**

Prayer Group:

Jesus said: "My people, when you come into a church, you are used to finding My tabernacle in plain sight, a large crucifix on the altar, and possibly some stained glass windows. Many traditional things give you more of a feeling that you are in a holy place of worship. Over the years many traditions and the Gospels were handed down to each generation. You are fortunate to have My printed word in your Bibles. In previous times, people had to rely on scrolls written by the monks. You can even use your electronic devices to know the exact words of the Scriptures, and find any subject. Follow My Word without allowing others to deceive you."

Jesus said: "My people, you rely on My priest sons to offer up Mass and to teach you properly in their homilies. They also are your spiritual leaders who offer Confession, and the sacraments. This is why your priests are needed, and you need to pray for them so they are not deceived in their teachings. Pray that they remain faithful to their vocations. They need to be good examples, so they could encourage other young men to become priests."

Jesus said: "My people, if you truly believe in My Real Presence, you will desire to be close to Me in daily Mass, and in your visits to adore Me in My tabernacles. My Blessed Sacrament is My very Presence among you, as I told you that I would be with you to the end of time. Give reverence to Me in My tabernacles as you kneel to honor Me. You also bow or genuflect when you receive Me in Holy Communion. Those, who are close to Me by frequent Confession, are given extra graces to fight off the demon's temptations."

Jesus said: "My people, just as you pray for good priests, you also need to pray

for those who are teaching your future priests in the seminaries. There are some modernism teachings that are coming into various seminaries that could mislead these new priests. Keeping faithful to My traditional Church teachings is becoming a problem for some seminaries that are going astray with heretical teachings. This is why these teachers need to teach properly by the guidance of the Holy Spirit. This is also needed for teaching permanent deacons the faith. Trust in My spiritual guidance for My people."
Jesus said: "My people, it is unfortunate that such abuse occurs by certain police actions, but it is the hate and riots that are stirred up by certain groups that continue these uprisings. There are some people who want to encourage race divisions so they can divide and conquer your government for a takeover. Beware of some evil ones who are encouraging such divisions."
Jesus said: "My people, you are seeing a persecution of Christians because they are standing up for My beliefs that your society, at times, does not want to hear. It is the protection of My faithful that will be needed at My refuges. This is why I am encouraging My refuge builders to make places of safe haven. You have heard this message for some time, but now you are understanding the true need of protection when your lives are in danger."
Jesus said: "My people, you have been reading of how the faith was spread by the teachings of My apostles and other missionaries as St. Paul in the Acts of the Apostles. Even today, there is a great need to evangelize people with My Word of love, and the blessing of the Holy Spirit. The apostles were able to heal people in both mind and body. My evangelists in the end times will also have healing gifts for the body and the soul. Call on the power of the Holy Spirit for healing gifts, even as you approach the feast of Pentecost."

Friday, May 1, 2015: (St. Joseph, the worker)
Jesus said: "My people, you are seeing how people get deceived when Satan portrays himself as an angel of light. He shows people beautiful, desirable, and pleasurable things to draw them into sin, when they do not realize what they are doing. These are the beginning temptations that you should be on the alert to discern what it is, before you are drawn into sin. The devil also tries to deceive you with half-truths and heresies, even if they are promoted by some religious people. If he can spread information with only 10% error in it, this gives him a

foot in the door to deceive good people. If you are uncertain if something is true or not, you need to consult My Word in the Bible and the Catechism of the Catholic Church. You test any teaching if it is in line with Scripture or Catholic teachings, and also test the fruit of any teachings. Good things will bear good fruit, while evil things will bear bad fruit. When you find heretical statements, stand up against them with your research in hand. If people refuse to believe you, then pray for them, but avoid listening to their teaching and warn others. It is this spewing of heresies that could endanger other souls to be lost to the devil. So be alert and question anything that does not seem proper, according to Apostolic teaching."
Jesus said: "My people, My Divine Mercy flows out to all of My faithful to sustain them against the many temptations of the devil. When you pray your Divine Mercy Chaplet before My image of the Divine Mercy, you have extra graces bestowed upon you for all that you do for Me. Your prayers and Masses are a sign of how much you love Me. I want My people to be faithful to their daily prayers because they are needed to counter all the evil in the world. As you see people dying, you can pray your Divine Mercy Chaplet for their souls. Trust in Me to help you through every difficulty that you will face. Those people, who are faithful to Me in this life, will see their reward in the next life of heaven."

May 20, 2015
Saturday, May 2, 2015: (Jeane Smith's Funeral Mass)
Jesus said: "My people, today you celebrate the life of Jeane Smith at her funeral Mass. She is happy to see all of you, and she is sorry that she had to leave you. She loves her husband and family, and she thanks her friends for coming to give their respects. Many of you are happy to be at your old church of Holy Name. Jeane is in heaven with Me, and she was grateful for the beautiful words about her. She will be praying for all of her family and friends, and she will be watching over you. Remember to call on her as a prayer intercessor."
(4:00 p.m. Mass) Jesus said: "My son, when you were out taking pictures, you were experiencing the beauty of My creation in the flowers, the flowering trees, and the singing birds. Spring is a beautiful season to see new life after a long, hard winter. Many of your plants are coming out a few weeks later than normal in your area. Today's Gospel speaks of Me as the Vine, and you are the branches. Some people do not realize that everything they have, has come from My gracious bounty of gifts. You are dependent on Me for all of your needs.

The important lesson of today is to learn about coming to Me in heaven, by asking the forgiveness of your sins, and performing good works to help your neighbor. Those people, who are selfish and ignore Me, are the branches who separate themselves from Me, and they will wither and be thrown into the fire of hell to be burned up forever. By following My Will, you will have your reward to see an even more beautiful heaven, with the constant singing of My angels."

May 20, 2015
Sunday, May 3, 2015:
God the Father said: "My son, I want to thank you for dedicating your chapel to Me, as well as your prayer group. This is a beautiful tribute in My honor, and you need to thank the people at the glass shop who did such a wonderful job for you. I will place My blessings over your work, and over all of those people who come to your chapel, and those in your prayer group. There are not too many people who give Me honor and glory as you have done in the naming of your chapel and your prayer group. Call on Me to help you in all that you do for Us. You have chosen some beautiful symbols in My burning bush, the Bible, the Alpha and Omega, and a statement of My Name: 'I AM WHO AM'. You have been asked to provide an interim refuge, and I will have My angels guarding your house, and they will provide you with My Son's Presence in Holy Communion during the tribulation. When you work for souls, We will bless your work in all that you do for Us. Trust in Our help to lead you and provide for your needs, and the needs of the people who will come to this house of prayer."
Jesus said: "My people, I am showing you this sign of the Great Wall of China so you know that there is an event coming that will involve China. The one world people have a plan for world control, and China is going to be the world's manufacturer. China also holds a large portion of America's Federal bond debt that backs up your money. The United States' currency has been the reserve currency for trade which is now being defied by many nations. Once China stops buying your Federal Bonds, and sells what they have, this will upset the currency of America, and you will lose your reserve currency status. America is also dependent on China to buy many goods in your stores, because of the greed of your corporations for cheap labor. Once your currency crashes, there will not be enough bonds to finance your government. This will cause chaos in your stock markets, and your goods and food will be hard to obtain. When your people stop getting their Social Security checks and their welfare checks, you

will see riots in the streets that will be a lot worse than what you are seeing now. Be prepared, My people, because a currency and stock market crash will precipitate a martial law that will begin a takeover of your country. Be ready to leave for My refuges when your lives are in danger, and when I will warn you to leave your homes for My refuges."

May 20, 2015
Monday, May 4, 2015: (Dorothy Holt Funeral Mass)
Jesus said: "My people, it is hard to see the loss of the matron of the family, who is the heart of the family. There are many memories of the family meetings in the kitchen, which is the center of activity. She is very much like your mother-in-law, who has passed as well. Dorothy loves all of her family dearly, and she will be praying for them. She was very faithful in coming to Sunday Mass, even when she had trouble walking. She is with Me in heaven with this Mass, and she was greeted by all of her deceased relatives. She will be watching over her family, so they need to be on their good behavior. She sends you all her love."
Jesus said: 'My people, you know how much I love the little children, and I do not want to see any harm come upon them. There are many abuses of children, and the worst is how the unborn babies are killed by abortion. These million abortions every year in America are calling down My judgment upon you, as you will lose your freedoms to the one world people. There are also cases where parents sexually abuse their children. Some children are abused in pedophile attacks by various people. Even child porn and other pornography are sold on the internet. Such sexual molestations can affect children in their later lives. These crimes should be brought to justice, as I have said that people who abuse My little ones should have a milestone put on their necks and be thrown into the sea. My justice will fall heavily against those who abuse My little ones."

May 20, 2015
Tuesday, May 5, 2015:
Jesus said: "My people, I am showing you how vandals will throw rocks through the stained glass windows of a church. The other scene is when some churches will be set on fire. The evil ones are going to persecute My churches by trying to frighten people away from Mass. The security for your churches will be threatened by those who are trying to close all the churches. When your lives

are threatened by these vandal attacks, it will be time to come to My refuges for your protection. The angels will protect My faithful at My refuges, and only those, who are marked with an invisible cross on their forehead, will be allowed in. Angels have already marked My faithful with this invisible cross, which will be visible at the tribulation time. It will appear that the Antichrist and his minions are taking over the world, but this reign will be brief, until I will bring My victory over the evil ones. Have faith and hope in My power, which is greater than all of the evil ones."
Jesus said: "My son, you are seeing your new doors boarded up to indicate that you will be in your chapel during the tribulation. The Christian persecution will show that the plan of the evil ones, is to cleanse or eradicate all Christians from the earth. This is the goal of Satan and the Antichrist. Your image of a small lamb with a shepherd's crook is an excellent drawing to have on your new altar. If you have a Mass on such an altar with this image, this idea of Me as the 'Lamb of God' is appropriate because I was offered on the cross for all the sins of mankind. I am the only worthy sacrifice that would be accepted by My heavenly Father to atone for all the sins of mankind. Once your construction of your chapel addition is done, then you will need to proceed with any needed furniture. Be patient for some inconvenience now, but everything is taking shape for what you have planned. Trust in My help and My messages for what you will be doing next."

May 20, 2015
Wednesday, May 6, 2015:
Jesus said: "My people, I have given you a large measure of time before the major events will begin. This is why I have delayed the Warning experience. In the vision I have shown you an hourglass with the last bits of sand running out. This vision is to warn you that your time is running out before these events will happen. The Warning is needed to offer an opportunity for all sinners to see how they have offended Me in their sins, and some will want to convert and be saved. Those people, who have had a near death experience, are repentant and desire Confession, or they want their sins to be forgiven. Once, I bring about the Warning experience for everyone, the major events leading up to the Antichrist's reign will occur rapidly. I have even mentioned before about six weeks of time after the Warning, will be the time for conversions. Those, who do not change their life direction, are risking being taken in by the Antichrist, and they could be

lost in the eternal fires of hell. I told you, My son, that you would be fortunate to have your chapel completed. Some major events and possibly a major war could happen this year of the last Tetrad blood moons. Time is urgent, and evangelizing souls will always be important, both now and after the Warning. Be prepared after the Warning, so you are ready to leave for My refuges on short notice."
Jesus said: "My people, it is not hard to see the effects of evil in your society. Your first indication of the devil's success is how many people come to Sunday Mass, which has been decreasing over the years. Another sign is how many churched people do not come to frequent Confession. Still another weakness is how few people are prayer warriors. The biggest attack of the devil has been his attack on the family, and getting souls occupied with all kinds of addictions. There is a high rate of divorce because people lack a sense of commitment and sacrifice. Even electronic devices have captivated many young people. He attacks priests and educated people with all kinds of subtle heresies to play with their minds, as some do not follow Church teachings. You also can see many abortions, fornication, masturbation, adultery, prostitution, and pornography which is running rampant among your society. Unless you take time to analyze the devil's attacks, you do not realize how many souls he controls. I have told you to hold on to your faith in Me by following My Commandments, and helping your neighbor with loving good works. Keep close to Me in your daily prayers, frequent Confession, daily Mass, and visits to My tabernacles. When you follow My Will and perform the things that I want you to do out of love for Me, your soul will find peace and joy with your personal love relationship with Me. You can help others by your good example, and working to evangelize souls who are away from Me. My faithful will have their reward in heaven, but those, who choose to ignore Me or refuse My love, are on the broad road to hell. So choose the narrow gate that will be more difficult against your body's desires, but your reward will be great in heaven."

May 20, 2015
Thursday, May 7, 2015:
Jesus said: "My people, during your daily lives, everything does not always happen according to your liking, and you can get challenged with the stress of handling your problems. It is hard to keep a calm temper during such trials. Different people have varied ways of handling stress. Some can take it, and

work out the problems, while others get frustrated with swearing or getting upset. It is best to size up problems, and try to resolve them without getting upset. Try first to pray for My help before you take on a difficult task. I am always ready to answer your requests. It is another struggle for some to contain any short-tempered responses, but prayer can help calm you down. Even if you have any anger situations, you can come to Confession for the forgiveness of your sins. Most problems can be solved with thinking out the solution, getting the right tools, or have someone help you with the skills that are needed. There can be some situations that are impossible to fix that you need to work around. Controlling your emotions over problem solving, takes time to work it out, but try to not lose your patience in these trials. You face different problems every day, so learn to do things a little slower, and with My help you will have your answer to your problems. Try to also incorporate more love in dealing with people during your trials, so you do not upset others. Everyone encounters these trials, but it is how you respond to situations that you have to control."

Prayer Group:

Jesus said: "My people, some people might ask why I allow people to be victims of various illnesses. All of you who are sick, are suffering the consequences of Adam's original sin in the weakness to sickness. In the vision I am showing you many chronic illnesses as cancer, diabetes, high blood pressure, and many back and knee pains. Your doctors can heal some illnesses, but the rest can only have mild relief of their symptoms. So when you pray for the sick, have compassion for what they suffer daily."

Jesus said: "My people, you have read many accounts of the people who I healed. People had to have faith that I could heal them, or I could not heal them, as in My hometown of Nazareth. When I prayed over people, I healed the soul first, and then any earthly illness. My apostles were empowered by the Holy Spirit to heal people. Even some of My faithful of today have healing gifts also through the Holy Spirit. When people come to My refuges during the tribulation, they will look upon My luminous cross, or drink healing spring water, and they will be healed of all of their illnesses. Trust in My healing power."

Jesus said: "My people, you have possibly seen family members die a labored and slow death in hospice care. Usually, they are cancer victims or stroke victims. It is hard to see your loved ones suffer in their last days, but you can visit them and support them. You all have mortal bodies, and you know one day that you will die from some earthly cause. This is why I ask people to come to

frequent Confession so your soul can be in a pure state, and you will be ready to meet Me in death whenever I will call you home to Me. Even as you see people dying, you can pray the Divine Mercy Chaplet to save their souls from hell. Keep praying for all of your family to help save their souls as well."

Jesus said: "My people, some of you could even have a sickness of venial or mortal sin that even could affect your physical health. This is why I call people to frequent Confession so your sins can be forgiven, and My grace can be restored to your souls. In serious addictions, demon possessions or obsessions, there is a need for an exorcism or deliverance prayers. You have seen accounts of how I called demons out of people. Your addictions have demons attached to them. You can pray the St. Michael prayer for deliverance, or a binding of evil spirits to the foot of My cross. Exorcist priests can help rid the demons. This is the battle of good and evil that you are seeing in today's world."

Jesus said: "My people, you have a beautiful sacrament of the Blessing of the Sick for people who could be seriously sick or near death. You call the priests to administer this sacrament to a dying person. If people are conscious, they could be helped by Confession to possibly save their soul on their deathbed. When a loved one is given these sacraments near death, you feel that this soul has been given a chance to be saved from hell. You would like to see all souls saved in this way, but sometimes people reject My priests. Pray for such souls to be saved, despite their reluctance to be prayed over."

Jesus said: "My people, when you come to people's funerals, not all of these souls come straight to heaven. Some holy souls and those who have had their purgatory on earth in sickness for a long time, come straight to heaven. Most souls, who do not go to hell, require some purification of their souls in purgatory by My justice to atone for the reparation due for their sins. You can pray for the souls in purgatory, and Masses are most beneficial for their souls. During life you can have a plenary indulgence on Mercy Sunday to take away any reparation due for your sins. This will give you less purgatory time to suffer."

Jesus said: "My people, you are celebrating My Resurrection in this Easter Season. I have told you that I am the Resurrection and the Life, and your goal is to be resurrected body and soul into heaven at the last judgment. I have conquered sin and death, and I offer salvation to all souls who accept Me into their hearts and souls. You need to seek the forgiveness of your sins, and accept Me as your Savior, and you will one day see My face without the affliction of death or sickness."

May 20, 2015
Friday, May 8, 2015:
Jesus said: "My people, I give each of you a special mission, but you need to say 'yes' to that mission by giving your will over to Me. Once you agree to follow Me by following My Commandments, then I can carry it out with your cooperation. By your Baptism and Confirmation you have been called to love Me and all the people, and to evangelize souls to help save them from hell. Some people may be willing to contribute to charities out of love for their neighbor, but sharing their faith with others is more difficult for most people. When your love for Me is strong, and you see how souls suffer so much in hell, you are drawn to share your faith so more souls can be saved from this eternal suffering. There are so many souls who are influenced by earthly things, that they are blinded in their search for being with Me in heaven for all eternity. Trust in Me and call on the Holy Spirit to help you achieve your special mission."

Saturday, May 9, 2015

May 20, 2015
Saturday, May 9, 2015:
Jesus said: "My people, you are born into this world, but you do not belong to the world. I have chosen you from the world, so you may go forth to accomplish your mission. I do not force My Will on anyone, but I desire that you love Me enough to give Me your 'yes' to your special mission. My son, you have been given another mission to provide a place of prayer and safe haven for My faithful during the tribulation. This is in addition to evangelizing souls for Me, and warning people to be ready to come to My refuges. You are about to complete the building phase of your interim refuge. Then you will need to furnish your chapel with an altar, a lectern, and chairs for the people who will come. You may need preparations for Mass, some Stations of the Cross, and books for the people to read and sing. I will help you with what you need for your chapel as you are ready."

May 20, 2015
Sunday, May 10, 2015: (Mother's Day)

Jesus said: “My people, today’s Gospel invites you to share in My love because I am perfect love. This love is even expressed in My Commandment of loving Me and loving your neighbor as yourself. You are living in a world that has little love, and your society focuses more on earthly things than on the things of heaven. When you love your spouse and family, this is a pure love of the people who are close to you. When you love Me, it is on a higher level which is a spiritual love for the One who died for your sins to be forgiven. I love My people so much that I want you to know you are living in My Presence at all times. I will never leave you, and I am always at your side to help you and hear your prayer requests. I shower each of you with My love, My grace, and My mercy. I only pray that you love Me and that you abide by My laws. You show your love and thanks to Me by your good works to your neighbor, and by your daily prayer life. When you experience My love relationship, you want to share My love with everyone. By spreading My love, you can counter all the hate and killings in your world. My faithful are beacons of light and love, and you diminish the darkness of sin and evil in the world.”
Our Lady said: “My dear children, today’s readings are all about love, especially for all the mothers and grandmothers. I am your Blessed Mother, and I bring you to the love of my Son, Jesus. At the foot of the cross my Son gave me over to St. John as his mother, and I became the Blessed Mother of all God’s children. The Scriptures and the prophets prepared the way for my Son’s coming. All the prophesies had to be fulfilled. I also bring you to the love of my Son in the Host of His Blessed Sacrament. Jesus is always present to you in His Eucharist. Give glory and praise to Him for all that He does for you everyday. You can also give your prayer requests to me, and I will intercede for you because He always listens to His Blessed Mother.”

May 20, 2015
Monday, May 11, 2015:
Jesus said: “My son, just as you read of St. Paul’s teaching of the people, I have asked you to spread My Word as well. Even if you are tested with health problems or travel difficulties, I want you to remain faithful to your mission of preparing My people for the coming tribulation. I will give you the grace and the power of the Holy Spirit to speak My words of love and comfort to My people. The people of faith need My words of encouragement to bear the struggles of life, despite the evil in the world. My people need to put their full

trust in Me that I will lead them and protect them for what is to come. You will see a Christian persecution where some people will be martyred, and the rest of My faithful will be protected at My refuges. You are preparing your place of safety that will be guarded by My angels against any evil ones. This time of trial will be shortened for the sake of My elect. So go forth to carry out your missions in full confidence of My help and My Presence by your side."

Tuesday, May 12, 2015

May 20, 2015
Tuesday, May 12, 2015:
Jesus said: "My people, the one world people have their plans for a takeover of America, but they do not control My Divine intervention. By My postponing the Warning, I am putting off their schedule for a takeover. I am allowing My refuge builders to have time to finish their refuges. The Warning will give every sinner an opportunity to repent and seek My forgiveness. I will also give people six weeks time for conversion after the Warning, and an opportunity to improve their spiritual lives. After the Warning, people will know that they can only come to heaven through Me. All sinners will know true right from wrong, and they will be more responsible for their sins that offend Me. The more information you have, the more reason you have to love Me. I am reaching out to save as many souls as possible, so My Warning will be a wake-up call in your life reviews. I am greater than all the evil ones, and I will be victorious over all of their plans. Evil will have its hour, but it will be brief before I cast this evil lot into the eternal flames of hell."

Wednesday, May 13, 2015

May 20, 2015
Wednesday, May 13, 2015: (Our Lady of Fatima)
Our Lady said: "My dear children, I am like a good mother as I watch over all of my children in your health problems, and your prayer requests. I love all of you, and I want you to be faithful to your daily rosaries. Your world is in a crisis of evil, and events will be accelerating this year, even as you are familiar with my messages at Fatima. My son, you have been given many messages about preparing refuges for a money crash, and a possible martial law. These safe havens will be guarded by God's angels, and you will be protected there. Be prepared, my children, for you will be seeing a serious evil time that is worse than you have ever seen. Trust in my Son's protection, and pray continuously

for the saving of souls from hell."
Jesus said: "My people, many of you are aware of a protracted drought in most of California. Over the years the average rainfall in California has been fifteen inches per year. In the last year or so, the rainfall has only been a few inches per year. There are weather making microwave machines both in America and Russia. They can be used to control the jet streams with standing high pressure areas to cause droughts, or standing low pressure areas that could cause rain and floods. It has been measured that a high pressure area has formed off the coast of California, and this has caused all the rain storms to go around this high. California has provided many fruits and vegetables for your country, but the farmers are having trouble getting enough water to irrigate their crops. This has resulted in water restrictions for California as the weather machines are causing this problem. The mountain snow that provides runoff water, is no longer present in normal quantities as seen in pictures of the mountains. It is a question why this drought is being forced on California, but it has an evil intention if it is to cut down your food production."

May 20, 2015
Thursday, May 14, 2015: (Ascension Thursday)
Jesus said: "My people, this scene of My leaving My apostles was a little somber because the apostles did not have the power of the Holy Spirit as yet. They would receive gifts from the Holy Spirit when the flames appeared over their heads. The apostles did not have a clear picture of what they had to do. Just as I left the earth, now My followers would have to carry on the mission of spreading My Good News of salvation. The apostles and St. Paul would be My missionaries once they received the flames of the Holy Spirit. You have been reading the Acts of the Apostles and how the early Church was formed, with Me as the cornerstone. Today, My believers are called on the same mission to spread My Good News to all the nations. You have been empowered by Me and the Holy Spirit in Baptism and Confirmation to spread the faith. You are to be My prayer warriors, and your first responsibility is to help bring your own family to Sunday Mass, and teach them the faith by your good example. Some of My faithful are even called to share their faith with others by traveling to various cities and countries. I brought the faith to My disciples, and now you all are sharing both your faith and finances to help build up My Church."
Prayer Group:

Jesus said: “My people, in just the last few weeks you have seen thousands of people killed from two major earthquakes in Nepal. Some also have died in a train crash, and still more in tornadoes in the Midwest. You have been having Masses of reparation offered up for the souls who die suddenly, and they may not have clean souls to meet Me at their judgment. I am asking you to pray daily for such souls that may not have anyone praying for them. I have told you that a constant flow of prayers could help save such souls from hell, especially if you pray the Divine Mercy chaplet at their death.”

Jesus said: “My people, the structure of your jet streams and your geography causes a higher number of tornadoes to form in the spring in the Midwest. You need rain, but some storms are more violent with tornadoes in them. Most people know how to get in a basement with sufficient warning, but most of the tornadoes do not hit big cities. These storms come quickly, and there is not always a lot of warning time. These tornadoes can cause serious damage, and have killed some people recently. Again, pray for the victims of these storms, and especially for those who are killed.”

Jesus said: “My people, you have seen some serious flooding in Texas where they have had heavy rainfalls. This is another natural disaster that could drown people when rivers overflow in torrents of water. It is hard to prepare for floods that happen quickly. Since these events can threaten your lives, the best advice is to come to frequent Confession, so your soul is in a pure state, free of sin. By being ready to die every day, then you will be ready to meet Me if you should die quickly in an accident or weather event.”

Jesus said: “My son, you have just seen over a thousand graduates at your granddaughter’s graduation exercises. Many of these graduates will be addressing how to get a good paying job in your current economy. You remember your own experience in trying to keep a good job. Sometimes it takes six months to a year to obtain a good job. You need to pray for these graduates to find work. Many students have to deal with paying off school loans, if their parents could not pay for the tuition. It is becoming more of a financial problem to obtain a degree in college because of the high tuition at your colleges and universities. Keep praying for the young people to get started in their life’s occupation.”

Jesus said: “My people of America are seeing a problem for families to find jobs that pay enough to provide food and other needs for their children. You are even seeing many young people staying with their parents until they could afford a house or an apartment. This means that the children may need more help from

the parents to get started with loans and living expenses. Continue to pray for your families and your children as you help them where you can."
Jesus said: "My people, novenas are powerful in helping you with any of your personal intentions. You are seeing how many prayers are needed for families and the children. You are also seeing many attacks on the family both from divorce and same sex marriages. Your society is falling apart because you are allowing your family life to deteriorate by your immoral actions. The family of a husband and wife should be the basic structure to bring up children in a loving environment. When you have so many single parent households, this is a sign of why your country's morality is being undermined by your sins of fornication, adultery, and prostitution. If you do not change your ways, America could fall to the one world people as your punishment."
Jesus said: "My people, My apostles were empowered by the Holy Spirit, as you will soon be celebrating Pentecost Sunday. Even in your Baptism and Confirmation, you are receiving the many gifts of the Holy Spirit. You pray the Sign of the Cross, and your Glory Be prayers that call on the Holy Spirit to help you in life both for your earthly and spiritual needs. Just as you call on Me and God the Father, you can also pray to the Holy Spirit to empower you with His gifts."

May 20, 2015
Friday, May 15, 2015: (St. Isidore, the farmer)
Jesus said: "My people, today's readings show you the contrast between what My faithful suffer on earth, and the joy they will have in heaven. Suffering pain in health problems or from persecution, is just a short time in life compared to an eternity of joy and love with Me in heaven. The suffering you have on earth can help make up some of the punishment in purgatory for your sins. Your earthly body is subject to health problems and your eventual death. Your life after death will be freed from the weaknesses of the body. Most souls, who do not go to hell, will need some purification in purgatory. Suffering in purgatory will seem worse for your soul body, but you may have people praying for you, as you pray for the poor souls in purgatory. Have some Masses requested in your will, or give instructions to your relatives. My faithful are promised to be with Me one day, and you will be ecstatic to comprehend My infinite love. Whatever suffering that you endure for My sake, will seem minor compared to eternal joy

with Me in heaven. So do not let any suffering or problems hold you down, because your spirit will be jumping for joy on the day that you come to Me forever."
Jesus said: "My people, this vision of a large hive of wasps and the thorny weeds in the grass, are a warning for people to avoid getting stung or suffering pain from the thorns on your skin. When you are outside, there are things in nature that could harm you. So you try to avoid any discomforts. In your spiritual life you can be harmed by sin or addictions. Avoiding occasions of sin is not always thought of because there is not an immediate pain if you make a mistake. Certain addictions may be hard to avoid once a habit has been established. People can get drawn into addictions without realizing it at first. Sinful actions can also be subtle at first, but your body's desires can cause you to sin, which could cause habitual sin to form. Even as you are smart enough to avoid painful things in nature, so you also need to be ever alert to the devil's temptations by avoiding any occasions of sin. Fortunately, you have My sacrament of Reconciliation which allows you to cleanse your souls of mortal and venial sin. My faithful should learn from their mistakes so they could avoid the same sin in the future. It is the sins that you commit most frequently that you should work on, so you can avoid them as much as possible. If you truly love Me, you need to avoid offending Me with any habitual sin. Pray for My angels to help you in any weakness to sin."

Saturday, May 16, 2015:
Jesus said: "My people, I gave you some inspirations during Lent to pray for the poor and now earthquake victims, and even the giving of alms. I know it is difficult to give to causes when you do not know how the money is distributed. Do not forget the poor, and do something positive to help them. You have some ongoing requests for donations, but you need to make the poor a higher priority in your donations. Do not be so concerned that you may not have enough money to pay all of your bills. I see to it that you have what you need, and I am using your financial help to assist the poor. Have more compassion for the people who have lost their lives and their homes in Nepal. Pray again for the souls who have died in these disaster. The more you give in prayers and donations for charity, the more you will be rewarded."
Jesus said: "My people, enjoy the availability of your fresh foods today, because

water shortages could make your food more expensive and harder to find. As the one world people try to take over America, you will see that you will be forced to have credit cards with chips in them by this year. All of your smart cards, and chips in all of your documents are all part of a plan for complete control of your people. The next stage of control will be mandatory chips in your body that would control you as a robot with no free will. This is why I keep warning you not to take any chip in your body for any reason. When such chips in the body, or the mark of the beast, become mandatory, this will be the time to come to My refuges. These evil ones will try to kill any people who refuse to take a chip in the body. This will be the beginning of the North American Union that will take away all of your rights when the Bill of Rights are cancelled. You could also see a possible bank failure that would precipitate martial law. My Warning experience for everyone has to occur first. Then you will have six weeks of time for conversions. This will be followed by events that will lead up to the declaration of the Antichrist as a brief ruler of the earth. I will warn My faithful when it is time to come to My refuges of safety. Trust in My power which is greater than all the plans of the evil ones."

Sunday, May 17, 2015:
Jesus said: "My people, you have just read of how Judas was replaced with Matthias to complete the twelve apostles. Judas betrayed Me, and he was an influence of evil at the beginning of My Church on earth. I have been warning you of a coming division in My Church between a schismatic church and My faithful remnant. You will see the beginnings of this division now, but after the Warning, you will see the two beasts of Revelation coming into power with the Antichrist and the False Prophet. There will be a Christian persecution that will close the remnant churches, so you will have to have services in the homes. After the Warning, the major events will occur that will endanger your lives. At this point I will warn My faithful with an interior message that it is time to come to the safety of My refuges that will be guarded by My angels. Have no fear because I will bring My victory over the brief time of the Antichrist. Then I will bring My faithful into their reward in My Era of Peace, and later into heaven."

May 20, 2015

Monday, May 18, 2015: (St. John I)
Jesus said: "My people, you have been preparing for the coming of the evil of the Antichrist in the tribulation for many years. All of your preparations are about to be vindicated as you will be coming to My refuges. All of My refuge builders have been working hard to have their places ready to receive My faithful at both the interim and final refuges. Without My help and the angels, all of My faithful would be killed by the evil ones. But you have My promise of protection during the tribulation. Some will be martyred, but they will become instant saints in heaven. During this brief reign of evil, at My refuges I want My faithful to hold a constant vigil of prayer for souls in front of My Blessed Sacrament. As in the vision, you will need a constant flame burning in your vigil. The evil time will come after My Warning. Once I bring My victory over the evil ones, you will blow out this vigil candle, and be ready to enter My Era of Peace."
Jesus said: "My son, you have been patiently waiting for your kitchen and chapel to be done, while having to live without cooking on a stove. You will need to clean up all of your furniture and the contents from your old cupboards. Once you are back to a normal household, do not lose your focus on making your place a refuge for people to stay and eat. You will need your new space for tables, chairs, and some bedding. You are securing an altar, and you will need places for books and vestments. I will be giving you instructions as you go along. You have obtained some beautiful things, but keep focused on your prayers, and a place for future services and prayer meetings. You will need books for Mass and singing. Have some Bibles with notes on where to find the readings for Mass for the three cycles. You will need a lectern and some stands to store things. I am asking you to keep focused on this second mission because your time for preparation is short."

May 20, 2015
Tuesday, May 19, 2015:
Jesus said: "My people, you remember when I met the woman at the well, and I told her that I could give her 'Living Water' so she would not have to keep drawing water from the well. I told her about her life, and when the town's people heard My words and saw My miracles, they too believed in Me. This vision of 'Living Water' coming forth from the Light of God, is how I bring God the Father and the Holy Spirit to all of you who are worthy. I call My people to

come to frequent Confession, so you can keep a pure soul, worthy of receiving Me in Holy Communion. The Three of Us in the Blessed Trinity are brought to you as 'Living Water' every time you receive Us in Holy Communion. In St. John's Gospel I told you: 'That whoever eats My Body and drinks My Blood, will receive eternal life.' Receiving Me in Holy Communion is your spiritual nourishment, and you can only come to heaven through Me. I am always Present to you in My Blessed Sacrament, and you give glory to Me in your prayers and your visits to My tabernacle. Keep close to Me with a pure soul, and you will be ready to meet Me at your judgment."

Jesus said: "My people, there are some people who believe a world government should run everything. These people are quite naive to think that other people are going to take care of them. The one world people worship Satan, and they carry out his evil orders. These people are the money people behind the forming of the European Union and the North American Union. They want to control everyone with chips in the body. They are not just satisfied with controlling people with chips in their charge cards, passports, and drivers' licenses. These evil ones want to control your free will as a robot with chips in your body. Avoid taking any chip in the body for any reason, and do not worship the Antichrist. This computer chip in the body is the mark of the beast that the Antichrist will try and use to control people's minds to do his bidding. When these evil ones declare mandatory chips in the body, this will be a sign to come to My refuges. This world government will control your body, if you take the chip in the body, so you would be in a hypnotized state. These evil ones will try to force everyone to take a chip in the body, and they will try to kill those people who refuse to take it. This is why I am having My faithful build interim and final refuges to protect them from the evil ones. At the Warning, I will tell people not to take chips in the body, and not to worship the Antichrist. I will also warn My faithful that they will need to come to My refuges to be protected from those people who are trying to kill them or persecute them. Fear not these evil ones because I am stronger, and I will bring My victory over all of them. It will be hard to live a rustic life at My refuges, but everyone will be helping one another to survive and use your individual skills. Bring the tools of your trade to help those people at your refuge."

June 4, 2015
Wednesday, May 20, 2015: (St. Bernardine of Siena)
Jesus said: “My son, I thank you for all of your preparations that you have been patiently enduring while the workers fix up your new chapel and kitchen. You have been asked to provide an interim refuge, and I have provided you the funds and the people to help carry out your mission. Today, people are comfortable in coming to their churches. Little do they realize that your churches could be closed very quickly, once the evil ones are given their hour. Then My faithful will need to come to My refuges where My angels will protect My people. Only My faithful, who have crosses on their foreheads, will be allowed into My refuges. The evil ones will not be able to enter. At My refuges you will have altars for Mass, and you will also have perpetual Adoration of My Blessed Sacrament. Not only will water, food, and bedding be provided, but you will have daily Holy Communion from a priest or My angels. The evil ones want to kill all Christians. Some will be martyred, but the rest will be protected by My large angels at each refuge. My angels will not allow any harm to come to My people. I will multiply all of your food, and even more dwellings, if necessary. Have trust in My protection because the evil ones have no power over Me or My angels. If you are attacked by evil, call on Me and My angels, and we will come to your rescue. I will not leave you orphans, but have faith in all of My words of prophecy.”
(Funeral Mass for Gerald ‘Jed’ Hanna, Sr.) Jesus said: “My people, Jed has left his loving family, but he is now part of another family in heaven. He loves his dear wife and all the children, and grandchildren. He will be watching out for them, and praying for them. It was difficult to suffer through the years after his stroke, but it allowed him to do his purgatory on earth. It is always sad to say good-bye to a loved one, but passing on is a part of everyone’s life. It is a tribute to him in how many came to the funeral Mass, and the words spoken about him were very touching about his life.”
Jesus said: “My people, I am showing you a grandfather clock with the hour and minute hands moving fast around the clock. This is another sign for you that time is getting short before some major events will start happening. It is another indication that I am speeding up the time so the tribulation will be shortened for the sake of My elect. You have had many years of messages to prepare for the end times, and now you are seeing many signs that it is approaching quickly.

Many souls are not spiritually ready to face the evil of the Antichrist. This is why I will bring My Warning to all souls to give everyone one last opportunity to repent and be saved. Even now, My faithful can come to frequent Confession so their souls will be pure, and they will have less to suffer at the Warning. When you come to Me, face to face, you will have to account for all of your unforgiven sins, and you will have to make reparation for your sins. By keeping a pure soul and receiving your plenary indulgence for Mercy Sunday, you will have less to suffer when you see the state of your soul in My eyes. You also need to be prepared to leave for My refuges of protection. If you are a refuge builder, you need to make your last preparations to receive the people who will be coming to your place of safe haven. Trust in My love, My forgiveness, and My protection."

June 4, 2015
Thursday, May 21, 2015: (St. Christopher Magallanes)
Jesus said: "My people, you have St. Paul in the readings who was willing to proclaim My Gospel and My Resurrection from the dead. He is one of My most courageous missionaries who was responsible for converting many Gentiles to the faith. He was a Pharisee, until he had a miraculous conversion, when I asked him to stop persecuting Me. He is a good model for you to speak out about My Gospel, so you can convert souls to the faith, and they may be saved from hell. My son, you also are being called to speak out on My behalf to convert souls to the faith, and to prepare the people for My coming Warning, and the time of tribulation. You have been given several messages that this time is growing short before these events will take place. So you need to take courage as well, and continue to speak out in My Name that the people need to repent and be saved, before it is too late when the evil ones will be allowed to take power."
Prayer Group:
Jesus said: "My people, your government has printed Federal Notes for circulation for many years, and it prints these notes with no gold backing. What is not seen, is the printing of a lot higher denomination bonds or Treasury Bills. You have almost $18 trillion dollars as a national debt, and over $56 trillion in liabilities for Social Security and other obligations. It is the quadrillion dollars of derivatives that are gambles by your bankers that will be backed by the depositors of the banks and the taxpayers. Your financial system is about to crash when interest rates are raised. When the dollar and your markets crash,

there will be chaos and killing in your streets, when people are looking for food and water. This will be when My people will need to come to My refuges for food, water, and protection."
Jesus said: "My people, I will bring about My Warning experience before any events that will endanger your lives. I have given you messages before that martial law will be precipitated by a money crash, a pandemic virus, and terrorist activities in multiple cities. This financial crisis will come as interests rates rise, and the derivatives fail. You will also see a pandemic virus that will kill many people. You will also see continuing terrorist activities from the drug dealers, and jihadist Moslems. This martial law will be the end of any normal government, and you will be in a police state with no rights. This will also be a time to come to My refuges."
Jesus said: "My people, I have warned you about the coming mark of the beast, that will bring a mandatory chip in the body which will control you like a robot, if you take it. Refuse to take any chip in your body, even if the authorities threaten to kill you. In your Warning experience, I will warn people not take any chip in the body, and not to worship the Antichrist. This again will also be the time to come to My refuges."
Jesus said: "My people, you have seen a persistent drought in California, and there are some scientists predicting a major water shortage in a good portion of the West. This could cause a strain on your food supplies with higher prices. In addition, you will see people forced to use chips in the hand to buy any food. Again, avoid taking any chip in the body, and you will need to come to My refuges for My multiplication of your food. Such a famine and food shortage will be a big need for My refuges. People need to store some food as this famine will spread."
Jesus said: "My people, you will be seeing a schismatic church take over most of the churches, as My faithful remnant will have to come to their homes for prayers and services. The schismatic church will teach New Age and that sexual sins are no longer mortal sins. The faithful remnant will teach My true Gospel of My apostles. You will need to leave these heretical churches for your safe havens of My true teachings. Eventually, again you will need to come to My refuges to avoid being influenced by Godless churches."
Jesus said: "My people, because of all of the evils of the previous messages, My faithful will be directed to My refuges to save their souls from any influence from the Antichrist and the False Prophet. My angels will protect you at My refuges from any evil plans of the one world people. You will have My

luminous cross heal people when they look upon My cross at My final refuges. At interim refuges you will be healed by drinking spring water or holy water. You will be praying more and adoring My Blessed Sacrament. You all will be working together to provide for your survival. I will provide for all of your needs, and My angel protection at My refuges."
Jesus said: "My people, I have promised you that I would bring My victory over the Antichrist and the demons. All the evil people and the demons will be cast into hell. Before the comet strikes the earth, I will raise up My faithful into the air so they are not killed by the comet. I will recreate the earth and bring My faithful into My Era of Peace, and later into heaven. Rejoice, My faithful, and be patient for you will soon have your reward for being faithful to My Word."

June 4, 2015
Friday, May 22, 2015: (St. Rita of Cascia)
Jesus said: "My son, you know that during the tribulation, you will not have your normal services to your house, like electricity, water, and natural gas. This time when you have not had a stove or appliances, represents a little of the rustic life that you will be living in the tribulation of the Antichrist. Be prepared to have your water, food, and your fuels multiplied for those people who will be living at your place. My angels will protect you from the evil ones, but you will need to wash dishes and clothes without electricity. All of your needs will be provided, along with your bedding, but everyone will have to help each other for your physical survival. You will have your altar and perpetual Adoration in your chapel. You will be praying more without your electrical devices, and no communications from your cell phones. Your tribulation time will be shortened so you will have less to suffer. Trust in My power and My protection, and I will help you through any difficulties."
Jesus said: "My people, I want My refuge builders to be prepared to have Mass, if you have a priest. This means you will need to stock some small and large hosts along with some cases of altar wine. My faithful need to be centered around My Eucharist, which is your spiritual nourishment, and it is much more important than physical food. If need be, you could survive entirely on My Host alone. At My refuges I want you to set up a chapel where you can have perpetual Adoration, with at least two faithful people taking turns every hour to adore and worship Me, as My saints and angels do. My Eucharist is the center of your lives

at Mass and when you adore Me at My tabernacles or in front of My monstrance. My Real Presence is with you at all times, until the end of this age. You are having a reunion of My faithful, so you will all be strong in carrying out your own individual missions for the end times. I am showing you now how to prepare your refuges to provide food, water, and bedding for your people. Trust in My power and My leadership to have the Holy Spirit enlighten you to evangelize souls so they can be saved from hell. After you endure this coming trial, you will all be rewarded in My Era of Peace and later in heaven."

Saturday, May 23, 2015

June 4, 2015
Saturday, May 23, 2015:
Jesus said: "My people, remember that you are in the world, but you are not of the world. It is I who have chosen you, and not you who chose Me. I have a mission for each soul, but only when you give your will over to Me, can you carry out My mission. I give each person specific talents that are unique to you, and these talents are given to carry out your mission. You are the only one that is equipped to carry out that mission. I love all souls in the world, even those souls who reject Me. I know in your human weakness that you are liable to sin, so I am willing to forgive all repentant sinners. I call you to be like little children in your hearts, so you can have true humility and be given the grace to seek My forgiveness of your sins. You need to accept that you are sinners, and you are in need of coming to Me in My sacrament of Reconciliation at least once monthly. By keeping your soul pure, you can be worthy of receiving Me in Holy Communion. Your whole world is in need of repentance, but the people first need to be converted by My evangelists and My prayer warriors. My faithful need to continuously reach out to convert souls and invite them to come and believe in Me with their whole mind, their whole heart, and their whole soul. Once a soul is laid bare to its sins in My eyes, only then will the soul desire My forgiveness of his or her sins. This grace of faith is a gift that I offer to everyone who wants to be saved with Me forever. Give up your worldly desires, and only desire to love Me, and your neighbor as yourself. Call on Me to protect you from the devil's temptations, and do everything out of love for Me. Then you will be fulfilling the mission I gave you because you gave Me your 'yes' to follow My Will."
Jesus said: "My people, every time that you see a tomb, you should think of how

one day, you will be passing through this shroud into your own death. Do not be afraid to die, because all of you will be joined with Me in judgment. Be prepared with prayers and a pure soul in frequent Confession. I love all of you, and I do not want to lose even one soul to the evil one. This is why it is so important to evangelize souls, and pray that all the souls in your family will not see hell. Keep close to Me at all times so I can guard you from any occasions of sin."
Jesus said: "My people, your fresh water that is delivered to your house, will soon run dry in many Western states. You are seeing a time when your rainfall has been falling gradually below normal levels. The farmers and the people in their homes have been draining your lakes, rivers, and well water for many years, but it is not being replenished enough by your rainfall or snow. This will become a severe problem in the West where there are fewer sources of water. You have the possibility of having a need for large scale desalinization plants along the ocean that could use membranes to make potable fresh water. This could provide drinking water and smaller amounts of expensive fresh water. Your water bills will get more expensive, and your fresh fruits and vegetables will also increase in price. The food and water which you have taken for granted for many years, will becoming harder to find at a higher price. You are going to realize how these basic commodities are so valuable now, and at your future refuges. I know your physical needs for your survival, and I will multiply these things when they are needed at your refuges. Give thanks to Me for all that I do to provide for your every day needs."

June 4, 2015
Sunday, May 24, 2015: (Feast of Pentecost)
The Holy Spirit said: "I am the God of love, and I am One with God the Father and God the Son. When you receive Holy Communion worthily, you receive all of Us in the Blessed Trinity. You have honored God the Father and Jesus in your chapel, but it would be fitting to also honor Me as well. I would like one framed picture of the Baptism of Jesus in the portrayal of the Blessed Trinity, a picture of a Dove, and a picture of My flames that appeared over the apostles and the disciples. It would please Me if you placed this combined picture in your chapel, and take it to your prayer group meetings. You know how I inspire you in writing your messages, and in helping you to evangelize souls in your speaking engagements. I reach out to touch all souls to know Jesus, even those souls who

have fallen away, or those souls who have never known Jesus. Remember Me in the Sign of the Cross, and your Glory Be prayers to the Blessed Trinity. Some people may forget about Me, but I bring you My gifts every day as My blessing. When you pray to any Person of the Blessed Trinity, you are praying to all of Us, because We are One in a mystery that is difficult for you to understand. Call on all of Us every day to help you to bring souls to the faith, so they can be saved from hell."

Monday, May 25, 2015

June 4, 2015
Monday, May 25, 2015: (Memorial Day)
Jesus said: "My people, today you are remembering all the soldiers who died in fighting for your freedoms. It is sad when you know that the one world people have encouraged wars for their own financial gain. You actually are losing many of your freedoms because of your poor leaders. When your people of America turn your backs on Me, and you continue your abortions, euthanasia, and same sex marriages, then you will reap the consequences of your sins. It is your divorce and living together in fornication without proper marriage, that is destroying your families. It is living in your sinful lifestyles that is offending Me in your sin. Where is your love for Me and your neighbor? Without having Me as the center of your lives as a nation, America will surely fall from within. Keep praying for your family members to turn from their evil ways, and repent of their sins. Without the forgiveness of sin, these souls are on the road to hell in My justice. America needs to wake up spiritually to see My Light, or your country is lost."
Jesus said: "My people, your soul is your most valuable possession that you have, and I am your most valuable friend that you could have. Your goal in this life is to seek heaven by coming to Me for the forgiveness of your sins in Confession. Your next goal is to share My love with others, so you could convert their souls, and save them from hell. The kingdom of heaven is like a precious diamond that you would sell all that you have to buy it. I love all of you so much that I died on the cross to offer salvation to everyone. I want you to love Me also, and you can show it in your prayers and in your good deeds for your neighbor. If you do everything out of love for Me, then I will see your good intentions in your heart. Keep focused on Me and never forget Me."

Tuesday, May 26, 2015

June 4, 2015
Tuesday, May 26, 2015: (St. Philip Neri)
Jesus said: "My people, when I make a person's body and soul, I throw away the mold because each of you are made different with your own set of talents that are unique from anyone else. You need to acknowledge that I created you with the use of your parents in the creation process. Even when you have your own children, you are united with Me in bringing another soul and body into the world. You are all a part of My human family, and I give a call to you to 'follow Me' in whatever vocation you choose. I do not force My love on anyone, but you all hear My call to your mission in life. There is always a cost to follow Me, and it means you are giving up your own free will and earthly desires to follow My Will. Choosing a spiritual life of working with Me in all that you do, can be difficult when I take you out of your comfort zone to help people. Yet, you will have your reward both here and in heaven. My apostles left their livelihoods, and followed Me immediately without looking back. You are answering My call when you accept Me as Lord and Savior over your life. When you follow Me in My requests, you are in harmony with My Will, as all of nature is in harmony with Me. You are called to love Me and your neighbor, and your reward will be great in heaven."
Jesus said: "My people, water was freely flowing in the Garden of Eden, but now your weather is more erratic with floods in Texas and droughts in California. Your water is becoming more of a concern, as many of your lakes are drying up or going down. Those of you who live near the Great Lakes, or on large rivers, are fortunate to have enough water to drink and bathe. Other places are limited in water, and are on water restrictions. You are seeing a need to store some food and water for the time of famine that is coming. The distribution of food will be limited when you will need a chip in the hand to buy it, but do not take any chip in the body. Your refuges will need to stock up on food and water, so it can be multiplied for those who come to My refuges. Trust in Me to provide for your needs, even during the time of tribulation."
Mass intention for Joan Sadie Allen (Kathy's mother): Jesus said: "My people, even though Joan may have had some different ways about her, she still was the mother of her children. You need to respect her for bringing up her kids. Deep down she had love for her children, despite her actions. I know there was some concern for her soul, but the family's prayers have saved her. She will be in

purgatory for awhile, so she could use your Masses and prayers. Many souls have been saved from hell because of the prayers from the prayer warriors in the family."

Wednesday, May 27, 2015

June 4, 2015
Wednesday, May 27, 2015: (St. Augustine of Canterbury)
Jesus said: "My people, you need to be watchful of any earthly desires of pride, greed, or fame in your lives. St. John and St. James had a spiritual pride in wanting to be on My right and My left in heaven. I know they were willing to suffer for Me, but I told them it was not My decision for where My heavenly Father wants to place people in heaven. I ask people to strive to be holy, so they could come to the higher levels of heaven, but it is My heavenly Father's choice as to what level people will be brought in heaven. On an earthly level, there are prideful people who want to have higher social status and better paying jobs. When someone has good fortune by inheritance or hard work, you should be happy for them, and not envious. You also should not look down on people because they are poor, or of another race. Each person deserves your respect, without discriminating people because of their background or social status. Every soul is equal in My eyes, and I do not show any favoritism. You need to love everyone as I love everyone. Do not be seeking money or possessions so you can be better than someone else. All of these earthly things will pass away, so it is better to store up treasure in heaven than being concerned about accumulating money and possessions on earth. Your earthly fame will also pass away quickly, so do not waste time on desiring to be famous. Work to love Me and your neighbor, and when you do things for My Name's sake, you will receive your reward in heaven."
Jesus said: "My people, I have told you of the coming time of Christian persecution, and you are even seeing Christians being beheaded in Arab countries. In America you are seeing a breakdown in your society, where following My Commandments is not even a thought in many people's minds. Some people do not want Christians telling them that they are living in sin, because they know this is the truth. Instead of repenting of their sins and changing their ways, your society is persecuting the Christian messengers because they do not want people telling them how to live. Even if you are criticized for evangelizing souls, you need to spread My Good News because

you may be the only person that is speaking about Me and My salvation of their souls. Your goal is to save as many souls from hell as you can. You do not want to see any family members, or anyone suffer in hell for all eternity. Even if people threaten your lives, you need to remain faithful to your belief in Me, and fight against any heretical statements against Me. There are false prophets and even clergy that are teaching heretical beliefs. You need to stand up against such heresies, even if you will be criticized for being supportive of the apostolic teachings. Those faithful, who suffer persecution for My Name's sake, will be rewarded for taking a strong stand."

June 4, 2015
Thursday, May 28, 2015:
Jesus said: "My people, you take your sight for granted, but imagine if you were the blind man, as in today's Gospel. Bartimeus had faith that I could heal him, so I answered his request in allowing him to see. You may see physical things clearly, but sometimes people are spiritually blind because they do not believe in Me by faith. Faith is a gift, and when it is granted, truly that person will now see with the eyes of faith. When you believe in Me, you know that I can do the impossible by man's limitations. Open your eyes and hearts, because I can answer all of your requests in whatever is best for your soul. You know how much I love you, and My faithful want to share My love with those who need to be converted or re-converted. The Holy Spirit will give you His gifts to help speak the words which are needed to bring people to believe in Me. Rejoice in My love, and rejoice in sharing My love with others. Every soul that you bring to Me in evangelization, is one more soul who will be saved from hell."
Prayer Group:
The Holy Spirit said: "I am the God of love, and you have just celebrated My feast day on Pentecost Sunday. I have asked you to have a picture of a Dove over Jesus in His Baptism, and a scene of the tongues of fire over Jesus' disciples. These images of a dove and the tongues of fire, help you to understand My Presence in My gifts. I thank you for answering My request. You have the three Archangels displayed on the altar, and now you have the Three representations of the Three Persons of the Blessed Trinity. Jesus is seen in the Divine Mercy picture. God the Father is represented in the scene at Mt. Tabor. The Eternal Father is also the name of your prayer group. Now, you have

My representation in the Baptism of Jesus, and in My descent upon the disciples as tongues of fire."
Jesus said: "My people, some churches are very plain, and you do not always find a large crucifix, or My tabernacle in plain sight. The statues and pictures of the saints help you to remember their lives, as they are models to live your own lives. Many people pray the rosary, and special prayers to their favorite saints. Keep close to Me and live holy lives, as My saints have done."
Jesus said: "My people, you have many beautiful traditions that make you feel that you are in a real church. My first tradition is that you know that I am Present in My Hosts in My tabernacle. It is My Real Presence that sets your Roman Catholic churches apart from other churches because of My Blessed Sacrament in your tabernacles. Another tradition is to have a large crucifix on your altars so you never forget how much I love you by dying on the cross for your sins. Some churches have statues of Myself, My Blessed Mother, and St. Joseph to remember the Holy Family. You may also see other saints that may be the namesake of that church. You should see confessionals where you can come to the priests for the sacrament of Reconciliation, which you should visit at least once a month. It is your many traditions that keep you close to Me in your faith in My love."
Jesus said: "My people, this season of Ordinary time is a long time until you get ready for Advent. During Lent you were fasting and giving alms along with your penances. You can fast and give alms throughout the year so you do not grow cold in your faith to Me. The feast days and the various holy seasons give you more to think about in your daily walk in faith. This is why I do not want you to grow complacent in your faith during this long time of Ordinary time. Keep close to Me in frequent Mass, daily prayers, and monthly Confession. By keeping Me at the center of your lives, you will be more focused on doing everything for Me."
Jesus said: "My people, it is sad for Me to see so many of My people receiving Holy Communion when they have mortal sin on their souls. These are sacrilegious receptions of My Host, and these people are adding more sin to their souls. I am happy that people are coming to church, but they need to examine their consciences and come to Confession if they are committing mortal sin. There are many couples who are not married, and still they live a life of sin in fornicating. Other people are sinning in adultery, and even using birth control devices, vasectomies, or tubal ligations. People need to learn their faith in what the Church teaches about sexual sins. These sins bring more souls to hell than

any other sins."
Jesus said: "My people, you are witnessing some actions that are stirring up racial tensions, and even terrorist activities designed for a takeover of America. Various government preparations for martial law are giving signs of their coming intentions. Even as the evil ones prepare for a takeover, I am having My refuge builders prepare for when you will need to come to My safe havens during the tribulation. These builders are storing up food, water, and bedding for when these things will be multiplied for those who come to My refuges."
Jesus said: "My people, it is difficult to remain in a state of readiness for so many years when nothing is happening right now. You remember when someone asked if the Warning was ever going to happen. My answer was 'Believe it'. I do not give dates of these things, but you can read the signs of the times as evil is getting worse. You know that only by My Divine intervention will man ever change his heart. My Warning is getting close, even though you have heard these words for some time. The evil ones are planning for a martial law, but it will not happen until My Warning gives everyone one last opportunity to be saved."

Friday, May 29, 2015:
Jesus said: "My people, you can appreciate My dismay with the money changers who were taking advantage of the people with their cheating in My Father's house of prayer. This is why I turned over their tables and chased them out of the Temple. This is one violation to the Temple, but today and soon, you will be seeing worse things in My churches. You will see My clergy teaching heresies and misleading My people. Eventually, the leaders will be teaching New Age precepts of worshiping things, and not even worshiping Me. The schismatic church will divide My Church, as they will claim the sexual sins are no longer mortal sins. You have seen some priests even teaching that hell is not eternal, which is a heresy. My faithful remnant will have to have services and prayer meetings in the homes, when the churches will be taken over by the schismatic church. This is one of the reasons that I have asked you to have your own chapel, as it will become an interim refuge during the tribulation. If the money changers dismayed Me, you can imagine how I will feel about My clergy who will be misleading the people with their lies and heresies. Those people, who

could bring souls to hell, will face a severe judgment for their actions. Be prepared, My son, for what evil will be coming upon you, but have no fear because I will protect you."

Saturday, May 30, 2015:
Jesus said: "My people, the Jewish leaders were always questioning My authority, and how I could perform miracles. I did not want to reveal My true identity as part of My Messianic secret. So I posed another question to them about St. John the Baptist, if his Baptism was from heaven or from men. Since they did not want to answer Me, then I did not answer them. This incident happened after I had chased the money changers out of the Temple. I spoke to the people and these leaders in parables, so they did not understand My true purpose. Later, I would explain the parables to My apostles. In essence, I received My authority from God the Father, who sent Me, but this would be revealed later when I spoke plainly before I was crucified. Another reason that the Scribes and Pharisees questioned My authority, is because My miracles and My teachings threatened their own authority over the people. They saw many people believe in Me, especially after I raised Lazarus from the dead. This is why they wanted to kill Me, so I could no longer lead the people away from their control. Even today, Christians are being persecuted because the sinners do not want their sins exposed, and they want to silence any criticism. They will want to kill My faithful because they do not want people telling them how to live holy lives, since they love their sins more than Me. Despite any persecution, My people need to warn sinners that it is necessary to repent and be converted, in order to be saved in heaven."
Jesus said: "My people, I want to emphasize to you that hell exists, and the evil demons exist. I made hell originally for a place of punishment for the bad angels who would not serve Me. Hell is eternal, and there are souls who refuse to serve and love Me. They condemn themselves to the eternal flames of hell as well. You have My Commandments to love Me and your neighbor. In order to enter heaven, a soul needs to repent of its sins, and accept Me as Lord and Savior of its life. Even on earth you have punishment for crimes against others. I am infinitely merciful, but I am infinitely just as well. If the devil or certain faiths can get you to believe that there is no punishment for sin in hell, or that the

demons to not exist, then these evil ones could cause you to be lost forever in hell. I call people to love Me, but I do not force My love on them, because I want them to love Me of their own free will. When Adam and Eve sinned, they were punished with death, sickness, and the need to work for a living. You all are weak to sin, but I came to the earth to sacrifice My life to atone for all of your sins. I offer everyone salvation, if they accept Me and seek My forgiveness. If there were no punishment for sin, then I would not have died to save souls from hell. In conclusion, there is an eternal judgment to hell's fires for those souls who reject Me and fail to love Me. There is also a beautiful place in heaven that awaits souls who repent of their sins and love Me. I have given you My sacraments for grace, and you have Confession where you are absolved of your sins, when you are sorry and repent. There is also a purgatory where souls, who are not condemned to hell, need to be purified and make reparation for their past sins. My justice is carried out as all souls are brought to their judgment, when they have to make an accounting for all of their actions during their life on earth."

Sunday, May 31, 2015: (The Most Holy Trinity Sunday)
The Holy Spirit said: "I am the God of love, and all Three of Us in the Blessed Trinity are here to greet you and celebrate this Mass on Our feast day. You have asked what your wife, Carol, has been experiencing since Pentecost Sunday. You remember when you both were blessed with the gift of My Spirit at a prayer meeting. Your wife on occasion has exhibited a gift of tongues. She has had this gift for many years, but she has not had many occasions to use her gift. She is now feeling the power of My Spirit, and she was led to have this beautiful chapel built for the coming tribulation. Now, that you have this chapel prepared, you need to bring in your cross, the pictures, the relics, the tabernacle, and the monstrance. You are having a beautiful altar made, and you could have a lectern, a pray-Dieu or two, and some chairs for the people to pray. All three of Us are blessing this chapel, and you could pray your St. Michael prayer for its protection. Later, you could have a priest or deacon bless it as well. You all have My gifts, and you need to express them as your mission calls you."

Monday, June 1, 2015: (St. Justin)
Jesus said: “My people, I chose the Jewish people to be My own people, where I would live on the earth. Even though I performed many miracles and I openly told the Jews that I was sent by God the Father, the Jewish leaders did not accept My authority. Because these leaders rejected My mission, I gave them the parable about the bad tenants of the vineyard. They realized that I was referring to them as the bad tenants, so they wanted to kill Me. I am the Cornerstone that these builders rejected, so I set up My Church with My apostles as the new worthy tenants. I gave the keys of My kingdom to St. Peter as My leader, and I told him that the gates of hell will not prevail over My Church. The Jews killed many of the prophets, and Myself as well. This is why their leadership was taken away and given to My apostles. All peoples will learn at the Warning that people can only come through Me to come to heaven. I was given this authority as God’s only Beloved Son.”
Jesus said: “My people, for those people who have the eyes of faith, they are noticing the signs of your rights being taken away. In the area of computer chips, you are seeing more control in mandatory smart cards for your credit cards, chips in your passports, chips in some driver’s licenses, and Easy Pass chips in your cars. These chips and your cell phones allow your authorities to track where you travel at all times. You can put aluminum foil around any chipped documents to prevent tracking, and the stealing of your identity. You also are seeing more trade agreements that continue to threaten your jobs. Even some information is leaking out about the hundreds of detention centers that are being made ready to imprison millions of people who will not go along with the new world order. The persecution of Christians is being further planned to imprison them and torture them. Other signs are in the sky with the last Tetrad Blood Moon in September. I will hold off the more serious events until I will bring My Warning to all the people. After the Warning you will need to get rid of your TVs, computers, and any internet device to avoid looking at the face of the Antichrist. As your lives become endangered, My people will need to come to My refuges when I give you the word to come.”

Tuesday, June 2, 2015: (Sts. Marcellinus & Peter)
Jesus said: “My people, in the first reading Tobit became blind, and he was unfairly critical of his wife, Anna, when she received a goat as a bonus for her

work. She then made a point of how his true character was coming out. At times people make the same mistake by drawing their own conclusions about others, without knowing all the facts. I am the only true Judge, and I ask you not to judge others. Sometimes people criticize others without any justification. Be careful not to insult people with unfair criticism. If someone is spreading a heresy, then it may be proper to confront that person with true Church teaching to instruct someone in any error. Some people may thank you for any helpful correction, but others may be offended, and reject your instruction, even if it is correct. It is not easy to know all the facts of why people do what they do, and that is why I am the only One to judge people's actions."
Jesus said: "My people, you have seen some good sized earthquakes and some volcanoes explode recently. This vision is of a massive volcanic explosion that is yet to take place. Massive amounts of rock and dust will be thrown into the air. This could even affect your weather and your plane routes. You were struck in the vision of the dark clouds and how huge the explosion was. Even as time draws close to the Warning, you will be seeing more drastic natural disasters by the events in and around the earth. Be prepared to come to My refuges for your protection."
For Don: Jesus said: "My people, your contractor, Don, has helped you immensely and lovingly to build your chapel, kitchen, and the many extras. Don is grateful for you and your wife's friendship, and how she has reached out to him both physically in the meals, and spiritually. Don realizes that this addition is special, and it is part of My plan for an interim refuge. He is happy to be building this for you and for My plan. Don is a loving and caring person, especially for his wife and family. He has been touched by your friendship, as he sees that you have a special mission from Me. You have been praying for Don and the stress he is living under, and for his wife's health. Encourage him in his prayers and coming close to Me, as I love him so much. I thank him as well for all he has done for you. You also need to thank him, especially for all the extra things that he has done for you at a minimal cost."

June 18, 2015
Wednesday, June 3, 2015: (St. Charles Lwanga & companions)
Jesus said: "My people, I hear all of your prayers, even as I heard the prayers of Tobit and Sarah in today's first reading. Each of them were overcome with grief. Tobit was frustrated with his blindness, while Sarah was afflicted with the

demon Asmodeus, who had strangled her seven husbands on her wedding night. To answer their prayers, I sent St. Raphael, the archangel, to heal Tobit's eyes, and to remove the demon from Sarah. This is a lesson for all of My people who are facing problems in life. I have told you to ask Me, and you will receive My help. When you are tested by any evil demons, call on Me, and I will send you My angels to comfort and protect you. When people have faith that I can help them, they will receive My help in dealing with their problems. It is comforting to know that I am always at your side, ready to assist you in your needs. I love all of you, and I know your needs even before you ask Me. I await your request and your belief in My help."

Jesus said: "My son, these visions are flashbacks to when you were in Hanceville, Alabama when you visited Mother Angelica's EWTN, which she originally set up to be a refuge that could operate without electricity. She has a beautiful perpetual Adoration chapel on top and a nice crypt for Mass on the bottom. Your friend Judy has a beautiful large place, and she wants to have a large church built next to her house. You have a special friend, who might be living in this area, and it would be good to put your friend in contact with your other friends there. Many people are going to be coming to these refuges, and My angels will provide food, water, and shelter for the people who come. Trust in Me to protect you and provide for your needs."

June 18, 2015

Thursday, June 4, 2015:

Jesus said: "My people, this account of Tobiah's marriage to Sarah is very touching because they saw the importance of prayer in their marriage. The demon, Asmodeus, had killed seven of Sarah's husbands, but St. Raphael, the archangel, removed the demon and protected Tobiah. Their marriage was consummated after three days of prayer, and they were able to live through this trial because of their faithfulness to Me. In the book of Tobit (6:16-22)it speaks of how St. Raphael encouraged Tobiah to pray for three days, and they burned the liver of the fish to drive away the demon. When couples get married, they could pray this prayer of St. Raphael to bless their marriage. They also should follow Tobiah's prayer to focus on the love of children, rather than lust for one's wife. The children are a gift from God, and truly the purpose of the marriage in true love. All families should be joined in daily prayer and trust in Me, and you would see much less divorce because of your faithfulness to Me."

Prayer Group:
Jesus said: “My son, you have been waiting patiently over three months for the construction of your new chapel and kitchen to be done. Now, you have a working oven and your appliances are in place. You have followed the Holy Spirit’s instructions to place your tabernacle, pictures, and cross into your new chapel. Soon you will have a new altar, and you can start planning to put what is needed into your rooms. I will be helping you to complete what is needed for what is coming.”
Jesus said: “My people, even before the tribulation comes, you could pray your St. Michael prayers for your family in the new chapel after supper. You could start praying your rosaries in the chapel instead of in your upstairs rooms. You could even close the doors for more quiet before Me. If you have occasion to do your Adoration at your home, you could use your laptop computer to play your Adoration DVD. Let your chapel be the center for your prayers and Adoration, as it will be into the tribulation.”
Jesus said: “My people, I have been asking My refuge builders to try and finish up their preparations because events could be changing soon. Before your lives are endangered, I will bring My Warning to give all souls one last opportunity to repent and change their lives. After people have converted, I will give an interior message to all of My faithful when it is time to come to My refuges. When I call you, do not delay, or you will be risking capture by the men in black, and even martyrdom. Call on Me and I will have your guardian angels lead you to the nearest refuge.”
Jesus said: “My people, you could see people dying in floods, tornadoes, and even capsized boats, as in China. You do not know when or how I will call you home at your death. All of you need to come to frequent Confession so you can have a pure soul at your Warning, or if you should die suddenly without any preparation. I have asked you to pray constantly for those people who are dying, and your Divine Mercy Chaplet can be beneficial in saving souls from hell.”
Jesus said: “My people, after the Warning, you will have six weeks of time to make conversions. Many people, after their Warning experience, will be seeking Confession of their sins which will be imprinted in their minds. This will be the best time to evangelize your family members who are not coming to Sunday Mass. They need to have pure souls, if they expect to come to My refuges. My angels will not let people in to My refuges unless they have crosses on their foreheads.”
Jesus said: “My people, you are seeing more detention centers being prepared to

imprison millions of Americans who will not go along with the new world order. This is why I am having My faithful prepare refuges for the safety of My people. You will first see mandatory smart cards in your credit cards. Then there will be mandatory chips in the hand. Refuse any chips in the body because these chips will control your free will. Follow My angels and obey My refuge leaders in the coming tribulation."
Jesus said: "My people, when I appeared to My apostles, I did not want to frighten them, and I told them to be at peace. I love My people so much, and I do not want the people of today to be frightened either of the coming time of the Antichrist. Have trust and confidence that I will not leave you orphans, but I will bring My angel protection at My refuges when you will be invisible to your enemies. My angels are more powerful than all the demons and evil people. They will be ready to do battle for you. This tribulation will be shortened for the sake of My elect. Some will be martyred, but the rest of My faithful will be protected at My safe havens."

June 18, 2015
Friday, June 5, 2015: (Millie Wagner's Funeral Mass)
Millie said: "Hello everyone, I am sorry I had to leave all of you, but I am without any pain now. I love all of you, and I will be watching over you and praying for you. I want Melissa to know that she did all that she could do for me, and not to worry. I saw my husband, Ray, come to visit me. That is why I looked at his picture. I saw Jesus coming to get me in the other corner. I want to comfort Carol in my passing. I will need some prayers and a few Masses to bring me to heaven. Keep my picture out to remember Ray and myself. I will be waiting to see you all one day. Good-bye for now."
Jesus said: "My son, you have been attentive to the Holy Spirit's request to set up your chapel with your tabernacle, your cross, and the pictures of all Three Persons of the Blessed Trinity. You are also listening to My requests to pray your prayers and do any Adoration in your new chapel. You had the star wallpaper installed on your ceiling, and you are awaiting your new altar. Many of your plans for this chapel have come about, and you need just a few more things to have it ready for the people to see. This will be a safe haven for the end times, so you need to get the rest of your preparations done. Remember during the tribulation that you will have perpetual Adoration here with the help of My angels and any priest that comes. You need to have this chapel blessed by a

priest or a deacon. Many blessings will flow out to the people who come here. Give praise and thanks to Me for making all of this possible."

Sunday, June 7, 2015

June 18, 2015
Sunday, June 7, 2015: (Corpus Christi Sunday)
Jesus said: "My people, in older days Moses took the blood of sacrificed animals, and he spread it over the people. Then when I came, I gave My life on the cross, and you now have My Most Precious Blood that covers My people from the One who is your most worthy sacrificial Lamb. At the Last Supper, that commemorated the Passover, I gave the blessing, and I offered up to God the Father the bread and wine that were consecrated into My Body and Blood. So at every Mass, the priest also consecrates the bread and wine, and it is transubstantiated into My very Body and Blood. This is a teaching of My Real Presence in the consecrated Hosts. When you keep My consecrated Hosts in your tabernacles, you have My Presence, and this makes your churches holy and different from any other church. I also want to emphasize to My people that it is necessary to receive My consecrated Host or Eucharist, in the state of grace without mortal sin on your souls. If you have mortal sin on your soul, you need to come to the priest in Confession so you can be absolved and have your sins forgiven. Then you can receive Me worthily. Those, who receive Me in mortal sin, are committing a sin of sacrilege. I am holy, and only holy souls should receive Me. People also can come in front of My Blessed Sacrament to adore Me in Adoration for your holy hour. Those special souls, who love Me so much, come to daily Mass, and even some come in Adoration of Me every day as well. Give praise and thanks to Me for giving you My Gift of My Real Presence that you receive in Holy Communion."

Monday, June 8, 2015

June 18, 2015
Monday, June 8, 2015:
Jesus said: "My people, you are seeing the sinful people getting worse, and My faithful are becoming stronger in their faith. The lifestyles of living in fornication, or some in same sex marriages, are so foreign to My faithful's way of living. Because My faithful live faithful lives, and they try to share My love with others, they are a threat to other people's lifestyle. Because those, who live evil lives even hate you, you will be suffering various persecutions for who you

are. Do not feel that you have to change your lives to be accepted. It is better to obey Me than to obey people who may threaten your lives because of your faith in Me. Once your lives are in danger after the Warning, you will have to seek out My refuges for protection, or you may face martyrdom. Even as you may suffer persecution now, you can unite any of your suffering with Me on the cross. The coming tribulation will be shortened, and it will last less then 3½ years. This is a brief time of suffering for an eternity in heaven. Keep close to Me with pure souls, and you will have nothing to fear."
Jesus said: "My people, you know how much I love you because I came to the earth to give up My life to save all of those souls who love Me. I call on all of you to love Me as well, and I give you the Beatitudes to follow for your perfection. There are many people who I have called to become missionaries in spreading My Good News of My Resurrection and salvation. If you love Me every day, then you should desire to share My love with your neighbors. My desire is that My faithful should reach out to save as many souls as they can from the fires of hell with My help."
Private message about the thousands of flies in our house. Jesus said: "My son, in all the months of the construction of your chapel and kitchen, your workers left the doors open, and only a few flies came in. Now, as you are giving your talks, you are seeing thousands of flies in the chapel behind the stained glass windows. You have sensed that this attack of flies is not normal, and it could well be an attack of the demons. I want you to pray the St. Michael prayer and spread some blessed salt and holy water all over your house. Fight this with prayer and exorcism first. Then work to remove the flies. I have allowed this as a sign to you that Satan is very upset with your chapel plans. When you do good things, the evil one will attack you, and try to bring it down. Call on Me and My angels to defeat any attacks of the demons."

Tuesday, June 9, 2015

June 18, 2015
Tuesday, June 9, 2015: (St. Ephrem)
Jesus said: "My people, this Gospel is very appropriate for all missionaries, as St. Paul. I want all of My faithful to be the Salt of the earth. You are My prayer warriors that pray for souls, and you must be willing to suffer persecution for standing up for your faith in Me against all heresies. In the end times some of My faithful could be martyred for proclaiming My Word. Do not ever deny Me, even if your life is required to witness your faith in Me. I am the Light of the

world, and I bring you My words of eternal life in heaven. You have heard the words of My Gospel, and My faithful need to put My words into action by going out to all the nations to evangelize souls. I have brought salvation to all souls by My death on the cross. It is up to each soul to repent of one's sins, and come to Me in the priest to seek the forgiveness of one's sins. You also need to accept Me as your Savior and Master of your lives. By doing so, I will guide you on your narrow path to heaven. Rejoice that I give My prayer warriors a strong gift of faith, as they go forth to share their salt and My Word of Light in the Gospels to all the souls in the nations. When you call on Me, I will send My angels to protect you from evil, and the Holy Spirit will give you the right words to proclaim to the people."
Jesus said: "My son, you need to pray for more protection for your chapel. I told you to call on Me to send you My angels of protection when you are attacked by demonic things. These thousands of flies were definitely an attack of the evil ones. Pray your long form of the St. Michael prayer, and then make a cross with holy water over your stained glass windows, and all the objects in your chapel. You can even place some blessed salt in all the corners of your chapel as well. You could have a priest or a deacon bless your chapel as an exorcism for any future attacks on your chapel. I told you that many graces will be poured out on the people who come into your chapel to pray. Give praise and thanks to Me for getting rid of these flies, along with your contractor, Don, who cleaned them up."

Wednesday, June 10, 2015

June 18, 2015
Wednesday, June 10, 2015:
Jesus said: "My people, in My day the Jewish leaders were more wrapped up in following the details of the Mosaic Law in many human traditions, that they lost the spirit of love in the law. I came to fulfill the law and not to change it. I did emphasize that all the laws given could be summed up in a love of God and a love of neighbor. It was this love relationship with Me and others that was not being fully expressed by the religious leaders of My day. Even in the lives of your people today, many are wrapped up so much in watching TV and computer devices, that they have lost the art of conversation. It is this love relationship with Me and your neighbors that has turned cold, because of the devil's influence. You need to be more focused on personal interactions that are based on love of everyone, rather than only focusing on yourself. Move out of your old

sinful habits, so you can focus more on loving Me and loving your neighbor."
Jesus said: "My son, your construction is finally complete, and now you need to organize your food with some new bedding. Once you finish repainting your old basement, then you need to see what things you need to get rid of. I showed you some bunk beds to maximize your space for sleeping in the new basement during the tribulation. It will be a major job to finish your clean up of the basement and your other rooms. Your time is short, so you need to finish your basement as quickly as possible. You will also need to get your chapel ready to receive people for prayer services. Plan your work to finish your preparations as soon as possible. Call on My help every day to get things ready."

Thursday, June 11, 2015

June 18, 2015
Thursday, June 11, 2015: (St. Barnabas)
Jesus said: "My people, you can see how the early Church took a lot of hard work and traveling to bring My Good News of salvation to the people in various countries. In the Acts of the Apostles you can read of some of the miracles that My disciples performed that helped to convert souls to the faith. It was much harder to travel in those days, but still My disciples were working to convert souls despite any problems. It is this eager spirit to build up My Church that I am calling on all of My faithful to put their faith into action. Not everyone is willing to travel to share My words with your neighbors in other states and countries. My son, you have been called to prepare the people for the coming tribulation, and you have done well in your travels for many years. Now, you are again being called to provide a safe haven for My faithful to find protection. Keep working on conversions, and your work at your interim refuge."
Prayer Group:
Jesus said: "My people, parting with good friends can always present a moment of sadness. Your friends are also fellow workers in defending the unborn babies in your Right to Life groups. Pat Amato was a beautiful lady who worked many hours in the defense of life for the unborn. Her death is a great loss, but she is no longer suffering from her health problems. Your little send off party for Barbara and Jan Fredricks is a little like when St. Paul and St. Barnabas were sent off to convert souls in many lands. Pray for Pat, and for a good mission for Barbara and Jan."
Jesus said: "My son, your friend, Alice, has had you speak many times in Charleston, South Carolina. She had suffered many years with difficulty in

walking. She had followed your messages, that I gave you, for many years. I have had mercy on her soul, and she is now with Me in paradise. She was a strong and faithful woman, even despite her disabilities. Give thanks to Me for the gift of her life in helping your mission."
Jesus said: "My people, you all are tried in life with many trials, both in faith and in health. Take courage, because I will give you the grace to carry out your missions. Keep strong in your faith with your prayers and the reception of My sacraments. I rely on My prayer warriors to help their families and to convert souls to the faith. Keep praying for the younger people to stay strong in their faith, and keep coming to Sunday Mass. My prayer warriors will have their reward in heaven."
Jesus said: "My people, you are seeing many of your friends in bad health from various infirmities. After the Warning, events will lead up to the coming of the Antichrist, and I will be calling My faithful to come to My refuges. Just like the apostles performed many healings, so you will see all of My faithful healed of their infirmities by looking on My luminous cross, drinking the healing spring water, or drinking holy water. These healings will strengthen My faithful in their faith."
Jesus said: "My people, you have seen a lot of damage from your recent tornadoes, thunderstorms, and even hail storms. You have seen these events before, but when it happens in your own backyard, it becomes more threatening. When storms threaten your lives, you can call on My help by praying your storm prayer in the Pieta prayer book. I will hear your request, and you will be protected as you have seen in the past."
Jesus said: "My son, I know you have many duties to carry out in running your home and carrying out your two missions. You are gracious with your time in speaking in many cities, as well as preparing your new refuge. I have asked you to speed up your work in the old basement by cleaning and painting your walls. I thank you for your latest work in addition to your other responsibilities. I am not forcing you to work harder, but you do not have much time left to prepare your refuge. Call on My help in prayer so you can complete your work in your refuge preparations."
Jesus said: "My people, some of My refuge builders have various accesses to money,either from friends or from inheritances. If you choose to build a refuge, I will find a way to help complete your work. Those builders, who have started late, may have to speed up their plans, or I will have to have My angels complete their work. Keep working steadily on your preparations, and I will bless your

efforts. Many people do not realize how much planning, spending of money, and the long hours of work that are necessary in preparing a good refuge. Others can help you by their prayers, physical labor, or even donations, if they are needed. With the help of your friends, you all can have an adequate refuge to fulfill all of your needs."

Friday, June 12, 2015: (The Most Sacred Heart of Jesus)
Jesus said: "My people, I thank you for honoring My feast day and that of My Blessed Mother, because our two hearts are always joined together. You have a picture of our Two Hearts in your bedroom, and you look at us while you are praying your rosaries. I have an infinite love of all souls, as I pray that all of you could be saved from the evil one. I do not force My love on you, but I want you all to love Me of your own free will. In the picture of My Sacred Heart, you can see an eternal flame of love, and I unite your suffering with Mine on the cross. My mercy and My love are poured out on everyone, as you see Me as your Creator and your Savior. I desire that you show your love for Me in your holy hours of prayer, in your Masses, in your Adoration of Me, and in your good deeds for your neighbors. I am all loving, and I want you to imitate Me by loving Me and your neighbor."
(Pat Amato's Funeral Mass) Pat said: "I am overwhelmed by the kindness of all the people who attended my funeral. I love Fred and all of my family so much, and I am sorry that I had to leave all of you so suddenly. I thank all of the people who helped me in my health problems. You know in life how much I loved to help people in many ways and through many organizations. I had this mother instinct in me for not only my children and grandchildren, but also for all the people that I could help. You know I had a great love of life, and I always worked to save the unborn and help all the mothers. I even had compassion for those mothers who had abortions. I am with my Jesus in heaven by his grace, and I will be praying for my family and for all the organizations that I worked with. It is the loving people that I enjoyed working with, and I will miss being with all of you."

Saturday, June 13, 2015: (Immaculate Heart of Mary, St. Anthony)

The Blessed Mother said: “My dear children, you are sharing a special feast of my Immaculate Heart as I love all of you as my own Son, Jesus. I bring you to my Son in all that I do. I give Him all of your petitions as an intercessor. The feast of our Two Hearts shows you how close I am to my Son. This church is named for my Sorrows, and today’s Gospel about losing my Son for three days, is one of those sorrows. As all mothers know, not finding your son among a lot of people can be trying, and even traumatic. I pondered the words of Jesus in my heart when He said that He must be doing His Father’s work. At age twelve, I did not know that He would be starting His ministry. I realized later the mystery of His true mission in His offering of His life for all the sins of mankind. We love all of our children, and we want you to encourage souls to love us as well. Remember to pray your rosaries every day, and pray for the saving of souls in the world, and the souls in purgatory.”
(4:00 p.m Mass) Jesus said: “My people, in the first reading, and in the Gospel, there is mention about the mystery of My creation in how crops grow with the right fertilizer, the seed, water, the sun, and good soil. It is the grace of crops that give you your food to eat and survive. There was another parable when an enemy sowed weed seeds with the planted wheat. When the wheat grew up, so the weeds showed as well. Instead of pulling up the weeds and destroying some wheat, the master allowed both to grow until the harvest. At the harvest, the weeds were gathered and were thrown into the fire, but the wheat was gathered into My barn. In life you also see the good and evil people living together until the judgment of souls. At the judgment, the evil souls will be gathered and cast into the eternal fires of hell. My faithful souls will also be gathered with Me into heaven as their reward for believing in Me and seeking My forgiveness. There are other parallels when you compare good and bad trees by their fruit. The good tree bears good fruit, as a faithful person will have many good deeds to show for their time on earth. The bad tree bears bad fruit, and it is not worth eating, much like the evil people who have only evil deeds to show for their life. There will be a judgment for all souls, and it will be your actions and deeds that will determine your eternal destination. Trust in My words and follow My Commandments, and your reward will be great in heaven.”

Sunday, June 14, 2015: (Fr. John Reif’s 50th Anniversary as priest)
Jesus said: “My people, you are celebrating Fr. John’s 50th Anniversary as a

priest, and he is a priest forever according to the order of Melchisedec. You have known Fr. John from various parishes for many years. The priest represents Me at the altar and in the presentation of the sacraments to the people. You rely on My priests for daily Mass and the Eucharist, as well as for Confession, Anointing of the Sick, and for funerals and weddings. You can remember the priests who baptized your children and gave them their First Holy Communion. You are fortunate to be ordaining four priests this year, as some priests are dying. Give praise to Me and thanks to have a beautiful priest as Father John."

June 18, 2015
Monday, June 15, 2015:
Jesus said: "My people, in various ways I keep asking My faithful to love your enemies, and even those who persecute you. If someone strikes you in the face on one side, then turn your face to be struck on the other side. This is not a normal earthly response, as most people seek vengeance to repay an injustice. If someone harms you in some way, do not look to harm that person back. I want My followers to respond to people with love to combat their evil ways. People may take advantage of your kindness, but love them just the same. In cases of serious harm or killings, then civil justice will deal with such criminals. But for small slights, they can be overlooked. Do not plan evil or grudges against your neighbor. This is a difficult response for some, but you are trying to be perfect as I love both the good and the bad people."
Jesus said: "My people, you have had a somewhat dry April, but now you are experiencing an unusually wet June. Texas has seen the worst of the flooding, and they may even see a near tropical storm. You have also seen some damaging tornadoes, even in upstate New York State. Some of these persistent rainstorms are giving all indications that they are being caused by weather-making microwave machines. In addition to floods, the severe storms have caused trees to fall on power lines giving power outages. You have had to pick up a lot of small branches from the wind effect on your trees. With all of your rain, your sump pumps have been coming on frequently, and some people have had flooded basements. Be prepared for some natural disasters from your strange weather patterns."

Tuesday, June 16, 2015

June 18, 2015

Tuesday, June 16, 2015:
Jesus said: “My people, you have had two similar Gospels about loving your neighbors. The one is about not taking vengeance for wrongdoing, and the other is to love your enemies, and even your persecutors. You may not like their evil actions, but you still need to love the person and pray for their conversions. Do not discriminate between those people you like and those people who you do not like. When you love everyone, you are imitating My love for everyone, and you are working toward your perfection. When you think of loving your neighbor, you need to love My presence in each soul. You are all temples of the Holy Spirit, despite your sins. It is this grace that keeps you alive, and keeps your soul in existence. Give thanks and praise to Me for your life and your gift of faith in Me.”
Jesus said: “My people, you have flown in planes before, and you have read how planes are directed by radio homing beacons, and by satellite. These beacons keep the plane on the right course to its destination. In a spiritual way, I am your homing beacon, and I am always drawing you to My Light. When you sin, you are following your own will, and you lose your focus on Me. To follow My Light, you need to be open to following My Will over your own free will. It is when you are union with My Will that you can fulfill the mission that I have for you. Your final destination should be coming to heaven, so you need to keep on course by following My Light. When you obey My Commandments and seek My forgiveness for your sins, then your reward will be great in heaven.”

End June 2015

July 2015

Wednesday, June 17, 2015

July 2, 2015
Wednesday, June 17, 2015:
Jesus said: “My people, you know how I came on the earth as a man, so I could offer up My life as a perfect sacrifice to atone for all the sins of mankind. I am offering all the people salvation from the bonds of their sins. This offering of My life is a sign of My love for you, and I am opening the gates of heaven to you, if you would only repent of your sins, and accept Me as Master of your lives. You all are sinners because of Adam’s sin, but not all people want to accept that they are weak to sin. Your sins offend Me, but I have given you a gift of My

sacrament of Reconciliation. You can come to Me in the priest in Confession so your sins can be forgiven. You have this source of grace in Confession, but many do not take advantage of this opportunity. If people do not think that they are committing any mortal sins, then they may not think it is necessary to come to Confession. My faithful need to form a right conscience so they can determine right from wrong, as well as knowing if they are committing serious sin. Some people rationalize that they are not committing mortal sin, even if they are living together in fornication or in homosexual relationships. Once people truly examine their consciences, they could see the need for forgiveness of their sins. My priest sons should be preaching more about the need for Confession, and a proper examination of people's sinful actions that need to be confessed. You are aware of how few people come to Confession, yet there is plenty of serious sin in your society. Pray for souls to return to My sacraments, as in Confession, because all sinners should be coming to frequent Confession at least monthly. I died for your sins, so all of you need to seek Me for the forgiveness of your sins."

Jesus said: "My people, I am showing you My consecrated Host with My face to emphasize My Real Presence in the Host. Those, who love Me dearly, are aware of the miracle of the bread and wine being changed into My Body and Blood at the Consecration of every Mass. This is why My true faithful have a desire for daily Mass, and visits to Me for Adoration before My monstrance. At every Mass you receive Me into your soul at Holy Communion time, and you have an intimate union with Me as a taste of heaven. You, My son, have had the gift of receiving a vision and a message from Me at almost every Mass and at Adoration. Seeing this vision of My consecrated Host along with My face, gave you a rich feeling of My love, and a complete confirmation of My Real Presence. As you receive Me often, do not get complacent, but each time you receive Me, it is like a new experience of My love and grace."

Jesus said: "My people, this is the month of June, and you just celebrated the feast of My Sacred Heart and then My Blessed Mother's Immaculate Heart on the next day. The two of us are joined as one in a beautiful love relationship. I desire that all souls could have a deep love relationship with Me. I am your best friend, and I will never stop loving you. Even though you cannot see Me in a physical body, you can see Me and feel My Presence in My consecrated Host. I give you many gifts every day, which you may not realize. You can thank Me in your daily prayers. When you pray and when you come to Mass, you are showing Me your love, and your belief that I am your Lord and Redeemer. The

more you can develop a love relationship with Me, the stronger you will be in your faith. Let Me walk with you every day by your side, so you can witness My love helping you in all of your actions."

July 2, 2015
Thursday, June 18, 2015:
Jesus said: "My people, in today's Gospel I shared the 'Our Father' prayer with My apostles. You remember several times how I went off to the mountains to pray to My heavenly Father. Prayer is something you should make time for every day, because it gives you a chance to be united with Me in love. It also gives you time to recollect yourself in doing the things that I want you to do. It is even good to go on retreats from time to time to gather your thoughts about why you are here to know, love, and serve Me. If you let the noise and distractions of the world control you, then it will be hard for you to make time for Me. If you make time for Me in prayer, then I can help you in your requests, and your life will be much easier with Me helping you. You can also pray for others who need both spiritual and physical help, as well as for the souls in purgatory."
Prayer Group:
Jesus said: "My people, you have seen these mass killings before, but this time the shooter did not kill himself as in other cases. This was a deliberate act against some African Americans that people could claim was a hate crime. People, who do these irrational killings, are either psychotic or controlled by chips. Pray a Divine Mercy prayer for those who were suddenly killed, and a prayer for the soul of this misled young man. Such acts only make race relations more difficult. Pray that more riots do not get initiated."
Jesus said: "My son, you are joyful that all of your building plans have been completed, with the grading of dirt around your addition. Now that you have most things in place, you are working to fix up your basement in both the new addition and in the old basement. You have made some great strides in cleaning up your rooms and your basement. You will be focused on your chapel needs, and the food and bedding plans for your safe haven. Give thanks to Me, and all the people that have helped you in making your place possible."
Jesus said: "My people, you know that I am reluctant to give out any dates for My Warning experience. It is not important to know exact dates, but you can read the signs of your world events. Unless I bring My Warning, it is unlikely

that your society's evil actions will change. I told you that I would bring My Warning in My time, before I would allow the evil ones to endanger your lives. Trust in Me and My angels to protect My faithful at My refuges."
Jesus said: "My people, I hear all of your prayer requests for your sick and deceased friends. Some of these health problems and deaths are part of life, but I understand your love for your friends, and your desire to see them get better. Some people blame Me for these trials, and they do not understand why I allow such things to happen. In some instances there are healings, but not in all cases. Some suffering is being used to allow people to suffer their purgatory on earth. Other suffering can be offered up to save souls. You all are going to die some day, so pray that you have your souls ready for all the trials that will test your faith."
Jesus said: "My people, there are some refuges that will be very appealing in appearance, but most refuges will be more rustic and ordinary. Unless people have solar panels or generators with multiplied fuel, it will be rare to see much electricity being used at My refuges. I have instructed My refuge builders to have fuel for heating and cooking, food, water sources, and bedding supplies. You will also need washing and latrine facilities for your hygiene needs. Your needs will be multiplied to provide for your survival. Trust in My angel protection from the evil ones who want to kill you."
Jesus said: "My people, there will be some martyrs in the Christian persecution of the coming tribulation, but they will become instant saints. My angels will protect the rest of My faithful as you have seen their power in the Scriptures. You have heard of modern day miracles of food being multiplied. In the old Exodus I defeated the Egyptian soldiers and I fed My people in the desert with water, manna, and the quail. In the new Exodus, My angels will protect you from the Antichrist, the demons, and the men in black who are mercenaries. I told you that My angels or a priest will provide you daily Holy Communion that you could even live on alone. I will provide your water sources and I will send deer into your camps for meat. Do not question My miracles or whether I can do these things, but have trust that I will provide for all of your needs."
Jesus said: "My people, I have mentioned to you in previous messages that My angels at My refuges will only allow those people, who have crosses on their foreheads, to enter. Those people, who do not have crosses, will not be able to enter. This is why you need to have your family members converted with a love for Me, or the angels will not place a cross on their foreheads. For some people, who lead lives of sin, you will need to evangelize such souls after the Warning

has touched their hearts. Without the forgiveness of sin and an acceptance of Me as their Savior, souls will not be able to enter heaven or My refuges."

July 2, 2015
Friday, June 19, 2015: (St. Romuald)
Jesus said: "My people, you all have to deal with the struggles of life in working for a living, providing a house to live in, and providing the food you need to live. You call on Me to help you in your daily needs through prayer. St. Paul showed you all of his trials in his attempt to bring My Word to the Gentiles. He only boasted in his weaknesses. You can all join your pain of your trials with My suffering on the cross. In the Gospel you have earthly treasure and spiritual treasure. You should focus on storing up heavenly treasure with your good deeds for your neighbor. It is this treasure in heaven with Me, that is more valuable than any passing treasure on earth. Your heart should desire this heavenly treasure the most, because it is everlasting to help you in your judgment. Hold on to your love of Me and your love of neighbor, and you will be on the right path to heaven. Do not let your worldly things distract you from your focus on Me, and the things I want you to do."
Jesus said: "My son, do not be overwhelmed by how much work that still needs to be done in your yard and in your basements. Take each job and do what you can in the time that you have. I will help you finish what is necessary to prepare your safe haven. Pray for My strength because you are a lot older than when you put your lawn in the first time. You are seeding a smaller area of your backyard, so you have less to get ready. Your wife and you are working hard to get things ready. You are ordering some of the rest of your needs for your chapel. I will keep giving you directions for your future needs. Be ready to prepare your things because I keep warning you that you are running out of time. Trust in Me to keep focused on both of your missions."

Saturday, June 20, 2015

July 2, 2015
Saturday, June 20, 2015:
Jesus said: "My people, today's Gospel (Matt. 6:25-34) is all about trusting in Me to provide for all of your needs. I gave an example of the birds of the air that

are fed by My heavenly Father, even though they do not store food. The lilies of the field do not make clothes, yet they are arrayed in beautiful colors more than man could make. So I told the people, do not be concerned about what you are to eat, what you shall drink, or what you shall wear. I know your needs before you ask Me, and I will see to your needs in miraculous ways, especially at My refuges. Seek first the Kingdom of God and His justice, and all of these things will be given you besides. Do not be anxious about tomorrow's needs, for tomorrow will have anxieties of its own. Sufficient for today is its own needs. I am watching over you all the time every day, and I will do the impossible for you when it is needed. This means at My refuges, I will provide water from miraculous springs, and I will multiply your food, fuel, and anything else that you need. I will even have My angels bring you daily Holy Communion, if you do not have a priest. So trust in Me in faith, and you will have all that you need for both your physical and spiritual needs."

Sunday, June 21, 2015

July 2, 2015
Sunday, June 21, 2015: (Father's day)
God the Father said: "I AM WHO AM, is here, and you read from the Book of Job how I tested him with many trials, but he still remained faithful to Me. I restored all that I gave him, and in even more abundance. So it is with My faithful of today. You have many blessings in material things, but these things will pass away and be taken from you. It is better to rely on Me for everything, than your money or your possessions. It is your spiritual treasure in heaven that is more important. The apostles were tested in the storm, but they called on My Son to save them. Jesus rebuked the wind, and there was calms seas. So it is with your daily trials. You need to hold on to your faith in Me, and I will protect you and provide for your needs. I ask people to look back in their lives to remember all the anxious moments and fears that you had, and yet you lived through your trials. This is why fears, anxieties, and worries are all from the evil one to test your faith. You need to have faith and trust in Me as Job did, and I will solve your daily problems. When you are faithful to Me in your trials, then I will bring you blessings and gifts in more abundance than you had before."
Jesus said: "My people, I have shown you signs before that your time is running out before the major events will start. Now, you are seeing the clock striking twelve o'clock which means that your time has run out, and the events could

start at any time. I have told you that My Warning needs to happen first, so sinners have a chance to change their ways. After the six weeks of conversion, you could see wars and a collapse of your money. This could bring about a martial law, and your lives will be in danger. When chips in the body are made mandatory, then I will warn My people to come to My refuges as soon as possible. Be prepared to leave for My refuges at any time I call you."

Monday, June 22, 2015

July 2, 2015
Monday, June 22, 2015: (St. John Fisher)
Jesus said: "My people, this vision of things being turned upside down, indicates how your world will be turned upside down from how you see things as normal today. My people need to be prepared to leave for My places of refuge when world events could endanger your lives as a preparation for martial law. You saw in the first reading when Abram had to move to the Promised Land. Eventually, My faithful will need to go to My refuges, as you will be awaiting a new Promised Land in My Era of Peace. I have told you before of the red list and the blue list of people that the one world people want to kill because these people will not go along with the new world order. The red list are the leaders or vocal people that the evil ones want to kill before martial law is declared. The blue list are less important people they want to kill after martial law is declared. This is why they want to know the coordinates of where you are living, so they know where to find you. This is why I will be sending out an interior message to all of My faithful to warn you to leave your homes for My refuges, so the men in black will not capture you. This is why you need your things prepared to leave at a short time's notice. Trust in Me to protect you with an invisible shield, as your guardian angels will lead you with a physical flame to the nearest refuge."
Jesus said: "My people, I have given you messages of a coming division in My Church between a schismatic church and My faithful remnant. I have even mentioned that the schismatic church will be teaching New Age things, and they will teach that the sexual sins will no longer be mortal sins. You are even seeing some points of possible difference concerning global warming and same sex marriage. The one world people are using global warming to institute carbon credits to control the economies of the world's nations. Concerning same sex marriage, I have given you several messages that this is a sinful relationship, and I see these homosexual acts as an abomination and unnatural. Even adultery,

fornication, and masturbation are also mortal sins. Any teaching that teaches these sins are not mortal sins, is a heresy in My eyes. Be prepared to come to the homes for your prayer services, when churches are taken over by the schismatic church. You are seeing signs of these divisions already with other heresies as well."

Tuesday, June 23, 2015

July 2, 2015
Tuesday, June 23, 2015:
Jesus said: "My people, you are reading in the Old Testament how Abram was promised the land and many descendants because the Jewish people were chosen by God the Father. We love all of our children, but there are times when certain peoples become wicked in their sins, especially homosexual sins. You are about to read the story of Lot and his family when the people of Sodom harassed them. Abram was warned by angels that Sodom and Gomorrah would be destroyed by fire because of their wickedness. Angels were sent to lead Lot and his family out of Sodom. They appeared as young men, and the Sodomites desired their bodies. The angels struck all of these evil ones with blindness, as they led Lot's family out of the city. You can see why I abhor homosexual acts then, as I do today. Sodom and Gomorrah were punished for their evil actions, and there will be a coming punishment for the evil ones of your day at the end of the tribulation. Just as Lot had to face abuse, so Christians are being persecuted as well for their faith in Me. Fear not this evil age because I will be protecting My faithful with My angels when you will be made invisible on your way to My refuges of protection."
(Vigil Mass of the Nativity of St. John the Baptist)
Jesus said: "My son, you are happy this day to have your chapel being used for what it was intended. You are also blessed to have a relic of St. John the Baptist for this vigil Mass of his birth. You have had your grounds blessed to ward off any more attacks of the flies that were from the evil one. This is a blessed day for your people as well, who had the grace of this Mass come upon them. All the faithful souls who receive My Body and Blood in My Eucharist will have eternal life. Give praise and thanks to Me for all of those people who have made this chapel possible."

Wednesday, June 24, 2015

July 2, 2015
Wednesday, June 24, 2015: (Nativity of St. John the Baptist)
Jesus said: “My people, you remember when St. John the Baptist stirred in the womb of St. Elizabeth when My Blessed Mother brought Me in her womb to visit St. Elizabeth. The account of St. Zachariah being visited by St. Gabriel, was the announcing that St. John would be born to an older barren women, and this was a miracle in itself. St. Zachariah was made mute for his unbelief, but he spoke again at the naming of St. John. These words are said every day in the Liturgy of the Hours morning prayer. St. John the Baptist was the one crying in the desert to announce My coming, and a request of the people to repent of their sins and be baptized. When he baptized Me in the Jordan River, there was a manifestation of the Blessed Trinity with My Father’s voice and the appearance of a dove in the Holy Spirit. St. John the Baptist was finally beheaded for speaking out about Herod marrying his brother’s wife. St. John told My disciples that I was the ‘Lamb of God’ and to follow Me. He also said that he must decrease while I must increase. This means that all of you should let Me be the Master of your lives. Rejoice in this feast of My herald in the desert.”
Jesus said: “My people, you look to the skies for any signs of things to come. You have seen the three blood moons and the fourth one will be occurring in late September on the feast of Booths. You also saw an eclipse of the sun. Now, you have just witnessed three large ejections from the sun that could have a small effect on your communications. You are seeing other signs in frequent tornadoes and high wind storms. You have also seen some signs in your financial world with many threats to your economy from oil prices and a Greek bailout. There are reports from several sources that you could see a rocky road for your financial institutions this fall. It is not important to know exact dates, but several people have had messages about these events in the fall. Trust in My protection as you move forward with the rest of your chapel plans.”

Thursday, June 25, 2015

July 2, 2015
Thursday, June 25, 2015:
Jesus said: “My people, there are people who hear My words, and call ‘Lord, Lord’, but in their hearts, they are far from Me. This is why they did not know Me, and it is why I dismissed them. Then My faithful put My words into action, and they follow My Will. You can do good works by your own decision, but I

desire that people follow what I want them to do. If you love Me and you love your neighbor, then you will do good works out of love for Me. Those people, who do things to please Me, are like the people who built their homes on rock, and their homes stood up to the storms of life. Those people, who do things only to please themselves, are like the people who built their homes on sand, and their homes collapsed in the storm. My faithful need to build their faith on Me as the cornerstone, and on the rock of My Church in St. Peter. With a solid foundation, you will be able to weather the storms of life, and the evil one's temptations. The roots of all that you do, need to be centered on Me, so when you face Me at your judgment, I will say 'Well done My good and faithful servant.' Because of your faithfulness to Me, now you may enter into My Kingdom of heaven."

Prayer Group:

Jesus said: "My people, I have given you messages before about how many people of influence actually worship Satan, and they are carrying out his orders. This is why My faithful will be persecuted for believing in Me and for proclaiming My words and My Commandments. America has approved abortion, and you are on the verge of approving same sex marriage as well. These laws and decisions against My Fifth and Sixth Commandments are calling down My justice against America. Fire was called down on Sodom and Gomorrah for such sins. Unless America changes soon, I will send My punishment against your country."

Jesus said: "My people, you need to learn from the mistakes in history made by older civilizations. Rome had a great empire with a disciplined army. Once Rome became very decadent in its sexual sins, this was the weakness that broke down their strength to fight. Now, America is becoming decadent in its sexual sins and abortions of unborn babies. Your family is breaking down, and religion or love of Me is waning among your people. America is following the decay of Rome, and you are not learning from Rome's mistakes, so you will fall in ruin as well."

Jesus said: "My people, the Warning experience needs to come so all sinners will have an opportunity to be saved. Some people will change their sinful lives, but the majority will continue to love their sins and earthly pleasures. Your family members will face Me in their life review of the Warning, and they will be open for a short time to your evangelization efforts. Work on their conversions or they could be lost to the evil one. Souls need to seek My forgiveness, and take advantage of the spiritual renewal in My Warning experience."

Jesus said: "My people, over a period of years, you can see how the evil one has

become successful in getting some people to love their faith and become complacent in their love for Me. It is this spiritual laziness that has allowed your society to grow more evil in your lifestyles. You tolerate blatant sin so much that many no longer follow My Commandments. The evil ones will persecute you because they do not want to hear your speaking out against your society's sins. Your people know they are doing wrong, but they do not want to change their sinful pleasures. Pray for your families and for poor sinners."

Jesus said: "My people, it is not easy to go out as a missionary to teach My Word to the people. It takes a strong faith and the use of the gifts of the Holy Spirit for one to be inspired to be an evangelist. Many shy away from sharing their faith with others because they are afraid of offending someone. Satan does not give up souls easily, so it takes a great effort to convert sinners from their sinful comforts. My prayer warriors are so joyful in their love for Me, that they want to share My love with everyone. I also call My people to help save souls from hell, where there is no escape. Use your St. Michael prayer and your deliverance prayers to help bring My faith to all sinners."

Jesus said: "My people, your life review will reveal all of your unforgiven sins. This Warning experience will be more severe for those who do not come to frequent Confession. If you have a pure soul from Confession, your Warning experience will be easier. You do not want to see what hell is like, if your life is leading in that direction. You can improve your spiritual life now without Me showing you how evil you are living. For some sinners My Warning will be a needed wake-up call to show them how they need to stop offending Me and work toward coming to heaven. Be prepared for My Warning because events will be changing rapidly."

Jesus said: "My people, in My recent messages I have told you that your preparation time is over and soon My Warning will allow sinners their last chance to change before the tribulation will come like a thief. Souls, who do not take advantage of changing their lives, will find it very difficult to face the evil of the Antichrist. Satan will sift the souls who are not prayerful enough to resist His temptations. Only faithful souls will be allowed to enter My refuges. Souls outside of My refuges may be martyred or lost to the evil ones. Be prepared with clean souls for the coming tribulation."

Friday, June 26, 2015:
Jesus said: “My people of America, your country has sunk to a new spiritual low in the acceptance of same sex marriage for all of your states in your latest Supreme Court decision. This is a cold day in the hearts of your leaders on the Court who are dictating law to all of your people without any vote by your Congress that represents the people. It is the laws or decisions of your country that are legalizing abortion, gay marriage, and your Obama Care law that will eventually bring the chip in the body or the mark of the beast. It is your abortions, and now legal gay marriages that are defying My fifth Commandment of ‘Do not kill’ and homosexual lifestyles against My sixth Commandment. These are all heavy burdens of sin that are calling down My judgment against America. I punished Sodom and Gomorrah for their wickedness, and now America will feel destruction from My justice. You will see increasing disasters and eventually a crash of your money system because your decadence has reached a new spiritual condemnation. Homosexual marriages should not be allowed in My churches, even if it means the closing of your churches. Such homosexual marriages are an abomination, and an insult to My plan for marriage between a man and a woman. Do not be afraid of any appearing victories of the evil one, for I am your eternal Flame of hope, who will defend My faithful. You will see an increasing persecution of Christians from the schismatic church and your own government. Have faith and trust in Me because the days of My Warning, and the need for My refuges, are coming soon.”

Saturday, June 27, 2015:
Jesus said: “My people, in today’s readings you are reading about unusual miracles that I performed to strengthen the faith of My believers. In the first reading My angels brought a message to Abraham and Sarah that they would have a son, Isaac. This was not normal to conceive a child beyond a woman’s child bearing years, so I did the impossible to show that I could do anything. I healed the centurion’s servant from a distance, and I healed St. Peter’s mother-in-law from a fever. In the vision I did another impossible miracle of calming the storm while I was in a boat with My apostles. My faithful need to have full faith in My miracles that go beyond your natural occurrences. You will be seeing a coming time of persecution when the one world people and the Antichrist will try to kill My believers. There will be some who are martyred for their faith, but

they will become instant saints in heaven. I will be having refuges at My Blessed Mother's places of apparition, shrines, places of holy ground, monasteries, and even caves. I will perform impossible miracles of protection with My angels' invisible shields. At My refuges you will have My Eucharist, food, fuels, water, and all of your needs multiplied. Believe and trust in Me that I can do the impossible for you, for nothing is beyond My power. Do not limit your belief to only natural occurrences, because My power goes beyond what you know on earth. Those people, who are faithful to Me in little things, will receive My reward in the Era of Peace and later in heaven."
(Vigil Mass) Jesus said: "My people, in today's Gospel you read about the faith of the woman who had the hemorrhages. She believed that if she touched My clothes, that she would be healed. Healings can come from Me, but the person who desires a healing, must have faith that I can heal them. I performed an even greater miracle when I raised the young girl from death into life again. Many people became believers because of My miracles. There are also spiritual healings which can help save souls from the evil ones. Spiritual healings are even greater than physical healings. Your body will pass away, but your purified souls will live on forever. Seek the spiritual healings more than any healing of the body."
Ferdinand said: "I am overjoyed to see all of my Gospa people and friends. I am not worthy of your tribute for myself, but it is better to give glory to God for all that He did through my life. I am joined with Barbara in heaven, and we will be praying for all of your families. Remember what I said about turning off your TVs. You will have more time for working and praying with Jesus and Mary. Remember also how powerful it is for your families if you pray together, especially the spouses. I thank Juliet for putting this tribute together, but I am happy to see all of you renew your friendships together. I was more than happy to contribute my paintings to help Gospa's mission. Thank you again for all those people who helped me in my last years. I love all of you, and Barbara and I will be praying and watching out for all of your families."

Monday, June 29, 2015: (St. Peter & St. Paul)
Jesus said: "My people, you have two pillars of My Church in celebrating this feast day of St. Peter and St. Paul. St. Peter denied Me three times in a moment of weakness, but he reconciled with Me to feed My sheep. I even gave him the

keys of My kingdom on earth, so he could lead My Church as the first Pope. My faithful have a weakness to sin as well, but you have Confession to repent to Me in the priest. St. Paul had to change his Jewish ways to follow My ways of spreading My Good News. He stopped persecuting Me when he fell off of his horse, and he was blinded by My Light. He became one of My greatest missionaries in spreading the faith among the Gentiles. St. Paul suffered many hardships and beatings in spreading My message of the Good News of My Resurrection. I want My disciples to share their faith with their neighbors. Only a few people answer My call to be missionaries to all the nations. Over time you will see more persecution for those who share My Word. Many of My apostles risked martyrdom to spread My Good News. It was hard for the people to believe in My Resurrection, but My miracles helped the people to believe in Me as the Son of God. Even today, you have My prayer warriors and My prophets to lead you, and you may even observe some miracles both physically and spiritually. Give thanks and praise to Me as you reach out of your comfort zone to save souls."

Tuesday, June 30, 2015:
Jesus said: "My people, in the first reading you are reading of how My angels were leading Lot and his family out of Sodom before it was destroyed by fire. The angels warned them not to look back at this destruction, but Lot's wife looked back, and she was changed into a pillar of salt. In America and many countries, you are seeing the many sins of abortion, same sex marriage, fornication, adultery, masturbation, and prostitution. The stench of your sins, and the angels of the aborted children are rising to heaven as a witness against your people. At the end of the Antichrist's reign during the tribulation, you will again see the fire of My justice fall upon the earth in My Comet of Chastisement. I will raise My people up so they are not killed by the comet. Then I will recreate the earth, and I will bring My faithful down into My Era of Peace as a reward for their obedience to My laws. Be prepared to suffer the coming Christian persecution, as My angels will protect My people at My refuges."

Wednesday, July 1, 2015: (Bl Junipero Serra)

Jesus said: “My people, in today’s Gospel I cast the demons out of the two possessed men into the pigs. When the pigs drowned, the people wanted Me to leave their town. They were more concerned about losing the pigs than the two men who were cured of the demons. You know I have the power to cast out demons, even when there are thousands of them. This scene of the legion of demons being cast out, reminds you of the attack of the thousands of flies that were in your new chapel and kitchen. This also was an attack of the demons, but your St. Michael prayer in the long form, was enough to remove the flies in My Name. You have not seen such an attack before or after, which means it was truly an evil attack on the new chapel. This chapel is blessed now by your priest, not only for being an interim refuge, but also it was exorcized to remove any evil from the attack of the flies. This is another example of My power over the evil ones because many blessings will be granted to those who come to your chapel.” Jesus said: “My people, I have shown you this water problem out West several times. As this drought continues, your cities will have to import water, or desalinate the ocean water. Water will be getting more expensive as you can only recycle the spent water so far that goes down the drain. Farmers are already letting some land go unused because of the water restrictions that you saw when you went out West. Many farmers are using drip irrigation and plastic sheeting to cut down on evaporation. These same kind of water concerns can occur at My refuges as well. I will multiply the water in your barrels so you have enough water to drink and for some washing. You could save some rainwater in barrels for your bathing and washing. I could provide some springs at your refuges for drinking. You may want to research some means to recycle water and find ways to purify water. Check the cost of various ways to provide fresh water, which you could produce at your refuges.”

Thursday, July 2, 2015:
God the Father said: “I AM WHO AM, is showing you the parallel between Abraham offering up his only son with Me, as I allowed My Only Begotten Son to be offered up for all of humanity. I called Abraham to test him and see if he would be willing to sacrifice his only son in obedience to My command. As you read in the Book of Genesis, Abraham immediately cut the wood, and took Isaac to Mt. Moriah. There he made an altar, and he was about to sacrifice his son with a knife. Then I sent My messenger angel to hold his hand, and I now knew that

Abraham would follow all of My commands, even to give up his only son. In a similar situation, but for different reasons, I promised man that I would send a Redeemer to save all of you from the sin of Adam and Eve. All of humanity has inherited a weakness to sin, and the gates of heaven have remained closed since there was no person or animal worthy of sacrifice to atone for all the sins of mankind. I love all of you so much that I sent My Only Begotten Son as a God-man, to be sacrificed in reparation for all of the sins of mankind. My Son is the only worthy sacrificial Lamb who could atone for the sins of mankind. Jesus died and was resurrected to show how all of you will be raised up on the last day, as your body will be reunited with your soul to be whole again. Give thanks and praise to Me that I allowed My Only Begotten Son to die for your sins, and bring you salvation of your souls. With My Son's death, the gates of heaven were opened to all souls who accept Me and seek the forgiveness of their sins. My Son is your Redeemer, and He is the only true Gate by which all souls can come into heaven."

Prayer Group:

Jesus said: "My people, the battle between good and evil is getting stronger every day, but there are fewer good people because they are dying off. You also have fewer people praying for souls than in the past. Many faithful souls are fighting the good fight, but there are more people doing evil, and less people are doing good things. You can call on Me to double your prayers as I multiply other things. Do not get lax in your prayers because more prayers are needed to offset today's evil. Instead of spending time on frivolous things, work more to do My work of saving souls."

Jesus said: "My people, I told you that My angels would assist My refuge builders in supplying more housing as people keep coming to your places of safe haven. All of these buildings will be invisible to your authorities, but the people need to have a cross on their foreheads to enter. My refuge builders need to have food, water, and bedding which can be multiplied. Be grateful that some faithful have said 'yes' to My call to have refuges."

Jesus said: "My son, I told you before not to feel overwhelmed with all of your work. It is important also to make some time for your prayers, even if you have to put off some other needed chores. Doing a little of everything can keep your other jobs from getting backed up. People, who try to put demands on you, need to be more patient, as you are working on their jobs. By keeping calm and steady in your work, things will get done in a reasonable length of time."

Jesus said: "My son, you are very pleased with your new altar and your Mass

needs that just came to your house. The altar is a very nice piece of work by your friendly carpenter. It is nice to be able to see your inlaid altar stone that was gifted to you a long time ago. You also received a nice pray-Dieu and some beautiful Stations of the Cross that will go well in your new chapel. Again you need to take your time to place everything in their proper places. You need to be thankful to all the people who have given you the things that you need."
Jesus said: "My son, your friends have seen your needs, and they are helping you very much without even being asked. You should know that I am touching hearts to help you in your needs, and that is why everything is coming together quickly because your time is short. You can thank Me for arranging these things for you, all for My greater glory."
Jesus said: "My people, you are seeing some financial problems with defaults and bankruptcies in Greece, Puerto Rico, and some of your cities. It is the pensions and the social service payments that are causing some government deficits which are causing your financial problems. As budgets have less money to finance governments, you will see the necessity to make some cutbacks in these payments because the tax revenue is not keeping up to pay everything. If these cuts are not made, you will be seeing more bankruptcies."
Jesus said: "My people, you are seeing some financial failures occurring in some countries and in your own cities. It is just a matter of time when the deficits in your countries will be too overextended and the debt holders will no longer support these deficits. Any increase in interest rates for your debts will only make things worse. You knew this day was coming because you cannot keep spending money that is not there by issuing more debt instruments. You are seeing this strain of debt on many countries, and this could precipitate a world banking crisis that will be worse than 2008. It is important to have your refuges ready, and even some extra food and water at home when the stores and banks will be closed. Pray for the people to find a means for survival in this coming financial crash."

July 18, 2015
Friday, July 3, 2015: (St. Thomas, our 50th Wedding Anniversary)
Jesus said: "My son, many people are congratulating you on your 50th anniversary of marriage, and this is a major milestone in your lives. You are an inspiration of commitment to a proper marriage of a man and a woman. In your society you are seeing many divorces, and even a flaunting of gay marriage in

your courts. In the beginning I made Adam and Eve as your original parents, and they brought up their children in an environment of love. You are seeing many attacks on the family, and this is why I encourage spouses to pray together in order to stay together. Even your friend, Ferdinand, gave you examples of how he and Barbara prayed together. I am the third partner in your marriage as you keep close to Me every day at Mass. I love all of you, and you know how I call My Church My bride, and I am the Groom. This love between spouses is a small example of even the love between the Three Persons of Our Blessed Trinity. If your world was more focused on loving Me and each other, there would not be so much fighting and killing."

Jesus said: "My people, as long as your heart keeps beating, you are responsible for the mission or missions that I have given you. This latest mission of preparing an interim refuge is a sign to you that your time is short before I will bring My Warning. Once you have this life review, you will be called to evangelize your family and any other souls who believe in Me. After the conversion time, you will see many fast moving events that will lead up to a takeover of your government. When the chip in the body is mandatory, and there is a financial collapse, then you will be led to My refuges of protection from those who want to kill Christians. Your refuge life will be rustic with the bare necessities, and I will multiply what you need to survive. You need to finish your basement and lawn preparations, as well as the rest of your needs for your chapel. Do not spend so much of your time on other tasks that take away from your prayers and your refuge needs. I will help you in all of your preparations."

July 18, 2015

Saturday, July 4, 2015: (Independence Day)

Jesus said: "My people, I have shown you many visions of the division in My Church, but this vision is showing you how the evil ones will be attacking the places for Mass. The evil dog shows you how the schismatic church will be taking over your churches. Again there will be a time when My faithful remnant will have to move your prayer services into the homes. You are celebrating the anniversary of your country's independence when you gave worship to Me on Sundays. Now, you have turned your backs on Me, and you are no longer obeying My Commandments in your abortions, same sex marriage, fornication, adultery, and even euthanasia. When your country was focused on Me, your country was great. Now, when your sins are rampant, your country will no

longer be great. Your decadence will bring about your desolation of destruction, when your country will be destroyed because of your evil laws and decisions of your Supreme Court. How long do you think that I will tolerate your evil lifestyles? You are testing My love, but you will bring down My justice upon you because of your sins against Me. Be prepared for the evil tribulation after My Warning. I will protect My faithful at My refuges, but those, who do not believe in Me, and do not accept My love, will perish in My punishment."

Sunday, July 5, 2015

July 18, 2015
Sunday, July 5, 2015:
Jesus said: "My people, you have read about the prophets and how they were mistreated, even as I was. When the prophets spoke out about the people's sins and the need for repentance, the people did not want to hear it. So they persecuted and even killed some prophets, as they did not want to hear about it anymore. So it is with the prophets of your day and your own messages from Me, that are critical of America's sins and your Supreme Court decisions. There are some prophets that have talked about refuges and preparing for martial law and the coming tribulation. Many of My messages have come true, and your people need to heed My words, even if they do not want to change their lives of sin. You can see the evil all around you, and you can sense that My punishment is on its way to all those living on the earth. I love all of you, and I will protect My remnant, but the evil ones will have to account for their sins."

Monday, July 6, 2015

July 18, 2015
Monday, July 6, 2015: (St. Maria Goretti)
Jesus said: "My people, as you get closer to the time of a martial law declaration, you are seeing more military operations all over your country. These military exercises are becoming more invasive and more obvious to the people. One of the means of hiding their plans is to use tunnels connecting the large cities. The tunnels enable them to station troops in coordinated positions, so they can come up when it is time for their takeover. Just as the evil ones are making their plans, so My refuge builders are making their plans as well. You do not know how dangerous it will be for My believers once the evil ones are allowed to persecute you. My faithful will need to come to My refuges, or they will risk martyrdom, if they stay in their homes. Trust in My protection as My angels will be helping

you."
Jesus said: "My son, you have been seeding the lawn after the contractor had soil pushed around your chapel addition. You are learning what it takes to get the grass growing. You are adding organic topsoil and good grass seed after cultivating the soil. Then you need plenty of water to germinate the seed. This is like the parable of the Sower where My Word is the seed that I plant in everyone's heart. There are some people who are like the seed that fell on rocky ground or untilled soil. In these cases My Word is heard, but it cannot take root because there is not enough soil, or they do not want to act on My Word. In other cases you removed the weeds and the stones, but the seed as it grew, was strangled by the cares and pleasures of this world. When you have fertile ground and water the seeds well, then My Word would yield thirty, sixty, and a hundredfold. This is a sign of My faithful who receive Me in faith, and they nourish My Word with prayers, Mass, and Confession. By keeping close to Me with a pure soul, then you will be ready to meet Me at the harvest of souls, as the wheat will be separated from the weeds. The wheat or My faithful, will be gathered into My barn of heaven, but the weeds or the evil ones, will be cast into the fires of hell."

Tuesday, July 7, 2015

July 18, 2015
Tuesday, July 7, 2015:
Jesus said: "My people, many of you are living a good and comfortable life in America. You have many entertainment distractions and pleasurable things to do, thanks to your technology. Your country and others are living well beyond your means as your government's deficits keep expanding. Eventually, your debts are going to bring you down, as your Social Security and Welfare payments will be unsustainable. You have been printing more bonds and dollars without any backing that will soon be unacceptable from your creditors. Once your dollars are worth less and you cannot pay your increasing bills, then you will see a crash of your economy. This will create a chaos, as people will be searching for food and water to survive. So do not rely on your money, but have trust and faith in Me that I will protect you through the coming tribulation. Your refuges will be your safe havens during this persecution of Christians."
Jesus said: "My people, there will be several plagues that will torture the evil ones of the earth, before they are cast into hell. There will be only two types of people who will live during the tribulation of the Antichrist. One group will have

crosses on their foreheads, who were marked by My good angels. The other group will be more evil, without any cross on their foreheads. It is the people without crosses on their foreheads, who will be tortured by the plagues during the tribulation. One of these plagues is mentioned in the Book of Revelation (9:1-11) that refers to a plague of large scorpions as large as horses. They will come up out of the smoke of hell, and they will sting the evil ones for five months, but the evil ones will not be killed. This punishment of the non-believers is befitting for their offenses against Me in their sins, when they did not seek My forgiveness."

Wednesday, July 8, 2015

July 18, 2015
Wednesday, July 8, 2015:
Jesus said: "My people, you remember the account of the dream that Pharaoh had before the famine, when he saw seven fat cows followed by seven lean cows. Joseph interpreted the dream as meaning there would be seven years of plenty, and this would be followed by seven years of famine. So Joseph had his workers store the extra harvest for the coming years of famine. Once the famine occurred, then there was wheat to ration out to those people who were starving. This is a similar story for today. I have given you many messages of a coming world famine, and that you need to have a year's supply of food in your houses. This coming famine will be mostly man-made, even as the evil one world people are causing a drought in California to limit your food production. These same evil ones will try and force people to take a chip in the body in order to buy food. This is why you will need extra food in your houses for the famine to come. At My refuges, My faithful builders are storing food as well that I will multiply during the tribulation. Have at least some provisions on hand so they can be multiplied. I know your physical needs to survive, so you can trust that I will help you in your need. Those people, who are mocking you for storing food, will be the loudest to complain when they are dying of hunger and thirst."
Jesus said: "My people, with today's events and other occurrences, you are realizing how vulnerable your internet technology is to hackers or computer crimes. Some hacker groups even warned you that there would be problems today with your stock market. If these groups can shut down your stock market in New York and United Airlines, they could also bring down your communications and your electricity. Your country needs to start working on backup systems that are not connected to the internet, or you could even be

blackmailed by the hackers. Even intranet connections could be hacked. These attacks are a lesson to you to have backups for your communications and your electricity. You have another event going on in China's stock market that looks like another market bubble, where Chinese stocks have become overvalued compared to the real earnings. This stock decline could have some repercussions on China's economy, which is not as vigorous as it was before. China's economy is very linked with America's economy, because you import so much of their goods, and they were buying a lot of your debt instruments. If China stops buying your Treasury Notes, or they begin to sell them, your deficits will become difficult to finance. This is a warning to your government to stop its overspending, or your will face a bankruptcy or a currency crash. Be watchful of your markets because your deficits are getting unsustainable. I have warned you of the possibility of a currency crash, or a debt bankruptcy that you could not pay back. Such a crash could precipitate a martial law takeover that your government has been planning for some time. Once your lives are in danger, I will warn you to come to My refuges of protection. Trust in Me to bring My victory over Satan and the Antichrist."

July 18, 2015
Thursday, July 9, 2015: (St. Augustine and companions)
Jesus said: "My son, you have been following the account of Joseph and how it was My plan that he was sent to Egypt, so he could be instrumental in interpreting the Pharaoh's dream to provide wheat for the famine. Events happen, but you do not always realize that they occur for a specific reason. In your own mission I have been warning the people how to prepare for the coming tribulation. Storing food and preparing refuges will also be needed when you will all be confronted with the evil of the Antichrist and his minions. You will need the protection of My angels, and you are spreading this message. Now, in these late stages before these events will come about, I have asked you to prepare a safe haven for your family and friends. I have warned you that your time has run out, and the events of the end times are already unfolding. You are seeing many financial problems getting worse because of your reliance on deficit spending, not only in your country, but also in other countries. Between your sins and your greed for wealth, you are seeing a coming decline in your country's economy. If you paid heed to My laws and repented of your sins, then you could turn things around. As it is, your country is not repenting, and you are

turning to more evil with your same sex marriage. Expect My punishment to take your country down through the one world people."
Prayer Group:
Jesus said: "My people, some of you may be familiar with the twenty-one missions along the coast of California that were started by Blessed Junipero Serra, who had his feast recently. (7-1-15) I am showing you these missions because they are living history where some still have Sunday Masses there. Some of the Indians were converted through these missions, and they will be places of safe haven in the end days of persecution."
Jesus said: "My people, this door represents the doorway to your hearts. When you open the door from the inside, you are being open to My love, and you can ask the forgiveness for your sins. Those, who do not open the door to My knocking, are those souls who do not love Me. I will always forgive a repentant sinner. I do not force My love on you, but I want you to love Me of your own free will."
Jesus said: "My son, you are happy with all the things that are now placed into your chapel. You have a new altar, some beautiful Stations of the Cross, a new lectern, and some chairs. Now, you are praying your rosaries in this chapel, and it is a holy feeling when you are in there. Some people have admired the beauty of your chapel, complete with the symbols of God the Father on your glass doors. I have given you messages of how people will be blessed for being in this chapel, especially during the Mass."
Jesus said: "My people, I have shown you this prison as an example detention center death camp. This is where the one world people want to place all those people who refuse to take the mark of the beast, and will not accept the new world order as their government. Once the Antichrist comes into power, he will try and kill all of My faithful believers. This is why I have asked some faithful to set up refuges for your protection. My angels will make you invisible, and I will provide all that you need for your survival. Do not be afraid of the evil ones, even if you are martyred for your faith. All martyrs will become instant saints with Me in heaven."
Jesus said: "My people, some of you might think farmers are not in a desirable profession because farming requires hard work, and they are at the mercy of the weather. The smaller farmers can barely make a living because of the price controls for their crops. They provide the food you eat, and they will be very important during the coming world famine. The farmers' crops are perishable, and they have to take great care so their harvest is stored properly. You need to

be thankful for the people who bring you your food. You may also have to store some extra food when it will be more valuable than any amount of money. This is why I showed you a farmer in a gold light."
Jesus said: "My people, you are blessed to have faithful spouses for many years. The love of a married couple is very much how I love My Church as a bride. The married love usually bears children, and eventually grandchildren. Some couples are even further blessed to have great grandchildren. You are drawn to Me first, but your love for your spouse is a beautiful life in this world with many trials and broken families. This is why when a spouse dies, it is very traumatic for the surviving spouse. Pray for all families, and especially for widows and widowers."
Jesus said: "My people, whenever stock prices drop, whether in America or China, the stockholders are stressed over any losses. It is hard to find investments that do not fluctuate and make enough money for a living. Your low interest rates have pushed some people into stocks, but there is always a risk of loss. When your money crashes from your overspending, it will not matter how much money you have. This is why I encouraged you to buy some extra food because the food will be more valuable for your survival than worthless money. Trust in Me to provide what you need at My refuges."
From Carl, our old deceased neighbor: "I want to tell Carol that her dream about me was a confirmation that Marian and I are now in heaven thanks to your prayers and Masses."

Friday, July 10, 2015:
Jesus said: "My people, this vision will be a sad day when My churches will start worshiping New Age gods and goddesses. You are seeing the gold dust rising in the vision, since it represents My Real Presence leaving this church, because the priest will not be praying the proper words of Consecration. This is how the schismatic churches will be taking over your churches. In the schismatic churches I will no longer be present in their tabernacles. This again will cause a division in My Church, where eventually, My faithful remnant will have to come to the homes for their prayer services. You have had the proper Mass in your churches for many years, but this new schismatic church will take over very quickly and soon. This is one more sign that you will be coming to My refuges, as these end time signs will become very apparent. Do not lose hope or be afraid,

because My angels will protect you at My refuges."
Jesus said: "My people, in the last few days you have seen hacking attacks on your NY Stock Exchange, United Airlines, US Government employees, and now Ameritrade. You have seen cover up stories of new software updates as the cause, because they do not want the public to know it is hackers or terrorists doing this. You have even had hints that foreign governments were behind the hacking. In the vision you are seeing train derailments being caused by hackers in changing the track switches. As long as your internet is connected to various means of transportation, it can be hacked to cause damage and the loss of lives. This is why I told you before, it is better not to be linked to the internet when someone could create a damaging device. Just as computers can be helpful, they also can be manipulated to cause evil outcomes. Pray that you will have better detectives to foil anymore people with bad intentions that steal identities or cause mechanical failures."

Saturday, July 11, 2015: (St. Benedict)
Jesus said: "My people, today, you celebrate the feast of St. Benedict, who brought you a monastic life of prayer. You also remember to carry your St. Benedict medal as a way to protect yourself from the demons, as it is a medal of exorcism. I have emphasized this to you when your silver medal of St. Benedict turned to gold. Let this feast day help you to remember the importance of praying your rosaries every day, and to make time for Me every day. In your Adoration time, remember also to take five or ten minutes of silent prayer in contemplative prayer so you are united with Me in love. In the vision I have shown you My footsteps because I want all of you to follow in My footsteps, so you can imitate how I lived. I lived very simply, and I was constantly in prayer to be united with My heavenly Father in love. I want you to do everything for Me out of love for Me. This means giving your will over to Me so you can carry out your individual missions. I may lead you to do things out of your comfort zone, but be willing to go the extra mile to save souls from hell. I thank all of My faithful for taking up their cross to follow Me in My footsteps."
(4:00 p.m. Vigil Mass) Jesus said: "My people, when you have a vivid picture of how souls are suffering in hell for all eternity, you have an added incentive to prevent more souls from going there in your conversion efforts. When you have a hot day without any air conditioning, you are very uncomfortable, and

sweating from the heat. Your little suffering on earth is nothing compared to be being roasted black in the pits of hell. When people reject Me, and worship their possessions and pleasures, they do not realize what judgment awaits them. This is why I need My evangelists and My prophets to wake these people up to the reality of choosing the right eternal destination for their souls. To obey My Commandments and show love to Me and your neighbors, may take some sacrifices, but you do not want to face My judging you to hell. It is either heaven or hell. These are the only two choices. You would much rather choose Me, who loves you, than Satan, who hates you."

Sunday, July 12, 2015:
Jesus said: "My people, when you see Me as a living Tree of Life, you think of Me as the Vine, and you are the branches. You need to draw your daily sustenance from Me in My Eucharist, so your spiritual life can keep growing. I have also talked to you of being a good tree that bears good fruit of conversions in your evangelization. You do not want to be a bad tree that bears bad fruit, or a barren tree with no fruit at all, because you would not be putting any effort into converting souls. The vision of the rings of a tree represents all the years that you have worked in My service. It is for your endurance as a good Christian that you will one day be rewarded in heaven at your judgment. As long as you are alive, you are all summoned, as My apostles, to go out and spread My Good News to all the nations."

July 18, 2015
Monday, July 13, 2015: (Doris Metzger Miller Memorial Mass)
Jesus said: "My people, your life on earth is very short, before you are in the casket. You are born and you grown up quickly, and then you become old and wonder where all the years went. While you are going through life, you may not think much about death, but as you grow older and see all of your parents and friends die, then you realize how you need to be ready to meet Me at your judgment. If you are one of My faithful, then you have been close to Me in love all of your life. Even if you need some purification in purgatory, your goal has always been to be with Me in heaven. I beg you to do whatever you can to help save as many souls from hell as you can. There are many souls who do not know

Me, or do not love Me out of ignorance, and some who openly reject Me. These souls do not realize the danger they are in, if they should be lost in hell. Only those souls who seek the forgiveness of their sins, and love Me, will enter into heaven. I will allow some souls to be saved by the prayers of their friends or relatives. Those people, who continue to reject Me, even at their judgment, will be lost forever in the eternal flames of hell."
Jesus said: "My people, you measure time by your watches, and by your calendars. You measure 24 hours in each day for one revolution of the earth, and you measure 365 days in a year for the earth to make a complete orbit around the sun. Time is a fleeting thing, and you can notice how your body ages over time. I am showing you your life's time line that you will see in your Warning experience. You will come out of your body to see My Light, and then you will see a total review of your life from conception to the present moment. You will review every moment of your life, and you will be held accountable for how you spent your time. You will see how much you loved Me and your neighbor each day, because you will be judged on the intentions of your actions. If you truly love Me, you will try to do everything for Me, and not just for yourself. I know all of you are sinners and weak to sin, but you must come to Confession to seek My forgiveness of your sins. After the Warning, some people will be open to conversion, but many will not change, even if they see their mini-judgment of going to hell without any change. I love everyone, but each soul has a free will to love Me in return or not. Those souls, who love Me and ask forgiveness of their sins, will be with Me in heaven. Those souls, who reject My love and refuse to repent of their sins, are on the road to hell."

Tuesday, July 14, 2015: (St. Kateri Tekakwitha)
Jesus said: "My people, woe to America, as well as Sodom and Gomorrah, for you all will suffer punishment on the judgment day. Your recent Supreme Court decisions of approving gay marriage and your Obama Care Law are placing more nails in your coffin as a nation. Your nation's sin can be measured by your laws and decisions that defy My Commandments. By forcing your states to accept these sins as legal, you are going against My plan for your lives. Even My faithful can be put into prison for calling homosexual acts sins, according to your hate crime laws. You will be facing more destructive storms, earthquakes, and bankruptcies as a punishment for your sins. America needs to repent, or many of

your people will be going down to the nether world, as the cities I condemned in today's Gospel."
Jesus said: "My people, you have seen new grass as it comes through the soil, after it has been nurtured and watered well. I am giving you this image because I want My faithful to build up My Church by nurturing converts to the faith. You have seen where people have Adoration of My Blessed Sacrament. This is where you have fertile ground for new priests and new converts. Teach the people how to pray the rosary and make visits to My tabernacles. This will also help nourish souls in their spiritual lives. When you pray, you are telling Me how much you love Me, and I listen to all of your prayers. New converts can be brought to the priest and the RICA for training to be Catholics, or to reconvert Catholics. I have given you My Commandments, and the Third Commandment is how you are to keep Sunday holy by coming to worship Me at Mass, and to limit your servile work on My day of rest. I do not ask for that much time of My faithful, but at least to set aside one hour a week at Sunday Mass. Many people like to claim they are Catholics, but it is those who make the effort to come to Sunday Mass, who are putting their words into action."

July 30, 2015
Wednesday, July 15, 2015: (St. Bonaventure)
God the Father said: "My son, I AM WHO AM is here today to remind you of how I appeared to Moses as a burning bush that was not consumed by the fire. I also told Moses to remove his sandals to honor My holy ground. You have made a beautiful chapel in My honor, and you have a symbol of My burning bush on your glass window. Whenever you have Mass, you know that Myself, Jesus, and God the Holy Spirit are all Present in the Eucharist. This is why you kneel in Our Presence as holy ground, and you are blessed to receive Us into your souls. It is appropriate to have all the beautiful things as an altar, Stations of the Cross, and vessels for Mass, but remember that it is Our Presence that is most important to honor and worship. You have the Sacrifice of My Beloved Son, Jesus, which is re-enacted at each Mass under the appearance of bread and wine. Remember that I helped Moses to set the Israelites free of the bondage of the Egyptians. Now, with the Sacrifice of My Beloved Son's Body and Blood, you all have been set free of the bondage of your sins. My Beloved Son has brought salvation to all sinners who wish to accept Him and repent of their sins. Even in the Scriptures, I have sent many prophets to proclaim the coming of a Redeemer to

open the gates of heaven to all worthy souls. Now, I am sending you more prophets to prepare the people for My Beloved Son's return in victory over the Antichrist and the evil ones in the coming tribulation. You will be needing Our protection at your interim and final refuges as safe havens to protect you from the evil ones. Trust in My power as My angels will protect you, and bring you Holy Communion every day, if you do not have a priest."
God the Father said: "I AM WHO AM is showing you how important My Ten Commandments are for everyone, because they are all about love of Me and love of your neighbor. You are reading about the account of Moses, and how I sent him on a mission to free the people of Israel from the Egyptians' oppression. Later, once the people were freed, I directed Moses to bring the people to Mount Sinai where I would give them My Ten Commandments. These Commandments are My spiritual way of life, and they need to be obeyed. Those people, who violate My Commandments, commit a sin that should be forgiven in Confession. Some people do not even know what My Ten Commandments are, which is why I want you to quote them in this message so the people know what they say. In the same way of information, I want you to have a picture or a display of the Words of My Ten Commandments in your chapel dedicated to Me." The Ten Commandments are:
1) I am the Lord your God. You shall worship the Lord your God, and Him only shall you serve.
2) You shall not take the name of the Lord your God in vain.
3) Remember to keep holy the Lord's Day.
4) Honor your father and your mother.
5) You shall not kill.
6) You shall not commit adultery
7) You shall not steal.
8) You shall not bear false witness against your neighbor.
9) You shall not covet your neighbor's wife.
10) You shall not covet your neighbor's goods.

July 30, 2015
Thursday, July 16, 2015: (Our Lady of Mount Carmel)
God the Father said: "I AM WHO AM is emphasizing in the reading how I gave Moses My Name to tell the Israelites, which is 'I AM WHO AM'. This is My Name forever in your hearing. I also told Moses that I would release the people

from the Egyptians' slavery, but it would take miracles for Pharaoh to accept this release. This was a prophecy of the plagues that I would bring upon Egypt to let My people go. Even today, you again are seeing how the evil ones are controlling you, and their persecution of Christians will get worse. Just as I punished Sodom and the Egyptians, so I will bring punishment upon this evil world, and a victory over the Antichrist and the demons. Be patient during the tribulation at My refuges, and remain faithful to Me, and you will have your reward in My Era of Peace, and later in heaven."

Prayer Group:

Jesus said: "My people, when you are trying to help your neighbor in any way, make sure that what you are doing for them, is what they want. Sometimes you mean well, but your neighbor may have different preferences that you did not consider. You love your neighbor, and hopefully they understand your good intentions. It is good works that you need to store up in heaven, without looking to be rewarded here on earth."

Jesus said: "My people, you are seeing your military people performing exercises in a civilian setting. You are on the verge of a police state, much like what occurred in the aftermath of Hurricane Katrina. I have warned you that you could see some serious events that could lead up to a crash of your financial system. It is the derivatives that your banks have purchased that are gambling with the depositors money. Once these trillions of dollars of derivatives fail, you could see a crash of the financial system in America and possibly the whole world. Pray for My protection at your refuges."

Jesus said: "My people, many of your people think America will go on leading the world in finances and military power. Your people appear to be better off than some nations, but you are very dependent on China to provide many of your manufactured items, and even your processed foods. It is your corporations that have sought China's cheap labor to make their products. You may not realize it, but the one world people are controlling what you can buy and own. Be prepared to come to My refuges of protection, when the one world people choose their time for a takeover of America."

Jesus said: "My people, most of My refuge builders have been preparing their refuges over a number of years. It is those builders, who are just getting started, that are trying to catch up on their work in a short space of time. You have very little time to finish your preparations. You may need to make some short cuts in your plans to get ready on time. I will comfort these late builders with the help of My angels who could finish up any needed preparations. My angels could

multiply your food and your bedding as needed. They could even multiply your building to house those who come to your refuge. It is best to buy some of your needs so they could be multiplied later. Fear not the evil ones because My angels will protect you from harm."
Jesus said: "My people, you may think that you can bring all of your family members into the closest refuge, but they all need to have crosses on their foreheads in order to enter My refuges. My angels will not allow anyone without a cross on the forehead to enter. You can only receive a cross on the forehead from My angels, if you are one of My faithful believers. This is why it is important after the Warning to try and evangelize all of your family members to the faith. They all need to be believers before they can come to My refuges. You do not want to see any of your family members refused entry to My refuges. Pray that all of your family members can be converted to full believers in Me."
Jesus said: "My people, when you have your meetings, people bring a dish to pass. You are getting a preview of how life will be at your refuges. The preparation and multiplication of food will be one of your first concerns. I told you that I would bring deer into your refuges for meat, just as I brought quail to My people in the desert. Do not complain about the food, and be thankful that you will have a daily Holy Communion. Some of you could even survive alone on My Eucharist. Trust in Me that I will protect you and provide for your needs at all of My refuges."
Jesus said: "My people, all of those people, who live in the time of the coming tribulation, will all be rewarded in My Era of Peace. Those people, who are martyred for their faith, will be raised up to teach My people in the Era of Peace. So do not be concerned with how long the tribulation will be, and do not worry about what you are to eat, drink, or where you will sleep. I will shorten the time of the tribulation by shortening the length of the day for less than 3½ years. Trust in Me at all times, and you will be rewarded for your faithful endurance."

July 30, 2015
Friday, July 17, 2015:
Jesus said: "My people, today's first reading shows how Moses was instructed how to set up the Passover Meal with bitter herbs and unleavened bread as a meal in haste. This was the night when they were to spread the lamb's blood over their door posts and lintel, so the angel of destruction would pass over their houses. They were to prepare an unblemished male lamb. You can see all of the

parallels of the Mass with the Last Supper that commemorated the Passover Meal. The Passover is celebrated only once a year, but Mass is celebrated every day. In the Mass you have Me as the unblemished male Lamb of God, because I am the Second Person of the Most Blessed Trinity. You are eating My Body and drinking My Blood at Holy Communion time, and the unleavened bread is what you receive, along with the consecrated wine. The Israelites offered up the blood of animals, but you have My Body and Blood offered up on the cross as the daily Sacrifice of the Mass. It is My Body and Blood that has forgiven your sins and has opened the gates of heaven. The Israelites were freed from the bondage of Pharaoh, but all sinners are released from their bondage of sin by My sacrifice on the cross. Rejoice that you can receive your Lord every day at Mass in Holy Communion, because My grace nourishes your soul with My spiritual Food." Jesus said: "My people, you remember when the people wanted to capture Me in the Garden of Gethsemene, St. Peter cut off the ear of the servant, Malchus. I told St. Peter to put away his sword 'for all those who take up the sword, will perish by the sword.' (Matt. 26:52) You have seen many people killed in wars, which the one world people have instigated to make money on the weapons. Over the years your people have made more deadly weapons that could kill many people, as your nuclear weapons. You have seen poison gases, nerve gases, and even virulent viruses that could also kill many people. This is why you cannot take up guns against the one world people, because they have more powerful weapons than your guns. Prayers and My angels' invisible shields will be your best weapons against the evil ones. Because they want to kill all Christians, you will need to come to My refuges where My angels will protect you. It is better not to use guns in your defense because I do not want you to kill people. You can protect yourself from an immediate threat to your lives, or your family, but it would be better to come to My refuges. Trust in My protection, and in My providing for your needs."

Saturday, July 18, 2015

July 30, 2015

Saturday, July 18, 2015: (St. Camillis de Lellis, Chuck's 50 ann. Mass for us) Jesus said: "My people, after the firstborn among the Egyptians were slain by the destroying angel, the Pharaoh let My people go. Moses led the people out into the desert in search of the Promised Land. During the Exodus, the people roamed the desert for forty years. They were protected at the Red Sea from the Egyptian soldiers. They were given manna in the morning to eat, and in the

evening they had quail come into the camp for their meat. Moses struck the rock for water, and he held up the bronze serpent to heal those who were bitten by the seraph serpents. This is a foreshadowing of the modern day Exodus that My people will suffer during the coming tribulation. My angels will defend you with an invisible shield from those trying to kill you. You will see a luminous cross or you will drink spring water to be healed of all of your ailments. You will have My Flesh and Blood to take in daily Holy Communion by My angel or by a priest. You will have springs of water to drink, and deer will come into your camps for meat. I will be lifted up on the cross to free you from your bondage of sin. At the end of the tribulation, I will destroy the evil ones, and recreate the earth, as you will be brought into your own Promised Land of My Era of Peace. You will rejoice in My victory over the evil ones, just as the Egyptian soldiers were drowned in defeat."

Our Lady said: "My dear children, I love all of you, and I am happy that you could come to my shrine each year, as I bring you to my Son, Jesus, in the Mass. Thank you for praying my rosary for your intentions. You know how there are different views on many subjects, but my children need to be faithful to your Catholic teachings. You are faced today with abortions, homosexual marriage, and couples living together in fornication. You need to separate the sin from the sinner because you are all sinners. You are called to love all of your neighbors, but you do not have to accept their sinful behavior as being right. If you are directly questioned about a truth of my Son's Church, you need to abide by the Commandments, and admit the above sins are serious mortal sins. Even if you are threatened by those who think differently, you need to keep faithful to my Son's teachings."

Jesus said: "My people, you see people in pain all around you, as they are suffering from poor legs or other ailments. I want you to pray for all those people who are suffering in pain today. I pray that those people, who are suffering, could offer up their pain to Me to help souls in need of conversion. Even St. Therese offered up all of her daily actions to Me for redemptive merit. All of you could so the same in offering up all of your actions to help people spiritually and physically. By uniting your actions and pains on the cross with Me, you can help many souls in their trials. You can also offer up your prayers and pains to help the poor souls in purgatory who are suffering their pain of purification. The more you can suffer with Me for other souls, the more treasure you will be storing up in heaven for your judgment, to offset the punishment due for your sins. You can also call on Me to help you fight the evil ones when they

are attacking you. You need to have faith that I can help you in any distress. You prayed to Me in confidence that I could get you through to your website, when it was not working all day. After your prayer, you were successful in uploading your recent messages, and your new speaking places with the details. Give praise and thanks to Me for coming to your assistance in faith."

Sunday, July 19, 2015

July 30, 2015
Sunday, July 19, 2015:
Jesus said: "My people, in the Gospel My apostles had just returned from evangelizing new converts to the faith, and they healed people of various ailments. I initially was calling My disciples to a deserted place to relax and pray. It is good to spend some quiet time with Me, as in retreats, where there are few people, and time to meditate. When we disembarked from the boats, many people had found us in a deserted place. I felt all of these people were without a shepherd, and I did not want them to starve there. So I multiplied the bread and fish for the five thousand people. They then collected twelve baskets of remaining fragments. You are about to go on a pilgrimage to St. Ann de Beaupres in Canada, and it will take a few days travel both coming and going. When you get there, you will be among your friends as you enjoy a retreat of prayer and a procession. Do not let any travel problems disturb your peace, because the devil tries to upset your peace of mind. Look on this pilgrimage as a retreat that will settle your soul in My peace. Those, who go on these pilgrimages, gain many graces for all of their efforts."

Monday, July 20, 2015

July 30, 2015
Monday, July 20, 2015: (St. Apollinaris)
Jesus said: "My people, how quickly the Israelites forgot about all the miracles that were performed that allowed their freedom from Pharaoh. It was the killing of all the firstborn children of the Egyptians that broke the resolve of Pharaoh to let the slaves go. Then again in the desert I led the people through the Red Sea on dry land. As the Egyptians pursued the Israelites, the soldiers were drowned as the sea flowed back to its normal level. These were great miracles that the Jews remember to this day. It is the faith in My protection that came to the Israelites' aid when they needed My help. Even today, My faithful have to have faith that I can protect them from any demons, or the attacks of the one world

people. This is why I will provide you My protection at My refuges, because you have faith in My help. In the Gospel I told the people how I would lie in the tomb for three days before My Resurrection, just as Jonah was in the belly of the fish for three days. I also told them that Jonah's account of repenting was the only sign that I would give the people. They saw many of My miracles, and they still would not believe in Me. I told them that I was greater than Jonah and King Solomon. Sometimes the people of today are also looking for signs, but I perform miracles in their lives every day that they do not always recognize."
Jesus said: "My people, 'Freedom' means different things to different people. If you lived in a communist country, freedom would mean you were no longer controlled by the government. If you lived in chronic pain, freedom would mean being free from pain as at My refuges or in the Era of Peace. If you were stressed by evil people or demon possession, freedom would mean being free of evil. If you were suffering souls in purgatory, freedom would mean being released from purgatory into heaven. Heaven should be your ideal goal when you are finally free of your bodily weaknesses to sin. Even the Era of Peace would be free of evil and sickness. Living at My refuges would also be free of sickness and persecution. Living in America is free of communist control, but it is still corrupted by the one world people. You can offer up all of your troubles and sicknesses to Me, and I will store your merits in heaven. You are fortunate that this life is brief, but you can try to do everything for Me and My greater glory. Once you come to My Era of Peace, you will be living as I meant life to be for man. Strive to be in the higher levels of heaven, and you will be totally satisfied in your soul and in your spirit."

Tuesday, July 21, 2015

July 30, 2015
Tuesday, July 21, 2015: (St. Lawrence of Brindisi)
Jesus said: "My people, there are many different sources of light that you encounter every day. At night you need a light to find your way in your house amidst the darkness. This vision of a lampshade is to provide light, but to ease your eyes from the brightness of your light bulb. You have artificial light with your light fixtures, but you also have sunlight and moonlight at times. In the Era of Peace you will have My Light of the Son of God. I am even referred to as the 'Light of the world' because I have redeemed all of mankind by removing the darkness of sin. Many light sources give off heat as well as light. The sun warms the whole earth during the day, and it gets colder at night. In the same way, you

experience the warmth of My love spiritually in your heart and in your soul. When you receive Me in Holy Communion, I light up your life, and I give you direction to follow Me in your life's mission. There are some people, who have had near death experiences, so they claim that they are drawn to My Light in their judgment. When you live in My Presence in My Era of Peace or in heaven, you will truly experience My Light and My love as all encompassing. You will be as one with Me, but you will still have your soul body."
Jesus said: "My son, today you are celebrating 22 years since I first started giving you messages in 1993. It is also the 11th anniversary of your mother's death in 2004. Over the years you have been faithful to Me in your daily Mass and Holy Communion that you started in 1959. In the vision you saw a train track that turned into two snakes. This is an indication of how the demons could mislead you on the wrong track. You were in fact detoured from Me while you were addicted to computer programming. You still kept praying your prayers and coming to Mass, but it was your trip to Medjugore that allowed you a miracle to drop your computer addiction. Give praise and thanks to Me, because after stopping your computer programming, you now had the time to do My mission, by giving Me your free will. I have been able to use you to spread My messages of evangelization to all the people who read your books, or the messages at johnleary.com. You are announcing the need to prepare for the tribulation, and make refuges ready for the protection of My faithful. By forewarning the people about the events to come, you will help the people to get ready spiritually for the Warning, and a mini-judgment with Me about your life's actions. I thank you, My son, for all that you have done to lead souls to Me."

Wednesday, July 22, 2015

July 30, 2015
Wednesday, July 22, 2015: (St. Mary Magdalene)
Jesus said: "My people, you have read in the Scriptures how the people of the Exodus did not know where they would get food and water in the desert. I had to perform many more miracles for the people to have water, meat, and bread in the desert. These people had concerns for their survival, so I had Moses strike the rock to get enough water for all the people to drink. Then in the morning they gathered manna, and they ate quail for meat at night. They complained about the manna, and they suffered snake bites as a punishment. Moses held up the bronze serpent on a pole, so when they looked on it, they were healed. This is a preview of your refuge living during the persecution of the tribulation. Expect your

people to be frightened and concerned about survival as well. You will need counseling to calm down the fears of the people. I will multiply your water and provide a spring for water as well. You will have My daily Eucharistic manna from My angels or a priest. You will have deer for meat, and I will multiply your other food. You will have daily perpetual Adoration of My consecrated Host at My refuges. You will see healing from the luminous cross and the healing spring water. Trust in My protection as My angels will put an invisible shield around you. The tribulation will be brief, but you will be rewarded in My Era of Peace for being faithful to My miracles."
Jesus said: "My people, you have been on this pilgrimage to St. Ann de Beaupres several times, and you know how the evil one tries to test you to keep you from getting to your destination on time. In a previous message I warned you to pray for safe travel, and to not be upset by any disturbances in your travels. You have seen car problems in the past, so you know enough to pray your long form of the St. Michael prayer for your protection. You have enough time to pray your three rosaries for the day in the car. All of you will receive graces for making this pilgrimage to St. Ann's. You are meeting because of the feast day, but also to have an opportunity to be with your friends. Call on St. Ann to guide you safely to your destination. With My protection and that of My saints and angels, you should arrive safely without any incident. God bless all of you for coming to St. Ann's these last several years."

July 30, 2015
Thursday, July 23, 2015:
Jesus said: "My people, just as you are offended by loud sounds that are not real music on an organ, so I am offended by the sight and sound of your sinful actions. It is true that this organ music represents confusion in My Church. Some various comments on homosexual marriage and global warming have confused the faithful on what is being taught. I have mentioned before that you need to speak out in defense of My proper teachings on marriage in your Catechism of My Catholic Church, regardless if you are criticized for your position."
Jesus said: "My people, I thank all of you for coming to Cape de Madeleine on your way to visit the Shrine of St. Ann de Beaupres. You have witnessed a few difficulties in the bird droppings, the detour at Fulton, N.Y., and a small problem in finding the hotel. You have been somewhat reserved in facing these problems, but you need to call on Me and St. Michael to help you stay calm, and realize

that Satan is testing you. You are seeing a battle of good and evil every time that you try to do something good. Keep striving to do good works for your neighbor, despite any harassment that you may receive from the devil. I read you good intentions in your heart, and I will reward you for your efforts."
Our Lady said: "My dear children, I thank you for praying my three rosaries in your car, and for all the rosaries that you pray every day. My rosary and my scapular are your best weapons to fight the evil of this world. I thank you for also giving me your special petitions that I will give to my Son as your intercessor. You have your picture in your room of my Immaculate Heart, and my Son's Sacred Heart. Our hearts are joined as one, and we want to join your heart with our hearts as well. You have read of the great miracles here that have lifted up the faith of the pilgrims that come here. I know how my children believe in miracles, especially the greatest miracle of my Son's Resurrection from the dead. Help spread the love of my Son, and His Good News of your salvation. We love all of you so much, and we invite you to share your love with us in your prayers and your actions."

Friday, July 24, 2015: (St. Charbel)
God the Father said: "I AM WHO AM, is with you My son, and I want to thank you for putting up a copy of My Ten Commandments in your chapel. As you were considering going to Confession at St. Ann de Beaupres, you know that you can use My Ten Commandments as your preparation for Confession. There are more meanings to each Commandment as you have read before. It is good to make a proper examination of your conscience, as you are preparing to meet the priest, who represents Me. You are all sinners, and you need to repent of your sins and ask for My forgiveness. You were hearing that some people think My Commandments are something that is old and forgotten. I assure you that all of My Words are meant to always be remembered because My Commandments are forever. It is the devil who wants you to believe that the Commandments are old-fashioned. Do not listen to him, because My Words of love are forever. My Words are meant for you to live by them as a part of you in your body and in your spirit. They are not suggestions as some may think, but they are My Commands, which means they are to always be followed. You can confess your sins at any time, because I will forgive all repentant sinners. I love all of you, and I want you to love Me as well. You can show Me your love by following My

Commandments. My faithful should also make an effort to encourage all of your family and friends to come to Confession at least once a month. You are all evangelists, and encouraging repentance among My people, is the best that you can do to help save souls from hell. The Holy Spirit will give you what to say, but go forward and share My Ten Commandments with everyone."
Jesus said: "My son, I thank you for praying My Chaplet of Divine Mercy, the rosary, and My Stations of the Cross. As you finished the Stations of the Cross, you were reminded of your Stations that you were given, and that you have hung on your chapel walls. I have made many requests of you, but I desire that on Fridays, when you are home, that you pray My Stations of the Cross, just as you do on the Fridays of Lent. Keep your folder of the Stations of the Cross in your chapel. When you pray My Stations, I want you to offer up all of your pains and troubles so you can unite them with My suffering on the cross. I will apply all of your merits to help save souls from hell. You know clearly how I came as your Redeemer to offer up My life for all of your sins. Give praise and thanks to Me for this most precious gift of My Life, so that all sinners will have an opportunity to be saved, if they repent of their sins, and accept Me as Master of their lives. I am giving you this blessed bridge to bring My faithful to heaven one day."

July 30, 2015
Saturday, July 25, 2015: (St. James)
Jesus said: "My people, today's message is about personal pride both in an earthly and spiritual way. The devil uses pride as one of the deadly sins to take away your focus on Me, and put the focus on yourself. Instead, My faithful need to be humble and practice the virtue of humility, which is the opposite of pride. I want My faithful to do everything in following My Will for My greater glory. Whenever you accomplish something, you need to give praise and honor to Me for helping you in your work. When you humble yourself and acknowledge Me in all that you do, you will be pleasing Me to show that it is My power and grace that accomplishes things in your life. Pride focuses on self, but humility focuses on Me. Do not think that you are better than someone else, but it is My grace that is helping you. When you pray and give all the glory to Me, you will be great in the eyes of those in heaven. It is better to do things in secret, so your heavenly Father sees it, and He will reward you in heaven. When you do things for the glory of men and women, then you will already be rewarded here on earth. Be humble and give your respect to Me, and that will be enough for you.

Take the opportunity to come and give Me praise in front of My Blessed Sacrament. The more you show your love for Me, the more you are preparing to be with Me forever in heaven."
(Vigil of St. Ann's feast day) St. Ann said: "My dear grandchildren, I am the grandmother of Jesus, and the mother of the Blessed Virgin Mary. I love all of you, and those, who have prayed my novena, will have their prayer requests given to my Grandson, Jesus. All of those, who came here tonight, also will have their prayer requests given to Jesus. I thank you for all of your prayers, and continue to pray your daily rosaries, and wear the brown scapular for your protection. All of us in heaven are happy to see your procession with my Grandson's Blessed Sacrament. Give praise and glory to Jesus in His Real Presence. As you go home, remember that I also draw you to Jesus, just as my daughter, Mary, leads you to her Son."

July 30, 2015
Sunday, July 26, 2015: (St. Ann's feast day)
Jesus said: "My people, I am showing you the relic of St. Ann and all of your other relics. You treasure these first class relics of the bone pieces of the saints because you belong to the Communion of Saints. All the souls on earth, the souls in purgatory, and the souls of the saints in heaven, are all joined in My Communion of Saints. The saints of your relics remind you of their lives, as their lives are models for you to imitate. Some of them have suffered martyrdom either in blood, or as dry martyrs. You all need to follow their lead in how they gave Me praise in their good works. You also can be a saint in a proper time, if you follow My laws and repent of your sins. Give thanks to Me that you were able to come here to celebrate the feast day of My grandmother, St. Ann."
Jesus said: "My son, the tingling at the tomb of St. Andre is a blessing for your requests to help your family and friends. You can see that many people have been healed here over the years through the intercession of St. Andre. Remember what I told you, that when you have faith in My healing power, you can receive a healing for yourself or someone else. When you prayed at the foot of My Cross on the altar, you were reminded of your deliverance prayers of binding the evil spirits to the foot of My Cross. When you are praying over a possessed or obsessed person with an evil spirit, I told you to pray My binding of the spirits prayer, and your St. Michael prayer. 'I bind any evil spirits of this person or place to the foot of Jesus' cross in the Name of Jesus.' This prayer when prayed

with a St. Benedict medal, is powerful against the evil spirits. The long form of the St. Michael prayer is also powerful in protecting your car and your chapel from any evil ones. When you are attacked by evil spirits, you need to call on Me, and I will send My angels to help protect you from the demons. Do not have any fear of the evil ones, because My power is much greater than the evil ones. Give thanks and praise to Me for helping you in all of your daily trials."

July 30, 2015
Monday, July 27, 2015:
Jesus said: "My people, you have heard Me say how many are called, but few are chosen. It is true that I died on the cross to make reparation for all the sins of mankind. Even though I have given every soul an opportunity to be saved, you still need to repent of your sins and accept Me as Master of your lives. It is not easy to overcome your earthly distractions to give your free will over to My Divine Will. Yet, I love all of you so much, and I want you to follow Me in everything that you do. For all the faithful, who follow Me, they will have their heavenly reward. Since there are only a few true prayer warriors, I need them to help evangelize as many souls to the faith as they can. Work with Me to save souls from going to hell. Pray also for the souls in purgatory to be released as well, so they can come to heaven. Again, you will be rewarded for your good works."

July 30, 2015
Tuesday, July 28, 2015:
Jesus said: "My people, today you heard Me explain about the wheat and the tares or weeds to My apostles. The wheat, or My faithful people, will be gathered into My barn of heaven at the harvest of souls at the judgment. The weeds, or evil people, will be gathered up by My angels and thrown into the fire of hell. In the vision, I am showing you how the one world evil people are behind corrupting your governments and your evil laws and decisions of your courts. They also are having you poisoned with the chemtrails, your GMO crops, and your bad medicines, which are all designed to reduce your population. This killing of men and women, is a plan of Satan because he hates mankind. Those rich and evil people, who worship Satan, are carrying out his killing orders. They are behind abortions, euthanasia, wars, viruses, and vaccines that kill people.

Call on Me to protect you from these evil ones, since they will be the ones who are cast into hell for their evil deeds."
Jesus said: "My people, you remember how I took the two fish and the five barley loaves of bread, and I multiplied both the fish and the bread to feed five thousand men. They were all sitting on the grass as if they were on a picnic. I have given you instructions how to prepare your backpacks, as if you were going on a picnic. You need to have dishes, cups, and silverware for eating a meal. You also should have some bottles of water and some food, as your MREs so they can be multiplied for your survival. When you bring your clothes to My refuges, you need to also bring anything else that you need multiplied, as fuel for a fire with propane or wood, or even gasoline for your cars and engines. You will need full trust in Me when you leave your homes for My refuges. You will also need to have faith that I will perform miracles to provide for your food with the deer, and spiritual food with My consecrated Hosts. My angels will protect you with invisible shields against the evil ones. You have visited several refuges, and you need to prepare your own refuge as quickly as possible. You will need food, water, and beds for the people to sleep. Get your place in order, and then get more beds and mattresses. By making your preparations, you are obeying My instructions."

August 12, 2015
Wednesday, July 29, 2015: (St. Martha)
Jesus said: "My son, you remember when I called St. Martha to stop worrying about the many things in her life, especially when she wanted her sister to help her with the things of hospitality. I told her that her sister, Mary, had chosen the better part of being with Me, and it would not be taken from her. My son, today, you too, are overwhelmed with your responsibilities of typing your messages to give to your spiritual director, your financial bills, your yard care, and getting your rug to finish the basement organization. It is hard to manage your time for all of your needs, but you need to have patience, and do the best you can with My help. You are very committed to your prayer time, and working on your

missions of evangelizing souls, and now providing for your interim refuge. I am pleased with your efforts and the good intentions in your heart, but do not let the devil affect you with anxieties, worries, or impatience with others. Many people have problems with patience and being humble, but you must be a good example to others because they know I am giving you messages. Strive to be holy, despite your earthly weaknesses."
Jesus said: "My people, you are seeing in the vision how one person's trade was making glass objects. In your Chemistry field you used many expensive pieces of glassware that required a good glass maker to build them. There are people with many different skills that will be needed in your refuges. I even advised people to bring the tools of their trade with them, so they could share their skill with others. At your refuges there will be needs for builders, people who can cut deer meat, farmers, and other trades needed for cooking and for survival. It is unfortunate that many artisans have lost their jobs to cheap foreign labor. Now, you have fewer factories, and more people are on welfare and Social Security than ever before. It is just a matter of time until your over-spending government will run out of sponsors for your debt. This will bring chaos that will kill many people, when your checks stop coming, or when they are worthless. Be prepared to come to My refuges when the evil ones start killing the Christians in America. I will provide what you need, and My angels will protect you. Pray that My Warning comes soon, so some souls will wake up and desire to be saved."

Thursday, July 30, 2015

August 12, 2015
Thursday, July 30, 2015: (St. Peter Chrysologus)
Jesus said: "My people, Moses was given the Ten Commandments as a covenant with God and My people. This is why they were stored in the 'Ark of the Covenant' as a precious place where God the Father dwelled. Later, this Ark would even be carried into battle against their enemies. The Ten Commandments should be treasured by all peoples because everyone is called to obey them. This Ark with the cloud was how the Israelites were led through the desert in the day, and by a pillar of fire at night. There are other meanings of the 'Ark of the Covenant' because My Blessed Mother was given this name, since she carried Me in her womb for nine months. She was named 'Blessed' because she was the mother of the Son of God in Me. Even My faithful, who receive Me worthily in Holy Communion, are Arks of the Covenant as you carry Me in your bodies for

about fifteen minutes. This term then is used to honor My Presence and God the Father's Presence. Even your tabernacles that hold My consecrated Hosts, can be considered your modern day Arks of the Covenant."
Prayer Group:
St. Ann said: "My dear grandchildren, I want to give all of those faithful, who came to My pilgrimage, a proper thank you for all of their efforts to come a good distance to share in my Novena on my feast day. Even though it is a time and financial struggle to come and visit me, I appreciate your devotion to me, and you will receive many graces for your dedication to the Holy Family. Your families are under attack from the evil one, so it is important to pray your rosaries to help souls in this battle. Remember me by obtaining a statue or a picture of me for your prayer room."
Jesus said: "My people, you are so used to your chipped documents and cell phones, that you could be lost if these kinds of communications were no longer available. Your computer chips are vulnerable to EMP or solar radiation. If your normal devices did not work, you may have to resort to Morse Code on a telegraph line. This early form of communication is not as vulnerable as your computer chips. Your cell phones and chipped devices will no longer work at My refuges. So be prepared to use old means of communicating in the end times."
Jesus said: "My people, your society holds your children and the unborn in little respect for their existence. Every child, who is conceived, is just as important to Me as any other soul. My people need to hold My children on a higher plane of importance than you do now. These little ones are My future faithful, and you need to instruct them in the faith. Each life is My gift to you, and you should not discriminate against them because of their young age. Do what you can to protect the children and the unborn."
Jesus said: "My people, you have a deep appreciation for My creations, especially beautiful flowers. Some people put flowers on My altar, but do not just bring them for funerals alone. When you make a good presentation on the altar, you are doing so out of love for Me. Even in your prayer rooms, you could place some flowers to acknowledge Me and the saints. You love to take pictures of My flowers in nature, so you could buy some to show your love for Me."
Jesus said: "My people, many of you are more conscious of eating organic and good foods, instead of buying fast foods which may not be as healthy for you. It is when you are on the road, and your time is limited, that you sometimes purchase fast foods. You may eat these foods only in haste, but you should seek healthier foods at other times. Your society seems to be doing things in haste

most of the time. This is why you have bad eating habits, and many of your people are overweight. I will see to your good diets at My refuges and in My Era of Peace."
Jesus said: "My people, I know that My faithful are trying to do things for Me in helping others. You need to analyze how you spend your time each day. Instead of trying to work your prayers into your busy schedules, you need to give your prayer time a higher priority in your daily list of things to do. Without talking of love to Me in prayer, it is harder to truly have a good love relationship with Me. Do not save your prayers until late at night when you will be too tired to pray. Try to give Me your prayer time during the day. By making more time for Me in your busy schedules, then I will truly know how much you love Me."
Jesus said: "My people, I have told you to perform acts of mercy for other people whenever you have the opportunity. Do not wait until you are sick to appreciate how important it is to pray for the sick, for those who are bedridden, and even for the souls suffering in purgatory. By praying for the sick, visiting the sick and lonely, and even visiting the elderly or prisoners, you are showing Me the love that you have for your neighbor, and Me in them. Give donations to the poor and the needy, even as you are praying for them. By doing these acts of mercy, you are storing up treasure in heaven for your judgment day."

Friday, July 31, 2015

August 12, 2015
Friday, July 31, 2015: (St. Ignatius of Loyola)
Jesus said: "My people, in today's first reading, you read of how God the Father gave instructions to Moses which feast days they were to honor Him. Two of the feast days, that were mentioned, are Passover and the feast of Booths. This is important because I have been talking about the Tetrad blood moons as your signs in the sky of some significant events that could happen around the end of September. A blood moon is when the earth eclipses the moon, and the moon takes on an orange or red color. It is a sign when this eclipse fell exactly on the two feasts of Passover and Booths both this year and last year. This cancelling of debts has had an influence on your money system in 2001, 2008, and now in 2015, every seven years. These Tetrad blood moons also are a sign of significant events for Israel. In the vision of your preparations in the basement, you are setting down your new rug, and rearranging your food and water storage. Once you have your things in their proper place, then you can go forward with your

bedding preparations. You may have to forego some of your other plans to finish your preparations because your time to prepare is running out. Just as the Israelites had to heed God's Words to Moses, so you need to heed My words about the events leading up to the end days of the Antichrist's takeover. When your lives will be in danger, this will be why you will need to come to My refuges of protection."
Jesus said: "My people, I have given you messages about how the Tetrad blood moons were indicating that a major event could occur in September. In another message I told you that Israel could be involved in a war with Iran. Israel cannot trust your President to defend them, if they were attacked by any Arab state, including Iran. Because Israel is feeling isolated with this latest agreement with Iran and the U.S., Israel may go ahead with its own pre-emptive attack on Iran, in desperation to stop Iran from obtaining nuclear weapons. In the vision you are seeing a very dark sky that represents war clouds between Israel and Iran. You are seeing Israel launching a nuclear device over Iran, high in the sky to cause an EMP shower, that could inactivate a good share of Iran's chipped devices. Such a nuclear device could stop Iran's nuclear bomb building program with little loss of life. If this was like a neutron bomb, it would not destroy any buildings, but it could kill some people. This would be a more dramatic attack that could cause more damage to Iran than only smart bombs from a plane attack. Expect some kind of a small war between Israel and Iran that is being foretold by the signs in the sky of the Tetrad blood moons."

August 12, 2015
Saturday, August 1, 2015: (St. Alphonsus Liguori)
Jesus said: "My people, in the Gospel you read of the cruel beheading of St. John the Baptist by Herod. This form of killing seems very gruesome, but it was done in England and in the French Revolution with a guillotine. In today's world you are still seeing the brutality of the Moslem jihadists who are also beheading Christians. It is mentioned in the Book of Revelation that there will be martyrs for the faith when they are beheaded. You have also heard of how your Army forces have secured guillotines for when martial law is declared. The evil ones, who are following the orders of Satan, want to exterminate all Christians and believers in God. Over the years, you have seen man's inhumanity to man, even as you are still killing millions of unborn babies. I tell you that all of those

people, who kill people, will have to answer to Me for their crimes at the judgment."

Sunday, August 2, 2015

August 12, 2015
Sunday, August 2, 2015:
Jesus said: "My people, in the desert the Israelites complained to Moses and Aaron that they had no food to eat or water to drink. Later, God the Father gave them manna to eat in the morning, and quail to eat in the evening. At another time Moses was called to strike a rock and water came forth. I have given you many messages of how I will feed My people at My refuges. I will have My angels bring you Holy Communion every day, if you do not have a priest. I am the Bread of Life, and you need to eat My Body and drink My Blood to have eternal life. In the evening I will send you deer in your refuges, so you can have meat. If you do not have a source of water, I will bring you springs of water. I will multiply your food and water so all the people, who come to your place, will have enough to survive. You have been making good progress in preparing both basements to store your food and water, as well as securing your bunk beds and mattresses for the people to sleep. Everyone at your refuges will take turns in washing clothes, preparing meals, and adoring Me in Adoration. Your tribulation time will be shortened for the sake of My elect. I continue to encourage you to get your preparations done as soon as possible. Trust in My help and My protection to endure the coming tribulation time."

Monday, August 3, 2015

August 12, 2015
Monday, August 3, 2015:
Jesus said: "My people, in the Exodus in the desert I provided the Israelites with water and manna that they made into bread. Because they did not have vegetables or meat, the people complained to Moses. I sent them a punishment of poisonous snakes because these people called My food 'wretched'. Moses later raised a bronze serpent that healed the people of their snake bites when they looked on the bronze serpent. I then sent the people quail at night for meat. People tend to complain when they do not get their way, or when things are not to their liking. In some severe cases, your complaints may be justified. In other

cases, I provide you the grace to endure your trials, and the general necessities to survive. It is at times when the uncertainty of how to solve a problem, or you only have limited access to the food items that you like, which causes you to complain. I send you rain that helps to grow your crops, and you complain. You have to live in faith that I will provide for your needs, when you face a need for a job, or when you need enough food to eat for your family. I understand your complaints, but you need to be grateful and give thanks to Me for what you do have. In the tribulation time, you will be tested at My refuges because of a rustic living condition without much electricity. You will need to learn how to endure this trial of just having your bare necessities. So do not complain, but be thankful that My angels will protect you from the evil ones. You will have the Manna of My very Body and Blood in My consecrated Hosts. Some saints even survived on only eating My Hosts. It is better to be giving Me praise for My gifts to you, than to be complaining of your dislikes for things, or your inconveniences."
Jesus said: "My people of America, you have seen how China in recent years has built up its military, even its own navy. They have been taking over islands, and even creating new islands so they could claim more air space as their territory. Your ships and planes have been challenging these claims, and it puts both country's planes and ships in close proximity. These are dangerous exercises that could cause an incident with one miscalculation. In a time when there are more threats in the world, your President is even cutting your men in uniform, and your ships and planes. Keep praying for peace between your country and China, because you are also doing a lot of trade with China. There are other threats of war in the Middle East that could break out at any time. A time of major incidents is already in the making for this fall. It is I who will choose when they can happen after My Warning."

Tuesday, August 4, 2015

August 12, 2015
Tuesday, August 4, 2015: (St. John Vianney)
Jesus said: "My people, there are times when people make judgments about others without knowing all of the reasons for a person's behavior. I am the only One to judge, because I do know everything about all of you. When you misjudge someone, you could cause some conflicts. Aaron and Mariam were critical of Moses for not marrying someone in their heritage. I have a plan for each person, and it may not be what others think is right. I see the big picture of

salvation history, so you may not understand My ways. My messengers and prophets have flaws, as you all do in your sins, but they need to control themselves because of their missions. It is easy to complain about people's flaws, but you need to give each other more respect as one of My faithful. Keep focused on your own missions, and hold fast to your faith in Me, and this will be enough for all of you to accomplish."
Jesus said: "My people, your world and country events are occurring more frequently. You are seeing major fires in California, extensive flooding in Florida, and now you are seeing Puerto Rico defaulting on its debt payments. This is worse then Detroit, Michigan, and similar to the country of Greece. Many of the U.S. cities are also on the verge of default. The money problems are building up to even an overwhelming debt of your own government. You could easily see a domino effect from your many debt payments that will cause other defaults. It is impossible to keep giving out benefits in pensions, Social Security, and welfare, when there are not enough tax revenues to pay for it. America's day of reckoning with its creditors is just a matter of time away. You are preparing your refuges for a time when the one world people will bring about martial law after My Warning. Keep working to save souls now, and after the Warning. Trust in My help to have My angels protect you, and multiply your food and water at My refuges."

Wednesday, August 5, 2015

August 12, 2015
Wednesday, August 5, 2015: (Dedication of Mary Major Basilica)
Jesus said: "My people, you need to realize that all of your actions have consequences. In order to carry out your actions, you need to make free will decisions. I can see the intention in your hearts for all that you act out, so you cannot hide your true intentions from Me. Once the Israelites scouted the Promised Land, they noticed that the cities were well fortified, and the people there, looked like giants. The scouts were afraid to fight the people on the land, so they spread rumors among the Israelites that they should not fight the giants. Since the Israelites chose not to fight the giants, God the Father punished them for forty years in the desert until those, who refused to fight, had died. Moses also could not enter the Promised Land because he struck the rock twice instead of once to have water. In this first reading, you are seeing how I am so offended when you disobey My commands, and when you lack faith that I can defeat your

enemies. You need to remember that I am more powerful than the evil ones, and that I can do the impossible in your eyes. The Israelite scouts defied the wishes of God the Father, and they were punished severely. I love My people, but there are consequences for your sinful behavior. You can come to Me in Confession to seek My forgiveness. If you violate My laws, and refuse to seek My forgiveness, then you too, will be treated severely, as the Israelites were. It is better to choose to follow My commands, and you will have your reward in heaven."
Jesus said: "My people, even though chipped cards have advantages for inventory purposes, their main purpose is to have control over data, and even giving people's location. Your chips are similar to your cell phones in that they are linked to your satellites and cell towers. It is one thing to have chipped cards with a choice to use it or not. It is another thing to be forced to have chipped credit cards. These chips also enable tracking of your cards by satellite. Some hackers can steal your information off of your smart card, just walking by you with a reader. If you put aluminum foil around your card, then you will be protected from hackers and satellites tracking you. When you need your card for a transaction, then you pull it out of its protection. You return it to your foil wrap after your transaction is done. None of these chipped devices will work at My refuges. Unfortunately, these chipped cards are the forerunner for the chip in the hand. Refuse to take any chips in your hand because this is the mark of the beast, and it will control your free will. Do not let the evil ones control you, no matter how much they threaten you. By remaining faithful to My Word, then My faithful will have their reward. Those people, who accept the chip in the body for their own needs, could see increased control over their lives. Follow My instructions at My refuges, and you will have all of your needs satisfied, and My angels will protect you."

August 12, 2015
Thursday, August 6, 2015: (The Transfiguration)
Jesus said: "My people, this Transfiguration moment was a glorious moment for Me, when I was able to show My apostles exactly who I am in all My glory as a God-man. I even showed them Elijah and Moses, the two great Biblical figures that all the Israelites knew so well by their writings with the help of the Holy Spirit. St. Peter was so amazed by the Transfiguration that he wanted to set up three tents to remember this vision. Then God the Father said in an audible

voice: ‘This is My Beloved Son, in Whom I am well pleased.’ When the apostles looked up, then the vision was ended, and the white Light was gone. My disciples felt they were so honored to be witnesses of My manifestation. This was a preview of My Resurrection, but I did not want My disciples to reveal this to anyone until after My Resurrection, when I would rise from the dead. I foretold My Resurrection from the dead at least three times, but My apostles did not know about rising from the dead, because no one had done this before. Rejoice in this feast, because it is another witness of My power being greater than all the evil ones of this world.”

Prayer Group:

Jesus said: “My people, when a refuge is built, it takes careful planning, and enough financial resources to pay for the wood and the laborers. The plywood you see in the vision gives you a flashback to when you were having your own refuge built. You were fortunate to have built your refuge in only four or five months. This was the first step, and now you have painted and put rugs down in both the new and old basements. You will be storing your food and water in their proper places. Then you need to organize some bedding for the people to sleep. You are making your preparations in haste, and My angels will multiply any further structures to provide for any places needed for the people who will come.”

Jesus said: “My people, your electrical lines are very vulnerable to attack from natural or terrorist activity. When you have no electricity, you will need lights and substitutes for your machines that no longer work. You need to have oil lamps with oil supplies, batteries, wind-up flashlights, and fuel to keep warm and provide for cooking. It is not easy to live without electricity, but you need to plan for this at your refuges. Trust in Me to provide for all of these needs over the less than 3½ years of the tribulation.”

Jesus said: “My son, you are about done with your building and storing things. In getting your food organized, it needs to be stored in boxes on your shelves with adequate labeling. Take the recently purchased MREs and dried foods, and place them on your shelving. This is a better use of your shelving. Have all of your barrels loaded with fresh water as soon as possible. Your food and water are needed for your immediate survival. I will multiply them as it is needed for those who come. Getting your bedding together is your next necessity that needs to be in place. It is hard to get all of these things in place, but some of your other plans (not trips to talk) need less priority so you have your refuge ready. I will help you in all that is needed.”

Jesus said: “My people, for those faithful who will be moving to a final or interim refuge, you need to prepare your vehicles so they are available in good working order to take people to My refuges. You may have backpacks, tents, clothes, and trade tools that need to be placed in one space, so you can quickly load them into your vehicles. I am having you get prepared for leaving your home because events will happen fast after My Warning.”
Jesus said: “My son, I have shown you this basement scene before so you can place some bedding there for those who come. It may at first be used to hide people before martial law. If you have any open space left in your old basement, you could buy some cheap cots for more sleeping areas. You may even add some cots in your other bedrooms. You are being asked to house My faithful, so be prepared for a fair number to come and stay. Do not be afraid of how to help people, because I will help you with My angels.”
Jesus said: “My people, I have described how beautiful My Transfiguration was in front of My apostles. My faithful may suffer during the tribulation, but you will be rewarded in My Era of Peace. This will be a new earth, and you will be living longer and healthier. There are many descriptions of this time in Isaiah, Daniel, and in the Book of Revelation. Do not lose hope, but trust in My coming victory over all evil.”
Jesus said: “My people, an evil time of persecution is coming, when your lives will be in danger from the Antichrist and the men in black. Do not be fearful of any people trying to kill you. Some may be martyred for their faith, but they will be instant saints in heaven. The rest of My faithful will be led by their guardian angels to My places of refuge by a small flame. My angels will protect you with an invisible shield so you will not need guns for your protection. I will give all of My faithful an interior message when it is time to leave for My refuges. Be calm and patient as I will provide for your needs and your protection.”

August 12, 2015
Friday, August 7, 2015: (St. Cajetan)
Jesus said: “My people, your life is not as complicated as you think, because there are really only two destinations for your soul, when you leave this life on earth. Your life here is a testing ground, or training for whether you want to come with Me in love to heaven, or go with Satan, who hates you, as you go to hell. If you choose to come with Me, then you need to give your life and your

free will over to Me, and pick up your daily cross in following My ways. Your body and the devil are calling you away from Me, but your soul and spirit crave to be in My Presence at Mass and at Adoration. I desire to save all souls from hell, which is why I died to atone for all of your sins. It is each person's decision to choose life with Me in following My Commandments and to seek My forgiveness of your sins. You are all sinners, and you are in need of My love and grace to keep you on the right path to heaven. You have weaknesses, but by accepting My mission, I can make you strong and prepare you for sainthood. My call is for you to love Me, and love your neighbor as yourself. Have faith and trust in Me, and you will have your reward in heaven."
Jesus said: "My people, there are many times when you find yourself trapped in a corner with no way out. For man your trials may seem impossible to endure, but I can do the impossible to help you, if you would ask My help. Games of chance can be frustrating when average frequencies are not always followed. If certain situations can cause you problems most of the time, it may be better to walk away from any occasions of sin. Your soul will find more peace in prayer, than in constant irritation playing games of chance. If people are critical of your choice, then just tell them it is better to please Me, than it is to please them. By spending more time following My mission, you will be more calm, and productive in doing My work."

August 12, 2015
Saturday, August 8, 2015: (St. Dominic)
Jesus said: "My people, I am the 'Tree of Life' and you are My branches. Apart from Me, your spiritual life will die, and you will be cut off from My graces. I call you to pick up your own daily cross and carry it through life for My sake. You need to have faith in Me in all that you do, and I will help you to save souls, and heal people both in soul and body. It is by the power of the Holy Spirit that you will have any gift of healing. The more you use your gifts, the more healing power that will go out to people through you. If you do not use your gifts often, then they will not be as effective. The people, who you pray over, need to have faith that I can heal them. You remember how I healed only a few foreigners in My hometown of Nazareth because of their lack of faith in Me. Even My apostles could not drive a certain demon out of someone, because the apostles had little faith. So it is with someone who is healing people. Even the healer

needs to have faith that I can heal someone. By putting your full trust in Me, and in My power to heal people, My faithful could heal people also. When you pray over people, remember to imitate Me, as I healed both the body and the soul. If a person does not love Me, or does not believe in My healing power, there is little you can do for that person."
Jesus said: "My people, today you can go from one country to another with a proper passport, or an extended driver's license. I am showing you this walled border because your travel will be more restricted in the future. At some point before the tribulation starts, you will need a chip in the hand to go over the border, and then gradually you will need the same chip in the hand to go across state borders, or to travel on certain highways. You will soon see that such chips will be controlling your life in many ways. I have warned My faithful not to take any chips in the body. You may be considered even an outlaw for not having such a chip. Be prepared to come to My refuges when chips in the body will be mandatory. Do not fear the evil ones since I will be protecting you at My refuges."

August 12, 2015
Sunday, August 9, 2015:
Jesus said: "My people, you read in today's Gospel how I said: 'I am the Bread that has come down from heaven.' I am also the Bread of Life, because when you receive Me in Holy Communion, you receive My Real Presence in My Eucharist. You are always ready to eat at your three meals, because you know that food is necessary to keep your body alive. Your spiritual body also needs food to survive, and I am the Food to keep your spirit refreshed in My grace. Those people, who eat My Body and drink My Blood worthily, will have eternal life both on earth and in heaven. My Eucharist is the greatest gift of Myself that I could give you. It is a blessing to have faith in Me, and to believe in My Real Presence in My consecrated Hosts. It is important to share My love and teach others about My Eucharist. It is also important to stress the need for a pure soul in order to receive Me in Holy Communion. You are all sinners, and you are in need of seeking My forgiveness in Confession. You should come to Me in the priest to show Me that you are truly sorry for offending Me in your sins, at least once a month. Those people, who receive Holy Communion with mortal sin on their souls, are committing another serious sin of sacrilege. I forgive all repentant sinners of their sins, but they need to make a forward action in seeking

My forgiveness. The sacrament of Reconciliation takes away all sin, and it restores sanctifying grace to your soul, so you are a worthy vessel to receive Me in Holy Communion. These are the words of true life for your soul, to be united with Me in a loving relationship."
(Procession in honor of God the Father) God the Father said: "I AM WHO AM is happy with all of your prayers and devotions to Me. While you were outside, you could hear the birds singing, and you were seeing a beautiful sunny day for your procession. You appreciate My creation, but there are some atheists and others who do not want to believe My account of creation, as it is written in the Bible. The words of Scripture are recorded by men, but they were inspired by the Holy Spirit. I am the First Cause of all creation out of nothing, and your atheists are only proposing theories without any true proof. I am the Mastermind and Planner of all that you see in existence. Creation did not just happen on its own. It was by My Word that everything has come into being. Give praise and thanks to Me for your own very existence. Follow My ways and accept Me as your Creator, and you will be on the right path to heaven."

August 12, 2015
Monday, August 10, 2015: (St. Lawrence)
Jesus said: "My people, today's readings are all about being generous to others in your good deeds, your prayers, and your sharing of money with those in need. If you consider how gracious I am in providing for your needs each day, then you can see why I want you to share as well out of love for Me, and love for your neighbor. Some people have been blessed with wealth either from their labors or from inheritances. You are not here on this earth just to accumulate wealth only for yourself, but all that you have should be shared in part with others who are less fortunate. Giving of time, labor, and money should come out of love, and it is not forced. All that you share on earth, will be stored up as your treasure in heaven. It is this heavenly treasure that will offset your sins at the judgment. When I see your generosity with others, then I will know you are not hoarding your wealth only for yourself. You all need a certain income for your daily needs, but some have an excess wealth that can be shared, especially with the poor. Take a look at your income and how much you spend, and you can give away at least ten per cent of your after tax income. If you are only sharing a token amount, then you could consider more generous donations, if you can afford it."

Jesus said: “My people, the evil one world people are trying to bring many divisions in your society over abortion, between the races, between men and women, between gays and straight people, between the rich and the poor, and even persecution of those who believe in God. They are hoping to bring chaos and hatred, that would give a reason for martial law. Your government is even openly training for martial law in several states. They are also activating many detention death camps, where they want to place all Christians, and those who do not want to go along with the new world order. You are soon seeing mandatory chips in your charge cards. This will eventually move to mandatory chips in the body. My faithful will be called to My refuges because you do not want to take any chips in your body that could control your free will. Have your things ready to leave because I will call you to My refuges before martial law starts. You can see this evil plan progress because I have given you the signs to look for. I will allow this evil tribulation only for a brief time, so you will not have to suffer long. Keep close to Me in prayer and visits to My Blessed Sacrament. Have faith in Me, and I will provide for you in your protection and your needs.”
Fr. Bart: Jesus said: “My people, Fr. Bart was greeted in heaven by all of his other priest friends that have died also. He will continue to be Gospa’s spiritual director, only from heaven. He was grateful for all those people who took care of him in his last days.”

August 12, 2015
Tuesday, August 11, 2015: (St. Clare)
Jesus said: “My people, when you see a fully formed baby in the nursery, you say how cute he or she is. A new baby is so precious in most of your eyes, but then how can a mother kill her own child by an abortion? Babies require a lot of care, but it is so selfish by a mother to kill her child for convenience or to save a little money. You cannot put a price on a child, whether in money or your time. Killing babies is so cruel and a huge mortal sin as well. I will forgive repentant sinners, but allowing a law to kill infants, is truly calling down My wrath on your country. Many countries also allow such killings, and they too will pay dearly for their crimes. It is unfortunate that all of your people do not value the preciousness of life at all stages of life. Your abortion mentality was started with birth control devices, vasectomies, and tubal ligations. Now, you have pills to kill the baby, and even pills to stop fertility. All of this is focused on pleasure and

convenience, instead of bringing up your children. Your society is so lazy and selfish with your time, that you do not have a place in your hearts for My little ones. If you remember in the Scriptures, I said that those people, who harm My little ones, should have a millstone put around their necks, and be thrown into the sea. Of all of your sins, abortions offend Me the most because you are denying My plan for this life, and only I should give and take lives. So continue to pray for the stoppage of abortion, and encourage these mothers to have their children."

Jesus said: "My son, as you see these different sized planes, you are reminded of how many flights that you take on various sized planes. You are grateful that you can travel to many far away places without taking too long to get there. You can imagine if My apostles had such an opportunity, how much more they could have accomplished. You are fortunate to be able to spread My Good News of salvation to many places all over your country. As events are getting more serious, it is important that you can prepare My people for the end times. I told you that these end time events would occur in your lifetime, so the people need to prepare themselves with daily prayer and frequent Confession. By keeping your soul holy, you are better prepared for My Warning experience. You do not want to see a judgment experience in hell to wake you up. All sinners will experience My Warning, and it will be an opportunity to better your life from what you are doing right now. You will see My reaction to all of your actions, and I will help all of you to live holier lives. Life is a spiritual struggle to imitate My life, but I give you the grace to endure all of your trials."

August 27, 2015

Wednesday, August 12, 2015: (St. Jane Frances de Chantal)

Jesus said: "My people, today in the first reading, you are seeing the legacy of Moses, and how he was the only prophet and leader to talk to Me face to face. God the Father gave Moses the miracles in the plagues to free the Israelites from the power of the Pharaoh of Egypt. The Egyptian soldiers were killed in the Red Sea. God the Father also gave Moses the Ten Commandments of life on Mt. Sinai. These Ten Commandments were not only for the Israelites, but they were intended to be obeyed by everyone. The Israelites were finally led by Joshua into the Promised Land. Moses led the people through the desert, and they were given manna, water, and quail to eat and drink. They kept the Ark of the Covenant in a special tent, and Moses gave the Israelites the first five books of

the Bible to store with the Ark. The Passover is one of the biggest feasts among the Jews because it marks the freeing of the people from Egypt. Easter is your biggest celebration also, because it is a sign of My death and Resurrection to free you from your sins. I am the promised Redeemer of all of mankind, as I am the Son of the Living God, who lives among you as a God-man."
Jesus said: "My people, I want My people to be the good soil that produces thirty, sixty, and one hundredfold. I give all of you an equal opportunity to use your gifts to produce good fruit. You may help people with your prayers, your good deeds, or even evangelize them into the faith. It is those people, who do not use their gifts, that I will chastize for not doing what they should be doing. You have many options of how to use your time effectively. Do not waste your time on frivolous things or too much entertainment. You should do everything out of love for Me, and not just for yourself. Trust in Me to help you fulfill all of your needs, and to give you the grace to help others. You need to recognize when others are in need of your help, before they ask you. This is how I answer your prayers, because I know what you need before you ask Me. You should be thankful that you have a loving God who looks after all that you need, and I know when you need something."

August 27, 2015
Thursday, August 13, 2015: (St. Pontian & St. Hippolytus)
Jesus said: "My people, in the first reading Joshua led the Israelites into the Promised Land across the Jordan River. He assured the people that God was with them, when the Ark of the Covenant was placed in the Jordan River. The flow of the river was miraculously stopped. The people walked across on dry land, even as they walked across the Red Sea on dry land. This reminded the people of how they were saved from the Egyptians. Even so, God protected them from the other people on the land by helping to fight the Israelites' battles. These accounts of the Israelites being protected, are also a sign of how I will protect My faithful in the coming tribulation. Some of My faithful will be martyred for their faith, but the rest will be protected by My angels at My refuges. You will not have to fight your persecutors of the one world people, because My angels will put an invisible shield around you. My angels will not allow people to enter into My refuges unless they have a cross on their foreheads. This is why your family members need to be converted after the Warning, or they could be lost to the Antichrist. Trust in Me to provide for your protection, and what you need to

survive this trial."
Prayer Group:
Jesus said: "My people, you are seeing people getting sick more frequently, and for longer times to get better. There are several causes. More people have poor immune systems because your food is not as nutritious as in the past. You are seeing more drug resistant strains of bacteria like MRSA, that have learned to fight your modern antibiotics. Even the chemtrails are spreading diseases from the sky. I have advised people to build up their immune systems with Hawthorn herb pills, along with your vitamins and herbs. At My refuges you can be healed of diseases by looking on My luminous cross or drinking from the healing spring water."
Jesus said: "My people, at My refuges I am encouraging My leaders to have two sources of fuel for heating and for cooking. Some have wood, kerosene, propane, or natural gas. I will multiply your fuels so you can keep warm and cook your meals. Whatever food items you have stored, I will preserve them so they do not go bad, and they can be multiplied. It is not easy to find fresh food for a lot of people, so I will send deer into your camps for meat. Trust in Me and My angels to provide food and water for your body. I will also provide you My Eucharist so you can have My spiritual food as well."
Jesus said: "My son, every time you travel to give talks, you need to pray your St. Michael long form prayer for your protection because the devil tries to prevent your coming. Keep calm in your travel trials, and even pray on your return as well. When you travel, you are joining a network of My faithful, so they can keep in touch with each other. As you prepare for some coming events, keep praying for poor sinners and for the souls in purgatory."
Jesus said: "My people, in these end times, it is your rosaries and My sacraments that will be your best weapons against the evil ones of this age. Adoration of My Blessed Sacrament will continue at the homes, once your churches are closed. My angels will provide the consecrated Hosts when they are needed. You will have strength with My Real Presence among you. You could even survive on My Hosts if you did not have any food. You will have healing at My refuges with My luminous cross or your healing spring water. Trust in My protection, and how I will multiply your food."
Jesus said: "My people, do not be fearful of the one world people who want to crash your financial system and take over your government. These evil ones are trying to control you with chips in your charge cards, your passports, and even your driver's licenses. Eventually, they will make chips in the body mandatory.

At that point My people will need to come to My refuges so you do not have to take chips in the body that could control your free will. At My refuges you will have everything provided, so you will not need money or guns."
Jesus said: "My people, when you come to My refuges, I will not leave you orphans, and I truly will be performing miracles. Once people see such miracles, My faithful will relax in My hands and be calm. You need to be living in full trust of Me in providing for your survival. Your invisible shields will be another sign of My help. Have confidence in My help because I know all of your needs."
Jesus said: "My people, I know you will be suffering many trials in the coming tribulation. I will never test you beyond your endurance, so you can trust that I will give you the grace needed to get through your trials. You will be tested for less than 3½ years, but this time will be shortened as I will shorten your actual days by speeding up the earth on its axis. I will be with you always in My Blessed Sacrament, and My angels will protect you from any of the evil ones who are trying to kill you. At the end of the tribulation, I will send My Comet of Chastisement that will cleanse the world of all the evil ones who will be cast into hell. Rejoice, My faithful, for your reward on earth and heaven will be more than you can imagine."

August 27, 2015
Friday, August 14, 2015: (St. Maximillian Kolbe)
Jesus said: "My people, you are aware of how St. Maximillian Kolbe died in being a martyr for another's life. You have also heard the Gospel verse: 'No greater love can one person have, than to give one's life up for another.' This is in fact what I did, when I gave up My life so that all of mankind could have salvation from their sins. I could even ask all of you if you were forced to accept Me or die, could you do this for Me in being a martyr? I know, My son, that you have said 'yes' to all that I have asked of you. Some of My faithful are dying, and you will die for Me as martyrs. You can also be a dry martyr and be persecuted for standing up for what My church teaches. You should be willing to protest abortions and stand up against the cruel killing of My babies. You may stand up against gay marriage in My Church, or any other heresies, even if they are uttered by a priest. Even as you may be persecuted unfairly, I have asked you to make no defense against others who spread lies about you. Instead, I want you to pray for the souls of your persecutors. I have told you many times that you are called to love everyone, even your enemies. By loving everyone, you will be

imitating My love for all of you."

August 27, 2015
Saturday, August 15, 2015: (The Assumption)
The Blessed Mother said: "My dear children, I love you all so much, and I thank you for praying my three rosaries every day. When you pray, my Son hears your prayers, and you are united with Him in love. My Lord has seen fit to raise me body and soul into heaven when my mission on earth was finished. My Assumption has even been accepted by the Church as a dogma of the faith. You will see my foot crush the head of the serpent, the devil. I watch over all of my children in love, and I am your intercessor of your prayers, as I bring them to my Son, Jesus. Hold your rosaries and scapulars close as your weapons of protection from the evil ones. I put my mantle of protection over all of my children as Jesus does not want to lose even one soul to the evil one. Give glory and thanks to my Son for all that He does for you every day. Go in peace to show your love and service to your Lord. I am the Ark of the Covenant as I held my Son in my womb. My children, you too are little arks of the covenant for a short time after you receive Jesus in Holy Communion. Be grateful for His greatest gift of Himself in His Eucharistic Presence."

Sunday, August 16, 2015

August 27, 2015
Sunday, August 16, 2015:
Jesus said: "My people, today's Gospel has the heart of St. John's account in Chapter six that describes My greatest gift of Myself to all of you in My Eucharistic Presence. I have told you how receiving Me in Holy Communion is the closest taste of heaven that you could have on earth. Those, who eat My Body and drink My Blood, will have eternal life with Me forever in heaven. It takes a true gift of faith with My grace to fully grasp this belief in My Real Presence in My consecrated Host. My faithful need to be free of mortal sin in order to receive Me worthily into their hearts and souls. Some of My disciples left Me when I presented this teaching because they thought that I was calling them to cannibalism. I even asked My apostles if they would leave Me, but St. Peter said: 'Lord, where else could we go, for you have the Words of everlasting life.' The bread and wine are transubstantiated into My true Body and Blood when the priest consecrates these species. Belief in My Real Presence is

difficult, unless My people have the grace to believe. Some say only thirty per cent of Roman Catholics believe in My Real Presence. For those, who believe in this miracle at every Mass, My believers will do everything to be at daily Mass, and they desire to be with Me in Adoration of My Blessed Sacrament. I should be the center of your lives, and I am always ready to guide you in life, so you can be with Me in heaven one day. Your love for Me and your neighbor, is your preparation for being with Me in the glory of heaven. Keep your focus on Me, and keep the faith in Me for all that you do for Me to give Me greater glory."

Monday, August 17, 2015

August 27, 2015
Monday, August 17, 2015:
Jesus said: "My people, do not be afraid of what you are to eat and drink at My places of refuge. If you have a priest for Mass every day, you will be blessed. If you do not have a priest, I am showing you a vision of how St. Michael the archangel gave Holy Communion to the visionaries at Fatima, Portugal. My angels will give you Holy Communion every day, and you will have perpetual Adoration of My Blessed Sacrament at every refuge. You have heard in the past how some saints were able to live on only receiving Holy Communion. If you do not have enough food, you could live this way also. My refuge builders or My angels will provide the food you need. My angels will multiply your food and water, when it is needed. Bedding for your sleeping will also be provided. You will be praying more and helping each other in all of your spiritual and physical needs. Give thanks and praise to Me for watching over My children, even through the coming tribulation."
Jesus said: "My people, I have been warning you for many years that a time of persecution was coming when the Antichrist would declare himself at the tribulation time. I will warn My faithful with an interior message when it is time to leave your homes for My refuges. You have seen some places of refuge, and how they have stored some food and water. You could have water from lakes, rivers, or wells. You could even start a spring of water, or have the water multiplied by Me in your barrels. You will have bread in Holy Communion, and even deer will come into your camp for meat. You could store dried food, MREs, or canned goods. I have asked you to get some bunk beds, mattresses, and some cots with foam for sleeping places. You may have to get rid of some of your old things to make room for your bedding. My angels will put their protection around you with invisible shields. Be grateful that I will supply all of your needs

at My refuges."

Tuesday, August 18, 2015

August 27, 2015
Tuesday, August 18, 2015:
Jesus said: "My people, I am grateful for all of My refuge builders who have given their 'yes' to build refuges for Me for the end times. I realize that building refuges and preparing food, water, and bedding takes a lot of sacrifice, money, time, and physical effort. My refuge builders are building up My Church of the faithful remnant. I have warned you that there will be a division in My Church between the schismatic church and My faithful remnant. It is this faithful remnant that will be protected from the gates of hell. So My refuge builders will be supplying safe havens for My faithful remnant, who believe in Me, even if some are martyred. These builders also will be storing up treasure and graces in heaven for all that they are doing for Me on earth. My faithful remnant should also thank Me and these builders for making a place for their protection, and for being fed and housed. It is this remnant Church that I am calling My faithful to build up, because the rest of the evil ones, who do not believe, will receive a just punishment. Continue to give Me praise and thanks at My tabernacles, and later at My protected places of Adoration."
Jesus said: "My people, in the vision you saw a tsunami on the East coast of America, and a large wall of water went inland covering over the fields of crops. You saw a tidal wave which was caused by a comet that struck in the Atlantic Ocean. I have shown you this before, but as part of a Comet of Chastisement at the end of the tribulation. Such a comet could strike soon, if the tribulation and the Warning would appear in a short time. Make a thorough investigation of any comets that could come close to striking the earth in the near future. (There did not appear to be any comets striking the earth that NASA was willing to tell you.) No matter when My Comet of Chastisement strikes, I will protect My people from being killed by it. I will raise you up in the air so you are not killed. Then I will cast the evil ones into hell, and recreate the earth. My people will follow Me down into My Era of Peace. This Comet will come, but in My time and not your time."

August 27, 2015
Thursday, August 20, 2015: (St. Bernard)

Jesus said: “My people, today’s Gospel is about a king who invited people to his banquet. Some killed his servants, but the king had them killed and burned their city. Other guests were brought in from the street to fill the banquet, but some were not properly dressed. One guest, who was not properly dressed, was bound and cast outside. I invite many people to My banquet in heaven, but those, who do not have purified souls, are cast into hell. For many are invited, but few are chosen. Even in your world today, I invite people to be with Me in prayer and at Mass, but the majority do not have time for Me because they are busy with sports, entertainment, or they ignore Me. This is why the majority of the people will be lost in hell, because I only choose those souls, who take time to love Me as My faithful, and they are the few who are saved for heaven. Only those people, who seek My forgiveness and accept Me as Master of their lives, are the souls who are worthy of coming into My banquet of heaven.”

Prayer Group:

Jeanne Marie said: “I am happy to greet all of you, and I am sad that I had to leave you so soon, but I had no control over my cancer. I love Al so much, and I am comforting him for his devotion and love of me. I will be watching out for him as he adjusts to his life without me. I was always happy to invite people over to see our large decorated Christmas tree. It would be nice if he continued this tradition, but it is not necessary. I will be suffering a short time in purgatory, so I would appreciate your prayers and Masses for My intention. Leave my picture around to remember me. I will be praying for all of my family and friends who I love so dearly. I enjoyed all of your friendships in life because you were always concerned about me.”

Jesus said: “My people, you have had an abundance of rain in your area, which is why everything is so green. You can pray for those areas that are not receiving enough rain to have more rain, as in California. It has been a dark few days, as you are mourning over the loss of another long time friend. You have lost three long time friends this year. Keep remembering them in your prayers, and pray for all the souls that are in purgatory.”

Jesus said: “My son, I know that you have a lot of commitments for your first mission of giving talks. Do not be concerned over any trials that you face in your evangelization efforts. I will help you to have My messages spread wherever you go. In your second mission of preparing an interim refuge, you still need to finish cleaning up your new basement, so you could install your bunk beds. Get some mattresses and cots for your bedding, so you can house the people who will come to your refuge. I thank you for all that you have done, but your time is

limited, and you need to finish your work."
Jesus said: "My people, some people are trying to preserve their wealth and store up firearms for protection. Do not be so concerned about your money and your possessions because these things will pass away in your coming money crash. The one world people have a plan to crash your dollar, and takeover your country to make it a part of the North American Union. This will happen quickly after My Warning experience. Do not be concerned about dates, because I will choose when these things can happen. Be prepared to leave for My refuges, where I will protect My faithful and feed them."
Jesus said: "My people, I know that you are concerned about any Church teaching that could come out of the coming Synod in October of this year. You know that I consider same sex marriage as an abomination, and it should not be accepted by My Church. If you see this being accepted, then you know that this is a heresy, and you do not have to accept it. Follow My Church's current position. You can have love for these people, but you do not have to accept their sinful actions as legal in My Church. Stand up for what is taught in the Catechism of the Catholic Church. You may see the beginnings of a split in My Church, but stay with the teachings of My Church in My faithful remnant."
Jesus said: "My people, your Senate will vote on your agreement with Iran, but it will not matter because your President is determined to push this through. You know that Iran will cheat on this because they will be making a bomb underground. This is why any agreement with Iran is flawed, because they are intent on destroying Israel as soon as they have a device to launch. This is why there is a strong possibility of a war between Israel and Iran."
Jesus said: "My people, your country has existed a long time based on your Constitution and obeying My Commandments. Your government is about to collapse, as you know it, because you are not following your own Constitution, and you are turning your back on Me in your laws and in your decisions. Any country that becomes corrupt and turns their back on Me, will not last, and America will soon fall as you know it. I will punish America for your abortions, fornications, and gay marriages by allowing the one world people to take you over. You will soon see a persecution of Christians and My believers, when you will have to come to My refuges for your protection."

August 27, 2015
Friday, August 21, 2015:

Jesus said: “My people, in today’s Gospel I quoted the two Great Commandments of loving God and loving your neighbor to the Scribes and Pharisees. They were always trying to test Me and trip Me up, but I usually confounded them in their questions. My apostles and the people were always open to hear My parables, and the people came to Me for healings of their sicknesses and other afflictions. I sent My apostles out two by two so they could spread My Good News of My salvation. After I rose from the dead, they proclaimed My Resurrection as well. Today, I send out My evangelists and faithful people to continue spreading the Good News of My Resurrection, and they are to reach out to save souls. My messengers are also preaching about these end times, and the need for places of refuge during the tribulation. Listen to their words of warning in having your souls purified for the coming Warning experience.”
Jesus said: “My people, there are a few reasons that investors are concerned about the recent downturn in the stock indexes. There are some currencies that are going down vs. the dollar. China’s changes in their currency and the slow down in their economy, is affecting other countries. You are seeing lower gasoline prices because the price of oil has gone down. Some of your oil companies are shutting down oil wells because there is not enough profit to keep them running. Fracking has put more oil and gas on the market, so you have too much oil available, causing a reduced price of oil. This slump in stock prices could stop interest rates from rising, and it could continue even into a recession. The one world people are trying to cause a crash, and they are making investors nervous with this down trend. They are having some practice runs at trying to precipitate a crash, which could give a reason for a martial law takeover of your country. This is another reason to have your things ready to leave for your refuges. Trust in Me to provide for your needs, despite any chaos in your money system.”

August 27, 2015
Saturday, August 22, 2015: (Queenship of the Blessed Virgin Mary)
Our Blessed Mother said: “My dear children, any confusion in the world is coming from the devil, as I crushed his head with my heel. There is a battle of good and evil in a struggle for souls. This is why it is so important to storm heaven with your daily three rosaries. I am thankful for my prayer warriors who pray every day for sinners and the souls in purgatory. As you pray and have

Masses said for your deceased friends in purgatory, remember how I take many souls in purgatory up to heaven on my feast days. Make an extra effort in your prayers today, so I can go to my Son to beg for the release of more souls. I see how much you love your deceased friends, and I know how much you would like to see them come into heaven. When you pray, ask Jesus to have mercy on the souls of your deceased friends, so they could be released from purgatory. Have Masses said for them, and they could be released sooner."
(4:00 p.m. Vigil Mass) Jesus said: "My people, in the first reading you heard Joshua make a bold proclamation: 'As for me and my household, we will serve the Lord.' Even in your early years, you remember how you are here on earth to know, love, and serve the Lord. You are serving Me in many ways in your prayers, in your good deeds, and even when you evangelize souls. You have served Me many years in spreading My messages and preparing people for the end times. You have also stood up against abortion in your prayers and public protests. Now you will be serving Me again in preparing your place to be an interim refuge. I want to thank you for moving ahead in making your bunk beds. You will need to get some mattresses, cots, and some foam for people to have sleeping quarters. Make some plans so you have time to prepare your safe haven."

August 27, 2015
Sunday, August 23, 2015:
Jesus said: "My people, I am the Cornerstone of your belief in Me, and I have the keys to eternal life. One key is My gift of faith so people can love Me, and trust that I will lead them on a path to heaven. Another key is My gift of Myself, both Body and Blood, that you receive in Holy Communion. A third key is how I forgive your sins in Confession to the priest. You need to keep your soul cleansed of your sins by frequent Confession, at least monthly. I gave My apostles the power to forgive sins in Confession, and the power to consecrate the bread and wine into My Body and Blood. In the Gospel it speaks of 'Does this shock you?' I am referring to giving you My Body to eat and My Blood to drink. This understanding of My Real Presence in the consecrated Host and wine, is not easy to comprehend. It is a spiritual mystery in how I allow the priest to transubstantiate the bread and wine into My Body and Blood. This is only accepted by a gift of faith in My very words in St. John's sixth Chapter. This is why some of My disciples stopped following Me, and even some today do not

believe in My Real Presence in the consecrated Host. But for those who do believe, you have Me intimately sharing Myself with them in Holy Communion. I give you the grace in this sacrament of My Eucharist to heal any effects of your sins, and I am with you always in My tabernacles."

August 27, 2015
Monday, August 24, 2015: (Funeral Mass for Jeanne Marie)
Jeanne Marie said: "You can see how ecstatic I am to be with my Jesus in heaven. I want to thank all the priests, my family, and my friends for coming to my funeral Mass. I love you Al, Kurt, and Erick. Thank you for carrying out my wishes for my funeral Mass. I thank all of those people who cared for me in my last days. I was in purgatory briefly, but the Blessed Mother took me up to heaven on her feast day of her Queenship. I was brought to heaven because of your prayers, and anticipated Masses. So continue to have them offered. I also thank you John and Carol for bringing us together at your prayer group. I will be watching over Al and the family, and I will be praying for all of you."
Jesus said: "My people, much of your news and concern has been focused on China and its affect on your stock market, which has had a dramatic downturn. China's economy is linked very closely to America's corporations that have their products made there with cheap labor. China's economy is slowing down, which will mean fewer products for Americans to buy. As China reduces its holding of Treasury Notes, this will put a strain on the financing of America's debt. There has been a serious explosion in one of China's cities, and news about the cause and damage has been blacked out in China. The extent of this damage implies an unusual source of destruction. Until there is more stability in China's finances, you could see stock markets continue to be in jeopardy of further losses. This presents an opportunity for the one world people to take advantage of any financial upheavals that would lead to their planned martial law takeover. I have encouraged all of My refuge builders to have things ready because some serious events will threaten your lives. Trust in Me to take care of My people in the coming tribulation."

Tuesday, August 25, 2015

August 27, 2015
Tuesday, August 25, 2015: (St. Louis)
Jesus said: "My people, there are plenty of hypocrites in your own society who

proclaim to be righteous, but their actions greatly offend Me. This is like the parable on people who are judging their neighbors, but they are blind to their own evil actions. I told the people, that they need to take the wooden beam out of their own eye first, before they look to try and remove the speck out of their neighbor's eye. Even in your own society, you are committing sins of abortion, fornication, homosexual acts, and many other evils. You will see My punishment carried out on your country for all the evil laws and decisions that violate My laws and Commandments. Other countries that violate My laws will also face My judgment of their actions. Many civilizations have been brought down from within because of their decadence and their evil actions. You have seen such examples throughout history. If you do not learn from your mistakes and the mistakes of other civilizations, then you will be repeating the same outcome of destruction."
Jesus said: "My people, I told you that Christians will be persecuted first from within during the division of My Church. The schismatic church will be criticizing you because of your faithfulness to the teachings of My apostles. Then you will be persecuted by the media and even your government. Once your lives are in danger, I will first call you to secret meetings in your homes. Your prayer group will return to your home, and then your refuge mission will come into play. Pray for your enemies, but you will need My angel protection to protect you from the evil ones who want to kill you. You are seeing Christians being martyred overseas already, and soon you will see such killings in America."

End August 2015

September 2015

Wednesday, August 26, 2015

September 9, 2015
Wednesday, August 26, 2015:
Jesus said: "My people, I have called many people to set up refuges for the coming tribulation, but only a few people have given Me their 'yes' to go ahead. Planning a refuge requires consecrating the land, and having a possible source of water for drinking. You will all be acting independently from your normal services. You will need an alternate source of heat for keeping you warm in the

winter, and for cooking. You will need to store some food in the basement, and possibly some water barrels to be multiplied. Some refuges have dedicated housing for dormitories. Others have regular beds and bunk beds where space is limited. Even some cots could be used for sleeping where such space has other uses. By providing for eating and sleeping, you will be able to accommodate your relatives, friends, or others who come. My angels will put a shield of invisibility around your dwellings, and they will keep out the evil ones who want to kill you. Trust in My protection and how I will provide for your physical and spiritual needs."
Jesus said: "My people, you have seen a lot of typhoons and hurricanes in the Pacific Ocean. Now, you are seeing more storms in the Atlantic Ocean as you are approaching the peak time for hurricanes in September. I am showing you a vision of a storm surge coming ashore in your country. You have seen some heavy rains in some parts of your country that have caused some flooding. Other areas are experiencing droughts and fires. Tornadoes and hurricanes cause a lot of damage throughout the year. If you add up all of your natural disasters, your country suffers millions of dollars of damage every year. Except for some government aid, your localities have to repair their own damage. Pray for all the victims of these disasters, so they can get housing and new jobs if their jobs were lost. Some of these disasters are man-made, and some are coming as a punishment for sin. Your abortions and sexual sins are constantly calling out for My justice. This is why your nation is suffering destruction at times. Continue to pray for sinners to repent, and continue your Masses of reparation for those people who are dying suddenly, without any preparation for their judgment."

September 9, 2015
Thursday, August 27, 2015: (St. Monica)
Jesus said: "My people, you have experienced evil things on the earth as wars, killings, and many abortions. In the vision you are seeing an evil descending on the earth that will be the worst evil manifestation that you have ever seen. This evil will be the Antichrist as he comes into power with all the demons and evil people carrying out his misdeeds during the tribulation. In the end times you are seeing why I have asked My faithful to build refuges where My angels will defend My people from the evil ones who want to kill all of My believers. This truly will be a battle of good and evil, and it will bring on the Battle of

Armageddon. Some of My faithful will be martyred for their faith, but they will become instant saints. I told people not to take a chip in the body, or the evil ones will control their free will like a robot that is hypnotized. Do not look at the eyes of the Antichrist, or he could force you to worship him. This is why, after the Warning, you will need to get rid of your TVs, computers, and any links to the internet. I will warn My faithful when it is time to come to My refuges of protection. Keep your souls clean so you will be strong to face the greatest evil that you will ever see. Trust in My help and My angel protection at My refuges."
Prayer Group:
Jesus said: "My people, in these latest gyrations in your stock market, there were many large investors who were shorting the market to take advantage of the small investors who were holding long positions. It is sad that some people could lose some of their life savings if they sold out on the way down. Some of the problems in China can affect a healthy American economy. China and other countries could cause problems for your debt financing by selling your Treasury Notes. Pray for your country and your people who are influenced by stock losses."
Jesus said: "My people, you are seeing ongoing problems as China's firefighters are still battling fires in the port that had a large explosion. There is still a toxic rain in the area. You are seeing a desperate Chinese government that is lowering bank interest rates, and even buying stocks of large companies to stop their stock market from falling further. The money problems in China are not over, and this swoon in the U.S. markets can happen again."
Jesus said: "My people, you are seeing various cities and places like Puerto Rico who are defaulting on their loans. Such cities are having problems paying pension plans, health obligations, and welfare payments with a decreasing tax base. Without enough income to support these governments, these defaulting cities will have to cut back on services that they can no longer pay for. It will be impossible for your country's government to bail out all of these cities because your government has a huge national debt already. Pray for these people so riots do not get out of hand."
Jesus said: "My people, there are several European countries that are in near default, even as you just saw Greece getting bailed out. Your world economies are not as well off as America, and they are on the edge of defaulting on their loans. I have told you to look for some major financial problems this fall. As more economies become less likely to pay their debts, it will become too difficult to bail out all the coming defaults. This can cause some bank failures

and a possible world slowdown or recession. Pray that the people in these countries can find food to survive."
Jesus said: "My son, as you have been feeding people in various events, you are getting a sample of how you will be feeding many people at your refuge. Think of how you will have to use your own food and provide water for many people on different cooking devices without electricity. Start thinking of how you will need Me to multiply your fuels for heating and cooking. Call on Me to direct you in providing food, water, sleeping materials, and spiritual food by My angels or by My priests."
Jesus said: "My son, you have made some big improvements with your bed plans, but now you need to finish securing your mattresses and more cots. When you see a lot of people at your house, think of how you would have to provide sleeping places for them. As you accomplish each task, I will help you organize what else is needed. Keep praying for My help in directing your refuge needs."
Jesus said: "My people, when you go on these trips to various rustic settings, you are getting prepared how to live with less conveniences and more basic necessities. When you wash up in common bathrooms, and eat fewer meals, you will be living the rustic lives of many refuges. Making do with a minimum of lights and the bunk beds, will get you ready for your refuge living. Learn your needs from this trip, so you can plan what you will need for the people at your refuge. Trust in My protection, but some of you may also be called to be martyrs for your faith."

September 9, 2015
Friday, August 28, 2015: (St. Augustine)
Jesus said: "My people, I call all of you to My banquet at the Sacrifice of the Mass. There are two images that come to mind when you hear the account of the five wise virgins and the five foolish virgins. It was the wise virgins who had enough oil to burn their lamps bright, while the foolish virgins had their lamps go out. The spiritual explanation is that the wise virgins had enough grace to be worthy to receive Me at My banquet of Holy Communion. The foolish virgins needed more grace, meaning they needed to confess their sins to receive the grace needed to be worthy of receiving Me in Holy Communion. The physical explanation speaks to being ready to come to My refuges. The wise virgins again had prepared food, water, and bedding so they were ready for the coming

tribulation. The foolish virgins are the people who heard My Word to be prepared, but they were too lazy to make any preparations. It is My refuge builders who are the true wise virgins who will welcome all of those people who are seeking My protection from the evil ones. Those people, who come to My refuges, can also be prepared with backpacks and bedding preparations. Be grateful that you will have Adoration and Holy Communion at every refuge, so each refuge will be a place of My banquet."
Jesus said: "My people, you have seen how hard it was to build your addition with all of your electric tools. After looking at the replica of an Indian village, you can imagine how much longer it took to build a similar structure without electricity. In your days, you have the luxury of a modern stove, free running water and ice, and a refrigerator. Even your cars make travel much quicker than horse drawn carriages. People survived without electricity and your modern conveniences for many years. You may have to get used to living this way again if you do not have solar power or a generator. You may have to look into the possibility of having a well dug on your property. Otherwise, I will have to multiply your water or provide a spring of water. You are seeing the same basic necessities needed in these old villages as food, water, and bedding. These things will be the same necessities needed at your refuges. Once you take care of your bedding needs, you may want to stock up on some more canned goods, pouches, or MREs. Having a source of water, or storing more barrels of water may be needed for bathing and drinking water for large numbers of people. By making your extra efforts now, you will be like the wise virgins who are well prepared for what is to come at your refuges."

September 9, 2015
Saturday, August 29, 2015: (The Passion of St. John the Baptist)
Jesus said: "My people, you are called in this place of the martyrs, to imitate their faith and dedication to do My Will for you. You have many daily concerns about what you are to eat and where you will stay. Learn from this rustic life how you are totally dependent on Me for everything. Look around at your surroundings, and you can realize how little you really need in life. It is not necessary to have all of your modern comforts and entertainment to live. It is your spiritual life that you should be more concerned about in pleasing Me and following My mission for your lives. My mission is that you use your physical

and spiritual talents for My greater glory. I call some faithful for special missions to help others with My Word, and even some are called to be priests and deacons. Be grateful also that I am calling some faithful to set up interim and final refuges. These places will be needed as safe havens during the tribulation. In all of your aspirations, I call all of you to be faithful to Me, even if you are threatened with your lives. Some may be physical martyrs, and some may suffer as dry martyrs. I thank all of you for being faithful to My call, just as the martyrs did."
Jesus said: "My people, you are like pilgrims as you made the six mile walk of the Canadian Martyrs to the place of St. Ignatius' cross. You suffered a little on your walk with some pain in your legs and your back, but you were determined to offer up any suffering for souls. You have been witnessing a rustic living, but you have been rewarded with great meals. The martyrs were with you on your walk, and they were grateful that you could come to this Shrine. You could remember them in any pictures that you have. Keep focused on both of your missions of spreading My Word and providing for the people at your refuge."

Sunday, August 30, 2015

September 9, 2015
Sunday, August 30, 2015:
Jesus said: "My people, you read in the Gospel about how the Scribes and Pharisees were very attentive to the letter of the law, but they did not always abide by the spirit of the law. Even today, many of you are so concerned with your outward appearances, so you look presentable to please mankind. But you are not as diligent in how your soul appears to Me in all of your ugly sins. Take care to be more concerned about keeping your soul pure on the inside than so much worry about how you appear on the outside of your body. It is for this hypocrisy that I was reprimanding the Scribes and Pharisees. So, My people need to observe the same lesson of keeping both the inside and the outside clean, but mostly to please Me more than mankind. My people, as you leave this place of the Canadian martyrs, call on them to protect you on your way home, and work to continue imitating their lives, even if you have to suffer persecution for your belief in Me. I see all the intentions in your heart and soul, so be watchful that you follow My laws in the spirit of loving Me and loving your neighbor."

Monday, August 31, 2015

September 9, 2015
Monday, August 31, 2015:
Jesus said: “My people, a prophet is not always accepted in his hometown, because the town people do not want to accept miracles from a person whom they know. This was a problem for Me, and it is even a problem for My prophets in their hometowns. I have been giving you messages about preparing an interim refuge in anticipation of the coming tribulation. You are seeing several confirmation signs that some significant events will be happening this fall. The Tetrad Blood moons and the year of the Shimetah are more signs in the sky of financial problems. I will use the one world people to carry out America’s punishment, but they will not threaten your lives until after My Warning. These events will happen according to My plan, even as I will allow sinners time to repent and convert their lives. This again is why I am warning My refuge builders to finish up their preparations. Trust in My protection and that I will provide for your needs.”
Jesus said: “My son, you have done well to get your mattresses for your beds. Now, your next step is to secure some cots with small mattresses so you can store more beds for other space that could serve two uses. Another step is to make sure that you have enough pillows, blankets, and sheets for your beds. Every week that you go shopping, you could pick up some extra canned goods for a balanced diet. It might be easier to use up your canned goods first, but buy food that you can rotate on your shelves. I keep mentioning your three basic needs of water, food, and sleeping accommodations. Once you have some basic supplies, then you can expand as space and time permits. It is true that I will multiply what you need, but you need to have something to multiply. Call on Me to answer any of your questions on what to have on hand. Even as you are buying what you need, you still have some clutter that needs cleaning up, and throwing out the things that are not useful. Keep working at a good pace without slowing down, or wasting your time. Remember also not to forget your daily prayers. Keep trusting in My protection, and follow My directions.”

Tuesday, September 1, 2015

September 9, 2015
Tuesday, September 1, 2015:
Jesus said: “My people, remember that I am the Creator, and the demons are My creatures. All the demons know who I am, and when I command them, they

must obey, no matter how many or how powerful they may be. My power far surpasses any power of the demons. I even gave power to My apostles to cast out demons from people. My exorcist priests are also given My authority to cast out demons. I give power to My faithful to pray deliverance prayers for possessed people. Pray as a group using the long form of the St. Michael prayer. You can also use the binding of the spirits prayer: 'I bind any evil spirits in a person to the foot of My cross in My Name, Jesus.' My Name has power, and the demons recognize My power, but you must have faith in Me, and use fasting in some cases, as I told you in the Scriptures. Trust in My power and call on Me, and I will send My angels when you are being attacked by demons."
Jesus said: "My people, your country has gone through some serious financial disruptions in 2001 and 2008. You have had a calm stock market for several years, while your interest rates have been held near zero artificially. America's corporations have transferred much of their manufacturing to China because of the cheap labor. In this process, America has become dependent on China for your things to buy, and they were buying your Treasury Debt Notes. As China's economy cools off, and they start selling Treasury Notes, then you can see why your stock market is falling. The one world people want to take over America because your people are used to being free without a communist government. The evil ones want to bring about a financial collapse, so they could declare a martial law takeover. You are seeing signs in your markets, and many laws and decisions that have not been voted in by the people. You are also seeing chipped charge cards with a plan to force chips in the body on your people. This is why I am calling some faithful to set up refuges for this coming persecution of My believers. You are moving ahead to have more beds and bedding supplies for people to come to your refuge. You were asking about numbers, and I see that you may be able to handle about forty people without My multiplying your present space. Plan for this number in your supplies that I will multiply. If more people come, I will have to expand your facilities and multiply your food and water. I am grateful for all of your progress on such a short notice. Continue your preparations and clean up of some of your old things that could be discarded."

Wednesday, September 2, 2015

September 9, 2015
Wednesday, September 2, 2015:

Jesus said: “My people, in St. Luke’s Gospel you see more of a focus on My healing of people because he was a physician. So in today’s Gospel you read of My healing of St. Peter’s mother-in-law, who had a fever. I also healed many sick people, and I even cast demons out of people to heal them. The people of Capharnaum tried to detain Me there, but I told them that I had to go to other towns to proclaim the Kingdom of God. This was part of My mission to reach all of those people in the tribes of Israel, the chosen people. St. Paul’s focus was to spread My Words of My Resurrection and My Kingdom to all the gentiles. You can read St. Paul’s accounts in the Acts of the Apostles and in his many letters or epistles to the people who he was evangelizing. By Baptism and Confirmation, I am calling all of My believers to spread My Gospel message, and work to save souls by evangelizing them. I am even sending out My special messengers and prophets also to spread My message of love to all the nations. I want all sinners to have an opportunity to be saved. This is why I will send out My Warning experience to everyone, so they will see their sins, and have a chance to repent and be saved. After the Warning, people will be very open to My faithful, who will be working hard to evangelize as many souls as possible. Some people will reject Me, but those, who repent of their sins, will find eternal life with Me in heaven.”

Jesus said: “My people, you are seeing some heavy rains from the remnants of a tropical storm on the Southeast coast. America has not suffered much from any Atlantic Ocean hurricanes, but you are still seeing some mild flooding. There have been more storms in the Pacific Ocean, but only some rain and heavy surf have affected your lands, even in Hawaii. You have been more affected by the turbulence in your stock markets than by any physical storms. Most of your volatility has come as a result of a slow down in China’s economy. If China continues to sell your Treasury Notes instead of buying them, then America’s debt service could become a problem that will force your Federal Reserve to buy your debt. You have seen several quantitative easing sessions to put more money into circulation. This extra money has not been removed, so there is a chance of inflation if the Federal Reserve issues more bonds. Your economy is growing at over 3%, and there is a debate whether or not to raise interest rates. The volatility in your markets will continue until there is more certainty about a stable world economy. Pray that you do not have a financial crash, or your country could see a takeover by the one world people.”

September 9, 2015
Thursday, September 3, 2015: (Pope Gregory the Great)
Jesus said: "My people, you have seen in the Scriptures how some of My followers were called by Me with various miracles. In today's Gospel you are seeing a miraculous catch of many fish that was a call to mission for St. Peter, St. John, and St. James. St. Paul was thrown from his horse and a great light blinded him, as I asked him 'Why he was persecuting Me?' Other disciples were called without such miracles, but still they responded by following Me without questioning their call. You, My son, also had a miracle conversion of your computer addiction as you answered 'yes' to your mission of spreading My Word. Now, you are being called to a second mission of preparing an interim refuge with another 'yes' without question. You have seen many confirmations of small miracles to convince you of My call, and now answering My second request, has come normally as you are committed to do My Will. Once you are focused on Me in your Mass and daily prayers, doing My Will comes as a natural response. It is this natural response to My Word that orders all of My creation. I have given mankind a free will to obey Me or not. But once you have been given a gift of faith, your obedience is expected. Whenever you answer My call to a mission, you will receive the grace to endure any obstacles to your mission. The devil will try to distract you, and take your focus off of Me, but I will not leave My faithful as orphans, even if I need to send you My angels to fight your battles. Trust in Me to help you in all of your missions, so you can carry out My plan for your life."
Prayer Group:
Jesus said: "My people, I told you that there would be a major event this fall. You could see a serious missile attack against your country in five of your cities. The terrorists, who attacked you before in 2001, have access to more sophisticated weapons, and they prefer to attack multiple cities. These missiles are being launched by sleeper cells of ISIS in various parts of your country. It will be hard to prevent such an attack. Pray for My help in any recovery from such an attack."
Jesus said: "My people, one of the coming factors in when you will leave for My refuges is a coming declaration of martial law. The one world people are planning a takeover of America with martial law that will result from a bankruptcy, a pandemic virus, and terrorist activities. With these events happening, it will give your President an opportunity to declare martial law. My faithful will be at My refuges when this occurs."

Jesus said: “My people, before the major events threaten your lives, I will send everyone their Warning experience. This illumination of conscience will show each person a life review and a mini-judgment to heaven, purgatory, or hell. This will happen to everyone at the same time outside of your body, and outside of time. You will have six weeks of time for conversions to change your lives. Be thankful that I will allow all sinners an opportunity to repent of their sins and convert their lives. This will be the best opportunity to save souls who love Me and want to accept Me.”

Jesus said: “My people, after My Warning experience, I will send all of My faithful an interior message of when it is time to leave for My refuges. I will warn you before martial law occurs so you can leave your homes before the men in black start coming to your houses to kill My believers. The Warning is your sign that the major events are about to happen. Once I warn you, call on Me to have your guardian angels lead you to the nearest refuge. Do not delay in leaving, or you could be captured and martyred. Call on Me to keep you calm, as your angels will make you invisible to your enemies.”

Jesus said: “My people, I have been warning My refuge builders to be ready to receive My faithful into their safe havens. You will need to counsel these people who will be frightened by the threats to their lives. My refuges will be protected by My angels who will only allow people with crosses on their foreheads to enter. You will have food, water, fuel, and bedding multiplied so each person will have their own place. You will have daily Holy Communion, and perpetual Adoration at every refuge.”

Jesus said: “My people, some refuges may have electricity from solar cells or generators, but most refuges will be using oil lamps for light, and crude cooking devices. My faithful will be thankful to My refuge builders for providing them a safe haven to live. My angels will shield you from the evil ones, and they will multiply all that you will need to survive. Each person will be working together for cooking, washing clothes, securing food, and contributing their talents.”

Jesus said: “My people, I have called some of My faithful to help establish interim and final refuges so My faithful have a safe place to stay during the tribulation. Not everyone has answered ‘yes’, but I am thanking those people who have made this commitment. You may not realize how much work goes into preparing a refuge. I have asked My builders to have extra food and water that can be multiplied to feed the faithful who come. These builders need to make an effort to supply bedding with bunk beds, cots, and sleeping blankets. These things will also be multiplied if necessary. Trust in Me and I will provide the

funding for your refuges. You will need the people, who come, to help you with supplying the food, water, beds, and hygiene supplies to everyone. Each refuge will be a loving community that will work as a team in prayer and helping your neighbor to survive."

September 9, 2015
Friday, September 4, 2015:
Jesus said: "My people, there are certain ways of making wine that take certain lengths of time in the fermentation of the sugar into alcohol. This is the physical nature of this process, and it cannot be rushed any sooner to make a good wine. In life you have man's ways, and then you have My ways which cannot be compared. This is because your ways are imperfect, but My ways are total perfection. This is why I call you to be perfect as My heavenly Father is perfect. I know that you are sinners, and it is not in your human nature to be perfect because of the effects of Adam's original sin. Once you are either purified in purgatory, or on earth through suffering, then you will appreciate the perfection and the holiness of My saints in heaven. Just as wine has to be cured in a lengthy process, so your souls also have to be purified over time until you are prepared for heaven. So do not be upset over your imperfections, but be grateful that you can have pure souls by confessing your sins to Me in the priest. Strive to seek holiness with My grace, and I will see the sincerity of your struggle to do good in following My laws. Those people, who repent of their sins, and accept Me as Master of their lives, will have their reward with Me in heaven."
Jesus said: "My people, I am repeating several facts in My messages, so you will be ready for when you will be coming to My refuges. I have made requests before that the people, who come to your refuges, should bring the tools and supplies of their trade, so they can share their skills to help that refuge. I will multiply your trade supplies so you can continue to provide your trades. Each refuge will have people who have different skills so you can each make your own contribution in helping the people at your refuge. Some people may have saws for cutting wood, others can help prepare the deer meat, some have sewing skills, while others are good at household chores. Everyone will be assigned tasks that will benefit your group. You all will take turns at various tasks, and at your Adoration hours around the clock. Be patient with each other, as there will be plenty of work to do in providing meals, washing, and providing places to

sleep. You will only be enduring this refuge life for less than 3½ years before I will come in victory over the evil ones. Then I will lead you into My Era of Peace."

September 9, 2015
Saturday, September 5, 2015:
Jesus said: "My people, it is one thing to clean the trash out of your house, but it is another to purify your sinful trash out of your soul in Confession. Sometimes in older days you could see trash being burned up in a trash barrel. It is not accepted now, because of your pollution laws. Even now, you also see only a few people coming to Confession, usually on Saturday. You all are sinners, and yet only a few people see Confession as a true need to cleanse their souls. When My people see their Warning experience, they will have a different view of their sins in how they offend Me. There will be long lines with the priests working overtime in the confessional. This cleansing of souls is so needed, because if you could see the stench of black sins on the souls, you would want them cleansed as I desire it. Pray for souls to be converted both now and at the Warning. The Warning will come in My time, but you could prepare yourself with frequent Confession, monthly."
(4:00 p.m. anticipation Mass) Jesus said: "My son, I am giving you a glimpse of what your Warning experience would be like. You will see how you progressed in your faith, and how I have used you to spread My messages over the internet and through your books to help evangelize souls. Your gift of My mission has held you close to Me, and you need to do everything for Me, and not just to please yourself. Once I helped break your programming addiction, you understood how you were wasting your time on earthly things, instead of letting Me run your life. You can see in your life review how events are intensifying, as you prepare your house to be an interim refuge. You are seeing the urgency in My messages as world events will become more serious, with evil growing in temporary power. This dramatic view of the Warning is another sign that the time of My Warning is about to be brought upon all sinners. After My Warning, you will have a time to repent before major events will lead up to the declaration of the Antichrist and the beginning of the tribulation. It is at that time when My faithful will be coming to My refuges, and you will be fulfilling your new mission. Trust in Me and My angels to protect those who are not martyred, and I will multiply what you need."

Sunday, September 6, 2015:
Jesus said: “My people, in today’s Gospel you heard My words in how I healed the deaf mute (Mark 7:31-37). I took him aside from the crowd, and I touched his ears so he could hear. Then I put My spittle on his tongue so he could speak plainly. Many people were amazed at this healing, and word of this healing spread in the district of Tyre. My son, this is a perfect message for you, because I have called you to be one of My prophets, since I have given you many messages by your listening to My Word. I have also given you a mission to go out and speak My Word to all the nations. This is why you saw in the vision a large speaker and a big microphone. My Word is like the Light of understanding that must be proclaimed from the rooftops, and not kept under a bushel basket. You have seen some good fruit come forth from sharing My Word, when some people have been converted and saved from hell. Be grateful that I have given you this mission to share your faith and My Word with the people in your writings and DVDs.”

September 9, 2015
Monday, September 7, 2015: (Labor Day)
Jesus said: “My people, you are seeing your water in your lakes, rivers, and oceans, and I am showing you how polluted and contaminated it is. You are seeing toxic algae blooms in some of your lakes because of the hot weather. In the Pacific Ocean you are still dealing with a plume of radiation from the Japanese nuclear plant that was destroyed. Your corporate waste streams and your treatment plants are also polluting your limited fresh water sources. With droughts your well water is going lower with more mineral pollution. Your pesticides and fertilizers add to your pollution. Your fresh water is so precious and necessary for life, but your people are not protecting your most needed resource. Pray that your leaders will see the danger in all of your water pollution.”
Jesus said: “My people, I have warned you of a coming division in My Church between a schismatic church and My faithful remnant. This vision is of a priest who has heard of some heresies being promoted by some clergy. He is in a state of shock in disbelief of what he was hearing. You will be hearing of more

heresies, and an acceptance of same sex marriage, even among some clergy. Some elements of My Church will be misleading the people, and they will be forming the schismatic church that will eventually adopt New Age teachings. When you see these heresies in a church, you need to move to a more traditional church. Eventually, you will need to have your prayer meetings in the home, when the schismatic church takes over. This will be another sign of how close the time is when My faithful will need to come to My refuges for protection from the Christian persecution by the evil ones. Trust in My protection at My refuges where you will have Me Present in your perpetual Adoration."

September 9, 2015
Tuesday, September 8, 2015: (Nativity of the Blessed Mother)
Jesus said: "My people, today's Gospel gives you the genealogy of St. Joseph from Abraham. My Blessed Mother also was from the house of King David, because St. Joseph and My Blessed Mother had to register in Bethlehem, where I was born. The Archangel Gabriel brought a request for My Blessed Mother if she would be the Mother of God, and carry Me in her womb. She gave her great 'fiat' or 'yes' to the angel. It was by the power of the Holy Spirit that she conceived Me, and it was St. Joseph who finally accepted her into his home as his wife. This was even though My Blessed Mother was already pregnant. St. Joseph had an angel appear to him in a dream, and told him that My Blessed Mother conceived Me by the power of the Holy Spirit. This was to fulfill the prophecy of Isaiah (7:14): 'Behold, the virgin shall be with child, and shall bring forth a son; and they shall call His name, Emmanuel.'"
Jesus said: "My people, I know how many of you like to make time for Me in your prayers. You are careful to remember to make intentions for all of your prayers. I hear all of your prayers and I look for your intentions in your heart. I also want you to remember that when two or more of you pray together, I am there in your midst. This is why I encourage married couples to pray together, when you can, to help keep marriages together. When you pray and give everything over to Me, I will do the heavy lifting to change hearts that are open to loving Me. You saw in the movie how forgiving others and overcoming your pride, was the best way back into My graces. I ask you to seek My forgiveness of your sins, and allow Me to be the Master of your lives. I give all of you a free will, and you need to choose to love Me and obey My Commandments so you can be on the right path to heaven. Praying for others in your family, is also

powerful to help save them from their sins. Stay true to your daily prayers, and you will have a great reward in heaven. Praying privately in your room can sometimes help you to be quiet in discerning My words of what you are to do."

September 25, 2015
Wednesday, September 9, 2015: (St. Peter Claver)
Jesus said: "My people, this vision is a contrast in what people consider valuable as a treasure. You are seeing circular, unleavened wafers. When they are consecrated at a Mass, they become My very Body and Blood in My Real Presence. The other vision is of the minting of circular gold coins. A spirit filled person will consider My Eucharistic Hosts as the most valuable. An earthly person will consider the gold coins to be more valuable. There is a Scripture passage in St. Matthew (6:21) 'For where thy treasure is, there also will thy heart be.' There is another passage also in St. Matthew (6:24) 'You cannot serve God and money'. It is true that you need some money to buy your necessities, but do not make money an idol that you worship before Me. This is against My First Commandment that says you are to worship only Me. Each person has two natures: an earthly nature, and a spiritual nature. You are joined in body and soul, but it is your soul that will live on forever, and the body will pass away. This is why your soul is more important than the body, since it is your eternal destination in heaven that is more important than money. Seek to follow Me on your path to heaven, more than being concerned with accumulating earthly wealth which will pass away."
Jesus said: "My people, the low rainfall in the West has caused severe rationing of water, especially for lawns. They are even recommending rock gardens instead of small lawns. There are even penalties for people who use over a certain amount of water. It is hard to import water because it is expensive to transport it. Wells are running dry, and the heat is not letting up. People may have to resort to condensing water out of the air, or desalinating the ocean water. There are not many choices to buying bottled water from other places. Pray for these people because these water shortages are only going to continue. It is sad that the one world people are continuing to use the HAARP machine to cause droughts in California. You will suffer in your crop shortages as a result. This is why I am having you store food and water for the coming world famine."

September 25, 2015
Friday, September 11, 2015:
Jesus said: “My people of America, you are remembering the people who were killed on 9-11-01 by the terrorists in destroying the two trade towers in New York City. This was a punishment of America, but it was also promulgated to cause America to attack the terrorists in Afghanistan. This was a sad day for America when three thousand Americans lost their lives. You are having memorial services for all those people who lost their lives, and for the families of the deceased. The one world people precipitate wars with such incidents. If your wars were closely analyzed, you would see how these evil ones make money on your wars, and they gain control over certain lands. There is a desire of these evil ones to involve America in another war with ISIS in the Middle East. Do not be surprised if you see another major attack from ISIS terrorists to cause such a war against them. The last time you had such an incident in 2001, there was also a large stock market decline. If you see another such created incident, there could be another effect on your financial system. Pray that your people stay close to Me, even if your country is not humbled again by a terrorist attack.”
Jesus said: “My people, there are a lot of confusing statements being made about some basic parts of the Christian faith. Most of this confusion is coming from Satan in order to divide My Church. You have heard of two heresies being promoted. One is that hell is not eternal, and the other is that the Church should accept same-sex marriage. My faithful need a moral compass, and you can find the truth of your Catholic Faith in reading the Catechism of the Catholic Church. You remember in your research where the Catechism openly teaches that hell is eternal. On the subject of same-sex marriage, I have told you that I created man and woman for a proper marriage. A marriage between two men or two women is unnatural, and it is an abomination in My eyes. Neither of these heresies should be accepted in My Church, and if you hear this proclaimed in a church, then avoid that church. I have told you that there will be a division in My Church between a schismatic church and My faithful remnant. When the schismatic church takes over the churches, My faithful remnant will need to come to their homes for any prayer services. It will not be long when you will need to come to My refuges for protection from the evil ones, who want to kill all of My believers. After the Warning, you will see events lead up to the Antichrist declaring himself, and this will start the tribulation that I will shorten for the sake of My elect. Soon I will bring My victory over the evil ones, as they will be

cast into hell. My faithful will be rewarded in My Era of Peace and later in heaven."

Saturday, September 12, 2015

September 25, 2015
Saturday, September 12, 2015: (Most Holy Name of Mary)
Jesus said: "My people, I brought My victory over sin and death into the world with My death on the cross and My Resurrection from the dead. This is the Good News that I want all of My faithful to rejoice in with My saving grace. When you seek My forgiveness of your sins, and accept Me as the Master over your lives, then you share in My salvation of your soul to be free from the bonds of your sins. I call all of My faithful to be strong in their faith by daily prayer, frequent Mass, and monthly Confession. Learn the tenets of your faith and defend them, and you will be building up your faith on the rock of St. Peter. Those people, who do not trust in Me, and do not believe in Me, are building their lives on sand, so they will not be able to stand up against the evil one. I want My faithful to act on their faith by doing good deeds for their neighbor, and this will be a witness to others that their fruit is coming from a good tree. Too many times you see the evil ones doing bad deeds, as they witness to bearing bad fruit from a bad tree. Those people, who are good, are on the way to heaven and they are following Me. Those people, who are evil, are on a path to hell, and are following the devil. My faithful are called to evangelize souls, so you can help save them from hell. You do not want to see any soul lost to hell."
Jesus said: "My people, I am showing you two situations in life. In the first scene, it is someone who aspires to come to the higher levels of heaven. It is not easy to overcome the desires of the body, and sometimes you fall into sin. I love all of My faithful, even if they offend Me with their sins. I have given you My sacrament of Reconciliation so you can come and ask My forgiveness for your sins. The vision of swimming in the water, represents how your sins can be cleansed in Confession. The climbing of stairs represents how people need to work harder to be holier persons, so they can one day be elevated to the higher places in heaven. There is another scene, but it is of souls in purgatory as they also aspire to be with God in heaven. The suffering of purification in purgatory is also represented by the swimming in water, but these souls are suffering a lot more by not seeing Me, and these souls are at the mercy of people on earth who pray for them. These poor souls can suffer many years until My Blessed Mother brings them to heaven. They are promised one day to be with Me, and I will

determine their level in heaven. I want My souls on earth to be merciful for these souls in purgatory. They are saved, but your prayers and Masses can hasten the time of their release from purgatory. All of the souls that you help to heaven, will remember you forever, and they will pray for your release from any purgatory that you could suffer. Remember your prayer intentions for poor sinners and the poor souls in purgatory, and this could help you to gain the higher places in heaven that you desire."

September 25, 2015
Sunday, September 13, 2015:
Jesus said: "My people, I looked with disdain on the Scribes and Pharisees because of the hypocrisy of their thoughts. They preached the law, but they did not have a true feeling of obeying My laws out of love. In your society also, you have laws on your books and decisions from your Supreme Court that defy My laws. One decision has allowed women to kill their children by abortion. Another decision has legalized same-sex marriage all over your country. Even a few states allow euthanasia or assisted suicide. You have evil inspired men and women on your Supreme Court who cannot separate politically correct laws from moral laws that follow My Ten Commandments. Spiritual laws are on a higher level than your earthly human laws. This is why it is more important to obey Me than to obey man. The evil ones may persecute you for not following the immoral laws of man, but you must be true to Me first, and do not obey such evil laws. The evil ones will try to imprison you, even as they jailed the woman who would not give out marriage licenses to gay couples. It is these corrupt laws and decisions that are killing My babies, and this will bring My judgment against your country. You will also be mandated soon to have chips in your body. Refuse to take any chips in the body that could control your free will, even if the authorities threaten to kill you. It is when your lives are at risk, that I will warn you that it is time to come to My refuges of protection. Have no fear of the evil ones, but focus on obeying My laws, even if you are called to be martyrs for your faith in Me. All martyrs for the faith will become instant saints in heaven. The rest of My faithful will be protected by My angels at My refuges."

September 25, 2015
Monday, September 14, 2015: (The Exultation of the Holy Cross)

Jesus said: “My people, you are all blessed that I died for all the souls of mankind. I gave up My life on the cross so that all the people, who accept Me in love, will have eternal life in heaven. This is My promise to all of My disciples that you will die, but at the final judgment, you will all be resurrected body and soul to be with Me in heaven forever. I carried My cross of suffering to Calvary where I was crucified, and I paid the price of your sins with My Blood sacrifice. You repeat this sacrifice at the Mass as you eat My Body and drink My Blood. I have brought salvation to everyone who accepts Me and acts on My Word. I have broken the bonds of your sins to set you free. I call on you to carry your own cross of suffering to your Calvary at your death. All of you have to die in this life as a result of Adam’s sin. You cannot escape dying in your mortal bodies, but your soul lives on forever. It is the destination of your soul that is your most important choice in life. I call you to love Me as your Master, and to seek the forgiveness of your sins in Confession. By giving your allegiance to Me in all that you do, you will have your reward with Me one day in heaven. Pray also to bring as many souls as you can to Me, so they can be saved for heaven and avoid hell. Especially, be a witness of faith to your family and friends so they will desire to be with Me in heaven. I love all of you so much, and I gave up My life so everyone could come to heaven if each person so chose. Choose to be with the One who loves you in the glory of heaven, instead of being with the devil who hates you in the flames of hell.”

Jesus said: “My people, many people do not have the right priorities in their lives. Those people, who put their trust in Me to help them with their necessities, have the right attitude. It is your spiritual orientation that will help you throughout your life. You do not need a lot of money to have a family with the necessities of life. If you work hard and you are honest with people, you will make enough money to get by. It is when people are responsible in loving Me that they will live responsibly at their job and provide for their families. If you abuse your bodies with alcohol, drugs, and other addictions, then the devil will lead you into sin, and your life will be in chaos. Follow My Commandments of loving Me and loving your neighbor, and you will have your reward. By doing good works for others, and helping needy people and the poor, you will be storing up treasures in heaven. Everyone will get tested with health problems, accidents, or financial losses. It is how you react to your problems that I am watching for. A good Christian will call on Me every day to help him or her, and not just in hard times. I hear your prayers, and I will help you in whatever is best for your soul, and the souls of others. Let Me guide you in your daily lives, and

you will have no worries, no anxieties, and no fears, because I know what your need the most."

September 25, 2015
Tuesday, September 15, 2015: (Our Lady of Sorrows)
Jesus said: "My people, you all have sorrows and difficulties to suffer in your lives. So it was with My Blessed Mother during her life. She first endured the blessing of Simeon when I was brought to the Temple for My circumcision. He told her a sword would later pierce her heart. Another scene was when Herod wanted to kill Me, and My family had to flee to Egypt. When I was twelve years old, My parents had lost Me, but I was teaching people in the Temple. When I was carrying My cross, My Blessed Mother was in agony to see Me scourged and bleeding, when she met Me on the way. Later, she saw Me dying on the cross, and I gave her over to St. John. Finally, she held My dead Body in her arms after they had taken Me down from the cross. My Blessed Mother had to endure all of these sorrows, as she pondered them in her heart. Even when you are going through your own trials, you can call on My Blessed Mother to console you because she feels your pain, and she will pray for you. You all have to go through death, pain, and tears, but you can call on Me and My Blessed Mother to endure them, and even offer up your hurts to help souls here and in purgatory."
Jesus said: "My people, it is just a matter of time when the one world people will close your banks, and turn off your electricity, as they declare a martial law. I will warn My people with an interior message when it is time to come to My refuges. Life is going to get very dangerous when people cannot get money out of the banks, and the stores are ransacked for what food and water was there. This is why I am having My refuge builders set up safe havens that will be protected by My angels and your shields of invisibility. At My refuges you will have food, water, and bedding accommodations which will be multiplied for your survival. The Antichrist will control the world for a short time, until I will bring My victory over all the evil ones. Trust in My power to control the evil people and the demons. Some of My faithful will be martyred, and become instant saints in heaven. The rest of My faithful will endure the tribulation at My refuges. Then you will have your reward in My Era of Peace, and later in heaven."

Wednesday, September 16, 2015

September 25, 2015
Wednesday, September 16, 2015: (St. Cornelius and St. Cyprian)
Jesus said: "My people, I am giving you this vision of a boat, as it is being steered by Me at the helm. I give you the right directions to follow Me to heaven, but you must be willing to say 'yes' for what I want you to do. I give all of you a free will to choose to love Me and follow Me, as I led My apostles. For those faithful, who do follow Me, even out of their comfort zone, I will give them the grace to endure their trials, and treasure will be stored up in heaven for their good deeds. I need to be the center of your life in your prayers, Masses, and all that you do for your neighbor out of love for Me. I am the rock for the foundation of your faith. I give you strength along with the Holy Spirit to help you with your mission of evangelization, and your mission to set up an interim refuge. You have answered My call, and I thank you for following My lead in both missions. You will face a major trial with the coming tribulation, but call on My help and My protection in all that you do."
Jesus said: "My people, there have been many martyrs killed because they did not want to give up their faith. They would rather give up their lives than deny Me. You are seeing in the vision all the ruthless kings as Herod, and the emperors in Rome who killed many of the Early Christians. Herod gave the order to kill all the male children under two years old in Bethlehem in an attempt to kill Me. The emperors of Rome killed many Christians, even the early Popes. So it will be during the tribulation when the Antichrist and your leaders will be trying to kill all of My believers. This is why I am having My refuge builders make safe havens to protect My faithful from being killed. My angels will defend you from the evil ones at My refuges. When I come at the end of the tribulation, I will cast all of these evil leaders into hell for their misdeeds. This includes the Antichrist, the False Prophet, and all of his minions and demons as well. These evil ones may martyr some of My faithful, but in the end these murderers will suffer in hell forever. Trust in My protection from these killers."

September 25, 2015
Thursday, September 17, 2015: (St. Robert Bellarmine)
Jesus said: "My people, in today's Gospel I compared people's sins to loans of money. If two people had loans forgiven, and one loan was ten times the other,

surely the one who had a larger debt would be more thankful. I welcome all repentant sinners to come to Me in Confession for the forgiveness of their sins. Some people who do not come to Confession so often may also be more thankful than other people who come monthly. It is better to confess your sins more often, at least monthly, so you can still remember your faults and mistakes in sin. You receive My grace each time you receive My sacrament of Reconciliation. Some people find it hard to come to Confession because they are forced to root out any sinful addictions. It is difficult to admit your imperfections, but it is better to root out your sins, than to let them get worse by not coming to Confession so often. Some souls need to come more often instead of waiting to the last minute on their death bed, when it could be too late to make amends before they meet Me at their judgment. Do not put off Confession until an indefinite tomorrow, because today is an acceptable time."

Prayer Group:

Jesus said: "My people, you are seeing some unusual heavy rains with some hail in some areas. Even some have died from an 8.3 earthquake off the coast of Chile. These natural disasters test the people with unsettled weather. Some areas, as in New York, are seeing four inches of rainfall over your normal level. Other areas in California are seeing ten inch deficits, and they are seeing historically large fires with hundreds of homes destroyed. Pray for all the victims of these fires, storms, and earthquakes. Many families will have to relocate all over again."

Jesus said: "My people, when people die suddenly in severe storms or earthquakes, they may not have their souls purified to meet Me at their judgment. This is why you have been having your Masses of reparation for such troubled souls. These people may have need of your chaplet of Divine Mercy and your three beautiful prayers for the dying. With prayers and Masses for these victims, you could help save these souls from going to hell."

I could see a tight schedule of talks and plans being made for our interim refuge.

Jesus said: "My son, you have had a chance to come to several meetings for talks, as you sense an urgency to reach as many souls as possible before some serious events happen. You are making the best use of your time in reaching many souls with My messages. You also are being called to prepare food and bedding for about forty people at your interim refuge. You have ordered another ten cots which will give you forty sleeping places. I have given you the funds and time to set up your refuge in a short time. Be ready for those people who you will be sheltering in the coming tribulation."

Jesus said: “My people, you are seeing an increase in cancers due to your foods and your environment. Many people also are being stressed to make a living, which can weaken their immune systems. My people need to focus on trusting in Me for their needs and watching what they can do to build up their immune systems. Eating non-GMO foods and taking vitamins, herbs, and Hawthorn can help avoid some cancers. Pray for those people, who have cancer, so they could be healed.”
Jesus said: “My people, by getting regular medical checkups, you can have a better chance of catching any cancers early. Do not short yourself in getting checkups, even if you have to pay the whole bill. If you notice any unusual lumps or growths, you should seek immediate medical attention to test them for cancer. If you wait too long, you could let a cancer get more serious. Know the signs of cancer and keep a watch over your body. Some cancers can be treated if they are discovered early. Again you can pray for any cancer victims to be healed.”
Jesus said: “My people, once you experience My Warning, it will not be long before you will be coming to My refuges for protection from the evil ones who are trying to kill you. At My final refuges, you can look upon My Luminous cross and you will be healed of all of your health problems. At the interim refuges you will have spring water or holy water to heal any sickness. Give thanks and praise to Me for providing for your health, food, water, as well as a bed in a shelter. My angels will protect you and lead you safely to My refuges.”
Jesus said: “My people, I have been asking you to get prepared for My Warning and the coming tribulation for some years. Some have questioned if it is truly coming, but I told you it would be in your lifetime. One person told you that the Warning would be coming for sure. I would not have so many people preparing refuges unless they would be needed. Even now, you may want to have a year’s supply of food per person for the coming world famine. Call on Me to guard you and bring you to a safe place when you will need My protection.”

Friday, September 18, 2015:
Jesus said: “My people, I am showing you My Commandments because I want you to follow the desire of your soul in obedience to My laws. You are born with original sin, and your body craves to please your senses in usually sinful excesses. I give you a guardian angel to help direct you down the right path to

holiness. I do not violate your free will, but I want you to love Me and your neighbor. In My Gospels I have advised you to be generous in sharing what you have with others. I have even suggested giving ten per cent of your income to charity causes, especially the poor and My Church. The more wealth that you are entrusted with, the more you should share with others. Even when you are asked to prepare a refuge, you will be sharing your wealth in buying food, bedding, and your other refuge needs. I see that you are generous, and I will multiply what is needed for the people. You are sharing your money, and your time, but you also need to share your faith in My messages and your healing gifts. All the money and prayers that you give to others, will store up treasure in heaven for your judgment. When you give of what you have, this is a way of thanking Me for My gifts to you. I take care of you in life, and now I will be providing for the people who come to your refuge by multiplying what they need."

Saturday, September 19, 2015: (St. Januarius)
Jesus said: "My people, you are familiar with planting grass seed, and you need to be patient as you water the planted seed and watch the grass break through the soil. This parable of the Sower has been explained to you, where My Word is represented by the seed. In the vision, you are seeing the time of your life spread out and how you reacted to My Word of love. Some people fall away from My love as the devil distracts them with earthly pleasures. I am patient, and I wait for My faithful to come to Me in love. It is not easy for man or woman to be persistent in your love for Me and love for your neighbor. I wait for you to come to Confession and seek My forgiveness of your sins. During life some come back to Me later in life, some are faithful all of the time, and some reject Me. You all have free will and I wait for you to love Me in your time. You only have so many years in your life, so do not waste your time on your own desires, but focus your time on doing My Will for your mission. You can be fruitful in your good deeds and prayers, which store up treasure in heaven. Respond to My Word and My love, so you can also spread My Word of faith to your family and others. You are thankful for your gift of faith, so you can thank Me by sharing your gift of faith with other souls. Keep striving to save as many souls as you can, so they can be with Me in heaven and not lost in hell. Those people, who are faithful to Me in life, will share their reward of eternal life with Me in heaven. Hold Me in your hearts of love every day of your life."

Jesus said: “My son, you have prepared a beautiful chapel and a large kitchen so you can provide a place to worship and a place for eating. You have also prepared your bunk beds in the basement with cots to provide for the forty people that could come to your refuge. You could even get some more canned food for your food storage. In the vision I am showing you your backyard and how you could build a latrine and possibly a pump to supply your water from a well. Check to see what your town requirements would be to drill a well, and how much it would cost. Then try to see how you could dig a latrine with some lime on hand. Your next project would be to see if you could install some solar cells for some electricity. I know you are starting a refuge late in a possible time of chaos, but move forward in what you need. If you have problems establishing these projects, then I will give you some alternatives.”

Sunday, September 20, 2015:
Jesus said: “My people, I want to focus this message on the sacrament of Reconciliation, which My people so desperately need for My grace and My forgiveness. I call all repentant sinners to come to Confession where you can confess your sins to the priest. I act through the priest to absolve you and forgive your sins, so you can have a pure soul with My sanctifying grace. There are many souls who do not come to Confession, even though they should. You are not perfect, and you commit sins that offend Me. This is why you need to come at least monthly to cleanse your souls of your sins. Before confessing your sins, you need to make a good examination of your conscience so you can remember your sins, and tell the priest how long it has been since your last Confession. After you have been absolved of your sins, remember to pray your penance from the priest before you forget. You should take your family with you to Confession so you can train them in this part of their faith. Remember to seek My forgiveness in Confession sooner if you have any mortal sin on your soul. You cannot receive Me in Holy Communion unless your soul is free of any mortal sin, or you will commit a sin of sacrilege. You want to have pure souls as much as you can, so you are always ready to meet Me at your judgment when you will die. Living holy lives can also lead you to the higher places in heaven. I do not force souls to come to Confession, but I wait for you to come home to Me, even as the father of the Prodigal son waited for his son’s return. I thank all of you who come to frequent Confession, and I encourage all of your family and friends

to cleanse their souls as well."
Jesus said: "My son, be grateful that you are going out to many meeting places now, because there will come a time when your travel will be secret and restricted. Once your highways demand a chip in the hand, or an easy pass to travel with your van, then your travel will be much longer on side roads. I told you that your travel to your talks would become harder to get there. Eventually, you will no longer be able to travel either by van or by airplane. This is why you need to take advantage of what little time you have left to spread My Word. Once you can no longer travel, My Warning and My refuge time will be at hand. By reading the signs around you, you will be able to tell the timing of My Warning. After My Warning, you need to get your family together, and be ready to open your refuge to those who are coming. Work on evangelizing those people who are not coming to church, or your refuge angel may not accept them as part of My faithful. You will need to get acquainted with your refuge angel to allow people into your refuge. Be grateful that I am calling you to set up a refuge, so you can bring your relatives to your home. Trust in Me to put My protection around your refuges."

September 25, 2015
Monday, September 21, 2015: (St. Matthew)
Jesus said: "My son, you have read about My calling of St. Matthew, the tax collector, to be one of My apostles. The Scribes and Pharisees criticized Me for eating and drinking with sinners. Then I told them that sick people need a physician to heal them, which meant that they need spiritual healing the most. I also said that I came to heal sinners and not the self-righteous. You all are sinners, and you are in need of cleansing your souls of your sins. I called many other disciples to come and follow Me, so they could be trained in My way of love, and later to spread the Good News of My death and Resurrection. It is My sacrifice on the cross that has brought salvation to all repentant sinners. Even today, I am still calling My disciples to spread My Good News and to evangelize those souls who need conversion. My son, I have called you also from your computer addiction that I healed. I have given you two missions now, one to alert the people of the end times, and the other is to set up an interim refuge. I have accepted your 'yes' to both missions, and I thank you for sharing My words with the people in your books and on the internet. You also have been asked to go out to all the nations to preach My Word and pray over the people. I have

only a few messengers, and you have been faithful to My call. Now, you are also preparing your refuge for the coming tribulation of the Antichrist. You are seeing how Christians are being persecuted and even martyred in the Middle East. Soon you will see such persecution in America, as My faithful will be fleeing to My refuges of protection. Trust in Me to protect My faithful, and I am still coming to save as many sinners as possible, especially with My coming Warning experience."
Our Blessed Mother said: "My dear children, I am showing you a new way as indicated by the construction of a new road. This is a path to my Son's refuges that you will be shown when it is time. I am asking all the refuge builders to get their supplies ready to share with the people when they are called by my Son to come. When you saw my lips moving, you heard what Ferdinand used to say: 'Are you talking to me?' So yes, I am talking to you now. Even if refuges are not preparing their food, water, and bedding, my Son will have His angels bring what you need. You will be seeing events lead up to my Son's Warning experience, so be prepared by coming to frequent Confession. I thank you for your devotions to me by praying your rosaries for all the souls who are most in need of my Son's graces."
(Reparation Mass) Jesus said: "My people, I am proposing a question to all of you if you are being generous enough with your money, your time, or sharing your faith with family, friends, and others? Some people only give token amounts of help, when they could really share more if they wanted to. If you are a true Christian, you could share as much as possible to help someone in need. Do not be so selfish with your time and money, when you could help people with their needs. Sharing your faith or evangelizing souls, takes a little more spiritual courage, because doing so, might take some people out of their comfort zone. It might take some time and your personal interest to discover what people truly need help with. Once you realize the people's needs, you might have to consider how much help you could afford to share. I told you that the more wealth that is given to you, means you are expected to share more. I thank you for all of your gifts of charity that will be storing up treasure in heaven for your judgment."

Tuesday, September 22, 2015:
Jesus said: "My people, you have many hot spots of possible conflict in Korea, Ukraine, and the Middle East. The evil ones want to draw America into another

conflict, and there are several places that this could happen. Some possible terrorist attacks in America could cause a reaction to attack ISIS. The one world people are planning some events to draw America into another conflict. They are also planning an internal situation that will trigger a call for martial law. I have told you before that I will send My Warning experience to everyone before your lives will be threatened in the coming Christian persecution in America. Be prepared after the Warning, when you will be called to My refuges for protection from the men in black who want to kill you. Trust in My protection during the coming chaos in your streets."

Wednesday, September 23, 2015: (St. Padre Pio)
Jesus said: "My son, in today's Gospel I told you how I sent My disciples out to preach My Good News to all the nations. I instructed them not to take any money or a second tunic with them, because they were worthy of being housed and fed by virtue of their mission. They were to be totally dependent on Me, and on the hospitality of the people who they met. I even told them to shake the dust from their feet of those people who rejected My Word as testimony against them. You, My son, are also sent out to spread My messages to many places in America. You also travel with a small amount of luggage of one bag, and your books and DVDs. You depend on Me also to bring you to your speaking places, as well as on the people to put you up with lodging, and provide your meals and transportation costs. I told you that you would be seeing more trials in your travels. You have seen planes miss their connections, persecution against you, and delays in your traveling in the van. Whenever you are spreading My Word, expect the demons to try and attack you to keep you from coming. Do not fear, for I will protect you as you pray your long form of the St. Michael prayer both coming and going. I thank you and your wife for continuing to carry out this mission of evangelizing people, as well as your new mission of preparing an interim refuge."
Jesus said: "My son, I have asked you to get some more canned goods for

immediate use. Make sure that you have some can openers to be stored with your cans. You can obtain what you want, but I will give you some suggestions. Peanut butter is always easy to store. You could also buy some baked beans, some stews, and some tunafish. You should start thinking of what you would like to eat for breakfast, lunch, and dinner. Dried meats may be another choice. By thinking of what you like to eat, you may choose something more to your liking. Oatmeal may be good for your breakfast with some dried or concentrated milk. Once you have decided what you want to store, then make a list so you can decide how much to buy. You may want to buy a small amount each week for what you can afford, and so you do not draw too much attention to your storage. Keep in mind to store a few of what you want multiplied, when it is needed for a lot of people. Plan your shopping list before you go to the store. I told you recently that events are close enough that you will not have to concern yourself with expiration dates. Your food and water are your biggest concerns. Trust in Me and I will provide what you need."

October 7, 2015
Thursday, September 24, 2015:
Jesus said: "My people, you have been reading how the Israelites had to rebuild the Temple once they returned from the Babylonian Exile. This Temple was to give glory to God for His many gifts. Even now, you are seeing some people building their refuges that will be needed for protection during the tribulation. My son, you were given the funds, and now you have built a beautiful chapel, kitchen, and a new basement. You now have a place to worship Me, a place for people to eat, and even a place for people to sleep. You still need a little more planning for some food, and some other needs, if there is time to prepare them. You are doing all of this to give Me the greater glory. I will multiply your food, water, and your fuels. As the weather turns colder, you will have your wood and kerosene to provide heat and a means for heating your food. My people need to be grateful that I have inspired My refuge builders to prepare for the needs of My people. I will have My angels defend your refuges with invisible shields. Give glory and praise to Me for giving you a safe haven for your protection. This tribulation will be one of the hardest times for My people to survive. You will be leaving your homes, but you will have a new home for less than 3½ years, until you will be brought into My Era of Peace. Your refuges will be like an oasis

among the evil of the Antichrist."
Prayer Group:
Jesus said: "My people, for the first three hundred years after My death, there was a Christian persecution that killed many Christians. This is why Christians hid themselves in the catacombs to keep from being killed. Only after a long time could My followers come out of hiding. Today, you are again seeing Christians being killed by Moslems in the Middle East. This Christian persecution will be coming to America next. This is why I am having My refuge builders make safe havens so My angels will protect you with invisible shields. Be patient until I will bring My punishment on the evil ones to hell, while I will lead My faithful into My Era of Peace."
Jesus said: "My people, you are seeing your people who are joyful to see Pope Francis come to your country. He is greeting your President, your Congress, and even the UN. He is bringing My message to your people, and he is sharing his love with all of you. Pray for his safe travel in your country."
Jesus said: "My son, you are seeing some people who are visiting your new chapel and all of your refuge preparations. They are impressed with the beauty of your chapel with your altar, the paintings, your Stations of the Cross, and all of your Mass preparations. Later on, you will see people coming to your refuge for protection during the tribulation. You are seeing your responsibility to provide what you need to feed them and provide sleeping quarters. I will multiply what you need at that time. Trust in Me, and do not worry about what is needed because My angels will help you."
Jesus said: "My people, I have asked you to have alternate fuel supplies in case your electricity is cut off. You have a wood burner, a kerosene heater, and a Colman stove for cooking along with the appropriate fuel supplies for each of them. You saw how cold it was this last winter, so you will need some means to heat your home. You may have to put a cover over your wood outside. Just keeping warm and providing food will be a major job when your people will need to help you. You may need your flash lights and oil lamps for light if you do not have solar cells. I will help you with electricity, a latrine, and a water source for your people. Be prepared to make do with what you have if there is not enough time for these projects to be completed. I could even have My angels help you to finish them. Trust in My help every day."
Jesus said: "My people, I have told you to be prepared for My Warning experience by coming to Confession at least once a month. The Warning will be a great opportunity to re-convert your family members so they could be part of

My faithful in having a cross marked on their foreheads. This would allow them into My refuges. You do not want to see any family members lost to the Antichrist. You have many physical things for the people, but you also need to have your Mass supplies and Adoration monstrance to help the people's spiritual lives as well. You will have daily Holy Communion and perpetual Adoration for all of your people."
Jesus said: "My people, the Warning will be the beginning of your major events such as a world famine, a division in My Church, a martial law, and a mandatory chip in the body. You will be told when to come to My refuges, and you will have to counsel people from their fears of the evil ones. Trust in My protection with My angel power, and have your souls and refuges ready for the worst evil you have ever seen."
Jesus said: "My people, when you come to My refuges, it will be a time of chaos as you will be coming in haste for My protection. When you will see miracles of multiplication of things, this will calm down any fears in the people. You have read of My miracles, but you may not have witnessed any of them. You heard of how the priest fed five hundred people with one ham. Have faith in My miracles of food and protection, and you will see a modern day Exodus occurring right before your eyes."

October 7, 2015
Friday, September 25, 2015:
Jesus said: "My people, in the Gospel I asked My apostles plainly 'Who am I?' After sharing what the people said, then St. Peter said: 'You are the Christ, the Son of the living God.' I commended him for giving the correct answer, as it was the Holy Spirit speaking through him. I then told My apostles not to tell anyone about this, because it was part of My Messianic secret. I had also told My apostles how the Scribes and Pharisees would put Me to death, but I would rise on the third day. When I died and resurrected, these things would be part of the Good News that My apostles would preach. I call all peoples to come to know Me, and have a personal love relationship with Me, as I need to be the center of your lives. I need to know you by your love in your daily prayers. Let Me lead you as the Master of your life, and come to Me for the forgiveness of your sins. By accepting Me as your God, I will know you as one of My faithful, especially at your judgment."

Jesus said: “My people, I have asked you many times to pray for your priests and bishops so they can continue to serve you with Mass and the sacraments. I have also given you many messages about preparing refuges, and preparing to come to My refuges in the end times. Some of My faithful could be martyred for their faith because of the Antichrist and his evil workers. My clergy are going to be even more targeted than Christians in general, because the devil knows the value of My priests in giving you My sacraments and the Mass. So if you know some priest friends, you could invite them to come to your refuge for protection during the tribulation. I will call My faithful to My refuges before martial law is declared. Continue to pray for your priests and even more so when they could be helping you at your refuges. I know some priests do not want to believe in My end time messages, as you have seen, but pray for all priests and bishops when they will face a Christian persecution, as in Early Christianity.”

October 7, 2015
Saturday, September 26, 2015: (Cosmas & Damien)
God the Father said: “I AM WHO AM comes to you because I have the solution for all of your problems in your society. It is love God and love your neighbor as yourself. You have heard Me talk of My Ten Commandments that I gave to Moses, but this is a gift of life so that everyone should obey Me and worship Me out of love. I call you to love Me of your own free will, and to make Me the Master of your lives. I have also called you to be perfect on your way to sainthood. This is a life’s work, but you need to keep improving if you are going to be a saint one day. I have showed you the path to heaven, but you will be in a battle with the devil every day of your life. Those people, who are successful in keeping their souls holy, will have their reward with Me in heaven. Becoming a saint, may seem impossible for man, but with My help, all things are possible. Trust in Me to protect you from the evil ones and remember to obey all of My Ten Commandments of love.”
Jesus said: “My people, explaining My existence requires an understanding of how things or persons have a first cause. You can take material things and make an art form where you are the cause of its shape. The real problem is to explain how this matter and even the universe came into being from nothing. I am the only true Cause of how anything comes into being, and it is My desire that such things continue to exist. Things and the universe cannot be formed out of chaos

by chance, because there is order and beauty to everything in existence. This order also has to have a cause, and it is from My mind because I can do the impossible. It is difficult to convince an atheist of My existence because they cannot understand My love when I died for all of you on the cross. I also perform miracles of healing to let you know I am with you. Many of you have love relationships with Me, and this would not happen if I did not exist. I do exist, and you have to trust My Word in faith that I am the First Cause of everything that I have created. I am watching over all of you, and I give you guardian angels to help protect you from the evil one. When you call on Me in prayer, I act out of love to answer what is best for your soul and the souls of others. So trust in Me for all that you need and follow My laws, and you will have My reward in heaven."

October 7, 2015
Sunday, September 27, 2015:
Jesus said: "My people, I truly was a carpenter, but now I am building up My Church. I told the fishermen that I called, that they would be fishers of men. You can see that your initial mission can be turned into a spiritual mission, because you are all called by Me to give witness to Me in your lives. If you are true Christians, you will imitate My life of simplicity and humility, but most of all imitate My love and allegiance to God the Father. Every day consecrate your day's activities to Me, and let Me lead you in how you can give service to Me in all that you do. When your life is focused on Me as your Master, you will be living your faith in all of your actions. You have had a good retreat here this weekend, and you have had a chance to refresh your faith and share with all the other men in your meals, Masses, and prayers. Now, go out to your missions with My blessing to continue My work of building up My Church."

October 7, 2015
Monday, September 28, 2015: (St. Wenceslaus)
Jesus said: "My people, I know a lot of people like to be in control of everything in their lives, but when you give your life and your free will over to Me, I am happy to lead you on your mission. Even as it is good to be under obedience to a

spiritual director, it is also important to let Me be the driver of your lives. When I am at the center of your lives, you have direction where to go without having to find your way. Just as you use your GPS device to get to your destination, I am the ultimate source of direction for all of your needs, as I will be leading you to your eternal destination in heaven. When you look at all of what you are doing on earth, it is your most important desire to be with Me in heaven. All of your other desires are far less important. Loving Me and loving your neighbor as yourself, is what your life is all about. You help others with your good deeds and your prayers. You show Me your love by doing everything out of love for Me. I am close to you in your prayers, your Masses, and when you visit Me in Adoration of My Blessed Sacrament. It is a joy for you to follow Me because I know what is best for your soul, and the souls of others. I love you when you are so considerate in helping others. Always keep love as your driving force in life, and you will be with Me in heaven where love is all consuming."
Jesus said: "My son, I have mentioned to you before about building a shed in your backyard for multiple purposes. It would be good for storage, and you might consider a movable shed in case you want to move it to another location. This would free up some space in your garage, which is crowded with your other needs. Another project would be to get some prices on how much it would cost to install solar panels on your roof. This would include the solar panels, batteries, an inverter to convert DC to AC, and any wiring to make it independent of your current power input. You will have to decide how much power you will need to run lights and a minimum number of appliances. You were even considering some unusual sources of power, but again the output would be the major consideration. These projects are things you could accomplish right away. The solar power might get expensive, so you may have to put a limit on how much you can afford to spend, which would also limit your maximum appliance load. As you have time before things are about to happen, plan when you can accomplish these tasks. My angels may have to help you to finish these projects, but trust in Me to provide for your needs, and the needs of the people at your refuge."

October 7, 2015
Tuesday, September 29, 2015: (Archangels Michael,Gabriel,Raphael)
St. Michael said: "I am Michael, and I stand before God at His service. I thank

you for calling on me to protect you in your travels, and from the evil ones when you receive messages. You also are praying the long form of my prayer to help your family members to return to Mass on Sunday. When you call on me in prayer, I come with many angels because you are in a battle of good and evil. Awhile back you had an evil attack of the flies, but I was there to help your contractor and your friend get rid of them. You are feeling a sense of holiness and spiritual power in your chapel, because the angels are there to protect you. Give praise and thanks to God for these angels, and the guardian angels who are watching over you."
(Camille Remacle Mass) Camille said: "Hello everybody, I am showing you the house that I lived in when I was in Belgium. You remember when the new owner saw me and recognized me from many years ago. He went up into the attic, and he gave us the cross that was blessing the house. If you can locate that cross, it would mean a lot to me if you could place that cross in your chapel, in memory of me. Your chapel is beautiful, and you have followed the Lord's instructions for you in preparing this refuge. I too, can see the angels there, which is why you feel a holy presence. Your many relics are holy as well. Lydia and I wish all of you a happy 50th Wedding Anniversary. Say hello to Sharon, Dave, Vic, as well as all of the grandchildren, and even the new arrival, Collin Justin. We are still praying for all of you."

Wednesday, September 30, 2015: (St. Jerome, 50th Wedding Anniv.)
Jesus said: "My people, in the Eastern Rite, you see a special altar that is enclosed from the rest of the church. This private chamber is where the priest offers the Mass. This has a special meaning for all of My refuge builders, who have prepared a special chapel to have Mass if a priest is available, and for Adoration. You, My son, have also prepared a special chapel with beautiful stained glass windows and the Stations of the Cross. You have taken great care and some expense to make a beautiful chapel. You have dedicated your chapel to the Eternal Father, and He is grateful for what you have done for His glory. You have prepared this interim refuge to provide a safe haven to protect God's faithful remnant. Your Mass today, was dedicated also for your 50th Wedding Anniversary, as you have been blessed with many years of a happy marriage, along with all of your missions that you are both fulfilling. Continue to be a

shining example of love to all couples who know you. I am blessing your marriage, just as the priest did on July 3 of this year."
Jesus said: "My son, you keep moving along with all of your refuge tasks. You have secured some more canned food and MREs, even as you are preparing to send in your next book to your publisher. After the book is done, you will have to group your food types together so they can be labeled and put in one place. Having your food organized, will make it easier to find what you need. Storing more MREs will make it convenient to hand out meals to the people. Now that you are having to get supplies for forty people, you need at least two of what you will need multiplied. Stocking up more food will be needed when the people will come. Your next projects of a shed and solar power are in the planning stages. The solar power will take some thorough investigation into what is needed to get powered. This may have to wait until you have more funds available, but you can get plans made for what appliances will be needed. You also may have to get a few prices for comparison. As you are given more time, try to make the most use of it in improving your preparations. I thank you for moving ahead in providing what is needed for the people who come to your refuge. These people will also be thankful for all of your planning. Trust in My help and My angels to finish up what you are planning."

Thursday, October 1, 2015: (St. Therese)
St. Therese said: "My son, your spiritual advisor is here to calm you down, and you need to move forward at a reasonable pace without rushing in haste. The Lord gives you your direction, so follow Him in all that He wants you to do. I treasured all of my duties, and I was happy to offer them up to Jesus for souls. You are receiving messages so they can be shared with the public both on the internet and in your books. Preparing your books are important, and you could be doing my novena for their success. Call on Jesus and the Holy Spirit to guide you in getting your book ready for publishing. You also have been called to prepare a refuge, and you could again pray for your guidance in all of your projects. By working with Jesus, you can fulfill all of His objectives. Remember to focus more on your prayer life, because this is your source of strength to accomplish God's work."
Prayer Group:

Jesus said: “My people, at My refuge chapels, you could have a priest to offer Mass during the tribulation. Then your people could receive Holy Communion every day. If you do not have a priest, then I will have My angels bring you daily Holy Communion. With one of the consecrated Hosts, you could place it in your monstrance for perpetual Adoration. All of My refuges will have My Real Presence, so I can strengthen all of My faithful throughout the whole tribulation time.”

Jesus said: “My people, you are seeing some flooding all up and down the East coast from some strong rainstorms. Now you are seeing a major hurricane in the Atlantic Ocean. People need to prepare for floods and high winds where it comes closest to shore. Pray for the people affected by any storm damage, and that there will not be any deaths with enough warning.”

Jesus said: “My people, with the continuing fires out West, you could see a record year for acres burned in one year. You also have seen many homes burned and several evacuations. Pray for the victims of these fires and especially for any lost lives and lost homes.”

Jesus said: “My people, you are seeing disasters in fires, tornadoes, and hurricanes this year that have taken a toll in lives and damaged property. These things are occurring as a punishment for your many sins of abortion, and your sexual sins. When you continue to violate My Commandments, your country will suffer dearly for your offenses. Instead of repenting and changing your ways, you are making same sex marriages and euthanasia legal in your laws and court decisions. As your sins grow worse, so your punishment will get worse as well.”

Jesus said: “My people, you have droughts in the West, and you are seeing excess rainfall with floods in the East. These conditions have not decreased your crops that much, but if these conditions persist, you could see the beginning of a world famine with scarce food supplies. I have asked My people to have one year’s supply of food per person on hand in anticipation of low food supplies and a possible control of food by chips in the body. This is not hoarding of food, but it is in preparation of a famine so you could share food with others.”

Jesus said: “My people, you remember when I multiplied the two fish and five barley loaves to feed five thousand men. Even now, you will see Me multiplying food at My refuges so you will have enough food to eat. This multiplication of bread is how I will feed the people at My refuges with Holy Communion at your Masses. Rejoice that I will be with you every day in Holy Communion. You will not only have your body fed, but your spirit will be fed as well with My Blessed

Sacrament."
Jesus said: "My people, tomorrow is the feast of the Guardian Angels, and I have given every soul a guardian angel to watch over you during your whole life. You can remember to pray to your guardian angel every morning so you can acknowledge their help. Ask them to help you in fighting any occasion of sin. Listen to their suggestions to help your spiritual life. They will be guiding My faithful to My refuges when I warn My faithful it is time to leave. When you abort the unborn babies, these guardian angels of the aborted ones come to heaven to give testimony to Me when another life has been taken. You cannot hide your abortions from Me, no matter how secretly you try to cover up these killings. Learn to pray to your guardian angel for help."

October 7, 2015
Friday, October 2, 2015: (Guardian Angel day - Mark)
St. Mark said: "I am Mark and I stand before God to watch over you. You would make my job easier if you controlled your driving habits. You need to only drive five mph more than the speed limit at the most. Do not race to beat the lights, and think of the safety of others and those in your car. You also need to put your prayer time as your number one priority, even if you have guests, or you are rushed to do things. If necessary, excuse yourself to pray, because your prayer time each day shows Our Lord how much you love Him and obey Him. I am also confirming that there are many angels present in your chapel, and you need to pray more there and remember your Stations of the Cross on Fridays. I try to give you urges to do things for God, so it would be good for you to follow My prompting. I know you have free will, but Our Lord sent me to help you. I am here to help you, so you can call on me through Jesus to give you advice."
Jesus said: "My people, you live in an age where man's technical knowledge has made great advances, but all of your knowledge is like dust to Me. There are some people who actually worship science more than Me. These people only believe in what they can see, and their spiritual lives are too wrapped up in earthly experiences. You are made up of body and soul, so your soul can only be satisfied in craving to be with Me, its Creator. Do not be misled by those people who are only focused on physical things and physical pleasures. There is more to life than being smart in this world, even in scientific machinery for space. Your faith in Me comes from understanding My Word in the Scriptures. Your soul is

fed by receiving Me worthily in Holy Communion. This taste of heaven is far more important than the wealth and possessions of this world. Your soul lives on forever, and your body and this life are passing away. It is your eternal destination that you should be working on, by striving to be with Me forever in heaven. This will require confessing your sins and asking for My forgiveness. Your good deeds and righteous actions will put you on the right path to heaven. Let your soul's desires overcome any of your earthly distractions. I wait for you to follow Me on your way to heaven. Let Me be the Master of your life, and you will be happy to live in obedience to Me."

October 7, 2015
Saturday, October 3, 2015:
Jesus said: "My people, you are seeing the vision of evil coming all over the earth. What you are seeing, is history repeating itself through mankind's evil actions. In the first reading you saw how Israel was punished by an occupation of Assyrians because they had turned their backs on God, and they were worshiping idols and no-gods. So it is in the world today. You have sports, entertainment shows and devices, and pornography that are being worshiped as idols. You also have abortions, fornication, euthanasia, prostitution, and homosexual activity that are calling down My justice on many nations. You are seeing drugs and birth control pills and devices controlling your society. You know and see this evil that gets worse as you are passing laws for same sex marriage and euthanasia. I have given the people time to repent, but because they are not turning away from their sins, their weaknesses are leading them into more serious sins. This is why I will bring My justice against your nations. I will allow the one world people to place you into exile with a takeover of your country. You will be punished severely just as Israel was punished. I still love My people, and I will give you My refuges as a place of safety during the reign of the Antichrist in the tribulation. Then I will chastise the earth with a comet that will kill two-thirds of humanity. The evil ones will be cast into hell, and My faithful will be brought into My Era of Peace."
Jesus said: "My people, I am a jealous God, and I want My people to let Me be first in their lives. One of the devil's tools against you, is to involve you in earthly addictions. Some people are addicted to watching TV, but there are many evils displayed that could influence your thinking in a bad way. Some people are addicted to sports, either watching or participating in them. You saw yourself

how you could become addicted to computers or cell phone use. Many of your youth are connected to texting or social media. Still others are more seriously addicted to drugs, alcohol, or pornography. Addictions are like habits that give you some kind of pleasure, but they all have a way of controlling you. You can tell if you have an addiction when you cannot stop your habit. These addictions are hard to get rid of because they have demons attached to them. So do not let anything control you that you cannot stop. If you have Me as your central focus, then you will be better prepared to break any earthly addiction. Call on My help in your prayers and Masses to help you to break any addiction in your life. Do not let the devil distract you with all the cares and pleasures of your life on earth. I offer you eternal life in the happiness of heaven, while the devil can only offer you eternal suffering in the flames of hell."

October 7, 2015
Sunday, October 4, 2015:
Jesus said: "My people, you are reading in the Book of Genesis how I made man and woman in Adam and Eve, the first parents in marriage. I made Eve to be a helpmate to Adam. This is the first couple that I have given you as a model for all families. From the love environment of a marriage of a man and a woman, you have children born and raised. I did not create men to marry men or women to marry women. This is the devil's distortion of marriage in today's same sex marriage which is an abomination in My eyes. Marriage of a man and a woman is under attack in your society with living together without marriage, and many divorces and separations. In marriage the couples should be committing themselves for a life together, and not to think of divorce as a way out. It is up to each couple to do everything as 'we' and not 'me'. Love comes from the heart, and I am the third partner in every marriage with the grace of My sacrament of Matrimony. I have told you before that the couple, who prays together as a family, will stay together in My love. When the couple continues their marriage for many years, they give balance to the lives of their children, and they give a good example that marriage can last until death. See how your love for Me can be brought into your love for a spouse, and your love for your children. There is only love in heaven, so you are preparing yourselves for heaven in every loving proper marriage."
Jesus said: "My son, I have asked you to have some facilities made in your backyard. You are seeing a shed being built in your backyard to fit some of your

things in the garage. This will be a multipurpose building that will fulfill your needs during the tribulation. You have also rearranged your canned foods in the basement so you can locate each item in one area. You are making steady progress in all of your preparations. Your latest project will be to look into an inexpensive solar cell system that could provide enough electricity for your lights and some appliances. Do some investigations this week to see what you could have installed. I will continue to guide you in your needs, so keep praying your novena to St. Therese for all of your projects."

October 7, 2015
Monday, October 5, 2015: (Blessed Francis Xavier Seelos)
Jesus said: "My people, I call many messengers and prophets to do My missions, but some people do not always answer 'yes' right away. In Jonah's case he did not want to stop the destruction of his people's enemy. He tried to flee, but events, that I encouraged, brought him back in a miraculous way. He was thrown into the sea to save the rest of the people on the ship that was distressed by a violent storm. He then was in the belly of a fish for three days before he was thrown ashore. This was a parallel of how I was in the tomb for three days before I resurrected from the dead. I give everyone free will because I want My messengers to act freely in carrying out My missions. Those, who accept, will be given the grace to carry out their mission. Those, who are reluctant, as Jonah, can at times change their minds to follow My mission. Trust in My call so you can help your neighbors."
Jesus said: "My people, your movie industry has been destroying the moral fiber of your country with its 'R' and 'PG-13′ movies in your theaters. You see nudity, profanity,and killing made commonplace in your movie entertainment. These same kind of movies can also be seen on your cable TVs. With Hollywood brainwashing your people with sinful activity, it is no wonder that your society is falling apart with its decadence. Even worse are your 'X' rated pornography films, books, and other drug culture that is causing the breakup of families and destroying the morality of your children. You should avoid all of these evil movies, and encourage your children not to watch these movies either. There are some good movies, but you see how few people come to see them. Another bad effect of your evil movies, is how they are spread all over the world in other countries. Satan is controlling most of your TV programs and movies, which is why it may be better not to watch TV, or go to many movies. You do not need

more occasions of sin, so take heed of what you and your children are watching."

October 7, 2015
Tuesday, October 6, 2015:
Jesus said: "My people, there have not been many examples like Nineveh, where the whole city repented of their sins and changed their evil ways. They were repenting to avoid the destruction of their city as Jonah had warned them. This was a miraculous conversion, and because of their change of heart, I relented from the punishment of their city. In today's world, there is so much evil around, that it will take My Warning experience to even change some hearts. This will be like a near death experience, when people will see how their sins offend Me. They will see a mini-judgment, and those, who see hell, may change their ways to avoid that punishment. Man is in a weakened state in being tempted to sin, and it will take a supernatural intervention to wake up some souls. I desire people to come to Me out of love, but some souls after the Warning, may want to change their lives to avoid going to hell. The Warning will give all sinners one last chance to be saved, because time is running out before the Antichrist will be allowed to reign for a short time. If souls have not converted in the short time after the Warning, then they could be lost to the evil one, if they do not listen to their faithful family members. Your family members, who are away from Me, will be open more to your evangelization efforts after the Warning. They need to change to a believer so My angels can mark a cross on their foreheads. Only those people, who have crosses on their foreheads, will be allowed into My refuges. This will be a true test for everyone. Each person will either be in My camp, or in the camp of the devil."
Jesus said: "My son, I have asked you to look into installing solar cells, batteries, and invertors at your house. You can put power on the grid, but you need to be able to turn switches off, so you can run independently off of your batteries. Look into what your maximum load would be without using your oven. This would help determine how expensive a unit you would need. Plan your money allocation to determine your cash flow for any purchase. Get at least two estimates from different suppliers. Having some electricity would be helpful for having lights and some appliances working both during blackouts, and being independent during the tribulation. You also may be able to cut down on your electric bill for now. When getting your estimates, try to get a time of start and

completion from each vendor. You may have to go with which one can complete the job first. Call on My help to make any decisions along the way, and thank you for moving on this project as I asked you to do."

October 22, 2015
Wednesday, October 7, 2015: (Our Lady of the Rosary)
Jesus said: "My people, in the first reading, Jonah was disappointed that I did not destroy Nineveh for all of their sins. He may not have known how the people repented and changed their ways. He had carried out the mission that I gave him, but now he was even angry with Me for not bringing any punishment on Nineveh. He was also angry when the gourd plant died, and he had to suffer the hot sun of the day. This account is actually about My mercy and forgiveness, when these people turned from their evil ways, and repented of their sins in sackcloth and ashes. This blessing of no destruction, was a reward for heeding My words in changing their ways. My people may also be disappointed that I am not bringing destruction upon the sinners of this world. You can trust Me that the evil ones will receive their punishment, but not right at this time. It is My Warning that will give all sinners a chance to repent and change their ways. Then you will see a brief test of evil in the tribulation. After this trial, the evil ones will be cast into hell, and My faithful will have their reward in My Era of Peace."
Jesus said: "My people, euthanasia, or doctor assisted suicide, can be dangerous in taking lives that is equal to murder. Older people, who come to a hospital for treatment, could see themselves in danger of being killed, either by accident or on purpose. At a certain age, eventually there is a plan to not treat older patients. It may be safer to not come to a hospital in those cases. There are other states who are approving medical marijuana use, and Colorado has even recreational marijuana allowed. This drug kills brain cells, and it is dubious to use it for medical reasons. When your people legalize drugs like marijuana, you are inviting more accidents in your cars, and bad effects of these drugs to harm people. Some politicians have plans to make money by taxing this drug use. They are not seeing the danger in destroying lives. It is better not to legalize drugs when they can harm people. You should vote down any calls for euthanasia, or the legalization of marijuana use."

Thursday, October 8, 2015:
Jesus said: “My son, in today’s Gospel I was telling the people to ask Me what they needed, and I would answer them. I said: ‘Ask and you shall receive, knock and the door will be opened to you.’ Every time that you travel out to speak, you call on Me and St. Michael to give you safe, on time travel. You get tested at times with missed flights, and some small discomforts, but you still arrive safely. You are always willing to endure whatever travel problems that come up. As you travel to the Luminous Cross again, the Holy Spirit will lead you what to present to the people that will help them in their lives to grow closer to Me. Give thanks to Me for My messages which keep you close to Me in My Eucharist. Your second mission of having an interim refuge, will bring you new challenges. You are asking My help to carry out your next projects of your shed and some possible solar cells for electricity. You have been given some financial help to provide for your needs, so call on Me to guide you in what is the best way to accomplish your projects.”
Prayer Group:
St. Anthony said: “My son, you and your wife have been praying to me to find your lost piece of glass that shows the luminous cross. It was your wife who asked me to materialize this lost glass because it disappeared from sight. You both have looked at this spot before, and it was not where it was found. I performed this miracle for you so you could witness how I do answer prayers for lost things, especially for those who pray in faith. I saw the sincerity of your wife’s prayer, and I answered because of her great faith in my help.”
Jesus said: “My people, you have just witnessed a historic level of rainfall in South Carolina that flooded rivers and broke dams. Over fifteen people were killed and millions of dollars of damage was a result of this storm event. This is one of this fall’s major events that surpassed all previous river flood levels. Be grateful that more people were not killed in such torrents of water.”
Jesus said: “My people, you have just witnessed ten people being killed by a single gunman in another school shooting. You have seen a pattern of these mass killings usually by a mentally unstable person with an access to multiple weapons and plenty of ammunition. It was unclear if he was killed by police or by a self-inflicted wound. You have seen several of these killings in your schools, and it is hard to defend such targets where there is little or no security with weapons. Pray for the families who lost loved ones at this school.”
Jesus said: “My people, America’s involvement in ridding ISIS from Syria is

being compromised by Russia's entry into this war. With a multiple airplane attack and missiles launched from warships, Russia appeared to be bombing the same rebel force that was trying to topple Assad, and which America is supporting. ISIS was not being attacked except by American and coalition forces. There is a very obvious disagreement between American and Russian forces in who they are supporting. If there is not some peaceful agreement between Russia and the U.S., there could be a direct conflict between your two countries. Pray for an end to these conflicts before a more serious war could break out in Syria."

Jesus said: "My people, your Federal Reserve is continuing to support your stock market with low interest rates, which have led to high prices for your stocks, and low interest rates for your bonds. The rich have been prospering with manipulated interest rates, but those people who are trying to save money, are getting little to no interest on their savings. If interest rates were at more historical rates of at least 4%, the retired people would be able to get more income. This subsidizing of Wall Street could lead to another investment bubble which could crash when higher rates will come."

Jesus said: "My people, you have seen only a ten per cent correction in your stock prices that occurred in August. If your world economy stagnates or declines, your Federal Reserve may be slow to raise interest rates. Any interest rate hikes could precipitate a failure in derivatives that could still cause a bank failure. Such a crash could precipitate a martial law which is what your military is preparing for. You could even see your President declare martial law to keep himself in power as a dictator. Before any such disasters occur, I will bring My Warning to prepare sinners for the coming tribulation. I am having My faithful set up refuges to protect My faithful from the coming evil ones."

Jesus said: "My people, up to now the Democrats have stopped any legislation that would challenge any of your President's spending plans, such as the stoppage of Planned Parenthood funding. There will be future problems financing your budgets that could possibly shut down your government. Be prepared for any such shutdowns that could again lead into martial law. This is again why I have formed My refuges, and why stocking a year's supply of food is a good backup for when stores could be closed in riots for food. Pray for My protection, especially after the Warning."

October 22, 2015

Friday, October 9, 2015:
Jesus said: “My people, you should be thankful for this opportunity to make a pilgrimage to the Luminous Cross. Remember to pray your long form of the St. Michael prayer both before and on your return from the Luminous Cross. This is for safe travel and protection from the attacks of the devil. You have seen several people healed at this site. As you pray for any healing, call on this healing power of Mine that comes from the Luminous Cross. During the tribulation, I told you that at My refuges you could receive healing of your ailments by looking on My Luminous Cross in the sky. Even now, as you look upon the Luminous Cross at Thermal, Ca., I will enable healing upon My people both in body and soul. Remember when you pray for healing people, you need to pray for both a physical and a spiritual healing. As you are enjoying your pilgrimage, remember to act as a true pilgrim and give reverence to the holy ground of My Presence in this miracle of the Luminous Cross. I love all of My pilgrims, and you will gain My graces for your pilgrimage to the Luminous Cross. My Blessed Mother and I bless all of you, and we will receive all of your petitions of the people that you are praying for.”

Saturday, October 10, 2015:
Jesus said: “My people, I thank all of you for coming to My Luminous Cross at today’s Mass. I am showing you how I was suffering My Agony in the Garden of Gethsemene as an example of how I want you to make holy hours every day in your prayers. I went back to My apostles and I found them sleeping. I asked them: ‘Could you not spend one hour with Me in prayer?’ So now I am asking all of you: ‘Could you not spend one hour with Me on Sunday at Mass?’ You spend all the hours of the week on yourself, and all I am asking for is one of your weekly hours to give Me worship on Sunday. There are many Catholics in name only, because many do not take time to come to Sunday Mass. I am your Creator and your Redeemer, and I am worthy of your worship on every Sunday which is My day of rest. You are celebrating My sacramental Presence in My consecrated Host in the Mass. But you also are witnessing My healing Presence in My Luminous Cross. Give honor and thanks for this miraculous Luminous Cross that shines with My Light, even when there is no other source of light. I will continue to heal My people here and at all of My refuges, especially during the tribulation. You will see Luminous crosses in the sky over My refuges

protecting you and healing you."

Sunday, October 11, 2015:
Jesus said: "My people, I called the young man to give up his wealth and follow Me, but he went away sad because he had many possessions. I also call all of My followers to help build up My Church. It is not easy to give up your comfort zone and follow Me. I want you to give back to your God for your beautiful gift of faith. You can share your money, your time, your labor, and your faith. If you walk away from Me like the young man, then you are failing to put your faith into action. Instead, you need to give Me your 'yes' of your free will that you are willing to make a faith commitment to Me in whatever it may cost you. Do not worry about spending your money, or giving your time to evangelize souls for heaven. Everything that you have, has been given to you by Me. This is why all that you give back to Me, will be stored up as treasure in heaven that is worth more than anything on earth. You are leaving this place of My Luminous Cross tonight, but I want all of you to take home My Light of faith and healing, so you can share this experience with your family and friends. Give praise and thanks to Me for this gift of My Luminous Cross and your own gift of faith."

October 22, 2015
Monday, October 12, 2015:
Jesus said: "My people, I have loved all of you all the time at every moment, and I will continue to love you, even in your soul after your death. I loved you when I created your soul and body in your mother's womb. I love you every moment of every day of your life. I love you now, and I will love you forever. This eternal flame represents My eternal love for everyone, even those people who reject Me. In response to My love, I desire in your human possible way to show Me your love in every moment in your prayers, in your good deeds, in your Holy Communions, and in all of your moments that you adore Me. Remember what I told Martha about her sister Mary. Mary stayed by Me to listen to My words, and she adored Me. I told Martha that Mary has chosen the better part of loving Me, and it shall not be taken away from her. My people, if you focused on loving Me every moment, the devil could never get you to sin. Even if you said: 'Jesus, I love you.' all the time during the day, you would please Me greatly. When you

love your wife or husband, you are constantly showing your love by being with your spouse, and caring for each other's needs. In a similar way, I want you to imitate My love for others, and tell Me how much you love Me. Remember that in heaven there is only love and peace. So when you love Me and love your neighbor as yourself, you are preparing yourself for an eternity of love with Me in heaven."
(Canadian Thanksgiving Day). Jesus said: "My people, it is a happy moment when all of your family members can come together from all over to enjoy each other's company and share your stories of life. This is a great time to catch up on how each of your children and grandchildren are doing. It is a time to also support one another both physically and spiritually. Try to avoid watching TV, so you can spend some quality time with your family members. My son, keep in mind that you would like to have your family stay with you at your refuge. You will have an opportunity after the Warning to work on evangelizing any family members that may be away from Me for any reason. You are thankful for all of My gifts to you and this meal is a chance to thank Me for all the lives of your family that are in your care. You also have spiritual families that you are close to, as in your prayer group and your family at your Sunday Mass. You share a spiritual bond with all of your friends, and you are familiar with your neighbors in church. You even have a wider family in the human family all over the world. I have asked you to pray for all sinners who have not been judged yet. I have even asked some of you to reach out in love to evangelize souls in all of the nations. You all are called by your Baptism and Confirmation to try and save as many souls as you can with My help. I have brought salvation to all of you with My death on the cross. You are My hands and My feet to bring My Good News to everyone, and encourage them to accept Me as Master of their lives by seeking My forgiveness of their sins. Rejoice and give thanks to Me for bringing you salvation and the gift of life to each of you. You have My gift of faith and My sacraments to also be thankful for. Remember the reason for your Thanksgiving feast, which should be to give Me thanks for all that you have."

October 22, 2015
Tuesday, October 13, 2015: (Our Lady of Fatima)
Jesus said: "My people, in the first vision, I was showing you the waters of the latrine in the pipe that represents the stench of all the sins in the world. You are sensing how this evil in the world is growing worse with time, as nothing

appears to be sacred to the people. You are enveloped in so much sin that at times it overwhelms you. Keep in mind that I am always with you in My Eucharist, and I am more powerful that all of the demons and evil people. You see evil, but do not give credit to the demons' power. Instead, call on My power to protect you from Satan's temptations. I have mercy on all of mankind when I died on the cross to bring you all salvation. Now, in the second vision you are seeing the cleansing waters of Baptism and Reconciliation that will wipe away your sins, and give you a pure, white soul, free of sin. It is a pure, contrite, and humble soul that I desire from all of you. This takes an action of your free will to ask My forgiveness of your sins, and your 'yes' to follow My Divine Will. This is how I can be the Master of your lives, when you open your soul to My grace, so you can fulfill My mission for you. So do not be fearful of all the evil in the world because I have conquered death and sin in the world with My death and Resurrection. It is this Good News of conversion that I want My followers to spread all over the world, despite any persecution that you may face."
Our Lady said: "My son, you remember on August 13, 1987 when you did a pilgrimage to Fatima, Portugal. They were celebrating the 70th Anniversary of the apparitions, and there were many people that filled the plaza. You also started your prayer group as a Blue Army cell in 1973, so you have been praying your rosaries at home and in the church for forty-two years. You truly have connections with my apparitions in Fatima, Portugal. I love all of my pilgrims and your prayer group members for being faithful to praying my rosary. Your friend also had a miracle picture of my traveling statue of Fatima. These are all beautiful memories with my commemoration of the apparitions to the three children at Fatima in 1917. These messages and secrets will be fulfilled in God's time."

Wednesday, October 14, 2015: (St. Collistus I)
Jesus said: "My people, whenever you buy a new car or a late model used car, you may take pride in how nice it looks. Keep in mind that the things of this world will pass away, which is why I am showing you the old cars in a junkyard. Do not let your possessions become more important than Me in your life. Some people let possessions and money become their gods because they have forgotten Me, or they never wanted to learn about Me. Do not let your pride make you think that you or your possessions are more important than Me. I should be first

in your lives, and I desire that you worship only Me before anything or anyone else. You need to put your spiritual priorities before any of your earthly priorities, because your body and this life are passing away. It is the eternal destination for your soul that should be focused on Me in heaven. You were placed here to know, love, and serve Me, but I gave you a free will so you can love Me by your own decision. I criticized the Pharisees and the lawyers because of their hypocrisy in doing everything for show. Everything that you have, I have gifted to you, so you should be worshiping Me, and thanking Me for all that you have received."
Jesus said: "My son, this vision of a raft as a backup, relates to your backup heating of your house, if you lost power or access to natural gas. You are starting to see the weather get colder, as you are approaching another heating season for the winter. You need to burn a fire in your fireplace to see how much heat you could get in your lower rooms of the first floor. You can also try using your kerosene heater as well. If you need to heat more rooms, you may need to use both sources of heating. I will multiply your fuels when it is needed for heating and cooking. You may want to try your small Coleman stove with a small propane bottle. Having working heaters is essential for keeping people warm in the winter. You may want to look into buying some more warm blankets for forty people to have at least one warm blanket. When the cold of winter comes, you will be happy to have warm blankets and warm coats for the people. Trust in Me to advise you in your current needs. Work on your solar plans so you can be ready to go when your money is available."

October 22, 2015
Thursday, October 15, 2015: (St. Teresa of Jesus, Avila)
Jesus said: "My people, you are now thinking of donating to your bishop's appeal, and helping to supply food to those who are less fortunate. You always have poor people who are in need of food, which they may not be able to afford. It is hard to go through life hungry without anything to eat. This is also why it is a good cause to donate money or food to your local food shelves, where the poor come for food. America is the land of plenty, but there are still some children who find it hard to get enough food to eat. Donations can also be sent to orphanages who rely on the public to support the children without parents. As you think about food, you may also want to have a little extra food in your pantry in case there is a food disruption. At times in the winter or with storms,

you may not be able to get to the store, or the trucks cannot deliver food to the store. Even My refuge builders need to store food that I will multiply in the tribulation. Be thankful for your farmers who supply your food."
Prayer Group:
Jesus said: "My people, you have cash and coins, but this is only a small portion of money in circulation. There is more credit and checks passing through your banks and businesses. You are about to see your dollars crash, and you will have a new cashless society. When your dollars are worth next to nothing, there will be chaos until a new currency is established. All dollar investments will crash, as SDRs will be your new currency. This will work a hardship on the elderly and those who will have their savings wiped out. Such a crash of the dollar could precipitate a martial law, and a call to come to My refuges. I will warn you before this happens."
Jesus said: "My people, you are seeing a vision of several volcanoes going off about the same time. There will be so much dust and rock spewed into the air, that you will see a ring of smoke going around the earth. Your weather will be affected by giving cooler temperatures. You have seen a relative calm in earthly disasters, but soon you will see unusual changes, just as the earth reacts to all of the evil going on."
Jesus said: "My people, you have seen beheading acts and all manner of brutality being brought on Christians in the Middle East. This violence against Christians will spread all over the earth. The time of the evil ones is running out, so they will start getting more violent. When your lives are in danger, I will send My people an internal warning that it is time to come to My refuges. Be thankful that you have places to go where you will be protected from martyrdom. Trust in Me and My angels to protect you from any killings at My refuges, and you will have what you need to survive."
Jesus said: "My people, you are about to witness a chain of events that will lead up to mandatory chips in the body, that will be forced on your people as a result of your Health Care law. Many older people will not come to your hospitals for fear of being killed by euthanasia. Refuse to take any chip in the body because they could control you like a robot. This mandatory chip in the body, will require My faithful to seek out My refuges for protection from the men in black who want to kill you."
Jesus said: "My son, I have urged you to move along with your projects, because people will be coming to your refuge sooner than you think. Even if you do not finish everything, I will have My angels complete your projects so your people

will have what they need. You have started this interim refuge late in the time leading up to the coming takeover by the Antichrist. Do not be fearful because I will help all the people who have given Me their 'yes' to building a refuge."
Jesus said: "My son, you have been given a lot of pointed messages to have your place ready to house about forty people. Even recently when you ordered more MRE meals, the supplier told you that FEMA had bought up all of their MREs so the supplier could not fill your order until next week. This tells you that the one world people are preparing food for the VIPs in the underground cities. This fits in with some of the plans you have heard to start a martial law. You have been wondering how soon this takeover would come, and now the signs of its coming are showing up all over your country. Again, have no fear, because My angels will protect you at My refuges."
Jesus said: "My people, you have seen a record number of acres burned by fires this year. What you are not hearing is that a good share of these fires are arson to cause hidden terrorist attacks. The HAARP machine has also been active in changing many of your weather patterns. They have created droughts in the West, and unusual floods and heavy rains in the East. Look at your record rainfall accounts in a good share of your states. Trust in Me to provide for your needs, despite all of the disasters that are going on."

October 22, 2015
Friday, October 16, 2015: (St. Hedwig, St. Margaret Mary Alacoque)
Jesus said: "My people, I have told you about the evil one world people who want to kill people as Satan is leading them in the death culture. This is why the evil ones are behind abortion, euthanasia, wars, vaccines, and viruses, that are killing people. The Antichrist is even worse because his eyes could hypnotize people into worshiping him, and they could be lost in hell. This is also why I have warned you to get rid of your TVs, computers, and any internet devices, after the Warning, so you do not look at the eyes of the Antichrist. He will be on all of the networks trying to mislead souls, and kill them as well. He is the one to avoid, and do not take the chip in the body that will be the mark of the beast. He will use this chip to control people to do his evil bidding, and lead them to hell."
Jesus said: "My son, you have done well in following My instructions for your interim refuge. You have fuel for your heaters, but you could use some more gasoline and a full replacement propane tank. You will soon have enough pillows, blankets, and sheets for all forty people. You are moving forward with

your solar plans and hopefully your shed plans. When you started out with your new addition, everything looked overwhelming to you. As you work on your projects, a little at a time, you can see everything falling into place. You are fulfilling your mission for evangelizing souls, and in between trips, you have been able to carry out your refuge mission as well. I thank you for working hard on both missions to help save souls, and to prepare a safe haven for the people that I will send to you. I have been encouraging you with your projects to get them done quickly, so you are ready for what is coming. You are seeing signs of the impending martial law, so encourage your family and friends to get to Confession in preparation for the coming Warning."

October 22, 2015
Saturday, October 17, 2015: (4:00 p.m. Mass)
Jesus said: "My people, in today's Gospel, St. John and St. James asked Me if they could be on My right hand and on My left when I would bring them to heaven. This was not meant for them, and it would only be what My heavenly Father wanted. I also told My apostles that those, who want to be great in My eyes, must be the servants of all the people. I came to serve people and not to be served. In the vision, you saw an expensive yacht moving through the water, as this could be somebody's dream. Having such a yacht is not meant for most people, and it is more important to seek heaven and heavenly things rather than earthly possessions. You need to seek to serve your neighbors in their needs, rather than accumulating wealth and possessions. I know what is best for your souls, and I will help you to obtain only what is necessary to live. Seek to do good works, and show Me your love in your daily prayers, and you will have your reward in heaven."
Jesus said: "My son, I keep encouraging you to get as many projects finished as you can. You need just a few more pillows, some gasoline, a shed in the backyard in a reasonable time, and some plans for your solar cells on your roof. You will have most of your water, food, and bedding done shortly. It is your shed and solar projects that need to move forward. Get some backup plans for each of these projects, because your time is running out, when My angels may have to finish your projects. Keep praying your St. Theresa prayers for the successful completion of your interim refuge. While you have time, you can keep adding things, and maintaining your heaters for the winter."

October 22, 2015
Sunday, October 18, 2015:
Jesus said: “My people, as you see this clock going faster, it reminds you of how I am speeding up the time, so the evil one will have less time to harass you in these end times. You will be thankful that I am shortening the time of the tribulation for the sake of My elect. In the Gospel, there is a theme about how man should not seek to be famous and renowned, because I look on all souls as equal, and there is no partiality with Me. The other word in the Gospel is a focus on the word ‘many’. I came to the earth to bring salvation to everyone, but not all of the people want to love Me and accept Me as Master of their lives. This is why you have ‘many’ in this quote because I realize that I will not be able to save everyone because of your gift of free will. I do not force My love on anyone, but I want you to love Me of your own free choice. I love all of you, as you can see how I suffered on the cross for you. You can join your suffering and problems with Me on My living cross.”

October 22, 2015
Monday, October 19, 2015: (St. Isaac Joques & companions)
Jesus said: “My people, you know how money can be the root of many evils, when people fight and kill for money. Certain people want to be rich for themselves in how many possessions they could buy. Others who have money, are willing to share it with the poor, and those in need. Money can be used for good, and if you tithe your income, you can store treasure in heaven. Remember that money and possessions are only temporary, while you are alive. You cannot take anything past the grave, so your eternal destination is more valuable than any passing wealth. Those, who are selfish with their money, will have empty hands when they come to their judgment. Share what you have now, and your heavenly treasure can balance off your sins with less time in purgatory. Money of itself is not evil, but it is the evil things that you do to acquire it, or spend it on evil actions, that can be sinful. Trust in Me for acquiring all that you need for your family to survive, and do not just trust in your wealth.”
Jesus said: “My people of America, your forefathers, who wrote your Constitution, wanted a government that was for the people and by the people. Now you have Presidents who are usurping the Congress’ powers and the whole

process is deadlocked instead of making some compromises. Whoever is in power, lords it over the other party, and the people do not have much say in their government. You now have the one world people and the rich controlling the elections and the Congress people and the Senators. In the original Constitution, you gave honor to your Creator, but your laws are now defying My Commandments. Because your country supports abortion, gay marriage, and euthanasia in your laws, you are calling down My punishment on your nation. Pray for your leaders to support the wishes of the people, instead of their own personal agendas."

Tuesday, October 20, 2015

October 22, 2015

Tuesday, October 20, 2015: (St. Paul of the cross) Jesus said: "My people, you may not see the demons, but they are lurking around, as they try to get you to sin against Me. I have given each of you a guardian angel to protect you, but you must realize that you are in a battle of good and evil every day. You cannot let your guard down at any moment, so you are not weak to sin. This is why your daily prayers are important to help you focus on Me, and do not be distracted by any temptation to addicting earthly things. By guarding against sin and the demons, you can keep your souls pure, and be a good example to your children and grandchildren. Trust in Me to protect you from all the evil people and the demons."

Jesus said: "My people, the anchor in the vision represents the stability and a spiritual foundation that I give you in My sacraments. If you are in a boat or a ship, you need an anchor to keep from drifting into rocks or the dock. Those faithful, who keep their focus on Me, will be safely led to heaven one day. Some people can drift away from coming to Mass, but if you love Me in My Eucharist, you will always be drawn to My love. By keeping grounded in your faith with Confession and Mass, you will be prepared for when I call you to your judgment at your death. I love all of My people, and I desire to not lose even one soul to the evil one. It is those souls, who reject Me, who send themselves to hell."

Refuge protection: Jesus said: "My people, it is not easy to have a refuge where one spouse is not in favor of that plan. You can pray in discernment to give Me your 'yes' for a refuge. Even some monasteries will be refuges without any preparations. My angels will provide food, bedding, and a shelter in those cases. Wherever you desire a refuge, I will have My angels put a shield of invisibility around you, and provide for your needs. Trust in My protection, and My

multiplication of your food and water."

November 2015

November 4, 2015
Wednesday, October 21, 2015:
Jesus said: "My people, you can see in the vision how the bar gets raised higher for those who can jump higher. In the Gospel I told you that those, who have received more grace and talent, more will be expected from them. My faithful are at different levels of progress in their faith, depending on the gifts that they were given. Those people, who have progressed more in faith, are expected to have more fruits in their works, than others who are just starting out. The more you have been given, the more responsibility you will have to help people. My people with more gifts should not be fearful, because I will be helping you, and you will be better able to endure your added mission responsibility. Be thankful for all that you have been given, and keep focused on your prayers and My sacraments to support your work."
Jesus said: "My people, what you are seeing in the Middle East, is Moslems massacring Christians with swords in many beheading acts. Even if people are killing others, I do not want My people to kill people, except in cases of immediate self-defense. It is the devil and his workers who are killing people in your death culture. You are even seeing euthanasia spreading in the health field where doctors are slowly killing patients with morphine. Some states are performing assisted suicide, and even involuntary killing of older patients is occurring, especially without advocates present. Killing in abortion should be stopped, and at least protested. Many of your wars are caused by the one world people which cause many killings. There are even some viruses being man-made for the purpose of reducing the population. It is all of these killings that I detest, and those, who are behind these killings, will face My punishment at their judgment. Pray to stop all of these killings where man is acting in My place, by taking lives."
Jesus said: "My son, I have suggested getting a solar system with batteries, so you could have an independent source of power, away from your electric grid. You are learning all the new advances in solar cells, and how much power you

would need to run your appliances, except your oven and your air conditioner. Once you get all of your estimates and timing of installation, then you can discern with Me before My Blessed Sacrament, what would be the best decision. Having some electricity would provide lights, a sump pump, and a refrigerator. You will still need your wood burner and your kerosene burner to heat your home without a source of natural gas. You may also need your grill and your small Coleman stove for cooking things. Keep working to install your solar panels and your shed as soon as possible. By following My directions, you will have your preparations ready for all the people that I will send to you."

November 4, 2015
Thursday, October 22, 2015: (St. John Paul II)
Jesus said: "My people, when you truly believe in Me, and follow My Commandments, your lifestyle will be different from those who do not believe. At times people with sinful addictions, may cause divisions in families with drinking, drugs, or gambling. You pray for all of your family members, who are away from Me, and do not come to Sunday Mass. You do not want to see any members lost to the evil one, as I do not want to lose any soul either. You will also see a coming division in My Church between a schismatic church and My faithful remnant. My laws do not change, and those who follow heretical teachings, are also in danger of being lost. Pray for all sinners, and especially for those people who need deliverance prayers."
Prayer Group:
Jesus said: "My people, since I told you to prepare supplies for forty people, you have prepared beds, pillows, sheets, and warm blankets for them. You also are stocking up on more MRE meals, and some extra canned goods. You have some water and food that I will multiply for all of your daily needs. You also have wood, kerosene, and a new full propane tank for your fuels. You also are planning for some solar cells to supply some electricity. A shed also will be needed in the backyard. All of these projects are underway, even as I told you to get them done as soon as possible."
Jesus said: "My people, every time that your U.S. budget ceiling for your expenditures comes up for a vote, there have been some threats of a government shutdown, if it is not raised. There are some Congress people who do not want to raise the budget ceiling, which is why it is difficult to pass legislation for this

need for more money. Part of the problem is the huge National Debt that is getting harder to finance without people buying enough Treasury Notes. Pray that your leaders will control your spending."
Jesus said: "My people, you have heard some outcries by your workers for a living wage. As a result of these complaints, the minimum wage will be rising dramatically. When wages rise three to five per cent, this could bring on an increase in inflation, layoffs, and possible interest rate hikes. Pray for your workers so they can feed their families and afford adequate housing."
Jesus said: "My people, you just had a little cold weather to get you thinking about winter preparations. I told you to check your heaters that they are in working condition. You put your scrappers in your vehicles, when you had to scrape some ice off of your windshield. You bought some extra fuels that could be needed for heating, cooking, and running your car. Having some warm blankets may be needed if your gas heater stops working. Keeping warm in the winter is a big concern when the cold and snow get severe. You also need gloves, hats, heavy coats, and boots. Being prepared is better to face winter's cold."
Jesus said: "My people, you have not heard much news about the latest Synod meetings. This was about the family, and there are concerns of any changes in reference to gay marriage and any restrictions on receiving Holy Communion. Beware of any changes that could be considered against Church laws, or any heresies. Pray for My guidance of your Church leaders that they do not violate My laws."
Jesus said: "My son, you have just bought a supply of apples and squash at your local farms. Canning fruits as peaches and apples is a great way to keep them from spoiling. Your new root cellar will help keep your crops from freezing, as you have seen in your cold garage. Storing fruits and vegetables will help get you through the winter months when you have no growing season. Give thanks to Me and your farmers for supplying your food throughout the year."
Jesus said: "My people, you are coming to the end of the Church year as the readings will be focused on the end times that will lead up to the coming tribulation. There are also readings that speak of keeping your soul pure as you approach the end of your life, and your judgment before Me. You see people dying all the time, but as your friends die, you start thinking of your own preparation at the funeral parlor. By frequent Confession, you can keep your soul pure and always ready for your own death."

November 4, 2015
Friday, October 23, 2015: (James Alan Palmer Funeral Mass)
Jesus said: "My people, you are celebrating the life of one of My faithful servants in Alan. He was a loving husband, father, and grandfather. He had a very vibrant spirit, so that people were happy to work with him. You heard a testimony of his many jobs and activities in giving loving service to people by his son's statements. With this Mass, he is with Me in heaven as his reward. He suffered much in his later days. He is watching over his family, and he loves them very much. He also will be praying for his family and friends."
(Shannon and Sean Finucane Wedding)
Jesus said: "My people, it is a blessing to see a couple getting married in the Church, when there are so many others who are living together, or getting married by a justice of the peace. Marriage is a true gift of love for each spouse, but it is also a commitment for life that I will help them in grace to continue. There are also many divorces, so it takes a dedicated love to make a marriage work the way it should. The couple is not alone. They can depend on their parents and friends to support them with money, love, and prayers. I have encouraged all married couples to work on keeping their love consecrated to Me as the third partner. There are some couples who have been married over fifty years, so a life long commitment is possible. Each couple needs to pray every day with each other to truly keep the flame of love alive. The more spouses pray together, the more they will stay together."

November 4, 2015
Saturday, October 24, 2015: (St. Anthony Mary Claret)
The Holy Spirit said: "I am the Spirit of God, and you are hearing about how St. Paul talks about the spirit of man, and being united with the Spirit of Christ. Many believers do not understand about how man is made up of spirit, soul, and body. The spirit refers to being conscious of God, and it contains your intuition, conscience, and a communion with God. The soul refers to being conscious of self, and it contains the mind, emotions, and your free will. The body refers to being conscious of the world through your senses. I am coming to share your link to God through Me, as you are Temples of the Holy Spirit. I keep you

focused on your desire to be with God's Presence, and especially to desire being in heaven for all eternity. In the spirit of man you find your higher longing for God, especially at Mass, receiving Holy Communion, and in front of the Blessed Sacrament at Adoration. Your heart is overwhelmed with the love of God when you pray, as this is your communication with God. Trust in the Three Persons of God as We lift you to a higher level of loving Us in your spirit."
(4:00 p.m. Mass) Jesus said: "My people, you are hearing in the reading how I was able to heal the blind man because he had faith that I could heal him. This was different from the people of Nazareth who did not have faith in My healing, so I could not heal any of the people from that town. Even as you think of My healing of the blindness in his physical eyes, there is also healing of spiritual sight which comes when someone is converted to a believer. In order to have a gift of faith, you need My grace to have the eyes of faith that understand My love for you. Once you accept Me in faith, you have the responsibility to love Me and your neighbor as yourself. You need to also reach out and share your money, and your faith with others. In this way you can help others to take away their spiritual blindness, so you can help grow My Church. When you have the light of faith, you can see life from the big picture as I see life. Give praise and thanks to Me for opening both your physical and spiritual eyes."

November 4, 2015
Sunday, October 25, 2015:
Jesus said: "My people, you see day and night, but this can also represent a battle of good and evil. I have conquered the darkness of evil and death when I resurrected on Easter morning. It was My death on the cross that has enabled My faithful to come to heaven through the open gates. You can see the battle of good and evil going on today, as it really is a battle to save souls from hell. All of My faithful need to think of themselves as prayer warriors, and you are called to evangelize souls for Me. With My help you can bring converts or reconverts into My Church. Even by your prayers and good example, you could help save souls in your own family. Gently encourage them to come to Mass and even Confession. You are all in this battle together, and each of you can make a contribution of time and prayers. You pray daily, so remember your family and friends in your intentions. By helping to save souls, you will store up treasure in heaven."

Monday, October 26, 2015

November 4, 2015
Monday, October 26, 2015:
Jesus said: “My people, as you see Me suffering from My wounds in the vision, I want you all to be more sympathetic for all the people around you who are suffering in pain. These people are My suffering servants, and I desire that all of those people in pain could offer up their suffering for other souls. Pain that is not offered up, is wasted opportunities of grace for that person or others. When you see people suffering or sick, you could visit and help them, or at least include them in your prayer intentions. If a person should get healed, or get over the sickness, then that person should give thanks to Me for being free and well again. It is easy to pray to Me to remove your pain, but not all people give Me thanks for making them well. Remember when only one of the ten healed lepers came back to thank Me for their healing. So continue to pray for the sick and visit them, so they are not forgotten. Show your love for your neighbors by doing corporal works of mercy for them.”
(Genevieve P. Funeral Mass)
Jesus said: “My people, it is always sad to lose a mother and a grandmother. Genevieve was a kind and generous person who helped her family and others at the church. You are all thankful for her gift of life in how she affected so many lives. Love of family and friends was always on her mind. She will be watching over and praying for her family and friends.”

Tuesday, October 27, 2015

November 4, 2015
Tuesday, October 27, 2015:
Jesus said: “My people, in the first reading St. Paul speaks of hope in when you will be brought to heaven. You hope for what you cannot see now, and not for what you see of this life. You have a small taste of heaven when you experience My love and My Real Presence, when you receive Me in Holy Communion. In the Gospel I likened the Kingdom of heaven to the growth of the mustard seed into a large bush. I also likened it to how yeast leavens the whole dough of bread. You have experienced heaven a few times in your visions, and you felt like being One with Me in complete peace and love. It is My love and My Presence that permeates all of My creation both in the universe and in heaven

with all of My saints and angels. Once you have a glimpse of what heaven is, you will want to desire to be with Me for all eternity. This is the hope that each soul craves to be with Me in heaven, after this life."
Jesus said: "My people, when you read My Word in the Bible, you also need some Bible study helps to understand the deeper meaning of the words, in the context of when it was written. When you examine cross references, you see how various parts of the Bible explain other parts as a whole. Many Roman Catholics do not take the time to read more of the Bible, than just the daily readings. If you want to know and appreciate My Word more, then you need to make time for a Bible study, either a self-help means or a regular planned meeting. The Bible is an excellent way to enhance your faith, but very few take the time to read it and study it. Make a point to at least seek out some good self-help study guides as books, CDs, or videos. Going to the Holy Lands, if possible, is another way to make My Bible accounts come alive. Do not just stagnate in your faith, but you can grow in your faith with good Bible study."
Solar decision: Jesus said: "My son, you have sought out a few prices, and your decision with the cheaper price looks reasonable in acquiring as many panels as you can fit on your roof. You have discerned your solar installer as being a faithful person, so you have chosen well."
Sleeping problems: Jesus said: "My daughter, there are some physical things you could do to improve your ability to sleep nights. Try to remove as much stress as possible. Try not to go to bed too late so you are not overtired. Try to avoid much eating or stimulants before bed. For spiritual help: Try to pray your rosaries in bed. Some people get sleepy when they pray. Try reading the Bible or the lives of the saints. Most of all, in your night prayers, pray to Me to help you get to sleep every night. If this is not successful, then you may need some medical help."

Wednesday, October 28, 2015: (St. Simon and St. Jude)
Jesus said: "My people, I sent My apostles out two by two to spread My Good News, and to evangelize souls to the faith in Me. It was not easy to travel in My day, and the apostles met some resistance from the authorities, and even among the Jews. All but St. John were martyred for their faith. Even today, My son, you are encountering some problems in your travels with missed planes and bad

weather. Today, it is easier to travel long distances with your planes and cars. There are some faithful who are willing to listen to My messages, but you also are meeting some resistance from some priests and laity. It is difficult for some to receive My messages for the end times, because people feel uncomfortable with storing food, or leaving their homes for My refuges. Many of My prophetic words about chips in the body are already proving to be accurate in controlling people. I have sent you out to many places to spread My Word, and you have been faithful to My mission for you, despite some criticism. As the evil gets worse, your lives will be in danger, and My faithful will be thankful to have safe havens of My protection available at My refuges."
Jesus said: "My son, you are concerned about finding enough fresh water for all the people who will come to your interim refuge. You have taken one step in doubling the number of your 55 gallon new barrels, and you filled them with tap water. In your vision you can see how you could replenish your empty barrels by attaching your drain spouts to your barrels. To make potable drinking water, you can put the drain water through your silver filter. You may also use the unfiltered water for washing dishes, clothing, and possible sponge baths. You may need to buy some plastic drain spouts so they can be attached to your metal pipes. If you cannot find your silver filter, you may have to buy another one to make fresh water to drink. I can multiply your water when there is no other option. I will even provide a spring and how to get water from it, if more people come. Water is an essential need for all life every day, which is why you need to find some sources when you cannot get it from your service water line. You are right in planning how to replace your water for many people. By heeding My instructions, you will be better prepared when the tribulation time comes."

Thursday, October 29, 2015:
Jesus said: "My people, you read how Herod was trying to kill Me, but it was not My hour to die. Most of the prophets were killed in Jerusalem because of the religious leaders who did not want anyone to challenge their leadership. Even if the prophets were sent by Me to speak My Word, they still killed them. I knew Myself, that I would also be killed there, but I would be raised up on the third day. You heard in the first reading: 'If God is for us, who can be against us?' This is a statement of faith that you will never deny Me, even if the authorities

threaten to kill you. In the end days, it will not be any different, in that the authorities will seek to kill My prophets and My messengers. It is true that My people will be called to the safety of My refuges, but some of My faithful will be martyred. Even if you may be captured, never deny your faith in Me, but be willing to give up your life for your belief in Me. All of My martyrs will become instant saints in heaven, so have no fear."

Prayer Group:

Jesus said: "My son, you are progressing well in your preparations for My refuge. You spent time organizing and bagging all of your pillows and washed blankets. You just bought some more canned goods to add to your shelves. You recently received some more MRE meals, and you again took time to label all of the contents. You also purchased some more 55 gallon blue barrels to double your water storage. All of these parts of your preparations were accomplished in a timely manner."

Jesus said: "My people, I have advised you to be prepared to use some barrels to catch some rainwater from your drain spouts. You have ordered a new silver ceramic filter to purify your rain water into drinking water. You still need plastic extensions to connect to your barrels. You have also started a man to work on your solar system, and the planning for your funding of this purchase. You still need a shed which could either be made by your friend, or you may have to purchase one and assemble it. This shed should be set up shortly before the snow makes it impossible."

Jesus said: "My people, you have seen the strongest hurricane at a category 5 strike Mexico. There were some deaths and damage, but it broke up into a major rainstorm in the Southern states. This was in addition to a major flood in Texas and South Carolina. Some areas have seen historic high rainfalls with resulting flooding. It is difficult to have just the right amount of rain. It has either been too little or too much. Pray and send donations for the victims of these disasters."

Jesus said: "My people, you have heard the talking points for both political sides, and it will be hard to pare down all the candidates to only one on each side. This could be another crucial election in 2016. In an older message I mentioned the possibility of a cancelled election. If your current President wants to call a martial law, you could see no election at all, as you would have a dictator leading you into the North American Union. Beware of this possibility because you would have to come to My refuges as a result. Pray for My protection from such a takeover of America."

Jesus said: "My people, even though you distribute candy to the children as they

travel from house to house, Halloween is actually an evil feast for those who worship Satan. Avoid dressing your children as evil people, but it is better to celebrate All Saints Day. Pray that the children will be protected from real evil beings at this time."
Jesus said: "My people, in the past you had some threats of a Federal shutdown in passing the US Budget and the lifting of a budget ceiling for spending. This discussion has been put to rest until March of 2017 when a new Congress will start. Your deficits and spending continue to be out of control, but your politicians do not want to face any hard decisions to cut spending or to cut taxes. Many people, who are up for election, do not always have much control in limiting your Budget. Pray that your leaders will make the right decisions for your people."
Jesus said: "My people, you are about to celebrate the souls in heaven, and the souls in purgatory. This is a celebration of the Communion of Saints which joins the souls in heaven, the souls in purgatory, and the souls on earth. There are many saints who have made it to heaven, but not all of them have been canonized by My Church. It is a glorious day for a soul to come from earth or purgatory into sainthood in heaven. This should be the desire of every soul, to come to heaven. As you celebrate All Souls Day, remember to offer your prayers and Masses for the poor souls in purgatory."

Friday, October 30, 2015:
Jesus said: "My people, in the Gospel I healed a man of dropsy at the Pharisee's house on the Sabbath. The Jewish people gave worship to Me on Saturday, and the Mosaic Law did not allow work on the Sabbath. This was the hypocrisy of the Pharisees who criticized Me for healing people on the Sabbath. You know how I resurrected on Easter Sunday, so now My Church honors Sunday as My day of rest. Today, you have a vigil Mass on Saturday, later in the afternoon, and Sunday Mass to follow. It is My Third Commandment that calls you to worship Me on the Lord's Day, and not to do servile work on that day. At one time you honored not working on Sunday, but now people are forced to work on Sunday for their wages. Employers are greedy for more profits, so they force their employees to work on Sunday. Even many sports have games on Saturday night and Sunday morning, forcing some people to miss Mass. America is becoming

more pagan, as fewer people are coming to Sunday Mass to honor Me. Encourage your family members to obey My Third Commandment by coming to Sunday Mass every week."

Saturday, October 31, 2015:
Jesus said: "My people, in the Gospel I told you that he who exalts himself, will be humbled, and he who humbles himself, will be exalted. I am calling My faithful to live a sincere, humble life without any attempt for being humble for impressing others. In other words, you need to be sincere and not showing a false humility. True humility comes from the heart, and it should be a part of who you are in life. You should give Me reverence in My Presence, and worship Me every day in your prayers. As an example, I told the Pharisees that when they fasted, they made themselves look drawn and in suffering as they showed there appearance in the street for all to see. When you fast and pray, go to your room and pray, and My Father who sees you in secret, will repay you. This is how you should live a humble life, without care of how others are seeing you. When I see that you are living humbly for My sake and not for show, then I also will store up treasure for you in heaven for following My way of life. I love all of you so much, and I want My followers to love everyone as well. Remember that you are living examples of being Christians, so make Me proud of you in your actions to win souls over to Me."

Sunday, November 1, 2015: (All Saints' Day)
Jesus said: "My people, you are seeing in the first reading from the Book of Revelation where I am having My angels mark a cross on the foreheads of all of My faithful believers. It will be more than just 144,000 because there will be myriads upon myriads of saints and angels that will be in heaven. All of My faithful, who endure the coming tribulation, will receive special crowns of sainthood, and you will be dressed in white robes. Remember how I told you that I go to heaven to prepare a place for My faithful saints. You, My son, are seeing in this vision the place that I have saved for you among My saints. Your wife is wondering where she will be, but assure her that she will be standing by your

side, as you are in life. All of My faithful will receive their reward in heaven as well. I have shown you visions of heaven, where you will be singing My constant praises with My saints and angels. You will be fulfilled in constant peace and love in the Oneness of My Being, as you will be One with Me in My Real Presence. As you rejoice in celebrating the lives of the saints, rejoice also that My faithful will be with Me and My saints one day in heaven."
Jesus said: "My people, you are viewing the time of persecution in the coming tribulation of the Antichrist. The evil ones want to kill all of My believers for their new world order. The first martyrs will be killed by guillotine, and those are the ones who have plain burial crosses. The rest of the martyrs will be killed and buried in mass graves, much like the Jews were killed in Germany. These are the people who did not want to leave their homes, and they were captured by the men in black. The rest of My faithful will be protected at My refuges. These martyrs will become instant saints, and they will be raised up in the time of My Era of Peace. Those people, who are protected by My angels, will reach My Era of Peace. Rejoice in My protection, and your new life in My refuges as well as your life in My Era of Peace."
About the Farm: Jesus said: "My people, I have given previous messages about this area as being a refuge for My people to come. You are still having some activities here, so it is being used. Eventually, you may have to use any well water for the people who will come here. It is possible that you will have a priest here for Mass. If not, My angels will bring the people Holy Communion during the tribulation. It may be difficult to prepare food and bedding here. Those people who come, may have to use tents and fires to live here. I will have My angels provide food and wood for heating. Trust in Me to provide for all the pilgrims who come here. My angels will also put an invisible shield of protection over all of this land."

November 4, 2015
Monday, November 2, 2015: (All Souls' Day)
Jesus said: "My people, in the fall as the leaves are falling, you are thinking of the end of your life, when you will face Me at your judgment. This is why I always encourage you to have a pure soul with frequent Confession. I am showing you another vision of purgatory where most saved souls need purification before they can enter heaven. Some suffer not seeing My loving Presence, and others also suffer a torment of burning flames on their soul body.

These souls suffer in a grey or dark area outside of time, and they have no sense of how long they have been suffering or will suffer. Some souls in purgatory are allowed to give signs to their family members that they need prayers and Masses to get out of purgatory. I keep reminding you to pray for the poor souls in purgatory, especially for the souls who no one is praying for. When these souls reach heaven, they will not forget the people who helped release them from purgatory. My Blessed Mother comes to these souls to give them some comfort, and she takes souls, who are purified, up to heaven on the feast days. These souls are saved, but they long to be with Me in heaven. Do not forget to pray for these souls, because very few souls come straight to heaven without some purification in purgatory."

Jesus said: "My people, it is not easy to live a life of silence in prayer because your world today is so full of noise and distractions. A monastic life is used to contemplative prayer because the monks understand silence when I talk to them. The person in today's world finds it hard to make time for Me in prayer, and it is even harder to listen in silence for My words of direction. I have advised you several times to take five or ten minutes of contemplative prayer in silence when you come to Me in Adoration. It is in silence when you can listen for My Word. When you are following My directions, life will seem so much easier for you, because I give order to your life. My son, you have been carrying out both missions of spreading My messages and preparing an interim refuge. Once you come to My refuges, you will have more time to pray and adore Me in Adoration of My Blessed Sacrament. All of your prayer time is preparing you for heaven, when you will enjoy My love and peace forever."

November 4, 2015

Tuesday, November 3, 2015: (St. Martin de Porres)

Jesus said: "My people, in today's Gospel the master of the house held a great banquet, but some of those who were invited, did not want to come. In anger the man ordered his servants to invite people off of the road, so none of those people who refused to come, would taste of his dinner. My people, I invite everyone to come to My banquet both at Mass and to heaven, but many refuse to come because of their earthly distractions. Others were invited to eat a free dinner, but some were not properly dressed to enter. Those people, who were not worthy, were people who had mortal sin on their souls, and they were not allowed to taste of My Eucharist. Sinners need to repent of their sins and be forgiven in

Confession, in order to receive My Blessed Sacrament worthily at the Mass. Many people are called to My banquet in heaven, but only a few are chosen as worthy to enter."
Jesus said: "My people, you have seen several airplanes blown up in the sky, killing hundreds of innocent passengers. This is another terrorist tactic being used in the Middle East. It is not clear at this time who is responsible for the apparent bombing, but some think that ISIS was involved. This is creating a fear of attack when passengers want to travel in a dangerous area. It is harder in foreign countries to prevent sabotage, or missile attacks on civilian planes. Pray for the souls of those killed, and for the loss to their families. Your Masses of reparation are needed for these souls who quickly came before Me in their judgment without time to prepare."

November 18, 2015
Wednesday, November 4, 2015: (St. Charles Borromeo)
Jesus said: "My people, your world is so full of cares and distractions, that you can understand how sometimes it is difficult to focus on your prayers. Even when you come to Adoration, you need to calm down and relax from all of your errands and worldly concerns. You sometimes even pray to remove the bad angel of distractions, so you can focus more on what I want you to do. Try to think more about Me, than thinking about your worldly things. You are constantly battling between the desires of the soul over the desires of the body. You are a combination of body and spirit, and it is difficult to keep your body's desires under control. Work a little harder on focusing your thoughts on the particular Mystery of the rosary that you are praying, so your thoughts do not wander. When you come to Mass, put all of your outside cares out of your mind, and focus on Me and the readings. By controlling your body, you can keep a better concentration on your prayers and Me. This takes an act of your will to be more focused on Me, despite your many earthly distractions. Once you are closer to Me in love, then you will be better able to avoid any earthly concerns in your prayer life."
Jesus said: "My son, this vision of a train constantly moving, is very much like your life as you travel from place to place to give talks about My messages. You have been traveling often for the last twenty-two years. Some people even ask you how you are able to travel so much. You know of course that it is the Holy Spirit who is giving you the grace and strength to carry on with your mission.

You have a mission to save souls, and you are reaching out to evangelize people. Now, you have a second mission of preparing an interim refuge. You have been given some money to build your chapel and a new kitchen addition. This also has kept you busy buying the things that you need. Your latest project is beginning with a plan to put an array of solar panels on your roof along with batteries and inverters in your basement. This could supply most of your electrical needs for your refuge, especially when you become independent from your electrical grid. You are traveling from one project to another because I have encouraged you to finish up your preparations. Time is running out before the tribulation begins, but your missions are keeping you busy for My greater glory."

November 18, 2015
Thursday, November 5, 2015:
Jesus said: "My people, every year in the fall, you see the leaves fall from the trees. As you gather them up, it reminds you of an image of gathering souls to be saved. As you see an abundant number of souls, you cry out to the Master of the harvest to send out more laborers into the field to convert and evangelize these souls. You do not want to lose even one soul, so you should be working hard to reach out to as many souls as possible. I call My prayer warriors to keep praying for the conversion of poor sinners, and to share their faith with those who are not on the right path to heaven. You all are in need of My grace to get through this life, so spread My Word of the Gospel so more souls could be saved. Even if you save one soul on your trips, it would be well worth your effort. I call out to all sinners to come to Me, but My faithful need to show others the way to My love by encouraging them to believe in My saving grace. I died for all souls to be saved, but all sinners must be open to Me, by repenting of their sins, and seeking My forgiveness. When you let Me be the Master of your lives, then you will be on the right road to heaven."
Prayer Group:
Jesus said: "My people, you have heard that some cities are seeing an increase in violent crimes. Some of these crimes are linked to drug traffic. Your jails are quite full, and these cases cost a lot to maintain by the taxpayer. Drug and alcohol addictions play a role in the increased crime. Pray for these addicts to break their addictions with help from some clinics and your prayers."
Jesus said: "My people, these increased cancer cases are coming as a result of your poor diets and your food that has been over processed. You also are seeing

a lot of pollution in your air and water which can cause cancer. By eating organic foods and drinking filtered water, you can eat healthier. Even taking herbs and vitamins can help improve your immune system. I have advised taking Hawthorn pills to counter the bad effects of the chemtrails in the sky. By taking care of your immune system, you can help reduce any chance of having cancer."
Jesus said: "My people, I want you to take care in your driving, and remember to pray the long form of the St. Michael prayer both coming and going for your protection. Give yourself plenty of time to get to your destination so you do not have to rush your driving. Minimize your distractions so you can concentrate on your driving. Pray to your guardian angels to protect you from any bad drivers. When you arrive safely at your destination, you can pray a prayer of thanksgiving for a safe trip."
Aunt Jenny said: "I am happy to be free of all of my pain and difficulties in hearing and seeing. I am sorry that I had to leave you all behind, but the Lord was calling me home. I love Irvin and all of our family members. It will be difficult for all of you to make a trip to my funeral, but I am happy that you are making the effort to be with me. My funeral is another way for all of you to be united right before Thanksgiving. I thank Carol G. and all of my care givers in my last years. I saw all of our deceased relatives that came to greet me. I am with Jesus now, and I will be praying for all of you."
Jesus said: "My people, this election has brought more laws in your states that are accepting euthanasia and marijuana. You have abortion and same sex marriage already on your books, and now your evil laws are getting worse with each year. Your laws, that are against My laws, are only bringing My justice faster against your country, as well as a worse punishment. You will see your disasters increase in number and severity. Pray for the souls in America, because the evil around you is growing worse."
Jesus said: "My people, you were first seeing a complaint of low wages from the fast food restaurant workers. You were seeing some people stating that 50% of your work force earns less than $15/hr. It is a struggle for people to live on just the present minimum wage. It may be good to help these people in their living expenses, but the employers will have to make some hard decisions in making cuts in their staff, or give less hours for this increase to be paid for. When you call for wage controls on your markets, there will be a reaction with more jobs being lost, or more jobs being sent to China for cheaper wages. Your people may find their living conditions even worse, if they lose their jobs. Pray for the working poor who need more than one job to survive."

Jesus said: “My people, you have seen your businesses and home buyers profiting from very low interest rates. While this helps Wall Street companies to have low interest rates, it has been a hardship on savers and the elderly who are living off of their investments and interest in the banks. When rates do rise, it will cause problems for your derivatives and your National Debt to pay more interest. Your Federal Reserve has been giving huge profits to your business companies by keeping interest rates artificially low.”

Saturday, November 7, 2015: (Aunt Jennie’s Funeral Mass)
Jennie said: “I saw Irvin’s sad face, and I wanted to go over and kiss him, but he could not see me. Please tell him that I love him very much, and I will be watching over him. I was happy to see all of the happy faces of my family and friends. I know how we all used to be laughing at our holiday meetings. I am sad that I had to leave all of you, but I will be praying for you. I am sure that you will be having fun as you will get together for eating. Keep a picture of me around your house to remember me. I thank all of you for making an effort to come to my funeral. I continue to thank all of my care givers for all the help that they gave me. I hope to see all of you with me one day in heaven.”

November 18, 2015
Sunday, November 8, 2015:
Jesus said: “My people, you are seeing My martyrs of the end times who were taking their places in the higher level of heaven. They were dressed in red as they marched in, and I congratulated them and thanked them for their supreme sacrifice of their lives. Then you saw in the vision, My faithful remnant who were dressed in white robes, and they marched into a slightly lower level in heaven than My martyrs. These souls were all rejoicing and giving Me praise and thanks to be present with Me, My angels, and My saints. This heavenly space is the reward for all the souls who loved Me and were purified for heaven. This month is focused on those people who died this year, and on the reading of the end time Scriptures to prepare you for the coming tribulation time. This means you need to purify your soul with frequent Confession so you are always prepared to meet Me at your judgment, when you die. Give glory and praise to me every day of your life, so you will be prepared to be with Me eternally in the

joy, peace, and love of heaven."

November 18, 2015
Monday, November 9, 2015:
Jesus said: "My people, you have heard your various political leaders trying to brainwash you with an incorrect theory that they call 'global warming'. This connection between carbon dioxide levels with the earth's temperature does not stand up to historical records. An increase in relatively small amounts of carbon dioxide is not causing the temperature change that you are seeing. Your temperatures have varied over the years, but the carbon dioxide levels increased after the temperature increased. You could do some of your own research to show global warming to be an incorrect theory. The one world people are purposely using this means of scaring people into doing what they want, so they can use carbon credits to control world governments. They are creating an artificial crisis, so they can propose their own solution, which is world control. Do not believe these evil men who I will punish at their judgment. You can protect My environment, but you need to challenge the incorrect science that is being forced on you by these evil men."

November 18, 2015
Tuesday, November 10, 2015: (St. Leo the Great)
Jesus said: "My people, you can think of your life as being on a ship and sailing through the water with all kinds of dangers around you, as sharks and whales. I have given each of you a guardian angel to defend you from all of the spiritual and physical dangers in your life. Most people do not always realize that you are dependent on Me for everything in your life's needs. You need the oxygen to breathe that I provide in your atmosphere. You need the light of the sun for direction, and the rain to grow your crops. Everything that you have in your talents and possessions, have come from My gifts. Even your very life and spirit exist because of Me. So instead of being proud of your own accomplishments, be thankful to Me every day for all that I do to help provide for your needs. You can thank Me by your prayers and your good deeds in helping your neighbor. You also should be focused on following My Will, by continuing to work hard on the missions that I give you in life. By following My directions, you will receive your reward in heaven."

Jesus said: “My people, your society is corrupt because most Americans are not coming to church on Sunday, and I am not the center of their lives. Your laws and court decisions are corrupt as well, because they legalize abortions, same sex marriage, and even euthanasia in some states. If you do not pray and repent of your sins, how can I bless America? My faithful are called to evangelize souls for heaven. You also need to repent of your sins in at least monthly Confession. You should be prepared to defend your faith by opposing abortions, same sex marriage, and euthanasia. When you hear heresies, get your Catechism of the Catholic Church out to show people their errors. Fight such heresies wherever they are, so they do not contaminate the rest of My faithful. As you openly fight these evils, you will be facing criticism, persecution, and possible martyrdom. Do not be afraid because I will give you the grace to endure your fight for your faith in Me.”

November 18, 2015
Wednesday, November 11, 2015: (St. Martin of Tours, Veterans Day)
Jesus said: “My people, today’s Gospel of the healing of the ten lepers is a lesson in being thankful for what you have. Only one of the ten lepers, who were healed, returned to thank Me for his healing. Even now, many of you have been blessed with children and grandchildren, and you should give thanks to Me for their lives. You also have been blessed to share My Word of preparing refuges for the coming tribulation. I have given you adequate funds, and blessings of having good people work for you in making your refuge. You have heeded My instructions in your preparations, so now you are almost through with your projects. You have been given some extra time to get things ready for the coming martial law. Make the most of your time by carrying through with your plans that I have given you. Continue your prayers and travels to help save souls from hell. Your prayers and good deeds are your best way to thank Me for all that you have been given.”
Jesus said: “My son, you have just signed a contract to place solar panels on your roof, and batteries and two inverters in your basement. I have advised you to get a solar system in place so you could have electricity for your lights, refrigerator, and your sump pumps. It would be too hard to power your oven and your air conditioner. Having some electricity could help some of your power needs, and save you on your electric bill. With proper planning, you could have

this installed before the end of the year. This leaves your remaining project of building a shed for your outdoor needs. You have two options for your shed, but do not wait too long to get one means started. You also need to finish up your plans for how to connect your gutter pipes to your barrels. This need for another source of water will help replenish the water that you are saving. By getting all of your projects completed, then you will have your refuge ready to receive the people that I will send to you. Give thanks to Me for helping you to set up your refuge, and to continue your mission of evangelizing souls."

November 18, 2015
Thursday, November 12, 2015: (St. Josaphat)
Jesus said: "My people, in the Gospel I told you that the Kingdom of God is in your midst among My believers. A day is coming when the Son of Man will come to judge the earth with lightning from one end of the sky to the other. Before that happens, I died on the cross for your sins, and you will all have to endure the time of the Antichrist in the coming tribulation. You have been preparing your refuge because these places will be safe havens for My faithful. Those people, who refuse to come to My refuges, will be risking martyrdom at the hands of the one world people who will place the Antichrist into power. Have no fear because those faithful, who are martyred for their faith in Me, will become instant saints. This is the blood that you saw in the vision for those who will be killed in the tribulation. The rest of My faithful will be protected at My refuges. No matter whether you live or you are martyred, My faithful will all be joined in their reward of My Era of Peace, and later in heaven."
Prayer Group:
Jesus said: "My people, you are seeing two disruptions in your schools from gunmen killing students, and now student uprisings to remove teachers and principals. Your schools are becoming targets by psychotic killers, who are killing students because security is lax. More recently, several schools are seeing organized protests against teachers and principals for trumped up reasons. You have certain one world radicals who are behind the killings, and the protests that are spreading to other schools. Pray for calm in your schools so the students can study their courses without these perpetrated disruptions."
Jesus said: "My people, I have told you that I have been speeding up the days as you are entering the end times. I am slowly speeding up the earth on its axis. This is why the months and years seem to be flying by, so your tribulation time

will be shortened for the sake of My elect. The reign of the Antichrist will be brief, and I will protect My faithful at My refuges. I will bring My Warning to wake up the sinners, and some will repent of their sins and seek My forgiveness."

Jesus said: "My people, once you allow pornography and drug use to be used legally, you are inviting the moral breakdown of your society with these addictions. Pornography use is breaking up families because of the lust for sex and not for having children. This is also a bad environment to bring up children. The medical marijuana is a foot in the door to legalize marijuana for recreational use for all the people. Try to avoid these temptations that can cause evil addictions to sin."

Jesus said: "My people, your previous times had interest rates at 4 to 5% for many years. Now for the last decade you have had 0% interest, beyond what is needed. Your Federal Reserve is planning to raise rates to more normal rates. Europe is now using the printing of money to spur their weak economies. It is the manipulation of money by your governments that is causing many of your financial problems. Pray for calm in your markets without governments stealing the value of your money from its peoples by inflating the money."

Jesus said: "My people, My prayer warriors are most needed now because of the evil extending from abortions, same sex marriage, fornication, transgender problems, and other evil addictions. I told you that I will multiply your prayers, but now it will be multiple times and not just a double. I am relying on My prayer warriors for their daily rosaries, Masses, and other prayers. The sins of the world are not being balanced with enough prayer, so your evil actions and laws are growing worse and more corrupt."

Jesus said: "My people, the number of families married with a man and a woman are only a third of your households. You now have many single parent families, divorces, couples living together, and same sex marriages. Your children should be brought up in a loving environment of a normal family, but now many children have only one parent or same sex parents. This strained environment is why your children have problems in school with their learning, and later with poorer paid jobs that can cause poverty. Pray for your families, and encourage marriage in My Church."

Jesus said: "My people of America, you are seeing an older population dying off with very few young people to take their place. If you did not have increasing immigrants coming into your country, you would be losing population as the European countries. You are having less children because of your abortion and

birth control mentality. Without enough children to pay for your taxes and support your Social Security for the older people, your financial support could fall apart. When there is not enough money to support your welfare state, your society will collapse under its own debts. Pray for your people to support themselves without relying on government handouts."

November 18, 2015
Friday, November 13, 2015: (St. Frances Xavier Cabrini)
Jesus said: "My people, you have read in the Gospel how I punished the evil people of Noah's time with a flood, and the evil ones in Sodom with fire and brimstone. There will also be a punishment coming for this generation as well, when the Antichrist comes to power in the tribulation time. I have been preparing My faithful for this time because many people have turned their backs on Me, and some even defy Me by worshiping idols of lust, money, fame, and possessions. Pray for all the poor sinners, and I will bring My Warning to wake them up to how they are offending Me with their sins. These people will have one last chance to believe in Me, or they could be lost in hell. You are evangelizing souls the best that you can, and more will be saved after the Warning. My refuges will be My safe havens for those people who believe and come to be protected. My angels will put a shield of invisibility around those people who come to My refuges. Both My martyrs and those faithful at My refuges, will be brought into My Era of Peace and later into heaven, as their reward for being faithful to Me."

November 18, 2015
Saturday, November 14, 2015:
Jesus said: "My people, in the Gospel you heard of how the unjust judge finally ruled in favor of the widow's plea. It was because of her persistence in asking the judge many times, that he finally relented in her cause. Take a lesson from this account, so that you all are persistent in your prayers that I will answer in My time, and according to My Will. You are well aware of how I answered your wife's long time of prayers for her father, when he was blessed with a good Confession on his death bed. So it is with all of your prayers that I hear every day. Be tenacious in your prayers every day, because I am indebted to My prayer warriors whose prayers are balancing the evil actions in your world. Remember

to pray your rosaries every day, and if you forget them, or your events do not allow you time, then make your prayers up the next day. You know how many prayers are needed, and I depend on your faithful daily prayers for souls. Pray for poor sinners, the poor souls in purgatory, the stoppage of abortion, and peace from wars in the world. When you pray, you are conversing with Me in how you love Me. Remember also, to pray your silent contemplative prayer, so you can listen to My words to your heart of what I want you to do for Me."

November 18, 2015
Sunday, November 15, 2015: (33rd Sunday after Pentecost)
Jesus said: "My people, in this month of November, you are focused not only on preparing for your own death, but you are also awaiting the day of My return in glory to judge the people. Your best preparation is to keep your soul pure by frequent Confession, at least monthly. By having a pure soul, you will be worthy to receive Me in Holy Communion, and you will also be ready to meet Me at your judgment, either at your death, or when I return. There are many people who try to predict the day of My Warning, or the day of My return, but only My Father in heaven knows these times. So do not concern yourselves with knowing the dates, but keep your soul pure every day, in preparation for My coming again. I told you in the Gospel to look for the signs of My coming, as I talked about the new leaves on the fig tree. When you see the evil growing worse, you will soon see My Warning followed by the Antichrist. At the end of the tribulation, I will bring My Comet of Chastisement to end the evil in the world. Then I will come to cast the evil ones into hell, and My faithful will be brought into My Era of Peace, and later into heaven."

November 18, 2015
Monday, November 16, 2015: (St. Margaret of Scotland)
Jesus said: "My people, in the first reading you read how an evil king forced Gentile ways over the Israelites. The evil ones even destroyed the scrolls of the Covenant, and tried to force them to eat unclean meats. Many of the Israelites refused to follow these ways against their religion, and some of them were martyred as a result. My people of America, you are seeing similar activities against My teachings being forced on you from those who do not believe in Me. You have atheists leading laws and court decisions to legalize abortions, same

sex marriages, and even euthanasia. Your country was formed on Christian principles, but you are now being controlled by pagan and atheistic people. They are even forcing socialism on you, which is nothing more than a communist state on your people. Just as you read of the Israelites being martyred for their beliefs in God, so you will be seeing increased persecution and eventually martyrdom for your faith in Me. In many places your world does not worship Me, and you even see Muslims killing Christians in barbaric killings by beheading people. You will soon see the Antichrist come into power, and there will be a tribulation where My believers will be persecuted and killed. I am raising up refuges as safe havens for My faithful to be protected by My angels. After My Warning, you will see this evil one come into power. Call on Me and My angels to protect you. You will see Me come in victory over these evil ones, so have patience and trust in My protection."

Jesus said: "My son, I have mentioned several things and projects that you need to get ready. First you still need to get some plastic drains to connect your gutters to your barrels. You may want to buy two more barrels for your down spouts. Remember that you can only collect rainwater when it is above freezing, or the water will freeze in your barrels. In the winter, you could collect snow and melt it inside by your heaters. I want you to try your kerosene burner inside to see how much heat you will get. You can also put some logs on fire in your fireplace so you know how to control the flue for getting heat. Also try your electric fan if you have electricity. You can even use your Coleman stove to give heat downstairs. Keep working to get your solar panels installed, and you may have to order a wood shed to put it together before the snow comes. Write down all of these items so you can check them off when they are done. Do not let your preparations get put off while you have the time to accomplish them. Once you have your projects completed, then you will be ready when your refuge will be needed. I am trusting that you will do all that you can to help the people who will come."

November 18, 2015

Tuesday, November 17, 2015: (St. Elizabeth of Hungary)

Jesus said: "My people, you take your modern cars for granted, but you do not fully appreciate how valuable they are for your transportation, and such a help in your ministry. Without them, you would be very limited in how many people who you could reach with My messages. You also should be thankful for your

communications by sharing My messages on your internet website. Even your books and DVDs are another means to spread My message of love and evangelization. You should be thankful that Queenship and its people have been able to publish your books and make your DVDs. After you gave your talks with the people, and prayed over them, people were thanking you for your work. I know you have accepted this mission out of love for Me, and you are following My Will, but it is heart warming to have thanks given to you for all that you do for people. I too, wish to thank you for carrying out your mission of evangelization, and your recent mission to set up an interim refuge. I need many workers in the world to bring home My souls to Me, so they can be converted for heaven. I will give you the grace to carry out all that I have asked you to do."
Jesus said: "My people, you have just seen terrorist Moslems kill hundreds of people in France and Egypt. With many ISIS terrorists sneaking in with supposed Syrian refugees, your President still has some plans to bring hundreds of refugees into America. He should recognize the danger of allowing terrorists into your country. Many of your governors are refusing to accept Syrian immigrants into their states. It is too difficult for your FBI to know and follow all of the potential terrorists among these refugees. Many of them have Moslem ties, and they could trigger more ISIS killings. Your Congress people are fighting this Syrian immigration by your President, and there will be a power struggle against bringing these Syrian immigrants into America."

End November 2015

December 2015

Wednesday, November 18, 2015

December 3, 2015
Wednesday, November 18, 2015: (Dedication of Sts. Peter & Paul Basilicas)
Jesus said: "My people, today, you are celebrating the dedication of the two great basilicas to St. Peter and St. Paul. In the vision you could see the chains of St. Peter and St. Paul in Rome where they are joined together. The Romans were instrumental in martyring both of these saints, as well as many more Christians. This time of the persecution of Christians will occur again during the tribulation of the Antichrist. The evil ones will try to kill all of My believers. Some will be martyred, but I am having My faithful build places of refuge to protect the rest of

My people. At My refuges you will have angel protection, food, water, beds, and all of your needs will be met by My multiplication of your food and water. My refuge builders need to finish up their preparations because the time of martial law and the tribulation are coming upon you. Then when I notify My believers, they will have their angels lead them to a place of refuge."
Jesus said: "My people, in the Gospel (Luke 19:11-27) you heard My parable about a man who wanted to be king, and he went away and he gave a gold coin to each of ten people. On his return there was a settling of accounts with the people who were given the gold coins. The first man made ten gold coins more from the one he was given, and he was rewarded with controlling ten cities. The second person gained five gold coins, and he was rewarded with controlling five cities. The third man presented his gold coin to the king after hiding it, and he was scolded for not using the money for any gain. This parable teaches how important it is to use your God-given talents for My greater glory. When you waste your talent by not using it correctly, you will have to answer to Me and suffer the consequences. You all have been given a specific mission to carry out, and it is your responsibility to use your talents to save as many souls as you can. This is similar to not offering up your pain to save souls. The first reading from Maccabees is how a mother watched all of her sons being killed for not following the king's decree. The king tried to force them to eat unclean meat, and they refused to violate the Mosaic laws. Because of their refusal to follow his command, they were all martyred. This could also happen in America, if your authorities tried to force you to deny your faith. Never deny Me before men, even if they threaten to kill you. It is better to lose your life for My sake, than to deny your faith in Me. All of My martyrs will become instant saints, and I will lessen their pain of death. Trust in Me to provide for your needs, even during the tribulation."

Thursday, November 19, 2015

December 3, 2015
Thursday, November 19, 2015:
Jesus said: "My people, in the first reading you read how the Israelite leader of a town refused to obey the king's order to give up his faith and worship idols. So he warned all of his people, and they fled to the cover of the mountains. You are reading the signs of the end times when your society is doing the same thing of trying to force you to accept sinful behavior as legal. You are being told to

accept killing babies in the womb, and allowing same sex marriages as legal. Even if you advocate that fornication and homosexual acts are mortal sins, you could be liable to hate crimes. All acts of killing in abortions or euthanasia are serious sins against My Fifth Commandment. All acts of fornication in living together, and homosexual acts in same sex marriage are also mortal sins, and they are against My Sixth Commandment. Your society and its laws are defying My Commandments, and you will be punished. My people need to stand up against these sins. Because My believers are hated by Satan and his followers, you will be suffering persecution and possible martyrdom. In the vision of My people leaving for My refuges, these places will be your only safe havens when the evil ones want to kill you. This again is why I am asking My faithful to set up refuges for these end times of the tribulation. Have no fear, because My power is far superior to the devil and the Antichrist."

Prayer Group:

Jesus said: "My people, you are seeing multiple attacks on people in France from ISIS. The Moslems consider America the great Satan, so they are planning many attacks all over your country. This vision of a small plane flying into a tall skyscraper is just one means of attacking your business buildings. Your security forces should be on full alert for any attempts on mass killings. Pray for the protection of your people from such attacks."

Jesus said: "My people, you see people dying every day, but sometimes it is people who you know, and these deaths are more personal and need My blessing. When you see someone dying, or someone who just died, you can pray the Divine Mercy Chaplet for their soul. You have seen several souls snatched from the demons because you took time to pray for these souls. These souls, who come to heaven, will pray for you on the earth, and when you die and are sent to purgatory."

Jesus said: "My son, you have a grinder and wheat grain in some five gallon pails. You can make dough with the flour and your yeast, and then bake it in your propane oven. You eat a lot of bread, so you need a means to bake it, even if your natural gas oven is not working. I will be providing many miracles to help multiply your food and water. Remember also to have your deer knife for skinning the deer who will come into your camp. This meat may be preserved in your freezer when you have electricity from your solar cells. Have faith in My miracles which will sustain your people for your brief time in the tribulation."

Jesus said: "My people, your authorities are not revealing all of the terrorist activities in an attempt to keep your people from overreacting. You have also

heard of several bank shutdowns as in Massachusetts that lasted for a day because of computer attacks by hackers from China or Russia. The one world people are stepping up their attacks on your infrastructure with a plan to create conditions for a martial law declaration. This is why My refuge builders need to quickly finish their preparations so they can accept My faithful when martial law comes. Listen for My warning when I will tell you that it is time to come to My refuges."
Jesus said: "My son, you have seen a leak from your humidifier that caused your condensate pump to burn out and the water drained on the rug. This happened while you were away. After vacuuming and soaking up the water, your basement is drying out with your fans and dehumidifier working hard. I will see to it that no mold will develop from this attack. Keep praying for My protection from any other possible attacks."
Jesus said: "My son, you will be seeing the weather turning colder, and you need to get your shed ordered now because it will take some time for it to be delivered. You need this in place before any snow could hamper your efforts in the backyard. All of your other heating preparations need attending so they can be used for heating in the winter, should you lose power or your natural gas. Pray for My help to get ready, or My angels may have to finish your preparations."
Jesus said: "My people, your security forces in all of your countries may have to go on full alert and even start preemptive actions against terrorist groups that could kill more people. You will soon be in a state of war against any jihad Moslem attacks. If more attacks continue, you could see how much your safe havens will be needed when chaos could threaten your food, water, and electricity. The one world people want to precipitate more threatening attacks so they could have an excuse to start martial law. Be ready soon to leave for My refuges when chaos will cause riots in your streets."

Friday, November 20, 2015

December 3, 2015
Friday, November 20, 2015:
Jesus said: "My people, in the Gospel I made some whips and I threw the money changers out of the Temple because My house is a house of prayer, and the money changers made it into a den of thieves. You will be seeing organizations like the World Council of Churches trying to force communist infiltration into

your churches. You even have masons infested in My Roman Catholic Church. I have told you before that there will first be a division in My Church between the schismatic church and My faithful remnant. The schismatic church will teach New Age doctrine and that the sexual sins are no longer mortal sins. The second attack will be from your own government as well as terrorist attacks to burn your churches. The persecution of Christians by Muslim jihadists will continue into America. There are many terrorist cells in America waiting to attack the infidels. Once you see martial law and mandatory chips in the body, you will be well on your way to My places of refuge for your protection by My angels. As you see the current number of terrorist attacks, more fear and chaos could result. Do not fear these evil ones, but be ready to come to My refuges when I give you the notice to come. Trust in Me to protect you as I have promised."
A person's land: Jesus said: "My people, just as you receive power and grace from Me to do your work, so the evil ones draw their power from the demons for their work. I am superior to their power. So call on My Name when you are attacked, and I will send My angels to defend you. There are souls of dead people on this land who want to control this land, and they draw their power from the demons. This is why they are trying to scare you away from this land. Use your blessed salt, holy water, and your exorcism deliverance prayers to protect yourself. Wear your scapular and your St. Benedict blessed crosses for your protection. You can sense any evil influences to see if these evil ones are still present. When they cannot stand hearing My Name, over and over, then they will leave."

December 3, 2015
Saturday, November 21, 2015: (Presentation of the Blessed Virgin Mary)
Jesus said: "My people, today, you are celebrating the Presentation of My Blessed Mother. St. Joachim and St. Ann brought My Blessed Mother to be blessed as an infant. St. Ann taught My Blessed Mother her faith, just as she taught Me the faith when I was young. This is a good example for all parents to teach their children faith in Me while they are growing up. You cannot rely even on Catholic Schools to teach your children the basics, that some of you were taught from your Baltimore Catechism. You have the Catechism of the Catholic Church for adults to read, but the Baltimore Catechism was good to teach your children. You were showing your guests the catechism that you had when you

were a child, and it brought back memories of your being taught in the faith. Current books have been watered down, but your old catechisms were better. Teach your children the best that you can."
(4:00p.m. Mass, Christ the King) Jesus said: "My people, today is a beautiful celebration of My Kingship at the end of the Church Year. You had beautiful prophetic messages of the end times from Daniel and the Book of Revelation. My son, you are a missionary of the end times, and you are spreading My messages of preparation for My coming again in glory. You are seeing the many evils spreading throughout the world, but I will be bringing My Warning as a wake-up call for all sinners to get their lives in order before the Antichrist comes. My refuges are being prepared now, as you know, so My faithful will have a safe haven of protection from the evil ones who are killing Christians. The Antichrist will have a short reign before I will bring My Comet of Chastisement, and all the evil ones will be cast into hell. Then you will see My glory as I will renew the earth, and I will bring all of My faithful remnant into My Era of Peace. Rejoice that you will be counted as one of My faithful in the Era of Peace and later in My glory of heaven. My victory over Satan and the Antichrist will show My power as King of the universe."

Sunday, November 22, 2015

December 3, 2015
Sunday, November 22, 2015: (Our Lord Jesus Christ, King of the Universe) Jesus said: "My people, today you are celebrating My Kingship, and a showing of My power over all of the evil ones. Even as you see Me coming on the clouds, do not be afraid. I bring My faithful peace and joy, even amidst a world of hate and killings caused by the devil and the one world people. My coming again was foretold by Daniel and St. John in Revelation, and I will send My Warning to prepare souls for the coming tribulation of the Antichrist. The evil one's reign will be brief before I will truly come in glory to cleanse the evil ones from this world, and then I will renew the earth for My Era of Peace. Have patience through the coming trial, but be assured that My victory is coming, and it will be complete domination over evil and the whole universe."
Jesus said: "My people, I have talked to you before about the coming Warning, but do not concern yourselves with a specific date. I want My people to be focused on keeping a pure soul, by frequent Confession, so you are prepared for My Warning and your death. I am focused on the Warning because you will

come before your King when I show you your life review. You will receive your mini-judgment, which is why you want a pure soul when you stand before Me. All sinners will have one last chance to be saved at My Warning. Rejoice when you will meet your King."

December 3, 2015
Monday, November 23, 2015: (Bl. Miguel Pro)
Jesus said: "My people, many of My faithful give a token to moderate amount of money in the Sunday collection from their surplus wealth. In the Gospel I commended the widow for her small donation, but it was all that she had to live on. When you are sharing your wealth with charity causes, you could be more generous in your giving of your money. Remember how I told you that I love a cheerful giver, and not someone who begrudges every charity donation. Whether you are sharing your money and time for My Church, or your family and friends, you need to be giving from the love of your heart, without one hand knowing what the other is doing. All of your donations will be storing up treasure in heaven. As you think about being thankful for all that I have given you, you could be thanking Me by being more generous in sharing your wealth with your family and charity donations. In your Christmas gifts, you could be sharing money with your family members, especially those members who are having hard times. You will see that there is more joy in helping people, than spending money for your own things."
Jesus said: "My son, I have given you several projects to complete in setting up your refuge. You have completed the building of your chapel, your kitchen, and your new bathroom. You also have set up your root cellar, secured some food, and have stored some water. You built your three bunk beds, and you have enough cots, beds, pillows, and blankets for the forty people I told you to prepare for. Now, you have ordered your shed and your solar equipment. You just need to check up on your heaters to be ready for the winter cold. You already have stored some fuel for your heaters. You may want to look into buying some Bibles, Mass books, and even some song books for your services. As you move along in your work, I will advise you what is needed. Have faith and trust in Me to protect you from the evil ones, and I will multiply what you need for your survival."

Tuesday, November 24, 2015

December 3, 2015
Tuesday, November 24, 2015: (St. Andrew and Vietnamese companions)
Jesus said: "My people, in the Gospel, even My apostles were asking Me when I would be returning to the earth. This curiosity of the time of My return has had people concerned for many years. It is not important to know the times appointed by My Father, but it is important to remain faithful to My Commandments. I told My apostles that I would return on the clouds, just as I left them, when I ascended into heaven. I have given you signs in the Scriptures when you will see famine, earthquakes, and pestilence. I have even given you a sequence of events that would start with My Warning, and six weeks after for the conversion of sinners. Then you will see a man-made famine, a division in My Church, and a martial law from bankruptcy, pandemic virus, and terrorist events. This would be followed by mandatory chips in the body. All of these things would lead up to the tribulation of the Antichrist. His reign will be less than 3½ years for the sake of My elect. Then I will bring My victory over the evil ones with My Comet of Chastisement. During the tribulation, I will have your angels lead you to places of refuge, where you will be protected by a shield of invisibility. Before the comet kills two-thirds of humanity, I will raise My faithful up into the air so you are not killed by the comet. The evil ones will be cast into hell, and I will renew the earth. I will then bring My faithful down into My Era of Peace as your reward. Later, you will be prepared to come into heaven. Rejoice, because you know the end of the story, and I will be victorious over the evil ones. So do not be afraid, but trust in My protection."
Prayer Group:
Jesus said: "My people, you have a precarious war going on where Russia is supporting Assad, and their planes are attacking the rebels against Assad. America is defending the rebels and attacking Syrian troops and ISIS terrorists. With two superpowers defending opposite sides, you have a danger of a wider war. When Turkish pilots used American made jets to shoot down a Russian jet in Turkish airspace, you now could see more repercussions from Russia. Please pray that these incidents do not trigger a more serious conflict."
Jesus said: "My people, after ISIS killed 130 people in Paris, France wants to step up the attacks on ISIS. America has also increased its attack on ISIS by destroying 580 trucks that were carrying oil for the ISIS troops who were selling contraband oil. This is another escalation of the war in Syria against ISIS. Again,

you need to pray for war to stop before it could draw more countries into this conflict."
Jesus said: "My people, you knew that winter was coming, but the first snowstorm draws a lot of attention to the cold weather. This also should cause My faithful to get their winter preparations together in case you should lose power in the cold of winter. Checking the operation of your heaters is now more important, and you need to make sure they are in working order. I warned you to do this, but now you need to attend to the rest of your work. Trust in Me to provide for your fuel by multiplying your wood and kerosene."
Jesus said: "My people, when your family comes together for your Thanksgiving meal, they will see where to come when your interim refuge is ready to be used. I told you that after the Warning experience, it would be a good time to bring your family together. Now that you have your own refuge, you could accommodate your family at your house. Pray for all souls after the Warning to wake up to seeing that they can only come to heaven through Me. They need to repent of their sins, and seek My forgiveness in order to be saved."
Jesus said: "My son, I know that you are having your shed delivered in three weeks, and the solar cells were to be installed in a few weeks, weather permitting. There are an increasing amount of terrorist activities, and a potential war in the Mideast. If things start to happen, My angels could finish your projects, if they are needed. You will be getting these needs done just in time when they will be needed. My faithful need to get their backpacks together, so they are ready to leave their homes for My refuges. Pray that your weather will be good when you have to leave."
Jesus said: "My people, you are seeing the readings focusing on the end times in this last week of the Church Year. These readings should remind you to be ready for the coming tribulation by coming to frequent Confession to have a pure soul. Even as you are preparing for another Advent, you also need to be prepared to leave for My refuges at a moment's notice. Keep close to Me in your prayers, Masses, and visits to My Adoration places, and pray for My angel protection every day."
Jesus said: "My people, every year about this time, you are preparing to put out your Nativity Scene on your porch, and put up your Christmas tree decorations in your living room. Just as you are commemorating My birth in Bethlehem, you also need to be prepared at any time, when I will return to the earth. I love your Christmas songs that give glory and praise to My Name. Some honor the infant Jesus with special novenas for My coming on December 25th. Give glory and

praise to Me, even as you are listening to the songs of the Messiah. God bless all of your families as you celebrate Thanksgiving and Christmas."

Wednesday, November 25, 2015

December 3, 2015
Wednesday, November 25, 2015: (St. Catherine of Alexandria)
Jesus said: "My people, in the first reading Daniel interpreted the writing on the wall for the king which was 'mene' where God has numbered the days of the king's kingdom, and God will put an end to it. 'Tekel' where the king was weighed on the scales of justice, and he was found wanting. 'Peres' where the king's kingdom will be divided, and given over to the Medes and the Persians. This all came about because the king used the sacred vessels of Jerusalem to drink wine with his people. They also worshiped gods of gold, silver, bronze, and iron, instead of worshiping Me. In the Gospel I spoke of a coming time of persecution of Christians because of their faith in Me. Even today, I am calling on My faithful to stand up against your society's gods of money, lust, fame, and possessions. You even had a flashback when you put aside your lab mate's pornography as unprofessional and really an occasion of sin. You may be persecuted for taking a stand against these sins, but you will be rewarded for abiding by My laws against man's laws."
Jesus said: "My people, at Fukushima you have seen a modern day melt down of six reactors that blew off the containment walls, and the seawater is being poured over the cores, and the radioactive water is washed into the Pacific Ocean. This has been contaminating the Pacific Ocean ever since with little being done to stop this pollution. There are many more nuclear reactors that are getting old, and they need expensive repairs. This problem of aging nuclear plants presents a problem in how to dispose of the depleted pellets, and how the local electric companies can close down an old plant. This becomes a large expense, and only the electric users should be asked to pay for this disposal. Pray for a solution to this problem and a replacement of nuclear plants with safer fuels."

December 3, 2015
Thursday, November 26, 2015: (Thanksgiving Day)

Jesus said: “My son, you have more to be thankful for this year than other years. You are especially grateful for your recent inheritances that have enabled you to build your chapel, new kitchen, and your added basement. You have been gifted with a new mission of preparing a refuge for your family and friends. Even though everything looks beautiful, you have had to make a few sacrifices and perform a lot of work in your basement and in your yard. You have been faithful to Me in carrying out My plans for what you will need during the tribulation. You also should be thankful for all the lives of your family members, and being able to help them in their needs. You can also thank Me for your good health, and being able to go out to all of your talks. I am happy to help My faithful people who are sharing their faith and their wealth.”

December 3, 2015
Friday, November 27, 2015:
Jesus said: “My people, you have been reading about the end times from Chapter 21 of St. Luke’s Gospel. I told the people when the fig tree puts forth new shoots, you know summer is near. When you see Me coming on the clouds, or other signs, you know that the Kingdom of God is near. When evil is reaching a worse stage, then the Antichrist is about to declare himself, and you will know that the tribulation will be upon you. I have been calling My refuge builders to prepare their safe havens for the protection of My faithful. I will warn you when it is time to leave for My refuges, where My angels will protect you. When you see My Warning, then you will know that the Antichrist will be coming into power soon. Some people will be martyred and become instant saints, but the rest of My faithful will be protected at My refuges. Be prepared to leave for My refuges.”
Jesus said: “My son, I have been giving you many messages about the coming tribulation, and the signs that you will see before it happens. You are seeing droughts that are man-made, and they will cause a famine with a shortage of food. I have also shown you earthquakes in California and along the New Madrid fault. You are also seeing diseases as AIDS, ebola, and other viruses that are killing people. You are being led to make refuges for My faithful so you will be protected by My angels during the evil time of the Antichrist. Trust in Me to multiply all that you will need to survive this evil. All of these events will speed up after the Warning.”

December 3, 2015
Saturday, November 28, 2015:
Jesus said: “My people, you have yet to see the power of the Antichrist that will be unleashed upon the world. This will be the worst evil that you have ever seen. You will be seeing a battle of good and evil between the good angels and the demons. The good angels will be guarding each refuge from all the evil ones. This is why My refuges will be your only safe havens to come to for My faithful. My refuge builders have been preparing for the coming tribulation. My angels will see to it that you have sufficient means to heat your house in the winter, and provide you food, water, and bedding for your people to survive. My people will be more than grateful for My refuge builders who gave Me their ‘yes’ to provide a safe haven, and also for My angel’s help. Give praise and glory to Me at your places of Adoration at all of My refuges.”
Jesus said: “My son, you have wondered if using wood for your fireplace and your kerosene for your kerosene burner would be enough to keep your house warm for cold winters. Since you will have electricity with your solar cells and your batteries, you could buy two electric space heaters, one for the second floor, and one for your new basement. This would allow you to sleep warm upstairs and in the new basement. Remember to check your carbon monoxide sensor when you are heating with fuels. Again, you need to check that your burners are in working order. You also need to follow up on your solar purchase and your shed that should be in place by December according to your purchase requests. You could still buy a few extra canned goods in your weekly shopping. By being prepared, you will be able to provide light, heat, food, water, and bedding for your people. My angels will help multiply your food, fuel, and water.”

December 3, 2015
Sunday, November 29, 2015: (First Sunday of Advent)
Jesus said: “My people, today is a special Mass because you are celebrating My coming at Bethlehem on your first Sunday of Advent. In the Gospel you are celebrating My coming again, when you will be rejoicing that your redemption is at hand. You have set up your Nativity scene outside on your porch, and now you will be putting up your Christmas tree and your other decorations. You will

be taking some time now during Advent for an extra prayer time in preparation for Christmas. You have heard your shop keepers selling their things on Black Friday, but your worship of Me is more important than buying your gifts. Many of you are too focused on your material things, and you forget that your celebration should be about the commemoration of My birth. Give praise and glory to your King that you celebrated last week."

December 3, 2015
Monday, November 30, 2015: (St. Andrew)
Jesus said: "My people, many have wondered why I picked the apostles that I chose, but they were all open and willing to accept My message, except Judas, My betrayer. All of My apostles were good preachers of My Word because they lived with Me and heard My teachings to the people. So once I died, and I rose up to heaven, they received the Holy Spirit and they were inspired to travel around the world to bring My message of salvation to many people. My apostles were the reason for the early spread of Christianity, which had to endure a time of martyrdom for the faith. Your flashback to watching Bishop Sheen on TV and listening to his tapes in your prayer group, shows Bishop Sheen as another great evangelist of your time. He spoke often of St. Andrew as My ambassador for the other apostles to accept Me. You, My son, also have been called to spread My message of love, salvation, and a preparation for the end times. I have always prepared My people for what was to come by My Word through My prophets. So be vigilant and watch for My coming at Christmas, and at the end times."
Jesus said: "My people, you are seeing wars and terrorist killings in several nations. You also are seeing lives lost in strong storms of wind, rain, and snow. The forces of evil are all around you, but I will not allow major threats to your lives until after My Warning. Once people have had a chance to seek My forgiveness of their sins after the Warning, then I will allow the evil ones to have their hour of persecuting Christians. This will give My people a need to come to the protection of My refuges, where My angels will defend you. Keep faithful to My Commandments, and you will be rewarded in My Era of Peace whether you are martyred or not."

December 3, 2015
Tuesday, December 1, 2015:

Jesus said: “My people, you are seeing all of these global meetings of your world leaders that are discussing world finances as your basket of reserve currencies, and your global warming issues. These things are all centered around a world government that would take away individual freedoms, and place you into a totalitarian state. Your President is leading your country into the hands of the one world people, who are striving for the North American Union of Canada, America, and Mexico as one entity. This is their plan for a takeover of America, by making you into a socialist or communist country that is completely left of center. This is why your President is taking away any power of your Congress by his executive orders and his made-up regulations, when Congress defies him. You are witnessing this takeover before your eyes, but no one is trying to change your country’s leaning to communist principles. Since your country has turned its back on Me by accepting abortion, gay marriage, and euthanasia in your laws, you will be punished by a takeover by the one world people. Soon you will see these evil ones try to kill all of My believers. This will be when you will have to come to the protection of My refuges. Have trust in Me to protect you from the devil’s followers.”
Jesus said: “My people, you have been seeing snakes lately that represent the devil at work before the entry of the Antichrist. Your society’s morals have been broken down by your pornographic movies, and your educational system that has taken Me out of your schools, and is brainwashing your students with atheism. You can sense how evil is getting worse, and this is even a sign of the end times before I will return. In the first reading in the morning, you read from Isaiah that was describing My Era of Peace. When the animals will not eat each other, there will be peace and harmony. After the evil tribulation time, My faithful will have their reward in My Era of Peace. Your lives will be in danger during the time of the Antichrist, and this is why I am having My faithful build refuges where My angels will protect them from the evil ones. You will be enduring your purgatory on earth while you are living during the tribulation. Trust in My protection both now and in the future.”

December 16, 2015
Wednesday, December 2, 2015:
Jesus said: “My people, you are reading in the Scriptures about several accounts of how I multiplied the bread for My people. In Moses’ time I multiplied the manna every day, so the people had bread in the morning, and I fed them with

quail for meat in the evening. While I was on the earth as a God-man, I multiplied the bread and fish twice for the 4,000 and the 5,000 people. In the coming modern day Exodus, I will have My angels multiply My Eucharist for My faithful every day at My refuges, during the tribulation. Even some of My saints lived solely on My Eucharist for their survival. In My refuges you will have meat from the deer who will come into your refuges. I took pity on the crowd in Moses' time, in My time, and at your coming refuges, so My people will have food to eat for the body and the soul."
Jesus said: "My people, this latest incident of mass killings in California, is different in that the suspects were not suicide killers, but they were well armed. They were able to leave the scene, but the latest reports showed two of the suspects were killed by the police. These incidents are occurring frequently on soft targets where there are no security agents, and the apparent plan is to cause fear among your people. Frequent terrorist attacks, bankruptcy, and pandemic viruses are the means that you will see happen when you will have martial law established in an attempt to take over your country. Many of your army troops and your police are preparing for a possible martial law. It will not take too many incidents to bring about martial law. You already are seeing martial law in France because of the terrorist attacks there. Be prepared to leave for My refuges when I will warn you that it is time to leave. Do not have fear of these evil ones, because My power is greater than all of these souls that are in danger of being lost."

December 16, 2015
Thursday, December 3, 2015: (St. Francis Xavier)
Jesus said: "My people, you are well aware of all of My saints, as St. Francis Xavier, and how they are intercessors and models of inspiration to you for spreading My Word and evangelizing souls. I have brought salvation to everyone, so they could chose to love Me and give Me thanks for their gift of faith. I am calling My faithful forward to be instruments to help save souls from hell. I want all souls to be saved, but I do not force them, and they need to chose to love Me of their own free will. You, My son, have accepted My mission of saving souls and preparing the people for the end times of the Antichrist. You have also accepted a second mission to provide an interim refuge for forty people. All of those faithful, who answer My call, will receive their reward in My Era of Peace and later in heaven. I will give all of My faithful the grace and

My angel help to carry out the missions I give to them. Give praise and glory to Me, as you know I will be victorious over all of the evil ones."
Prayer Group:
Jesus said: "My people, many of you are sympathizing with the families in San Bernardino, California who lost their loved ones in this latest mass killing of fourteen people and the wounded. You also are asking what was the motive of these killers. All of the evidence appears to suggest that this was a planned event, because of the weapons, a large amount of ammunition, and made up pipe bombs. These planned killings are part of a larger plan which is to cause fear among your people. This is not just about the weapons, but it is the people who are doing the shooting that needs to be addressed. Some of these killers have mental problems, but others are being trained to kill. Pray for calm among your people, but you are seeing evil influences behind these killings."
Jesus said: "My son, you have been given a mission to provide an interim refuge, and you have worked hard with your contractor to make it a holy and beautiful room. Some people have mentioned how they feel a strong holy presence in your chapel. This is why the devil attacked this room with thousands of flies before you had deliverance prayers said to rid the flies and any evil influence. Be thankful for the people who made this chapel possible, and rejoice over the many graces that are given to the people who come here."
Jesus said: "My son, these two signs that you have seen in your chapel, are just the beginning of many other signs of My love that I will be watching out for the safety and spiritual welfare of all the people who will come here. The first sign was the reappearance of a lost piece of glass that showed a luminous cross when a point source of light was shone through the glass. A second sign was an unusual light that appeared on your chapel wall right on the Station of the Cross showing My death on the cross. These and other signs are showing you how My refuges are blessed, and they will have angels protecting you with an invisible shield. Trust in Me that I will perform miracles of protection and the multiplication of your food, water, and your fuels."
Jesus said: "My people, your people will tolerate some incidents, but a steady amount of them could bring a desperate reaction to stop these killings. Some are questioning gun control, and others are talking about people being radicalized in other countries. It is difficult to defend people when there are no warnings of these killings. Pray that your security people can bring peace to your land with My help."
Jesus said: "My people, Advent is a little like Lent when you think of improving

your prayer life and even your spiritual reading. A good way to work on improving your spiritual life is to grow in your faith with a good Bible study, or do more fasting with your prayers. There is a lot of evil and sin in your world, and your prayers can offset this evil as well as your good works. Trust in My grace to help you bear life's trials, and remember that I am more powerful than all of the evil ones who are causing trouble."
Jesus said: "My people, there are many suggestions that I could give you for helping people during Advent. Many churches encourage people to buy certain gifts, or help others with transportation for those in need. Some give donations to local charities as your food shelves. Others can visit the sick in hospitals, or the elderly in nursing homes. By thinking of performing acts of charity for others, you can spread your Christmas generosity as gifts to Me at My crib."
Jesus said: "My people, I want to advise My people to be more Christian when you are driving your car, and shopping for your Christmas presents in the store. My faithful need to be good examples to others in all of your actions in public. This may require some kindness and patience with the clerks who are taking care of your purchases. You should act in good faith all of the time, but you may be tested more in busy shopping days. You can also pray for all of the people that you encounter in the stores. Use your actions as a way to help people show more love for each other."

December 16, 2015
Friday, December 4, 2015: (St. Damascene)
Jesus said: "My people, in the Gospel you saw how the blind men believed in faith that I could heal them. Because of their faith, they were healed, and they gave glory and thanks to God. It is one thing to be able to see physically, but it is even more glorious to have the eyes of faith, so you can appreciate knowing and loving your Creator. Those people, who have a gift of faith, can see how I am the center of their lives, and they need to follow My mission for their lives. Having faith also means that you need to share My love, by sharing and evangelizing others to the faith. Even as you receive Me in My Eucharist, you need to taste and see how good I am to you in life. You receive many blessings from Me, so you can overcome all of life's problems. So rejoice in this Advent season, and keep your soul pleasing to Me by frequent Confession, as you seek My forgiveness of your sins. It can be challenging to admit your sins, but I welcome all sinners to come to Me to be freed of the bonds of their sins."

Jesus said: “My son, you are hearing some passages from St. Faustina’s diary for your meditations. You could be doing some extra spiritual reading for Advent, such as reading from this Diary to help you appreciate how the saints see Me. Following the lives of the saints can be a good example to follow. This will help you improve your spiritual life, which is how you can keep striving for your perfection to be ready for heaven. Trying to gain in holiness should be everyone’s goal, but if you do not take steps to improve, then you will be staying in the same place. Even if you just read a few pages at a time, this will give you some insight on how saints dealt with life’s problems. Their experiences may help you as well.”

December 16, 2015
Saturday, December 5, 2015:
Jesus said: “My people, every year about this time, you are constantly seeing ads in your newspapers and on the internet for buying gifts for people. Many of your businesses rely on making most of their money during the Christmas Season. If you have a Nativity Scene in your decorations, this is what Christmas is all about. It is the miracle of My birth as a God-man that you should be celebrating the most. It was My mission to come on the earth and teach you My Gospels, but most of all to bring you salvation from your sins with My death on the cross. Rejoice as you prepare to commemorate My feast of Christmas. You can prepare your gifts for people, and even pray for the people who you are buying gifts for. This is a joyful season to spread peace and good will to everyone. You can also thank Me for My coming to save all of those souls who love Me and follow My Commandments.”
Jesus said: “My people, you are noticing different kinds of killers in these latest incidents. Some killers are more psychotic and after killing people, they were killing themselves. The recent ISIS people are more deadly because they leave bombs behind to kill the first responders. They also had heavy amounts of ammunition and bombs to try and kill the police as they fled. There are still other suicide bombers who blow themselves up to kill a lot of people. This is why your police and SWAT teams have been using robots because of rigged bombs. You will be seeing more of these terrorist incidents to try and frighten your people. These killers are very ruthless, and they are willing to die for their cause. This is why those people, who go abroad for training, are very dangerous killers with both guns and bombs. Pray that your security forces will be equipped and

able to fight these terrorists."

December 16, 2015
Sunday, December 6, 2015: (Second Sunday of Advent)
Jesus said: "My people, in today's reading of the Gospel, you are seeing how St. John the Baptist was My herald in the desert, and he was calling people to repent of their sins and be baptized. He was preparing the way for My coming. He would say how he was unworthy to untie My sandals. When I came to be baptized, he said that he must decrease, while I must increase. He even pointed to Me as the Lamb of God, as My apostles started following Me. As you prepare for My coming at Christmas with all of your decorations and gifts, remember to repent of your sins and prepare your souls to meet Me by coming to Confession. Decorate your soul with My grace of Reconciliation, and this will please Me more that your physical preparations."

December 16, 2015
Monday, December 7, 2015: (St. Ambrose)
Jesus said: "My people, you have been seeing ISIS attacks in several countries, and in Syria there are several factions fighting that involve Russia and America. Now, France is moving against the Moslem mosques, as they are centers for organizing attacks. This vision of more serious wars on the horizon, are involving Moslem jihadists in various countries. Beware also of more volcanoes erupting, as I told you before that more demons are being unleashed through active volcanoes. This level of evil is increasing in the world as a result. Evil will have its hour, but it will be brief before I will bring My victory against them. This evil power is no match for Me, as with one finger, I will overturn them. Have faith and trust in Me to protect you at My refuges during the tribulation." (Anticipation Mass of the Immaculate Conception) The Blessed Mother said: "My dear children, Our Lord made special preparations for me as I was born to my parents of St. Ann and St. Joachim. It was His wish that I would be born and conceived without original sin. I was further given the grace to live in my Son's Divine Will, so I did not have any sin during my life. When St. Gabriel asked me to be the Mother of God, I gave my fiat 'yes' to be His handmaid. By the power of the Holy Spirit I conceived Jesus, and I was without sin so His holiness would be carried in my womb for nine months as an Ark of His Covenant. Rejoice in

my free will choice to be the Mother of Our Savior. You are about to celebrate His birth at Christmas, as you commemorate this gift of Himself to all of us."

Tuesday, December 8, 2015

December 16, 2015
Tuesday, December 8, 2015: (Immaculate Conception)
Jesus said: "My people, today you are reading first how Eve sinned against God by eating the forbidden fruit in the Garden of Eden. Then you have the new 'Eve' in My Blessed Mother, who is faithful to God without sin, even as she was conceived without original sin. In another comparison, you had Adam, who also sinned, and he brought the consequences of original sin which are the weakness to sin and natural death to all of humanity, who would inherit these things. Those, who died then, were sent to hell until I died for all of your sins. Now, I am the new 'Adam' and I have conquered sin and death with My sacrifice on the cross. I am without sin as a God-man, and I have opened the gates of heaven to all souls who believe in Me, and seek My forgiveness of their sins. You can have your sins forgiven in My sacraments of Baptism and Reconciliation. Even though your physical body will die, My faithful souls will have eternal life with Me in heaven. At the last judgment, your glorified body will be rejoined with your soul. Adam has brought you death and sickness in sin, but I have brought you new life in heaven. Rejoice in the gift of My Blessed Mother, and My gift of eternal life."
Jesus said: "My son, you have wondered what angel will guard over your interim refuge, and what is the name of this angel. I told you before that many of your prayer groups could become refuges, so it is fitting that your prayer group angel, St. Meridia, will be guarding over your refuge. Remember how you call St. Michael the Archangel, so you should also refer to your guardian angel as St. Mark, and your prayer group angel as St. Meridia. Your angel of protection will place a shield over your refuge so any solar panels that you are adding according to My direction, will be protected from any EMP or bomb attacks. I have given you instructions how to prepare your refuge, and I will provide for your protection of your refuge with an invisible shield. Some of the miracles that you are seeing, are signs of your current protection. I will reward the people who have faith in My refuges with My angel protection, which will be both physical and spiritual."

December 16, 2015
Wednesday, December 9, 2015: (St. Juan Diego)
Jesus said: "My people, St. Juan Diego received messages from My Blessed Mother, and she wanted a basilica to be built on Tepeyac Hill. In order for the local bishop to believe in his messages, St. Juan Diego brought the bishop roses in winter on his tilma. When he opened his tilma, there was an image of Our Lady of Guadalupe on it, and the bishop believed because of these miracles. This image is also to help stop abortions, not only among the Indians, but also for your current society that is killing My babies. This feast is a preview of My Blessed Mother's feast of Guadalupe on December 12th."
Jesus said: "My people, just as the Israelites ate the meat of the quail, so My people at My refuges will have deer come and die in your refuges. You will need someone with a deer knife to cut up the deer for your meat to eat. It will take someone who knows how to butcher the meat for cooking. You will have your ovens to cook the meat, but they will be smaller ovens with less heat than your modern ranges. You will have your freezer to store the meat, but your solar electricity will not be able to power your current oven. You will have to cut up the meat in small pieces to cook it. I will send you the deer when meat is needed. Be thankful that I will send people with talents to provide food, heat, and water for your survival. You will all be working and praying to help each other in your needs. Give thanks to Me for My protection, and for multiplying all that is needed for your people."

Thursday, December 10, 2015

December 16, 2015
Thursday, December 10, 2015:
Jesus said: "My people, before I was born, there were many prophets who foretold My coming, as they prepared the people for the coming Messiah. Some of the Jews thought I would come as an earthly king and take away the Roman yoke from around them. I came as a poor innocent babe, and even Herod wanted to kill Me. These prophets called the people to repentance and to follow My Commandments. The people resented being told what to do, and many of the prophets were killed because the people did not want to hear a message to change their lives of sin. Even St. John the Baptist was killed by Herod, and I was also crucified for My message. It is no surprise that the people of today, do

not want to hear My current prophets either. You, My son, have an even harder message in preparing the people for the coming tribulation. They do not want to hear about saving food, or leaving their homes for My refuges. Still you need to keep proclaiming My coming, and preparing souls with Confession in readiness for My coming Warning. Those people, who do not accept Me, could lose their souls in hell. Those people, who do accept Me, will have their reward in My Era of Peace, and later in heaven."

Prayer Group:

Jesus said: "My son, you have fulfilled another one of your projects as you installed a new fence, and your new shed. You are planning to put in some insulation into the shed as recommended by your contractor. Keep in mind that you will only be using this shed for your purpose for only a few years. You may also consider using some of your left over rug material on the floor. The shed is movable for your later purposes. Now, you will be focused on getting your solar panels installed. Your initial work is almost complete and ready for when people will be coming."

Jesus said: "My people, your weather forecasters have been predicting a warmer winter than normal because of your El Nino effect in the Pacific Ocean. You have not had measurable snow at your airport, where you normally have had ten inches by now. Be thankful for less cold and snow than you usually receive. This good weather will allow workers to do more work outside."

Jesus said: "My people, normally you would want to help the Syrian refugees, especially the Christians who are fleeing from ISIS terrorists. Your President is more focused on bringing in Syrian Moslems, which has some people questioning about the background of these immigrants. This is becoming more of a concern after the ISIS leaning people killed people in San Bernardino, Ca. Pray that these immigrants do not cause you more problems."

Jesus said: "My people, you are seeing Russia bombing mostly the rebels against Assad, and very little, if any, against the ISIS fighters. America is supporting Iraq, the rebels, and even the Kurds. There is a plan to add more weapons and some ground troops to direct your own planes who are bombing ISIS elements. There is some concern that this war could expand because it is hard to determine who is fighting against who. Russia and America seem to be supporting opposite sides, so your countries could be fighting each other in the future. Keep praying for peace in this unsettled war."

Jesus said: "My people, your Central bank in America is about to increase its interest rate in a mild tightening back toward historical rates. They are doing so

as long as inflation is low and unemployment rates are low. In Europe their Central bank is making more money available with lower rates and even some quantitative easing as your country did earlier. Their unemployment rate is higher than your rate. Pray that your economies will work out any shortcomings so the people will have jobs for work, and food to eat."
Jesus said: "My son, in the past you have prayed your St. Theresa novena for help with your books and your refuge needs. In this case you could pray this novena so your daughter could find a job while she still is fresh with her job skills. Remember also to pray a thanksgiving novena when she does find a job. Have confidence and faith in your prayer requests, and they will be answered."
Jesus said: "My son, you have helped your family members in their needs for loans on houses and cars. You may have to again assist your daughter until she finds a new job. All of those family members who you helped, are most grateful for your concern and love for them in their needs. Have your daughter think about coming to Sunday Mass in her prayers for a job. Both of you need to pray for this intention."

December 16, 2015
Friday, December 11, 2015: (St. Damascus I)
Jesus said: "My people, when you will be enduring the evil of the Antichrist during the tribulation, you will be happy to know how this time will be shortened. I am speeding up the time so the actual day will be less than 24 hours. The evil one's time is being shortened for the sake of My elect. The 3½ years that is mentioned in the Scriptures, will be less when I will bring My victory over all of the evil ones. Your time at My refuges will be short, so do not be worried about what you will eat and drink, or what clothes you will wear. I will provide for your protection and your food to eat at My refuges. I will multiply your water, food, and fuels for you to survive. I will give you Holy Communion every day at My refuges, and you will have perpetual Adoration every day. I will then bring My victory, and My faithful will be brought into My Era of Peace as your reward for being faithful to Me."
Jesus said: "My people, you were seeing a massive earthquake in a restaurant with mountains in the background. You are familiar with the San Andreas fault that could trigger a large earthquake in California. I have given you several messages of how San Francisco will fall into the ocean because of all the homosexual sins. This will be one of the punishments that people will suffer for

these sexual sins. The sight of this scene's earthquake could even precipitate a volcanic eruption at Yellowstone which could react with its own smoke and ash for miles. You have had a relative calm without major disasters, but you will be seeing more earthquakes, volcanoes, and tornadoes occurring in a short time. These things will be signs to you of the coming tribulation. So be prepared to see lives lost in these events. Trust in My protection at My refuges during these end times."

December 16, 2015
Saturday, December 12, 2015: (Our Lady of Guadalupe)
Our Lady said: "My dear children, under this title of 'Our Lady of Guadalupe', I have been known as the 'Mother of the Americas'. I came to Juan Diego on Tepeyac Hill, and at the request of the bishop, there were allowed two miracles of roses in winter, and my image on Juan's tilma. This was my image as an Aztec woman, with a sign that I was pregnant. There was a basilica erected outside of Mexico City at my request. Many pilgrims visit this site, and I was a sign to the Indians to stop offering up their children to pagan gods. I am a sign against abortion as well, because many people are now offering up their babies to abortion, and the gods of money, convenience, and laziness to accept children. You also remember your local miracle when a crucifix was touched to my image, and the crucifix had blood or a redness appear on it. Babies are your little miracles, so do not discard these little ones for any reason. My Son and I love every soul, and your killing of the babies greatly offends us, and defies my Son's plan for these lives. Do whatever you can to stop abortion, and counsel these women to have their children, and not kill them."
(4:00 p.m. Anticipation of Third Sunday of Advent) God the Father said: "I AM WHO AM is here, and you are all rejoicing on Guadete Sunday. You are burning the pink candle, and even some priests wear rose colored vestments. I am thankful for all of My faithful prayer warriors, and for all of My refuge builders who have made some sacrifices of money and time to prepare their refuges. My son, you have accepted this second mission of preparing a beautiful refuge by giving Me your 'yes'. I must admit that I admire your eagerness in your preparations, as well as your wife. Not everyone is working as hard as you have done. I know We have told you to get this refuge completed as soon as possible, because My refuges will be needed in the not too distant future. The sooner you are done, the less you will have to depend on My angels to complete your initial

work. Keep up the good work, because we appreciate your desire to have things ready."

December 16, 2015
Sunday, December 13, 2015: (Third Sunday of Advent)
At St. Charles Borromeo after Holy Communion, Jesus said: "My people, it is horrible that various people are fighting in wars, but it is even worse to be killing each other in the Christmas holidays. This is the meaning of this vision of soldiers as they all sat down with their guns. The evil ones are always stirring up trouble to cause wars, and make blood money on selling weapons to both sides. I am allowing man to make foolish choices for now, but a time is coming in My Warning, when I will show all of you how you have offended Me with your sins, and your sins of omission as well. You will see your mini-judgment, and have a look at where you will be going if you do not change your life. Then the Antichrist will have his hour, which is followed by My victory over all the evil ones, who will be cast into hell. Rejoice, because soon all of this evil and chaos will all come to an end."

December 16, 2015
Monday, December 14, 2015: (St. John of the Cross)
Jesus said: "My people, during Advent you have been reading from the various prophets who were giving prophecy of My coming to the earth as a Redeemer and Savior of all peoples from their sins, both past and present. You have been gifted with prophets who foretold My coming at Bethlehem, and current prophets who are foretelling My return to the earth in the end times. You also have been gifted with prayerful people who have taught about the monastic life of contemplative prayer as St. John of the Cross, and St. Teresa of Avila. You have nuns and monks in the monasteries who are praying to offset some of the evil in the world. You can take a lesson from their lives of prayer, and continue your own daily prayers with some minutes of quiet meditation to listen for My words."
Jesus said: "My son, you have added insulation and plywood to your 10 x 14 shed, so it could be used for multiple purposes. You have a particular use that I asked you to prepare, but with some light and a space heater, you could use this for housing some people in the future. You have cooking and washing facilities

in your house that could be shared. At the time of the tribulation when people will be coming to your refuge, I could have My angels multiply this shed for other people to use. They could even share your cots or have them multiplied as well. Little dwellings like this could offer some privacy for those who come to your place. Thank you for following My instructions to make your preparations for the people."

December 16, 2015
Tuesday, December 15, 2015:
Jesus said: "My people, in every social situation, you need order and people respecting each other to avoid chaos and destruction. In every family all of the members need to perform their duties for order in a household. The parents need to be responsible in working to provide a house, some transportation, and food on the table. Later, they may need to help some in paying for the education of the children. The children also need to be responsible in doing their studies at school and possibly in college. In the work place and at school there needs to be order and obedience for all that needs to get done. In the spiritual part of your life, you also need to be obedient to Me, and responsible for all of your actions in following My Commandments. In nature I have created harmony among the plants and animals. I have given men and women free will because I want you to love Me and each other by your own choice. It is fulfilling your harmony in love that I look for in each persons' intentions and actions that point a person toward heaven. Keep focused on loving Me and doing My Will in obedience to My Commandments, and you will have your reward in heaven."
Jesus said: "My people, you have read of how the ancient Assyrians defeated Israel, and they took them to Babylon for seventy years. This was a punishment for Israel because they worshiped pagan gods in defiance of the One true God. You are seeing history repeating itself because the new terrorists in ISIS, are distant relatives of the Assyrians, and they speak Arabic as well. Many people in America are now worshiping the pagan idols of money, gold, fame, and possessions. Because America has adopted laws favoring abortion, same sex marriage, and euthanasia, you are calling down My justice upon you. America will be punished for its idol worship and evil laws, and it will come at the hands of the ISIS terrorists, as well as the one world people. Pray for the souls of your country who are being misled by Satan and the demons. Call on Me to provide protection from these evil ones at My refuges."

December 31, 2015
Wednesday, December 16, 2015:
Jesus said: “My people, Isaiah speaks of God the Father as the only One worthy of being worshiped, and there is no other who created everything. Isaiah also foretold My coming as a Savior, and the One who will heal people’s infirmities. In the Gospel I spoke of Myself in cloaked language without saying that I was the Messiah to come. I told St. John the Baptist’s disciples that the deaf hear, the blind see, and people are raised from the dead. These are similar to Isaiah’s words so St. John would know that I am the Savior to come. Throughout My time on the earth as a God-man, I kept My identity hidden as a Messianic secret. When I did reveal Myself as the Son of God before Pilate, I was wrongfully accused of blaspheming. As you study the Scriptures, you will see My life of love is one to imitate.”
Jesus said: “My people, I am showing you how there are two general kinds of people. On the one side you have the good people who are faithful to Me in all that they do, and they share their faith and goods with others. On the other side you have evil people who ignore Me, or they refuse to believe in Me. These are selfish people, and even some of them worship Satan and carry out his evil deeds. At the end times you will see a battle between the good and evil people on the plains of Armageddon. There will be one last battle, and I will be victorious over the evil ones, while My faithful are protected at My refuges. Rejoice when I will bring My people into My Era of Peace, but the evil ones will be punished in hell.”
Jesus said: “My people, your Hollywood people are good at making serial films of at least three episodes so they can make more money with the same or similar setups. They hype up unusual expectations to sell their movies. Then they make more money on DVDs of the same movie. It is one thing to make money, but a good share of these movies are filled with nudity or improper scenes of a sexual nature. They also contain profanity and violence of killing people. This is all done in the name of entertainment, but these movies can become occasions of sin for people who watch them. This is why you need to avoid movies that are ‘R’ rated or that thrive on violence. In the past most of these movies would have been banned for their content, but now people have been so desensitized that they do not see them as bad, when they really are bad. You may be better off not going to so many movies, unless there is a good story without offensive scenes.

Be careful that you are not taken in by all the advertising hype that Hollywood is known for."

December 31, 2015
Thursday, December 17, 2015:
Jesus said: "My people, in the Gospel you read of My genealogy down from Abraham and King David. You also remember how both St. Joseph and My Blessed Mother had to register in Bethlehem for the census. Bethlehem was the house of King David, and it was foretold by Micah (5:1-2) that the Savior would be born there. 'But you Bethlehem-Ephratha too small to be among the clans of Judah, from you shall come forth for Me One who is to be Ruler in Israel; whose origin is from of old from ancient times.' My Blessed Mother and St. Joseph were both in the lineage from King David, and all the people had to register according to the tribes of their ancestors. St. Matthew even pointed out the plan of God in noting there were fourteen generations from Abraham to King David. Then there were fourteen generations from King David to the Babylonian Exile, and fourteen generations from the Babylonian Exile until I was born. A Savior was promised by God to save all of mankind from their sins, and I am the One who was foretold by the prophets to fulfill God's promise."
Prayer Group:
Jesus said: "My son, you were happy to hear that your solar project has received the needed approvals, so your solar installer can buy the equipment to put your system together in a few weeks. Your work on the shed only needs a little paint, some shelves, and a rug to be installed. It has taken some time to bring all of your projects together, but now, the end of your initial work is almost done."
Jesus said: "My son, it is sad that your daughter's bank group were all let go right before Christmas and near her birthday. Make a point to remember to pray your St.Therese's Novena every day for a new job for your daughter. Continue to encourage her to pray as well."
Jesus said: "My people, you may not have much snow for Christmas, but you need to pray your St. Michael prayer for safe travel for your relatives. It takes some work to prepare your meals and accommodate your guests for sleeping. It is always a joy to share your Christmas gifts with each other on Christmas Eve. Remember to share your gifts with Me at Mass on Christmas. Your Advent Season is almost over, but you still have time for Confession and your prayers."
Jesus said: "My people, there are some attempts being made to try and stop such

killings, but these efforts appear weak, and there is not much effort in Syria to fight ISIS on the ground. I wish you could have peace in this area, but some terrorists are intent on continuing the killing of innocent people. These terrorists are also intent on trying to draw you into more fighting, by their acts of brutality on people. Keep praying for this situation to have less fighting and more peace."
Jesus said: "My people, during this Christmas Season, you need to have some sympathy for those people who are on hard times, and they need help with housing and food. Pray for them and contribute some charity money to help them. You have shelters and food shelves who could use your financial help to assist the poor and the homeless. You could even help your friends and family in their needs. When you help people, you will be storing up treasure in heaven for your good deeds."
Jesus said: "My people, you have been blessed with aquifers for your wells to provide water for your crops. It is unfortunate that these wells are not being replenished, and some of them are going dry because they are being over pumped for your farms. I have told you in the past how fresh water will be harder to find as droughts and lower water tables are taking a toll on your farmers. Pray for more rain and snowfall on your mountains."
Jesus said: "My people, your college tuition and board are getting so expensive, that many students cannot afford college, and the high amount of loans that are required. Some students can go to community colleges, but they may have to take more years to work and take fewer courses to afford their degrees. Another concern is finding employment at a living wage in a workplace that has sent many jobs overseas. It is getting harder to pay off school loans without good paying jobs. Pray for your students and parents to find answers to their needs."

December 31, 2015
Friday, December 18, 2015:
Jesus said: "My people, you are seeing in the Gospel how I communicate My words to My people as My Blessed Mother and St. Joseph through My messenger angels. There is a point of hearing My message, but the important fact is the openness to do My Will and make a choice with your free will. If My Blessed Mother refused, then I could not come. If St. Joseph did not accept, this also would have been a problem for My home. My parents did choose to follow God's Will, and they were rewarded. So in today's world, there are people that I

call to do various missions in life, but it is an openness to follow My Will that is required for that mission to be carried out. Some people are given words, while others may have feelings for a direction to follow. You can pray before My Blessed Sacrament, and I will help people how to make decisions in life. Trust in My directions because I will not lead you astray. It is better to be obedient to what I want you to do, than to be obedient to any human person. When you trust in Me, you will be rewarded for following My ways and My directions."
Jesus said: "My people, you are seeing My angels in heaven celebrating My coming to earth, as you commemorate My birth at Christmas. The choirs of angels are constantly singing of My glory, even as they sang the Gloria for the shepherds. All of heaven rejoices on My feast days, and My Blessed Mother brings purified souls from purgatory up to heaven. You are all buying your last minute gifts for each other, but remember to bring your prayers and good deeds to My crib as your gifts to Me. My angels will later be blowing their trumpets when severe punishments will come upon the earth. I have shown you before in the Book of Revelation that you are seeing the seals opened where you have the four horsemen. The red horse is a sign of war when you will be approaching a third world war that will be focused on Israel. I showed you before that war could come after the Tetrad blood moons. After the war, you are seeing a black horse to indicate a coming time of famine. Already you are seeing problems in finding enough water to grow your crops. Droughts in California are already limiting your food from the ground. Prepare your food, water, and refuges when you will see a world famine beginning. Call on My protection to lead you to the safety of My refuges, as the tribulation is about to come to the earth."

Saturday, December 19, 2015

December 31, 2015
Saturday, December 19, 2015:
Jesus said: "My people, your society does not consider life precious in the womb because you are killing millions of My babies every year. You have listened to Satan's lies, and all the excuses to kill your children. You have terrorists in the doctors who are killing babies in all of your abortion clinics. They are not just killing a group of people, but millions of babies. I detest all killing, but to kill defenseless little ones is about as low and as evil as you can get. It is your abortion laws and all of your killings that will bring My punishment against your country. Because you have denied these babies their freedom to live, I will deny your freedom, and you will be under a coming dictatorship of the one world

people in the North American Union. My faithful need to fight against your country's abortion laws, and be persistent in stopping abortions with your prayers and actions."
(4:00 p.m. Fourth Sunday of Advent Mass) Jesus said: "My people, I am drawing your attention to two times when I rode on a donkey. When My Blessed Mother was carrying Me in her womb, she rode with Me on a donkey. This is the donkey that you see in many Nativity Scenes. At My birth there was much celebration, as the angels were singing glory to Me in front of the shepherds in the fields. The shepherds came to see Me in My crib as they were directed by the angels. At another time, I rode on a donkey into Jerusalem, and everyone was cheering My entry with palms, as you celebrate on Palm Sunday. There is a parallel in these events that were both celebrations of My glory. You are celebrating My birth as the Savior when I came to the earth as a God-man at the end of Advent. In a while, you will be celebrating My Resurrection at the end of Lent. These are the two major feasts of the Year in My Church, at Christmas and Easter. Rejoice in these celebrations of My glory."
Jesus said: "My faithful refuge builders, you all have given Me your 'yes' to carry out your mission to build interim and final refuges. Some of you have been diligently working on these projects for many years. Others have only recently been building things, and they are hurrying to finish them before people will be coming to My refuges. I commend all of you for all the financial and timely work that you have had to bear in making these refuges. Some of you have gotten financial help from others, and a few have used inheritances or other means to pay for your materials. It is not easy to prepare living quarters, bedding, food, and water sources. You also need some good organization, and some have received messages of instruction to help them. Your work will not be in vain because My angels will help you to take care of My faithful souls during the tribulation. You will have invisible shields of protection, luminous crosses and springs of healing, as well as daily Holy Communion for all who come to My refuges. My faithful will all be rewarded in My Era of Peace, and later in heaven."

Sunday, December 20, 2015

December 31, 2015
Sunday, December 20, 2015: (Fourth Sunday of Advent)
Jesus said: "My people, as you approach the commemoration of My birth on Christmas, there is great cheer and happiness for My coming as Savior of the

world. Many people are busy with their decorations and gift buying at the stores, but keep your focus on Me as the reason for the Christmas Season. Life with Me is more than buying gifts. It is sharing love and your faith so you can bring true peace to your world. You can also help people in their needs by sharing food and clothing. It is when you share things with others, that you are sharing things with Me in them. It is even greater to give than to receive, or to give to the poor when you know they cannot give back to you in return. Rejoice with your family and friends as you share your Christmas spirit."

Monday, December 21, 2015

December 31, 2015
Monday, December 21, 2015: (Bob Lombino's Funeral Mass)
Bob said: "I thank all of the people who thought enough about me, to come to my funeral Mass. I love all of you, especially Karen and my family. I know you are sad because of my leaving, but I wish you would change your tears of sorrow into tears of joy, because I am with the Lord in heaven. I am even surprised by Jesus in all that I am experiencing in heaven with no more pain. I was greeted by all of our deceased family and friends. I thank all of the people who helped me along the way of my sufferings. I am so enraptured with the singing and love in heaven. It is beyond my wildest dreams. I am waiting for the day to see you with me in heaven when you will experience God's complete and beautiful love. I am glad that you liked my songs and readings. I will be praying for all of you."
Jesus said: "My people, I warned you before that the one world people want to take over America so it could be made into a part of the North American Union. There are different ways that they could take down your banking system. They could find a way to turn off your electricity which could shut down your banks. They could use an EMP (electromagnetic pulse) attack to stop all of your chips and cars. They could have terrorist attacks in destroying your electric grid, or they could have hackers attack all of your banks as they did for one day in Massachusetts. They could also crash your dollar to make it worthless. If your banks and electricity were shut down for any length of time, there would be riots in the streets with people seeking food and water. Such a situation could trigger a martial law with your military taking control. When your lives are in danger, I will warn My faithful to seek out My refuges of safety. My angels will shield My faithful and provide for their needs. Be grateful that I have My refuge builders storing food, water, bedding, and shelter for My faithful. Most of you will be safe during the tribulation, and then I will bring My victory over the evil ones.

Be patient for awhile, until these things will come to pass, and I will lead My faithful into My Era of Peace."

Tuesday, December 22, 2015

December 31, 2015
Tuesday, December 22, 2015:
Jesus said: "My people, there are very few quotations from My Blessed Mother in the Scriptures, but her Magnificat, so fits in with your Advent preparations for commemorating My birth. These words of the Magnificat are repeated every day in the night prayers of the Liturgy of the Hours. In the morning prayers you have Zechariah's words after his voice returned on St. John the Baptist's birth. Both of these prayers are centered around My coming as the Savior of all mankind from their sins. As you prepare for My feast of Christmas, remember the importance of My Blessed Mother's fiat to the angel when she had a choice to be My mother. This was when it could have endangered her life before St. Joseph took her into his home. My Blessed Mother truly is worthy of being called 'Blessed' because she was born without original sin, and she lived in My Divine Will without sin. Every time you pray the 'Hail Mary' prayer, you are reminded of her holiness and obedience to My Will."
Jesus said: "My people, I warned you first that you will face attacks from the schismatic church, as they will try to oust you from their church. You will be part of My faithful remnant that will be caught up in the division of My Church. The next attack will come from your own corrupt government that will be trying to capture those people who believe in Me, and those who refuse to take a mandatory chip in the body. If they capture you, they will take you to the detention centers to kill you in the gas chambers. I will warn My faithful beforehand to come to My refuges of protection before these evil ones could capture you, and before martial law is declared. Some people have told you not to store food, or not to go to My refuges. When this evil time comes, these non-believers in My messages and warnings, will be captured and martyred. Believe in My messages and follow My instructions, and you will be protected. This is why I have asked special people to build My refuges, so the faithful will have a safe haven to come to during the tribulation. Only those people, who are believers with My cross on their foreheads, will be allowed into My refuges."

Wednesday, December 23, 2015

December 31, 2015

Wednesday, December 23, 2015:
Jesus said: “My people, truly the birth of St. John the Baptist was a miracle to be born of aging parents. St. Zechariah named the new boy ‘John’ because this was the name given by an angel, even though there were none of his relatives with this name. St. John the Baptist was to be My herald in the desert to prepare My way, and call the people to repentance of their sins. In the first reading from Malachi, he talked about Elijah coming before Me, and truly the spirit of Elijah was with St. John. Elijah will also come with Enoch as the two witnesses of My coming in victory as mentioned in the Book of Revelation. You are living in these end times, even as you are celebrating My coming to Bethlehem. Rejoice both now, and when I will come to cast the evil ones into hell, for your redemption is near at hand.”
Note: The Gospel of Luke states that while Zechariah ministered at the altar of incense, an angel of the Lord appeared and announced to him that his wife would give birth to a son, whom he was to name John, and that this son would be the forerunner of the Lord (Luke 1:12–17). Citing their advanced age, Zechariah asked with disbelief for a sign whereby he would know the truth of this prophecy. In reply, the angel identified himself as Gabriel, sent especially by God to make this announcement, and added that because of Zechariah’s doubt he would be struck dumb and “not able to speak, until the day that these things shall be performed”. Consequently, when he went out to the waiting worshippers in the temple’s outer courts, he was unable to speak the customary blessing (Luke 1:18–22).
Jesus said: “My people, I have told you in previous messages that I will warn My faithful when it is time to come to My refuges. It will appear that nothing is wrong, and you will have to trust My Word to leave your homes quickly for My refuges. The evil one world people have even foreign military ready in their tunnels to come up and try to capture the ‘red’ list faithful before martial law is declared. After My Warning experience for everyone, there will be six weeks of time for conversions. When I warn you to leave, you must do it quickly, or you will risk being captured and killed. Take this warning to leave as a true prophecy so you are not captured. After martial law is declared, these same evil ones will then seek out the ‘blue’ list people who are the faithful who the evil ones will try and kill next. These evil ones are ruthless killers who will be sent out to kill My faithful before they can get to My refuges. Only those faithful with My crosses on their foreheads, will be able to enter My refuges.”

Thursday, December 24, 2015

December 31, 2015
Thursday, December 24, 2015: (10:00 p.m. Vigil Mass of Christmas)
Jesus said: “My people, there were only a few people in the shepherds and the Magi who witnessed My birth, but Herod had every intention to kill Me. The angels in heaven and those in hell at the time, knew that I was the promised Redeemer to open the gates of heaven after My death on the cross. This time of My birth is a major celebration of My coming to the earth as a God-man. Up to that time, no one could come into heaven, and there was no forgiveness of original sin. Rejoice in your commemoration of My birth, which was the new birth of Christianity that has survived in My Church even until today.”

Friday, December 25, 2015

December 31, 2015
Friday, December 25, 2015: (Christmas Day)
Jesus said: “My people, this vision of people celebrating Christmas, would be a beautiful dream, if people truly were joyous over My coming, instead of shopping, or secular holidays. I am the One true God who is worthy of your worship and praise, but this feast is now all about buying and selling gifts. I came to the earth as your Savior and Redeemer, but many people do not fully appreciate My true reason for coming which is to save souls. Continue to rejoice in My peace and love, as a preview of a glimpse of what heaven is like. When you receive Me in Holy Communion, you have a taste of My Real Presence in heaven. Keep your soul pure with frequent Confession, and you will be always prepared to meet Me at your judgment.”
Jesus said: “My people, you have seen some unusual rain patterns that have caused droughts in California. You are also seeing unusually warm temperatures in the North from the El Nino in the Pacific Ocean. If your plants bud too early, then the cold could kill them, and you may have some reduced fruit crops in the North as well as the West. All of these weather changes could contribute to a coming world famine. I have warned My faithful to store some extra food for just such an event. Those people, who refuse to heed My warning, could go hungry in search of food. My refuge builders are also concerned about stocking up on food and water that I will have My angels multiply when it is needed. Have trust in My messages that are preparing you for the coming tribulation.”

Saturday, December 26, 2015

December 31, 2015
Saturday, December 26, 2015: (7:00 p.m. Holy Family Sunday)
Jesus said: "My people, not only are you honoring Myself, My Blessed Mother, and St. Joseph as the Holy Family, but you are also honoring all families as an institution of marriage. In our own family, St. Joseph taught Me his trade as a carpenter, and I became known as the carpenter's son. My Blessed Mother taught Me the Jewish faith, and they brought Me to be circumcised at the temple. My Blessed Mother also questioned Me why I was at the temple teaching, when they could not find Me. All families require someone or both parents to work to provide the money for the family's needs. Parents help bring up the children in the faith, and they help the children with their education. Children are a blessing to the parents, as well as the grandchildren. Around the holidays, it is fitting for families to come together. It also would be good to come together after the Warning, so they could come to the same refuge. Rejoice in your family life, as the family should be the central units of your society."
Jesus said: "My people, whenever you see an exorcism of a demon out of a person, you are seeing My stronger power over the demons. They fear My Name being said, and they must obey My commands. There were two things in the movie about 'The Rite' that stood out. One was that you are not alone. You always have your guardian angel and Me with you. If you are being attacked by demons, you can call on Me, and I will send you many angels to defend you and protect you. The other comment is that you have to have faith in Me that I can exorcize demons out of people. You have prayed deliverance prayers over people before, but it is My power that removes the demons. Do not take pride, because you are only My instruments in carrying out the deliverance of souls from the evil ones."

Sunday, December 27, 2015

December 31, 2015
Sunday, December 27, 2015: (Holy Family Sunday)
Jesus said: "My people, today you draw your attention to My Holy Family of Myself, My Blessed Mother, and St. Joseph. We are the model family to follow, even amidst all the trials of life. You help your children grow up through all of their school years. You educate them in the faith and their secular learning to prepare them for a good job. You have helped them with college expenses, and

even with wedding and house expenses. You may have been able to help them with buying cars, and maybe even babysitting for your grandchildren. You always are willing to help your children with their needs, as you love them unconditionally. You love Me as well, and you invite your children to have the same love relationship with Me as you have with Me. By following My Commandments and living a good married life, you will be blessed with My gifts, as I am always looking out for your needs as you do for your children. You are all My children and My family of believers, so keep close to Me in your daily prayers of love."

Monday, December 28, 2015

December 31, 2015
Monday, December 28, 2015: (Holy Innocents)
Jesus said: "My people, in the Gospel you read how angry King Herod was when the Magi did not tell him where I was born. As a result, he sent out orders for his soldiers to kill all the children in the Bethlehem area who were two years old or younger. St. Joseph had a dream from an angel to take Me and My Blessed Mother to Egypt to avoid Herod's soldiers. This unfortunate slaying of these innocent children in Bethlehem was foretold by the prophets. It is also a parallel to how your society is killing its babies in a million abortions every year. You hear stories speaking of terrorist killings, or people killed in tornadoes, and this is big news. Yet, you have many babies being killed, and you do not even hear of these deaths with no death certificates. This is a result of your death culture and little regard for the preciousness of life. You are more concerned with money and convenience, than saving the lives of these little ones. Because of your abortion laws and all of these abortions, America will be held responsible for this blood on your hands, when I bring My punishment upon you. Continue to fight against abortion both physically in your protests, and spiritually in your prayers."
Jesus said: "My people, I told you about all the abortions that are committed in America, and how I would bring My punishment against you. Today, you are seeing many suffering from tornadoes with deaths and lost homes. You have also seen some floods causing destruction from the heavy rains. Now, you are seeing ice storms cutting people's power from trees falling on your electric wires. You have these things happening, but today on the feast of the Holy Innocents, you are seeing even more severe storm damage than usual. Today is the

remembrance of the babies killed by Herod, but you are even worse in aborting millions of lives every year. Pray for the stoppage of abortion, gay marriage, and euthanasia that has been bringing down My judgment against America."

Tuesday, December 29, 2015

December 31, 2015
Tuesday, December 29, 2015: (St. Thomas Becket)
Jesus said: "My people, the church is where you come together, but it is the faithful people who make up My Church. When I tell you to build up My Church, I am really asking you to evangelize more people to share in My love and My glory. I came to the earth to bring salvation to all sinners who repent of their sins. My death on the cross has opened up the gates of heaven. When you confess your sins in Confession, you allow My grace to come into your soul, as I will heal your soul from any effects of your sins. Rejoice as Simeon did, because My promise has been fulfilled to him and to all people, that the Savior has been born to you. As you celebrate Christmas, you are celebrating your redemption by your Redeemer in Me."
Jesus said: "My people, because your weather has seen warmer temperatures, you could see more violent storms to come that could include tornadoes and mixes of rain, snow, and ice. This latest storm across your country has caused deaths, and much destruction. In the past you have seen deep cold and a large amount of snow in the last few years. This could change to more severe weather with less cold and less snow. Just as you are seeing more severe weather with El Nino, this is nature that is reflecting the violence of your terrorist attacks. I have warned you to be prepared with extra food and fuel in case your weather does not allow you to get to the store for supplies. You have oil lanterns for light, and fuels for your kerosene burner and your wood fireplace. You may need your preparations of food when your supplies get low at your stores. I will protect you from whatever evil plans the one world people have in place. Trust in Me for your protection and providing for your needs in whatever you may face."

January 13, 2016
Wednesday, December 30, 2015:
Jesus said: “My people, when you build a tall building, you need to have a good foundation with piers going into bedrock, and not on sand. In the same way with your faith, you need to also have a good foundation built on the rock of My Church in St. Peter. You must follow My Ten Commandments and the laws of My Church. You must be trained in the Scriptures with Bible study, and make use of My sacraments. If you are going to follow Me, you need to focus your life on Me every day, and imitate My life on earth in prayer and fasting. Pick up your cross and carry it through life, without looking back. By making a good foundation in your faith, you will be able to endure all the temptations of the devil. Even when you fall into sin, you can repent in Confession, and I will forgive you. Have faith and trust in Me during life, and you will have your reward in heaven.”
Jesus said: “My son, you had a priest do a Mass for any evil spirits in the house, or on your friend’s land. This land was a burial ground at one time, and there is a mixture of demons, and the spirits of people who died a long time ago. Most of the spirits are Indians, and they want you to respect their burial lands. It is the demons who are taking advantage of these spirits, and the demons are trying to keep the spirits away from My Light. Once you can have the demons release these old spirits, then this land would no longer be haunted. Keep praying your binding of the spirits prayers and deliverance prayers, and dedicate your Masses to rid the demons from this land.”

Thursday, December 31, 2015: (St. Sylvester I)
Jesus said: “My people, the Gospel of St. John the Evangelist spoke of Me as the Light in the world, but the world did not recognize Me as the promised Messiah.

The Magi followed My miraculous star to Bethlehem, and they brought gifts of gold, frankincense, and myrrh that were fit for a king. This vision of My star emphasizes that I am truly the Light of the world, and I bring My victory over sin and the darkness of sin. I am also the Light of Truth where I revealed that I am the Son of God in the Second Person of the Blessed Trinity to My apostles. Receive My Light of faith that enlightens your soul with My gifts of grace in My sacraments. Both in Baptism and Confession, you are forgiven your sins, so you can be My disciples. Treasure the gift of My Light in your soul that guides you through the darkness of this sinful world. By following My Commandments and sharing My Light of faith with others, you will have your reward in the Light and beauty of heaven. All souls strive for My 'Light' so they can be released from the bonds of this physical life on earth."
Jesus said: "My people, you have seen a year of no change in your stock market. The few interest rate raises are not even going to change the interest rates for savers at your banks. With higher minimum wages, there will be fewer jobs with less hours. Many of your health exchanges will have a hard time making a profit, as your health system is falling apart from not having enough people signing up. Finding good jobs will be harder as companies are trying to cut their numbers. As some countries falter in their lack of growth, you will see some stagnant economies and some possible bank failures. Your National Debt is rising faster than you can continue to finance it. There will be some food shortages because of your bad weather conditions with very few reserves to back up any losses. Be prepared in case your President wants to declare martial law to stop the coming Presidential election. The one world people want to take over America by any means possible, and they will use any means necessary to implement their plan. Have your refuges ready to accept many faithful as soon as possible. Have trust in My protection through the coming tribulation."

January 13, 2016
Friday, January 1, 2016: (Solemnity of Mary)
Jesus said: "My people, the celebration of My birth is over, and you read how I was circumcised and given My Name in the Temple. Then you witnessed My flight into Egypt, as we were fleeing the wrath of Herod, who felt threatened by another king to take his throne. We went into hiding in another cave dwelling in Egypt that you have visited. I have given you messages, My son, about how I

will warn people when My faithful will also have to flee to places of hiding from the evil ones who want to kill My believers. The one world people and the Antichrist want to kill all the people who refuse a chip in the body, and those who will not go along with the new world order. This time of tribulation will be short, and some people will be martyred. But the rest of My faithful will be protected until I will bring My victory over all of the evil ones."
Jesus said: "My people, when you start out on a New Year, you have an opportunity to change how you do things in life. In your physical life you may want to get more exercise by walking every day, or indoor biking when the weather is bad. You may want to cut back on eating so many desserts, or too many sweets to cut your weight down. Occasionally, you may need to clean out your basement and garage. In your spiritual life, you could add at least a half hour of spiritual reading as your Imitations of Christ. You may want to reach out in helping people more with their needs. You also may want to focus more on praying five to ten minutes in silent contemplative prayer. I am giving you some suggestions to improve your life, but you could think of other things that could help you. Each year you should try to take an inventory of whether you are improving or falling back in your spiritual life. In order to work on trying to perfect your life, you need to be improving each year. As you get older in years, you should be making sure you are always ready with a pure soul for when I will take you home at your death. Many souls die unexpectedly without any proper preparation for their judgment before Me. Once you make your resolutions, you need to write them down, and work on trying to keep them."

January 13, 2016
Saturday, January 2, 2016: (The Epiphany 4:00 p.m. Mass)
Jesus said: "My people, today's celebration of the Magi coming to greet Me at My crib is a joyous occasion. They followed a star that moved and led them to Israel. This is a miraculous star, and you could do some research to see what has been discovered. The Three Kings asked Herod where to find Me, and they were told to go to Bethlehem where they could find Me. They were overjoyed to see Me, and they gave Me their gifts of gold, frankincense, and myrrh. They went home another route, and they did not return to Herod because they were advised in a dream. The star they followed represents My Light that shines out to all peoples, and not just to the Magi. You are all drawn to My Light because your

souls are only satisfied when they can be in My Presence. Give praise and glory to Me, even as the Magi bowed to give Me homage."

Sunday, January 3, 2016

January 13, 2016
Sunday, January 3, 2016: (Epiphany Sunday)
Jesus said: "My people, you are continuing to celebrate My coming as the Magi gave Me homage, and they gave gifts of gold, frankincense, and myrrh. I call My people to give Me your gifts as well, by your obedience to My laws, and sharing charity with those people around you. This vision of a strong sense of evil coming upon the world, appeared to you as a dark, huge hurricane of evil. You will see destructive natural disasters, more wars, and an attempt by the one world people to take over your country. I will not give a specific time, but this year will move you closer to the North American Union becoming a reality. This will mean all of your rights will be taken away, and chips in the body will be forced on you. Refuse to take any chips in the body for any reason, because you will be made like a robot. Before your lives are in danger, you will have My Warning experience, and I will give you the word to leave for My refuges. Be not afraid, but put your trust, hope, and faith in My protection at My refuges."
Jesus said: "My people, I am showing you a rustic refuge that may not be the best looking place, but it will be very practical for your survival during the tribulation. I have asked My refuge builders to be prepared with some water sources, some stocked up food, two sources of fuel to keep you warm in the winter, and bedding for everyone. You will use your space for eating during the day, and you will pull out your cots and beds to sleep at night. You will also need latrines or septic systems for your needs. Some refuges may have solar power for lights, refrigerators, and sump pumps. For cooking, you may need propane, wood, or kerosene fuels in your heaters. My angels will provide for your needs by multiplying your food, water, fuels, and your buildings. Do not complain of your surroundings, or your food, but be thankful that you will be protected from the evil ones who want to kill you. The angels will put an invisible shield around your refuges, and they will provide daily Holy Communion, if you do not have a priest. You will also share hours of Adoration of My Blessed Sacrament at every refuge. Do not be afraid of the evil ones, because I will protect you throughout the tribulation. Have patience through this trial, and you will have your reward in My Era of Peace, and later in heaven."

January 13, 2016
Monday, January 4, 2016: (Frank Toukatly Funeral Mass)
Frank said: “I thank all of you for taking the time to come to my funeral Mass. Father Abe gave a great homily, and I was blessed to have so many priests come as well. I love Connie, my children, and my grandchildren very much, and I am sorry that I had to leave them. I thank my family and my care givers for enduring all this time with my cancer. I thank all of my friends for attending the Mass, and especially those people who came from out of town like yourselves, John and Carol. I will be watching out for all of you, and I will be praying for you in heaven. As in the vision, this was a special honor for Jesus to come and take me to heaven. His coming through the roof was very Biblical as the healing of the paralytic man. God bless all of you, and remember me as your prayer intercessor.”
Jesus said: “My people, your government is grid locked because no bills can get passed the Senate cloture and your President’s veto. He is not compromising because he is trying to force his will over Congress and the people by declaring Executive Orders and new regulations. Even though the opposite party controls both houses of Congress, they cannot overcome this gauntlet of cloture and vetoes. This exploitation of Presidential power is beyond your Constitutional authority, and it is why your President appears as a dictator. Until your people and politicians enforce your Constitution, you will be allowing your President to do whatever he wants to do. This is why you are on the road to losing all of your rights, and allowing your President and the one world people to take over your country. This will be followed by forcing you into the North American Union, which has been the plan all along. When your country is taken over, you will need to come to My refuges, because these evil ones want to kill all of My believers. If you do not fight for your rights, you will lose them. Be thankful that My angels will protect you at My refuges, even though some of My faithful will be martyred.”

January 13, 2016
Tuesday, January 5, 2016: (St. John Neumann)
Jesus said: “My people, these visions of how a lot of chickens disappeared,

represents some of the problems that the farmers have had with bird flu among the chickens. They had to dispose of a lot of chickens as a result. Some of these stories do not make a lot of headlines, but you see the effect on your prices of chicken when the supply lessens. In other cases you are seeing some foods pulled off of the shelf because of bacteria outbreaks of a toxic nature. These are just a few cases that can threaten your food supplies. I have mentioned before, how you need to have some reserve supplies of food in your pantries, because a world famine will be coming as a sign of the end times. Your weather fluctuations and your water shortages are threatening your crops. This will be one more reason that you will need to come to My refuges, where I will be multiplying your food as I did in today's Gospel."

Jesus said: "My people, I have told you in the past that it is not necessary to know the exact date of the tribulation, because only My Father in heaven knows these times, and it will happen when he allows it. I have also told you the same for the date of the Warning. To understand when these events will happen, you need to have the eyes of faith, and put your total trust in My Word to you. If you are observing the current events, you would see how the evil in the world keeps getting worse. You have seen millions of babies being killed in America every year, which is supported by your Supreme Court decision of Roe vs. Wade. Recently, you have seen the Supreme Court again has approved gay marriage as legal, which I abhor as an abomination. You are also seeing euthanasia being approved in some of your states. You also are seeing medical marijuana approved, and some even have approved recreational marijuana as legal. These are just some of the signs of evil getting worse. You will be seeing chips in the body being approved after your credit cards now have to have chips in them. There are plans being made for martial law, and for America to be a part of the North American Union. Some people may think nothing is happening, but those with the eyes of faith can tell you that the time of the Antichrist is near because he is already present on the earth. My Warning will come first, but I will not allow the Antichrist's reign to come until My Father gives the Word. I will call My faithful to My refuges when your lives are in danger. Be grateful that My refuge builders have prepared safe havens for My faithful to be protected."

January 13, 2016

Wednesday, January 6, 2016: (St. Andre Bessette)

Jesus said: “My people, love in a marriage needs to always be faithful. Once spouses make a commitment to love one another, they should not be looking for another person, and surely not any affairs. If you truly love someone, you should be faithful to your spouse. Many marriages wind up in divorce because of infidelity. As you were reading about love in St. John’s letter, so you have made a commitment to love your Creator. Remember that it is I who chose to love you from your conception. I should be first in your life, even above your spouse, without any other idols or gods. I am a jealous God, and I desire that all souls love Me in return. I do not force My love on anyone, because I want everyone to love Me by their own free will. If you truly love Me, your soul will not be satisfied until you are united with Me in prayer, in receiving Me in Holy Communion, or in visiting Me in front of My Blessed Sacrament in My tabernacle. I am love, and when you are worthy to come to heaven, you will experience My complete love, as you will be one with Me in your spirit.”
Jesus said: “My people, when you see this vision of orange tulips, it brings memories about spring flowers and the beauty of nature. Right now, you are seeing mostly poinsettias on your church altars. You see other flowers with funeral arrangements. This picture of tulips gives you great joy to look beyond the winter that has been warmer with less snow. There is another representation of the spring flowers, and that means it is a sign of more serious events that will be coming soon. You are seeing nuclear tests in North Korea, a slip in China’s economy, and oil prices going lower. The war in Syria and Iraq is continuing to expand with the countries that are involved. My people need to be prepared for some major events that could affect your electricity and your food supplies. My refuge builders are preparing food, fuels, and bedding for a coming tribulation. Prepare for My Warning which will come before any life threatening events. The time for the evil ones is running out, and they will make one last grab for power before I will conquer them, and claim My victory.”

January 13, 2016
Thursday, January 7, 2016: (St. Raymond of Penyafort)
Jesus said: “My people, you are so used to living each day, that you sometimes forget all of the gifts that I give to you each day. You have the oxygen in the air that you need to breathe, so your body can function. You have the light of your star at just the right distance to give direction to see, and enough warmth so you

can survive. You have abundant water because you need this for your body as well. When you think of all the gifts of Mine that you take for granted, you can thank Me, because I am providing for your needs all of the time. This again is why I am worthy of your worship and your love, because I have created you, and all that you see in the world. As you look at the plants, the animals, and the stars of the universe, you see everything is ordered and follows My commands. I have given men and women free will to choose to follow My ways or not. I desire everything to be in harmony with My Will, and this is what I ask of everyone because nature is in harmony with Me. All of those people, who love and obey My Commandments, will one day be whole in a glorified body and soul with Me in heaven. But those people, who refuse to love Me and do not seek the forgiveness of their sins, will be choosing to be with the devil in hell for all eternity. This is your choice in life, and I want to save all souls, but you must choose to be with Me in heaven of your own free will."

Prayer Group:

Jesus said: "My people, China is the second largest economy in the world, and when there was a drop in its businesses, it triggered markets to drop all over the world. Some people have criticized China for stopping its markets and changing the value of its currency. People forget that your US government used taxpayer money to prop up your banks in 2008. The Federal Reserve also lowered interest rates to 0%, and you had three quantitative easings that fabricated trillions of dollars on the Federal Reserve balance sheet. It is the world bankers that are controlling your currencies and debts. They want to crash your financial systems, and start a new world single currency under their control. When this manufactured collapse occurs, you will have martial law, and lose all of your freedoms. This will create chaos, and My faithful will need to come to My refuges of protection."

Jesus said: "My people, the timing of this test by North Korea seems to be a ploy to make headlines, and try to cover up the financial problems in China. There was a significant spike on the earthquake scales that a bomb was tested. Your scientists are still trying to determine if it was a hydrogen bomb, because this is much more explosive than an atomic bomb. This act against your UN treaties is disturbing to the other nations around North Korea. I detest the use of such weapons that could kill millions of people. Keep praying for world peace with your daily rosaries."

David said: "My dear family, I am still watching over you and praying for your needs. My sister, Catherine, is having to deal with a lost job when her bank

closed their office. I am also interceding to Jesus to help her in getting another job to pay her bills. She may need some patience until she can find another job to her liking. All of you are praying for her as well. I love all of my family, and I am happy that you placed my picture in your chapel. I also thank you for visiting my grave. Remember me as your prayer intercessor for your needs."
Jesus said: "My people of America, you are seeing pictures of death and destruction from many tornadoes in parts of your country. In other areas you had excessive rainfall cause some severe flooding along your rivers. You do not appreciate the loss of life and homes that has been going on, but the victims are suffering greatly with their lives totally disrupted. All of this destruction will have some effect on your economy. Some of these events are a punishment for all of your sins against My Commandments. Keep praying for your sinners, and pray to stop your abortions."
Jesus said: "My son, putting your solar panels in place, is the last big project of your refuge plans. Once your batteries, invertors, and solar panels are installed, you could have an independent source of electricity during the tribulation. Your angel will be protecting this project from any outside damage, so it will continue to work with your maintenance. You are getting your refuge ready just in time before events will be leading My faithful to come to My refuges."
Jesus said: "My people, you are sometimes drawn to see the latest new electronic gadgets that your companies are bringing to the market place. You may need to buy new things to replace your aging equipment, but do not let these things distract you from your love for Me and working on your missions. All of these things will become obsolete and pass away, but your souls and I will live on for all eternity. So let your main focus be on your eternal destination."
Jesus said: "My people, you are seeing a steady number of killings by Islamic terrorists all over the world. These attacks will continue as the one world people will use fear of these killings as a way to control and manipulate your people. Be prepared for a martial law declaration as a result of terrorist attacks, bankruptcy of your financial system, and pandemic viruses. I have been giving this message for a long time, but you will be seeing events move quickly in this direction. Be prepared to leave for My refuges before many people will have their lives threatened. Trust in My protection during this trial before I will bring My victory over the evil ones."

Friday, January 8, 2016

January 13, 2016
Friday, January 8, 2016:
Jesus said: “My people, you are seeing some serious problems with your markets, and some are apprehensive where this will lead your country. The one world people are orchestrating all of your financial problems because it is their intention to take over your country with a martial law. This is why they are trying to create one crisis after another to achieve their goal of a take over of America. This takeover will be a punishment for your sins, but I will provide protection for My faithful at My refuges. You will need patience to endure the trial that is coming, but the evil ones will only have a short reign before I will bring My victory. The tribulation is prophesied in the Scriptures. The light at the end of this tunnel is My promised victory over the evil ones. Trust in Me that My power is much greater than the Antichrist and the demons. Keep close to Me in frequent Confession, and your soul will be saved with Me.”

January 13, 2016
Saturday, January 9, 2016: (Baptism of Jesus, 5:00 p.m. Mass)
Jesus said: “My people, you are witnessing a presentation of Our Blessed Trinity when I was being baptized in the Jordan River. I was immersed totally in the water while St. John the Baptist prayed over Me. Then you saw in the vision how the Holy Spirit descended upon Me. God the Father was manifested when His voice called out:‘This is My Beloved Son, in whom I am well pleased.’ St. John the Baptist was told before when he would see a dove descend on someone, that he would be the true Lamb and Messiah who was promised. This is why St. John the Baptist called out that I was the Lamb of God and to follow Me. He also said that he must decrease while I must increase. This is a spiritual message for all of My followers that I must be first in your life, while you are following My Commandments, and carrying out the mission that I have given you. Think of this scene of the Blessed Trinity when you make the sign of the cross, and when you pray the ‘Glory Be’ prayers. Even when you receive Me in Holy Communion, you also receive My heavenly Father and the Holy Spirit as well because We cannot be separated. This Baptism is also a sacrament that I instituted as it brings new converts into the faith, and it takes away all original and actual sin. Give glory and praise to Me for all of My sacraments that are My gifts to you.”

Sunday, January 10, 2016

January 13, 2016
Sunday, January 10, 2016:
Jesus said: 'My people, today you are witnessing My Baptism in the Jordan River by St. John the Baptist in the presence of the Holy Spirit, and My heavenly Father. This is the sacrament of Baptism by which all Catholics are initiated into My Church. Some are baptized as infants, and the parents and godparents attend classes in preparation. Adults or older children are trained in RCIA classes. When you are taught the faith, you are understanding My Ten Commandments, My Church laws, and all about My sacraments. You are also taught about the Mass, and how I am really Present in the consecrated Host and the consecrated Wine as My Body and Blood. They are also taught about confessing their sins before receiving Me in Holy Communion. They could also learn about their formal prayers as the Our Father, Hail Mary, Glory Be, and the Apostles' Creed. I love all of My people, and I thank My faithful for leading converts to the faith. All of My faithful by your Baptism and Confirmation are called to evangelize souls. When you are baptized you are priest, prophet, and king in My Church. Those people, who have been to a Baptism, see a priest or a deacon baptize a person or persons with water in the Name of the Father, the Son, and the Holy Spirit. You see them marked with chrism, salt, and they are given a candle lit from the Easter Candle. This is truly a proper entry into My Church because it was by My Blood on the cross that people are forgiven original sin in this sacrament. Now the newly baptized people can go forth as My followers and believers in My Word."

Monday, January 11, 2016

January 13, 2016
Monday, January 11, 2016:
Jesus said: "My people, I have told you that My Warning will be coming soon, and on that day you will be seeing strange lights in the sky, and people will be frightened by this sign. All of the people at the same time, will be drawn up to My Light through a tunnel. They will be taken out of their bodies and outside of time, as they are brought before Me. Then you all will experience a life review of all of your actions in your life, both good and bad. At the end, you will have a mini-judgment to heaven, purgatory, or to hell. Many people will desire Confession when they realize how much they have offended Me with their sins.

You will know that if you do not change your life, then this will be your judgment at your death. During this experience, I will warn people not to take the mark of the beast which is a computer chip that could control their free will. I will also advise you to come to My refuges as a safe haven of protection from the evil ones. I will allow six weeks of conversion. Then you will need to remove your TVs, computers, and internet devices from your homes so you do not look at the Antichrist's eyes. If you look at his eyes, he could hypnotize you to worship him. After the Warning, you will see major events happen that will lead up to the Antichrist's declaration and the start of the tribulation. I will warn My people when it is time to come to My refuges, when your lives are in danger. When it is time, I want you to call on Me to have your guardian angel lead you to the nearest refuge with a small flame. Your angel will place an invisible shield over you when you leave your home, so you will not need guns for protection. Be faithful in coming as soon as possible to My refuge, or you could be captured at your home and martyred in the detention death camps. This is a supernatural intervention that will allow all sinners one last change to be saved with Me. Rejoice that I will cleanse the people before the Antichrist comes."
Jesus said: "My people, in Luke's Gospel (4:16-21) I read a passage from the prophet Isaiah (Is 61) in the synagogue where it talked of an anointed One who would bring Good News to the poor, he would release the captives, and cure the blind and the lame. After reading the passage, I told the people on that day this Scripture was fulfilled in their hearing. This was a sign that I was bringing the Kingdom of God upon them by My very Presence. I preached the Gospel of the Kingdom, and I verified My authority in My many miracles where I healed all diseases and sicknesses among the people. It was those people, who had faith in My healing power, who were healed. The people of My hometown, in Nazareth refused to believe that I had the gift to heal people, so I could not heal any people from that town. In many accounts I told My apostles that I had to move on to more towns where I could preach the Kingdom of God. I freed people of their sins when I died on the cross, so My mission is to forgive people's sins by My Blood sacrifice. I am truly your Savior and Redeemer who was promised by the prophets."

January 13, 2016
Tuesday, January 12, 2016: (Joyce Lippa's Funeral Mass)
Jesus said: "My people, Joyce thanks all of you for coming to her last Mass at

her funeral Mass. This reading about love in the Corinthians, identifies with her because she loved Nick and the family so much. She also loved Me dearly in her life, in her prayers, and in her good works. She met her deceased relatives as she came to heaven. She is waiting for the day when she can meet all of you again. She is sorry that she had to leave all of you so suddenly in her death. She will be praying for you and watching over you. You can thank Me for her gift of life to all of you."
Jesus said: "My people, every year you see thousands of people protesting in front of your Supreme Court where your justices are making laws against My Commandments. They have legalized the killing of My babies in abortion, and same sex marriages which are bringing My punishments upon your nation. I will allow the one world people to take you over as your punishment, and you will lose your freedoms, and have to seek My refuges to keep from being martyred. A million of My babies are killed every year in your country alone. This blood on your hands is demanding My justice to come down upon you. You need to keep standing up against your society's evils of abortion, same sex marriage, and euthanasia. Your country is falling from within by your immoral decadence. Expect this punishment to fall on you in disasters and financial ruin."

January 26, 2016
Wednesday, January 13, 2016: (St. Hilary)
Jesus said: "My son, today you read how Samuel was being called by God to be a prophet for his people. He was told by Eli to answer God's call by saying: 'Speak Lord, your servant is listening.' In the same way, My son, you are also called to listen for My words in the inner locutions that I send to you in the quiet after Holy Communion, and the quiet of Adoration of My Blessed Sacrament. You have been faithful in spreading My messages for twenty-three years with your books, your website, and your talks all over. By listening to My Word and being faithful to your daily prayers, I have given you many gifts to share with the people. Now, you received some help from your neighbor so you could finance building a chapel, and preparing an interim refuge, which is your second mission. By being faithful to My instructions, everything has come together for a beautiful chapel and all of your preparations for the trial to come. Those people, who listen to My invitation and accept My missions, will be rewarded in My Era of Peace, and later in heaven."
Jesus said: "My son, I knew you had the inheritance money to afford installing

solar panels, so I requested that you get your solar project moving. It has taken a long time for your approvals, but now your solar people have already delivered your panels and invertors. The contractor will soon install them so you can start having a lower electric bill. This is one of your remaining projects to get ready. As you are seeing a dropping stock market, you are getting this done, even as world events are making people nervous about their investments. The people behind the scenes are influencing your markets to go lower. One of their plans is to turn off your electricity. By using batteries and solar panels to provide your electricity, this will help your refuge to have power when it is needed. I told you that I will have your prayer group angel protect this investment that I urged you to obtain. I have helped you in many ways to prepare a beautiful chapel, and I will multiply your food, water, sleeping quarters, and fuels so you will be able to support forty people at first at your refuge. Give thanks and praise to Me for all that I am doing to provide for your needs."

Thursday, January 14, 2016:
Jesus said: "My people, you have read how the Israelites at one time worshiped other gods and did evil in My sight. Even though they were the Promised people to receive Me, they still could be punished for their sins. This is why I allowed the Israelites to be defeated by the Philistines, even in the presence of the Ark of the Covenant. So it is with America. You are defying My laws, and you even worship other gods of sports, fame, and possessions. Because you are killing a million of My babies every year, and your other sins, you will be tested with bad times, and even defeat on the battlefield. I have given messages to My prophets through the years to warn you that you need to repent of your sins, and change your ways like the Ninevites did. Even now, I am warning America to repent from your evil laws, or you will face My judgment, and be punished by the one world people. The descendants of the Assyrians will be harassing you even in your own country with terrorism. Your blessings of My protection have been taken away from you, even as I removed My protection from the Israelites. It is just a matter of time until this punishment will be carried out. Save your souls by staying close to Me in your prayers, and seeking My forgiveness in Confession."
Prayer Group:
Jesus said: "My people, in recent weeks you read of My birth, and how King Herod feared Me because I would be a king and ruler of Israel, as foretold by the

prophets. Even the kings of the East came to give Me homage as a king with the royal gifts of gold, frankincense, and myrrh. I was born in a lowly cave, and I did not reveal My true identity until I was before the high priest. I am truly your King because I am God the Father's Son, the Second Person of the Blessed Trinity. In Sunday's Gospel of My Baptism, you also saw the Blessed Trinity manifested with the Holy Spirit as a dove, and God the Father in a voice. Give praise and thanks to your King, who came to die on the cross for all of your sins."

Jesus said: "My people, I have been calling many people to set up refuges for the coming tribulation. Not all of the people, who I called, said 'yes' to My mission. It is a grace of faith and trust in Me for people to accept My mission of building a refuge. Many people have asked you if they could have a refuge. I will accept any person who discerns in prayer that they want to accept this mission. The tribulation will be a great time of evil with the Antichrist, and My faithful will need a safe haven with My angels to protect them from those who want to kill them. Give thanks to Me for providing refuges where I will multiply your food and water."

Jesus said: "My son, you have waited a long time until these solar workers are finally installing your solar system. I have urged you to do this solar project months ago, and now it is happening. This will provide most of your electricity, except for your oven and air conditioner. Your people will be happy for lights and some small appliances during the tribulation."

Fr. George said: "My son, I was happy to see you when you visited Canada to give your talks. You were struck with awe when I prayed over the possessed woman in Michigan, and I was able to remove the demon by God's power. We priests have a heavy responsibility to bring souls to God with our ministry at Mass, and the sacraments, especially hearing confessions. I will miss all of you, but I will be praying for all of the people who I ministered to. I thank all of my care givers in my last years."

Jesus said: "My people, even though you have a low unemployment rate, and people have some money to spend, there is still uncertainty about China's economy and your oil prices. You have seen some serious corrections in your markets, and some people do not feel secure in their jobs. There are some people manipulating your markets for their advantage. Do not have fear of these times because I will send My angels to protect you and provide for your needs."

Jesus said: "My people, many people rely on the snow pack in the mountains for their drinking water. You have seen recent rainstorms and snow coming to the

mountains in California. It will take more of this weather to bring the land back from the drought conditions. Keep praying for adequate water sources, so you can continue growing your crops in California."
Jesus said: "My people, there are some people who are not happy with the direction of your government. This is why there is a desire for a change in your government away from the liberal elements that are defying My laws and over regulating your businesses. You need some good leadership as good statesmen or women instead of your politically correct politicians. If your government people do not change and repent of their sins, then they will be misleading the people with immoral laws that are condemning your nation. Pray for this change, because otherwise I will have to intervene supernaturally with My Warning to try and change your hearts to see how your sins are offending Me."

January 26, 2016
Friday, January 15, 2016:
Jesus said: "My people, you are very familiar with the account of My healing of the paralytic man because you, My son, have a large picture of this scene on your mantle that was painted by Josyp Terelya. The four men and the paralytic man had great faith in My healing that they would open the roof to let him down amidst a large crowd. On seeing the man's faith, I healed his sins and then his human condition. In many of My healings, I healed the whole person, both body and soul. The Jewish leaders questioned if I could heal his sins, and they even accused Me of blasphemy, because only God could forgive sins. I proved to them that I could forgive sins, when I had the man pick up his mat and go home in full health. This healing astounded them since they had never seen such a healing. Later on, I gave this healing of sins power to My apostles in the sacrament of Reconciliation. I died on the cross to allow My Blood sacrifice to redeem all of My believers from their sins. You can be healed of sin in your Baptism or in Confession. I have recommended frequent Confession, at least monthly, so you can keep your souls pure, and you would be ready to meet Me at your judgment. Believe that I can heal you in your sins and sickness, and you could also be healed as the paralytic man was healed."
Jesus said: "My people, you need to believe that there are demons all around you, and they want to bring your soul to hell. These demons can control people through their addictions to electronic devices, drugs, and alcohol. In order for people to break their addictions, they need prayer warriors or exorcist priests

praying over them to release them from the grasp of the demons. Call on Me when you are attacked by demons, and I will bring My angels to break any addictions, and take away any demons attached to these addictions. Pray the long form of your St. Michael prayer over the person. Put a Benedictine blessed cross on them, a blessed scapular, holy water, and blessed salt on them as well. These are your weapons to defeat the demons, and when you pray deliverance prayers in My Name, and command the demons to the foot of My cross, they will obey Me in you. Do not have any fear of these demons, because I will protect you."

January 26, 2016
Saturday, January 16, 2016:
Jesus said: "My people, you can see in the Scriptures how I use chosen prophets to direct the chosen people of Israel on the right path to follow My Word. I chose Samuel to anoint Saul as the king that the people requested. Throughout Israel's history, I protected them from their enemies when they obeyed My laws and worshiped only Me. Once they disobeyed My laws and worshiped other gods, then I allowed their enemies to defeat Israel. So it is with My prophets of today. I am warning America to repent of its sins, and obey My laws without worshiping other gods. Because you are not heeding My laws, especially against abortion, you are seeing disasters and financial problems. Do not be surprised if you are taken over by your enemies in the one world people, just as Israel was also taken over."
Jesus said: "My people, this sign of a lighthouse warning means America will be facing a great danger from natural disasters, financial troubles, and terrorist activities. You will be seeing multiple events that could bring about a martial law. You already are seeing a major downturn in your markets. The one world people could easily cause a stock market crash that could upset your current economy that has a low GDP. This could affect layoffs and move your unemployment rate higher. Even though your stock market was breaking records, your average worker has been having hard times with less income. Because you could see threats to your money and your economy, it would be prudent to have some extra food and fuels in case your stores were shut down, or your electricity was shut down. I have told you before that you were getting your refuge preparations done just in time, when events could quickly lead up to a need to come to My refuges. I will bring My Warning first, and then the evil ones will have their hour. Fear not, because I will warn you when you will need

to come to My refuges, where My angels will protect you from being killed."

Sunday, January 17, 2016

January 26, 2016
Sunday, January 17, 2016:
Jesus said: "My people, I performed a miracle at Cana where I changed six jars of water into jars of wine for the wedding guests. This was a multiplication done because the people were out of wine, and My Blessed Mother had urged Me to do something. A marriage between a man and a woman is the core of your family life. It is in this environment of love that it is best to bring up your children. Your society is disregarding My Commandments because some couples live in constant fornication without marriage, and others are committing homosexual acts in living together. A few people could be living celibate lives, but most of this living together without a proper marriage are people living in mortal sin. Even married couples need to avoid birth control devices, and they could use family planning methods instead. Other couples are committing sins when either a man or a woman is getting sterilized. These are all sins against My Sixth Commandment. A proper loving marriage of a man and a woman is the model of love that I have given you, because I am the Groom and My Church is the bride. Living in love of a proper marriage is a preparation for living in spiritual love in heaven."

January 26, 2016
Monday, January 18, 2016:
Jesus said: "My people, I have given many gifts to all of My faithful, and I take care of your needs. It is the responsibility of My faithful to carry out the missions that I have given them. At times you indulge in the spoils of your gifts for your own pleasure, as Saul did in today's first reading. Despite your earthly weaknesses, I want My faithful to try their best to be obedient to My laws, and their missions. I want My faithful to use their God-given talents to reach out to evangelize souls, and do good works for their neighbors. When you are obedient to My requests, you will have your reward both on earth and in heaven. But when you ignore, or put off your mission, and you are not obedient to My ways, then you will suffer the consequences of your actions that could punish you in your arrogance. When you disobey My ways, you need to repent of your sins, and change your ways to follow My ways."

Jesus said: “My people, you may be impatient with Me because I am not bringing My judgment on you sooner. That time will come, but it will happen in My time when God the Father chooses. Do not rush this time of tribulation, because many will suffer at that time. You need to focus more on doing your own prayers for the reparation of souls, while you still have time. I have said that this year will be more troublesome, as you are moving closer to establishing the North American Union. These unions on each continent are being established by the one world people as a power grab, and they will take away your freedoms and rights. As events get more serious, you need to have your backpacks ready to leave for My refuges at any time. It will be when I give everyone a notice to leave, that you will leave your homes and be led by your guardian angel to the nearest refuge. Be not afraid because I am more powerful than all of the evil people and demons.”

Tuesday, January 19, 2016

January 26, 2016
Tuesday, January 19, 2016:
Jesus said: “My people, you have read how Samuel was appointed to anoint Saul and David as kings. I look into the hearts of the people who I choose for special missions. In the vision you are seeing how all of you are anointed with oil at your Baptism and Confirmation, so you can also go forth to accomplish the missions that I have given to each of you. You all are important to Me, and each person has been given the specific talents needed to fulfill that person’s mission. You also are asked to pick up your own cross to carry in life, which is most comfortable with you. I have given you My Commandments and Church laws as a guide on how you should lead your lives. You all have free will to choose to love Me, and follow My laws out of love for Me. When you fall into sin, I will forgive you in Confession. Keep your focus on doing everything for Me, and you will be on the right road to heaven. The Pharisees were quick to criticize Me and My apostles for not fasting, or picking grain on the Sabbath. It is the spirit of the law that I want people to follow, more than just the letter of the law. If you do everything out of love for Me, you will be pleasing Me the most.”
Jesus said: “My people, do not feel abandoned when you see the evil people appearing to win many battles all over the earth. You will see the Antichrist and his evil inspired people reigning over the world for a short time. Fear not, because I will have My angels protect My faithful remnant from being killed. All

of the evil people will have to answer to Me for their evil deeds, and I will soon bring My victory over them. The evil ones and the demons will all be cast into hell. My faithful will be rewarded in My Era of Peace. You know the end of the story, so trust in My protection at My refuges."

Wednesday, January 20, 2016

January 26, 2016
Wednesday, January 20, 2016: (Mass for Aunt Jennie)
Jesus said: "My people, this account of David overcoming Goliath, is an example of My miraculous support for David in leading Israel. When people pray and have confidence in My help, they will see miraculous power over many seemingly impossible obstacles. I may not remove all of your problems, but I will see to your needs to get through your trials, if you just pray and have faith in My help. Every day you face large problems, but I get you through them all. Just look back through your life, and see how I enabled you to overcome obstacles that blocked your path. What David did was actually possible, but I supported his efforts, and I gave him the confidence in faith to carry out his successful battle against the Philistines. Continue to pray in confidence that I will hear your prayers and send you My angels to assist you in your needs. Sometimes you may have to be patient, but be persistent in your prayers, and they will be answered."
Jesus said: "My people, you have been observing your stock markets dropping severely up to 20% for some stocks. It has made many investors nervous that your stock prices have dropped so fast. Some of your commodities, as oil and your metals, have also dropped at a fast rate. This is just like your vision as you saw an elevator dropping floors very fast. Some of these things are being controlled by the rich and hedge corporations, who are shorting your stocks similar to 2008. There is also a sense that your world economies are growing stagnant, and this could easily fall into a recession. The one world people want to crash your markets and the dollar, so they could precipitate a martial law takeover of your country. This is why I am having My refuge builders prepare for the coming tribulation with food, water, and fuels. When the Warning is over, you will see events move quickly to allow the Antichrist to have a short reign. Be prepared to leave for My refuges when I give you an interior warning. My angels will protect you, so have no fear of the evil ones, who I will cast into hell on My victory."
Jesus said: "My people, the people in Flint, Michigan had a change in their water supply that contained acid and lead from the lead pipes. I have mentioned before

how delicate your fresh water supply is, and you can see how it could easily be contaminated with salt, or any other things as discarded medicines. Your treatment plants have a difficulty in removing soluble poisons and other contaminants. Once there is a problem, you need to boil the water, or even distill it to purify bad water. You have stored some water in your barrels for when water is either unavailable, or the tap water is contaminated. I will also clarify your well water, or even multiply what you have, if it is limited in supply for a lot of people. Trust in Me to provide your water because I know how you all need a sufficient amount of fresh water to survive. You may have to use rainwater or melted snow for a continuous source of water. You can use your ceramic silver filter to purify water from various sources so you can have drinkable water. Your water preparations are very important for your refuge life."

January 26, 2016
Thursday, January 21, 2016: (St. Agnes)
Jesus said: "My people, I am the One true God, and you should worship and love Me every day of your life. The Gospel speaks about seeking a treasure, but I am even more than a treasure, because I am your very lifeblood. Without Me, you would have nothing. You may have desires for earthly things, but I am far above any thing or any person on earth. I am a jealous God, and I want all of you for Myself. I do not force you to love Me, but I desire that you love Me of your own free will. The more you love Me, the more you want to draw closer to Me in your daily prayers, in daily Mass, and even daily Adoration visits. When you come to heaven, you will be One with Me in spirit. Even now, you can desire to do everything for Me out of love for Me. You can also share My love with others by evangelizing them to faith in Me. You have a beautiful love relationship with Me, and you should desire to have others enjoy this same love relationship with Me."
Prayer Group:
Jesus said: "My people, tomorrow you will be seeing thousands of people protesting your abortion ruling in the Supreme Court in Washington, D.C. Your country has made it legal to kill a million babies every year. Your people are cold hearted to not change this ruling, even as you kill My babies every day, and you do not acknowledge these deaths. You are appalled at various murders in your news, and the millions of people who were killed by Hitler in Germany. Yet

these brutal killings of babies in the womb, are performed by doctors who should be protecting life. I have told you, if you do not change these killings, then I will intervene with My judgment against your abortions. Your doctors and mothers will have to answer to Me for their evil deeds."
Jesus said: "My people, a time is coming when the Antichrist will try to have his troops kill all of My believers. They want to reduce the number of people in the world because Satan is controlling the evil people to kill My faithful remnant. I will not allow the gates of hell to prevail over My faithful remnant. I will protect My faithful from the evil ones, as you come to My refuges of protection. Do not fear these evil ones, but trust in Me that I will cast them into hell. The detention death camps are all over your country, and they will be killing people there. Leave your homes quickly for My refuges when I warn you, so you can be saved at My refuges."
Jesus said: "My people, this snow storm seems to be timed for the anniversary of your Roe vs. Wade decision that has allowed abortion to be legal in your country. It is unfortunate that your abortion protesters may be at risk, so pray for their safety. This storm could also be seen as a punishment for America, because it is almost centered around your Supreme Court in Washington, D.C. You know how even a small amount of snow is a disaster because they do not have enough snow removal vehicles. When there are power outages, it will take a long time to repair in a winter storm. You saw how it took three days to clear the roads from a 24 inch storm, and they are forecasting up to 30 inches there."
Jesus said: "My son, you need to pray your novena prayers for the workers to finish your solar panel installation. They have been hampered by snow storms, and some missed communications in doing the work. You also need the delivery of your batteries to complete this project. Continue to pray for a timely completion of your work."
Jesus said: "My people, many of the true problems that have caused this drop, have not changed, so you could see a lot of volatility in your markets. Your prices of your stocks have been driven up by your low loan rates that allow margin gambling to own stocks. There is a lot of artificial value in your stocks that could still drop your prices further. You will see a punishment in your finances as a result of your abortions, euthanasia, and gay marriages. Prepare for another hard year in your markets."
Jesus said: "My people, in times of turmoil your currencies could see some manipulation, as with China's currency. Once your reserve currency status of the dollar is undermined by other nations trading without dollars, you could see a

drop in the dollar's value. Be prepared to buy food and other things of value, so you will not lose everything when your dollar crashes. Your rich people do not invest in paper money, but they buy tangible valued assets. Live your normal lives, but be ready to come to My refuges when your lives will be in danger."
Jesus said: "My people, the Lenten Season is an excellent time to take stock of your spiritual progress. When you take a long look at your life and how you are living it, you could see some faults that need work to improve your spiritual life. Before Lent starts, you could make a list of things that need to be corrected in your life. You may also think of coming to Confession more often, and praying to keep focused on any penances that would be good for your soul. As you plan what to accomplish this Lent, call on Me to help you discover the best ways to cure any of your bad habits."

January 26, 2016
Friday, January 22, 2016: (Anniversary of Roe vs. Wade decision)
Jesus said: "My people, just as David spared the life of Saul in the cave, so I want your mother's to spare killing their babies in the womb. All of this killing of My babies is not worth any money or any convenience. You cannot put a price on a human life, and imagine if your mother aborted you. You would not even have your gift of life. This right to life is such a basic right, that it should not be taken away in the womb, or by euthanasia. You all should treat life as precious, because you will have to answer to Me for killing your babies. Pray for mothers to have their children, instead of killing them. If they do not want children, then they should avoid getting pregnant. Pray also for your abortion protesters who may be facing snow storms in Washington, D.C. today."
Jesus said: "My son, you were trying to explain this unusual light on the wall, but most of you agreed that it was not normal. I have given you witness of these two miracles which have occurred in your chapel. You also saw an evil attack of the flies in this chapel, as the devil knows that My angels are protecting your house. There will be many blessings received here because of your dedication and obedience to this second mission. You will be seeing more miracles here when people will be healed of their illnesses. Continue to pray for the souls who will be drawn here, so they can be healed in both body and soul. My refuges will be made invisible to the evil ones, and My angels will protect you and feed you. Give thanks and praise to Me for all that I have done to bring this refuge to where it is today."

Saturday, January 23, 2016

January 26, 2016
Saturday, January 23, 2016: (St. Vincent)
Jesus said: “My son, I have asked you to do several projects for your refuge, and your solar project is one of them. You have been working for a few months to put your solar panels on the roof, and finally the workers have put them in place. You still are waiting for the batteries to be put in place, as well as the use of your other half of your panels to generate power. You will make more power in the summer than in the winter, so you may not see much power generated on snow covered, cloudy days. This setup will help you with your electricity during the tribulation, and even some help with your present electric bills. I thank you for carrying out all of your projects that I have given you. The people who come to your refuge will thank you as well. When the evil ones shut off your electric grid, you will still be able to operate some of your appliances. You also have heaters for heat, cooking, and lanterns and flashlights for light. I will also have My angels watching over your house, even now. Keep praying for souls to be converted, and for those who may die suddenly in your reparation prayers. The souls are more important than all of your physical things, but when you have My angel protection, they will be protecting you from physical harm, and any attacks from the demons.”
(4:00 p.m. Sunday Mass) Jesus said: “My people, you have had your freedom for many years, compared to the dictatorial communist control in other nations. Your people are growing complacent, and even evil in their sexual sins of living together, and having abortions of My little ones. When your country turns your back against Me, and violates My Commandments, it is calling down My justice. You have seen a second downturn in your markets, and some recent heavy snow storms. I told you that you would see more disasters and financial problems as a punishment for your sins. With enough disasters, terrorist activities, and financial problems, you could even see a possible martial law, which could take over your country. This is the goal of the one world people to force you into their North American Union. When that happens, you will lose all of your freedoms, and your property and your wealth will be confiscated. Your lives will be in danger from the evil ones, who want to kill you. This will be when you will leave your homes to come to the safety of My refuges. Trust in My protection, and you will be rewarded in My Era of Peace.”

Sunday, January 24, 2016

January 26, 2016
Sunday, January 24, 2016: (Food for the Poor presentation)
Jesus said: "My people, during the homily you were listening to a missionary describe the poor life that people are living in Haiti. You have donated before to 'Food for the Poor' because most of your donation goes to helping the poor. You do not always have a first hand view of how these poor people have to suffer. I know you have given donations to your local food shelf as well, but this foreign cause in the Caribbean is one of the better organizations that helps the poor. The missionary priest's descriptions were quite vivid where people have to live in such poor conditions. He was asking donations to build homes for those who were homeless from an earthquake, and from forced immigration from the Dominican Republic. In addition to your donations to these poor people, you could pray for them as well. Bless you and thank you for your charity to help your neighbors."

Monday, January 25, 2016

January 26, 2016
Monday, January 25, 2016: (Conversion of St. Paul)
Jesus said: "My people, today you are commemorating the conversion of St. Paul. There is a connection between these visions because there is My Light, but it blinded St. Paul as he could not see. This darkness is connected to a city without lights in a blackout. During this latest snowstorm, you saw hundreds of thousands of people without power. They are being quickly restored, but the snow removal is still going on. When you have blizzards, or high windstorms, you can see some power outages. This blackout is one perpetrated by people either turning off the grid, or the destruction of your relay stations. Shutting off your electricity, will be one of the plans of the one world people in their takeover attempt. I have told you that I will bring the Warning at the time of My Father's choosing. I will also prevent any takeovers before the Warning. After the Warning, you could see blackouts and a crash of your money and your markets. You may want to stock up on your food and water for the events that are coming, when your stores will be empty. You will see chaos in the streets when people are looking for food and water. I will call My people to My refuges then, because your lives will be in danger. Trust in My protection at My refuges, where I will multiply your food, water, and fuels."

(Solemn Vespers for Fr. Ventura) Jesus said: “My people, you read the Gospel yesterday in how I read a passage from Isaiah that spoke of how I would heal the people and release the captives of sin. Then I told them how this passage was fulfilled in their hearing. My priest sons are dear to Me, and I treasure all of their lives, especially Father Ventura, today. When a priest dies, it is a loss to My Church. Every priest has consecrated hands, and he performs different miracles for My faithful. At every Mass the priest offers a miracle of changing the bread and wine into My very Body and Blood. In the confessional My priests offer another miracle when they act through Me in forgiving the sins of those who come to Confession. My priest sons help My Church in offering Mass and sharing My sacraments. Give thanks to Me for the gifts of all of My priests. Pray for all of your priests and support them in their ministries. Pray also for more vocations to the priesthood. I love all of My priests and My faithful.”

Tuesday, January 26, 2016

January 26, 2016
Tuesday, January 26, 2016: (St. Timothy and St. Titus)
Jesus said: “My people, in today’s Gospel I sent My disciples out two by two to evangelize the people to believe in My ministry of the Kingdom of God. I told them not to take any money, food, or too many clothes. They should come to a town and stay in one house that has peace. The disciples were to take their meals and their keep at that house, for the workers in My harvest are worth their pay. My disciples prepared each city or town before I entered to speak. My son, you have been traveling, speaking, and evangelizing My Word for over twenty years. You see many similarities in this Gospel. You and your wife travel as a pair, like My disciples did. You have the people pay for your transportation, your meals, and your sleeping arrangements. You take no money for a stipend, and you do not profit from the sale of your books and DVDs. I am truly grateful for your ministry in sharing My Word, and enduring all of your travel problems for so many years. You are storing up treasure in heaven for all of your good deeds. I desire that other people would be as willing as you have been, because the harvest is great, but few are willing to do what you do. Pray that the Master of the harvest of souls will send out more workers into the vineyard.”
Jesus said: “My people, you have heard about the heavy snowfall that set records in many Eastern states. A somewhat hidden story is all about the coastal flooding that has caused billions of dollars of damage. The flooding is not over, because the warm temperatures will melt a lot of snow, and it will cause more flooding.

Continue to pray for the victims who lost their lives, or who lost their homes in the damage. Pray prayers of reparation for all of the souls who died suddenly without time for preparation before their judgment. The major part of this storm struck on January 22, 2016, which is the anniversary of your Supreme Court decision that has made abortion legal in America. You can see a link of punishment for this decision right over Washington, D.C. itself. I have told you that if you did not change your abortion law and repent of your sins, then America will suffer greatly from disasters and a takeover of your country."

End January 2016

February 2016

Wednesday, January 27, 2016

February 9, 2016
Wednesday, January 27, 2016: (St. Angela Merici)
Jesus said: "My son, in the Gospel you read of the parable of the Sower, and how My Word was the seed that was sown among the people. The seed on the rocky ground, represented those people who received My Word in joy at first, but they fell away for lack of roots for their faith. The seed among the thorns, represented the people who received My Word for awhile, but it was choked off because of the distractions of the world. The seed sown on good soil, represents My faithful who yielded fruit thirty, sixty, and a hundredfold. My son, as you go out to evangelize the people in your speaking trips, you are also spreading My Word as seeds of faith in the people's minds and hearts. It is saving souls in faith that should be the goal of all of My faithful. The stairway represents your mission to bring souls to the higher levels of heaven. Pray your St. Michael prayer for your protection on your trips."
Jesus said: "My people, you have seen your President issue an Executive Order that would allow him to declare martial law for any reason. He is following the orders of the one world people to set up a martial law to take over your country. A time will come before your elections when it would be time to discontinue the elections because of a made-up crisis. I have mentioned before that your martial law could occur from a combination of a country bankruptcy, a pandemic virus, and terrorist activities. Your Federal Reserve is planning to slowly increase your interest rates. Many people have been borrowing cheap loans to buy stocks,

especially those people who hold derivatives on home loans. As interest rates increase, your National Debt will grow faster because more interest would have to be paid. The existing derivatives will also fail as interest rates go up. In either case this could precipitate loan failures that could cause a bankruptcy of your financial system. This will cause a martial law that will bring in the North American Union, and a loss of your freedoms, and your money would fail. This would cause riots when people could not get their welfare checks or their Social Security checks. So prepare some food and water for hard times, and be ready to leave your homes for My refuges when I tell you. My angels will protect you on the way to My refuges, and at My refuges. Trust in My protection during the coming tribulation."

Thursday, January 28, 2016: (St. Thomas Aquinas)
Jesus said: "My people, it is not what you expel from your body that makes you unclean, but it is the evil that comes from the heart through your speech and your actions that makes you unclean. It is by the consent of your free will to do evil things, that you are held responsible for your sins. You have your guardian angel who prompts you to do good things, and it is the devil who prompts you to do sinful things. You have a constant battle going on every day between your body's sinful desires, and your soul's desires to follow Me. It takes spiritual courage and fortitude to abide by My laws for your life, because they are usually hard for the body to accept. When you live holy lives, you are also criticized by worldly people. Do not be concerned if you offend others with My ways, because you are not conforming to what is politically correct. It is better for you to obey Me, than to obey men. My ways are always better than your ways. It is not easy to follow Me, but I want you to have a clean heart so only good deeds will come out in your actions. Even if you should falter, I will forgive your sins in Confession. So call on My help every day to focus on My ways, and you will be on the right road to heaven."
Prayer Group:
Jesus said: "My people, others do not realize how much of a sacrifice it is to travel long distances twice a month. You have people pay for your travel, but it does take some stamina to carry your bags, and to wait in airports most of two days coming and going. Remember to pray your long form of the St. Michael

prayer for safe travel going both ways. You could also invite your prayer group members to pray for your safe travel, and a good reception for your talks."
Jesus said: "My people, you have seen both parties struggling to choose their candidates. The debates are showing you where they stand on the issues. You have a lot of differences between the candidates and the two parties. Your one party is supporting abortion and very liberal views compared to the other party. Pray that your leaders will do what is best for your country."
Jesus said: "My son, in addition to your books and DVDs, I have asked you to give out rosaries, rosary leaflets, scapulars, Divine Mercy leaflets, Confession preparations, and St. Michael long form prayers. Since you do not make money on your books and DVDs, you use any donations to pay for these handouts. You give a good example to others in helping their prayer lives. These sacramentals are your weapons against the evil demons. You also have advised people to buy St. Benedictine blessed crosses as an exorcism protection against temptations. You could also use blessed salt, holy water, and your holy oil from the weeping statues for healing prayers."
Camille said: "Hello everyone, I have not had many words in a long time. Thank you for tending our grave sites for Lydia and myself. I also want to thank you for putting up the old crucifix in your chapel, since it was a family treasure. I know you are thinking more of selling our house, but you really need to get working harder to clean it out and get it ready for sale. You are spending a lot of money and efforts to keep it up that is not necessary. I will be praying for all of you to come to Mass, and to sell the house."
Jesus said: "My son, you have been good at praying your Stations of the Cross on Fridays, and you use your Adoration DVD at times in the chapel when it is late or hard to get to My Blessed Sacrament. You could pray your rosaries more in the chapel because you will have more graces in this holy place. Your chapel has been a blessing, and there truly is a holy presence there. My angels are guarding your chapel from any harm because it will be a place of Adoration of My Host during the tribulation. You also know how your prayer group angel, St. Meridia, is also guarding your chapel. Give thanks to Me for bringing this about."
Jesus said: "My people, as you see evil getting worse, and events in your finances moving toward a crash, you know that I will bring My Warning before any serious crash. Once you see bankruptcies coming, I will have you leave your homes for the safety of My refuges. When the money crashes and food is scarce, there will be riots in the streets to find food, and your lives will be in danger.

Trust in Me to give all sinners one last chance to be saved in My Warning, before the Antichrist is allowed his reign. You will need My angel protection from the evil ones who want to kill you."
Jesus said: "My people, Lent is a great time for prayer and fasting that can help strengthen your souls. It lasts longer than Advent, so you have a longer time to keep your intentions of your sacrifices in line. Use this Lent for extra time in spiritual reading and Bible study. I have asked you to look harder at buying some DVDs or audio tapes so you could listen while you are traveling. In every day you have a little spare time, so make the best use of your time, especially during your Lenten Season."

February 9, 2016
Friday, January 29, 2016:
Jesus said: "My people, as you read how even King David committed a sin of fornication, you are seeing the weakness of men and women in how they are attracted to each other to have relations. My people know My Commandments, and it is a mortal sin to have relations outside of marriage. Fornication and homosexual acts need to be confessed in Confession. My faithful need to get married in My Church with the sacrament of Matrimony, in order to have proper relations. When people live together outside of marriage, they are living in sin, and they need to be properly married. When you confess your sins, you pray to have a proper discernment not to commit the same sin again. This is why it is hard to have a true forgiveness in Confession when you are living a sinful life together. Even married people need to avoid birth control devices, and follow My Church's accepted Family Planning. Giving birth to new life is a precious gift that should not be violated with abortion. If you want to be saved in heaven, and live a pure life, then you need to follow My Commandments, even despite any human desires for relations. I forgive sinners in Confession, but you need to avoid living in sin if you want to be with Me in heaven. You need to control your passions, and live a pure life so you do not offend Me in your sins. Those people, who strive to live a pure life, will be rewarded with Me in heaven."

Saturday, January 30, 2016:
Jesus said: “My people, places that have a lot of water are blessed to support the vegetation, trees, and bushes. You may need the drains to control the water for the rain. In life you have polluted water and fresh water. This is your choice to choose to be with Me, or with the ways of the devil. If you understand the glory of My creation, then you understand a little of My love for you, because I created you through your parents. I give you life and a soul, and you will either live a good life with Me, or an evil life by ignoring My love. Choose life because you are choosing your eternal destination of heaven or hell.”
Jesus said: “My people, I chastised My apostles for their little faith, since I was in the boat sleeping. So I awoke and calmed the sea so they would know by My miracles that truly I am the Son of God, and the promised Messiah. Even as I tested My apostles, all of you are tested by the trials of life. Since Adam’s sin, all of you have to work by the sweat of your brow to make a living, and provide a house and your meals. Everything that you have, I have given you, and I help you to provide for your survival. You should remember that fears, anxieties, and worries are from the evil one. I know in certain trials, you may have some human fear of losing your life, but you can pray to Me, and I will have My angels protect you. If you have full trust in Me, you will not fear any evil, harm, or sickness. If you believe that I love you so much, you know that I will help you when you call on Me in faith. When you have the gift of faith, you will live in My love, and have no fear. Even if you are called to be a martyr for faith in Me, I will minimize your pain, and you will become an instant saint. Never deny Me under any circumstance, because I am with you always. Those faithful, who live in My love, are always happy to carry out their mission, and do everything out of love for Me. Live in peace and joy every day, as you use your time for prayer and good deeds for My greater glory.”

February 9, 2016
Sunday, January 31, 2016:
Jesus said: “My people, today the priest was talking about how the Blessed Trinity created the universe, the earth, man and woman, and all the plants and animals as in Genesis. There are many atheists who do not believe the true creation account, and they even mock My believers for doing so. Those people, who do not believe in God, are the promoters of Darwin’s theory of the origin of

species. It is true that there are mutations within each specie, and sometimes you artificially cross-breed some animals and plants. There is order in My universe, and among the plant and animal kingdoms. You do not have order come out of chaos or chance. All of the planets are in elliptical orbits around the sun, similar to how atoms have electrons orbiting the nucleus. There is intelligent design from God in everything. Darwin's Theory is only a theory, meaning it is not actual fact, and cannot be proven. There is no proof that one set of chromosomes could go to a higher number in an animal or a plant. Evolution or mutations can only occur within one specie, but not between different species. Men and women are also made in My image with a soul and a free will. This spiritual part of man is far above Darwin's explanations, because the body and this earth are passing away, but the soul lives on forever. So trust in My account of creation, and not the imperfect knowledge of man's theories."

February 9, 2016
Monday, February 1, 2016:
Jesus said: "My people, you read in the Gospel how I cast the thousands of demons out of the possessed man. I am more powerful than all the demons, and they fear My Name and My Presence. As you look around at people, you can see how they are controlled by their addictions to drugs, alcohol, sports, and electronic devices. There are demons linked to these addictions, and that is why it hard to break these addictions. People are suffering depression and other symptoms from their addictions. When people do not have Me in their lives, they are more susceptible to being controlled by demons and addictions. When you pray to release these demons, it may require an exorcist priest, or your strong deliverance prayers with holy water or blessed salt. You can pray your binding of the spirits prayer to the foot of My cross in My Name, Jesus. You can pray your long form of the St. Michael prayer for these people as often as you can. When there are more than one demon, it may require prayer and fasting to expel the demons. Have your family wear their weapons of scapulars, St. Benedict crosses, rosaries, and blessed salt for protection against the demons and their addictions. The demons are always fighting for your soul every day, so you need your daily prayers and consecration to Me and My Blessed Mother for your protection. When you wear your blessed sacramentals, come to at least Sunday Mass, and monthly Confession, and I will be protecting you with your guardian

angel."
Jesus said: "My people, you will be seeing more complaints about placing holy images, crucifixes, or the Ten Commandments in public places, and even on church property. The atheists, who believe in worshiping Satan, will be allowed by your courts to place images or statues worshiping Satan next to any holy images that can be viewed in public. You will begin to see more people openly worshiping Satan and the Antichrist, as time draws closer to the Antichrist's time of declaration. Christians and all believers in God will be persecuted more and more, until your lives will be in danger. This will be the time when you will need to come to My refuges for protection. These houses of prayer will be places of refuge guarded by My angels. Have trust and hope in My power that will protect you throughout the whole time of the tribulation which I will shorten for the sake of My elect."

February 9, 2016
Tuesday, February 2, 2016: (Presentation of Jesus in the Temple)
Jesus said: "My people, you are commemorating My Presentation when I was circumcised and given My Name from the angel. You read about how Simeon and Anna were blessed to see My day. All of you are starting out in life with some kind of initiation. For Catholic families you are baptized, and your name is recorded on your Baptismal certificate. There are some parents who are spiritually lazy, and they neglect to have their children baptized. Baptism is your entry into your faith with Me. Your godparents are to look after your spiritual welfare, as well as your parents. It is your upbringing by your parents that can put you on the right road for knowing and loving Me. Some people are converted later in life, but a good number of Catholics are brought up with their parents bringing them to Sunday Mass. My death on the cross has enabled sinners to be freed from original sin at their Baptism. You can repent and confess your sins at any time, because I have paid the price for your soul. Having faith in My leading your life, is a blessing because I am directing you to be with Me in heaven. When you love Me, you are also called to love everyone, even those people who persecute you. When you truly appreciate your gift of faith and My love, you want to share it with everyone. You also are called by your Baptism to evangelize souls so they can be saved from hell and the devil's temptations. Live in My love, and you will have the greatest joy possible in this life."

Jesus said: “My people, do not be curious about many things, because it is only important to know, love, and serve Me. Sometimes people travel a lot because their work requires it. Other people travel because they are curious about things in other countries. Wherever I have placed you, it is for a reason to carry out your mission there. I have mentioned before that you all have unique talents that were given to you to perform your mission. So place yourself in a job or position that can best utilize your talents to help people. As you looked at Bl. Mother Teresa’s life, you can see how she was inspired to help the poor, no matter what obstacles she had to overcome. Even despite her darkness at times, she kept focused on her original mission. This should be everyone’s goal to carry out the mission that God gives you. If you are unclear about your mission, then ask Me in front of My tabernacle in silence, and I will direct you. By listening for My Word in your heart, you will know what you are being asked to accomplish. At the end of your life, you can recall St. Paul’s words: ‘I have fought the good fight, and I have finished the course. Now you can take your servant home.”

February 9, 2016
Wednesday, February 3, 2016: (St. Blaise)
Jesus said: “My people, I have shown you in the vision how there are masonic Cardinals in My Church leaders who will bring about the division in My Church. It is the black hooded Cardinals who are masons in My Church. The smoke of Satan is in My Church, even in the Vatican. I have told you before that a split will come between the schismatic church and My faithful remnant. The schismatic church will teach New Age traditions, and declare that the sexual sins are no longer mortal sins. These evil ones will mislead many in My Church, as they will worship crystals and things instead of Me. The faithful remnant will teach the faith of My apostles, and they will be persecuted by the schismatic church, and later by your government. My faithful remnant need to be prepared to leave for My refuges when their lives are in danger, and when I will tell them to leave under the protection of their guardian angels.”
Jesus said: “My people, you have different means of defense for your country. Your National Defense Department spends billions of dollars on warships, submarines, jet planes, along with the bombs, guns, and ammunition for your troops. These troops defend your country from the many nations that want to take you over. There is another defense at your refuges where My angels will be

defending you from the evil one world people who want to kill you. This will be a spiritual and physical defense against the evil ones and the Antichrist. There is another defense for individuals when you use My blessed sacramentals of scapulars, rosaries, St. Benedict crosses, blessed salt, and holy water. The sacramentals, along with your prayers and Masses, help protect you from the temptations of the demons. Monthly Confession and My Blessed Sacrament will help strengthen you against the devil's temptations. It will be My angels and My sacramentals that will defend your body and soul against the evil ones. Rejoice in My weapons of protection that are a far better defense than your guns and bombs."

Thursday, February 4, 2016:
Jesus said: "My son, just as I sent My apostles out two by two, so I am sending you out with your wife as two of My disciples of this day. You have just witnessed how people received your blessing for their health problems. You also were praying for conversions in the families for those people who were not coming to Mass. You give talks of My words of preparation for the coming tribulation, and you give the people hope in My protection at My refuges. You travel light, and you have the people provide for your transportation, food, and a place to stay. Your evangelization mission is similar to My apostles, and you are now adding a mission of providing an interim refuge. You have given Me your 'yes' for these missions, and I have provided the means to carry out My plans for your work. I am grateful for your dedication in following My requests, and for all of My refuge builders who will be providing safe havens for My faithful remnant."
Prayer Group:
Jesus said: "My people, you are aware of certain people who worship Satan, and some of these people hold high offices in your government. These same people visit Bohemian Grove in California where they worship gods in the owl and other evil things. This vision of a demon speaking through a man, is a preview of how the Antichrist will be speaking as a demon incarnate. Many of your evil laws are being implemented by some evil leaders who worship Satan. This evil will reign for a short time before I will bring My victory over all of the evil ones."

Jesus said: “My people, be aware that a mandatory chip in the body was part of your original Health Care Bill. You have been forced to accept microchips in your passports, driver’s licenses, and now in your charge cards. The next step will be to force everyone to have a microchip in their body. This chip will control your free will, so refuse any chip in the body. They will start with captive people as the military people first. Then those people, who get payments from the government, as welfare, or Social Security checks. Those people, who refuse chips in the body, will be taken to the death camps. When chips are mandatory in the body, I will warn My people that it is time to come to My refuges.”
Jesus said: “My people, you are gradually losing your freedoms to a socialist state. Your President is gradually thwarting Congress, so your freedoms will be lost to a communist way of control. The white star represents your republic, but it is gradually turning to a red star that represents a communist state. This is the precursor for your country to be a part of the North American Union. When your rights are taken away, you will need to come to My refuges of protection.”
Jesus said: “My people, you should be aware that your government is behind all the chemtrails that are being placed in your skies. These are not contrails of water and ice, but these chemtrails contain aluminum oxide, Barium ions, polymeric fibers, and viruses. They spread out and they can cause flu-like symptoms among the people on the ground. Most samples that were analyzed, caused flu symptoms on the lab people. Pray that you can get the military to stop spraying these deadly mixtures in your skies.”
Jesus said: “My son, you have visited one of the detention center death camps that are equipped with gas chambers and crematoriums. Those people, who do not go along with the coming new world order, are going to be killed at your death camps. Signs are being made, and troops are training to carry out martial law. I will warn My faithful to leave for My refuges before martial law is declared. Trust in My angels who will protect you from the evil ones.”
Jesus said: “My people, your electric grid could be turned off at any time the one world people want to take over. Your banks could not easily transact business. Your gas could not be pumped, and frozen foods would spoil. Your economy would fail without electricity. This is why you need solar power, or adapt things to work without electricity. This grid failure would be another reason to come to My refuges. Trust in Me for your survival, even if you have to go back to living without electricity.”
Jesus said: “My people, I have been preparing you for the coming of Lent next week with its prayer and fasting. Some people choose to offer something up for

Lent that is some kind of a suffering, or doing without something that you like. If you cannot fast from food, you could avoid eating sweets, or stop watching television. You could do some extra exercise, or some extra Bible study. You need to fast from meat on Ash Wednesday, and the Lenten Fridays. You may fast from snacks between meals. You could also continue to pray the Stations of the Cross on Fridays. You have many options for prayer, fasting, and penance. You could also come to frequent Confession at least once a month. By doing these penances, you could strengthen your spiritual life, as you try to please Me in avoiding your sins. Pray to Me that you could be firm in staying with your intended Lenten devotions."

February 9, 2016
Friday, February 5, 2016: (St. Agatha)
Jesus said: "My people, today you have many forms of pollution in your air and water, and even your foods have been genetically altered. Some of your medicines can even be poisons for your body. This is why natural remedies, herbs, and vitamins can help keep you healthy and cancer free. You have seen some unusual methods to heal people with natural means. Even your calcium aspartate has helped your bone spurs and your wife's knee. If some new therapies have no harmful effects, and they can heal people, you need to be open to try something new. When you pray over people, you have seen some healings as well, when people have faith in My healing power. Trust in Me to lead you to ways of healing that you can share with people. Once I invite you to My refuges, you will see miracles of healing when you look on the Luminous Cross, or drink the spring water, and even holy water."
Jesus said: "My people, I have shown you a Moslem leader that is sitting on a throne in your vision. This will look like how the Antichrist will be allowed to reign over the world for a short time. He will have demonic powers to control people's minds through his eyes. This is why I told you to get rid of your TVs and computer's out of your homes after the Warning, so you do not look at his eyes, as he could get you to worship him. I will send My angels to protect you at My refuges, so you are protected from any demons or evil people. This will be an evil worse than you have ever seen before. It is only by My power that I will defeat these evil ones, and bring about My victory. Follow My directions for your protection, or you could be controlled by the Antichrist over your soul and

your body. Trust in My power that is greater than the demons."

February 9, 2016
Saturday, February 6, 2016: (St. Paul Miki & companions-Japan)
Jesus said: "My son, in the first reading I gave Solomon a choice for whatever he wanted. He asked for understanding to rule his people of Israel. Because he did not ask for money, victory over his enemies, or a long life, I blessed him with wisdom and lavish gifts of riches. My son, you have desired to do My Will when I asked you to do My mission of evangelizing souls for the tribulation. This is why I have shared My messages with you, and why I guided you in your books, DVDs, and your website. The Holy Spirit has enabled you to write down the messages, and help you in your talks. You did not choose to make any money on your books, DVDs, or any stipends for your talks. Because of your faithfulness, you have been blessed with enough money to build your chapel and kitchen addition, and your refuge needs. Continue to guard your prayer life, and to be obedient to My instructions for your refuge. Give thanks and praise to Me for all that I am doing for you, as you are doing well to carry out both missions of evangelizing, and providing a safe haven for people."
Jesus said: "My son, I have told you several times that during the tribulation, your refuge angel will bring you daily Holy Communion, if a priest is not present. I showed you one vision of when you saw a young man receive a Host on his tongue. As you open your mouth, the angel would also place a Host on your tongue. If a priest can have a Mass, you could receive Holy Communion on the tongue as you do now. Pray that you can have a priest for every refuge, so you could repent of your sins in Confession. Pray also that you will have your Hosts and wine multiplied for all the time that you are at your refuge. Give thanks and praise to Me for all that I do to protect you."

Sunday, February 7, 2016

February 9, 2016
Sunday, February 7, 2016:
Jesus said: "My people, today's vision of a drum being beaten is a sign that I need your attention to be My evangelists of the people. When I performed a miracle of a large catch of fish, I definitely got the attention of My future apostles in St. Peter, St. John, and St. James. After they arrived at the shore, they

gave up their fishing business to be fishers of men. As you approach Lent, you are focused on penance, fasting, and prayer. It also is a good opportunity to train yourself in the faith and the Scriptures, so you can go out and evangelize souls to the faith in Me. There is a great harvest of souls, but I need to send more workers out into My vineyard to save souls from hell. I called My apostles to evangelize, and I am calling My faithful to also follow Me to evangelize souls. You also are in need of more priests, so pray for your priests, and pray for more vocations to the priesthood. When you follow Me in this work, you are building up My Church for My greater glory."

Monday, February 8, 2016

February 9, 2016
Monday, February 8, 2016:
Jesus said: "My people, in the Scriptures and in today's Gospel, you have read of the many people that I healed, even from a distance, when people had faith that I could heal them. I have mentioned before how I wanted to heal the whole person, which is why I healed the soul first by forgiving the sins of the person. Then I healed the body's sickness or pain. I even gave healing gifts to My apostles, and they were able to heal people in faith as well. Even today, I have given healing gifts to some of My faithful prayer warriors. You, My son, have prayed over people, and you have witnessed some people being healed in faith. Give glory and thanks to Me because all healing comes through faith in My healing Word."
Jesus said: "My people, I am giving you another Warning message that shows how you will all receive a life review of your actions at the same time, as you travel outside of your body and outside of time. This vision of a kaleidoscope of your actions is a portrayal of your life review where you will be able to focus on Me as the center of your lives. You will remember all of your unforgiven sins, and you will see how much your sins offend Me. At the end of your life review, you will receive a mini-judgment to heaven, purgatory, or hell. During your Warning experience, you will be told that you can only come into My refuges unless you have a cross on your forehead given to you from My angels. Only faithful people who pray and practice their faith will receive a cross on the forehead. Once you return to your body, My faithful will help others to change their lives so they can receive their cross on the forehead. The reason that I am giving you this Warning message again, is because I will bring My Warning before martial law, and before your lives will be endangered. The one world

people want to kill all of My believers, so I am having My faithful set up refuges of holy ground, so they and others can be protected from the evil ones. Give thanks and praise to Me for getting souls prepared for the coming tribulation."

Tuesday, February 9, 2016

February 9, 2016
Tuesday, February 9, 2016:
Jesus said: "My people, I am showing you a vision of an exploding volcano with smoke, ash, and rock being thrown high into the sky. In some cases it causes darkness, and it could even affect your weather and the temperature. Even planes had to fly around these plumes as in Iceland. There will be an increase in disasters and bad weather, as these are true signs of the end times. Do not be afraid of these things because once you need to come to My refuges, My angels will protect you from any harmful disasters or virus plagues. I am warning you to be observant of these things, when they happen. Know that when you see them, that My victory over evil is near."
Jesus said: "My people, you are familiar with the account of Jonah when I called him to warn Nineveh, that in forty days they would be destroyed, if they did not repent. The people and the king took this warning seriously, and they changed their ways, and repented of their sins. They even fasted and sat in sackcloth and ashes. Because they repented of their sins, I did not carry out the punishment that I was prepared to bring down on Nineveh. Jonah was unhappy, but I helped him to get over his disappointment. This is a fitting story to start Lent with prayer, fasting, and repentance. This story of warning is also similar to your warning of America, My son. If America does not stop its abortions and repent of its sins, I will bring My punishment against you. Your punishment will be carried out by the one world people taking over your government. You have the potential to repent and ask My forgiveness, but only a few of you are sincere to change your lives. You have another Lent to use for improving your spiritual life. Remember to look into your Bible study that I suggested in an earlier message."

Wednesday, February 10, 2016

February 25, 2016
Wednesday, February 10, 2016: (Ash Wednesday)
Jesus said: "My people, there is a great symbol in wearing ashes, because it reminds you that you came from dust, and unto dust you shall return. This life is very delicate because of your mortal bodies that only live a short time, relative to

eternity for your soul. This is why you need to live your life to the fullest for love of Me. During Lent, you are called to your Lenten devotions of fasting, prayer, and almsgiving. You have been blessed with faith in Me, and you need to share your love and your gifts with others. You could share donations with your local food shelves, and some worthy organizations that help the poor. I also recommended looking for some good Bible study DVDs so you could enhance your knowledge and understanding of My Word in the Bible. Remember to fast between meals, and pray the Stations of the Cross on Fridays of Lent. You also should fast from meat on Fridays as well. By making some extra sacrifices or penances for Lent, you can improve your spiritual life of the soul."
Jesus said: "My people, you are looking at some signs in the world economies that are pointing to a possible recession. You have been watching your stock market getting close to a bear market in lost stock value. A good number of investors are choosing secure investments in Treasury bills where the rates have gone down considerably. Your labor market is not producing as many jobs as before, and you are seeing layoffs, especially in the energy stocks. Europe, Japan, and China are experiencing slowdowns in their economies. Oil prices have dropped the most, even though low gas prices are helping your consumers. Your National Debt is growing at a fast rate. If you put all of these signs together, you can see how America is pointed toward a recession. The one world people could take advantage of this bad financial picture, by crashing your money, and turning off your electric grid. Your Federal Reserve still has a large balance sheet that could cause a bankruptcy, if they tried to sell their Treasury bills too fast. The Federal Reserve may pause any interest rate hikes because of your turbulent markets. They are the buyer of last resort for your debt instruments, but more quantitative easing by printing more money, could cause inflation. Pray for your country's economy not to fail, because of your large debt and deficits. Trust in My protection at My refuges, when there will be chaos in the streets."

February 25, 2016
Thursday, February 11, 2016: (Our Lady of Lourdes)
Jesus said: "My people, the first reading was focused on 'choose life', whether you choose the blessing or the curse. Those people, who follow My Commandments of love, are promised eternal salvation in heaven. Those people, who ignore Me and worship other gods, are on the road to the curse in hell. It is

by your actions that you are judged, so use this Lent to be inspired to help others as much as you can. In the Gospel it speaks of being committed to pick up your cross, and carry it with Me in all that you suffer. Life's trials are unknown, and they can be difficult at times. Call on Me to help you through your trials, and they will be less difficult. Unite your suffering with Me on My cross, as I died for all of your sins. When you call on Me, I will give you sufficient grace to carry out your mission."

Prayer Group:

Jesus said: "My people, in the Northern winter weather you are having a cold spell like you had last February, 2015. If outside faucets are not protected by taking off any hoses, you could see frozen faucets that have to be replaced. You even experienced a frozen water line when it ran through your root cellar that got too cold from an open window. Also, when you are traveling in very cold weather, you need to have some warm blankets and some food, in case you get stranded in a snow storm. You may also need a shovel and a broom to clear the snow off your car. You may want to keep your gas tank full after it comes down to half, to avoid water condensation. By making prudent preparations, you can travel safely to your destination. Also pray your long form of the St. Michael prayer coming and going."

Jesus said: "My people, you are seeing your markets slowly degrading as some people are shorting your market as in 2008. If this drop continues, you could see some effects on your economy in layoffs and bankruptcies. If you have another recession, your central banks could be in trouble both abroad and in America. You have relied on your technology, but when people cannot buy things, they will have trouble with jobs, and buying food and water for survival. Be prepared to come to My refuges when your lives are in danger."

Jesus said: "My people, you just started Lent with your ashes yesterday. Now, you need to choose what penances you want to offer up for Lent. Even fasting between meals can be a challenge when you are used to having snacks, especially at night. Even if you give up sweets and desserts, it is hard at first, but after a while you get used to less eating. Continue to work on improving your spiritual life with prayer and fasting. This is the best way to root out any of your addictions."

Jesus said: "My people, be ready to reach out and help people with their needs by using your talents in fixing things. It is easy to give donations to the poor, but you may have to go out of your comfort zone to help people with food or transportation. You may do other good works by visiting people in hospitals or

nursing homes. You may even do extra help for your children or your parents. If you notice that someone has a need, you can volunteer to help them before you are asked to help. By doing good deeds out of love for Me, you will be living your Christian faith."
Jesus said: "My people, you cannot just be satisfied with doing only your normal prayers in Lent. You need to expand your prayer life by adding some spiritual reading, and possibly some Bible study. When you study the Scriptures, you can have a deeper understanding of My Word. When you read the lives of the saints, you could imitate their ways of growing holy. When you search for a deeper love relationship with Me, you can see how you are sometimes blinded by the world's distractions."
Jesus said: "My people, since Lent is all about repentance for your sins, you can take some time to prepare to make a good Confession. Before you go into the confessional, you need to make a good examination of your conscience to remember what offenses you have committed since your last Confession. There are many good suggestions to read that look at the various sins in each Commandment. Once you confess your sins, you need to do your penance from the priest, and be thankful how I forgive your sins in Confession. Pray for your priests that help you in Confession."
Jesus said: "My people, once you have chosen some penances for Lent, then you need to pray to Me to help you continue your plan for all of Lent. When you do things to help your soul spiritually, you will see the body rebel and complain that it is too difficult to keep it up. This is where the soul has to be stronger than the body in being steadfast to continue your penance, despite any suffering or inconvenience for the body. The more the soul can overcome the body's weaknesses, the better your spiritual life will be."

Friday, February 12, 2016:
Jesus said: "My people, you live a complicated life rushing around to do your errands and entertainment, but then many of you do not leave enough time of the day for Me in your prayers. Do not let the world and all of its distractions take your focus off of Me, because I should be the center of your life. Lent should be a time to think more of how to please Me with your love, and how you can communicate your love for Me in your prayers and good deeds. This means you need to make more time for Me in your priorities each day. This should be all the

time, and not just in Lent. I love all of you, and I provide for your needs. I also watch out for your protection from harm to your body and your soul. Instead of asking My help on certain occasions, call on Me in consecrating everything you do each day over to Me. By making Me more a part of your life each day, I will see how sincere your love is for Me."

February 25, 2016
Saturday, February 13, 2016:
Jesus said: "My son, I want you to be careful about what you hear in the world that you do not understand. I call you to research these subjects, and call on Me to assist you in your understanding if these things are true and can be substantiated. In the Gospel you are reading of My call to Levi, the tax collector. I later called him Matthew, and you are familiar with the Gospel he wrote under the inspiration of the Holy Spirit. My apostles were with Me during My public life. I led them to go out two by two to spread My Word of love in the Scriptures, and to preach about the coming of My Kingdom, which is My Presence among the people. As I called My apostles, I also am calling My baptized faithful to go out and share My Word to convert souls to the faith in Me, so they can be saved from hell. You are being purified and cleansed during this Lenten Season. I have called you, My son, to a special mission for Me to prepare the people for the end times. You have been faithful to both your mission of spreading My Word, and preparing your refuge. Do not have any fear of what is coming because I will protect you at My refuges."
Jesus said: "My people, during Lent you may choose to not eat sweets as a penance or suffering for the body. Keep in mind that you fast between meals, and choose penances in order to restrain the desires of the body so the soul is in control of the body. Some people choose Sunday as a day without your penances. So excuse yourself from eating sweets to be true to your suffering for My sake. You also heard from your friend about more proof that the evolution of man cannot happen by itself. The chance of forming life from nothing, or changing species are astronomical, meaning impossible. The chance of order coming out of chaos is equally impossible by scientific probability. It is sad that your children and adults are being brain washed by atheists teaching bad science that is a denial of Our creation of the world. These atheists are forcing colleges and schools to teach theories as fact, when there is no way to prove Darwinism or the big bang theory. These theories are all means to deny Our creation, and

deny My existence. You do not have to believe these lies, even if people do not accept you in school or they mock you in society. I know your heart, and I thank you for believing in Me more than man."

Sunday, February 14, 2016

February 25, 2016
Sunday, February 14, 2016:
Jesus said: "My people, in the Gospel you read of My fasting for forty days, and your Lenten devotions are also for forty days. In the desert you read of the three temptations of the devil. One was for bread, one was for fame in the world, and one was pride. For man in this world, you are also tempted by the devil in similar ways. First you are tested by food where some are gluttons, and some have no food. Your fasting between meals, or giving up certain foods, helps the soul to control the body's desire for more food than is necessary to eat. A second temptation could be a strong desire for money and possessions. Do not let anything control you, or become an addiction or a god for you. I give you sufficient things for your life, so trust in Me to provide for you without worrying about how you will have food to eat, clothes to wear, or a house to stay. A third temptation is how some people desire fame or social status to be important in people's eyes. You need to be more humble, and do not be taken up with your pride in having riches or knowledge to show off to people. You are celebrating St. Valentine's day, so you need to show your special love for your wife or sweetheart. You extend that love to put Me first in your lives, and to love your neighbor and help them in their needs. When you love Me and everyone, you are preparing yourself for the love of being in heaven."

Monday, February 15, 2016

February 25, 2016
Monday, February 15, 2016:
Jesus said: "My people, in today's reading from Leviticus, you are being reminded that in order to be holy, you need to follow My Ten Commandments. These laws are formed on My two Great Commandments, which are to love Me with your whole heart, mind, and soul, and to love your neighbor as yourself. This is an appropriate reading for Lent to focus more on being obedient to My laws. The Gospel reading extends this love of neighbor into your actions by feeding the hungry, clothing the naked, and housing the homeless. When you help the least of My poor people, you are helping Me in them. You are seeing at

the judgment how I will separate the goats on My left, and My sheep on My right. Those people, who reach out to help their neighbor, are the righteous people who I will welcome into heaven. Those people, who neglect their neighbor and are selfish for their own pleasure, will be the goats who will be cast into the everlasting fire of hell."
Jesus said: "My people, I am encouraging you to drink spring water which has minerals, or mix mineral water with the fresh water. Much of the water that you drink is devoid of your needed minerals for good health. You need enough magnesium, selenium, and other minerals to help your body's functions. If you drink enough water, you can cleanse your body of the toxins and some fat that needs to be flushed out of your body. Drinking water is better than your flavored or carbonated drinks. You also need to eat healthy food without too much red meat, but with plenty of vegetables. By eating a balanced meal of the right kind of carbohydrates, protein, and fat, you should keep your body disease free. You can control your weight and health with a proper diet. Even when you are fasting between meals, you are giving your body a rest from digesting food. It is important to not abuse your body, but to eat healthy foods and drink plenty of water. By following My instructions, you can live a good and happy life with very little sickness. At My refuges you will be healed of all of your health problems by looking on My luminous cross, or drinking the healing spring water. Rejoice in My protection and My healing of the body and soul."

February 25, 2016
Tuesday, February 16, 2016:
Jesus said: "My people, you read in the Gospel how I taught My apostles how to pray with the 'Our Father' prayer. You have many intentions for your prayers, and during Lent you should take more time to pray and repent of your sins in Confession. I died for your sins out of love for all of you. You can unite your suffering with Me on My cross. A good prayer life is needed, because you can come to Me to help you with your daily troubles. Those people, who do not know Me, are carrying crosses that are twice as heavy without Me. I should be at the center of your lives because you were created to know, love, and serve Me. Your Lenten devotions are all meant to strengthen your spiritual life in this world of evil people and evil demons. I am more powerful that these evil ones, so call on My help, and I will send My angels to help you."

Jesus said: “My people, after your abortion decision anniversary, I told you that you would experience more disasters and problems with your finances. You have seen heavy snowstorms in the Northeast, along with some ice storms. In the Southeast you have been seeing tornadoes and high wind storms cause a lot of damage. You have also seen a turbulent stock market as your oil prices are seeking stability. You have seen another threat to your Supreme Court when Justice Scalia died. If another liberal judge gets appointed, then your Supreme Court could pass more decisions to take away your rights. Pray for your country to repent of its sins and stop your abortions, or you will see worse punishments.”

Wednesday, February 17, 2016

February 25, 2016
Wednesday, February 17, 2016: (7 Founders of the Servite Order)
Jesus said: “My people, you are experiencing one of the small punishments with all of these storms. Pray for the homeless and all the hardships that people are suffering from your big snowfall. In Nineveh the people repented and changed their evil ways, so I relented from the punishment that I was going to bring down on Nineveh. My people of America have the same opportunity to repent of their sins, and change their sinful ways. If you do not stop your abortions, then I will continue to send punishments for your sins. You are seeing a reflection of the violence of your sins in the violence of your weather. Lent is a time to repent and change your sinful habits. Take heed of this opportunity, or worse punishments will befall you.”
Jesus said: “My son, you finally have completed the installation of your solar panels, the inverter boxes, and the six batteries. You have been patient in having the remaining control boxes put in place. With your snow in the winter, you are seeing how it will be difficult to generate any power when the solar panels are covered with snow. This is why you need your fuels for heat and cooking, as well as your oil lamps and flashlights for light in the winter. Once the weather changes, you will be generating more power, and you may need more batteries to store the power that you will need. It would be prudent for you to order at least six more batteries, so you can save the power that you are making. Once you are off the grid, you will have no other place to send your excess power. You can also use more batteries to power any light or electrical needs during the night. I thank you for carrying through with the projects that I have given you.”
Colors on mail boxes in Michigan: Jesus said: “My people, these colors that are being placed on your mailboxes, are codes for the foreign military people when

they will be enforcing martial law. They do not all know English, so they need color codes to know what to do with the people in the houses. You know red and blue mean to kill people before and after martial law. The other colors indicate if the occupants believe in God or not, and how these troops will send people to various slave camps for making food and other needs. It is important to leave your homes for My refuges when I tell you, so you will not be home when the foreign troops come to get you. If you can remove these stickers, this will confuse their plans. Trust in Me to protect you from these soldiers who want to kill you."

Thursday, February 18, 2016

February 25, 2016
Thursday, February 18, 2016:
Jesus said: "My people, in the first reading you read how Queen Ester prayed to Me so she could approach the king with a request for her people. Anyone who approached the king without being asked, could face death for such an action. In the vision you are seeing a crown put on your President, as he is reigning like a king over his people. He has defied your Constitution and the Congress in being uncompromising, and making fiat laws for what he wants. Now he wants to control the Supreme Court with one of his own candidates. The one world people are guiding your President to a takeover of your country in making America a communist state of the North American Union. I have mentioned before that unless your people rise up against him, you will lose all of your rights, and you will be subject to him as a king or a dictator. You are planning for your election of a new President, but do not be surprised if your President finds a way to remain in power. If you see such a takeover, then My faithful will need to prepare to leave for My refuges when your lives will be in danger. Do not be afraid of any takeover of your country because I will protect you from anyone who wants to kill you. Call on My help, and My angels will bring you to My refuges."
Prayer Group:
Jesus said: "My people, I have told you that fresh water will be needed for all of My refuges. It would be ideal to have a fresh water source at all of My refuges. You could save some water in a good number of food grade 55 gallon blue barrels. You have some water in your hot water tank, and some in your sump wells. You could capture rain water from your drain spouts from the roof, when temperatures are above freezing. You can also melt the snow for water in the

winter. Your runoff water could be used for bathing or sponge baths. Any water for drinking could be filtered with your silver ceramic filter. As more water is needed, you could call on Me to multiply your barreled water, or I could provide a spring for a constant source of water. Remember when I had Moses strike the rock for water in the desert, so you know that I can perform miracles to provide water for you."

Jesus said: "My people, in the winter the snow could cover your solar panels, so you will need wood in a wood burner, kerosene in a kerosene burner, and propane for gas heaters. If you have some electricity, you may use a space heater at a low setting. You may need gasoline for farm machinery. I could multiply your fuels as they are needed for heat and cooking."

Jesus said: "My people, at your refuges you could store three kinds of food on your shelves. Your dried food or dehydrated food could last the longest up to forty years. You need heat and water to restore this food for eating. You have MREs or 'meals ready to eat' which last about fifteen years, and this could be eaten right out of the pouch. You also have canned foods that could last five years or longer. I will also send deer into your camps so you could have fresh meat. If necessary, I will multiply your food for your survival. Trust in Me to feed you for as long as it takes during the tribulation."

Jesus said: "My people, at your refuges you will need a place to eat with dishes, tables, silverware, chairs, and possibly shifts may be needed for eating. As night comes, you may need some of the same eating space for placing your cots and beds along with blankets and pillows. For your hygiene needs, you will need wash water, soap, toothpaste and brushes, shavers, and any other needs for your hair. You could use sinks, bathtubs, and vanities for washing. You may also need an outhouse like your shed when you do not have flush toilets working. This will require some lime bags for curing any wastes. Even a movable shed may be necessary. You also may need soap for cleaning your clothes and washing your dishes. Having a first aid kit may be needed for cuts. I will again multiply any of your supplies for many people."

Jesus said: "My people, at My refuges you will be praying more, and My angels will bring you daily Holy Communion if you do not have a priest. If you have a priest, you will need wine, hosts, candles, Mass books, and song books. A chapel would be a good place for Mass and a tabernacle and monstrance for Adoration. You will need vestments for the priest, and other altar aids, with an altar and a crucifix. I again will have My angels multiply the wine and the hosts for Mass to accommodate all the people. You could use a consecrated Host in your

monstrance for Perpetual Adoration. You will need to assign hours for people to adore Me all the time. I will be with you throughout the tribulation in My Hosts and in your prayers together."
Jesus said: "My people, some of My refuges may have limited electricity with gas generators or solar power. I will protect any electric sources from any EMP attacks or any malfunctions. Any electricity could be used to power lights, refrigerators, sump pumps, fans, and smaller electric tools. If you do not have electricity, you will need windup flashlights, kerosene or lamp oil for your oil lamps with the fuel and extra wicks. You will need matches for lighting burners and lamps."
Jesus said: "My people, My refuges will be at My Blessed Mother's apparition sites, places of holy ground, shrines, monasteries, places that have adored My Blessed Sacrament for years, and caves. I will give all of My faithful an interior message when it will be necessary to come to My refuges. I will send My Warning first to prepare people in their souls. Once I call you to My refuges, then call on Me to have your guardian angels lead you to the nearest refuge with a small flame. Have some basic necessities in a backpack to carry. Your angel will place an invisible shield around you on your way to My refuges. Rejoice that I give you hope in protecting you from the evil ones at My refuges."

Friday, February 19, 2016

February 25, 2016
Friday, February 19, 2016:
Jesus said: "My people, you have heard the expression that you need to walk a mile in the footsteps of your neighbor to understand their troubles and needs in life. At times you are called to help your neighbor in giving them a ride, or helping them to clean out their driveway after a big snowstorm. Without some help, they may not be able to get out for medical appointments, or getting their groceries. You need to be ready to reach out and help your neighbor whenever they are in need. The more good deeds that you do to help people, the more treasure you are storing up in heaven for your judgment. So do not be selfish with your time, but be willing to share your time and money to help people. Some other time, you may be in need of help, and someone will help you in your trouble. I watch over all of My children, and I inspire people to help each other. Always be ready to assist people, even if you may be inconvenienced with your time."
Jesus said: "My people, you are seeing the evil eyes of the Antichrist, which is

why you shied away from this evil one's control over people through his eyes. This Arab leader will be a demon incarnate, so you want to avoid him at all costs. You see how controlling his eyes are, and that is why after the Warning you will need to get rid of your TVs and internet connections. He will be on all of your communications, and you do not want to see his eyes that could hypnotize you to worship him. When he is about to declare himself, you will need to come to My refuges for protection from these evil ones."

Saturday, February 20, 2016

February 25, 2016
Saturday, February 20, 2016:
Jesus said: "My people, you are seeing smoke coming out from My altar, and this represents the smoke of Satan that is in My Church. There are masons in My clergy and even in the Vatican. These masons are the ones who will bring about the division in My Church between the schismatic church and My faithful remnant. I keep telling you that the schismatic church will teach New Age teachings and they will say that the sexual sins are no longer mortal sins. This schismatic church will take over the churches, and My faithful will need to hold their services in the homes because of a coming persecution. The persecution of Christians will get even worse when the government will try to imprison and kill My faithful. It will be when your lives are in danger that I will call you to My refuges. Trust in My power because the gates of hell will not prevail over My faithful remnant."
(4:00 p.m. Mass) God the Father spoke: "I AM WHO AM is showing you a familiar sight of the picture that you had painted by Michele of My Son's Transfiguration. You wanted to have a picture that would witness My Presence at your prayer group, which you have named in My honor. It pleased Me after your prayer that you chose My Presence on Mt. Tabor for Michele to paint. When My Son was transfigured, He was shown with a bright white robe as His glorified Body. I said the words: "This is My Beloved Son in Whom I am well pleased, listen to Him.' The apostles were amazed, as they saw Moses and Elijah next to My Son on either side. St. Peter even wanted to set up three tents for Moses, Elijah, and My Son. In an instant this vision vanished, and My Son asked His apostles not to mention this until after He rose from the dead. This was also a preview of My Son when He resurrected from the tomb. This vision was to give hope to His apostles, and it was a witness that truly He is the Son of God. Rejoice in My plan of salvation because it was My Son's sacrifice on the cross

that has redeemed mankind from their sins."
Jesus said: "My people, you have had three messages on the Warning in the last two months. This higher frequency of Warning messages is a sign to you that this time of My Warning grows short. Your best preparation for your life review, is to confess your sins in Confession at least once a month. This will lessen the unforgiven sins that you will see in your life review. In the Warning experience you will be shown a mini-judgment to heaven, purgatory, or hell. You will be told not to take the mark of the beast, or a computer chip in the body. Also, do not worship the Antichrist, or look at his eyes. You also will be told that you will need to come to My refuges soon after the six weeks for conversion, after My Warning. My angels will lead you to the nearest refuge with a small flame, and they will put an invisible shield around you on your way to My refuges, when I call you. Trust in My protection throughout the entire time of the tribulation."

Sunday, February 21, 2016

February 25, 2016
Sunday, February 21, 2016:
Jesus said: "My people, this is an unusual vision that is part of a secret military operation that is monitoring all communications and checking any objects coming close to the earth. You may be familiar with various means how your military and spy organizations are monitoring everyone's communications. They are trying to uncover terrorist operations, but they also have information stored on everyone, including the coordinates of your house location, and your very personal location through your cell phone or other chips on you. If certain people know information about comets or other celestial bodies that are coming near the earth, or will hit the earth, they will not tell the public until it is actually seen. I have told you of the many tunnels under your country, but they could be used for transporting military equipment, or for hiding people from some serious problems on the earth's surface. Even if some dangerous things may come near or hit the earth, I will protect My faithful in ways that may seem impossible to you."

February 25, 2016
Monday, February 22, 2016: (Chair of St. Peter)
Jesus said: "My people, today's feast is for the Chair of St. Peter, when I told him that he is 'rock' and I will build My Church upon him. The gates of hell will

not prevail over My Church. I asked My apostles who do people say that I am, and it was St. Peter who said: 'You are the Christ, the Son of the Living God.' I commended his answer, and I told him that it was My Father in heaven who had revealed this to him. This Chair represents the succession of Popes that followed St. Peter to lead My Church. In the first three hundred years after My death, many Christians and even Popes, were martyred for their faith in Me. As you approach the end times, you will again see Christians martyred for their faith. During the coming end times, there will be a division in My Church between a schismatic church and My faithful remnant. It will be My faithful remnant that will be protected from the gates of hell. In this Gospel passage I also blessed My apostles to forgive sins in Confession when I told them whatever they shall bind on earth, will be bound in heaven, and whatever they shall loose on earth, will be loosed in heaven. These are My first priests who were enabled to forgive sins through Me. Your priests of today are also enabled to forgive sins in Confession, as well as offer Mass every day. Give praise and glory to Me for all of My gifts that I have bestowed upon you."

Jesus said: "My people, your economy has hit a low spot with less jobs formed and a dropping stock market. Your attention has been drawn toward your Presidential primaries, but there are people held down by low incomes and hard to find good paying jobs. You have many people needing two jobs with part time or low wage jobs. European countries and China have seen slowdowns, and low oil prices are the reason for your lower stock prices. You may be cutting some of your budget deficits, but your National Debt is now at $19 trillion and climbing fast. With taxes decreasing on less general income, it is hard for your government to keep affording your welfare and Social Security checks. Your Federal Reserve is inflating your money by adding trillions of dollars to their balance sheet out of thin air. You have had a long recovery with very low interest rates, and it is still hard to return to normal rates. You could have more serious financial problems with all of your artificial spending of dollars made up out of thin air. I have had My refuge builders prepare your safe havens for potential problems this year."

Tuesday, February 23, 2016

February 25, 2016

Tuesday, February 23, 2016: (St. Polycarp)

Jesus said: "My people, during Lent you should be aware of the needs of your relatives and friends in how you can reach out to help them in anyway that you

can. This could involve donations, helping with their health, or giving them your time for their needs. Performing corporal works of mercy, and helping people with their finances, can help others in their needs for living. You can also offer up your prayer intentions for your relatives and friends. When you love Me, you also need to love your neighbor. So when you help others out of love for Me, you are showing your love for them, and Me in them. You may have to reach out to people outside of your comfort zone and what you are familiar with to help others, but do it out of love. You will be rewarded in heaven for your good works."
Jesus said: "My people, in older days people lived a harder life without cars and electronic gadgets. Life was more rustic without hot water showers, and you used outhouses. This will be the kind of life that you will be living at some refuges. You will be fortunate to have electricity, and your eating will be much different with deer meat and canned foods. You will have very small amounts of desserts, dehydrated milk, and multiplied food and water. You will have crude bedding with cots, pillows, and blankets. You will be heating your dwelling with wood fires, kerosene burners, propane burners, and some small electric heaters when you have electricity. My angels will be protecting My refuges from guns, bombs, and diseases. You will have an invisible shield all around your refuge. Even though refuge living will be more rustic, you will be praying more and constantly adoring My Blessed Sacrament. Rejoice that I will protect your body and soul at My refuges."

End February 2016

March 2016

Wednesday, February 24, 2016

March 9, 2016
Wednesday, February 24, 2016:
Jesus said: "My people, those people, who want to be first, must serve the rest. I did not come to be served, but to serve all of you by dying on the cross. Do not be taken up with pride either with earthly things, or that you are better than others spiritually. The Gospel ends by saying that those people, who exult themselves, will be humbled. Those people, who humble themselves, will be exulted. Learn from this problem of pride, so you are not taken in by Satan's

temptations to be better than others. You are all equal in My eyes, whether some are more intelligent, or others have more money. You all have talents that are not measured in terms of money, but you need to use your gifts to share with others."
Jesus said: "My people, you are continuing to see tornadoes in the South, and snow, rain, and freezing rain in the North. In general you have had a warm winter early, and less snow than usual from a strong El Nino in the Pacific Ocean. Your winds tend to be more violent as you change from warm fronts to cold fronts. You have been saving on your natural gas bill, and your gasoline prices because of the low oil prices. Your markets have been going up and down just as your weather temperature has also been going in a similar manner. Your snowstorms have been coming twenty inches all at once in some areas. Your weather patterns have changed dramatically, but there still are drought signs in California. As you look around, you are noticing more evil occurring with more people living together without marriage, and same sex marriage accepted by your Supreme Court. Euthanasia is the next evil that is being accepted in more states. Euthanasia has been accepted in several countries like Canada. These sins, along with abortion, are calling down My punishment against America. America needs to repent and change its ways, or you will see even worse and more disasters."

March 9, 2016
Thursday, February 25, 2016:
Jesus said: "My people, in the Gospel you read of the rich man, who was suffering in hell, because he failed to lift a finger to help the poor beggar, Lazarus, who went to heaven. This story is a reality check to let people know the consequences of their actions on the eternal destination of their souls. You know of some cases personally, and you have read stories of people who have had near death experiences, and they find themselves in hell. They cry out for help from Me, and very few are given a second chance to change their lives, when they are brought back into their bodies. Those souls, who experience the flames of hell, finally wake up to change their lives to worshiping Me, and helping their neighbors. When people are blessed with their Warning experience, they will all see where their lives are leading, whether to heaven, purgatory, or hell. Those again, who experience hell in their mini-judgment, will be given a second chance

to change their eternal destination. This will be a blessing given to all sinners who are alive at the time of the Warning. Sadly, only some souls will change their ways when they return into their bodies, while the rest will refuse to serve Me, and they will suffer forever in the flames of hell without Me. You need to pray for your relatives and friends, and help guide them to Me after their Warning experience. If the souls judged to hell do not wake up and listen to you, they could be lost forever. This is why you need to keep praying for your relatives and friends because you could be their salvation as a prayer intercessor. Be persistent in your prayers, but in the end these souls need to choose Me for themselves. I do not force souls to love Me."

Prayer Group:

Jesus said: "My people, you have seen Russia bombing many of the rebels against the leader of Syria. The US has backed these rebels. Russia is bringing in the latest aircraft and missiles to exploit this war for their own gain. China also is fortifying new man-made islands with antiship missiles. There could be a confrontation of China with the US in the China Sea. Pray for hostilities to cease in these areas of conflict."

Jesus said: "My people, whenever you see big movements either up or down in the stock market, you know that hedge funds and institutions are either shorting the market down, or buying long positions when it goes up. These people are stealing the investors money by their up or down positions. It is sad that their greed for money has ruined many retirement funds. Many of these leaders will pay for their evil actions, when I call them to judgment. Some of these rich people will be like the rich man in today's Gospel who was condemned to hell."

Jesus said: "My people, as more of the bigger states hold their primaries, it will become clearer, who can get enough delegates to win the nomination. The party with many candidates is seeing some drop out. There is still a concern that major events could either postpone the election or cancel it all together. Pray that you have a fair election, or you will have a dictator in office if martial law occurs."

Jesus said: "My people, you will see a very difficult time to approve and vet any new Supreme Court candidate in the US Senate. If a liberal or a conservative is placed on the court, it could determine your Supreme Court decisions for a long time, but you may not see a long time for your government. You could soon see the one world people force a takeover which would supersede any Presidential election or your Supreme Court composition. Once the North American Union gets established, you will have no rights because a new court will rule over your rights and laws. Trust in Me because in the end, I will be the victor over all of

the evil ones."
Jesus said: "My people, you have seen chips forced on you in your passports, driver's licenses, new charge cards, and 'easy' passes. The next step in your Health Care Plan is to force mandatory chips in the body on people. My faithful need to refuse any chip in the body, because these new chips will control your free will, like being hypnotized. When people refuse these chips, the authorities will try to imprison you, or even kill you. This is why My faithful will need to come to My refuges for protection."
Jesus said: "My people, you are well into your second week of Lent, and you need to analyze your progress with any special penances. Even if you have had a few misses, you can still try to stay on track for the rest of Lent. If you are not doing any extra penance, you could choose to start something for the rest of Lent. Use this Lenten Season to help improve your spiritual life. Lent is a time for prayer, fasting, and almsgiving."
Jesus said: "My son, you are making some efforts to help people in their health, as well as extra prayers over people for any healing. You have heard of some helps, and now you are investigating any useful service. You need to pray about how to go about using any services, but again do not charge money for your helps. I look into the hearts of those people who are sincere in their efforts to help people. Call on My healing power in using your natural means."

March 9, 2016
Friday, February 26, 2016:
Jesus said: "My people, you were reading in Genesis about how Joseph was the favorite son of Jacob, and he dressed Joseph in a colored tunic. Joseph had gifts to interpret dreams, and his brothers hated him out of jealousy, so much that they wanted to kill the 'master dreamer'. They eventually sold him to the Ismaelites for twenty pieces of silver. This is a similarity to how I was sold to the Jews by Judas for thirty pieces of silver. The caravan took Joseph to Egypt, where I used Joseph to interpret the Pharaoh's dream. There were seven fat cows that came up out of the Nile, and then seven thin cows devoured the fat cows. Joseph interpreted the dream that meant there would be seven years of plenty, which would be followed by seven years of severe famine. The Pharaoh placed Joseph in charge of storing the grain in the years of plenty. Then Joseph sold the grain to all those suffering from the famine, even to his own family. My son, you also are

warning the people of a coming man-made world famine. You are encouraging the people to have at least a year's supply of food to withstand a world famine, and to avoid taking a chip to buy the food. You also are telling the people to prepare refuges of protection during the tribulation of the Antichrist. My angels will protect My faithful with an invisible shield. You are storing food, water, and fuels to be independent of the evil one's control. I will bless all of these refuges with healing gifts, and all that you will need to survive."
Prayers for those using your device: Jesus said: "My people, when I healed people, I prayed first to heal the sins of their souls, and then I healed the body. As when you pray for healing people, you must also pray that their sins will be forgiven in Confession by a priest. You are praying to heal the whole person, both body and soul."
Jesus said: "My people, you are under attack constantly from these demons who are coming up out of hell through the volcanoes. It is your guardian angel and My many good angels who are protecting My faithful and keeping your souls pure to do My evangelization. It is My faithful prayer warriors that are holding the demons at bay from taking over the earth. You can see how evil is infesting many of your churches and streets, especially with seance and occult groups that are countering your prayers with evil spells and curses. Even if you are outnumbered by evil people all around you, it is your prayers and good works in evangelizing souls that shines My Light of goodness on the darkness of evil to dispel it. Continue to be My beacons of Light and faith, by sharing My love with your neighbors. It is My love that permeates the hearts of the people, and brings them closer to Me in love. It is My love relationship with each soul, and My sacramentals that are protecting My souls from demonic attacks. You can do your St. Michael prayer over people to cleanse them of any demonic spirits that may be affecting them. You can also bless them with blessed salt and holy water. When you want to help people with natural machines, you need to have a priest exorcize them, so they will be used for a good purpose. Trust in My daily protection from the evil ones."

March 9, 2016
Saturday, February 27, 2016:
Jesus said: "My people, this story of the Prodigal Son shows you someone who wasted his inheritance on earthly living, extravagantly, and then finds himself

poor without anything to eat. He finally comes to his senses, and is ashamed to return to his father's house. The father was so grateful for his son's return that he gave him a feast. He was lost and now he is found. You may know situations in your families when one child may have run into financial problems, and that person had to return to the parents' home for support. There are many young people living at home until they can save up enough money to afford a place to stay and a car for a job. Just as this father welcomed his son home, many fathers would welcome their son or daughter back home to help them. This story has a spiritual meaning which is deeper, because it is a witness of My mercy that I am always ready to welcome any sinner, who is seeking My forgiveness in Confession. All heaven rejoices when one sinner repents of his or her sins, and is converted in faith. The value of a soul is even beyond just the person's bodily life, but the soul lives on forever. You need to choose to want to be with Me or the devil because these are your only choices. I love all of you so much, that I do everything to encourage you to love Me as well. The devil hates you, and the desire of earthly things will pass away. The devil can only give you the flames of hell forever, while I offer you an eternity of love and peace in heaven. I even call My faithful to reach out and save souls from their poor choices, so My faithful can show these souls the true love of the God who loves them, and welcomes them, even with their many sins. I love all sinners, and I am always waiting for them to repent and love Me in return. My faithful also need to rejoice when you can help save even one sinner from hell. Many souls are searching for love, but when they find Me, they have found true love."

(4:00 p.m. Mass) God the Father said: "I AM WHO AM is here as you read in the first reading how Moses came to see Me on the mountain as a burning bush that was not consumed. I told Moses to remove his sandals because he was standing on holy ground near Me. When you come to adore Us in the consecrated Host, you also have removed your shoes to honor Us. I call all of My people to honor Our Presence, and to obey My Ten Commandments. You just repented at Confession today, and you have My Ten Commandments posted in your chapel. You also have honored Me in naming your chapel after Me. You have a burning bush, the alpha and omega over a Bible, and My words 'I AM WHO AM' etched on your door windows. This is a fitting tribute to honor Me, as well as the naming of your prayer group as 'The Eternal Father Prayer Group'. I hear your prayers that you want to heal people both in body and soul. My blessing goes forth over your good intentions to help people. Your blessing of the inheritance that you received, was meant to help you with your refuge, and

to help others in various ways. I thank you for your work, and keep close to Us in your daily prayers. We love you in all that you are doing to spread Our Word, and heal souls as well as the bodies."

March 9, 2016
Sunday, February 28, 2016:
Jesus said: "My people, you have a beautiful sunny, warm day for your winter season, and you feel full of life and joy to be alive. You are enjoying My creation, and you are in love with your Lord. In the Gospel I was reminding the people of the day, that they had to repent of their sins, or they could perish in hell. When you desire to come to heaven, you need to seek My forgiveness of your sins, and let Me be the Master of your lives. If you do not allow Me to direct your lives, then you will be unable to carry out My mission for you. If you truly love Me, then you need to obey My laws and follow Me. I call all of My people to know, love, and serve Me, because this is why you were created. To serve Me, you must love Me with your whole heart, mind, and soul, and your neighbor as yourself. This will allow you to be with Me in love in heaven for all eternity."

March 9, 2016
Monday, February 29, 2016:
Jesus said: "My people, a prophet is not always accepted in his hometown, and he may even be persecuted for what he is preaching. When I was in Nazareth, I could not heal any of the people who knew Me, because they could not understand where I received My gifts. In order for people to be healed, they needed to have faith that I could heal them. When I told them that only a foreigner, Naaman, was a leper who was healed, and another lady and her son were fed during a famine by Elijah without any others healed, they became angry with Me. They even tried to kill Me, but I walked through their midst. My son, you have been given a hard message to prepare people for the coming tribulation of the Antichrist. You even are showing people the necessity of having refuges in this time. Many people do not want to accept your message because they feel threatened. You also are praying over people for healing. You

are setting up a refuge, and you are trying to help people with health suggestions. Pray for the success of your efforts, as I will bless your work and protect you. Have a priest pray over your efforts as well."
Jesus said: "My people, you have heard of several treatments to try and help cancer patients with plant medicines, and various other therapies. You are investigating a new therapy that has some promise, and it is a natural means to help the body. You are praying to help people and give some advice that you have heard from others. Remember to have a priest bless your work, and you could pray a St. Michael prayer to help people. Even as you try to help people's health, you should be concerned most with praying for their spiritual health. By praying to heal the whole person, they can be ready for whatever comes into their lives. I thank you for all of your efforts to help people with their health."

March 9, 2016
Tuesday, March 1, 2016:
Jesus said: "My people, My apostle asked Me if he should forgive his neighbor seven times, but I told him that he needed to forgive his neighbor seventy times seven times. In other words, as you strive to be perfect, you need to be able to always forgive your neighbor, and even your enemies. I have told you about forgiveness many times, but I have instituted My sacrament of Reconciliation so you can come to Me in the priest to confess your sins and repent of them. If you truly love Me, you will not offend Me with your sins. You also need to be able to go to your neighbor to ask their forgiveness of anything that you may have offended them. You need to be generous if someone asks you for forgiveness of some offense he or she committed against you, and forgive them. Also, after Confession you need to be able to forgive yourself for any mistakes or sins you committed with a firm purpose not to commit them again. Forgiveness is important so you do not hold any grudges or stop speaking to people for any reason. It is better to forgive and forget transgressions, than living in a world of hate and misery. I call My faithful to love everyone despite any faults or misdeeds."
Jesus said: "My people, one of your Lenten devotions could be to try and make visits to My Blessed Sacrament as often as you can, especially when you have My consecrated Host in the monstrance. This worship of Me at Adoration is a preparation for when you will be spending many hours at My refuges in

Perpetual Adoration. It also is a preparation when you will be worshiping Me in My Real Presence in heaven. When you have a deep love relationship with Me, you desire to be with Me as much as possible. At Holy Communion time, you are finishing up the Mass. This is why it would be good for you to stay a few minutes after Mass to truly unite your heart with Mine, because people are always in a rush to do their earthly things. When you are united with Me, I want you to be at peace so you can fully appreciate My love for you, and you can share your love for Me."

March 9, 2016
Wednesday, March 2, 2016:
Jesus said: "My son, you are learning a new health therapy that could help other people, and it is good to share this with your relatives and friends. I want you to pray over this therapy with your St. Michael prayer in the long form, because you are praying for both a healing of the body and the soul. In the readings there is a focus on obeying My Commandments, and I mentioned how I came to fulfill the law, and not to change it. It is important to remember that My laws do not change, so anyone who tells you that they are changing, is a liar. Listen to My Word and love in your hearts, and you will be on the right road to heaven."
Jesus said: "My people, you are responsible for taking care of your body and your soul. People abuse their bodies by not eating properly. You need to eat the right kind of carbohydrates, protein, and fat in the right proportions. When you drink too much alcohol, smoke cigarettes, and eat too much red meat or too much sugar products, then you are compromising your immune system. This could lead to cancer or diabetes. You are also compromised by chemtrails, GMO crops, and polluted air and water. This is why you may need to supplement your body with hawthorn pills, herbs, and vitamins. Even eating raw almonds could help fight cancer. You can take care of your soul with frequent Confession, at least monthly. You also need daily prayer as your three or four rosaries, and your Divine Mercy chaplet. Going to daily Mass and Adoration of My Blessed Sacrament can also keep you close to Me. By taking good care of your body and your soul, you could be a healthy person in this life."

March 9, 2016
Thursday, March 3, 2016: (St. Katherine Drexel)
Jesus said: “My people, in Lent you are focused on converting your lives from ways of sin and all of your addictions. There are some people who drink alcohol, take drugs, or smoke cigarettes too much. There are others addicted to computers, pornography, and fornication. These are all difficult addictions to break on your own, but with My help and deliverance prayers, you can cast out your own demons that are holding you on to your sin. By converting your lives, you will be free of the bonds of your sins. In the vision of the many fishing nets, you are reminded how I told My apostles who were fishermen, that they would now be fishers of men, instead of fish. It may take time and many prayers to make conversions to the faith, but My faithful need to be patient and persistent in their prayers to save souls. Keep praying for the conversion of sinners, and for the souls in purgatory.”
Prayer Group:
Jesus said: “My son, you are pleased that your solar contractor has installed another six batteries to give you a total of twelve. You had thirty-four panels installed on your roof, but only twenty-two were providing electricity. After your contractor fixed the wires, now the other twelve panels are also generating electricity. You finally have your solar project up and running. This was the last of your major projects to complete, and you could have electricity during the tribulation. Your angel, St. Meridia, will protect your panels from wind, EMP attacks, and from any malfunction. Give thanks for My plans for your refuge.”
Jesus said: “My son, you are working on your new health project that could help some people with their health problems. You are even procuring more help so you could share your success with others. You are finding ways to see if this therapy helps people, as others have tried it, and they have had success. Remember to pray when you use this help so you can help heal the body and the soul.”
Jesus said: “My people, you are seeing an unusual primary season where the one world people and the old guard politicians are trying to stop one of your candidates from winning his party’s nomination. This kind of political correctness is why your primary voters dislike the business as usual control in Washington, D.C. You could see problems within each party that could threaten your Presidential election. I have mentioned before that there could be some created events that could postpone or cancel the coming election.”
Jesus said: “My people, this vision is showing a similar story to when Joseph

stored food for seven years of plenty in Egypt, so there would be grain to share during seven years of famine. I have warned My people to prepare for a coming world famine. This was represented by the near empty truck. Since you could store food now, it would be prudent to store one year's amount of food for each person in your houses. My refuge builders are also encouraged to store some extra food that could be multiplied at My refuges. Trust in Me to provide enough food for your survival."

Jesus said: "My son, you have been wondering how you could provide enough water for forty people without a well or a spring. You are witnessing a continuing flow of water out of your new basement from your new sump pump. It appears that you could have some kind of spring water that is flowing from your sump pump. This could be a good source of water during the tribulation, as I will perform miracles for your survival."

Jesus said: "My people, your Lenten missions are appropriate to get people closer to their faith. These sessions are like retreats that can help your spiritual life get back on track. You need to attend them to gain any insights. Usually there are Confessions and almsgiving on the last day of the mission. Take advantage of your Confessions all day, so you have enough opportunity to change your life. When you repent of your sins, and seek My forgiveness, you will be free of your bonds of sin, and you can seek Me in love."

Jesus said: "My people, as you see warmer weather coming, you start thinking of spring and spring flowers. You have been fortunate to have less snow and a warmer winter than normal. You still have several weeks left in Lent before you will be preparing for Holy Week. This coming end of Lent is the best focus on My Resurrection on Easter in your whole Church year. My death on the cross has been your salvation, and My means of suffering for all of your sins. You can always unite your suffering and trials with My suffering on the cross because this occurred outside of time. You will be celebrating Easter again with all the joy and happiness of My call to all souls to come to heaven. When the Warning comes, you all will see how much your sins offend Me, and many will have a strong desire for Confession. This will be your best time after My Warning to evangelize your relatives and friends to faith in My love. Take advantage of this opportunity to help save as many souls as possible."

March 9, 2016

Friday, March 4, 2016:
Jesus said: “My people, in the Gospel I was showing people that My Ten Commandments are based on love of Me, love of your neighbor, and love of self. When you help your neighbor, you are doing it out of love for your neighbor, and love for Me in them. Your acts of mercy will receive treasure in heaven. Lent is a time of sacrifice, and a time of sharing your faith and goods with others. You can also pray for those people who are sick and having financial struggles. Giving alms to the poor, will also store treasure in heaven. Be ready to help others in their needs without worrying about being inconvenienced. By showing your love for Me and others, you will also be happy that you could help someone.”
Jesus said: “My son, you are being tested again with your bathroom lights not working. You may need an electrician to troubleshoot your circuit breaker, or what may be wrong with your light fixture. It is difficult to use your bathroom for showers at night with just a small light hooked up to the wall outside of the bathroom. Pray for a solution to your problem, and I will find someone to fix it for you. You still need to be thankful that you have all of your solar panels working properly. You had twelve of the thirty-four panels that were not working. You also have your six new batteries hooked up to your other six to give you twelve batteries. This will provide your electricity storage when the grid is not working. You have succeeded in working on all of My suggestions for your solar project.”

March 9, 2016
Saturday, March 5, 2016:
Jesus said: “My people, before I came to the earth as a man, it was a Jewish custom to sacrifice the blood of animals on an altar. Now that I am the Sacrificial Lamb on the cross, I have given My Blood Sacrifice to the Father to take away the guilt of your sins. When you confess your sins, My Sacrificial Blood is paying for your sins, and it is no longer necessary to offer any further blood sacrifices from animals. It is the evil ones at black masses who offer animals and even human sacrifices to Satan in mockery of My Sacrifice. In the parable, the Pharisee was self-righteous in his good deeds, but the tax collector prayed for My forgiveness. He, who exults himself, will be humbled, and he, who humbles himself, will be exulted. As you work to better your spiritual life, it is better to

practice humility than to brag about your accomplishments or your possessions. Be grateful to Me for all of the gifts that I have given you, and do not think that you are better than anyone else. Love one another, and do not hold grudges against each other. Suppress any pride, and focus more on loving Me and your neighbor."
Jesus said: "My people, these soldiers who are marching around the globe of the earth, are a sign of a coming world war. The one world people are led by Satan, and they worship Satan. They are taking his orders to instigate a world war in the Middle East. These evil ones are planning takeovers on all of the continents. They want to destroy America and combine you with Canada and Mexico in making the North American Union. Your primary elections will fade away in importance, as events will move closer to a takeover of America. Such a takeover will leave your President in power, and it could result in riots and a revolt in the streets. The military and foreign troops will use martial law to restore order, but they will rule so you will have no rights. When your lives are in danger, I will call you to My refuges for your safety. Trust in My protection throughout the whole time of the tribulation."

March 9, 2016
Sunday, March 6, 2016: (Laetare Sunday, 4th Sunday of Lent)
Jesus said: "My people, you are familiar with the story of the Prodigal Son who returned to his father to ask his father's forgiveness. This story represents how I am waiting for sinners to return to Me for forgiveness as well, in Confession. I see into your hearts, and I know who is sincerely sorry for their sins, and who is not. In order to confess your sins, you need to put aside your pride, which the devil uses against you to keep you away from Confession. You need to be humble to admit your sins and mistakes in your actions, and confess them to the priest. When you realize how you offend Me with your sins, you need to seek My mercy to forgive you. When I see your change in life to follow My laws, all of heaven rejoices as I welcome you back to My graces. This rejoicing at sinners who repent, is in keeping with Laetare Sunday, which means rejoice Sunday in the middle of Lent. When people are contrite and sorry for their sins, they also rejoice when they leave the confessional with absolution of their sins. You have a fresh, clean soul that is full of My sanctifying grace, and you are prepared to receive Me in Holy Communion. The sacrament of Reconciliation is always available on Saturdays with the priest in the confessional, and some priests even

have Confession before or after Mass. This week your Diocese has an all day opportunity for Confession on Wednesday. To keep your soul clean, you should confess your sins at least once a month. I am happy when My priests encourage people to come to Confession. You see yourself how few people come to Confession when you go on Saturday. If the people are not taught the necessity for confessing their sins, then few people will attend. You should confess mortal sins as quickly as possible, but you need to confess venial sins as well. You also receive the grace of the sacrament of Reconciliation every time you confess your sins. Rejoice in My love and continue to keep our love relationship open with frequent Confession. When you live in mortal sin, your soul is dead to Me without any grace. So confess your sin, and be clean as the leper was healed of his leprosy. By keeping your soul clean, you can avoid any possibility of being lost in hell in mortal sin."

Jesus said: "My people, you know of a lot of alcoholics that do not want to believe they have a drinking problem, and instead they try to hide it. They are only kidding themselves, as they are ruining their bodies. They also seek ways to buy more of the alcohol that they constantly crave. This addiction is hard to heal, and the person has to choose to stop, in order to get better. It also takes prayer and a request from Me to get rid of the demon that is attached to this addiction. It is only by accepting treatment, and a desire to change one's life, that a person could stop their drinking habit. If they refuse to take any treatment to detoxify their body, they will succumb to their habit. Alcohol can destroy a person's life, and affect the family members as well. Pray that these alcoholics will see My Light, and change their lives."

March 9, 2016

Monday, March 7, 2016:

Jesus said: "My people, in today's first reading from Isaiah (65:17-25) you are reading of the world that I will renew after My victory over the Antichrist in the tribulation. Those faithful, who are martyred during the tribulation, and those who are at My refuges, will be brought into My Era of Peace. As you read these passages, it is not describing your earthly existence as you know it now. Here are the passages referring to My Era of Peace: (Is17) 'Lo, I am about to create new heavens and a new earth; the things of the past shall not be remembered or come to mind.' (Is20) '…an old man who does not round out his full lifetime; he dies a mere youth who reaches but a hundred years, and he who fails of a hundred shall

be thought accursed.' (Is25) 'The wolf and the lamb shall graze alike, and the lion shall eat hay like the ox. (But the serpent's food shall be dust) None shall hurt or destroy on all My holy mountain, says the Lord.'"
Jesus said: "My people, you have seen some people complain about coal-fired power plants because of the coal dust, and some pollution. Some of these plants have been converted over to natural gas power plants with less pollution. You still have over 35% of your power plants that are powered by coal. It is costly to convert all the plants all at once. It is also unfair to close all of the coal-fired plants because of some pollution. It is better to have some power than nothing. People, who want the natural gas plants, may have to pay for this conversion, and it may take time. Your government regulations could leave some areas without power, and the coal miners without a job. Your people are demanding more electricity, but your power production and your grid are breaking down. Solar and wind power are alternatives, but this is only a small amount of the total power needs. Again there is a lot of up front costs to provide any needed new power source. Pray for your country to invest more in your power production and better power lines, so you all can share in having available electricity."

March 9, 2016
Tuesday, March 8, 2016: (St. John of God)
Jesus said: "My people, in today's Gospel I healed a lame man at the Bethesda Pool on the Sabbath, and the Pharisees were critical of My healing on the Sabbath. In another time I told the Pharisees: (Mk 2:27,28) 'The Sabbath was made for man, and not man for the Sabbath. Therefore the Son of Man is Lord even of the Sabbath.' These people worshiped Me with their lips, but their hearts were far from Me. I keep encouraging people with healing gifts to pray for healing both the body and the soul. I gave healing power to My apostles and some of My faithful. Keep using your healing gifts, and you will see miracles, if you believe in My healing power. Pray for the sick and the souls in purgatory. When you care for your neighbor's needs, you will store up treasure in heaven."
Jesus said: "My people, you see many poor people with daily problems because they have little or no income. There are other people who had good families to support them, so they could go to college, and have a good job. In today's world you may have to struggle for a good job, even with a college education. Many good paying jobs have been sent to other countries. It is your corporations who are exporting jobs for cheaper salaries. Your welfare state is completely out of

control because there is no incentive to work when taxes are taken out of your pay, and you get less benefits than a welfare person. Your Social Security system is also a fraud because others are getting benefits that they never worked for. Older people have less people paying into the Social Security system, and even the older workers are getting more money than they paid in, even despite the difference in inflation. The true poor in other countries need your donations. The poor in America could be helped by your donations to your local food shelves. You need to help your neighbor when you can out of love, and you will be rewarded in heaven."

Wednesday, March 9, 2016:
Jesus said: "My people, you wonder why your government people act the way they do. Now you know that the one world people are literally pulling the strings of these government people. Your President and other officials are the puppets of the one world people. The one world people worship Satan, and he gives them their evil orders to carry out. So even the one world people are puppets of Satan. The evil that you see in the world, will get worse when the Antichrist declares himself, but fear not, because I will protect My faithful at My refuges. This time of evil will be shortened for the sake of My elect. Be patient because My victory over evil is coming after I defeat the Antichrist. The gates of hell will not prevail over My faithful remnant. There will be a division in My Church, but My remnant will be protected at My refuges. In the end I will be victorious over the evil ones, and My faithful will be with Me in My Era of Peace."

Thursday, March 10, 2016:
Jesus said: "My people, I have shown you information from various sources that AIDS, ebola, and many of your flu viruses are laboratory man-made creations with the express purpose of reducing the population. The one world people and Satan are behind this killing because Satan hates man. Many people do not want to believe this truth, but this is just another part of the death culture behind abortion, euthanasia, and wars. Many of your wars are also instigated by these Satan worshipers to make money on the weapons, and again to reduce the population. If you can understand the big picture that Satan has planned, you can

see the evil plan in all of this killing of people. This evil of these killings is about to be brought to an end, when I will bring My victory over these evil ones. You still have to endure the Antichrist's tribulation, but I will protect My faithful at My refuges. Keep praying to save souls, and have hope in My coming victory, when My faithful will be with Me in My Era of Peace."
Prayer Group:
Jesus said: "My people, this coming down a stairway is a sign that you all need to practice the virtue of humility, so you do not think that you are better than other people. Sometimes your pride puffs you up with your own importance, or your wealth and possessions. You are all equal in My eyes whether you have money, education, or social status. So do not be bragging about what you have, because I have given you all of your gifts. Be willing to share your gifts with your neighbors, and thank Me for all that you have."
Jesus said: "My people, you are seeing spring like weather and you may desire to get out into your yard to pick things up after your winter snow. This garden hose has you thinking of watering your lawn and your new flowers. You could still get some cold weather, but early flowers are breaking through the soil. Spring is a time when new life appears, even as you will be celebrating My Resurrection in a few weeks. Enjoy My creation as the trees and flowers will be sprouting forth new life. This is a sign that My faithful need to change their lives in getting close to Me in love."
Jesus said: "My people, when you see formations of geese flying in 'V' formations, you can see this migration of birds as another sign of spring. As the temperatures increase, there is less likely any chance that you will have more snow. Rejoice in being able to work outside again. Once your vegetation arrives, you feel renewed also in your faith during the weeks approaching Easter. In your parish mission you also had an opportunity to come to Confession. This cleaning out the sins in your soul, gives you another release in life to appreciate My grace and forgiveness. Rejoice in your new love experience with Me as I watch over you every day."
Jesus said: "My people, this image of letting fresh air into your house, can also represent how you let Me come into your lives with My grace and love. You see many images of Me knocking on the doors of your heart. That door has to be opened from the inside, so you can let Me into your hearts. I love all of you so much, but I do not force My love on you. I want all of you to love Me in return. When My love comes into your house, you are overwhelmed with a loving God, who will set you free of all the bonds of your sins. This fresh air in the vision is

like My grace and love which makes you feel alive in faith."
Dick said: "I am happy to give you a few words because I died so suddenly in the car crash. I could see many of my relatives, and my wife who met me at my death. I appreciate the concern of all of my friends, and I will be praying for all of you. Remember to have some Masses said for me as I am on my way to see my Jesus. I will be moving from my spiritual friends on earth to see my friends in heaven. There is a joy to have no more pain on my way to heaven. Remember me as one of your intercessors of your prayers."
Jesus said: "My people, I am having My refuge builders prepare all that will be necessary for feeding people, and giving them shelter and a place to sleep. My faithful need to have a backpack ready to take some of your clothes, water, and a little food for a trip to a refuge. I will let you know when it is time to come to My refuges with an inner locution for everyone at the same time. Your guardian angels will protect you and guide you to My refuges. Keep a pure soul so your Warning experience will be more fruitful. My Warning will come before you come to My refuges."
Jesus said: "My people, during Lent this is a time to get your spiritual life in order as you travel through the trials of this life. I look into your hearts for the intentions of your actions. By your prayers, good deeds, and your shared donations, you are storing up treasure in heaven in preparation for your judgment. Take advantage of this Lent to clean up any of your bad habits, and let Me lead your lives to heaven. Those souls, who are faithful to Me in this life, are promised a new life with Me in heaven. Be thankful for My mercy in My forgiveness of your sins, and for loving you every minute while you are alive on this earth."

March 22, 2016
Friday, March 11, 2016:
Jesus said: "My people, in today's readings you see how the Israelites did not believe in Me because they knew I was brought up in Nazareth, but they believed that the Messiah would not have an earthly upbringing. They further found it hard to believe that I could be God's Son, which is why they condemned Me to death for blasphemy. They knew that I did not live a sinful life, and I warned them against their sins. I even healed people on the Sabbath, and I spoke with authority in demanding the demons to leave possessed people. I spoke in cloaked language, but some could see by My miracles that I was sent by God as

the Messiah. This was all too much for the Pharisees because My new Church threatened their authority. But it was part of My mission to die for all the sins of mankind, which is why I suffered on the cross. My faithful are called to spread My Good News of salvation, even though you will meet persecution for calling people to stop their sinful pleasures, and obey My Commandments. This is why some souls are lost to hell because they desire to be in control of their lives with their earthly pleasures. They would rather worship their pleasures, more than worship Me. You have only two choices: to be with Me in heaven, or to suffer eternity in hell for not serving and loving Me."
Jesus said: "My people, I have warned you before that some rogue country like North Korea could send a missile attack against you to cause an EMP (electromagnetic pulse) explosion that could take out a large part of your microchips. If such a missile caused an EMP event, your electric grid and your communications would go down. Your country has been experimenting with anti-missiles that could destroy an incoming missile. What you are seeing in this vision is how a rogue missile attack could be exploded before it could damage your country. If such an attack was successful, your election could be called off by a martial law takeover of your country by your military. Beware of such a manufactured event that would precipitate a martial law takeover of your government. If there is such a martial law declared, I will warn My faithful when it is time to leave for My refuges. My refuges will be protected by My angels with invisible shields that your enemies could not violate. Trust in My protection, and be prepared when you could see some major events occur this year."

March 22, 2016
Saturday, March 12, 2016:
Jesus said: "My people, you have a large telescope in orbit that can see great distances with exact detail. This telescope and others are constantly scanning the skies for any major events. I am telling you this because there is a major event coming which all of you will eventually see with your own eyes. Such an event will happen on the day of the Warning when people will be frightened by a body that will come close to the earth. Your scientists have known this for some time, but they will not make this public until it is very visible, so the people will not be scared. Your amateur astronomers will tell you first, but not long after, everyone will be able to see what is coming. It will appear as like two suns in the sky, and

even some may die of fright. Even more frightening will be everyone's Warning experience, which will give every sinner a chance to repent. This is an important time to be living, because after My Warning, you are about to see the Antichrist begin the time of tribulation. Come to frequent Confession during this Lenten Season, so you will be better prepared for your Warning experience."
Jesus said: "My people, you are seeing record high temperatures in the Northern States during March, which usually is still winter time. The vision is showing people outside on their lawn chairs, like they would be in the summer time. You have seen a warmer than usual winter, and in your area you have had only 53 inches of snow where you normally average 100 inches. There is definitely a change in your jet streams that are not bringing many snow storms. This is good for your heating bill, but these changes could affect your crops if you have a freeze once the tree buds come out. Pray that you do not have a bad apple and cherry crop with your changing weather."

March 22, 2016
Sunday, March 13, 2016: (John 11:1-46)
Jesus said: "My people, when My friend Lazarus died, I wept for the loss of a good friend. I went to the house of Martha and Mary, and they were sad that I could not come sooner to heal their brother. Then I told Martha: 'I am the Resurrection and the Life; he who believes in Me, even if he die, shall live, and whoever lives and believes in Me, shall never die.' I was speaking of the next life after death, because I am the victor over death. Those people, who believe in Me and repent of their sins, will have eternal life with Me in heaven. So the people would know that I am the Son of God, I even raised Lazarus from the dead. Some of the Jews believed in Me because of this miracle. The Pharisees were plotting to kill Me because they were afraid of losing their authority. Everyone is appointed to die, as this is one of the consequences of Adam's sin. You will only die in your body, but your soul lives on forever. You saw My victory over death when I resurrected from My tomb. On the day of the final judgment, My faithful will be resurrected with a glorified body, and you will be whole again. This is the hope that I give to every living person. My faithful need to be patient for all of My gifts, even after your death. All of heaven rejoices over one repentant sinner."

March 22, 2016
Monday, March 14, 2016:
Jesus said: “My people, in today’s first reading from Daniel (Dn 13:1-63) you read how two respected Babylonian elders tried to force Susanna to lie with them, but she refused and screamed. Then the elders tried to have Susanna put to death by their false testimony that she was committing fornication with a man. Daniel came to her rescue and found the two judges had perjured themselves, when one claimed he found the lovers under a ‘mastic’ tree, and the other judge said it was under an ‘oak tree’. So Susanna’s life was spared, but the two judges were killed according to the law of Moses. Today, in many of your political elections you are also seeing injustices committed by your leaders who are influenced by the one world people. Even some witnesses have come forward to proclaim that they fixed the electronic voting machines to change opposition votes to the desired winner. You have read testimonies of how no opposition votes were found against your President in many districts where such machines were fixed. This is how the one world people control who is elected. You are seeing similar manipulations against one of your Republican candidates who is not part of the one world people. You will see such injustices until I will return in My victory. Once I come, these evil ones will receive My justice for their evil deeds. You all will have to meet Me at your judgment, so repent and cleanse your souls through My forgiveness in Confession, and you will be with Me forever in heaven.”
Jesus said: “My people, you know of the Fukushima disaster that is still sending out radioactive particles of radiation into the Pacific Ocean. Not much has been done to stop this flow. The ocean currents are carrying this radiation to your Western shores, and all the fish being caught in the Pacific Ocean need to be checked. This is a potential health hazard to your fishing industry, and for the people who eat this fish. Currently, the fish seem to be at safe levels, but radiation is cumulative. There is a set limit of radiation for fish to be sold, but it requires some kind of monitoring. In addition to checking the water, there also is some monitoring for radiation in the air. Radiation can cause severe sickness, as in Japan, when it is at high levels. This should be a major concern for everyone, which is why it is necessary to monitor this radiation both in the water and in the air.”

March 22, 2016
Tuesday, March 15, 2016:
Jesus said: “My people, in today’s first reading you read how the Israelites complained about the manna in the desert, and the Lord sent them poisonous snakes that killed some people. Then Moses was directed to mount a bronze serpent on a pole, and he held it up so those, who looked on it, were healed of their snakebite. There is a symbol in My suffering on the cross as a healing for the soul and the body. I was offered up on the cross for all of your sins, while the bronze serpent only healed the body. The vision of the heater in the basement represents only heat for the body in the winter. But if you look at My love for man by dying on the cross, you see the warmth of My love and My healing of the soul and the body in My forgiveness of your sins. Saving your soul is much more important than your body. Your soul is searching for peace that only I can satisfy. You can only find peace for your soul in My Presence. So be thankful that you can receive Me in Holy Communion, and visit Me often in My tabernacle. Trust in Me that I will provide for both your physical and spiritual needs.”
Jesus said: “My people, in America your wind currents cause many tornadoes which are different from other countries. You see most of your tornadoes in the spring and some in the fall. Your weather channel has shown you the damage, and even eye witness accounts with movies of living through a tornado. At times you have multiple tornadoes follow close to each other. Pray for the victims of these tornado attacks because some people have to start over and build another house. Some families are making safe rooms out of concrete. It is bad enough to lose homes, but it is even more tragic to see lives lost in tornadoes. Other parts of your country have seen the heavy rains bring floods, as in your Southern states. Some of this destruction is a result of your abortion sins, euthanasia killing of older people, gay marriage, and fornication of those living together without marriage. Your actions bring consequences, and your punishment can come with natural disasters. Pray that your people will repent of their many sins, and change their lives.”

March 22, 2016
Wednesday, March 16, 2016:
Jesus said: “My people, you read in the Book of Daniel (Dn 3:1-97) how Shadrach, Mishach, and Abedenago refused to bow and worship the king’s

statue. They only worshiped Me, and not any false idols. This made King Nebuchadnezzar very angry, so he had the three young men thrown into the white hot furnace. They would rather die than worship any false god. But I sent My angel to protect them from the fire, and the king realized that the God of the Israelites is the true God, and the king was converted. Today, you are seeing Christians being killed by Moslems, and all Christians are being persecuted for My Name's sake. I have died on the cross for all sinners, but how many people are prepared to die for their faith in Me? You do not want to worship the Antichrist or any idols before Me. Some of My faithful may be tested with martyrdom, which is better than worshiping any false gods. Be strong in your faith, and call on My grace to stand up against all of your society's abortions, same sex marriage, euthanasia, or any of your sexual sins of fornication or adultery. By witnessing to My love and My laws rather than man's laws, you will receive a great reward in heaven."
Jesus said: "My people, when you have plenty of food, you have the energy to do a lot of work. But when you are starving and worried where your next meal is coming from, it is hard to do much of anything. In America even the poor have food shelves and welfare to support them. In foreign countries they do not always have public assistance to support the poor, or even charitable organizations may not have available facilities to help. The poor in these countries could use your donations and prayers. I know people have their favorite charities, but find it in your heart to feed the starving poor in foreign countries."

March 22, 2016
Thursday, March 17, 2016: (St. Patrick)
Jesus said: "My people, in today's Gospel from St. John (8:48-59) I told the people that if anyone keeps My Word, he will never see death, but I was really referring to death in hell. When the Jews criticized Me, they said that all the prophets had died. Then I told them that before Abraham came to be, I AM. They started throwing stones at Me because they thought I was blaspheming in saying that I am God's Son. Even later, the high priest would question Me if I was the Son of the Living God. When I said I AM, they began to call for My crucifixion. In many ways I gave proof through My miracles that I am God's Son. My apostles saw Me heal the sick, raise the dead, multiply the bread and fish, calm the seas, and walk on water. The ultimate miracle was when I raised

Myself from the tomb in My Resurrection from the dead. The Jews tried to hide My miracles so their authority would override My true Church. You will soon be entering Holy Week which is the most important week in the Church Year. Believe that I am truly the Son of God, and give Me worship at Mass and before My tabernacle."

Prayer Group:

Jesus said: "My people, your internet and phone communications are strongly dependent on your satellites and your cell towers. These devices are vulnerable to physical attacks and attacks from hackers. Many people are dependent on the internet for their work and their banking. If this communication is shut down, you would be back to older means of communicating. The internet is also vulnerable to an EMP attack as well. When you come to My refuges, there will be no communications. You will get rid of your TVs and computers so you do not get affected by the Antichrist's eyes to worship him. Trust in My angel protection at My refuges."

St. Patrick said: "My dear son, you made it over to Ireland a few times, and you experienced St. Patrick's Purgatory, which was a test of fasting in food and no sleep. I thank you for this, and I want you to remember me as an intercessor for your prayers on all the days of the year, and not just on my feast day. Pray for all of your relatives, especially those people of Irish descent. I thank all of you for wearing the green, and I noticed my shamrock teaching of the Blessed Trinity."

Jesus said: "My people, you are seeing disruptive protesters coming to the candidate rallies at your various primaries. Some of the one world people are openly telling you that they intend to send more violent protesters to try and stop one candidate from getting enough delegates for his party's nomination. This is just another attack that will try to thwart the will of the people in choosing their President. If there is enough disruption, you may even see your Presidential election postponed or canceled."

Jesus said: "My people, you have had low oil and gasoline prices for some time, but now these prices are rising some. You also had your Federal Reserve stop its rate increases. These events and a steady job market has allowed your stock prices to rise back to year end prices. There will be some coming events that could lower your markets again, as your dollar and freedoms will be challenged. Be prepared to leave for My refuges when your lives or freedoms are endangered."

Jesus said: "My people, you have seen how mandatory chips in the body were included in your original health care bill. Already several states are encouraging

voluntary use of chips in the body. This is fulfilling one of My messages that said you would see voluntary chips in the body first that would be followed by mandatory chips in the body later. Do not take any chips in the body, even if it means your Social Security or welfare checks would be cancelled. Soon if you do not have a chip in the body, you will not be able to buy and sell things. You also will be risking martyrdom when the men in black will try to bring you to the detention death centers. This will be a sign to come to My refuges."
Jesus said: "My people, Holy Week will start this Palm Sunday as your Lenten Season will be coming to an end. You also will be celebrating Easter and Divine Mercy Sunday to follow. You all should try to make all the services of Holy Thursday, Good Friday, and Easter Sunday. You could try to get to Confession as a preparation for Easter. This is a great celebration of remembering My death on the cross for the forgiveness of your sins."
Jesus said: "My people, you will see the Warning experience come as your most dramatic sign of the Antichrist's coming. There will be six weeks of conversion after the Warning, and you will need to remove all of your TVs, computers, and internet devices out of your homes, so you do not look at the Antichrist's eyes. He could control your mind with his eyes, and with the chip in the body. Avoid taking any chip in the body, and do not worship the Antichrist. You will then see a world famine, a division in My Church, martial law, and mandatory chips in the body. This will be the time when you will have to come to My refuges for your protection. The one world people will give all of the power of the continental unions over to the Antichrist in the European Union. The Antichrist will declare himself at the beginning of the tribulation which will be less then 3½ years. There will be some faithful that are martyred, but the rest of My faithful will be protected by My angels at My refuges. You will rejoice when I will defeat the Antichrist and bring you into My Era of Peace. Be patient since soon you will be with Me in heaven, and all the evil people and demons will be cast into hell."

Friday, March 18, 2016

March 22, 2016
Friday, March 18, 2016: (St. Cyril of Jerusalem)
Jesus said: "My people, the people of My day did not understand how the Son of God could take on a human body. This Incarnation of My human body is a mystery in itself, but it enabled Me to sacrifice My Body in death for the reparation of all the sins of mankind. No longer is it necessary for sacrificing

animals, because I became the ultimate sacrifice for everyone, as I brought salvation to all repentant sinners. The people wanted to stone Me because they thought I was committing blasphemy when I claimed to be God's Son. But I really am the Second Person of the Blessed Trinity, and when I resurrected from the dead, My apostles had the ultimate proof in this miracle. You are about to enter Holy Week, and there are many graces given to those people who take part in the Holy Week services. Rejoice with the angels and saints who praise Me constantly. In every Mass you are commemorating My sacrifice on the cross, as you eat My Body and drink My Blood. You have the grace of My Blessed Sacrament given to you every time that you receive Me in Holy Communion. Be grateful that I have left you with My Real Presence by the priest's hands in the Mass. I am with you always to help you on your way to heaven."

Saturday, March 19, 2016

March 22, 2016

Saturday, March 19, 2016: (St. Joseph)

St. Joseph said: "I am Joseph the spouse of the Blessed Virgin Mary, and the foster father of Jesus. I was given a heavy responsibility to take Mary into my home, even though she was already pregnant through the power of the Holy Spirit. I had to protect Jesus from Herod by taking our family to Egypt, and we returned eventually back to Nazareth. I also was responsible for feeding and housing our family, along with teaching Jesus my carpentry trade. I am telling you this because I am a model for all fathers to follow. Fathers need to be responsible for supporting their families for food, shelter, and education in the faith, as well as providing for their education to have a trade or college education. You also may need to help your children with marriage expenses, and maybe with their house mortgage for a down payment. Depending on the father's finances, they may need to help in paying some of the college expenses. I am also noted as a patron for the dying, so you can pray to me for a happy death or comfort for the family. Some people also pray to me for finding a house or selling a house. I took care of the Holy Family, and I will intercede for your family as well."

Jesus said: "My son, you were wondering how you would find a water well, and how you would get the water out. I told you that I would provide a water well when you would need it in the future. Now you remember how there was a wet spot on your new basement wall toward your backyard. When you used your dowser to point where the water is, you found a spot that was only ten feet out

into your backyard opposite the wet spot on the basement. You are seeing your new sump pump putting out water quite often. This would be one source of water, and drilling a well on the dousing spot would be another source of water. Your friend helped you secure a manual water pump, a wellpoint, and several pieces of pipe for pounding a hole for a well. You have your barrels of water, and a means of using your drain spouts for rainwater. I will provide for your water needs, and multiply your water, food, and fuels for your survival at your refuge. Trust in My protection during the tribulation."

Sunday, March 20, 2016

March 22, 2016
Sunday, March 20, 2016: (Palm Sunday, Passion Sunday)
Jesus said: "My son, you are revisiting your trip to Jerusalem when you saw the place where the Roman soldiers crowned Me with a crown of thorns. You then remembered how your group carried a cross along the Via Dolorosa. You also visited the Holy Sepulcher where the place of My crucifixion is honored, and also there was the tomb where I later resurrected. At another time you visited the upper room where I had the Last Supper with My apostles. Today's vestments are red to honor the Passion of My death. This is the beginning of Holy Week that honors My death and Resurrection. You read the Passion account right after the people were celebrating with Me in waving the palms. The people loved Me for all of My healing miracles, but the Pharisees could not accept that I am the Son of the Living God. They called for My crucifixion because they claimed I was committing blasphemy. In actuality I am truly the Second Person of the Blessed Trinity, but I was not accepted as God's Son. You also have to suffer your Good Friday in this life, so you can be gifted with your own resurrection at the final judgment. Rejoice at the end of Holy Week when you will celebrate Easter Sunday with My rising from the dead."
Jesus said: "My son, I am showing you an American football with the laces to remind you of what I told you about how the Warning would come most likely during the football season. I will bring My Warning before the major events that could threaten your lives. After the Warning you will have six weeks of time for conversions. During the Warning, you will have a life review, much like a near dear experience. After your life review, you will have a mini-judgement to heaven, purgatory, or hell to show you how your life's actions are leading you to your destination. Once you are placed back into your body, you will have a chance to change your life toward heaven. During the Warning you will be told

to avoid taking any chip in the body, and to not worship the Antichrist, or else you could be controlled, and you could be sent to hell. When I will give you an interior message to leave your home for My refuge, leave as quickly as possible. You will see a frightening body in the sky on the day of the Warning, followed by signs of the Antichrist's coming. Be prepared to leave for My refuges because the events this year could cause a need to be there."

Monday, March 21, 2016

March 22, 2016
Monday, March 21, 2016:
Jesus said: "My people, in today's Gospel you are seeing a woman anointing Me with expensive oil which really was a sign for preparing for My burial. In Holy Week you are seeing all the events leading up to My death on the cross. This will be the hour of My sacrifice for all of the sins of mankind. Up until this time, I walked away from all of My persecutors who wanted to kill Me. In the garden I accepted My Father's Will that I would give up My human life, so I could conquer sin and death. Death has no hold on Me, as you will soon commemorate My Resurrection again in your services. In the Gospel you also witnessed Judas' love for money, as he complained that the oil should have been sold to give the money to the poor. He really was a thief in stealing money from the common purse. Even when he betrayed Me, there was a price of thirty pieces of silver put on My head. His biggest fate is that he could not accept My forgiveness, and Satan took over his heart, and led him to commit suicide. All of these things happened according to My plan for man's salvation."
Jesus said: "My people, this snake in the tree represents the one world people, and how they lie with a forked tongue. They are the poisonous vipers who are spreading their evil deeds through the death culture that is killing people to reduce the population. They slither about just like the snakes of Satan, as they seek the ruin of souls. Satan and his minions are trying to steal souls from Me, so they can be thrown into the flames of hell. I have come to save souls, but Satan and the demons have come to destroy souls. I call on My faithful souls to go out and convert souls to My way so they can be saved. He that eats My Body and drinks My Blood, will have eternal life with Me in heaven. In order to come to heaven, you must repent of your sins, and allow Me to be the Master of your life. I will always forgive the repentant sinner. Avoid the evil ones, and do not believe their lies, nor take any chip in your body. By believing in Me, and following My Commandments, you will be saved in heaven."

End March 2016

April 2016

Tuesday, March 22, 2016

April 7, 2016
Tuesday, March 22, 2016:
Jesus said: "My people, in today's Gospel you are seeing how one of My own apostles, Judas, would betray Me to the Jewish leaders. He accepted thirty pieces of silver to betray His Master. Satan took advantage of Judas' weakness, and Satan entered Judas' heart to lead the Jews to find Me in the garden. I knew of Judas as My betrayer from the time he came to follow Me. He was one of the instruments that I used in My plan for man's salvation. I told St. Peter that he would deny Me three times before the cock crowed. Both men denied Me, but St. Peter repented, and Judas was led by Satan to hang himself to death. My apostles did not understand what Judas was doing when he left us. You are seeing in the readings how these events led up to My crucifixion. I accepted My calling to offer My life up for all of mankind's sins. My faithful are called to be true to their faith in Me, even if they may be threatened with martyrdom."
Prayer Group:
Jesus said: "My people,I instituted the sacrament of Reconciliation so all sinners will have an opportunity to cleanse their sins from their souls. I died on Good Friday to make reparation for all of your sins. I am like the father of the Prodigal Son, waiting for sinners to come to Me in the priest, so I can forgive their sins. You know when you come to Confession how few people are there in line. I invite all sinners to come because I did not die just for the few who come to Confession, but I died for all of them. If you truly appreciate how much I suffered for you, then you will see the need to answer My call to have your sins forgiven. See how much I love all of you that I would give up My life for you."
Jesus said: "My people, you just had a Sedder supper to commemorate the Mass where I offer up My Body and Blood under the appearance of bread and wine. You shared in the unleavened bread and the wine that you took during this Eucharistic sacrifice. The Mass was modeled after the Passover Meal, only I was the true Sacrificial Lamb that is offered up for the sins of mankind. Every Mass is a re-enactment of My Sacrifice in an unbloody manner. Treasure My

Eucharistic Sacrifice as you receive My Real Presence in Holy Communion. Give praise and thanks to Me for dying for your sins."
Jesus said: "My people, as you pray the Stations of the Cross, you are walking with Me on My way to Calvary. I invite all of My faithful to pick up their own unique cross, and carry it through life amidst all of their trials and troubles. This life is a test in how you can know, love, and serve Me in this world. This life has pains, sorrows, sickness, and even death that you all must endure, even as I had to suffer. Pray for My help that you can follow Me on your path to heaven."
Jesus said: "My people, you will read in the Scriptures how the soldiers scourged Me at the pillar, and placed a crown of thorns on My head. They pounded nails into My hands and feet. They even put a lance into My side after I died. I had to suffer a crucifixion to ransom My people for the price of their sins. My death was the ultimate Sacrifice of the Son of God, as the true Lamb of God. No longer do you need any more animal sacrifices. You can offer up your own trials of life, when you share your pain with Me on My cross."
Jesus said: "My people, you have read about the good thief, and the other thief who only wanted Me to save his physical life. The good thief believed in Me, and he asked Me to remember him when I come into My Kingdom. I responded: 'This day you will be with Me in Paradise.' This life is passing away, and your soul will live on into the next life. It is the destination of your soul that is most important. Your soul desires to be with Me in heaven, so do not let any distractions of this world lead you astray from your path to heaven."
Jesus said: "My people, you will see a coming tribulation of the Antichrist, but I will shorten this time for the sake of My elect. Then I will bring My Comet of Chastisement on the earth. I will raise up My faithful,
but the evil ones will be cast into hell. I will renew the earth and bring My faithful down to enjoy My new heavens and a new earth. This will be the reward for all of those people who were faithful to Me, despite any persecution that they suffered. You will then be prepared to be saints in heaven."
Jesus said: "My people, a crown of sainthood awaits all of My faithful souls who succeeded in following My Commandments to a place in heaven. Some souls will require purgatory time to enter heaven, while those who live through the tribulation will suffer their purgatory on earth. At the last judgment every one of My faithful will receive a glorified body to be joined with the soul. When I resurrected, I had a glorified body, which is why some people did not recognize Me. This Resurrection will occur for all of My faithful at the final judgment. Then you will be completely whole again, and you will see Me in the beatific

vision of My love."

Wednesday, March 23, 2016:
Jesus said: "My people of America, this vision of four large tornadoes at four corners of the vision, represents massive destruction that will be coming to your country to all four corners of your land. Your sins of abortion, gay marriage, euthanasia, and prolific drugs, are calling down My punishment upon America. Not only will you see physical destruction, but you are gradually losing your freedoms. The one world people want to take over your country to put you into the North American Union. You already are seeing a planned disruption of your primaries by one of these rich one world people. The establishment in both parties is defying the will of the people from choosing a candidate that the establishment cannot control. This will create an excuse for more turmoil that could precipitate a martial law to steal any chance of another election for President from proceeding. Pray for peace, but the evil ones will prevail for awhile before I will bring My victory. Be prepared when I will tell you that it is time to come to the safety of My refuges."
Jesus said: "My people, you are about to celebrate the Triduum of Holy Week, starting with Holy Thursday and ending with Easter Sunday. This is the most sacred celebration of the whole Church Year. I was crucified on the cross on Mount Calvary, and I was buried in the tomb for three days before I resurrected. My Resurrection from the dead was My greatest miracle. Death had no hold on Me, but I had to give up My human life as a sacrifice for the salvation of all mankind. My death was the greatest gift a person could give for other souls. This shows you how much I love all sinners. As you take part in these Holy Week services, give thanks to Me for all that I have done for you by dying on the cross."
Lydia (Carol's mother): "Some of you have seen me in your dreams, and dad and I have not forgotten you. We are watching over all of our family, and we are praying for you. Thank you for all that you did for me, especially in my later years."

April 7, 2016
Thursday, March 24, 2016: (Holy Thursday)
Jesus said: “My people, at the Last Supper with My apostles I instituted My Eucharist, which is the basis for your Mass today. I also washed their feet with water, and dried them with a towel. I told My apostles that those people, who wish to be great among them, must be the servant of all. You reposed My Blessed Sacrament in a special place, because you will not have Mass again until the Easter Vigil. You have a special tradition on this night to visit three other churches as a sign of unity among your churches. Try to keep your devotional traditions during Holy Week, because these services are all about My death and Resurrection, which is My gift to all of you. With My sacrifice on the cross, I have brought salvation to all repentant sinners. I have opened the gates of heaven so all worthy souls may enter. Be grateful for My gift of Myself in instituting all of My sacraments. You share in My Divine Presence when you receive Me in Holy Communion. My sacrament of Reconciliation offers you a chance to have your sins forgiven, and keep a clean soul free of mortal sin. Rejoice in this Triduum of feast days leading up to Easter Sunday.”

April 7, 2016
Friday, March 25, 2016: (Good Friday)
Jesus said: “My people, you have read of the account of My Passion, and you have been praying the Stations of the Cross. You are remembering how much pain I had to suffer in My scourging, the carrying of the cross, the nails placed in My hands and feet, and My dying on the cross of crucifixion. I went through all of this pain, suffering, and death as an accepted sacrifice to My Father for all the sins of mankind. I love all of you so much that I died for you. No greater love can a man have for a neighbor than to give up his life for him. I had to endure this painful death because I have a world to save. But unless you repent of your sins, and accept Me as your Savior, you cannot be saved . All of those faithful, who do repent, and accept Me as their Master, will have eternal life with Me. At the end of this day’s account, I was buried in a tomb, and it was sealed until the third day, when you will celebrate My Resurrection at the Easter Vigil. Death did not have a hold on Me because I brought My victory over death and sin. Rejoice soon in My victory at your next service.”

April 7, 2016
Saturday, March 26, 2016: (Easter Vigil Mass)
Jesus said: “My people, all of heaven is rejoicing as you celebrate My Resurrection from the dead. I foretold that I would rise from the dead in three days, and so it happened. The stone rolled away, and My Light dispersed the darkness. The soldiers were asleep, and they only saw the empty tomb as they reported this to the chief priest. My Resurrection is a joyous and triumphant feast that celebrates My victory over sin and death. I am the Resurrection and the Life, and all of My faithful will also be resurrected at the last judgment. I have brought salvation to all of those people who love Me and accept Me. I ask just as at tonight’s Creed that you say ‘I do’ in faith to all of your beliefs in Me. These Baptismal vows are all a promise that you will follow My Commandments to love Me and your neighbor as yourself. All of those people, who believe, will have eternal life with Me in heaven one day. Give praise and thanks to Me for offering up My life for you.”

Sunday, March 27, 2016

April 7, 2016
Sunday, March 27, 2016: (8:00 a.m. Easter Sunday Mass)
Jesus said: “My people, you could see My tomb inside the Holy Sepulcher that was empty. Then you saw My brilliant white light of My glorified Body, just as I appeared to My apostles on Mt. Tabor. My Transfiguration was a preview of the glory of My Resurrection. Now I have opened the gates of heaven for all of those people who are worthy to come in. As you recited ‘I do’ to your beliefs in Me, you need to go forth and share your faith with others. My love for all of you is overflowing, and I want to share My love with everyone. I love all of you, but I do not force My love on anyone. I give each of you free will so you could choose to love Me on your own. You have a beautiful sunny spring day, and all of My creation is shouting with joy. All of heaven is rejoicing with you to celebrate My victory over sin, death, and the evil one. Your priest’s homily was very inspiring for all of you to realize the precious gift of faith that I give to all of those people who will accept Me.”
(9:30 a.m. Mass) Jesus said: “My people, I know how you feel so overjoyed as you are loving Me so much for My gift of My Resurrection. This is My promise

to all of My faithful that you will be resurrected at the last judgment. I want you to share your love for Me with all people, especially with those people who may be away from Me now. I want you to see My Presence in all people as you look into their hearts. I want you to show your love for all of those people who are hard to love. It is your invitation and your prayers that could bring all of your relatives and friends to heaven. You can even go outside of your comfort zone, and love those people who you think are your enemies. I love everyone, even those people who are not open to Me now. Every soul has a choice to be saved, and you could help make it happen with your persistent prayers for each person, because nothing is impossible for Me. People need to open their hearts to Me to be saved. Pray for that openness of hearts to receive Me. Sinners need to repent of their sins, and seek My forgiveness as Master of their lives. All of those people, who love Me, will be with Me for all eternity in heaven."

April 7, 2016
Monday, March 28, 2016:
Jesus said: "My people, today the focus is on My risen Body when I first appeared to the women after they saw the empty tomb. It would take a few of My visits in the flesh for My apostles to fully understand My plan of salvation. My apostles did not want to accept the account from the women that they had seen My risen Body. Once the apostles saw Me, they believed in My appearance. After seeing the empty tomb, St. John and St. Peter believed in My Resurrection. It is sad that the Jewish leaders did not want to accept My Resurrection, and they even paid the soldiers to say that My apostles stole My Body. At the Warning, the Jews and all the people will know that they can only come to heaven through Me. With My Resurrection I am showing you a model that one day all of My faithful will be resurrected as well. Some people are killing Christians today, but those people, who reject Me, will receive their punishment in hell. My martyrs will become instant saints. Trust in My Word because I will be bringing My victory over the evil ones after the tribulation."
Jesus said: "My people, you will soon see another edict issued by your President that will make it mandatory to have a computer chip placed in your body. You already have charge cards and passports that have mandated smart chips in them. You do not want to take any chip in your body, even if they threaten to kill you. This chip in the body will control your free will like a robot, so do not ever take

it. At first you are seeing some people volunteering to take the chip in the body. The authorities will threaten you with stopping your Social Security and welfare checks, if you do not take it. You will not be able to buy or sell anything without a chip in the body. Eventually, they will confiscate all of your money and possessions if you refuse to take the chip in the body. Some will think that they need the chip for food and survival, but refuse to take this chip in the body for any reason. I will warn My faithful to leave for My refuges once this chip will be mandatory. If My people do not leave for My refuges quickly, then they could be captured by the men in black, and they will be taken to the death camps to be killed or made into slaves. If you come to My refuges with your angel protection, the evil ones will not be able to find you. My refuge builders will have safe havens guarded by angels to protect My faithful there. All refuges will have invisible shields, so the authorities will not harm you. Trust in Me to protect you at My refuges throughout the whole tribulation time. This is why it is necessary to leave your homes quickly when I warn you. Those people, who are martyred, will become instant saints. Be prepared to come to My refuges, where I will protect you, and provide for all of your physical and spiritual needs."

April 7, 2016
Tuesday, March 29, 2016:
Jesus said: "My people, throughout your whole life you will be living either in My camp, or you will be living in the camp of the devil. Those people, who live following My Commandments in My camp, will have eternal life with Me in heaven. Those people, who live an evil life in following the devil's ways, will live eternity in hell without ever seeing Me. In life you are choosing your eternal destination by your daily actions which will lead you to heaven for consistent good deeds, or to hell for consistent evil deeds. I do not condemn souls. You choose to either follow Me to heaven, or you will follow the devil to hell. When you are called to your judgment, I will call out to My faithful, 'Mine', and Satan will cry out to the lost souls, 'Mine'. You choose your destination, so choose wisely because you will have to live with your choice for all eternity. Follow the One who loves you to heaven, and not the one who hates you into hell."
Catherine's job: Jesus said: "My son, the prayers that you have been praying for your daughter's job have been answered. So now it is appropriate to pray prayers of thanksgiving."

Wednesday, March 30, 2016:(Jesus on road to Emmaus Luke 2:13-35)
Jesus said: “My people, you are My Easter people, and your joy and love for Me knows no bounds. This Gospel of My meeting the two disciples on the road to Emmaus is so touching, that it brings tears to your eyes. My two disciples were sad about My death, but they were encouraged to hear of My Resurrection from the tomb. I was happy to explain all of the Scriptures that foretold of My coming, and why I had to die on the cross to bring salvation to all sinners. The disciples did not recognize Me because I was in My glorified Body. They also were still unclear of what My rising from the dead meant. Once we were at supper, their eyes were opened to see it was Me in the ‘breaking of the bread’. Then I vanished from their sight, and they said how their hearts were burning within them as I explained the Scriptures to them. This was My second appearance when I appeared to Cleopas and Simon after My Resurrection.”
Jesus said: “My people, before the chip in the body is made mandatory, some people will be encouraged voluntarily to take a chip in the body. Once people take the chip, they could be drawn by voices to come to certain football stadiums, where the Antichrist could broadcast TV pictures to control the people in worshiping him. Eventually, it would be mandatory to have a chip in the body to receive money, and to buy and sell in the market place. You will have a new electronic money that will require a chip in the body to buy and sell things. Do not take any chip in the body so you are not controlled by them. You will see Christians come under persecution for following My ways. You will be confronted by the new world order people both in the schismatic church and in the government. Trust in My angel protection, as I will warn you when it is time to come to My refuges.”

April 7, 2016
Thursday, March 31, 2016:
Jesus said: “My people, you are seeing in the spring how the rain comes down on the earth to soften the soil, and bring forth the grass and new flowers. As you prepare for Divine Mercy Sunday, you are also seeing My rays of mercy and grace come down upon your souls to enrich them. Then My faithful can bloom

with the joy of My Resurrection, as they go forth and proclaim themselves as witnesses of My Word, and My Resurrection from the dead. I love all of you, and I want all of you to love Me in return. I died for your sins out of love for you, so people need to wake up out of their spiritual sleep, and see that they can only come to heaven through Me. Your soul can only find peace in Me. So repent of your sins, and let Me be the Master of your life. Spring brings forth new life in My creation, and so the celebration of My Resurrection should bring new life into your soul as well."

Prayer Group:

Jesus said: "My people, as you read the first passages from the Acts of the Apostles, you feel like you were right there with My apostles. For those people, who have traveled to Israel, you can remember the empty tomb in the Church of the Holy Sepulcher. You may also remember the upper room where I appeared to My apostles after My Resurrection. This Easter Season shows you how My Church got started with St. Peter as the first Pope. There were a lot of early martyrs for the faith, and you honor some of them as saints. You even have their first class relics on your altar tonight. Rejoice in My Resurrection as you continue celebrating this Easter Season."

Jesus said: "My people, Easter lilies are trumpeting a beautiful scent that awakens your sense of smell. They also look like trumpets, and they give My disciples an example to shout My Easter message to all peoples. My message is that I have risen from the dead, just as I promise all of My faithful will rise from the dead at the last judgment. The flowers on the altar remind you of the new life in the Spirit, that is calling all of My faithful to go out and evangelize souls."

Jesus said: "My people of your prayer group, you are fortunate to have My Real Presence in the monstrance to offer up your prayers and intentions. I hear all of your prayers, and I thank you for coming here every week to give Me praise and thanks. I treasure all souls who love Me so much, and they take the time to show Me their love of My Blessed Sacrament. This gift of My Eucharist is the greatest gift of Myself that I could leave you when My Body ascended into heaven. I did not leave you, but I am always with you in My tabernacles all over the world."

Jesus said: "My people, you remember when I criticized the Pharisees for all of their rules for washing pots and kettles as well as the body. They focused more on their outward appearances, but inside their souls, they were far from Me. So it is with the people of today. You do everything to put on a good appearance with your showers, and your hair and facial appearance. Your clothes need to be clean and neat looking. I pray that all people should be as conscious of keeping their

souls clean by coming to frequent Confession. I wish you could see all the dirty souls that are covered with mortal and venial sins as I see them. I sometimes have to turn away from this evil sight. You can make Me happy if you cleanse your soul as much as you cleanse your body."
Jesus said: "My people, at your Easter Vigil you saw the Baptism and initiation of your RCIA candidates into the faith. They had water placed on their heads, and you all repeated your Baptismal vows with 'I do' after each article of faith. I died for all sinners so they could be freed of original sin, and their actual sins in Confession. You have a clean soul after your Baptism, and after you leave the confessional with the absolution of your sins. Seek My forgiveness as you repent of your sinful actions. I love all of you, but you must have clean souls to receive Me in Holy Communion. You experience a little taste of heaven, every time that you receive My consecrated Host. Stay close to Me with clean souls, and you will be ready to meet Me at your judgment."
Jesus said: "My people, there are three times when you see the Easter Candle displayed in prominence. You see this candle displayed on the altar during the entire Easter Season. Those, who come to funerals, are well acquainted with this candle that is placed before the casket of the person who died. You also see this candle as part of the Baptismal rite. The Easter Candle represents the spiritual life of the Holy Spirit that is present in all of you who are temples of the Holy Spirit. You can see how you come into life at your Baptism, and your life is celebrated in death at your funeral. This candle of life and My Presence in your life, should be burning constantly."
St. Michael said: "I am Michael, and I stand before God ready to do His Will in all that He wants of me. I am your intercessor and protector from the evil spirits. I assist the priest who does exorcisms, and I am with you when you pray my prayers of deliverance. I have asked you to pray the long form of my prayer to help in breaking any generational sins in your families. When you finish praying, you could make crosses over the pictures of your family with holy water. You can pray this prayer to help cleanse addictions and fight evil spirits. You may also pray this prayer for your protection when you travel to your talks, and when you return home. Call on my help whenever you feel that you are being attacked by demons."

April 7, 2016

Friday, April 1, 2016:
Jesus said: “My people, in this Easter Season you see signs of new life in nature among the flowers and trees. Your daylight is getting longer, and temperatures are generally warmer. Your spiritual life also is feeling joyful as you celebrate the glory of My Resurrection. When nature is bursting with new life, it gives your souls new life as well. You will soon be celebrating Divine Mercy Sunday, so continue your Novena prayers, and try to get to Confession this Saturday as part of your plenary indulgence preparations. In today’s Gospel I showed the apostles My resurrected body, and another miraculous catch of fish. I gave them more inspiration to go out and evangelize people to faith in Me. I empowered My apostles with healing gifts as they healed the lame beggar. These miracles were instrumental in making many conversions. Remember when you have healing gifts to use them whenever you can, or you could lose your gift.”
Jesus said: “My people, when you raise your expectations about certain events, you are greatly disappointed when events are not as special as you thought they would be. To avoid being disappointed, do not think great things will happen at your events. Think of things as all being equal, and you can be thankful if something is better than normal. At times you may desire something that is hard to get, and you have to wait a long time to receive it. It is your anticipation of receiving something new that drives you to desire things. Once you obtain it, you realize that it was not as great as it was advertised, and you soon grow tired of it as it becomes obsolete, and you want a new device again. This is the problem with things of the world because they are cold, and they do not satisfy your soul as I do. So do not make earthly things or people idols in your eyes because you will be disappointed with them over time. I am the most desired Person that your soul will be satisfied to be in My Presence, because I will not disappoint you. Love the One who will always love you, because even earthly people can reject you, but I will never reject you. You are My creation out of love, and I will love you even when you sin against Me. I desire that you return to My love by repenting of your sins in Confession. Then you can be reunited with My love.”

April 7, 2016
Saturday, April 2, 2016:
Jesus said: “My people, in today’s Gospel I appeared to My disciples, and I scolded them for their unbelief in My Resurrection, even when Mary Magdalene

and the two disciples on the road to Emmaus, witnessed to them. They believed because they saw My resurrected Body, but blessed are they who have not seen Me, and still they believe. I related to My apostles all the Scriptures about Me that had to be fulfilled. By this miracle of My rising from the dead, they started to understand that I am truly the Second Person of the Blessed Trinity. I came into this world to offer up My life for My sheep, and My death has brought salvation to all sinners who believe in Me. By repenting of your sins, and accepting Me as your Savior and Master, you are on the right road to heaven. Enjoy reading all the accounts of My appearances to My disciples, after I rose from the tomb."

Jesus said: "My people, in some instances you may see a certain goal blocked, but you need to be resourceful in thinking of ways around your blocked path. This happens in life's trials, but it can also happen in your spiritual life as well. You cannot overcome someone's free will when you want them to come to Sunday Mass. You can pray to various intercessors, or you can pray persistently for someone to be open to My grace to change their lives. Even if someone in your family is far away from Me, your persistent prayers can save that soul from going to hell. It is not enough to have a successful life with a good job, but you must allow Me to lead your life to heaven. You may wish to evangelize souls to come to Me, but you need to show people by your actions that you truly practice what you preach. When they see the joy in your life because you love Me, they will want to have your joy and peace for themselves by converting to the faith. There are many ways to come to believe in Me, but the most direct is to repent of your sins, and imitate My love for everyone. When you love your friends and relatives, this does not take too much effort. It is when you love your enemies and your persecutors, that your love expands to everyone. This is how you can move closer to perfection when you love everyone as I do."

Sunday, April 3, 2016: (Divine Mercy Sunday)

Jesus said: "My people, in the readings today you are witnessing My mercy on the sick, and My great love for My apostles and My believers. I bestowed My miraculous healing powers on My apostles, and even on My special people among you. Those, who have such gifts, should share them with others. In the Upper Room I appeared to My apostles to encourage them, and I breathed the Holy Spirit on them, so they could forgive sins in Confession. This sacrament of

Holy Orders is conferred on all of My priest sons, so they can forgive sins in the sacrament of Reconciliation. I also showed them My Body and My wounds. I even ate food with them to show them that I was not a ghost. St. Thomas is criticized for being a doubter, but many of My apostles did not believe the account of My resurrected Body when I appeared to Mary Magdalene, and the disciples on the road to Emmaus. I wanted My apostles and My people to be not unbelieving, but believers in My Resurrection. I sent all of them out to evangelize souls to believe in Me, even as I call on My believers of today to go out and convert souls to the faith."
(11:00a.m. Bishop's Mass) Jesus said: "My people, at times you take My gift of your priests for granted, but it was in today's Gospel that I gave My apostles the power to forgive sins in the sacrament of Reconciliation. I told them: (Jn 20:22) 'Receive the Holy Spirit; whose sins you shall forgive, they are forgiven them; and whose sins you shall retain, they are retained. You need to pray for your priests and bishops so they will not leave their vocation. By your prayers and support, you can help protect your priests from the devil's attacks. You need to pray for vocations to the priesthood as well. You can also pray that you will have a priest at your refuge, so you can have Mass and Confession. If you do not have a priest at your refuge, I will have My angels bring you daily Holy Communion, so you will always have My Presence with you. Rejoice to have a priest because I am acting through them in Confession and at the Mass."

April 7, 2016
Monday, April 4, 2016: (Annunciation)
Jesus said: "My people, when the Archangel Gabriel came to My Blessed Mother, she was offered a choice to carry Me for nine months in her womb. Her 'fiat' acceptance of the angel's request was the beginning step for man's salvation. My Blessed Mother was prepared for this moment out of all women, because she was immaculately conceived, and she was without sin. Wherever I am, it needs to be a holy and spotless place. She was the Ark of the Covenant of My promise to man of sending a Redeemer. She conceived Me by the power of the Holy Spirit, and not by a man. St. Joseph was guided by a dream to take his betrothed wife into his home, even though she was already pregnant. Thus My Blessed Mother was protected from any punishment. The people did not know I was conceived by the Holy Spirit, but St. Joseph knew this in the dream. My Incarnation into a God-man is even a mystery for anyone to understand. Rejoice

that My Blessed Mother said 'yes' to being My mother."
Jesus said: "My people, you have seen some comparisons between GMO and organic foods, but it is hard to find data to prove that eating organic foods are better and could cause less cancer. Even if farmers wanted to grow more organic foods, it is hard to get seeds at a reasonable price. Eating fresh fruits and vegetables may also be better than canned foods. It is better to eat more natural foods that are less processed, but it is getting more difficult to pay for more expensive healthy foods when you can find them. It would be good to know some good nutritious food to eat that would be better for your health. You need to do some research to see what are the more nutritious foods to eat."

April 7, 2016
Tuesday, April 5, 2016:
Jesus said: "My people, you are about to go through your Good Friday as I suffered, when you will face the evil and destruction of the coming tribulation. Some of My faithful may suffer martyrdom, but the rest of you will be protected at My refuges. Just as the cross seemed a sign of defeat in My death, yet in reality it was My means of bringing salvation to all of mankind. It was also My way of bringing victory over sin, death, and the evil ones. You too, will suffer your purgatory on earth, but I will bring My victory over the Antichrist and the evil ones, when they are all cast into hell. Then I will bring My faithful into My Era of Peace. This is the beautiful glory of My victory that you are seeing in the vision. Later, you will be prepared as saints, ready to come to heaven. Stay faithful to your belief in Me, and you will share in My victorious celebration."
Jesus said: "My people, men of science are proud of themselves in how much they have invented in the digital world over the last fifty years. Even though man's science has come a long way in a short time, your people have not even scratched the body of knowledge that is known to Me. Do not take pride in these accomplishments because your soul is most important in this life in time. Your accomplishments come and go, but they will all pass away. Your soul lives on forever after you die, and your lifetime is not even a hundred years for most people. It is more important then for you to keep a pure soul with frequent Confession, than to gain the whole world. You want a pure soul when you meet Me at your judgment, because you would much rather be with Me in heaven for eternity, than to be with the devil in the flames of hell forever without Me."

Wednesday, April 6, 2016:
Jesus said: “My son, this door opening to you represents the many opportunities that I place before you for sharing My messages. I want you to take advantage of these places, even if you feel that you are going outside of your comfort zone. You have been invited to come to Mexico and some people may be fearful of some of the criminal elements there. You have listened to a story of how a young boy was attacked by demons, but I had My angels protect him. So it is with some of the dangerous places you have gone, where I had My angels to protect you. So do not be fearful of your trip to Mexico because I will have My angels defend you from any attacks of the evil ones. I love you, and you have an important mission for these end days. Your trials will become more trying as you approach the days of tribulation. This is why I have been preparing you with your refuge to help people. Have trust in Me and keep faithful to your prayers and Adoration, and your reward in heaven will be great.”

Thursday, April 7, 2016: (St. John the Baptist de la Salle)
Jesus said: “My people, I want you to remember that I am the Teacher and you are the students, as you have seen the student desks in the room in the vision. The fire burning in the fireplace represents the fire of the Holy Spirit that is enkindled in your hearts. It is the knowledge of My Word and your faith in Me that drives you to obey My laws, and helps you to consecrate all that you do over to Me every day. As you read of the fervor of the faith in My apostles, they were led to convert souls to the faith. Hopefully, you are brought up in the faith in the home by your parents. It is the parents who are responsible to bring up their children in the faith, and to help the children believe even after they leave the house. The parents also are responsible for the souls of their children. You can also imitate My apostles in reaching out to share your faith and love of Me with others to save their souls. You may have to suffer persecution from worldly people, but remember the words of the apostles. It is better for us to obey God first, rather than men. You all were created to know, love, and serve Me. This is why I should be your main focus in life. I love all of you so much, and I want you to love Me as well in all of your evangelization efforts.”

Friday, April 8, 2016:
Jesus said: “My people, in the first reading Gamaliel was wise in telling the Jewish leaders to not harm My apostles in case their preaching could even be from God. In fact My Church under St. Peter had Me as the cornerstone. You are witnesses of how My Church has survived through all kinds of persecution and martyrdom over the years. All other religions were not started by Me, and they do not have My Real Presence in My Blessed Sacrament. In the Gospel you have the miracle of My multiplication of the five barley loaves and the two fish that fed five thousand men. My miracle was so generous that there were twelve baskets of fragments left over. This miracle is linked with the multiplication of My Eucharist, as I share My Body and Blood with you in Holy Communion. I am multiplied all over the world in every tabernacle of all the Catholic Churches. Give thanks and praise to Me for sharing My very Self with you every time you receive Me in Holy Communion, and every time that you visit Me in My tabernacle or in the monstrance for Adoration.”

Saturday, April 9, 2016:
Jesus said: “My people, this vision of a terrorist bombing is a sign that you are going to see more frequent terrorist bombings in America, and they will be larger in scale. This will require more security forces to try and protect your people. With more severe explosions, you could see some opportunities to declare martial law all over your country. If martial law is declared nationwide, this will be a reason to leave your homes and seek out My refuges. You will need to come to My refuges because people will be seeking food and water. There will be chaos in your streets, and mandatory chips in the body will follow. It is better to come to My refuges for protection from the evil ones, so I can multiply your food, water, and fuels. Trust in My Word, but you will need to move quickly when I warn you. The men in black will be seeking people who believe in God, and those who refuse to take the mandatory chip in the body. Those people who do not come to My refuges quickly, are risking being captured and killed by the evil ones.”

April 21, 2016
Sunday, April 10, 2016:
Jesus said: “My people, in the Gospel you read how I fed My apostles bread and fish, even as I multiplied the bread and fish for the five thousand and the four thousand. This is symbolic of how I gave Holy Communion to My apostles at the Last Supper. I performed another miracle of helping the apostles to make a large catch of fish. This also is symbolic since now My apostles will be fishers of men, rather than fish. I forgave St. Peter his three denials of Me by asking him three times if he loved Me. I also made a point that St. Peter would be the leader of My Church, and he needed to tend My sheep. I called My apostles to go out and be witnesses of My Resurrection to the people, so the people could be converted to the faith. It is not easy to make conversions since the people will have to change their lives and be persistent in their prayers and worship of Me. My evangelists will also be enduring persecution from the atheists and the demons for converting sinners. You read how St. Peter and St. John were persecuted by the Jewish leaders for teaching in My Name. They had the best answer to the leaders by saying they wanted to obey God rather than men. Follow Me by reaching out to evangelize as many souls as you can.”
Jesus said: “My people, you know that I do not want to see people using guns to kill others. Over the years you have seen many battles and world wars that have killed thousands of people. You even are seeing millions of babies being killed by abortion each year. It is the one world people who are following Satan’s orders to instigate wars to make money on the weapons. I am calling My people to evangelize souls so they can be saved from hell. You have seen how many people are developing respiratory sicknesses that are causing fevers and headaches. You need to take some fever medicine and vitamin C to help minimize any symptoms. Pray for the people who are sick and in need of some cures. Try to avoid spreading any sickness to those around you, if you become sick. Pray to Me for any healing of your sickness.”

Monday, April 11, 2016: (St. Stanislaus)
Jesus said: “My people, your priest was informing you how to receive Me in

Holy Communion, either on the tongue, or in the hand. You need to treat My Blessed Sacrament with respect. You could bow to Me or genuflect to show your reverence for My Eucharist. When you come in front of My Blessed Sacrament in the monstrance, you should kneel on both knees, and make the Sign of the Cross. Remember to pray your three rosaries and your Chaplet of Divine Mercy. I rely on My prayer warriors to pray for souls to be saved. Pray also to be healed of your sickness."
Delores' Funeral: Delores said: "I had a difficult life in my later years. You are seeing me as I looked in my younger years. I am happy that my suffering is over because it was hard to recognize people. I was suffering My purgatory on earth, and I will be praying for all of our family members. Tell Ray that I love him so much, even though I could not express it. I love all of my family, so do not forget me, and keep my picture in a prominent place."

Tuesday, April 12, 2016

April 21, 2016
Tuesday, April 12, 2016:
Jesus said: "My people, one of the consequences of Adam's sin is that you can have many sicknesses and chronic pain. When you are feeling good, you do not think too much about how other people are suffering. But when you become sick, you can sympathize more with people who are sick or in pain. You saw how much pain I had to endure when I was scourged and crucified. I sympathize with your pain because I experienced pain as you know it. Even when you feel good, remember when you were in sickness and suffering pain. Pray for those people who are sick and in pain because you cannot always know what pain people are suffering. You can also be sick in your soul when sin and addictions control you. You can come to Confession to cleanse your souls. You may need deliverance prayers to heal any addictions."

April 21, 2016
Wednesday, April 13, 2016:
Jesus said: "My people, in the early years of My Church many Christians were martyred for their belief in Me. At that time the Romans were killing My people. Even now you are seeing Christians being killed in Islamic countries. In America Christians are being persecuted in your freedoms. The one world people and the atheists are your persecutors, and they are led by Satan to try and

rid any teachings about Me. This has been going on for many years, but I have allowed My Church to remain in existence because My Church was started with Me as the cornerstone. I told St. Peter that the gates of hell would not prevail over My Church. Even if you see a division in My Church, know that My faithful remnant will be under My protection at My refuges. So keep a strong faith in Me, and you will receive a heavenly reward."

Thursday, April 14, 2016

April 21, 2016
Thursday, April 14, 2016: (Prayer Group)
Jesus said: "My people, it is the goal for all couples to be trained and married in My Church. The sacrament of Matrimony is the binding of a couple's love with Me as the third partner. Even as they are starting their married life together, they need the family's support and their prayers. There should be an intent for each partner to be faithful and sharing in their marriage. The other married couples in the family should be an example for the newlyweds to follow."
Jesus said: "My son, your friends are back working on your new patio and fire pit. They are putting the finishing touches on the bricks, and to complete this last project. Be thankful that they are finally getting some good weather to work on this patio. You have had some good recommendations for all of your successful projects. This fire pit will be useful when people have to come to My refuges so you can have large cookouts."
Jesus said: "My son, four of your people at the wedding came down with flu like symptoms. You had to suffer some nights with little sleep because of your low grade fever and throbbing headaches. Your medicines have reduced the pain, but you have had some relapses of your headaches. Keep praying for your healing and for all sick people who are suffering. You may want to use your new therapy to minimize your symptoms."
Jesus said: "My people, the ceremony of the Unity Candle is more than just a custom, it represents My burning flame of love that should remain in every marriage. I am the Light of the world, and you see the Easter Candle also as the flame of the Holy Spirit's love for all of you. This eternal flame of My love is burning strong in every marriage. Rejoice in the healing power of the Holy Spirit."
Jesus said: "My son, you have seen how your sickness and your daughter's lost job presented some initial problems. Even despite your sickness, you still were able to struggle in completing your rosaries. You offered up your pain to help

sinners. Most people should realize that you can offer up your pain to help sinners return to Me. Do not waste your pain, but see your struggles as an opportunity to help poor sinners. It is your persistent prayers that could bring souls in your family to heaven. Do not give up on any sinner, because I can work miracles with your persistent prayers."
Jesus said: "My people, sometimes you see strong faith in those faithful who have received Confirmation and Holy Communion. After awhile the cares and distractions of the world draw souls into missing Mass and Confession. My Third Commandment is a call to all of My people to remember to keep the Lord's Day holy on Sunday. This means you should strive to attend Mass on Sunday or at the anticipation Mass on Saturday. You need My strength and grace that you receive at the Mass and in receiving Me in Holy Communion."
Jesus said: "My people, before you have your First Holy Communion, you should receive your First Penance to have a pure soul to receive Me. Confession is also a good preparation for Confirmation, Matrimony, and Holy Orders. These sacraments are big events in your lives, so you want to receive them with a pure soul. It is even good to come to frequent Confession so your soul will always be ready to come to Me at your death. The priest can bring you the last sacrament of the Anointing of the Sick. I love all of you, and you can keep a pure soul to show Me how much you love Me. As you look throughout your life, you can see how important it is to repent of your sins, and ask for My forgiveness."

Friday, April 15, 2016

April 21, 2016
Friday, April 15, 2016:
Jesus said: "My people, you may see certain events in history that seem impossible for man's understanding. But for Me all things are possible. I have a set plan for My leaders, and I even have changed My persecutors into My evangelists for the Gentiles. It would seem impossible for Saul to be converted, yet it was in My plan that he would be My most fervent evangelist among the Gentiles. I brought about the healing of his sight, and he was baptized into My Church. Not everyone is converted so dramatically as St. Paul was, but there are still people being converted to the faith. Once people are converted, they receive a new life as I become the Master of their lives. By your Baptism and Confirmation, My faithful are called to go out and evangelize souls, just as St. Paul did. I rely on My prayer warriors to bring sinners back to Me in Confession. You can see there is a battle for souls between Satan and Me. I am much more

powerful than Satan, but I allow people to use their own free will to accept Me or not. So pray for the conversion of poor sinners so they can come to heaven and avoid hell."

Saturday, April 16, 2016

April 21, 2016
Saturday, April 16, 2016: (4:00 p.m. Mass, Good Shepherd)
Jesus said: "My people, I know My sheep, and they know Me when they hear My voice. You may not know much about shepherds, but in My day it was much more commonplace when the sheep had to be guarded from any wolves. A shepherd is close to caring for his sheep. You remember how I do not want to lose one soul to the evil one. I will leave the ninety-nine sheep in the desert to go in search of the lost sheep. There are many voices competing for your souls. The devil and the distractions of the world are always tempting you away from Me with their evil voices. My voice is one of love and care for My faithful, and I am always searching for your soul to bring you back into My Church. I wait for you to return to Me in Confession so I can forgive your sins. Keep following My voice of love, and do not follow the world or the devil which only have voices of hate and earthly pleasure."
Jesus said: "My people, I see how many people are suffering from sickness, disease, the trials of earning a living, and some are dying from terminal conditions. Your hearts go out to all of those suffering people, and you reach out to help where you can. Sometimes comforting the sick, the lonely, and the mourners can be a great help to people. It is your love for each other that moves you to do good works for each other. It is easier to love people in general, but it is true love when you love people who are sick or are hurting financially. Loving your enemies is even harder, but they are all My children. Pray for poor sinners and the souls in purgatory."

Monday, April 18, 2016

April 21, 2016
Monday, April 18, 2016:
Jesus said: "My people, you know that My apostles and I were of the Jewish faith and the Mosaic customs. The Jews had to be circumcised, and they could only eat Kosher foods. I died on the cross for everyone, including the Gentiles. It was difficult for My apostles to accept the Gentiles. You read in the first reading how St. Peter had a vision of all kinds of animals that Jews did not eat. A voice

told him that all foods were not profane. He was also told to convert the people in Joppa, and to eat with the Gentiles. In this way St. Peter was made to accept and convert the Gentiles. Later, you see St. Paul being called purposely to evangelize the Gentiles as well. All of the Gentile converts even today need to be thankful for My gift of faith in My sacraments. Give thanks and praise to Me for all that I do in your lives."
Jesus said: "My people, you have just seen a 7.8 earthquake in Equador where several hundred people were killed. You have seen a large number of earthquakes and volcanoes going off all along the Ring of Fire in the Pacific Ocean. There will be some earthquakes that will strike in California, so people should be prepared. This activity and possible polar shifts are all linked to an incoming celestial body with a large magnetic effect on the earth. These events could interrupt your Presidential primary from being completed. You are seeing unusual rainstorms with unprecedented flooding, as in Texas. You could have some more natural disasters that could lead up to martial law. Be prepared to come to My refuges if martial law is declared."

Tuesday, April 19, 2016

April 21, 2016
Tuesday, April 19, 2016:
Jesus said: "My people, in the early Church My disciples were eager to share My Good News of My Resurrection with everyone. My Church in Jerusalem was happy to receive even the Greek converts. My disciples were also happy to be called Christians for the first time in Antioch. Later on the Christians were persecuted and even martyred for My Name's sake. The Jews and the Romans did not want to lose their authority, so they started killing off My converts. Even to this day, the devil and the one world people are trying to remove any teaching in My Name. In other countries My faithful have to hide from those evil ones trying to kill them. It is difficult to love even your enemies and your persecutors. Do not let any opposition keep you from proclaiming My Word of salvation. Reach out to save souls, despite people who reject My Word and My love."
Jesus said: "My people, every time you come together at this refuge, you are sharing a meal that will be like living in a small community. I have asked My refuge builders to prepare places with food, water, fuels, and even chapels. My angels will be protecting My faithful from any harm from the evil ones. I have led you to water sources, and I will be multiplying your food and fuels for heat. My angels will also bring you My Eucharist daily, even if you do not have a

priest. Just as you are reading of My Easter people celebrating My Resurrection, so My faithful will be happy together as you are protected during the tribulation. You will be living in full trust of My promises, so live in My love and peace without fear."

End April 2016

May 2016

Wednesday, April 20, 2016

May 4, 2016
Wednesday, April 20, 2016:
Jesus said: "My people, My disciples were sent out to evangelize souls by the direction of the Holy Spirit. They had a strong feeling of the Gospel in their speech, and they performed miracles of healing for the people. The joy of My message of love and the miracles, helped to convert many souls for My early disciples. I sent them out two by two. Their efforts may have looked small to some people, but I performed impossible conversions by the power of the gifts of the Holy Spirit. My evangelists of today are facing great odds against them, but My angels go with them, and I am touching many hearts who are open to My Word. Trust in Me and have confidence in My call."
Jesus said: "My people, many of the older faithful were taught religious education by the nuns. You followed a different catechism to learn the dogmas of the faith. You were taught your prayers, and you had classes for each sacrament. In today's schools, Catholic Education is quite watered down, and it is hard to find good teachers of religion. Even older children could read the Catechism of the Catholic Church from Pope John Paul II. Many young children are not taught about the Bible, or how to have a good prayer life. There are more people not coming to Mass because people are not taught about the Mass, and My Real Presence in My Blessed Sacrament. If people truly loved Me and treasured My Real Presence, they would never leave the Church. There should be more adult education programs so people could learn about their faith. Even Bible Study programs can enhance people's faith. It is one thing to evangelize souls, but it is important to teach the faith so the people know what their beliefs are. In order for My faithful to become good evangelists, they need to have a good knowledge of My teachings of love. You can call on the Holy Spirit to inspire you with a

deep love for Me and your neighbors. Encourage your churches to have good adult faith classes, and you could expand your knowledge of the faith."

May 4, 2016
Thursday, April 21, 2016:
Jesus said: "My people, you have been reading about My Resurrection, and how My apostles were My evangelists in all parts of the world. You are My hands and feet, and I must use My prayer warriors to proclaim My Good News to save souls. So every day, you must go out and give witness to My love, that I died on the cross to bring salvation to everyone who accepts Me. My sacrifice has made reparation for all of your sins. All I ask is that you come to Me to ask forgiveness for your sins, and accept Me as the Master of your lives. Your soul lives on forever, so it is your eternal destination that is so important for your soul. Those people, who accept Me and repent of their sins, will be saved in heaven. But those people, who reject Me and do not repent, are on the road to hell. Choose Me and you will be saved. Choose this life and the devil's ways, and you could be lost forever in the flames of hell. I love all of you so much, and I do not want to lose one soul. I am love, and I want all of you to love Me in return. Follow Me and keep preaching My Good News, so you and others can be saved."
Prayer Group:
Jesus said: "My people, you have seen the many chem trails of white plumes in the sky that are being spread by both military and commercial jets. They are spreading many viruses that are causing people to get sick. You have seen many people in your family that have had a bad flu attack that was very contagious. You all have not been so sick in a long time. The weakness in your body has persisted for a few weeks. If your people realized how bad these viruses were from the sky, there would be more complaints. This is another attempt to reduce the population. You can pray that this evil gets exposed. I have asked you to take Hawthorn, herbs, and vitamins to build up your immune system."
Jesus said: "My people, some of you have been reading of an increase in the number of bankruptcies among your large corporations. Some people see this as a debt bubble that could take down your economy. Your interest rates have been held low artificially, and many corporations have leveraged huge debts that are difficult to finance. You are also seeing debt problems in many cities and states

as well. Your own government has an enormous debt, and it is growing out of control. Pray for the stability of your economy, but it is on the verge of a debt bubble."
Jesus said: "My people, some of your candidates are continuing their primary contests, even though they do not have a chance to win. There is a push by some to have a brokered convention for another candidate than the front runner. This could split your parties which could be a problem for the general election. Pray for a peaceful vote without any violence."
Jesus said: "My people, you witnessed a large 7.8 earthquake in Equador recently. Now you have another 6.1 earthquake in Equador as an aftershock. There are over 500 people who have died in this disaster. You have seen extensive earthquakes and volcanoes erupting on both sides of the Ring of Fire. There is a lot of strain on the fault lines in California and in Yellowstone, that are quiet along this coast, compared to the other active coasts. I have warned your people to be prepared for any natural disasters."
Jesus said: "My people, you have an acceptance of same sex marriage by your Supreme Court that is now forcing this travesty on all of your states. In Canada you have seen an acceptance of euthanasia or mercy killing among the elderly. This is the next battle in your courts, as you are seeing such killing going on in some states and many hospitals. A further battle is starting in the legalization of marijuana use in your society. These events are showing a breakdown in your society's morals. Keep working to stop abortions, and all of these other sexual sins. If America does not change its ways, you could see a punishment where the one world people will take over your country. Pray for souls to change their evil ways."
Jesus said: "My people, you have witnessed some dangerous plane fly-by flights near your military vessels. The United States also has been challenging China's new bases in the China Sea. You need to pray that there is not any miscalculation of these incidents that could trigger a war. Keep praying for peace and a cessation of hostilities."
Jesus said: "My people, you have been praying for those relatives in your family who are not coming to Sunday Mass. You cannot change people's free will, but you can pray that they could be predisposed to being open to change. Be persistent in your prayers for these relatives who you could help to be saved one day. Do not give up on these souls, but pray harder for their changing. At the Warning these souls may be open to change that you could help bring about in their conversion. You do not want to see these souls lost in hell, so keep up your

prayer efforts, and do not be discouraged."

Friday, April 22, 2016:
Jesus said: "My son, you have faced many obstacles in your travels to give your talks. But one thing is sure that I am always with you, and I am protecting you with My angels. Continue to go forward with your mission and do not be discouraged by any sickness or criticism of your mission. If only one soul is saved in your talks, it is well worth all that you bear to be with the people. You have a strong faith in sharing My Word with the people. It is your peace and strength in Me that carries you to perform your mission. The Holy Spirit gives you what to say and what to write down when you are called to give your talks. Give praise and thanks to Me for calling you to do My work. When you go out, you need to share your confidence and faith in sharing My words of life with the people. Even though you may not realize it, you are an inspiration of faith for all the people to see. Stay close to Me in your daily prayers, your Mass, and your Adoration of My Blessed Sacrament. I love My workers, and I love your persistence in carrying out My Will for you."
Jesus said: "My people, the devil and the one world people are planning to keep your President in power by creating a made up emergency that will precipitate a declaration of martial law. This would bypass your Constitution and it will cancel your Presidential election. You could see a terrorist attack or a market collapse that would crash your dollar and start a chip in the body for your money. Your people could revolt against such a grab for power. If martial law is declared, this would be a sign to come to My refuges for your protection, and a place of hiding from the men in black. Do not be afraid of these coming events, but have confidence that I will protect you from the evil ones."

Saturday, April 23, 2016:
Jesus said: "My people, there are going to be unbelievers in your travels who do not want to hear My Good News. Do not be discouraged, but pray for them. Those people, who believe in Me, have a gift of faith which cannot be taken

away from them. When you come to know and love Me, you have a peace in your souls that completely satisfies your soul. With Me you have everything that you need in this life. When the Jews refused to believe My apostles about Me, the Gentiles were only too happy to receive Me. You need to have people with an open mind, in order to receive My Word. This is true when you are evangelizing souls. Those people, who reject you, are missing out on My love. But go forward to those people, who receive you, and bring My Word and love to those people who appreciate My gifts. My love must be shared, and My believers have a joy in their hearts that is contagious to open souls. Rejoice in My love, and give thanks and praise to Me for your gift of faith."
Jesus said:
"My son, you have been My helper in your travels to spread My messages of love and conversions. You have also been generous in sharing your inheritance with others in need. I have given you more than you ever dreamed of, but you see it was for a good purpose in setting up your refuge. You are helping your family and other people with refuges and health needs. Be grateful that you can help others because this money may not be good for much longer. You have seen how I helped you because of your faithfulness to your mission. Continue to share My Word as you continue to go out and give your talks. My angels will be guiding you, even when you may go out of your comfort zone."

Sunday, April 24, 2016:
Jesus said: "My people, I had to suffer on the cross, but it was for a good cause to bring salvation for sinners. Now, My faithful are about to face the coming tribulation, but this will be your purgatory on earth. I have been preparing and helping My refuge builders to get ready to endure the tribulation of the Antichrist. You have bedding, food, water, and fuels so you can survive on your own, and provide shelter for those people who I will send to you. You have finished your solar project, and now your patio is done. You read today from the Book of Revelation how I will bring My victory over the evil ones, and I will renew the earth so My faithful will have their reward in My Era of Peace. You will see a new heavens and a new earth, but the evil ones will all be cast into the flames of hell. At My refuges you all will be living in a protected, loving community."

May 4, 2016
Monday, April 25, 2016: (St. Mark)
Jesus said: “My son, you are celebrating the feast of one of My four evangelists in St. Mark. You also are reminded of your guardian angel who is called St. Mark also. My son, you have traveled around the world for over twenty years, giving your talks and sharing My messages. You have been very dedicated to following your mission in your prayers, and writing down My messages by the power of the Holy Spirit. You have sensed some of the coming events that will lead up to the coming tribulation. You are carrying out your mission to evangelize souls, and your new mission of preparing a refuge for forty people. There are some people who are criticizing your refuge preparations and food storage, but you are faithful to the projects that I have called you to perform. Do not be fearful of any criticism or persecution, because you will see Christians continue to be martyred and persecuted. Continue with your prayers, and go where I give you the opportunity to talk about My messages.”
Jesus said: “My people, your Federal Reserve has kept interest rates low for way too long. This has enabled stock buy backs and leveraged hedging on stock prices with cheap loans. This is why your market prices are higher than they should be for low stock earnings. When interest rates are normalized to higher rates, your stock prices will decline because it will be more expensive to use loans to buy stocks. Once prices drop, it could stop the buying, and more people will sell. There will be a significant drop until real earnings come into line with the stock prices. You have a stagnant economy, but with stock prices higher than they should be. This bear market will result from a bubble of debt that will burst to bring stocks down dramatically. Eventually, your currencies may crash with your stocks as well. Be prepared for some serious financial bankruptcies when loans cannot be paid. This could trigger a martial law that would bring My faithful to My refuges. Major events will be happening this year.”

May 4, 2016
Tuesday, April 26, 2016:
Jesus said: “My people, you know I am more powerful than all the demons and all the evil men. They are nothing in My sight, and I can do the impossible to

help you in any bad circumstance. So why should you be afraid of anything? Those people, who truly have faith in Me and My power, do not worry because they trust in My help. You cannot do anything without Me, so I am with you in all that you do. This is why I send My messengers out to proclaim My Word in a world where many people do not love Me. You may be persecuted and rejected, but continue to preach My Gospel of love to touch any souls who are open to receive Me. You are giving souls an opportunity to know about Me as a loving Person who loves everyone. All of heaven rejoices over even one soul who repents and is converted to being a Christian. So if you go out and convert even one soul, your trip will be worth it, and heaven will be cheering your evangelization efforts. Trust in Me always, and do not be afraid of any evil people."
Jesus said: "My people, the leading candidates in the two primary fights are causing divisions in each party. It will be close that each leader will secure enough delegates to win their party's endorsement on the first ballot. It will be even more divisive if the front runners are prevented from winning. After the conventions, it will be hard to unite all the factions under one leader. If the loser's people do not vote for their candidate, then the other party could win easily. It is a little threatening when your President said that one candidate will not be President. This could mean another rigged election machine, or your President is planning a martial law takeover. There will be major events that could affect this election. There is a plan by the one world people to form the North American Union that would require a takeover of America. Have no fear if these evil ones have their way. I will call My faithful to My refuges if your lives are in danger."

Wednesday, April 27, 2016: (Celine Nebbia Funeral Mass)
Celine said: "I am so happy to see all of my family and friends. I am sorry that I had to leave you all, but I love you so much. We all remember all the happy get-togethers with all the food that was planned. You never went away hungry at our parties. With a big family we always had occasions for celebrations. I love Jesus so much, and I will be praying for all of you. We all have pictures on our walls of our family, so remember me in my pictures."
Jesus said: "My people, the one world people who control your Congress, will

also be trying to control who gets the nominations for your two parties. If they cannot get the candidates that they want, they could resort to a takeover of your government under an orchestrated martial law. Such a grab for power to make your President a virtual dictator, could cause a major revolt by your people. This could precipitate a military takeover of America with possibly foreign troops involved. Such a takeover of America would begin the entry of America into the North American Union. If your people do not take back your country, you will lose all of your freedoms, and My faithful would have to come to My refuges for protection. You know that the tribulation of the Antichrist has to come. So these evil ones will try to seize power for the Antichrist. There will be a battle between the evil ones and My angels at the Battle of Armageddon. Evil will reign a short while before I will bring My victory over all of the evil ones. My faithful remnant will be protected at My refuges by My angels, so have no fear of the evil ones. At My victory, the evil ones will all be cast into hell, and I will bring My faithful into My Era of Peace."

Thursday, April 28, 2016: (St. Louis de Montford)
Jesus said: "My people, I have been directing My refuge builders to prepare places for people to stay for a long time. I have been directing them to save some food, have sources of water, and to have bedding and fuels for heating and cooking. It is becoming clearer that you are witnessing a battle of good and evil. It will appear that the evil forces will be controlling the world for a brief time, and they will be trying to kill My believers. Some of My faithful will be martyred, and they will become instant saints. The rest of My faithful remnant will be protected by My angels at My refuges. Once the evil ones form unions on all the continents, they will be given over to the Antichrist. You will see a world famine, a division in My Church, a made up martial law, and mandatory chips in the body. Refuse to take any chip in your body, and when I give you an interior message to come to My refuges, then leave immediately. My angels will lead you to My refuges with a shield of invisibility. Trust in My protection during the tribulation, and then I will bring you into My Era of Peace."
Prayer Group:
Jesus said: "My people, when people die in their old age, it is still a loss, but somewhat expected. It is much more difficult when young people die in

accidents or from cancer. You have seen some sad cases with your friends. Your heart goes out to all the survivors who are mourning their losses. Pray for the souls of the deceased, and offer your prayer support for their families."
Jesus said: "My people, North Korea has made many threats with their missile launches and their bomb experiments. The threats to their neighbors has raised tensions in this area. These nuclear weapons could become a threat to America with North Korea's long range missiles. Pray that such a war could be prevented, or that any miscalculated mistake does not happen."
Jesus said: "My people, some people are complaining of unusually cold weather for early spring. Some areas are even seeing snow or hail. Spring does bring violent weather, but the deep jet stream changes are bringing colder weather from the north. In the Southern states you are seeing heavy rains that are causing some serious flooding. Pray for the people who have lost their homes and some lives in this violent weather."
Jesus said: "My people, your electorate is showing a dislike for the control of the one world people, and how your President is abusing his power over the Congress and the people. You are seeing more people coming out to vote in your primaries than usual. Your people want a change, but their votes are being frustrated with backroom politics. You could see a lot of manipulating of delegates in the upcoming convention. Pray for a peaceful process that will support the will of the people."
Jesus said: "My son, you were elated to be able to share a larger than normal donation with a fellow refuge builder. A generous lady offered to help your former prayer group members in their refuge needs. This donation came at a time when there was a great need. You all were praying prayers of thanksgiving for how I moved this lady to do what she did."
Jesus said: "My son, you and your wife have been suffering from the flu and its lasting weakness over several weeks. Now that you are feeling better, you can get ready to share My messages at your various talks. You all are sensing an increasing battle of good vs. evil. It is better to follow My Commandments and My Church's long standing teachings, especially in the area of the sexual sins. These acts are mortal sins, no matter what anyone says about them. Share My messages of love, mercy, and My justice concerning the sexual sins. Your society is becoming depraved because it is not following My ways. I love all of you, but your sins are calling out for My justice."

Friday, April 29, 2016: (St. Catherine of Siena)
Jesus said: “My son, you were reading how My disciples were sent out to preach to the Gentiles how they did not have to be circumcised, or follow all the dietary Mosaic laws of the Jews. In order to be Christians, they need to love one another, and follow My teachings and My Commandments. My son, you too are called to go out and share My messages by the power of the Holy Spirit, who also helps you to write down My words of instruction. All of My faithful should share their faith with others, but My messengers are given where to go. You also have a chapel and a place of refuge that I have helped you to prepare for the people who you will be sheltering and feeding. On this feast of St. Catherine of Siena, you are reminded that there will again be a division in My Church. When you see people saying that the sexual sins are no longer mortal sins, know that this is false teaching, and do not believe or follow such heretics. The Holy Spirit is always helping you to discern between good and evil.”

Saturday, April 30, 2016: (St. Pius V)
Jesus said: “My people, you know how evil this society has become, and the people do not want to hear My words, because it is difficult to follow My laws against their pleasures of sin. Because I call people to repent of their sins and change their evil ways, it is very difficult to convert today’s sinners. Still I send My evangelists out among the wolves, but I give you the protection of My angels. You are in a battle for souls, which means you have to pry souls away from the devil’s influence and the people’s addictions. The people are so in love with their earthly pleasures, that it is difficult to get their attention. I want My faithful to still reach out with My words of love and mercy, because these sinners only know the hate of Satan’s lies. Once you take away the lies, then the people can see clearly that heaven and My love offers them much more spiritually, than the attraction of worldly things. The sinners cannot find true peace in their souls, unless they accept Me into their lives. It is the promise of eternal life with Me in heaven, that Satan and the world could never give people. So look beyond this life to your eternal destination. You need to repent of your sins, and let Me be the Master of your lives, in order to have eternal life with Me in heaven.”
(4:00 p.m. Mass) Jesus said: “My people, today’s reading from the Book of

Revelation gives you a look at the new Jerusalem, where My Light will not require the light of the sun or the moon. I will have My spiritual Presence with you, and it will be like daylight all of the time. This description of the new Jerusalem has all the markings of My twelve apostles and the beautiful jasper stones. This is also describing My Era of Peace, where all of My faithful will receive their reward for suffering through the tribulation at My refuges. This is what My faithful have to look forward to after My victory over the Antichrist, the False Prophet, the evil men, and the demons. Rejoice, because this will be your preparation for heaven."

May 4, 2016
Sunday, May 1, 2016:
Jesus said: "My people, you remember the reading about My disciples who walked with Me on the road to Emmaus. They recognized Me in My resurrected Body at the breaking of the bread. Most people can remember their First Holy Communion possibly in a picture. You were seven years old then, and you may not have fully understood My Real Presence in My Eucharist. But every time you receive Me in Holy Communion, it is like a new experience in My Presence. As you mature spiritually, you understand how I give you strength and grace in My Eucharist to get you through life's trials. Receiving Me for the first time is a milestone in your faith experience. Hopefully, you were able to receive your First Penance to have your sins forgiven before receiving Holy Communion. I pray that the parents continue to encourage their young children to receive Holy Communion worthily at each Sunday Mass. Pray for them also when they leave your house so your spiritual preparation will keep them strong in their faith. Encourage your children to come to Confession at least monthly. Then one day when your children have their own kids, they can bring them to their First Holy Communion in their own church. When you see these young people receiving My sacraments, they are the future Church members to carry on the faith in their families."
Jesus said: "My people, you have heard My messages that I have told you of some possible martial law situations that could happen this year. You have also heard similar messages from other sources. I have also had various refuge builders prepare places with food, bedding, and water sources. You have heard of a coming tribulation that will happen, but I have not given you a time for it. When things start getting violent, your lives will be in danger. This will be the

time when I will give everyone an interior message to come to My refuges. You have made many preparations for this time, but when you are faced with killing and chaos in your streets, people will panic and there will be stealing, as people will be desperate for food and water. Once people come to your refuges, you will have to call on My angels to protect everyone. You will also have to counsel people to calm them down. Not everyone will have a strong faith in My protection, and it may be necessary to pray for people to get a hold of their senses and stop panicking. When you are together, I will multiply what you need. You will have to have someone assign jobs for preparing food, taking care of bedding, hygiene needs, and latrine needs. Water will be necessary, and you may not have enough for everyone to have a shower. Your people will need to be patient with each other for a few years. Trust in Me that I will bring My victory over the evil ones, and I will bring you into My Era of Peace, as in your reading today from the Book of Revelation."

May 4, 2016
Monday, May 2, 2016: (St. Athanasius)
Jesus said: "My people, today's St. Athanasius fought against heresies that denied My Divinity as a God-man. He was a courageous man to defend the teachings of the faith at Nicea. This is the creed that you recite and believe at Sunday Mass. I also call My faithful to defend My Commandments and Church teachings on the sexual sins as mortal sins. Those people, who commit acts of fornication, adultery, homosexual sins, or use birth control devices or pills, are committing mortal sins, and they need to be confessed in Confession before receiving Me in Holy Communion. These are all serious sins against the Sixth Commandment. Do not accept any teachings that violate My Sixth Commandment. You will be seeing a division coming in My Church between a schismatic church and My faithful remnant. You have souls at risk of going to hell for not cleansing these mortal sins from their souls. The schismatic church will be teaching that the sexual sins are no longer mortal sins, so be aware of what is coming. Live according to My laws of love, and you will have eternal life with Me in heaven."
Jesus said: "My people, you are seeing a two hundred foot tsunami come against your Eastern shore from a major earthquake under the Atlantic Ocean. This wave could cause great destruction to your coastal cities. It would be a major disaster that would definitely cause a martial law with evacuations and a huge

cleanup. This would be a major punishment of America, and it would upset the plans of the one world people. If you do not see such a tidal wave, you could see another kind of natural disaster on the same scale. There will be a major event this year that could change the way you live."

May 4, 2016
Tuesday, May 3, 2016: (Sts. Philip and James)
Jesus said: "My people, St. Philip and the apostles had still not realized that the Father and I are One. The apostles had seen many of My miracles, and St. Peter knew that I was God's Son, but they did not understand about the Blessed Trinity. Wherever I am, God the Father and God the Holy Spirit are with Me, because We are One, and We cannot be separated. The apostles realized this more after they saw My resurrected Body. You will soon be celebrating My Ascension into heaven followed by the coming of the Holy Spirit on Pentecost. You also should get your Novena of the Holy Spirit ready for Thursday. I love all of My people, and you need to know about the gifts of the Holy Spirit that you received at your Baptism and your Confirmation. Rejoice in understanding what you can of My Holy Father in heaven, and the Holy Spirit, because you are temples of the Holy Spirit. The Blessed Trinity is a mystery in faith, but We are all active in your life."
Jesus said: "My people, the front runners in both parties are close to winning their party's nomination. Once the conventions affirm their candidates, they will have to decide on a Vice Presidential nomination, and develop a platform. There is still an unknown in how your President and the one world people will react to the above events. You could see a natural disaster or the Warning interfere with the coming election. The one world people could also create a major incident that would precipitate a martial law, and keep your President in office. A takeover of America would move America into the North American Union. This would allow the Antichrist to declare his takeover for a short time. Do not be fearful of these evil ones, because I will bring My victory over them. The bad people will be cast into hell, and I will bring My faithful into My Era of Peace. You know the end of the story that Satan, the Antichrist, and the False Prophet will all be conquered. This is My plan, and the evil ones will not be able to change it, because My power is greater, and I am always in charge of what goes on."

May 19, 2016
Wednesday, May 4, 2016:
Jesus said: “My people, My apostles saw My powers were of a Divine origin, so they were open to believe in My mission. I am a loving God, and I came as a man so I could offer up My life to atone for all of the sins of mankind. Death and sin had no power over Me, but My greatest miracle was My Resurrection from the dead. This Good News of My Resurrection is a promise to My faithful that at the last judgment, they will be joined with a glorified body as I appeared to My apostles. This belief that I am God’s Son, the Second Person of the Blessed Trinity, can only be granted by Me and the Holy Spirit to believe in a gift of faith. This is why it was hard for the Athenians to accept My Resurrection. Your whole Easter celebration is focused on My Resurrection. I have given you My sacraments, and the gift of My very Self in the Mass, when the priest consecrates the bread and wine into My Body and Blood for you to receive. I ask that you receive My Eucharist with a soul that does not have any mortal sin on it. You can come to My priest to confess your sins, in order to have a pure soul. Having a pure soul by frequent Confession, will give you a constant preparation for when you will be judged at your death. Those people, who eat My Body and drink My Blood, will have eternal life with Me in heaven.”
Jesus said: “My people, America has enjoyed its freedom from communism and other kinds of control. Your Declaration of Independence and your Constitution, are a tribute to your founding fathers who recognized Me in your documents. It is sad that your current politicians have pushed your country completely to the left, so you have a socialist government with fewer freedoms. The one world people have so influenced your political leaders that they are dictating their control over you. Now that you have a populist candidate running for President, the one world people feel threatened to lose their control. You could see some made up events that could threaten to shut down your election, or there may be some threats against your candidates. Be prepared for some political battles that could threaten your freedoms. Pray for your country that you do not see killings and chaos in your streets.”

May 19, 2016
Thursday, May 5, 2016: (Ascension Thursday)

Jesus said: “My people, when you think of My Ascension into heaven, those people, who have been to Israel, think of the hill on Bethany where it is marked by a shrine building. The significant reading is when My angels told My apostles that I will return on the clouds, even as I left on the clouds. It is this promise of My return that My faithful are patiently awaiting. When you see the sun out, and all the beautiful spring flowers, you have a new joy of being alive. The celebration of Ascension Thursday means you have ten days until you celebrate the coming of the Holy Spirit on Pentecost. Today, you are starting your Novena to the Holy Spirit. When you have your flower pictures printed, you can remember this spirit of joy in spring, and the joy of being with Me amidst all of these feast days. Life with Me every day is a joy to be close to your Lord.”
Prayer Group:
Jesus said: “My people, it is a miracle to watch how seeds planted in good soil can sprout forth when it is watered with warm temperatures. This is a parallel to the Parable of the Sower where the seed is My Word that is planted in the hearts of people. You need an open mind to receive My Word, and those people, who hear and act on My Word, are the seeds who are planted in good soil. You have read where the seed that falls on rocks or hard trails, cannot sprout without any roots. The seed that falls among thorns is choked by the distractions and cares of this world. Those, who hear My Word and accept it, can produce thirty, sixty, and a hundredfold.”
Jesus said: “My people, the Easter Season is placed appropriately in spring because it is a time of new life among My creation. Both the animal world and the world of plants are teeming with life at this time. I call My faithful to share your faith life with those people who do not know Me. Evangelizing souls is the most rewarding work you could do to save souls from hell, and bring them to My love.”
Jesus said: “My people, each person has been given a mortal body and an immortal soul. It is your soul that is constantly seeking peace, but each soul can only find peace in My Presence. This is why your spiritual life is seeking after My love, but it is always battling the earthly life of the body which seeks the world. Your body and this world will pass away, but your soul will live on forever. This is why it is better to be with Me in love, because I can promise you eternal life with Me in heaven.”
Jesus said: “My people, some people have a book of this Novena to the Holy Spirit. You can also find this Novena online on your computer, so you can print it out. This is a good preparation for the coming of the Holy Spirit on Pentecost.

You pray many novenas as with your prayers to St. Theresa, but this Novena to the Holy Spirit is one of the oldest novenas. You can call on the Holy Spirit to bestow His gifts on you to strengthen your faith. My son, you know how the Holy Spirit helps you to write down My messages, and He helps you to give your talks. When you pray the 'Glory Be', you are calling on His help."
Jesus said: "My people, I have given you many messages on the importance of finding and protecting your fresh water sources. Even rainfall is distilled water that comes back onto the earth. This is your easiest source to capture off of your roofs in rain barrels. Other sources are aquifer wells, streams, and some fresh water lakes. Protect your water from pollution and other poisons in your places of recycling water. I give you My gift of water, but drinkable water is harder to find."
Jesus said: "My people, as you look to space travel, you realize how fortunate you are to have the earth at the right distance from the sun for you to survive. You have the right temperature for water to be liquid, and you have an oxygen rich atmosphere to breathe and live. All of My gifts of food, water, oxygen, and the light of the sun, are all blessings that you receive from Me for your life to be viable. Give thanks to Me every day for all that I do for you. Show your love for Me and your neighbor in all the works that you do."
Jesus said: "My people, you know the story of My creation of everything from nothing according to the Book of Genesis. It is one thing to appreciate My creation in all of its miracles, but there are some people who do not want to believe that I exist, and they do not believe in My creation of everything. Man is caught up in science, and some scientists have 'big bang' theories, and evolution theories. These things are all theories, and they have not been proven. Trust in My creation, because the perfect order of My creation does not happen by chance or by itself. I am the Prime Cause of all creation, and when you die, you will realize how everything is under My control."

Friday, May 6, 2016

May 19, 2016
Friday, May 6, 2016:
Jesus said: "My son, you are blessed that I have called you to go out and share My messages, as well as evangelize souls to come to Me in conversion to the faith. There are many souls who have not yet been invited personally to know and love Me. It takes the grace of the Holy Spirit to inspire My faithful to go out and preach My Good News of salvation, and My Resurrection from the dead. If

people read My words in the Bible and acted on them, there would be no need for evangelists. But the evil one has a hold on people so much, you have to wake people up and pray deliverance prayers for their souls to be open to My words. The Bible is always available, and Confession is available also, but it takes a personal contact to evangelize souls to know My love. Many souls are in serious sin, and they need to have their sins forgiven in Confession so they can be freed from the bonds of their sins. By reaching out to help these sinners, you can help change their lives into faithful Christians. Deep down in their souls, sinners know what it takes to change, but giving up their sins of comfort, can take a large step by someone's help. For every soul that you can bring to Me, your trip has been worth your effort, and heaven rejoices. Continue to pray for My help and the Holy Spirit to carry out your mission."
Jesus said: "My people, My apostles were unsure of how and when the Holy Spirit would come upon them. I told My apostles to stay in Jerusalem and wait for the Paraclete to come upon them. Once I left My apostles, they would be waiting for My return. But they did not know how long it would be. My faithful of today are still waiting for My return. There is a joy in your hearts to know that you are already blessed by the Holy Spirit at your Baptism and at your Confirmation. You did not experience My Presence in the flesh, but you are blessed to still believe in Me by faith. You did not experience a tongue of fire that came down upon My apostles, yet you still believe that you have received the gifts of the Holy Spirit. Faith in Me is a gift of My grace, and you should give Me praise and thanks for all that I do for you. If you truly love Me, you will go forth and share your faith with others in your good works."

Saturday, May 7, 2016

May 19, 2016
Saturday, May 7, 2016:
Jesus said: "My people, mothers are at the core of all of your families, and they are the heart of the family. When your sons and daughters come to the homestead, there is a joy in celebrating with your children, grandchildren, and even some great grandchildren. Just as you celebrate Mother's Day with your immediate family, you are also celebrating with My Blessed Mother and the whole Church. You have been reading how My disciples like St. Paul, were joyful in sharing their faith with many different cities, as in Greece. You have also been reading how My Early Church was started, and how the faith was spread to all the nations. There are still more missionaries who go out to

different countries to bring in converts to the faith. I encourage all of My messengers and faithful to go out to all the nations, and share My Good News of My Resurrection."
Jesus said: "My son, you are made up of body and soul, and the most important thing to recognize is where you want to be for all eternity. Your body will pass away, but your soul lives on forever. By all of My gifts of creation, you can know that I exist as your God. I have given mankind My two greatest Commandments which are to love Me with your whole mind, body, heart, and soul; and to love your neighbor as yourself. I am all loving, and loving people should be your goal. You also need to know that I have chosen you, and I created you to know, love, and serve Me. You have a purpose to imitate Me in your lives, and do everything out of love for Me. Your good works are a way of thanking Me for all that I do for you. In order to come to heaven, you need to repent of your sins, and ask for My forgiveness. You also need to accept Me as the Master of your life. I was incarnated as a God-man, so I could sacrifice My life so all mankind could have an opportunity to be saved. You have a choice to accept My salvation or reject it by your free will. I do not force My love on anyone, but there are consequences for your decision. Those people, who love Me and obey My Commandments, will have eternal life with Me in heaven. Those people, who do not love Me and disobey My laws without repenting, are on the road to hell, if they do not change their ways. You see why it is your eternal destination that is most important for your soul, and why it is also important to save as many souls as you can from the fires of hell. Loving Me is the best choice that you could make."

May 19, 2016
Sunday, May 8, 2016: (Mother's Day)
Our Blessed Mother said: "My dear children, I am the Mother of Jesus by the power of the Holy Spirit, and I was blessed to bring up my Son in the Jewish ways. I am the Blessed Mother of all of my faithful children, and I am a model mother for all mothers to imitate. This is a joyous occasion to celebrate all mothers who are bringing up their children as faithful Christians. Encourage your children in their daily prayers, as the rosary, and have them attend Sunday Mass to help save their souls. I pray that your mothers do not have to bury their children, because it is sad to have them die at a young age. My Son, Jesus, had a mission to die for all the sins of mankind. His death was a defeat of Satan and

sin itself. Rejoice in this beautiful sunny day, as you see the flowers as a beautiful outpouring of God's creation. You mothers should rejoice to share your life and love with your children. Give thanks to God for all of these gifts of life in your children, grandchildren, and even great grandchildren."

Monday, May 9, 2016

May 19, 2016
Monday, May 9, 2016:
Jesus said: "My people, I have told you that My Warning will come before your lives are in danger. This will give all sinners an opportunity to change their lives of sin. You are seeing in the vision a comet that will appear in the sky on the day of the Warning. This comet will not hit the earth, but people will be frightened when they see what will appear as two suns in the sky. Many of you know that My Warning will give everyone a life review to know how they have offended Me with their sins. You will have a mini-judgment to show you your eternal destination, unless you change your life. This comet of the Warning will change its course, and it will return as My Comet of Chastisement that will hit the earth and be My victory over the evil ones. My faithful will be tested by the Antichrist's tribulation, while you are at My refuges. Do not be afraid, because you will have your reward in My Era of Peace."
Jesus said: "My people, the interest rates in America and many other countries have been held artificially low for many years. Low rates encourage people to buy cars and homes, and it also helps your government to hold down your debt payments for interest on your National Debt. Low rates also encourage some people to buy stocks on margin with cheap loans. For those people, who do not want to risk losing their capital, it is difficult to find acceptable interest rates for certificates or annuities. You also are seeing people holding huge debts at low interest rates. You have a debt bubble with students having huge loans to pay back. Others have huge balances on their credit cards because of their bad spending habits. The worst bubble of all are the derivatives that control huge amounts of credit, and they could default with an increase in interest rates. Many national economies are on the brink of bankruptcy when they default on their loan payments. Such a crash of these debt instruments could cause a crash of your money system, and precipitate a martial law, and a new money system like mandatory chips in the body. If you see such events, this will be the time to come to My refuges. It is not a matter of if such a crash would occur, but it is a matter of when it will occur. You will be at My refuges soon, so be prepared to

leave your home. My refuge builders need to be ready to help people. I will multiply what you need, because you will be living independently from those people who are controlling the new world order. Be patient before I will bring about My victory."

May 19, 2016
Tuesday, May 10, 2016: (St. Damien de Veuster)
Jesus said: "My son, you are seeing in St. Paul's life how the Holy Spirit is guiding My special messengers. You also have seen the Holy Spirit guide you in writing My messages and giving your talks. You also have the Holy Spirit guiding you in where to travel as well. I have My angels protecting you on your journeys. You were instructed to pray the long form of the St. Michael prayer both before your trip, and on your return home. St. Michael is another one of your protecting angels. Whoever reaches out to help save souls, can expect to get attacks from the evil one, who wants to stop your work. Keep praying for your protection, and be ready for these attacks in whatever form they may take. Those faithful, who go out to work in the vineyard for souls, will receive My reward for all of their work and dedication. Be thankful and give Me praise that you have been chosen to be My evangelist and messenger of My Word."
Jesus said: "My people, you have heard the story of how Fr. Damien helped the lepers, and he became a leper himself as a result. It is not easy to travel and give talks in various states. When I call My faithful to go out to all the nations to make converts, they may have to go into situations outside of their comfort zone. It is one thing to share your faith, but when you start risking physical injury to accomplish your mission, then it takes an extra grace of trust in My help and My protection. My son, you have been in some dangerous areas when My angels had to protect you. When you go out to give talks, you are trusting in My help to get you back home without any problems. It is this trust in Me that I can use to help win souls over to Me. Have courage, and trust in My daily protection."

Wednesday, May 11, 2016:
Jesus said: "My son, you are fortunate that you can sit down and write My love messages every day after Mass, and at Adoration of My Blessed Sacrament. You

take time to type them, put them out on the internet after your spiritual director approves them, and you have them published every three months. These are words to encourage My faithful in their faith, and a preparation for the trials that are coming. You are sharing My messages, and you have another mission of having your interim refuge ready to accept the people I will send you during the tribulation. Some people have doubted that these events will come soon, but I told you they would happen in your lifetime. You are not the only refuge builder, because there are many faithful who have accepted this mission of building large and small refuges. These refuges will be My special places of protection for My faithful. Trust in Me to have My angels watch over you and protect you."
Jesus said: "My people, you have seen some strong evidence that your new electronic voting machines could be hacked or manipulated to change votes for the one world people's candidates for President. In order to have a fair election, only people who are registered and in an election book, can sign to vote. Each machine should be checked independently to make sure they are recording the right votes. Unless you can check these machines, the one world candidates will always win by manipulating the vote. You have seen even foreign countries running these machines. The one world people had your old lever machines replaced because they could not manipulate those machines. It is difficult to verify that all of your machines are working properly, but if they are not checked, the same one world backed candidates will continue to win. The one world people control all of your elected officials, which is why their takeover will be coming soon. Be ready to leave for My refuges, if you see martial law, mandatory chips in the body, or a crash of your money system. Your tribulation is coming soon, but My angels will protect My faithful at My refuges."

May 19, 2016
Thursday, May 12, 2016: (St. Nereus & St. Achilleus)
Jesus said: "My people, you may not see Christians being martyred today in America, but there are Christians being brutally beheaded by Moslems in other countries. You may not be martyred now, but you could be persecuted for speaking out against abortion, people living in fornication, or same sex marriages. Now, you are dealing with transgender people, and those people who are favoring euthanasia. These acts are all sins against My Commandments, and you need to stand up for what you believe, instead of following what some say is politically correct. My ways are different from man's ways, and you could be

persecuted for publically standing up for My Commandments. Even if you are threatened with death, never deny your belief in Me, and refuse to take any chips in the your body. The days are coming in the tribulation when Christians will be martyred for their faith, and you will have to seek out My refuges for your physical and spiritual protection."

Prayer Group:

Jesus said: "My people, with the male history of deacons and priests, it is hard to imagine such a change in tradition to consider women deacons which could even mention possible women as priests. I made My apostles into My first priests, and deacons were chosen from among men for the most part. If I had wanted women to be priests and deacons, I could have done so, but the men are now living celibate lives in My service. Changing such a tradition would be difficult after so many years. It should be a decision by the Holy Spirit, if women should be deacons."

Jesus said: "My people, you are seeing some leaders in the GOP that are having a struggle with the issues over the current Presidential nominee. This nominee does not want to change his ways just to please a few Congress people. Their goal is to win the Presidency, so there will need to be some compromises. There are still several possibilities that something will interfere with this election process. The one world people do not want to give up without a fight over their influence, so you could see an event that could delay or cancel this election."

Jesus said: "My people, your electric grid is very vulnerable to an EMP (electromagnetic pulse) attack or terrorism on your transmission lines. Without electricity your banks and your home heating would be in jeopardy. Your communications, cars, trucks, and buses would not work. Your economy would come to a standstill, and many could die of starvation. There have been people looking into it, but it would take billions of dollars to protect your lines from an EMP attack. This is why I have had My refuge builders put in solar panels and batteries to have electricity. I will protect all of My refuges from any EMP attack."

Jesus said: "My people, I have given you several messages that events of this year could lead to a martial law. It is the goal of the one world people to take over America, and put you into their North American Union. These unions on all the continents will be given over to the Antichrist when he declares himself ruler of the world. The tribulation is coming, and the one world people will be America's punishment for all of your sins against Me. When martial law occurs, there will be chaos and riots in your streets, as people will be looking for food

and water. This will be the time to come to My refuges."
Jesus said: "My people, you have seen several countries buying up as much gold as they can find, because the dollar will be losing its value as a reserve currency used for buying oil. America has a huge National Debt, and there is no real value backing your dollar. Once the dollar fails, you will see the one world people bring out a new electronic money called 'SDRs' or Strategic Drawing Rights. This is when your money system will collapse, and the one world people will bring about their new world order. Again this will be a time when My faithful will need to come to My refuges for protection."
Jesus said: "My people, when the Holy Spirit came over My disciples with tongues of fire, they began to speak different languages, and they received the gifts of the Holy Spirit to go out and make converts. Pentecost Sunday is the last big feast of the Church Year, so enjoy the gifts of the Holy Spirit. You also should be finishing up your Novena to the Holy Spirit."
Jesus said: "My son, I want you to remember to pray your long form of the St. Michael prayer before you leave, and on your return. Call on Me and My angels to protect you in your travel, and in sharing My messages with the people. I thank you for all of your traveling and evangelizing the souls that you meet. Call on the Holy Spirit to speak My words that will touch the hearts of the people who will receive you. Remember that even if one soul is saved on your trip, then your trip was worth your efforts. All of heaven rejoices over one soul who converts, and accepts Me as that person's Master."

May 19, 2016
Friday, May 13, 2016:
Jesus said: "My people, in this world you have many distractions with music, watching TV, and your electronic devices. You are racing through life without taking time to get to know your Creator. My faithful know how important daily Mass, daily prayer, and monthly Confession are to your spiritual life. At times you need to be quiet and turn off all of your worldly distractions. It is in your quiet moments when I can talk to your heart, if you are listening. I have asked you to pray for sinners, the souls in purgatory, and for the souls in your family who are away from Me. Your prayer life can settle the peace in your soul that I give you. I love all of My people, but there are many souls who do not take the time each day to love Me, and seek My help in their trials. Without Me in your lives, you will be struggling twice as hard in your trials. When you take up the

cross that I will give you, I will be like Simon helping you to lighten your load. When you trust in Me for everything, I will see to all of your needs. So slow down your life's tempo, and take some quiet time each day so you can know Me better. Those faithful, who let Me lead their lives, will accomplish more, and you will be on the right road to heaven."
(Our Lady of Fatima) Jesus said: "My people, your priest gave a good homily in explaining what a mortal sin is. It is unusual to hear a homily on sin, especially one that explains the seriousness of a mortal sin. Mortal sin is a serious sin, as with many sexual sins, but also it can be a serious denial of Me in public as St. Peter, when he denied Me three times. Mortal sin breaks your connection of love with Me, and your soul is dead spiritually. When you commit such a serious sin, this requires being forgiven in Confession before you can receive Me in Holy Communion. Otherwise, when you receive Holy Communion in mortal sin, you commit another sin of sacrilege against My Eucharist. There are many people who are in denial, or they do not think they are committing a mortal sin by having relations without marriage. The same is true of homosexual acts as well. This is why it is important for every Christian to have a properly formed conscience so they truly know when they are committing a serious sin as a mortal sin. Some people rationalize that living in fornication is not a serious sin because they are in love. This is still a mortal sin. To have relations properly, a couple needs to be married in My Church. Once you know what is a serious sin, you need to avoid such a sin or the occasion that could lead to a serious sin. By living in My grace with frequent Confession, you can come closer to Me, and your life could be a good example to other people around you. I will always forgive a repentant sinner, but those people, who commit serious sins without repenting, are on a path to My judgment to hell. If you truly love Me, you will keep a pure soul so I can take you to heaven one day."

Saturday, May 14, 2016:
Jesus said: "My people, it is true that I want all of My faithful to live responsibly to Me in both their physical and spiritual lives. In your physical lives you are called to provide for yourselves with a job so you have a place to live and food to eat. Some people are called to a married life, some to the religious life, and some to the single life. Whatever vocation you are called to, you have responsibilities to take care of your children, if you are married. You may be

called to offer Mass and hear confessions, if you are a priest. In your spiritual life you are called to do everything out of love for Me. You have a responsibility to have your soul saved from hell by following My Commandments. You should leave some time for Me every day in your prayers. You also have a responsibility to help save the souls of your children and your spouse. The priest has a responsibility for helping to save the souls of his parishioners. It is love that I desire from everyone, and you should try to love everyone in your life."
(St. Matthias) Jesus said: "My people, in the Gospel you read how you were chosen by Me to be living here now. You may be born to your parents, but it was I through the Holy Spirit who placed your soul into your fertilized egg at conception. You have even seen a white light emitted from a newly fertilized egg. Each person is unique with special talents for their unique mission. This is why it is a crime to abort babies because you are interrupting the plan I had for that soul. Today's St. Matthias was chosen by My apostles to fill the place of Judas, who killed himself. Most people do not realize that they were chosen by Me, even though this is quoted in the Scriptures. All of you also have Me as your personal Redeemer, because I died on the cross to save all souls who accept Me into their lives. I desire that all souls could be saved, but I have to honor every person's free will choice. Your natural inclination of your soul is to seek Me out as your Creator. It is the devil who tries to lead you astray. Follow your heart and soul to seek My peace, and you will be completely satisfied."

Sunday, May 15, 2016: (Pentecost)
The Holy Spirit said: "I love you as your Comforter, and I bring comfort to My people. I am your Paraclete, and you know Me as the Holy Spirit, the Third Person of the Blessed Trinity. Just as on the first Pentecost, I have blessed all of you with My seven gifts. As you prayed after Mass, you could feel My healing power as you held out your hands in prayer. My son, you took a trip to Betania, Venezuela and before you went there, your priest had a small dove on his forehead in a picture. There also was a lot of glitter flakes all over the floor. When you were at Betania, you remember very clearly how a white dove came and stayed on a nearby tree for four or five hours without moving. This was a sign that I am the Spouse of the Blessed Virgin Mary, and I was giving witness to your priest and the people how much I love you. I empowered the apostles with My gift of tongues so they could evangelize the people in their own

language. Today, you can feel the joy of My love in your hearts, and you all are My temples. I empower all of My faithful to go out to all the nations to share the Good News of Jesus' Resurrection. Trust in Me that I will give you the words to touch the hearts of the people, so they can be converted to the Lord. Rejoice in My feast of Pentecost because I am with you always with My love in your hearts. I give you gifts to prophesy, to speak in tongues, and to heal people both in body and soul."

Monday, May 16, 2016:
Jesus said: "My people, Alice has a very child like trust in Me and My Blessed Mother for all of her life. Even though she has gone through trials of health with her daughter, I have given her the strength to deal with Debbie's death. Debbie has given you some words and she is with Me. Alice has been given some great gifts in her new chapel and the beautiful Infant of Prague. I have been helping her to prepare her refuge for many years. Your children and friends know they can be supported here both physically and spiritually during hard times, as in your ice storm, and even during the coming tribulation. My angels are protecting this place, and My Blessed Mother and I want to comfort you in your loss. You will see My coming Era of Peace when you will see My love poured out to prepare My faithful to be saints in heaven. I love all of you, and continue to follow Me in trust."

Tuesday, May 17, 2016

May 19, 2016
Tuesday, May 17, 2016:
Jesus said: "My people, you have seen many closed doors in your life where things that you want, have not been open to you. Sometimes you run into legal problems, or you may not have the money to buy something. I have told you in the Scriptures to knock, and it will be opened to you. This means you have to ask Me for something in your prayer intentions, and it will be answered in My way, and in My time. At times either I or your guardian angel, wanted you to do something, and it seems that your mind was closed to listening to us. You need to have an open mind to be able to change your life for the better by taking our advice. Many people are so close minded that they do not want to take anyone's advice, since they are prideful in thinking they have the best ways to do

something. The only way that you can learn something in the world, or spiritually, is to be willing to take a chance on trying something new that is proper according to My laws."
Jesus said: "My people, you have many beautiful instruments, and I am showing you an excellent grand piano. It is the music that you wish to play that gives witness to a person's free will to express themselves. Some people may play rock music, classical music, or musical hymns for Mass. There is music in heaven that will sound beautiful to My liking, because it will be My expression of heavenly music, and it will sound better than any earthly music. You have an imperfect body, and it will not be perfect until you come to heaven. This is why everything that you do on earth is imperfect, and it can be done better in heaven. Even though you are imperfect now, I am pleased with My faithful when you strive for perfection in all that you do for Me. So play your music on the piano the best that you can. Also ask My help to do everything as perfectly as possible on earth for My greater glory."

Wednesday, May 18, 2016:
Jesus said: "My people, you cannot promise yourself that you will be here tomorrow, but for My grace, you may not die today. You always need to say, if I (Jesus) will it, you will be here tomorrow. Life is short, and you could die from any number of causes. If you are alive, then you need to use your life to pray and help people with their problems. Many people take things for granted that their lives will continue on. If you had a terminal disease like cancer, you would appreciate every moment that you had left. You all are a comfort to each other because it is difficult to live alone. Treasure your friends and family members while they are still with you, because each life that I put in your path, is a gift to you, especially your children. You see people each day, but imagine your life without them, and you will appreciate them even more. Live your life to the fullest, so you can show Me your good deeds for all of your time that you were here on earth."

Jesus said: “My people, you know how much water you need to drink each day. When you have forty people at your refuge, I will multiply what you need without counting the water you need for washing your body, your clothes, and your dishes. You will need your dousing rods to point to any springs on your land. I will enable your drilling equipment to be able to pump fresh water from the ground. You may need a cistern to settle any muddy water, or a filter to purify your water. The water in your barrels will be needed for drinking only. Your drilled well and any rain collected from your roof, should be the water used for washing your body, clothes, and your dishes. If you can reuse your water by purifying it, then you would have more to share. You will have to pray for some miracles to multiply your fresh water, so everyone will have enough to drink and wash. When it rains, you will have to use your gutters to fill your rain barrels. You could get some smaller portable houses for your latrines, so you could move them easier than your large shed. You will need to make some holes in the ground and use your lime for curing the smell. You may need some fence post shovels for digging your holes. By being prepared to take care of large numbers of people, you will be able to help the people who come to your refuge. Most of all, you need to pray and be patient with your people.”

Thursday, May 19, 2016:
Jesus said: “My people, you are familiar with how some rich people take advantage of the poor, when they use them like slave labor workers, and pay them low wages. There are many injustices in the world, while the rich have a good life on other people’s money. You have read about Lazarus and the rich man in the Bible. During life the rich man did not even help Lazarus with his sores or give him food. Then at the judgment, Lazarus was with Me in heaven, but the rich man was languishing in the flames of hell. He wanted water to cool his tongue, but his punishment was forever. If you have excess wealth, you should share it in charity donations. If you live selfishly, then you may be punished like the rich man in hell. By loving people and helping them when you can, you will be storing up real treasure in heaven. Help the poor with your donations and prayers, while you still have the opportunity.”
Prayer Group:
Jesus said: “My people, it is sad to see another plane taken out of the sky in the

Mediterranean Sea. There was some debris on the surface near a Greek island. All the passengers and crew are presumed lost. Your people are suspicious of a terrorist act, as there was no warning or communication of trouble. Pray for the people who were lost, and their grieving families."
Jesus said: "My son, you forgot at first to pray your St. Michael prayer on your way back home from Kentucky. Once you saw a backup of traffic on the main highway to the airport, you were concerned that you might miss your plane. This is when you prayed your long form of the St. Michael prayer. As you were lost for a moment, you had a generous man lead you in his car back to the main highway past the blocked traffic. You were also fortunate that your plane was delayed so you were able to get on your plane in time. You need prayers of thanksgiving for a good outcome, and an answer to your prayer."
Jesus said: "My son, you were able to give your friend some words of comfort from her daughter, who died from brain cancer. She also shared some words about miracles that would occur in your chapel. The people were happy to receive your messages on Pentecost. The Holy Spirit helps people to prophesy, heal, and evangelize converts. Your trip was very successful in your sharing."
Jesus said: "My son, you witnessed the young girl who was searching for the truth. When you shared the rosary and how to say it, she felt warm and accepted by My Blessed Mother. Your friend wanted to follow up with her so she could come close to Me and My Blessed Mother. Remember when I told you that if one soul is converted, then your trip was worth your effort."
Jesus said: "My people, you saw a beautiful tribute to Alice as she was graced with one of four statues of the Infant of Prague that were brought to America. This gift and her new chapel were graces given to her to soften the hardship of losing her daughter to cancer. Debbie is in heaven and she will be praying over her family. It was good that you were there to help comfort Alice in her grieving for her daughter."
Jesus said: "My people, after your celebration of My Holy Spirit on Pentecost Sunday, now you will return to the green vestments of Ordinary Time. The coming of the Holy Spirit on Sunday is a great sign as He appeared with tongues of fire over My apostles. He brought His gifts to My disciples and they began to preach in foreign languages. My apostles were given the courage to go out to all the nations to share My Good News of My Resurrection. Thus My Church was able to grow in numbers and spread all over the world."
Jesus said: "My people, your spring weather has been cooler than normal, which is why your flowers and trees were slow to show new growth. Now, that your

weather is warming, you have seen your grass growing long. You had to cut a high grass because of this increased growth. Be joyful that life has returned to all of your flowers, trees, and grasses. The beauty of spring is a welcome relief from your cold winter and bare trees. This cycle of life is a reminder how your life is precious, but it will come to an end one day. Keep your soul pure with monthly Confession so you are ready for your judgment."

June 1, 2016
Friday, May 20, 2016: (St. Bernardine of Siena)
Jesus said: "My people, you are living in an age when Satan has attacked the family with so many immoral movies, the acceptance of living together, divorce, and homosexual marriages. In Moses' time he allowed them to write a divorce because of their hard hearts. Today, your society has down played the importance of the institution of marriage. I told My apostles that there should not be a divorce, since a man commits adultery against his wife, if he marries another. A woman commits adultery against her husband, if she marries another. A husband and wife should be marrying for life with a total commitment to each other. It is unfortunate that some marriages are violated by infidelity, verbal and physical abuse, mental problems, and serious addictions like alcoholism. Today, you are allowed annulments to remarry, just as Moses did. You have society accepting people living in fornication or with homosexual acts. These are sinful relationships, and they should be avoided to keep your soul pure. Divorce has also created problems with where the children will live. Some of the children's behavior problems stem from single parent households. For those couples who are able to live in a committed marriage, they will receive more treasure in heaven for being faithful to their spouses. Call on My help in your marriages because love should be a giving of oneself to the other in all that you do."
Jesus said: "My people, your President has said that one of your candidates for President will not be President. He said this as he already is implementing his own takeover. He is shipping in thousands of young Moslems that could be used for multiple terrorist attacks, which would give him an excuse to declare martial law. Over the last eight years, he has removed many of your generals who would not go along with his plan for a new world order. Many of your service corps have been stripped of planes and ammunition so they can barely protect you. There are many foreign troops here with their own planes and tanks, ready to

enforce mandatory chips in the body, and an eventual takeover of America. You are close to being joined into the North American Union with Canada and Mexico. This takeover will be so sudden, that you will wonder how this could take place. You are so close to the tribulation of the Antichrist, that it is about to come soon. Be ready to leave for My refuges as soon as I give everyone an interior message to leave your homes. If you have not read the signs of this coming takeover, then you are not very observant. Trust in My protection at My refuges, and I will have My angels protect you."

June 1, 2016
Saturday, May 21, 2016:
Jesus said: "My people, there were many beautiful ideas in your readings today, but I love the part that says everyone needs to act with the innocence of a little child in order to enter heaven. You were thinking of the beautiful life of St. Therese as an example of such a child-like faith. In her 'little way' she tried to do every little thing for Me in her daily work. The child-like faith and openness to My Word, is what I desire in every soul that seeks to be with Me in heaven. You need to live a humble life without being consumed by the cares and distractions of the worldly things. Your eternal life with Me should be your goal, which is why you should be more focused on heavenly things rather than earthly things. Live a life of love of Me, and love of your neighbor as yourself."

June 1, 2016
Sunday, May 22, 2016: (Holy Trinity Sunday)
The Eternal Father said: "I AM WHO AM, is greeting you, My son. This Sunday celebrates Our Holy Trinity of Father, Son, and Holy Spirit. You just celebrated Pentecost and honored the Holy Spirit. We are Three Persons in One God, which is a mystery for people to understand. You have to think of each Person separately, but We are always Present together. So when you receive My Beloved Son, Jesus in Holy Communion, you are receiving all of Us at once. This was true of Jesus' Baptism, and when Jesus was transfigured on Mt. Tabor. When you give glory and praise to Us, your 'Glory Be' prayer is the best prayer to acknowledge all of Us. When you pray your novena prayers to St. Therese,

your twenty-four ‘Glory Be’ prayers are most effective. This is why We do not want you to have any fear of the evil ones, because We created all the angels both good and bad, and they are subject to Our power. This is also why you need to have more trust in Our protection from the evil ones. You have been given powerful guardian angels to protect you and guide you. You also have prayed to St. Michael to guide you and help you on your travels. So all of My children should not be afraid of anyone, because they need to have trust in Our help and Our protection. Listen to the words of My Son when He said to His apostles: ‘Peace be with you.’”

Monday, May 23, 2016

June 1, 2016
Monday, May 23, 2016:
Jesus said: “My people, in today’s Gospel I was telling My apostles how hard it is for a rich man to be saved. Some people rely on their own wealth to buy everything, instead of depending on Me for everything. I even emphasized that it is as hard to put a camel through an eye of a needle, as it is for a rich man to be saved. The eye of a needle was a four foot by four foot opening to keep the animals out. What seems impossible for man, is possible for God. If you do not have My help and grace, you cannot enter heaven. To enter heaven, you need to repent of your sins, and accept Me as the Master of your life. I died on the cross to atone for all of your sins, so you need to accept My gift of salvation. A rich person is attracted to the wealth and possessions of this world. It is hard to give up his or her wealth, and even to share it with others for some rich people. When you die, you cannot take your wealth with you. Having a lot of money will not buy your way into heaven. You will be judged on your love for Me and your neighbors, and not on how successful you were in this world. What does it profit you if you gain the whole world, but lose your soul? It is the eternal destination of your soul that matters the most.”

Tuesday, May 24, 2016

June 1, 2016
Tuesday, May 24, 2016:
Jesus said: “My people, I have told you about your President’s plans, and the one world people’s goal of declaring martial law, so they could take over America.

Your President wants martial law so he can cancel your Presidential election. Your President has just made some changes with his latest Executive Order that would give him more power over your civilian population for total control. If your Presidential elections are blocked by an artificial emergency for martial law, then your President would assume dictatorial powers over your Constitutional rights. This would be treason against your country, but it would give the one world people the takeover to put you into the North American Union. Americans need to overthrow any such martial law, or you will lose all of your freedoms. You may even have a revolt in your streets over such a blatant grab for power. If martial law is declared, My faithful will need to come to My refuges for their protection from the men in black who want to kill you. Trust in My protection because My power is greater than the demons and the one world people."

June 1, 2016
Wednesday, May 25, 2016: (Funeral Mass for Carole DeRuyscher)
Carole said: "I am happy to be with my Jesus in heaven, and I was greeted there by my husband. My husband was calling me in a dream. I love all of my family, and I will be praying for all of their souls. I thank Fr. Peter for telling my family of my wish that they come to Mass on Sunday. I can tell you that heaven is so beautiful, and I will be waiting to meet my family and friends in heaven one day. I thank you John and Carol, and the prayer group for your many years of friendship. God bless everyone and keep the faith."
Jesus said: "My people, there may be some weather related problems that could reduce the amount of food available. The largest problem for obtaining enough food, will be linked to mandatory chips in the body. Eventually, you will not be able to buy food, unless you have a chip in the body. I have warned My faithful to have a year's supply of food for each person living in your home. This is so you do not need a chip to buy food, or there may be a limited food shortage. Do not take a chip in the body, even if the authorities threaten your life, or prevent you from buying food. You can buy canned foods, meals ready to eat, and dehydrated foods. The one world people will try to cause a man-made famine by restricting who can buy the food. Once you see such a famine and mandatory chips in the body, this will be the sign to come to My refuges, because there will be riots in the streets to obtain food and water. I will protect My faithful at My

refuges, and I will multiply any food and water so you do not starve or go thirsty. Trust in My protection, and providing you with enough food and water for your survival."

June 1, 2016
Thursday, May 26, 2016: (St. Philip Neri)
Jesus said: "My people, there are people dying every day, as I take them home. As you grow older, you notice how many of your friends have deceased. It is hard to lose old friends, but death is part of your lives as mortal beings. Each life is My gift to you, but each person is only here for a short time. Appreciate your friends while they are still with you. You are hearing some beautiful descriptions of heaven through their messages to you. Some people die young from cancer, while others are graced with a long life. You are so used to waking up in the morning to continue your life's work, but one day you will be called home, and there will be no more tomorrow for you in this life. Your true life will be waiting for you after you die. So do not have a fear of death as My faithful, because your reward is waiting for you in My glory of heaven."
(Funeral Mass for Estelle Wegman) Estelle said: "I am proud of all of my family for coming to my funeral, I love you all so much. I thank all of the people who helped me in my later years, especially during my medical problems. My last sufferings were my purgatory on earth, as I am in heaven with Ed and my deceased family and friends. I want all of you to keep in line in the faith, by coming to Sunday Mass and Confession. I will be watching you and praying for all of you because I want to see all of you with me in heaven. Remember me in my pictures because I will never forget you. Thank you for singing the 'Mother' prayer to me on Mother's Day."
Prayer Group:
Jesus said: "My people, I want you to be careful, and do not open yourself up to any demonic possession or oppression. Avoid using Ouija boards, palm reading, evil electronic games, and any other occult practice. Sometimes people invite demons in using Yoga, or any other Eastern meditations. You have seen possessed people and they need exorcisms and strong deliverance prayers like the long form of the St. Michael prayer. When you have strong demons or multiple demons, you will need prayer and fasting."
Jesus said: "My people, you need to be alert to the signs of evil in a person. The

person or the demon does not like Me or My Blessed Mother. The evil one could shy away from holy water, a blessed cross, or deliverance prayers. You could see unusual coldness in the room, or guttural sounds coming from someone. You have seen possessed people slithering on the ground like a snake, or they could be spitting on you. Once you recognize these signs, you need an exorcist priest to pray over someone. You can also pray the long form of the St. Michael prayer over this person. Try to place blessed sacramentals on evil people."

Jesus said: "My people, another means for ridding demons is to try and find out the name of the demon. Then you could pray a binding prayer of that spirit's name to leave, and go to the foot of My cross, and never to return. Without a priest, you need a group of people to pray the deliverance prayers. Be careful if the demon is quiet, and is still present. Trust in My power and demand the demon to leave in My Name."

Jesus said: "My people, you should wear your weapons against the evil ones with your scapular, a rosary, a St. Benedict blessed cross, some holy water, blessed salt, or some relics of the saints. Your best preparation against temptations of the devil is to come to frequent Confession to the priest. The more that you commit serious sins against Me, the harder it is to resist the devil's temptations. If you are attacked by the demons, then call on Me to send you My angels of protection. You call on St. Michael to protect you on your travels both coming and going. Avoid occasions of sin, and keep close to Me in your daily prayers, Mass, and Adoration of My Blessed Sacrament."

Jesus said: "My people, you cannot change someone's free will, but you can encourage people to be open in coming to Me. If you are persistent in your prayers for someone, you can help give them an opportunity to be saved. You can pray novenas for conversions, or you can pray the St. Bridget prayers for a year or more for someone. I prefer people to repent of their sins, but My mercy can go out to someone whom you are praying for. Go out to all the nations and evangelize all those people who are open to Me."

Jesus said: "My people, you have seen some recent articles about how doctors and others are promoting people to have chips placed in their bodies. At first you will see people volunteering to take chips in the body, but soon your government will make chips in the body mandatory for your new money and for buying and selling. Do not take any chip in your body for any reason, even if people threaten to kill you. This chip in the body is the mark of the beast, and it will control you like a robot as if you were hypnotized. When chips in the body are mandatory, this will be the time to come to My refuges."

Jesus said: “My people, when you feel hot and uncomfortable, you turn on fans or your air conditioning. At times it is difficult to travel outside in the hot blazing sun. If you think you are uncomfortable in a hot, humid climate, imagine the souls in hell who have to endure the hot flames of hell forever with no rest and no cooling or water. If you do not want to suffer in hell, then you need to repent of your sins in Confession, and let Me be the Master of your lives. You also do not want to see your family members or your friends go to hell. So you need to reach out and share your faith with everyone so they will have an invitation and an opportunity to be saved. Those people, who are condemned to hell, can never escape the flames. So convert as many people as you can to My love to save them from hell.”

Friday, May 27, 2016: (St. Augustine of Canterbury)
Jesus said: “My people, it is important for My faithful to bear fruit, as with good deeds, and bringing the faith to converts. You are created to know, love, and serve Me, and that is why it is your calling to bear fruit for My greater glory. In the Gospel I also made a point that if you desire something in prayer, you also need to be specific with your prayers, and I will answer them in My way, and in My time. I answer prayers for what is best for the souls involved. If you desire something that is bad for the soul, then My answer will be no. If your prayer is something that is good for your soul or another soul, it will be done for you. So if you are making a prayer request, it is best to ask for something that will benefit the soul, and not just a worldly pleasure.”
Jesus said: “My people, I have been warning My faithful that the one world people are planning their takeover of America soon. I am in control of what is allowed on earth. You have seen Me postpone the evil people’s plan last year, and I will only allow them their hour in My time. You will first see My Warning also in My time. There will be a time of conversion after the Warning, and then the events will lead up to the Antichrist’s declaration, and the beginning of the tribulation. After My Warning, I will let everyone know that it is time to come to My refuges. If you have not made any preparations to leave your home with your backpacks, now is the time to make your last minute preparations. When I call you, you can call on Me to have your guardian angel lead you to My nearest refuge. Trust in Me to provide for your protection, and the food and water

needed for your survival."

Saturday, May 28, 2016:
Jesus said: "My people, after I threw the money changers out of the Temple, I told the people that they were a den of thieves in My Father's place of worship. It was for this reason that the Pharisees were questioning Me by what authority was I doing such a thing. I returned their question with My own question whether St. John the Baptist was speaking from Divine or earthly origin. This was part of My Messianic secret that I did not proclaim I was the Son of God until My trial before My death. Whenever I proclaimed My Divinity, the people did not believe Me, and they wanted to kill Me for blasphemy. But in reality I am God the Son, and My authority is over everyone and the universe, because We created everyone and all things. You all give praise and glory to Me because I created you, and you are subject to My power which is greater than the created demons. Those people, who believe in Me, do not need any explanation of My authority, because My power is apparent and understood. You all were created to know, love, and serve Me, and this is your mission."
(4:00 p.m. Mass, Most Holy Body & Blood of Jesus-Corpus Christi) Jesus said: "My people, in this church without the lights on, I am truly the Light of the world, just like your burning candles. When you receive Me in Holy Communion, I light up your life with My heavenly graces. This feast of Corpus Christi is special for all of My faithful who believe in My Real Presence in My Blessed Sacrament. Those faithful, who love Me so much, come to adore Me in the monstrance, or in My tabernacle. Your deacon was witnessing the many miracles of My Eucharist throughout the years, where some of them have seen blood on the consecrated Host. I have performed such miracles, especially for those people who do not believe in My Real Presence in the Host. When I showed My resurrected Body to St. Thomas, he said: 'My Lord and My God.' I told My apostles that they believed in My Resurrection because they saw Me in the flesh after My death, but blessed are they who have not seen Me in the flesh, and still they believe. Rejoice in the miracle at each Mass, when the bread and wine are transubstantiated into My Body and Blood."

Sunday, May 29, 2016: (Corpus Christi)
Jesus said: “My people, today’s feast of Corpus Christi is to honor My Real Presence in My consecrated bread and wine, as it is transubstantiated into My Body and Blood. When I first offered My Body and Blood to eat and drink, some of My followers left Me because they thought I was calling them to cannibalism. (Jn 6:61) Then I asked My disciples if they wanted to leave Me also, but St. Peter said: ‘Lord, to whom shall we go? You have the words of everlasting life, and we have come to believe and to know that you are the Christ, the Son of God.’(Jn 6:69,70) In St. John’s Gospel it is stated very clearly that only those people, who eat My Body and drink My Blood, will find eternal life, and I will raise them up on the last day. (Jn 6:55) This is why your Catholic faith is centered around the Mass, when you hear My words of Consecration and receive Me in Holy Communion. I give you strength and My grace every time you receive My Eucharist worthily. Because you receive My Real Presence in My consecrated Host, you need to have a soul free of any mortal sin. Those people, who take Holy Communion in mortal sin, commit a sin of sacrilege against Me. If you have mortal sin, you need to come to Confession to the priest as soon as possible, because you do not want to risk hell if you should die in mortal sin. You have seen the multiplication of the bread and fish for the five thousand men, so I also multiply My Hosts at the Consecration of the Mass. Give praise and thanks to Me for sharing Myself with you in Holy Communion.”

Monday, May 30, 2016: (Memorial Day)
Jesus said: “My people, today you recognize all of those service people who died to ensure your freedoms from tyrant governments as those under communism. It is sad though that you kill a million babies in abortion each year, which is more deaths than all of your wars combined. Your country is slowly losing its freedoms by courts making laws, and your President’s dictatorial edicts. Your Supreme Court has approved abortion and gay marriage. Now, they are considering euthanasia and legalized marijuana. You can see the morals of your society have been so degraded, that you are turning your back on Me in your Declaration of Independence. A man should love his wife, and a woman should love her husband. This is how I made Adam and Eve to have a proper marriage. You have listened to Satan’s lies of political correctness, and a false idea of

human rights. Your country will pay dearly for your sins, when I will allow the one world people to take you over as your punishment. Make your refuge preparations because you will only be protected at My safe havens."
Jesus said: "My people, the one world people started many wars because they profited from selling the weapons to both sides. I told you before that Satan is giving orders to his worshipers to promote his culture of death, and to reduce the population. He promotes abortions to kill the babies. He promotes wars to kill your young men. He promotes euthanasia to kill the older people. He also promotes viruses and vaccines to kill even more people. You need to build up your immune system with Hawthorn to fight off the viruses spread in the chemtrails. As you honor your service people, who were killed in your wars, it is a shame that these lives were used to make others rich. Continue to pray and fight against abortion, wars, euthanasia, and avoid taking the flu shots."

Tuesday, May 31, 2016: (Visitation of the Blessed Mother)
Our Blessed Mother said: "My dear children, I am pleased to meet all of you on one of my feast days. You can read how I went to help my cousin St. Elizabeth with a pregnancy in her old age. Even as I arrived in Ein Karem, St. John the Baptist leaped in his mother's womb. This was the first proclamation of my Son's mission that St. John would be the herald of in the desert. It was difficult for me to travel while pregnant myself, but the Lord enabled me to help St. Elizabeth for three months. Most people in your world today, do not fully appreciate how fortunate you are to travel around in your cars. If you had to walk or travel by donkey or camel to your destinations, you would not travel far. But you know how far it is from Nazareth to just outside of Jerusalem. I rejoiced at St. John the Baptist's birth because even our Church has feast days for his Nativity (6-24) and his death (8-29). I love all of you so much, and I want all of you to pray your daily rosary, and wear my scapular of protection."
Jesus said: "My people, I had prepared My Blessed Mother for her time on earth, and she was conceived without original sin. You watched the movie about Bernadette Soubirous when she received messages at Lourdes, France from the Blessed Mother. One of her messages was a revelation about My Blessed Mother's Immaculate Conception. It took years before My Church accepted this teaching. My Blessed Mother also lived in the Divine Will, and she did not commit any sin during her life as well. My Blessed Mother became a Holy Ark

of the Covenant, as she became My living tabernacle for nine months while she was pregnant with Me. In the Gospel she recited her beautiful Magnificat which is read every evening in the Liturgy of the Hours. Once St. Gabriel had received My Blessed Mother's 'fiat' acceptance, the angel told her that her cousin St. Elizabeth was with child at six months. This inspired My Blessed Mother to make a long trip to care for her cousin. Give thanks to Me that I gave My Blessed Mother to St. John and all of My Church at the foot of My cross."

June 15, 2016
Wednesday, June 1, 2016: (St. Justin)
Jesus said: "My people, in the Gospel the Sadducees, who do not believe in the Resurrection, asked Me about a woman who married seven brothers after each one had died. Whose wife would she be at the Resurrection? I told them that the resurrected souls would be as angels, and they do not marry in heaven. The Sadducees were misled in their thinking. A soul that comes before Me at its judgment, may have to suffer purgatory time to be purified. The soul is greeted first by its friends and relatives in a transition from earthly life to the spiritual life. When a soul comes to heaven, it is directed to the level of heaven which its good deeds and love have merited. There are seven levels of heaven, and it is My determination which level has been reserved for that soul. I make places in heaven for each of you who will come here. Keep close to Me in obeying My Commandments, and you will have a place reserved for you in heaven."
Jesus said: "My people, time is moving faster, and your events are flashing by just as if you were all on a roller coaster. I told you that I would be speeding up your days so they would be shorter than your twenty-four hour day. The earth is being speeded up on its axis so your time will travel faster, and My faithful will have less time to suffer during the tribulation. You will begin to see more people getting sick from the viruses in your chemtrails. You will be seeing more natural disasters, and your money is in danger of crashing. Chips have been forced in your charge cards, and next, chips in the body will be mandatory for everyone. I have told My people not to be fearful of the evil ones, and refuse to take any chip in the body for any reason, even if people threaten to kill you. Things will happen when I allow them, and not before it. Have patience because when things happen, they will go quickly. Seek out My refuges when it is time to come to protect your lives and your souls."

June 15, 2016
Thursday, June 2, 2016: (St. Marcelinus and St. Peter)
Jesus said: “My people, you have read about how My early Church had many martyrs as the saints of today’s feast. I am preparing My faithful for another time of persecution, as you are about to enter the tribulation of the Antichrist. There may be some faithful who would rather die than leave their homes for My refuges. These martyrs for their faith will become instant saints on their deaths. For those people, who want to live through this coming tribulation, I am providing My refuges with My angel’s protection. When I warn you to leave your homes, call on Me, and I will have your guardian angels lead you to the nearest refuge with a flame, and a shield of invisibility. If you happen to get captured, refuse to deny Me, and refuse to take any chip in the body, even if they threaten to kill you. It is better to die as a martyr than to deny Me. It is also better not to take any chip in the body that could control your free will to worship the Antichrist. Pray for those people who are weak in their faith, that they will not give in to worshiping the Antichrist, since they could lose their souls.”
Prayer Group:
Jesus said: “My people, it is sad to lose your parents, and they are deeply missed among the children. You are experiencing another problem in how to empty the contents of your parent’s home, and get it ready for selling. Homes that are not lived in for several years can present problems to clean and make it livable. You need a united effort from your family members to finish the sale of the house. Pray to St. Joseph to make any repairs, and to sell the house.”
Jesus said: “My people, those of you, who are older in your family, are finding it hard to attend so many funerals, when your friends or family members are dying. Some die younger from cancer or accidents. Others, who survive longer, are starting to realize how short their lives are, even when they become elderly. As long as you are active and healthy, you do not realize how quickly the years go by. Since time is short, you want to make the best use of your time with prayers, good works, and receiving My sacraments.”
Jesus said: “My people, some people, who discover cancer early, have a better chance of finding a cure. Your wife and others with breast cancer have survived. It is the more serious cases of cancer that are harder to cure. You have seen some alternative means being successful in curing a few cancers. In every case you

need to pray for the person's cure, and by My grace, you have seen some cures. It takes about five years to be more sure of a healing of cancer. When you do see cures, you need to have prayers of thanksgiving that a life has been saved, and maybe even a conversion."

Jesus said: "My people, in the spring you see a lot of planting both for crops and for pretty flowers. Your farmers provide the food you eat, and they have to take risks on what to grow, how to fertilize, and how to water their crops. In certain areas you see floods, fires, or droughts. These natural disasters can put your food supplies in danger. When you go to the grocery store, be thankful that the farmer has gone through a lot of efforts to bring you your food. Some people like to buy directly from the farmers to help their finances. It takes the right amount of sun, warm temperatures, and timely rain or irrigation to bring you good crops. You can thank Me for helping the farmer to have the right growing conditions."

Jesus said: "My people, you are well aware of all the dedicated schoolwork that is necessary to graduate from high school or college. It is always a hard question to decide how far in school you can achieve. Some are fortunate to afford a local two year college and possibly a not too expensive four year college. Many students have large college loans when they graduate. Another hard decision is what kind of job a graduate can find to make a living wage. Some people have to work two or more jobs to just get by. Pray for your graduates to make the right decisions for colleges, and the right job for their capabilities."

Jesus said: "My people, it is hard for your young people to get started with a car for work, or help in buying a home. If some parents are able financially, it would be very helpful to give loans or donations for buying cars or homes. It is unusual for young people to be able to afford big items early in their working lives. This is why some young people are living at home with their parents longer to save up for a house. These people appreciate any help, even if they pay back any loans when they can. It is getting harder to find and keep good paying jobs, so parents need to pray for their children's jobs and for their souls."

Jesus said: "My people, there are some of you who always pray to our Two Hearts, My Sacred Heart, followed by the Immaculate Heart of Mary. Those people, who do pray to us, usually have a picture of our Two Hearts together on the wall. We love all of our children, and by your prayers, we can send you the sufficient graces you need to survive the evil of this world. You need to love us as well, and have trust that we can provide all the physical and spiritual needs for your lives."

June 15, 2016
Friday, June 3, 2016: (Most Sacred Heart of Jesus)
Jesus said: “My people, it is appropriate that you celebrate My Sacred Heart feast with Adoration on First Friday. When you look closely at the picture of My Most Sacred Heart, you see a crown of thorns with drops of blood, and an eternal flame. This means I love all of mankind so much that I gave up My life on the cross to save you from your sins. My love for you is eternal, and I will always love you, despite your sins and imperfections. You are all My creations, and I will never deny you. Some people may deny Me and refuse My love, while others, who love Me, bring joy to My Heart. Do not let the devil mislead you with his lies, but see that you are all My children, and I desire to save all of you. You are celebrating our Two Hearts, both My Sacred Heart today, and My Blessed Mother’s Immaculate Heart tomorrow. Treasure the picture of our Two Hearts in your library.”
Jesus said: “My people, because the earth has a molten iron core, it acts as a magnet where the charged particles from the sun’s rays are deflected to the poles. You also have an ozone layer that absorbs a lot of UV light, and minimizes the cosmic rays on your skin. Without this layer, the sun’s radiation could cause harm to your body. Even out in space you need to have some protection from this harmful radiation. The earth is positioned at the right distance from the sun so you have tolerable temperatures that do not boil water, and do not freeze all of your water. You should be thankful that your planet has the near optimum conditions for life to exist. If you are able to have solar cells, you can provide most of your electricity that you need, except when there is snow on your panels. Harnessing the sun’s energy is what your plants do in photosynthesis. If you have enough rainfall, the farmers can grow their crops, and you will have food to eat. I love all of you, and I have provided for all of your needs.”

June 15, 2016
Saturday, June 4, 2016: (Immaculate Heart of Mary)
The Blessed Mother said: “My dear children, I love all of you, and I thank you for celebrating my feast of my Immaculate Heart, which is the second half of our Two Hearts commemoration. You see a flame in my Immaculate Heart picture

which also represents an eternal flame of love for all of you. Many of you have made a consecration to me with a thirty-three day preparation for one of my feast days. I want you to try and make as many consecrations and renewals as you can, more than just one. You found your orange book of the 'Total Consecration' by St. Louis de Monteford. The more consecrations you can make, the more graces you will receive from our Two Hearts. This truly is my mission to lead you to my Son, Jesus, through me. I give all the glory to my Son, but you can pray to me as your intercessor for your intentions."
Jesus said: "My people, those, who come to My refuges, will see My angels of protection, and they will have a luminous cross in the sky or miraculous spring water that will heal people. I have promised My refuge builders that I will multiply your water, food, and fuels. You will be depending on My miracles to provide what you need for My people. Water is your most important need, but you may not have water in the lines to your house. This means you will need multiplied fresh water from your barrels, a drilled well, or water from your roof when it rains. The next most important item is having enough food for your forty people. You have some stored food, but you will need your daily Holy Communion and deer for meat. You will need soap for washing your body, your dishes, and your clothes. You can use your solar panels for lights, your refrigerator, and your sump pumps. You will have to have an outdoor bathroom in place of your flush toilets. You will not need cell phones or any other electronic devices, because you do not want to listen to or look at the Antichrist because he could hypnotize you into worshiping him. Trust in Me to provide all that you will need at My refuges."

Sunday, June 5, 2016

June 15, 2016
Sunday, June 5, 2016:
Jesus said: "My people, (Jn 11:25, 26) 'I am the Resurrection and the life; he who believes in Me, even if he dies, shall live; and whoever lives and believes in Me, shall never die.' I said this to Martha as I was about to raise Lazarus from the dead. In today's Gospel I also raised a man from the dead, who was the only son of a widow. When I died on the cross, I conquered death, and I offered My life to save all of mankind from their sins. I resurrected from the dead Myself, to prove that death had no power over Me. I granted this gift of bringing people back from the dead to Elijah and St. Peter in other Scripture passages. Death is another consequence of Adam's sin, but if you are faithful to Me in My

Commandments, you all will be resurrected with Me in heaven at the last judgment. So do not be afraid of death and the evil ones, because I have conquered them. Peace be with you, as My angels will protect you."

June 15, 2016
Monday, June 6, 2016: (St. Norbert)
Jesus said: "My people, there are some people who are addicted to gambling at the many casinos. This can be a difficult problem for gambling addicts who spend the money they need to live on. This can affect other family members who may have to buy food for such addicts. Some local governments like to collect taxes from any winnings. There is one kind of gambling, called derivatives where bankers make bets with the bank's money that home owners will not be able to pay off their mortgages. Many banks are on the verge of a major bankruptcy when these derivatives fail. The world's banking system could also crash. There is more credit in derivatives than there is in the value of the world's assets. Another gamble people make is the risk of losing their souls to the evil one by not repenting of their sins. Some people do not understand the importance of keeping a pure soul, should they die unexpectedly. Once you die, there is no more time to prepare your soul. People are gambling with the lives of their souls if they do not keep their souls free of mortal sin. At your very judgment, I give souls one last chance to love and accept Me. If they still refuse to repent, and refuse to love Me, then they are choosing hell by their own free will."
Jesus said: "My son, I gave you this vision independent of your knowledge of a coming Bilderberg meeting of the one world people. These people make their decisions on how they want to control events in the world according to their desire. After they put their plans into action, you may see some serious changes in wars or recessions. They have enough wealth that they force events to go in their favor. These are the people who are planning a takeover of your country, and they want to crash the dollar. At times I intervene with My supernatural events to thwart their plans. I will only allow their plan to occur after My Warning. Be prepared this year for a major event to occur."

Tuesday, June 7, 2016

June 15, 2016

Tuesday, June 7, 2016:
Jesus said: “My people, at times you are dealing with the darkness that represents the evil in the world. Remember that My Light shines on all of you, but the evil ones commit their crimes in the darkness where they cannot be seen. You may not see all these crimes, but I see them, and these evil ones will answer for their misdeeds at the judgment. I am the Light of the world, and I will expose all of the crimes of the evil ones. I am merciful, but I am just as well for those who violate My Commandments. I will forgive the repentant sinner, but those people, who do not repent, will suffer My punishment. I do the judging, but My faithful can shine their light of love on all the people they meet. Share your faith with others, so they can pass on this gift of Light for others to follow My way to heaven.”
Jesus said: “My son, I am confirming that you are seeing several attacks for your upcoming talks in Florida. The first attack is that your flight was booked from the wrong city. A second attack is how your knee is sprained, and it makes it difficult to walk. A small attack was a missing time in one of the three spots on your website for the Florida talk. It cost some extra money, but you now have a connecting flight from Rochester to New York City. The time was added on your website. You have suffered pain for other talks to offer it up for converting souls. You can see that every trip is different, and you need to be more alert for possible problems. I keep reminding you to pray the long form of the St. Michael prayer on leaving and returning home. You forgot on your trip home on your last trip, and you prayed your prayer belatedly when you had traffic problems that nearly caused you to miss your flight. Trust in My help and My angels to get you to your destinations on time.”

Wednesday, June 8, 2016

June 15, 2016
Wednesday, June 8, 2016:
Jesus said: “My son, you prayed that your knee would get better for your trip on Friday. Even though you were in great pain yesterday, you were pleasantly surprised that you could walk better this morning. I am always protecting you, and answering your prayers, so have trust that I will enable you to carry out your mission. You have seen such suffering occur before on several of your trips. You thought you could not make it, but you were only inconvenienced a little. In some cases your pains disappeared after the weekend, so you know it was pain to help save souls at your talks. You have learned from these experiences, and

you remember now how I told you how you will be tested more as time goes on. Your evangelization mission is not easy, but I will give you sufficient graces to overcome most all of the obstacles that the evil one places in your way."
Jesus said: "My people, you are focused on the upcoming election as your primaries come to a close. The evil one world people do not want to see all that they worked for taken away by a new President. They are planning your destruction, because they want America to be a part of the North American Union. Their plan is to give all of the continental unions over to the Antichrist, so he can declare himself ruler of the world. I am still in total control, and I will choose the time when the Antichrist will have his brief reign. Many Christians will be persecuted here in America. This overthrow of your government could come through martial law, and your freedoms will be taken away in the North American Union. There are many foreign troops in your country who are ready to try and kill My faithful. This is why your President is secretly disarming you, so these foreign troops could take you over. Under the coming unions and the Antichrist, Christians will be eliminated. It is for this reason that I have urged My refuge builders to build safe havens where My faithful will be protected by My angels during the coming tribulation. Trust in My protection, and seek out My refuges before these evil ones could try to kill you."

Thursday, June 9, 2016: (St. Ephrem)
Jesus said: "My people, in the Gospel I told people to go and reconcile themselves with those they may have harmed or insulted, and then bring their gifts to the altar. In reference to preparing for Mass and receiving Me in Holy Communion, it is important to go to Confession to the priest to have any mortal sins confessed before you are able to receive Me in Holy Communion. Otherwise, receiving My Eucharist in mortal sin commits another sin of sacrilege. Give reverence to My Blessed Sacrament by only receiving Me with a soul in the state of grace and free of mortal sin. This is why you saw the priest confessing sinners in the vision. This is also why some priests make themselves available for Confession before Mass starts. This gives people a chance to cleanse their souls sooner than waiting for Saturday, when confessions are usually offered. If you have mortal sin on your soul, you should try to confess your sins as quick as possible, in case you could die and risk hell at your judgment."

Prayer Group:
Jesus said: “My son, I am warning you to stay alert in your travels so you will be able to catch your flights. Even with your long form of the St. Michael prayer, you will face some unexpected circumstances. Be prepared and I will overcome any difficulties. You had to get a ticket to New York City from Rochester, which should get your flight to Miami, Fla. You also were happy that your knee healed overnight after your prayer. Your pain and difficulties are being offered up for the souls who you will be seeing this weekend. Give praise and thanks to Me for all that I am doing for you.”
Jesus said: “My son, even if these attacks on you get worse, do not be afraid because My angels will be helping you. Remember when I told you that if you feel the evil one is attacking you, then you need to call on Me, and I will send you many angels to protect you. I am more powerful than the demons, so trust in My protection at all times. As long as you pray for My help, I will be there for your needs.”
Jesus said: “My son, as you give the people My messages, be sure to encourage them to wear My Blessed Mother’s scapular, her rosary, and the St. Benedict cross as their protection from the demons and their temptations. Blessed salt and holy water are more weapons. Have the people help others by wearing these blessed sacramentals. When you pray the rosary, you are placing your weapon of protection in front of all the demons and their temptations. Trust in My power in your deliverance prayers to help any person afflicted with demon obsession or possession.”
Jesus said: “My people, in any battle you have to build up your defenses and strengthen yourself to endure the attacks of the evil ones. Your first defense is to come to Confession monthly to cleanse your sins. The more sin you have on your soul, the weaker you will be to fight off temptations. With a clean soul, you will have the grace to fight off the devil’s attacks. Daily Mass, and daily prayer are also helping to build up your defenses. Wearing your blessed sacramentals will also help you. Use the long form of your St. Michael prayer for your deliverance prayers for people with serious addictions. If there is a demonic presence, you may need fasting and prayers to fight the evil ones. All of My faithful are on the winning side with Me as your Leader against the evil ones.”
Jesus said: “My people, be not afraid of whatever the evil ones will do because I will protect your souls. If you are faithful to Me, you will be with Me in heaven, just as I promised the good thief on My cross. Your earthly senses will see the evil ones appearing to win at first, but I will call My faithful to My refuges for

protection. My angels will protect your souls whether you are martyred or protected at My refuges. I want My faithful to reach out and evangelize as many souls as you can to keep them from going to hell."
Jesus said: "My people, I will bring My Warning before your lives will be in danger, and you will have some time for conversion before I will allow the evil ones their brief reign of power. The one world people have their plans, but My supernatural intervention will hold them at bay, until I will allow their time. So fear not these coming events because in the end, I will be victorious and all the evil people and the demons will be cast into the eternal flames of hell."
Jesus said: "My people, if you could only see how powerful your prayers are for helping sinners and the souls in purgatory, you would be praying a lot more hours than you do now. I cannot emphasize this prayer power more because your world is in great need of more prayers. I have to depend on My prayer warriors every day because the evil is choking many souls who give into sin of their own free will. This is why I told you to make up any rosaries that you missed on the next day. My Blessed Mother has told you with her many messages, that if enough people prayed, you could stop abortion and many other evils of your world. So remember to pray daily for all sinners and all the souls in purgatory."

Friday, June 10, 2016:
Jesus said: "My people, I love My adorers so much because they take the time to visit Me in Adoration of My Blessed Sacrament. Every time you make a visit to see Me, I give you graces to carry on your daily work. Those people, who truly believe in My Real Presence, seek Me out at Mass and Adoration. If you are quiet and listen to My voice, I can give you spiritual direction in your life, and help you with life's important decisions. You are seeing in the vision a person praying before a crucifix with candles burning at the person's home. If you have not prepared a prayer room, I wish all of your could set up a little altar as your prayer room. You could have a crucifix, some statues, a burning candle, and some blessed salt or holy water for your prayer room. My son, every day you set aside a special time for Me that starts with your Divine Mercy Chaplet at 3:00 p.m. This is followed by your three rosaries with your intentions for peace in the world, stopping of abortions, and praying for the conversion of sinners, and for the souls in purgatory. You pray for special intentions and the saving of the souls in your family, especially those who are not coming to Sunday Mass. By praying

at a set time, you can remember it every day. If events interfere with this time, then you could pray before or after such events. I rely on My prayer warriors to pray for sinners to repent and be converted. Pray for your priests and for more vocations to the priesthood. You have many intentions for your prayers, but the most important thing is to make time for Me every day in your prayer time."

Saturday, June 11, 2016: (St. Barnabas)
Jesus said: "My people, these readings are for everyone because I invite My faithful also to go out to all the nations to share the Good News of My Gospel and My Resurrection. My son, I am happy that you have heard My call to go out to many places to share My messages of love and repentance. It is not easy to be like a missionary to go out to all the nations and reach out to souls to help convert them. My words need to be shared with all those people who hear them, and they need to act on My words. There is great evil in your world today, and it is in great need for the repentance of your sins. Encourage the people to come to Me in Confession so they can seek My forgiveness of their sins. I love all of My children, and I desire to save all of their souls. Unless you repent of your sins and accept Me as the Master of your lives, you cannot enter heaven with Me. As you look at this vision, you can see all the souls who are with Me in heaven. You have many souls around you, and I want you to reach out in faith to try and evangelize as many people as you can. The devil and I are battling for every soul. This is why I need My people to help sinners to know, love, and serve Me instead of serving the world. I love all of you, and I want My children to love Me as well with your daily prayers and Sunday worship."

June 15, 2016
Sunday, June 12, 2016:
Jesus said: "My people, in the Gospel you read of how I cast seven evil spirits out of Mary Magdalene. There are different spirits in your world that I want you to be aware of. You all have guardian angels which are good spirits that I have sent to help protect you. You also have evil spirits present, especially in your addictions. These evil spirits can also take the form of people to confuse you. At funerals the human spirit of the deceased may be around the body for several days during their transition from the earthly world of time into the spiritual

world. Some souls come to purgatory to be purified. Few souls come directly to heaven because they led saintly lives, or because they suffered their purgatory on earth. There are also souls who reject Me, and they have chosen to go to hell. Do not seek any spirits to come to you out of curiosity, because this is how evil spirits are invited to torment you. If you are attacked by demons, you can call on Me, and I will send angels to protect you. You can also bind any evil spirits to the foot of My cross in My Name. You may have seen some people who are either obsessed or possessed by demons. This may require an exorcist priest to exorcize such a person. You can pray and fast for such people with the long form of the St. Michael prayer for deliverance. You could also have signs from a soul in purgatory who is requesting prayer to get out of purgatory. Pray for these souls in purgatory and have Masses said for them. If you sense a presence of spirits, you can test if they are evil by calling on My Name, or shaking holy water in that place. Good spirits will remain, but evil spirits will move away. Do not have any fear of evil spirits because you can call on Me, and My angels for protection. I love all of My children, and I am guiding you on a path to be with Me in heaven."

June 15, 2016
Monday, June 13, 2016: (St. Anthony of Padua)
Jesus said: "My people, in two instances in the Bible you have seen a greed for one's desire result in a murder to obtain it. King David had Uriah killed so he could take his wife. Jezebel had Naboth killed so the king could have Naboth's vineyard. David repented, but Jezebel did not. Even in your world, you are seeing brutal killings by Moslem terrorists. In the Gospel I am asking you to even love your enemies and pray for them, even if they are killing your people. This is a more perfect love, but it is a goal for you to improve. In such cases you can justify self-defense, or restraining terrorists from further killings. There is an evil element in some of these radical jihadists, but you still have to love the Moslem people. I have told you how the one world people will use terrorism, bankruptcies, and viruses to precipitate martial law. Their goal is total control so they can allow the Antichrist to come into power. Fear not these evil ones because I will protect My faithful at My refuges. You will see a lot of chaos and killing, but I will be victorious over all of these evil ones. The evil people and demons will be cast into hell, but My faithful will be protected at My refuges, and they will be brought into My Era of Peace."

Jesus said: “My people, the killings you saw in Orlando, Fla. are just the beginning of more frequent terrorist attacks by ISIS. You will be seeing such attacks where there are crowds of people as at airports, stadiums, or your large stores. It is hard to have guards with heavy armaments guarding such places because you do not know where they are going to strike next. You could also see some reactions by SWAT teams that could be checking mosques for weapons and training of terrorists like in France. If you have enough of these attacks, you could even see martial law declared as in France. This is the plan of the one world people to create an emergency martial law so they could take over America. If your lives are in danger, I will stop these attacks and allow My Warning to give all sinners a chance to repent. Be ready to come to My refuges when I give you the word.”

June 15, 2016
Tuesday, June 14, 2016:
Jesus said: “My people, you read from the Book of Kings how Jezebel had Naboth killed, so King Ahab could take possession of Naboth’s vineyard. Just as King Ahab was taking possession of the vineyard, I gave a message for him through Elijah that he would die for his killing of Naboth. The king humbled himself by putting on sackcloth and ashes, seeking My forgiveness. I relented of his punishment, and I allowed the king to live. I will always forgive a repentant sinner, and you all can seek My forgiveness of your sins in Confession. I have given you the sacrament of Reconciliation so you can make amends for your sins. Once you realize how much you offend Me in your sins, you can be forgiven, and learn not to commit that sin again. Woe to those people, who do not repent, because they will suffer My justice.”
Jesus said: “My people, those people, who want to take you over, have two plans in place. The first plan is to take away all of your citizen’s guns and ammunition so you are defenseless. Another part of that plan is to minimize your home defenses by taking away the guns, ammunition, and planes from your military. A second plan is to minimize your databases on Muslim terrorist identifications in the name of profiling. Many records of the terrorist links have been cleansed so it is hard to identify the ISIS threats. These are just a few plans of the one world people to create terrorist threats that could precipitate a martial law for your takeover. When people’s liberties are threatened, there could be a revolution of war between factions of your nation. The one world people will then bring in the

foreign troops, tanks, and planes to take you over. Before this killing begins, I will bring My Warning, and I will call My faithful to My refuges of protection with My angels. I want you to avoid killing people with guns, unless it is for immediate self-defense. Let Me protect you at My refuges with a shield of invisibility."

July 5, 2016
Wednesday, June 15, 2016:
Jesus said: "My people, on your national holidays you usually celebrate with parades, bands, and fireworks. Memorial Day and Independence Day are really applauding your brave soldiers who helped gain and keep your freedom from tyrants who want to control you. Today, you have new threats to your freedoms, and they are the jihadist terrorists and the one world people who want to take you over. I have been warning you of the various elements in your government, and the foreign troops that are already in your country. They are ready to implement a martial law and mandatory chips in the body. My refuge builders have been alerted to have all of their preparations ready to receive My faithful, when I give the word to leave their homes for the safety of My refuges. I have given these messages quite often over the years, but soon these events will come into reality, and you will be fortunate to be warned and prepared. Since America has turned its back on Me with your abortions, the killing of the elderly, and your gay marriages, you will be punished with severe natural disasters, and a loss of your freedoms in a takeover. Events will be moving quickly until you will soon be coming to My refuges. When you see a world famine, a division in My Church, martial law, and mandatory chips in the body, then you will see the Antichrist's takeover, and a need to come to My refuges. Do not delay in coming to My refuges, or you could be captured and martyred. Trust in My angel protection as you leave your home to follow your guardian angel to the nearest refuge."
Jesus said: "My people, it is traumatic to keep having visions of this terrorist shooting people until he was killed. This incident in Orlando, Fla. will encourage more people who have pistol permits to carry them on their person. People in

crowded areas are targets for these jihadist terrorists, especially in Ramadan. Just as you are tested for weapons at the airports, you could see more metal detectors at stadiums and arenas. If more attacks become frequent, you may even see raids on mosques all over America. In France you saw the police striking back to thwart further attacks. I do not approve of killing, except in self-defense, but you can see more selling of guns and ammunition for protection. You can see if a series of ISIS attacks occur, how it would be easy to declare martial law. This would allow a takeover of your country with your President as a dictator. Pray that your police and your military can protect you from these terrorist attacks. I will warn My faithful when it is time to come to My refuges of protection where My angels will not allow any killing."

July 5, 2016
Thursday, June 16, 2016:
Jesus said: "My people, I gave My apostles and My faithful the best prayer possible in the 'Our Father' prayer. This prayer directs you to My Father in heaven. At the end it focuses on seeking My forgiveness, and being able to forgive those people who have offended you. You remember the four kinds of forgiveness that I have given you. First, seek My forgiveness for your sins, especially in Confession. Second, be able to seek the forgiveness of those people who you have offended. Third, be able to forgive those people who have offended you. Fourth, be able to forgive yourself and let go of all of your sins and bad habits. In order to be able to seek forgiveness, you need to love Me and love your neighbor as yourself. By being able to reconcile your differences, then you can live a joyful life without holding any grudges, and being free of any bad feeling toward others. Life is too short to be fighting over many little offenses or misunderstandings. You need to live a loving life, without looking for faults in each other."
Prayer Group:
Jesus said: "My people, you first want to console the families for their lost loves ones in Orlando, Fla. Pray for the souls of the deceased, and for those who are mourning their loss. All the gun laws in the world will not prevent any criminal or terrorist from finding guns and ammunition. You have even seen other people buy weapons for the terrorists. Some gun laws want to restrict sales from people on no fly lists, or those who have mental conditions. These laws will only affect

law abiding citizens. Many people do not want to see these killings repeated, but your FBI lists of possible terrorists are better to seek these terrorists out."
Jesus said: "My people, there is a double standard for your President when he is forcing states to take on young Muslim immigrants from Syria. Christians are not at the camps in Syria for fear of their lives, so only Muslims are being brought in. These people are not vetted, and they are being forced on your people. It is known that ISIS terrorists are coming in among the immigrants. Your President does not want Muslim profiling, but most terrorists are from Muslim heritage. Pray that your military and FBI are able to screen out the Muslim jihadists."
Jesus said: "My people, I know it is difficult to love those people who are killing your citizens. You need to love them, but their bad actions need to be punished. Even those people, who helped this killer in Orlando, Fla., need to be tried in court for their misdeeds. Many people want to have weapons of protection, but you are becoming an armed camp against a few evil people. Pray for your police and military to restrain the jihadist suspects."
Jesus said: "My people, you have seen a lot of rain and even floods in your country during your spring season. As summer is starting, you are seeing little rain and high temperatures in the middle of your country. In your own home area you are a few inches short of your normal rainfall. Pray that your farmers can get enough water for their crops, so you can have enough food without any droughts from hot, dry weather."
Jesus said: "My people, if you start seeing droughts, it would be good to stock up on water and some extra food. I have asked My faithful to have a year's supply of food stocked up for every person in your home. This is not about hoarding, but you may have to share your food with others, if your shelves in the store are empty, or your government forces people to have chips in the hand in order to buy food. I will multiply your food when it is needed, but you need to have food and water so I can multiply it."
Jesus said: "My people, the people who ran the restaurant in Orlando, Fla. may be liable for having the rear exits chained and locked. Just as in theaters, you need to have open exits in case of fire or terrorist acts. Some places may have to have armed security agents if such a terrorist would start shooting. Some are concerned about being sued, but it is better to have armed people among crowds who are targets for these shooters. Having background data on suspected terrorists should also be given to your authorities. When this killing gets worse, I will have My faithful come to the protection of My refuges."

Jesus said: “My people, you are well aware of your President’s latest Executive Order that allows him to declare martial law for any action he deems it necessary. It is known that he would like to seek a third term as President, and martial law for terrorism would be a good excuse. During martial law your President would control everything as a dictator, and your freedoms will be stripped from you. You could then be led into the North American Union which would open your borders to Canada and Mexico. When martial law is established, have your backpacks ready to leave for My refuges because Christians will be targeted for persecution. Trust in My protection during this coming tribulation of the Antichrist.”

Friday, June 17, 2016:
Jesus said: “My people, you have seen throughout history how people have struggled to get to be leaders of their country. Some have even killed or assassinated their opposition to gain control. You also have the one world people controlling who gets to be President of America. If you see your President using martial law to stay in power, this will violate your Constitution where such powers are not recognized. Then you will see how power corrupts completely. Do not strive for power, fame, and wealth in this life because these things will be passing away. It is better to store up treasure in heaven for your judgment. For where your treasure lies, there lies your heart. Any earthly treasure will be taken away, but your heavenly treasure will last forever. Focus your life on doing My Will, and you will gain heaven. Those people, who worship idols of power, fame, and wealth, are on the road to hell.”
Jesus said: “My people, when I was praying in the Garden of Gethsemene, the soldiers came to arrest Me. St. Peter drew his sword and cut off the ear of one of the guards. I told St. Peter to put away his sword, and I told him ‘Those who live by the sword, will die by the sword.’ Those, who live by the gun, may also die by the gun. I prefer My faithful to trust in My protection because I do not want you killing people, unless it is for immediate self-defense. When you come to My refuges, My angels will put a shield of invisibility around you so you do not need guns for your defense. My angels will also protect you from bullets, bombs, or any other threats to your life at My refuges. You need to trust Me to protect you, but come to My refuges quickly, when I tell you.”

July 5, 2016
Saturday, June 18, 2016:
Jesus said: “My people, you had two powerful readings today. The first reading was a punishment of Israel for worshiping pagan gods. This was similar to the Breach in Jonathan Cahn’s ‘Harbingers’ where he likened it to America’s attack on 9-11-01. In Israel the Armenians destroyed many things, and killed many soldiers with a small force. The second reading of the Gospel is where I told the people not to worry about what they are to eat, or what they are to wear, or where they are to live. I also said not to worry about tomorrow because today has enough troubles of its own. I told them one of your favorite Scripture passages: ‘Seek first the Kingdom of God, and everything else will be given to you.’ When you love Me and trust in My help, I will see to all of your needs, and My angels will protect you from the evil ones.”
(4:00 p.m. Mass) Jesus said: “My people, I am showing you another experience of what will happen when I will bring My Warning upon everyone. This flash of light will occur when your soul will leave your body, and you will be outside of time. You will see your soul body passing quickly through this tunnel to My Light at the end of the tunnel. You will have a life review of all of your life’s actions with an emphasis on remembering your unforgiven sins. You will then have a mini-judgment to heaven, purgatory, or hell. When you see Me, you will know that I am the Christ, and the Second Person of the Blessed Trinity. I will also tell you that you will only be able to come to heaven through Me. Those people, who do not choose to love Me, do not repent, and do not allow Me to be their Master, are on a path to hell. You will be placed back into your body in time, and you will have a second chance to change your life, so you could be on a path to heaven. I will bring this Warning experience to everyone at the same time so all sinners will have one last chance to be saved. You will have six weeks after the Warning to convert your life, and you can help convert your family members who will then be more open to your evangelization efforts. Trust in My protection, and I will bring you to heaven.”

Sunday, June 19, 2016:

Jesus said: “My people, in today’s Gospel from St. Luke you see a sharp contrast with St. Matthew’s version of when St. Peter told Me that I am the Christ of the Lord. In St. Luke’s Gospel I rebuked St. Peter for telling the truth about My identity, because I did not want My mission exposed openly. This again is My Messianic secret until I declared My identity as the Son of God before the High Priest. In St. Matthew’s Gospel I applauded St. Peter telling him that he knew this from the power of the Holy Spirit. Then I told My apostles how I would have to suffer My crucifixion because of the Jewish leaders, but I would rise from the dead on the third day. The vision of someone falling down relates to the several times that I fell carrying My cross on the road to Calvary. I want My people to carry their daily cross in their suffering in this life, but I will be like Simon helping you to carry your cross. I will forgive your sins so you can pick yourself up from falling into sin. If you are My true followers, you will also suffer persecution from the worldly people who love the world instead of Me. Be not afraid because I will lead My people on a path to heaven.”

Monday, June 20, 2016

July 5, 2016
Monday, June 20, 2016:
Jesus said: “My people, I sent many prophets to the people of Samaria to stop worshiping pagan gods, but they refused to change their lives, and they even killed My prophets. You are seeing history being repeated, because America is also following idols of money, fame, and possessions. Fewer people are coming to Sunday worship, and you are not listening to My modern day prophets. My prophets are warning you to repent and stop your abortions, euthanasia, and sexual sins. You have seen how the people of Samaria were punished by being defeated and exiled to Assyria. America also is calling down My punishment, if you do not repent and change your evil ways. I also asked you to stop judging others because I am the only true and fair judge of humanity. Some of you are accusing others of the same sins that you are committing. So do not be hypocrites, but practice what you are preaching. I told the people to remove the wooden beam in their own eye before trying to remove the splinter in their neighbor’s eye.”
Jesus said: “My people, this flagrant Satanic worship and dancing was performed before the heads of State in Europe without any rejection. These people are opening themselves to attacks of the demons in their evil ceremonies

for this new tunnel in Switzerland that just opened. They are calling down My punishment on the European Union. You can see how these events are preparing for the Antichrist's declaration of power in the European Union. These events were planned, and they mock Me by worshiping Satan so openly. I would not even draw attention to these scenes on the internet because they are so perverse. Do not invite people to look at such filth. It is enough to know how they are perverting the people with their evil actions. Do not be surprised if you see My punishment confound these European nations. Pray that you work to prevent any more of these displays in all of your nations."

Tuesday, June 21, 2016: (St. Aloysius Gonzaga)
Jesus said: "My people, your people watch more hours of television than they spend in prayer to Me. In one sense you almost worship your TV programming more than Me as a result. Your children and adults are mesmerized by screens on your TV, your computer monitors, and your cell phone screens. I have mentioned many times not to let anything control you, as this is how addictions are formed. You should limit any TV or cell phone use to only a few hours at most for your children and your adults. By spending so much time in front of these screens, you are not praying, or doing what is needed in your lives. I have also warned My people after My Warning experience to get rid of all of your screen devices so you are not watching the Antichrist's eyes or listening to his evil voice. The Antichrist could hypnotize you with his eyes to get you to worship him. Events will move quickly that will lead up to the Antichrist's reign after My Warning. So be prepared to leave for My refuges when I give you the word to go. Do not hesitate, but go quickly following your guardian angel to My nearest refuge."
Jesus said: "My people, today's St. Aloysius Gonzaga was a young man who cared for the sick, but he became sick himself and died at twenty-three years old. He had dedicated himself to following Me, and he was training to become a Jesuit priest. It is sad that he had to die so young, but he has become a model saint for all the young people to imitate. I thank all of the people who love Me, and are following the holy ways of this young saint. There are many people who suffer much from their health problems, and I pray that they could offer up their pain to save souls. There are many good nurses, doctors, and assistants who are drawn to help people. When you make suggestions to help people's health, you

feel blessed that you could help some people with their pain. When you love Me, you should love others as well."

July 5, 2016
Wednesday, June 22, 2016: (St. John Fisher & St. Thomas More)
Jesus said: "My son, you have a personal interest in today's feast of St. John Fisher because he is the patron of your Diocese, and he was the bishop of Rochester, England. You also are a graduate of St. John Fisher College where you received your degree in Chemistry. St. John Fisher stood up to the king who wanted to change the Church laws on divorce. He defied the king's demands, even at the risk of being beheaded. You were in the very tower where these saints were held before their execution. There are many saints in heaven who would rather be martyred than give up their faith. It takes a special courage and faith to die for My Name's sake. The Gospel reading is a witness to all of My saints and My faithful today who bear good fruit in their works of mercy for their neighbors. I told the people that you could tell the good people from the bad people by their fruits or their actions. A good tree will only bear good fruit, just as evil people bear mostly evil deeds. A Christian will truly stand out as one of My disciples, by the love for Me, and his or her love for the neighbors."
Jesus said: "My people, I am showing you a room so cold with evil that there were icicles all over the ceiling. I have warned you before that one of the signs of the presence of evil is a deep cold in a room. These icicles and the cold also represent the coldness of the people's hearts in not coming to love Me. Many people go about their lives without even thinking about Me, let alone loving Me. This total indifferent attitude toward Me, is a sign of a cold, lukewarm heart that I wish to vomit from My mouth. I wish that souls are either hot or cold, but indifference is truly insulting Me. Those people, who are aware of Me in their lives, know that they cannot exist without My help and My grace. As you look upon My consecrated Host, you believe that I am truly Present in My Body under the appearance of bread. Those faithful, who truly love Me, seek to be close to Me at daily Mass, and daily Adoration. I pray that your priests would teach the people more about My Real Presence in their homilies. How will My people know about My Real Presence if they are not taught about it? I will be bringing My Warning soon to wake up all sinners, and give them a chance to repent and change their lives, before the Antichrist's tribulation will test all of

them. Keep praying and working to save souls, especially the wayward souls in your family. Those souls, who love Me and repent of their sins, will be saved in heaven. But those souls, who continue to ignore Me, and do not repent of their sins after the Warning, are on the road to hell. Do not be so taken up with the cares and pleasures of this life, but let Me run your life in all that you do for Me."

Thursday, June 23, 2016:
Jesus said: "My people, you are reading about the Babylonian Exile of the Jews, when they were punished for turning their backs to Me, and they broke My covenant by worshiping pagan gods. I allowed the Babylonian king to defeat Israel and they carried off the Temple treasure, the soldiers, and the king and his court back to Babylon. This is an example of how Israel's kings built their house on the sand of their own accomplishments without giving praise and thanks to Me. So when the flood of soldiers besieged Jerusalem, their house fell because it was built on sand. Those people, who read My Scriptures and act on My Word, are the people who built their house on the rock of faith in Me. I appointed St. Peter as the 'rock' on which I would build My Church. My Church has survived throughout the years because I told St. Peter that the gates of hell will not prevail over My Church. This parable of building your faith and your house on a solid foundation, is appropriate for both your physical and your spiritual life. In the physical world you know that most all good homes are built on a concrete footing so it will not get washed away. Some poor people build simple homes on the ground, but the wind and rain will destroy them. It is the spiritual life where many of your people are lacking in building a good foundation for their faith. You need to be taught the basics of the faith by the Ten Commandments, and the beliefs in the Apostles' Creed. You also need to follow the rules of My Church, and understand My sacraments. Sunday Mass and daily prayer is another way to show Me how much you love Me. You can also help your neighbor with works of mercy to show your love for them. Those people, who refuse to repent and worship Me, are building their spiritual life on sand, and they are risking hell at their judgment. You know and have read My Word, but until you act on My Word, only then can you come to heaven."
Prayer Group:

Jesus said: “My people, up until now the people have not had an opportunity to vote whether to stay or leave the European Union. Most nations have been joined into these Unions by the one world people without any say from the people. It is also unusual to see one of the leaders of this exit being shot and killed right before the election. These Unions will be used by the Antichrist to help set up his reign. You do not want the North American Union because you will lose your Bill of Rights.”
Jesus said: “My people, your gun laws would only be obeyed by law abiding citizens. The terrorists and criminals do not obey such gun laws, so it will not change any amount of crime or terrorist actions. There will always be a black market where anyone could find the guns they want to buy. You have some people who want to restrict your rights, but there are also some strong lobbies who are blocking such gun laws.”
Jesus said: “My people, you have read how the Panama Canal is being widened to handle larger container ships. You may have forgotten how this crucial waterway was given away by your country, and was purchased by Communist China. You also saw a Satanic ceremony that celebrated an opening of a new tunnel through Switzerland. This shows the evil control that is taking over the European Union. You are seeing how the evil ones will be controlling the unions on all of the continents.”
Jesus said: “My people, your President tried to force thousands of immigrants of Syrian Moslems on your people by his fiat Executive Order. Your lower court judges have stopped this order because he was going beyond his power. Your President finally met some resistance to his fiat rules which are unconstitutional. Your Congress did not stop it, but some brave judges have stood up in the breach against your President. Many of these immigrants have not been vetted, and they need to go through the same laws as anyone else.”
Jesus said: “My people, when certain people cannot win their party’s nomination, they will try any means to block a candidate’s right to be nominated. It is not fair for a legal primary winner to have his nomination stolen by changing the convention rules. This fight could carry on into the convention. Pray that reason will reign in your Presidential nominations. This election could be in jeopardy from various causes.”
Jesus said: “My people, right now many people have cell phones for their communications. They are all run by microchips in these devices. There is a plan to make it mandatory to place microchips in your body to control your free will. These chips in the body will be a means to control people’s minds, and the one

world people will use the same cell towers and satellites that you are using today. This is why I am warning you not to take any of these chips in the body because they will control you like a robot. The Antichrist will communicate his orders through your chips, so refuse to be controlled by taking chips in the body."
Jesus said: "My people, what you are seeing and hearing from various sources are plans for a massive martial law takeover. These activities indicate that it is just a matter of time before a martial law will be established. I will bring My Warning first before I will allow this punishment of America to happen. This Warning is to allow sinners a chance to prepare their souls for what is about to come in the tribulation. After a time of conversion, you will see this martial law implemented. I will call My faithful to come to My refuges when your lives are in danger. Trust in My protection throughout this shortened tribulation."

Friday, June 24, 2016: (Solemnity of the Nativity of St. John the Baptist)
Jesus said: "My people, St. John the Baptist was My herald in the desert who prepared the people for My coming by calling them to repent and be baptized. While he was still in the womb of St. Elizabeth, he first acknowledged My coming as he stirred in the womb, when My Blessed Mother came with Me in her womb. This birth is celebrated because it is one of the first signs of My coming. St. John the Baptist's birth was a miracle birth when St. Elizabeth conceived him in her old age. The angel Gabriel announced his coming birth and that he would be named 'John' and not after his father. St. Zechariah was made mute when he questioned St. John's birth. After St. John's birth and it was time to name St. Zechariah's son, then St. Zechariah could speak again and he gave his beautiful words that are recited in morning prayers in the Liturgy of the Hours. St. John the Baptist proclaimed My coming, and he said that he was unworthy of tying My sandals. He also said that he must decrease while I must increase in importance. This statement is how you should all live your lives by decreasing your own importance, and let Me run your lives with My grace. When you give up self to let Me lead you in all that you do, then I can use you to fulfill the plan I have for your life. If you decide to run your own life, then you are preventing Me from acting through you. This is why you must decrease while I must increase as your Master."

Saturday, June 25, 2016:
Jesus said: “My people, I want to greet all of you on this beautiful day for your conference that is celebrating a Twenty Year Anniversary of My Blessed Mother’s messages and apparitions. You are all taking time for Me and My Blessed Mother out of your busy schedules. Have your souls open to receive the spiritual messages that you will hear from your speakers. I will grace your conference with My blessing, so you will take what you learn and share it with your friends when you return home. You have seen many beautiful conferences here and many gifted speakers to enlighten your souls. You can thank Me and your hostess, Juliet, for all of her work in setting up this refuge, and the conferences out of love for Me and My Blessed Mother.”
Jesus said: “My people, I was very much amazed at the centurion’s request for Me to heal his sick servant. I told him that I would come and heal him. The centurion gave a response that all of you respond before receiving Holy Communion: ‘Lord, I am not worthy that Thou should enter under my roof, but only say the word and I shall be healed.’ He then further demonstrated his faith in My healing when he spoke of how he orders his servant to do something and he does it. He knows how I could heal his servant even from a distance. I told the people that I could not find anyone with more faith in all of Israel. The lesson is that in order to heal someone, that person needs to have faith that I could heal him or her. In this case it was the faith of the centurion who was an intercessor for his servant. Later, the centurion learned that the servant recovered at the very time I gave the healing blessing. This vision of the white tent represents the body that houses your soul. When you receive Me in Holy Communion, you are like a tabernacle that houses My Real Presence. Give praise and glory to Me for all the healings I perform through My healing servants. When you see a healing, give all the praise to Me, and thank Me for restoring someone to good health. Do not take any prideful credit for yourself, but always give praise and thanks to Me.”

Sunday, June 26, 2016:
Jesus said: “My people, there is a veil of evil that will come over My Church,

and you will see a division between the schismatic church and My faithful remnant. This evil will be brought about by the masons that are infested in My Church. In various churches you will see New Age teachings and the words of the Mass and Consecration will be changed. You will also see heresies being proclaimed in some churches. I have told you to stand up to the priests, bishops, and clergy who are proclaiming heresies. Use your Catechism of the Catholic Church to show these heretics the truth that they are denying. If these people refuse to accept My truths, then take it to a higher authority. When such churches, who are violating My laws and teachings, refuse to change, then leave these churches for traditional churches. It will come to a point when you will have to come to your prayer groups or your homes to express your faith and have Mass with faithful priests. I will protect and shelter My faithful remnant from the evil ones and all of their troops with My angel protection. Eventually, you will have to come to My refuges for your protection and for your survival. Trust in Me and do not be afraid of these evil ones. Evil will appear to prevail for a short time, but in the end I will defeat the Antichrist and all of the evil people and demons, when I will cast them into hell. My faithful will be brought into My Era of Peace, as I will renew the earth. So believe in My promises because truly the best is yet to come in My Era of Peace and later in heaven."
Jesus said: "My people, before you see the evil ones taking over America, you will see some serious natural disasters. In these visions you are seeing a lot of smoke from a huge wild fire. You also are seeing bridges collapsing into the water from a severe earthquake. These are some severe natural disasters that will be occurring before My Warning and any martial law. There will be some deaths in these disasters, and these people are the souls that you are praying for in your reparation Masses. My people need to be prepared with frequent Confession so they will be ready for their Warning experience and these disasters. Once these events begin, things will happen in quick succession. Before martial law is declared, I will warn My faithful to leave for My refuges. You will be protected at My refuges, so have no fear of this tribulation."

Monday, June 27, 2016: (St. Cyril of Alexandria)
Jesus said: "My people, when you awake in the morning, you are greeted with a new day with My sun shining. You have been given another opportunity to offer up all that you do this day for My greater glory. Pray this consecration prayer in

the morning as your morning offering to Me. Then pray to Me for your direction in what you can do to fulfill your mission. Each day of your lives is another step closer to being with Me for all eternity. I give you all the time of each day so you can labor for saving souls in My vineyard. There are some people who are converted to the faith later in life, or even death bed conversions. It does not matter how many years that you labor for Me, because you will all receive the same daily wage which is your reward to be with Me in heaven. Rejoice every day that you are given, so you can show Me the fruit of your works in how you spent your time on earth for My mission. I have given unique missions for each of you, and I have given each of you unique talents and the grace to carry out your mission. So go forth every day to follow My Will in your mission."

July 5, 2016
Tuesday, June 28, 2016: (St. Irenaeus)
Jesus said: "My people, this Gospel is a good lesson in life because while everything is peaceful at sea, there is little concern. As soon as I tested My apostles with a violent storm, they feared for their lives from being drowned, even though I was in the boat with them. Once they called on Me, I calmed the storm, and I told them that they had little faith in Me. My apostles were amazed that I had control over the weather, and they did not realize My powers as the Son of God. In the vision I showed you an empty casket because many people fear the unknown when they die. It is true that you have natural instincts to preserve your life. There are many trials in your life, and sometimes you may come close to death in accidents, health problems, violent weather, or shootings. You may have a natural fear of death, but you also have faith in My protection. Your soul lives on forever, but your body and this life will pass away, as everyone is appointed to die as a result of Adam's sin. So do not fear death because it is part of your human experience. If there is a fear or a concern for your death, it should be more about the judgment of your soul. My son, you have seen heaven, purgatory, and hell, so it is the death of your soul in mortal sin that should be your most concern. This is why I give you Confession to keep your soul cleansed from mortal sin. You are concerned most with offending Me in your sins, but there is also a fear of being judged to hell. If you keep a pure soul and follow My Commandments, you should have no fear of death, because you will receive your reward with Me in heaven."
(Sacred Heart of Jesus Mass)Jesus said: "My people, how I long to be with the

hearts of those people who burn with love for Me constantly. It is the hearts who are cold who reject My love, or are indifferent to My love. I pray that all hearts would be open to My love, because I desire to save all souls. But I will not force My love on your free will. I want My followers to love Me by their own choice. Keep close to Me with pure hearts and souls, by your daily prayers, Masses, and frequent Confession."

Wednesday, June 29, 2016: (St. Peter and St. Paul)
Jesus said: "My people, I came to the earth to free My faithful from their sins with My death on the cross. My victory was shown in My Resurrection, and I have given you spiritual freedom with My sacraments, especially Reconciliation. I formed My Church on St. Peter as I gave him the keys to the Kingdom of God. The gates of hell will not prevail over My faithful remnant, and My angels will protect you from the evil ones. I have blessed America because of your consecration to Me and the words of Me in your early documents of your Declaration of Independence and your Constitution. It is unfortunate that you have allowed your leaders to strip Me out of your schools and public places. Your sins and lack of worship of Me are calling down My punishment when your freedoms will be taken away. I will not leave you orphans, because I will protect My faithful at My refuges."

July 5, 2016
Thursday, June 30, 2016: (First Martyrs of the Holy Roman Church)
Jesus said: "My people, you have seen the king of Northern Israel so proud of his city, and he did not want to hear the words of the prophet Amos. He wanted Amos to flee to Judah. Amos gave a prophecy how the king would be killed by the Assyrians and the people would be killed or exiled. Even today, you see the proud and the rich build their cities, and they do not want to hear My Word from My modern day prophets. You have heard in My messages, that because of your sexual sins and your worship of worldly things as money and possessions, America will also suffer a punishment from the one world people. These evil ones will take you over, and there will be martyrs for their faith in Me. I will protect My faithful remnant at My refuges, and you will see My Warning before the Antichrist's brief reign. Trust in My protection, as My power is greater than

all of the evil ones."

Friday, July 1, 2016

July 5, 2016
Friday, July 1, 2016: (St. Junipero Serra)
Jesus said: "My people, in today's Gospel I called Levi, the tax collector, to follow Me. He immediately left his post, and I named him Matthew when he became one of My disciples. He invited Me to his house with all of his friends, and he pledged that he would no longer cheat people, and he would repay those people who felt cheated. I told him salvation came to his house for his conversion. The Pharisees were critical of My eating with tax collectors, so I told them: 'It is the sick or sinners who need a physician, because those who are self-righteous, do not desire My help.' I came to call sinners to repentance. All of you are sinners because you are weak to sin because of Adam's sin. Even St. John the apostle said that those people, who do not claim to be sinners, are liars. (I John 1:10) So if all of you are sinners, then I came to die on the cross for all of you. Those people, who refuse to repent of their sins, and refuse to accept My saving grace, are the lukewarm who I spew from My mouth. I want all souls to follow Me, as I desire to save all souls. It is those souls who refuse to follow Me and refuse to accept Me as their Savior, who will be lost forever in hell of their own free will. I call all of My faithful to follow Me and repent of their sins, and I will bring all of them with Me into heaven."
Jesus said: "My people of America, I am wishing you a happy birthday on the 240th Anniversary of your Declaration of Independence. You ask a difficult question because your nation started out in search of religious freedom, and you have My Name in your early documents. You have seen various organizations and individuals doing everything in their power to remove My Name and prayer from your schools and public buildings. You have also seen how the devil causes people to be so wrapped up in their events, parties, sports, and entertainment so they have no more room for Me in their lives. If you truly want to make Me more of a part of your lives, then try to think of Me in all that you do, and do things out of love for Me. It is your culture of death and your political correctness that has taken Me out of your schools and public places. If the Moslems can pray in public, then you can pray in public to Me as well. Do not feel that you are offending the atheists by praying to Me or speaking My Name in public. You have free speech and a freedom of religion right now. Do not let this separation of Church and State be allowed to run your lives, because this is

not in your original laws. If your people praised and worshiped Me more, you would see less of My punishments coming upon you. Do not fear the evil people because I will be protecting you at My refuges. Give good example to others when you pray before meals in restaurants and wear My cross in public, even in the workplace. By showing your love for Me before people in public, I will witness your love to My heavenly Father. Why is it too hard for people to give Me only one hour a week in Sunday worship,when I give you so many hours in each week."

Saturday, July 2, 2016

July 5, 2016
Saturday, July 2, 2016:
Jesus said: "My son, you need to pray more for a discernment of spirits as you enter different churches. You are realizing how the evil people could be infested even in My Catholic Churches. This vision of a dark veil over the altar, is alerting you to the evil that is going on in My churches. I have told you how the freemasons are controlling things in various churches. You are also seeing the evil among the Muslims who are buying Catholic Churches and mocking the previous consecrated lands of those churches. You are in a battle of good over these evil ones. I told you about a coming division in My Church where the schismatic churches will spread their evil worship into most of My churches. This is why you will eventually have to pray and worship in your prayer groups and homes. Try and search for a holy and traditional priest who could sacrifice Mass at your homes and at your refuges. This evil will be spreading through My churches all over your country. You will have to pray My St. Michael prayer in the long form to fight the evil ones who are trying to attack My faithful remnant. Call on Me for the right prayers to protect your people, and I will send My angels to warn you of who you can trust as My servants. The evil ones hide in lamb's clothing to deceive you, so bind any evil spirits to the foot of My cross in My Name, Jesus, and discern the spirits of those people around you. Trust in My power which is greater than the evil ones' curses and spells. Live in My love and follow My Commandments, and I will protect your souls and bring you into My Era of Peace and later into heaven."
Jesus said: "My people, in your travels you have seen many signs and have heard from others how your military and the many UN troops are getting ready to carry out a martial law. Remember what I told you about the red list that are the people who will be picked up and killed before martial law is declared. The

one world people want to eliminate all the people who believe in Me, and any leaders against the new world order. They want to make your takeover so quick, that it will be very hard to respond against it. I will give you My Warning and a notice when to leave for My refuges. You will be seeing an attempt to exterminate all Christians, just like in Germany when Hitler had the Jews, priests, and educated people massacred in the death camps. You will see people put on train cars with shackles, and they will be sent to the gas chambers and crematoriums. Many of My faithful will escape by fleeing to My refuges for My protection. Leave your homes quickly when I give the word, so you are not captured at your homes by the men in black of the UN foreign troops. Trust in My protection, as I am more powerful than all of the evil plans of the Antichrist."

July 5, 2016
Sunday, July 3, 2016: (our 51st Wedding Anniversary)
Jesus said: "My people, I sent My apostles out two by two to go out to preach to all the nations as priests who could offer Mass. I also appointed seventy-two deacon men to assist My apostles in preparing the towns to receive My message of the Kingdom of God. They were like your permanent deacons of today. You also have some temporary deacons who are being made ready to be ordained priests. It has been My Church's tradition to only ordain men to be deacons. Even in your churches today, you have deacons to assist your priests at Mass and in other duties. My son, you and your wife are not ordained ministers, but you have been called as one of My prophets of today to go out as two to spread My messages. My messages are preparing the people for My Warning and the coming tribulation, when people will come to My refuges for protection. You have been preparing the people for over twenty years, and now you see a real possibility of some drastic changes this year. Do not be complacent, because My people need to repent of their sins, and pray for the conversion of sinners for the coming tribulation. Trust in My help and protection at My refuges."

Monday, July 4, 2016

July 20, 2016
Monday, July 4, 2016: (Independence Day)
Jesus said: "My people, today is your country's Independence Day, and you have had many heroes fight to obtain your freedoms. It is one thing to have physical

freedom, but you need Me in your lives to have your spiritual freedom. It is because your people are not repenting of their sins, that you are seeing evil all over your society. Without worshiping Me on Sunday and your prayers, how am I going to help you without asking My help? You need to put My Name back in your public places to honor My Presence. Satan is winning if you take Me out of your lives. Do not let the atheists dictate their evil ways to you. Pray in public and let My Word be heard everywhere. Continue to pray for sinners and your country to live proper lives. Without attending to your spiritual lives, your country will decay with its moral decadence. Love Me and your neighbor in your actions, and your good example could be a model for others to follow."
Jesus said: "My people, you do not realize how close you are to a time of riots and martial law. A time is coming when there will be a reduction in food stamps, and you could see riots to obtain food. Some food will be distributed only to people with chips in the body at the detention centers. Eventually, the military could start eliminating people who will not take a chip, or who will not go along with the new world order. Once you see military vehicles controlling traffic, you will be seeing an unannounced martial law. This will be the time to come to My refuges, when your authorities are trying to trick the people to come to the detention death camps for food. This is again why I wanted My people to have a year's supply of food so you do not have to take a chip in the body to buy food. The food supply will be controlled to force people to get a chip in the body in order to buy their food. Refuse to take a chip in the body for food because I will feed you at My refuges. These chips in the body will control your free will, and you will be like robots if you take them. Trust in My protection at My refuges."

Tuesday, July 5, 2016

July 20, 2016
Tuesday, July 5, 2016: (St. Elizabeth of Portugal)
Jesus said: "My people, I am showing you a potential viral attack coming from the freemasons infested in My Church. The masons will be spreading their evil spells and curses on the people, and the people will not know where it is coming from. This will take a discernment of spirits to see how these masons are attacking My Eucharist for their black masses. If you see unusual practices and any change in the homilies, be aware of this potential evil coming into My churches. These evil ones are very deceptive, but you will sense the evil in their ways. Only a few holy souls can truly sense such an evil, but once it is

confirmed, it would be better to go to another church. Eventually, My faithful will have to go to prayer groups in the homes for your meetings. When this division in My Church is widespread, you will then have to come to My refuges for your spiritual and physical protection."
Jesus said: "My people, every year your church offers a special retreat for the men, and later for the women. It is good to take some quiet time with Me at these three day weekend retreats. You have some time to check how your spiritual life is going since last year. When you have busy schedules, it is hard to find time for a weekend retreat. You make priorities for your other activities, so you need to set aside one weekend for Me. You have Mass, Confession, and Adoration of My Blessed Sacrament. You also have about three or four talks from the priests and the nun at your retreat. You even get introduced to some chosen books to help you with your spiritual reading. Making a regular retreat each year is food for your soul, and more people should take this opportunity to grow closer to Me. Your parish priests should encourage their parishioners to attend these retreats. I will bless you with extra graces for making the time to attend these retreats. Your lives pass by so quickly, so it is good to slow down, and take some time with Me."

July 20, 2016
Wednesday, July 6, 2016; (St. Maria Goretti)
Jesus said: "My people, you see all the pornography in magazines, on the internet, and all the prostitution rings, and then you wonder why women are raped and killed. The demons are using people's sexual weaknesses to tempt them into their sexual sins of fornication, adultery, prostitution, and rape. It is bad enough that rapes occur, but then the evil men are killing the women, and the women are using abortion and pills to kill My little ones. You are compounding one sin with an even worse sin of murder. When you see all of this evil in the world, then you know why I cannot hold back My hand of justice against your evil societies. America has been given many opportunities with your freedoms, but with your abuses, your freedoms will be taken away when you see martial law here. Pray for poor sinners so they will be converted."
Jesus said: "My people, I have been giving you many messages about the possibility of a martial law this year, and you have seen some signs of this in various states. I told you that I would give all of My faithful an interior message when it is time to leave for My refuges. I will warn you before the evil ones will

try to capture all of the people on the 'red' list that they want to eliminate before martial law is declared. Once you leave for My refuges, your guardian angel will put an invisible shield over you and your vehicle. This is why I was showing you a vision of driving past foreign military people, and they did not see you. Be thankful that My angels will be protecting you at My refuges, and on the way to My refuges. You have just read about a leader of one left organization who wants to cause a riot and martial law at your conventions for President. The one world people are so set on starting martial law, that they will do anything to prevent the coming election. They do not want a new President who could upset their plans for a takeover of America. They are desperate to have you join the North American Union, so they can take away your rights, and make you into slaves for them. Trust in My protection from these evil ones, who I will soon cast into hell on My victory. No matter what the evil ones try to do, I will defeat all of their power and plans, as I will cast them into hell forever."

Thursday, July 7, 2016

July 20, 2016
Thursday, July 7, 2016:
Jesus said: "My son, in the Gospel you read of how I gave My apostles the power to heal people and cast out demons. These gifts were freely given, and so they did not expect any payment for their services. They were sent out with no money, and they were to accept a place to stay, and be fed with what the people gave them. My son, you have also been sent out to share My messages and proclaim the Kingdom of heaven is at hand. You have been traveling for over twenty years, and you do not accept any stipends, nor do you make money on your books and DVDs. The people take up collections to help you with your plane tickets when you fly, or your gas when you drive. They put you up in their homes to sleep, and they pay for your meals when they can. You pray over the people and share My messages. Your mission is to prepare the people for the coming tribulation of the Antichrist, and recently you have another mission of preparing a small refuge for forty people. I have given you the gifts you need, and the grace and money to carry out both missions. Give praise and thanks to Me for calling you to accept these missions. I thank you for saying 'yes' to My call."
Prayer Group:
Jesus said: "My people, what you are seeing in the news is that there are laws for the average person, but the elite seem to be above the law, and they are not held

accountable for their actions. Even so, all of these one world people will have to come before Me in a judgment that they will not be able to avoid, or lie their way out of. You can still hear the words of 'careless and irresponsible'. You may not see fair judgments now, but in the end all of these real facts will see the light of day."

Jesus said: "My people, in the coming election you will find it difficult to really determine what the candidates really stand for. You will see each candidate trying to smear the other candidate, but there will be so much biased media coverage that it may be hard to sort out the real truth of what is said. Pray that you can discern the best candidate."

Jesus said: "My people, the Israelites fell away from their true faith in Me, and they started worshiping the pagan gods of Baal. My people of today are just as weak because of your sexual sins, and your worship of money and entertainment stars. Wake up America and see that worshiping Me is your only proper choice because without Me, you are nothing."

Jesus said: "My people, you are seeing many signs and military movements that can only point to a martial law that will take away your freedoms, and put you into the North American Union. The evil one world people not only want to stop your election, they want to control your souls as robots. Refuse any chips in your body so you are not controlled. Give thanks and praise to Me for protecting you at My refuges."

Jesus said: "My people, I can understand how some people are having a struggle with why I have not brought down My punishment on your society already. You do not see the big picture of how I am trying to save as many souls as possible. You are seeing My faithful grow stronger, while the devil is putting more evil into the world. Those people, who have been waiting, are about to be vindicated when world events will soon place the Antichrist into power. I have told My faithful to be prepared for a bloody battle of good against the evil ones."

Jesus said: "My people, you have seen some unrest before, but this is nothing compared to the evil that is coming. It is the plan of the one world people to try and control as many people as possible. They will try to exterminate all the people who believe in Me, and those people who will not go along with the new world order. My faithful will be very grateful for all the refuges that have been built as safe havens. Pray for My angel protection because there will be some people martyred for their faith in Me."

Jesus said: "My people, many of you have not only been waiting for the tribulation, but you are also awaiting My victory over all the evil ones. I will

raise My faithful up into the air so you are not killed by My Comet of Chastisement that will bring My victory. Two-thirds of humanity will be killed, and all the evil ones will be cast into hell. This is their judgment for denying Me and trying to kill My faithful. Rejoice when I will renew the earth, and I will bring My faithful remnant into My Era of Peace. You will have your reward for being true to Me, despite all of the evil things that will happen."

Friday, July 8, 2016:
Jesus said: "My people, you can see in your news how some factions in your society are trying to foment race riots by the killing of African Americans, and now purposeful killings of your policemen. Each day you are seeing more signs that could lead up to a martial law being declared. I do not want My people to be fearful, but there has been some killings going on from terrorists and thugs paid to cause trouble. In the vision I am showing you another sign of the coming Warning by reminding you of a message I gave concerning how the Warning would come most likely in the football season. The best way to prepare yourself for My Warning experience, is to come to Confession frequently to keep your soul pure for My mini-judgment. You do not want to see a judgment to hell if I am not in your life. So be ready for My Warning by confessing your sins, and you will have very few unforgiven sins to answer for. As evil will be increasing, My people need to be prepared to leave for My refuges with your backpacks."
Jesus said: "My people, awhile back I had you buy two bicycles, head gear, and a hand pump to put air in the tires. This was to give you a backup means of transportation if your car was not working, or you could not buy the gas. My son, I have given you many projects to set up your own refuge. You may no longer need your bikes to get to your interim refuge, but they would be a backup if you had to leave for a final refuge. For those people who do not live at a refuge, it still would be a good backup to have some bikes available. When you leave for My refuges, your guardian angel will put an invisible shield around you, whether you are walking, driving a car, or riding bicycles. Trust in My protection when you need to come to My refuges. I have been preparing you for this time, so be ready to leave as soon as I tell you."

Saturday, July 9, 2016: (St. Augustine & Chinese companions)
Jesus said: “My people, the early Jewish prophets were sent out by Me to instruct the people and encourage them to stop worshiping pagan gods, and repent of their sins. You have read how Isaiah was purified by an ember from the altar that was placed on his lips. He was then sent out to proclaim My Word. All of My faithful are called as priests, prophets, and kings by your Baptism and Confirmation. It is everyone’s calling to convert those people who do not know Me, and re-convert the fallen away Catholics. I have also called special faithful to share My prophetic Word as a preparation for the evil of the coming tribulation. My son, you have been sent out to also prepare the people for the coming Warning experience which will be like a near death experience in a review of your life. Just as Isaiah was purified by the angel touching a red hot ember to his lips, so My people need to confess their sins frequently in Confession to purify their souls. At the Warning some people will be awakened from their spiritual laziness by seeing a mini-judgment to hell. When they see hell and how they have offended Me in their sins, they will be eager to seek My forgiveness in Confession and change their lives. If the people do not improve their lives when they are placed back into their bodies, then their final judgment would be their mini-judgment. Take advantage of this opportunity for all sinners to repent and be saved.”
Jesus said: “My people, the one world people will try to keep your President in power through martial law. He is doing everything to disarm your citizens and your military. He is making laws by his edicts, or he secretly does what he wants. He is secretly bringing in Muslim Syrian immigrants at night for votes and possible terrorists to cause a martial law takeover. The opposing party cannot pass legislation past the Senate filibuster or cloture, or your President’s veto. He is secretly encouraging race disruptions so he can declare martial law. Everything is being done to prevent any Republican candidate from being President. Even if you have a revolt over a martial law takeover, the foreign troops will take you over. Be prepared to come to My refuges for your protection. You will have to be patient until My victory will come over the evil ones. Evil will reign for a short time, and then I will cast all the evil ones into hell. Trust in My victory, but evil will get worse first. At the end of the tribulation, I will bring My faithful into My Era of Peace.”

Sunday, July 10, 2016: (Good Samaritan Gospel)
Jesus said: “My people, today’s Gospel on the Good Samaritan is an excellent example of how to help your neighbor in their need. You have learned of some good helps to heal your neighbors when they have cancer or bone problems. For the bone problems you had your bone spurs stop giving you pain when you used your Calcium Aspartate pills (Ezorb). Several other people had pain relief using the same pills. Others who had cancer or oxygen problems have been healed using ozone therapy or food grade hydrogen peroxide (35%) in the right doses. People can read of these therapies on the online information. As you saw the Good Samaritan helping the man who was beaten by robbers, so you are reaching out to heal your neighbors with their pains. Do not worry about any criticisms, but when you find something that heals people, it is worth sharing with people.”

July 20, 2016
Monday, July 11, 2016: (St. Benedict)
Jesus said: “My people, today’s St. Benedict is the father of monastic life. Many monasteries follow the Rule of St. Benedict in prayer, work, and reading. You read of a few characteristics of this Rule. Primary is obedience to the abbot for one’s personal needs. There are also times of silent prayer in one’s cell. The monks also need to adopt a conversion of life to God and to be humble in what they do. There is a community spirit of living among the monks. In a certain way I will be calling My faithful to a communal life when they will be restricted to living in a refuge, instead of a monastery. You will have time in Adoration and prayer. If you are fortunate to have a priest, you could have daily Mass, but you will always have daily Holy Communion by My angels if necessary. Your work will be to prepare the food and water for your meals, which will be multiplied when needed. Deer will come into your camp for your meat. Jobs will be assigned for your hygiene needs of bathing and brushing your teeth. Some will help washing clothes and the dishes. Others will help with the bedding and latrine needs. At My refuges you will be protected by My angels, and healed of health problems by looking on My luminous cross, or drinking the healing spring water. You will only need to bear this time for a few years at the most. Then you will be led into My Era of Peace as your reward.”
Jesus said: “My son, I am reminding you of the parable of the legion of demons that were in a possessed man. I came and cast the legion of demons into a herd

of swine from the possessed man. The demons then drove the herd of swine over a cliff to their deaths. The people were more concerned about the lost swine instead of glorifying God for healing the man. In the vision you are seeing a similar story, only in this case you were seeing the demons stampeding hundreds of people over a cliff right into hell. There are many souls being lost who do not have any faith in Me, nor do they have anyone praying for their souls. This is why it is so important to keep praying for your relatives, even if they do not listen to you, and they are not coming to Sunday Mass. You do not want to see any of your relatives or friends lost in hell, so keep your prayers coming to help save them. You are in a battle for souls, and there are only two sides–My side, and the side of the devil. Keep struggling to bring as many souls over to My side. I will give people one last chance to be saved when I will bring My Warning experience. I pray that souls will wake up, and have a desire to repent of their sins, and show their love for Me and their neighbors."

July 20, 2016
Tuesday, July 12, 2016:
Jesus said: "My people, woe to you America, for your sins of abortion, euthanasia, and gay marriage are calling down My justice on your people. You concern yourselves with gold, silver, and other possessions and guns as your protection. But I tell you that there are foreign armies on your soil that are about to take you over, and your people are oblivious to all the signs and reports in various states. Just as Israel was defeated by their neighbors for worshiping pagan gods, so America is facing the same defeat for your sexual sins and your gods of money, fame, and sports. If you do not worship Me and call on Me to protect you, I will take away My blessings, and you will fall under the weight of your own sins. You do not realize that your treasonous leaders are looking for the least excuse to declare martial law, and take you over. You will lose all of your rights and possessions because you will be like a communist state under the North American Union. I will warn you soon to leave for My refuges because the evil ones want to kill all of My faithful. My refuges will be your only safe havens of protection, so be ready to leave any moment."
Jesus said: "My people, you have seen people addicted to alcohol, and this can affect their jobs, their health, and their families. When you are under the influence of alcohol, you can endanger yourself or others in a car. You have seen people addicted to drugs or marijuana smoking. Again this causes problems to

buy drugs and some even kill to get high. You have seen other addictions as smoking cigarettes, gambling, pornography, prostitution, and computers. I have told you before that it is hard to stop these addictions because of the demons who are attached to them, and how your body develops a craving to satisfy your need to have something. When you are controlled by these addictions, you are weak to committing other sins. In order to have your soul united with Me, you first have to desire to stop your bad habits, and get some treatment. By prayer or someone's assistance, you can come back to Me in Confession, and rid yourself of your bad habits. It may even take an exorcism or deliverance prayers to break your addictions, but use any help to get rid of them, including My help."

July 20, 2016
Wednesday, July 13, 2016: (St. Henry)
Jesus said: "My people, I have been telling you that you will see a major event this year, and it will be some form of a natural disaster. This is the second time that I have shown you a massive tidal wave that could kill many people. Your sins in America are so perverse that it is hard for Me to look at them. You have gone from gay marriages to transgender people, and some are even talking about bestiality. How can you continue to accept these actions that are so unnatural? Do you think that 'I' will tolerate these sins for long? I tell you, My punishment will be swift on such sins, as well as your abortions. You can expect more natural disasters, and eventually you will be an exiled people in your own land. I will allow the evil ones to take over your country, and My faithful will only find safety at the protection of My refuges. You have been preparing for this time of tribulation for many years, so you need to make any last minute preparations. You need to have more barrels for your drinking water, and secure at least two smaller outhouses."
Jesus said: "My people, there are people intent on trying to stop any Republican candidate from being elected. This is why there could be a confrontation with your police and the protesters. There are several other things that could be planned at the Cleveland Republican Convention. Some leaders may try to prevent the Republican nominee in the primaries from getting enough delegates by changing the rules. There are also possibilities of another shooter of policemen, or a terrorist trying to kill a lot of people in this crowd. Security will be heavy, and I want My people to pray that you do not have any violence that could take more lives. There are certain one world people who are funding these

protests that could easily get out of hand, as at one other rally of the Republican nominee. When you have organizers and thugs purposely disrupting your election process, you are seeing how the one world people are trying to control you. Pray that you will have an election, but there are many forces trying to keep your President in power. As events and killings get worse, I will warn My faithful when to come to My refuges. I will also bring My Warning before your lives are in danger. Trust in My protection, and I will bring you to My safe havens."

July 20, 2016
Thursday, July 14, 2016: (St. Kateri Tekakwitha)
Jesus said: "My people, you are seeing Satan and his worshipers determined to stir up trouble between your races. It is even demonic that the one world people are paying protesters to stir up trouble to cause the martial law that they want. Amidst all of these disturbances, I call My people to come to Me in prayer, Mass, and Adoration, where I can refresh your spirit with My graces, and you can only find true peace with Me. When you pray, you are talking to Me, and you turn off the noise and confusion of the devil. You saw a headline in your local paper: 'Satan is real busy out here'. Some people realize that evil and the demons are truly behind the killing and drugs in your society. It is better for your people to come to Me for comfort, than to listen to the demons and their lies to stir up trouble. Life has its daily troubles and frustrations, but killing and causing riots does not help your people. It is time to pray for people to get along in love without listening, or taking money from those evil ones who want to destroy your nation with fear and hate."
Prayer Group:
Jesus said: "My people, there are many mothers and spouses mourning for those policemen in Dallas, and now those killed in France. It is difficult to understand how some people are filled with so much hate that they could kill many people without regard for even their own lives. You need to pray for the mourners and those who were killed. These people are more intentions for your reparation Masses. Keep praying that your security people could prevent any more attacks."
Jesus said: "My people, you are beginning to see a record heat with little, if any, rainfall this summer. Many areas all across your country are experiencing droughts with little rain forecasted. If you do not have adequate water irrigation, you may see the beginning of a food famine when eatable crops will not be

available. You remember again how I advised you to store one year's supply of food for everyone in your household."
Jesus said: "My son, I have advised you to have 4-8 more barrels on hand for drinking water for forty people, and as storage for rainwater off the spouts from your roof. It would be good to practice collecting rain water into your barrels while your temperatures are above freezing. During the winter you can practice melting snow for water into your barrels. You will need alternative water sources for washing things, or filter it for drinking. I will multiply your water so you will not go thirsty."
Jesus said: "My people, keep praying your glory be Novena prayers to prevent any more killing in the streets. Pray for peace and more love among your people. There are evil people encouraging race riots, but try to thwart them with your prayers. Pray your Divine Mercy Chaplets for those people who just died recently, so their souls many be saved. Continue also praying for souls who die suddenly without having time to prepare their souls for My judgment. All souls who are saved from hell by your prayers, will be praying for your souls."
Jesus said: "My people, you have seen past elections of your President with no threats of killing or martial law. This year is different because
Satan and the one world people are desperate to speed up the takeover of America. This is why they want to create serious incidents to precipitate a martial law takeover. Their plan is to force you into their North American Union, so this will lead up to the declaration of the Antichrist. Be ready to leave for the protection of My refuges."
Jesus said: "My people, you have seen mandatory chips in your charge cards and other documents. The next plan is to mandate chips in the body, or the mark of the beast for buying and selling. You will see voluntary chips in the body at first, but your foreign troops will come to your doors to enforce mandatory chips in the body. When this time comes, refuse to take any chips in the your body, and leave quickly for the protection of My refuges. Only faithful people with crosses on their foreheads will be allowed to enter My refuges. Trust in My angel protection from those people who will be trying to kill you in their death camps."
Jesus said: "My refuge builders, I have given many of you messages of how to finish up your last minute preparations. Once the refuge time begins, you will not be able to obtain any more food and needs, except by My multiplication. Carry out My requests for your needs now while you still have some time. I know you are making your best efforts, and I will have My angels complete or

build more places to stay. I will also direct My angels to multiply your food, water, fuels, and meat when you need these things for your survival. Just as Moses helped provide water and food with his staff, so in your time of refuge, My angels will provide for your needs."

July 20, 2016
Friday, July 15, 2016: (St. Bonaventure)
Jesus said: "My people, in an earlier message,(6-13-16) I told you that you would see a continuing number of terrorist attacks both here in America and abroad. In Nice, France you saw many people killed and injured on Bastille Day. The President of France declared another three months of martial law, just as the previous nine months were over. Many of these terrorist attacks are suicide jihadists, and their intent is to kill as many people as possible. It is hard to defend against such attacks, but those evil ones want to cause fear without any real motive. Pray for those people who are killed, and be vigilant if martial law is declared in America. Before martial law is declared in your country, I will warn you when it is time to come to My refuges."
Jesus said: "My people of America, your freedoms are at a crossroad, and without Me in your hearts, minds, and souls, you will not exist as your current Democratic Republic. When your country was formed, I was in your Declaration of Independence, and your Constitution. Now many of your people have turned their backs to Me, and only a few people are praying to Me daily. These are My prayer warriors to try and save the rest of their families. Because of your sins of abortion, euthanasia, and gay marriage, I will be bringing My just punishments upon you. To save your country, it would take a massive prayer renewal, and your people would have to repent of their sins. I will send you My Warning experience to help change your lives. You can pray for souls to be saved, but if your people to not repent and change their ways, your country will be lost, and taken over by the one world people and the UN troops in black."

July 20, 2016
Saturday, July 16, 2016: (Dorothy Macaluso Funeral Mass)
Dorothy said: "I am happy to see all of my family and friends, as you came to share my life. I love all of you so much, and I thank all of you for coming to my

funeral. I am grateful to my husband for all the great years of our marriage, and for all of his help in my later years. I love him so much. I thank all of my caretakers as well. I am with Jesus and Mary, along with our deceased relatives. I was faithful in my prayers, and Jesus has rewarded me with a special place in heaven. I am waiting to greet all of you here one day. I am praying for all the souls of my family, and I asked the Lord to protect all of them from being led astray. I cannot express in words how happy I am to be with my Lord, and heaven is so beautiful and loving. All of my prayers go with all of you, as I will be watching over you. I was happy to share prayers with my Carmelite brothers and sisters on this feast day of Our Lady of Mt. Carmel."
Jesus said: "My people of America, I will repeat what you are seeing in the vision: 'Pray, Pray, Pray for America'. You need to be praying for your country, and for the souls of your citizens. Your country is in deep peril of being taken over by UN troops in a made up martial law effort. Your only answer at this point is to pray for the conversion of sinners, because I am drawing down the curtain on your freedoms. You are following the gods and idols of your electronic devices, sports, and money, in place of worshiping Me, especially on Sunday. Your refusal to repent and change your lives is bringing down My justice on your country. If you remember in several instances in the Bible, like Jonah, the people repented and put on sackcloth and ashes, and I spared their punishment. Unless America does the same to show Me that you are truly sorry for your sins, you will not be spared this takeover and loss of your freedoms. Your prayers will need to be doubled by praying longer, or you will not balance all of the sin in your country."

Sunday, July 17, 2016

July 20, 2016
Sunday, July 17, 2016:
Jesus said: "My people of America, you are seeing more serious messages about how the devil and the demons want to swallow you up like this python image in the vision. I have told you before that the devil's time to steal souls is close to ending, so the demons are going to do all in their power to steal souls, and have the evil ones take over your country. The one world people want to make America part of the North American Union. They may try to speed up this takeover by causing terrorist attacks and bankruptcies in your banks to precipitate an artificial cause for martial law. Pray that your families can come together when I send My Warning. The evil of your sins is bringing My

punishment down upon you in the form of natural disasters and martial law. Pray for the souls of your family and friends so they could be saved from the coming tribulation."

Monday, July 18, 2016

July 20, 2016
Monday, July 18, 2016: (St. Camellis de Lellis)
Jesus said: "My people of America, in today's Gospel I told My people that the only sign that I will give, is the sign of Jonah. This is the same sign that I give to the American people. Jonah told the people: 'Forty days more and Nineveh will be destroyed.' In fear of My punishment, the king and all the people of Nineveh put on sackcloth and ashes, and they changed their evil ways. I relented of My punishment on this city, because they repented. I will always forgive a repentant sinner. America has heard My call to repent and change your evil ways, but very few are listening to My voice through My prophets of this time. I will give you one last chance to repent when I send My Warning experience to everyone. Some faithful souls will repent, but the majority will not repent, nor change their ways. This will seal your fate, as your nation will live in exile with no freedoms. Prepare for the coming takeover of your country, as you are about to endure the coming tribulation of the Antichrist. Trust in Me by coming to My refuges of protection."
Jesus said: "My people, your time before the Warning and the tribulation is running out. I will be speeding up your events so you will expect something each day. You will be seeing a battle of wills between both parties as each candidate will be fighting to be elected President. You may see some violence to precipitate martial law. It is unclear yet if your President will allow your election to take place. If his party wins, he may give up his office to the current nominee. In any event, your President wants his people to stay in power. If you see many terrorist acts or a major bankruptcy before the election, then martial law will come before the election. Unless I intervene, the one world people want the current party to prevail. I will warn My people before martial law takes place, so you will have time to come to My refuges of protection."

Tuesday, July 19, 2016

July 20, 2016
Tuesday, July 19, 2016:
Jesus said: "My people, I am showing you how the one world people and your

President do not want to see a Republican President take over your country. They will do almost anything to prevent this from happening. Some protest groups will try to give your Republican candidate as much trouble as they can. There will be attempts to cause more terrorist attacks, race riots, or a crash of your money system before the election. If the election is allowed, you will see more attempts to manipulate your voting machines to allow the same party to control the Presidency. If the opposition party wins the election, despite all attempts to block it, then your President will try to intervene with martial law. When your lives will be in danger, I will warn you in advance to come to My refuges. Before any violence that would take many lives, I will bring My Warning experience. This will be My supernatural intervention that will upset the evil ones' plans. All sinners will have one last chance to repent before events will lead up to a takeover by the Antichrist. Trust in My protection at My refuges, even if some faithful are martyred."
Jesus said: "My people, this blur of images circling fast around My crucifix is another sign of My coming Warning with your life reviews. I am asking My people to pray and prepare their souls with frequent Confession. Your best preparation for My Warning is to have a pure soul. In your life review there will be a focus on your unforgiven sins. Many people after the Warning will want to repent of their sins, and Catholics will seek Confession. You will see a mini-judgment of where your spiritual life is headed, whether to heaven, hell, or purgatory. This may wake up some sinners to change their lives to improve their spiritual lives. I have been mentioning the Warning quite often in the recent messages. This is another sign that My Warning is near at hand. Call on Me in your temptations to give you the strength to fight the devil's attacks. Trust in Me to help you, as I desire to save as many souls who listen to Me and act on My Word."

End July 2016

August 2016

Wednesday, July 20, 2016

August 4, 2016
Wednesday, July 20, 2016: (Anna Fallone Funeral Mass)
Jesus said: "My people, at every funeral there is a grieving of loss of a loved

one. As you view the body in the casket, you realize how short your life is here on earth. The days and years pass you by, and you barely sense that you are aging. You see your hair getting grey and then white, and your face and skin change slowly. Your life is almost compared to a flower. You sprout up and look young and beautiful in your blooming. Then your flower withers and dies, and you are returned to the dust of the earth. During your life, you are to bear fruit in your faith, and you can share your faith by converting other souls to the faith. Bringing souls to Me is your best gift of your life. Praying and giving worship to Me is another way of thanking Me for all the gifts that I have given to you in life. You all should be striving to be with Me in heaven one day. You all are appointed to die because of Adam's sin. You can only come to heaven through Me when you die. So have your soul purified and prepared to meet Me at your judgment."
Jesus said: "My people, you are living in dangerous times, and the devil's evil is all around you. Do not be fearful because My power is greater than all of the demons. When you feel depressed or the devil is attacking you, then call on Me and I will have My angels come and protect you. Even if you do not call on Me, your guardian angel is close to help you. The demons play on your fears, worries, and anxieties, so do not let these things control your lives. Pray your daily prayers to help sinners, and share your faith in making new converts. Strive to do as many good works for people as you can, and you can store your treasure in heaven to balance off your sins at your judgment."

Thursday, July 21, 2016

August 4, 2016
Thursday, July 21, 2016: (St. Lawrence of Brindisi)
Jesus said: "My people, you have heard the Parable of the Sower many times, but it is still a good message for how to live your lives. What is sown, is the Word of God into the hearts of the people. The first few cases in the parable deal with people of little belief in the faith, because there is a lack of roots. You need to have a good foundation when you are taught the faith, and you need to love Me and desire a close relationship with Me. Without such deep roots, you will fall away from your faith with the least temptation. The next case is the seed that fell among the thorn bushes that choked the grain from growing. These are the souls who allow the cares and desires of worldly things to choke off the roots of faith in God. The seed that falls on good soil brings forth a good harvest of

thirty, sixty, or a hundredfold. If you are blessed with a gift of faith, then you should be ready to act on My Word with good works for your neighbor. It is this fruit of your labor in My vineyard that will store up treasure for you in heaven. Then when you face Me at your judgment, you will be welcomed into heaven, because you knew Me in love, and in the love of your neighbor."

Prayer Group:

Jesus said: "My people, when you see My Spirit and the angels coming through the Golden Gate of the walled City of Jerusalem, you know that I am coming again in victory over the evil ones. I have been giving many messages that you are living in the end times. My son, I have sent you out among the people to prepare them for My coming to conquer the evil ones. There are other messengers who are confirming that you are living in the end times as well."

Jesus said: "My people, you have seen several important figures who have quoted Isaiah 9:10 that America will rebuild the trade towers, but without repenting and asking My help. This quotation of Isaiah 9:10 is becoming a condemnation of your country, because you are not repenting of your sins, and you are not changing your ways. This prophecy will be fulfilled when you see a 'financial collapse' of your dollar and your economic system. Pray for your country and your sinners, so they can turn your country around before it is too late."

Jesus said: "My people, you have seen a heavy police presence from many different states. Because of this presence of security, any flag burners, and protesters have been kept under control. This has allowed the speakers to give their speeches without any disturbances. You can still see a few splits in this party at the Republican Convention, but there will be a joining of purpose for the Presidential election. It is hard to please all the people when several have tried to win the nomination. Pray for the coming election that it will be allowed to happen without any further violence."

Jesus said: "My people, your two parties have to give you an explanation of their platforms, so you can understand what they want to achieve. It is important for your candidates to talk about the important issues, and not spend so much time criticizing each other. Your country needs to decide whether you want to continue down the road to socialism, or abide by your Constitution in keeping your Democratic Republic. Your President is abusing powers with his Executive orders that should be legislated in your Congress. If you do not control the Executive branch, you will be under a dictatorship with no rights. Pray for your country to turn more to Me, or you will see a takeover and natural disasters."

Jesus said: “My people, I have called your country to repent of its sins and change your Godless laws that perpetuate abortions, euthanasia, and gay marriages. The evil in your country grows worse with no attempt to repent or change your sinful ways. I have given America many opportunities to change your laws, but you have refused Me, and you defend your political correctness which supports your evil earthly ways. Your judgment will be coming in your punishment of a takeover and natural disasters. Be prepared to accept the consequences of your evil choices.”
Jesus said: “My people, for many years you have kept this quotation on your money: ‘In God We Trust’. This may be on your coins and dollars, but it is not in your hearts. Because you have taken My Name out of your schools and public buildings, I will be removing My blessings on your country. Many countries are starting to refuse to accept the dollar as the reserve currency, because it is not backed by gold or silver as in the past. Since you have a large National Debt and a trade deficit, many countries are not trusting your currency to pay off debts. This is the beginning of the crash of your dollar and it will bring down your economy. Any crash of your dollar could create a martial law, and a need to come to My refuges.”
Jesus said: “My people, America has been a strong force in keeping order and defending the free world. It is unfortunate that your President wants to reduce your defense to a very little force. He is disarming your military so they are weak for a UN takeover. You have a moderate defense with little backup in what your troops need to defend your country. Just like Israel was defeated for worshiping pagan gods, so America is close to being taken over because of your abortions and worship of idols. By turning your backs on Me, I will allow your enemies to take you over as your punishment.”

Friday, July 22, 2016: (St. Mary Magdalene)
Jesus said: “My people, at the tomb where I resurrected from the dead, I met Mary Magdalene and I called her by name. I loved Mary, and she loved Me for forgiving her sins. I am the Resurrection and the Life, and I call all of My people by name. I created each one of you, and I want you to love Me as I love you. Come to Me as a repentant sinner, and I will forgive all of your sins.”
St. Kateri Takakwitha came to me: “My son, I am well aware of your love for

your daughter, Catherine, who has my namesake. You have asked me to watch over her and intercede for her to Jesus so her soul, and all the souls of your family could be saved. Keep praying for these souls so Jesus will answer your petitions. You are also asking Me to intercede for your friends Amy and Don, who seem to be frustrated with so many health and family problems. I will reach out to help them and guide them through their troubled lives. You know of My Indian heritage, and I will help protect them from any spirits that are on their lands. I also will assist Jocelyn since she also has some Indian heritage. God bless all of you for coming to My tomb on your pilgrimage, and I will be guarding you on your travels."

August 4, 2016
Saturday, July 23, 2016: (Desmond Clayton Marolly Funeral Mass-
father of Clayton Marolly)
Jesus said: "My people, you can see in the vision how My angels are honoring Desmond's passing. He is being guided to Me, and he is also greeted by his deceased family members. He is calling out for prayers and Masses to help complete his purification. He suffered in his last days, but he is in a peaceful place with no more suffering. He will be praying for all of his family members, and he will be watching out for them as well. He thanks everyone who came to this funeral Mass, and he loves all of his family and friends."
St. Brother Andre said: "My son, I hear your petitions for Catherine and the rest of your family to help bring them closer to Jesus. I will take your prayers for them to Our Lord. It is your persistent prayers that could save their souls. You can only enter heaven through Jesus, so you need to repent of your sins in Confession, and accept Jesus as your Savior and Master of your life. If someone does not worship God on Sunday, it will take prayers, Masses, and fasting to bring them to heaven. It is your life's work to bring as many souls to heaven as you can. Without the shedding of Jesus' Blood, none of you could be saved. So give praise and thanks to Jesus for all of your gifts and for all of your children, grandchildren, and great grandchildren. Thank you again for making your effort to visit my tomb, and thank me for being your intercessor for the prayers for your family."
Jesus said: "My son, you have been preparing your refuge to receive the forty people that I told you to be ready to house. You have solar panels to make

electricity, while you do not have snow on them. With your batteries you can have power at night, and they can be recharged during the day. You have oil lamps for light, and your rechargeable flashlights. You have wood for your wood furnace, and kerosene for your kerosene burner. You should consider buying another kerosene burner for your basement, or in your shed. Do not count on having your natural gas for long. You also still need to obtain a small outhouse when your flush toilets will not be working. A smaller outhouse would be useful for moving to different holes that will be needed. You could stock up on more lime for the outhouse. Your time is getting close, so you need to get these last preparations. Call on My help and My angels for your protection and for any needs to expand your facilities. You also could get another four barrels to catch your rainwater. I will multiply your water, food, and fuels for your survival."

August 4, 2016
Sunday, July 24, 2016:
Jesus said: "My people, you are seeing an attack on My Church and its many laws and traditions. You are seeing a sign of the coming division in My Church between a schismatic church and My faithful remnant. This will start by a breakdown in My traditions and gradually a Masonic influence will change My words of the Mass. Your services will no longer bring My Real Presence into the hosts. You will soon see My Name removed from your prayers, and there will be an increase in New Age teachings. I will warn My people when it is time to move to more traditional churches. Then you will be forbidden to have public Masses, and you will need to have them in the homes. Eventually, you will be hiding at My refuges to avoid martyrdom. You are about to see events move quickly, including My Warning. Keep close to Me in prayer, and in Confession, while it is still available in your churches. I love all of My people, and I want you to love Me as well, but be prepared for the coming battle of good and evil which will greatly intensify."
Jesus said: "My people, you could see some startling revelations about your Democratic nominee after the Convention. Some people will be revealing her life story in some movies that could put her in a bad light. There also could be some information coming out that would expose what was in her deleted emails. If this nominee is eliminated from the election, your President will try to get nominated a third time, or he could declare martial law before the election. If the

Republican candidate wins the election, then your President could declare martial law after the election. In any event the one world people and your President have said that your Republican candidate will not be President. You will be having a martial law takeover in a relatively short time. This will gradually lead up to the tribulation of the Antichrist. Have no fear because I am in control at all times. I will allow a short reign of the Antichrist, but My faithful will be protected at My refuges. Then I will cast all the evil ones into hell, and I will bring My faithful into My Era of Peace."
Mark said: "I am Mark and I stand before God. I have been your spiritual guardian angel for many years, and I thank you for remembering me in your morning prayers. The Lord has given you some recent requests that you need to carry out quickly because your time to obtain them is about to close. Do not worry about the money because your money will soon be worthless. You also need to fill your barrels with water so they can be multiplied. You also need to get another kerosene heater for heat in the winter. You need to order your small outhouse as well. The Lord will be sending you many angels to help you feed and house the people that will come to your house. This mission for a refuge is a new responsibility, but many people and angels will help you to carry it out. Trust in the Lord, and perform all of your works out of love for the Lord and your neighbors."

Monday, July 25, 2016: (St. James, Vigil of St. Anne)
St. Anne said: "My dear grandchildren, I am your grandmother, and the grandmother of Jesus. I was blessed in my older years to conceive and bear my daughter, Mary, with an Immaculate Conception without original sin. I thank your priest for pointing out the beautiful images in this church of how I brought up my daughter, Mary, in the faith. This same Jewish faith was then passed on, as the Blessed Virgin Mary taught Jesus. I want to thank all of my grandchildren who were persistent in all of the days of the novena that they made in my honor. I thank all of the people who came and walked in the processions. Do not be concerned about the numbers of people who come, but give thanks for all of the pilgrims who came to honor my feast day, and who traveled long distances to get here. I bless all of you and I will give all of your petitions to my grandson, Jesus. As you return home, I will be guarding you for safe travel. Many of you have my

statues at home, so when you are praying your rosaries, remember me in making your petitions as your intercessor. You always see me with my Blessed daughter, Mary, because our hearts are one with Jesus."
Jesus said: "My people, I am happy to see all the pilgrims with their candles as they honor St. Anne's feast day. I want to thank St. Anne and My Blessed Mother for carrying out their part in My plan for your salvation. They were part of the descendants from King David who allowed Me to be called the 'Son of David'. The biggest celebration has been My Resurrection from the dead, where My sacrifice on the cross has given all souls an opportunity to be saved. Welcome Me into your hearts as you repent of your sins, and seek My forgiveness. You are honoring My grandmother, St. Anne, on her feast day, so remember to pray to her as your intercessor for prayer."

August 4, 2016
Tuesday, July 26, 2016: (St. Anne and St. Joachim)
Jesus said: "My people, I am showing you in this vision how simply these saints of today lived and provided for their basic needs, even with the Blessed Virgin Mary. I want you to take note of their simple life because many of you will be living this same simple life at your refuges during the tribulation. You will be protected by My angels from the evil ones, but you will need to help each other in a loving community. Each person will be assigned tasks to help provide food, water, lavatory needs, hygiene needs, and heating and cooling. You will call on Me and My angels every day to multiply your food, water, and fuels. I know you will be living in a small area, and you all will need to be Christian to your fellow refugees. The angels and I will be watching over your spiritual needs as well. Pray to have a priest at your refuge for the sacraments, especially Mass and Holy Communion. My angels will bring you Holy Communion every day, if you do not have a priest. You will all be taking turns to make holy hours before My Blessed Sacrament in perpetual Adoration around the day and night. This will be to give thanks to Me for all the gifts you will receive. At the end of the tribulation, I will bring you into My Era of Peace, and later into heaven."

August 4, 2016

Wednesday, July 27, 2016:
Jesus said: “My son, in today’s first reading you read how Jeremiah was criticized for his messages and prophecies about the destruction that was to come against Israel. Even though he had to suffer much, I told him that I would protect him from the people who wanted to kill him. In the same way, My son, you have suffered some criticism for your messages, and some of the people did not want to hear about the lost freedoms, famine, and destruction that will come upon the people of America. The people should thank you for warning them that they have to repent of their sins, and accept Me as Master of their lives in order to be saved. I will also send you angels, My son, to protect you from any harm from the evil ones. In the vision you are seeing how a priest’s vestments were rotted away. This is another sign of the coming split in My Church when the traditions of the Mass will be changed. The schismatic church will no longer have the proper Mass words and traditions. I will not be present in the hosts of the schismatic church. They will introduce New Age traditions, and eventually the schismatic church will be worshiping Satan and the Antichrist like you saw in the opening of the new train tunnels in Europe. My faithful remnant will have their Masses in the homes, and later at My refuges of protection. Have patience and trust in My protection in My refuges, before I will bring My victory over the evil ones.”
Jesus said: “My people, you have seen a Washington, D.C. outsider drive to his party’s nomination, and now he will challenge the establishment candidate for President. If the people are allowed to pick their own candidate without cheating with the votes, they could choose the Republican nominee. Even if the Republican candidate wins, he still could face your President’s martial law which could cause riots in the streets. If the Democrats win by cheating again, you could also see riots because the people’s voice is not being allowed to be heard. These actions could again give authority over to your President to act as the dictator of your country. Look for a coming martial law that could allow the one world people to carry out their takeover plan. Trust in Me to protect My faithful, and cast the evil ones into hell.”

Thursday, July 28, 2016

August 4, 2016
Thursday, July 28, 2016:
Jesus said: “My people, in the Gospel I likened the Kingdom of heaven to a

catch of fish where the good fish have to be separated from the trash fish. So it is when people come to their judgment. My angels will separate the good people from the evil people, and the evil ones will be cast into the ever burning flames of hell. If you could see the peace, love, and beauty of heaven, those people in sin would feel unworthy to come into My holy Presence. This is why when you are judged, you see how you need to be purified, and you will desire cleansing in purgatory. When you are called to a wedding feast, you do not want to come in without a proper wedding garment. There are even some souls who are so evil and full of hate, that they will never be fit for heaven. You can see why My angels are casting such evil souls into hell. Those people, who desire to come into heaven, need to repent of their sins, and have a strong longing to love Me in My peace. People, who cannot repent of sin and cannot love Me, are condemning themselves to hell. My faithful long to be with Me in My loving Presence, and I am preparing a place in heaven for all of them. Seek to come to the higher levels of heaven by your good works, and a holy life of prayer on earth. I have given you My sacraments, especially Confession, so you can keep your souls pure for your judgment. I desire that all souls could come to heaven, but they need to have pure souls and a strong love for Me."

Prayer Group:

Jesus said: "My people, you recently saw a crane fall and break over a new bridge being built in New York City. This is a sign of the punishments that will befall New York City for all of its sins of the flesh, and killings associated with drugs. The big cities have more people and more killings. You have not seen too many incidents at either Convention, which is a blessing that there was little violence. Continue to pray for your elections so you do not see any more violence."

Jesus said: "My people, there are some strong feelings about some of the National issues, and this could result in a further division among your people. Not very many people realize that there is a battle going on between the socialists and those people standing up for your Constitution. If the socialists win, you will lose more of your rights, and it could lead to martial law where your Congress is not included in the governing process. Pray for your country to keep its way of governing as your country was founded."

Jesus said: "My people, your Social Security system was meant to only support the retired workers who were taxed to provide the money for this system. It is a pay as you go system with enough revenue to pay for itself. Your greedy Congress people have used this system to extend payments to even young

people, which is why it is bankrupt and requires deficits to pay people. You can see that your deficits are caused by few paying in, and many drawing free income who were not intended at the beginning. You have corrupt politicians promising more benefits than can be funded by your taxes. It is this welfare state that is bankrupting your country. Pray that your welfare could be turned into a work for pay system before your economy collapses."

Jesus said: "My people, if your election is allowed to continue, your people have a choice to choose a new direction back to a Constitutional government with Me in your legislation. When you choose Godless socialism, you are following the one world people who are led by Satan. Do not believe the lies and false promises of the socialists because they are leading you to a dictatorial communist state that will take away all that you own. If your people do not repent of their sins, and take back control of their country, you will have no country, and you will be a part of the North American Union."

Jesus said: "My people, your government is printing far too much money that has no backing and no real value. When gold and silver backed your money, it had value. Now your dollars are only promises to pay your Federal Reserve, which is the big bankers, and not part of your Treasury. This debt money is a scheme by the one world bankers to bankrupt your country, and take it over. When the dollar crashes, you will lose all dollar denominated assets, and all of your welfare and Social Security checks will stop. This will lead to chaos and martial law. My faithful will need to come to My refuges for your protection."

Jesus said: "My people, you can see how people without money will become desperate for something to eat and drink. There will be killings over food, and the UN troops will take over your country. When your lives are in danger from famine and martial law, My angels will lead you to My refuges of protection. Trust in My angel power for protection, and for all of your earthly needs."

Jesus said: "My people, I have told you that My Warning is coming that will wake up many sinners to change their evil ways, or they will suffer the consequences. After My Warning experience, you will have six weeks of time to convert your lives from sin. This will also be a time for families to come to the same refuge, if they so desire. Each refuge will have protection, but you will only be able to travel for a short time. Once the Antichrist declares himself, you will have to stay at the refuge you are in. Call on Me for your discernment for what refuge you would want to stay. Trust in My protection throughout the tribulation, as I will bring My faithful into My Era of Peace on My victory."

August 4, 2016
Friday, July 29, 2016: (St. Martha)
Jesus said: "My people, I was coming to Martha and Mary to share in their mourning of their brother, Lazarus, who had died. Martha was telling Me that I could have healed Lazarus if I had come sooner. Little did she know that I was about to raise Lazarus from the dead. I told Martha that her brother will rise, and she acknowledged his resurrection on the last day. I also told her that I am the Resurrection and the Life, and I asked her if she believed Me. Then like St. Peter, Martha said that I was the Christ, the Son of God, and the coming Messiah. Even today, I repeat this to all of My faithful. Whoever believes in Me, even if he dies, will live, and anyone who lives and believes in Me, will never die. I am referring to your spiritual life with Me, because all of you will die one day in your body. Later, I raised Lazarus from the dead, and many came to believe in Me. It was because of My miracles that the Jewish leaders wanted to kill Me and Lazarus. So have no worries or anxieties of this life, because I will bring My faithful into heaven."

August 4, 2016
Saturday, July 30, 2016: (St. Peter Chrysologus)
Jesus said: "My people, you have been given many messages recently concerning the coming punishment upon America for your abortions and your sexual sins. I am a merciful God, but I am also just. Your sins are deserving of My just punishment, but My mercy will be My angel protection for My faithful at My refuges. In the vision you are seeing several arks as Noah built for his family and the animals. These arks symbolize My refuges that people are also building. Your guardian angels will lead you with a flame to My nearest refuge when your lives are in danger. During the tribulation, you will be limited to live within the border of each refuge. My angels will put a shield of invisibility over you to protect you from the evil ones who want to kill My people. This limited space of your refuge is like the ark of Noah, only My angels will multiply your food, water, and fuels. If necessary, the angels will build more dwellings for everyone to have a place to sleep, eat, and live. Give thanks and praise to Me for providing for your needs. America will suffer much from natural disasters and a

coming martial law that will threaten the lives of My people. You can choose martyrdom by remaining in your homes, or you can choose to come to the safety of My refuge arks. Either way, My faithful will eventually be brought to your prepared places in heaven."
(Mass of the Blessed Virgin Mary) Jesus said: "My people, I came to the earth to offer Myself as a sacrifice to My heavenly Father. I offered up My Body and Blood to wash away the sins of all the people who accept Me as their Savior. In the vision you saw the Three Kings who brought Me gold, frankincense, and myrrh as royal gifts for My mission. I brought you the sacrament of Baptism as I am giving you the grace to forgive the original sin from Adam and Eve. Once you are baptized, you are priest, prophet, and king. This is why all of My baptized faithful are called to go out and evangelize souls to be saved. I bless all of the people here today and your families."
Jesus said: "My people, I have been showing you many signs that martial law is coming. You have heard of people seeing martial law signs. You also have seen military vehicles on your highways. Some people have even seen tanks being moved on railroad flat cars. Some reports have shown large cargo planes that were bringing in foreign tanks. I have also shown you UN vehicles that were like armored vehicles. The one world people have been planning a martial law takeover for some time, and your President will be using his powers to prevent a Republican Presidency. Do not be afraid of these foreign troops because I will protect My faithful at My refuges. I am showing you these signs because a martial law government could soon lead you into the North American Union. I will bring My Warning before martial law is declared, so be prepared to leave for My refuges at any time."

Sunday, July 31, 2016

August 4, 2016
Sunday, July 31, 2016:
Jesus said: "My people, what does it profit a man if he gains the whole world, but suffers the loss of his own soul? (Matt. 16:26) I give all of you many gifts, both physical and spiritual. You should be thankful to Me for all that you have been given. You are totally dependent on Me for everything, so do not think you have gained anything for yourself only. I have given you your intelligence to train for your work. I call all of you to know, love, and serve Me. I call you to share what you have with others, so you are not doing everything only for yourself. In the Bible I have recommended that you tithe or give ten per cent of

your income to the charitable needs of your neighbor. Whatever you give away to people, will store up spiritual treasure in heaven to balance your sins at your judgment. Do not just give token donations, but give what you can afford. Remember the woman who put all she had to live on in the Temple treasury. This widow's mite was worth more than the rich people who only shared a small portion of their excess wealth. You need to plan your finances prudently for your needs and the needs of others. You need to share your time and your faith, as well as your money. It is more of a commitment to share your time and work with someone. You all have special skills, so you need to share your skills to help someone in need without expecting payment. Do things in secret without boasting, and My heavenly Father will reward you. Those people, who brag about their generosity, are already paid on earth. Your treasure in heaven is worth far more than any wealth you have on earth."

August 4, 2016
Monday, August 1, 2016: (St. Alphonsus Liguori)
Jesus said: "My people, some of My apostles were fisherman, and as I was sending them out into the world, I told them that now they would be catching souls instead of fish. I told them that they needed to be good examples in how to be models for others to live. You heard in the Gospel that My faithful need to be the 'salt' of the earth in teaching others how to be converted and repent of their sins. Be good disciples of My Word in your actions so you are not hypocrites. Most of all you need to remember your daily prayers, because I depend on My prayer warriors to help bring souls to Me. You need to be able to help your neighbor in sharing your time, your faith, and your charitable donations. When you love Me, you also need to show your love for your neighbor in your good works. You need to see Me present in every person, so you are doing things for your neighbor out of love for Me. So I am telling all of My faithful to go out to all the nations and share My Good News of salvation for the souls you meet."
Blessed Solanus Casey said: "My dear little ones, you are living in a very difficult time as many evil ones are controlling your society. You also have many distractions and some addictions. Few Christians are praying and practicing their faith. Your people should spend a little time each day in the silence of contemplative prayer, so you can turn off the noise of worldly things, and have time to listen for the voice of Jesus. By following the directions of Jesus, you can direct your lives to His service, and He will guide you to your goal of

heaven."
Jesus said: "My people, you have read the Gospel where My apostles were frightened for their lives when they were in fear of drowning from a storm while they were in a boat with Me. They awakened Me, and I calmed the storm. My people, many of you have had serious problems in life, and you can call on Me to help you through your trials. I will calm your fears, but you must have faith and I will answer your requests. When you need healing in body or soul, you can call on the Holy Spirit to heal you. Call on the gifts of the Holy Spirit to reach out and convert souls from their depression and trials of this life."

August 4, 2016
Tuesday, August 2, 2016: (St. Peter Julian Eymard)
Jesus said: "My people, at times you store things away in a closet so people do not see them. You also hide or keep secret any embarrassing things in your past. You may be able to hide your bad actions or sinful habits that you perform in secret away from people, but I see everything, and you cannot hide things from Me. Many people do not want to admit the bad things they have done, but you need to be able to reveal them to My priest sons in Confession. I know all that you do, so do not be afraid to tell all of your deep dark secret sins to the priest. It is hard for Me to forgive the sins you have not knowingly told your priest. Do not be afraid of the priest who may give you a strong penance for any sins. Admit all of the sins you can remember, and I will forgive the most serious sins you tell the priest. You are all sinners, so you should try to confess your sins at least once a month. By keeping a pure soul, you will be ready to meet Me at your judgment in the Warning and when you die. I know your faults, so open your souls and hearts to My forgiving love, and I will restore grace to your soul."
Jesus said: "My people, this last weekend you traveled five to six hours one way by car to the Detroit, Michigan area, and you gave four talks in four days, and then drove home. It is no wonder that you feel weak and exhausted at night. I have asked you to call on Me to send My angels to support you when you are being attacked by demons. When you are tired and weak, you are more vulnerable to the devil's attacks. So when you are tired and exhausted from your teaching mission, call on Me also to have Me send My angels to strengthen you in your work. You receive messages each day, and it takes you time to write them down, and later to type several days of messages. I appreciate all that you are doing for Me, and the help you are doing for souls who you are reaching out

to share My Word. Some people do not realize how much work you do on each trip, so you need to ask people to pray for your health and safety in your travels. You have accepted My missions with your 'yes', and I will have My angels guard you and strengthen you at each talk."

August 18, 2016
Wednesday, August 3, 2016:
Jesus said: "My people, your time is running out when soon your money will also be running out to pay for your welfare and your Social Security checks. Because you are paying out so much money to people who did not work for it, your deficits are going to bring down your whole government and your economy. You cannot just keep printing more money indefinitely, because your dollars are not being accepted as payment in some countries. You import more goods than you export, and it is this transferal of money overseas that is another debt to pay. As you see your National Debt reaching almost $20 trillion, you can see why people overseas do not trust the value of your dollar. When your money collapses, you will see riots and looting to get food and water. This will be another reason to store food, and be ready to leave for My refuges when martial law is declared. Many of My refuge builders are making their last preparations for the chaos of the coming tribulation and the takeover of your country. Trust in Me to protect you from harm, and to provide for your physical and spiritual needs."
Jesus said: "My people, your news media on your televisions are doing everything to brainwash your people with meaningless comments, so you can be led however they want. There is more focus on creating dissension and conflicts, than on educating your people on the real problems with your government, and making life better for your people. When people outside the Washington, D.C. establishment threaten the control of your puppets who are running your government, you will see a firestorm to tear down such a candidate. Your leaders do not want to discuss the issues, but they want to discredit the credibility of anyone who opposes them. Your leaders cannot deal with the truth, because their power is built on lies. In the end, your people in this election are voting for socialism or a Constitutional government. The merry-go-round is also a sign of the coming Warning, when all the people will have a life review outside of time and outside of their body all at once. The events of your lives will pass in front of you, and you will be focused on your unforgiven sins. Your best preparation

for My Warning is to come to frequent Confession, so you do not see any judgment to hell. Be prepared to come to My refuges after your Warning, so you can be protected by My angels."

August 18, 2016
Thursday, August 4, 2016: (St. John Vianney)
Jesus said: "My son, you remember this vision of a glass chandelier in an Adoration room, and it was in reality without you seeing it beforehand. This vision impressed the priest where you visited in Trinidad. (1-8-2003 message) This bright Light was also a sense of My Real Presence when My Blessed Sacrament is in the monstrance for viewing. You also have a chandelier in your Eternal Father Chapel that you moved from your kitchen. You have spent many hours of Adoration in peace and love before My Blessed Sacrament. It is before My Eucharistic Host or receiving Me in Holy Communion that has given you many opportunities to receive My inner locution messages. It is the Holy Spirit who helps you to write down My messages, so give praise and thanks to Me and the Holy Spirit for your gifts. I have asked you to distribute your Adoration DVD so people can hear about My messages on My Real Presence in the consecrated Host, and about the miracles of My Eucharist. At the end of this DVD, you have some views for ten minutes of My Host in the monstrance so people can have a small Adoration visit. You have used this Adoration DVD when it is not easy to travel to My Adoration churches. I bless all of My faithful with My graces, when you make a special visit before My Blessed Sacrament. Thank you also for having Adoration at your prayer group."
Prayer Group:
Jesus said: "My people, your President is going to have some tall explaining to do about $400 million in various currencies that was secretly delivered to Iran. The four captives could not be released until the plane with the money arrived. This was not part of any nuclear agreement with Iran, and Congress was not given any news of this exchange. It is in all appearance a ransom for the captives. Further explanations may be coming, but it is questionable to be giving any money to Iran for spreading terrorism all over."
Jesus said: "My people, you are seeing who controls the media when you see how biased they are on the candidates for your Presidential election. I have mentioned in My parables that by their fruits you will know the people who support life and those who do not. You are also seeing an election between

support for socialism vs. support for your Constitutional government. Pray that you will be able to have a lawful election without manipulation of the voting machines, nor any martial law."
Jesus said: "My people, the party controlling your Congress has yet to seriously challenge your President on stopping deficit budgets, or reducing your National Debt. Under your current President, you are approaching a $20 trillion National Debt, and it was $8 trillion when your President took office. The one world people are using your leaders as puppets to destroy your economy by bankrupting your country. If you do not take back your country from the evil ones, your country will cease to exist."
Jesus said: "My people, you are seeing damaging floods and tornadoes affecting West Virginia and other states. In California and in parts of the Northeast, you are seeing droughts with little rain in these areas. Even in your own area you are six inches below your normal rainfall. Floods are destroying property and taking some lives. Your droughts are affecting your food supplies in some areas. Many of these natural disasters are a part of the punishments being directed on America because of your sins of abortion and your sexual sins. Pray for your country to change its moral direction, or your country will be taken over."
Jesus said: "My people, you saw how Israel was taken over because they worshiped idols and foreign gods as Baal. Now, America is on a similar path to destruction without much repenting of sin, nor any changing of evil ways. No matter how much I send you messages of wake up and repent, your people are still continuing to love their sins more than obeying My Commandments. Your country is on a path to a martial law takeover, if you do not change dramatically."
Jesus said: "My son, I confirm your inner feelings of your teaching mission coming to a close, while your refuge mission will be needed more. You can see the many signs for a coming martial law. Such a state would stop your traveling, and it would force My faithful to come to My refuges. You just acquired your extra barrels for water and your extra kerosene heaters. You just ordered your outhouse kit that will take a few weeks to arrive. You may have to fill your barrels with water in preparation for the coming tribulation."
Jesus said: "My people, I know all the plans of the evil one world people, but I will not let them have any control until I bring My Warning and the six weeks of conversion after it. The Warning will be one last opportunity for all sinners to be reconciled with their Lord. Those people, who choose to repent and purify their souls, will be saved. But those people, who refuse to repent and refuse to change

their sinful habits, are on a path to My judgment to hell. I offer My forgiveness to all repentant sinners, but those people, who refuse to accept Me, are choosing a punishment in the eternal flames of hell."

August 18, 2016
Friday, August 5, 2016:(Dedication of the Basilica to Mary Major)
Jesus said: "My people, I am showing you a vision of various demons in hell who are tempting people with sloth, greed, and jealousy. Sometimes when you are working hard, you desire a rest to gather your strength again. There are demons who tempt you with sloth or laziness. You are created to know, love, and serve Me on earth. For all the time that you are given each day, you are accountable for using your time to help yourself and others. The temptation is to sit around watching TV or wasting your time on frivolous pleasures. You have your own needs to work for a living, get your food at the store, and pay your bills. You also need to educate yourself and provide for a place to live. You have relatives and neighbors who you may be called on to help with their needs by work or donations. When you are doing things, they should be done out of love for Me. When people are lazy, your duties are not being accomplished, and even spiritually your prayers are needed to help people. Other people are tempted by the demons to be greedy for more than they need by stealing or manipulating people to gain money from them. Some people desire wealth so they do not have to work for it. Others are using your welfare system to live off of the taxpayers' money. Some people are disabled and they cannot work, but other healthy young people could be earning their living by working as most people do. It is difficult in your economy to find good paying jobs, but even working at low paying jobs, gives you more sense of worth than relying on handouts. Some people may be tempted by demons to be jealous of others who have more money and more possessions. People need to be satisfied with their lot of enough to survive, rather than be jealous of other people's success by their labor. By living in love of Me and your neighbor, you will be free, and do not let the demons tempt you with sloth, greed, or jealousy."
Jesus said: "My son, obedience to Me and your spiritual director is the best way to carry out your mission, so you are under supervision and you keep humble. Until people accept Me as the Master of their lives, it is hard to carry out the mission I have for them. I have given all of you a mission to accomplish, but you can only carry it out according to My plan for your life. When people want to be

in control of their own lives, they do not leave room for Me to work with them. Many times the demons will try to mislead you into the pride of running your own life. The best success that you can accomplish on this earth, is to be united with Me in strict obedience, so you can carry out My mission for you. I do not force people to do anything, because I want people to follow Me by their own free will. Trust in Me to give you the grace to accomplish your own personal mission."

Saturday, August 6, 2016: (Transfiguration of Jesus on Mt. Tabor)
Jesus said: "My people, you are marveling at the beautiful vision of My glory, and the words are precious to hear them and treasure them in your hearts. St. Peter said: 'Lord, it is good for us to be here. If Thou wilt, let us set up three tents here, one for Thee, one for Moses, and one for Elijah.' (Matt.17:4) Then God the Father spoke from a cloud so all of the apostles could hear. 'This is My Beloved Son in Whom I am well pleased, listen to Him.' (Matt.17:5) The apostles witnessed Me in bright white garments as I was radiant in My Glorified Body. They were seeing a preview of how I would appear after My Resurrection. My son, I gave you just a small taste of the feeling of joy that I gave My apostles. When you witness My glory, you need to announce it from the rooftops for all to hear that I am truly Lord over all creation. All the things on earth pale in front of My power and glory. When you see My glory, you see why Satan and the demons are but a grain of sand before My power. This is why they scatter when you announce My Name, Jesus. No matter how Satan tempts you, or how evil appears to be winning, you will see how I will overpower all of these creatures, when I will bring about My victory. I will only allow Satan and the demons to test you only so far, and then My angels will protect you. So do not fear the evil ones, because you can call on Me, and I will send you My angels to defeat them and protect your souls. I will even protect your body as well at My angel guarded refuges. Give glory and praise to Me because I am always at your side, just as St. Peter said: 'It is good for you to be here with us.'"

Sunday, August 7, 2016:
Jesus said: "My people, you need your daily bread for nourishment, which is

why I am showing you a harvest of wheat. You gather the kernels and grind them for flour. Then you bake the bread and share it with your family. You have My spiritual Bread as well that nourishes your soul with My consecrated Host. This is My gift to My faithful that you can have My Real Presence with you at daily Mass. When Abraham went to a foreign land for his inheritance, he lived in tents and he obeyed God in faith. Eventually, a holy Temple was built to house the Ark of the Covenant that held the Ten Commandments. Now, My faithful need to build up My Church by converting people to the faith. Even as you build a church of My people, you also have built physical churches to house My Blessed Sacrament in your tabernacles. Just as I called Abraham to serve Me, so I call all of My faithful to serve Me and their neighbors out of love."

August 18, 2016
Monday, August 8, 2016: (St. Dominic)
Jesus said: "My people, you receive many services that are piped into your home. When the tribulation comes, these services will cease, and you will be living independently on whatever you have prepared. One of the important services is your water line, because you need fresh water to survive. This means the water cannot be contaminated nor as salt water. At your refuge, My son, I have asked you to prepare for forty people, and to have more barrels to store your drinking water. You will need to have your barrels filled with water inside from the cold, except for a few to collect your rain water for washing when it is not freezing. I have also had you get some materials for a well or a spring for a more continuous source of water. Just as you are being asked to conserve your water usage during your present drought, so you may also have to conserve your water usage at My refuges as well. I will perform miracles at My refuges to provide clear continuous water from your wells, and I will multiply the water in your barrels. This will mean that you will have to have faith and trust in Me to provide enough water for all of your people to survive. This is why you will need to be praying every day for My help, and to honor and praise Me in perpetual Adoration. Your people at My refuges may be frightened at first to wonder where all the food, water, and fuels will come from. Once they see My miracles of multiplication occur, this will calm their fears, and they will see the protection of My angels. Remember the few miracles that you have seen in your chapel. These were signs of the miracles that I will perform at your refuge so you can all have something to eat and drink. You will be living in full trust of Me

to provide for your needs, so do not be afraid or worry about what you are to eat or drink."
Jesus said: "My people, in one of My parables I told the people that the Kingdom of heaven is like a pearl of great value that a man would sell all of his possessions to buy that pearl. You cannot buy heaven with money, but you can store up heavenly treasure with your holy life and good works. When you do things, you should do them out of love for Me, and love for your neighbor. Many people value the things of this world more than the things of spiritual value in heaven. This is why it is better to strive for spiritual treasure and the higher levels of heaven. I want My people to develop a personal love relationship with Me so I can help them with My grace to lead them to heaven."

August 18, 2016
Tuesday, August 9, 2016: (St. Teresa Benedicta, Edith Stein)
Jesus said: "My people, you know how evil it is in war and how so many people were killed in World War II. Hitler made himself a dictator, and he tried to eliminate his enemies, the Jews, and the clergy. He also made the people salute to him almost as a god. You are aware of the holocaust that killed so many people in the death camps. St. Teresa was a victim of this same brutality. Many people wanted to prevent any future holocausts, but yet your people are killing millions of My babies in abortion with no remorse. You do not even honor their deaths with death certificates. You will be seeing a further holocaust in your present detention death camps, when the one world people take over your country with a martial law. It is not a matter of if there will be a martial law, but it is when this will happen. I have told My faithful for many years that I will have people prepare refuges for another takeover that will kill millions of people in these gas chambers and crematoriums. I will send My Warning first to offer sinners one last chance to be saved. This is why I want My people to be humble as little children, so you will be prepared to come to heaven. Be prepared to leave your homes for My refuges when I will tell you, because your lives will be in danger."
Jesus said: "My people, America is being punished by weather extremes. You are seeing an unusually hot summer with many nineties in the North, and hundreds in the South. You also are witnessing droughts in the Northeast, and floods along the Southern Gulf states. If your heat lasts much longer, you could

see these conditions endanger the harvest of your crops. Farmers may have to irrigate their fields if they have a cheap source of water. Pray for your farmers that they receive enough rain to keep their crops green. Pray also for souls to be converted after My Warning. If your souls are lacking My grace, then they could be dry and parched from the heat of the devil's temptations. Call on Me and My angels to defeat the demons, and put My angels' shields of invisibility all around you for your protection."

August 18, 2016
Wednesday, August 10, 2016: (St. Lawrence)
Jesus said: "My people, in the Gospel it speaks about a grain of wheat that can only grow into a plant in the ground unless it dies. This means that each person must die to yourself, in order to give your life over to My service. This is not easy to give control over your life to Me. It means making sacrifices each day which could take you out of your comfort zone to help people. You trust in Me to provide for all of your needs, but sometimes other people depend on you for help. You need to be generous in helping others without being selfish. Remember that all of your donations are storing up treasure in heaven. So do not dismiss someone who is in need, when you can help them. When you help your neighbor, you will be helping Me in them."
Jesus said: "My people, this thin gold thread represents how delicate and vulnerable your life is on this earth. You may have lived for many years without too many serious threats to your life. Yet, some people have sudden heart attacks, or some have cancer and die in a short time. Your very life can be taken away in a car crash, or an airplane accident. You do not know how long you will live, or how you will die. This is why you have been doing your Masses of reparation for those people who die quickly in natural disasters, without having any preparation time for their judgment. Since you do not know when, or how you will die, it is prudent to come to frequent Confession at least once a month. By having a pure soul as much as you can, then you will be prepared to meet Me at your judgment, whenever I call you home to Me in death. Some souls are lost because they ignored Me in life. Unless a soul accepts Me as Lord of his or her life, it is hard to be saved, except if a prayer warrior is praying for that soul to be saved. Remember how vulnerable your body is to dying, so you can be ready to meet Me with a pure soul."
Jesus said: "My people, when people die, they see a review of their whole lives

with both the good and the bad things that happened in their lives. After this review they are faced with My judgment to heaven, purgatory, or hell. I give every person one last opportunity to love Me as their Savior, and accept Me as their loving God. Those people, who refuse to love Me, and refuse to repent of their sins, are choosing hell by their own free will. Some souls show a spark of love, and they need to be purified in purgatory. Very few souls are holy, or have suffered their purgatory on earth, and are accepted into heaven. There are other life reviews where people have near death experiences, and others will be gifted with My Warning experience with a life review experience. At the Warning all living souls will have a life review outside of time, and outside of their bodies. The mercy of My Warning is that those people will have a second chance to improve their spiritual lives before their death review. These people will have a mini-judgment to see where they would be judged on their life based on their actions. Those people, who may be judged to hell, will have a second chance to improve, but they will experience what hell is like. Those souls, who do not change or improve, once they are back in their bodies, will keep the same judgment as their mini-judgment. After the Warning My faithful will have a chance to convert those souls who are away from Me. So be prepared for your death or My Warning, by having a pure soul with Confession, so you will be ready to meet Me at your judgment."

August 18, 2016
Thursday, August 11, 2016: (St. Clare)
Jesus said: "My people, all of you are sinners, even if you do not want to admit it. I am a merciful God, and look how many times I have forgiven people in Confession. I will always forgive a repentant sinner, no matter how serious the sin is. Today's Gospel is making a point of how many times you need to forgive people. You need to forgive people more than a few times, but even all of the time, if you are seeking to be perfect as your heavenly Father is perfect. It is hard for man to forgive his family members, let alone others. I am even requesting that you forgive your enemies as well. When you hang on to grudges or unforgiven offenses from someone, it holds you down and can stifle your life. So you need to let these things go, so you can get on with your life. My faithful also need to ask others for forgiveness of any harm that you might have done to them. You also should be able to forgive yourself for bad behavior, and then learn from your mistakes so you do not repeat them. Many of you have habitual sins, and it

takes spiritual will power to change your ways. Do what you can to avoid any occasion of sin, and call on My grace to live a holy Christian life."
Prayer Group:
Jesus said: "My people, I am showing you a set of steps which represent the steps for a martial law takeover. The first step is to weaken your military defenses, especially the protection of the mainland. The second is to invite UN foreign troops into your bases. Another is to prepare detention death camps to eliminate those people who are blocking the new world order. One step is to control people through chipped documents, and eventually chips in the body to control people like robots. Other steps are to break down the family and a love of God. If you are an astute observer, you can see that martial law could take over America at any time. Pray for your sinners, but your punishment is about to be carried out."
Jesus said: "My people, you have evil ones around you, and I will not leave you orphans or defenseless. Before the evil ones can implement their planned takeover, I will bring My Warning, and I will warn My faithful when it is time to come to My refuges of protection. Your guardian angels will lead you to My refuges, and they will shield you from the evil ones. My refuge builders have prepared food, water, bedding, and fuels for heating. I will multiply your food, water, and fuels for your survival. Angels will protect you, and they will only allow people with crosses on their foreheads to enter My refuges."
Jesus said: "My people, I have mentioned this problem before about your computerized voting machines that may have been fixed so only one candidate could be tallied. To keep your elections fair, these machines should check the tally with the paper ballots after the vote is taken. Only those registered in a district should be allowed to vote with their signature to match the voting record signature. If you allow other votes, you are encouraging fraud. Without a fair election, only the one world candidates will be allowed to win. Pray for your country, but expect another fixed election as you have had in the past."
Jesus said: "My people, in World War II you saw how the Nazi Germans tried to cleanse all the Jews, religious, and anyone against them by killing them in gas chambers at the death camps. Today, you are about to see another holocaust to remove Christians, and anyone against the new world order. There are hundreds of detention camps all over your country, equipped with gas chambers and crematoriums. They were built to be used in the coming takeover of America. The evil ones will cover this up, but there is plenty of evidence of their evil plans for takeover. Be prepared to come to My refuges of protection. Soon I will bring

My victory over all of these evil ones."
Jesus said: "My people, for many years you have fought wars to be free of dictators like Hitler. The evil ones, who worship Satan, have infested your land to break down your families and your worship of God. By your abortions, drugs, pornography, and many other distractions, you have fallen away from your faith in Me. You have allowed the one world people to control your leaders, and now it is almost impossible to take back your country. Be prepared to trust in Me in prayer so I can protect you. You will face a short tribulation before I bring My victory."
Jesus said: "My people, I have warned you that soon it will be difficult to buy any food at your stores. You will be seeing a controlled food distribution by chips that will create an artificial famine. Eventually, chips in the body will be necessary to buy food. Refuse chips in the body because they will control your minds and your free will. You will need your stored extra food at first that you store in your homes. Later, you will need to come to My refuges for your food and My protection."
Jesus said: "My people, some people do not believe that your country is about to be taken over. These disbelievers need to talk to people who had their country quickly taken over by the communists. Before any takeover, the evil ones hide their intentions with lies and cover stories, even as you are being deceived by your media. You need to trust in Me to protect you every day, and I am giving you My prophets to warn you of the coming tribulation."

August 18, 2016
Friday, August 12, 2016: (St. Jane Frances de Chantal)
Jesus said: "My people, today's Gospel speaks about divorce when I was asked about why Moses allowed a writ of divorce. There is a first consideration if the marriage is valid, and if there were any impediments as not bringing up the children in the faith, or even having children. When people get married, they should be focused on a life long commitment to making the marriage work over the years. You are not married just for pleasure, but you are marrying the whole person, body and soul. This is why it is best to be both in the same faith with a strong belief in Me. I have mentioned before that a couple who prays together, will have a more successful marriage. A love of spouses is needed where one spouse should not overly dominate the other. You need compromises so you each are trying to please the other in everything, as much as possible. With prayer and

true devotion to each other, marriages can last a long time. Your focus should be always to love the spouse, and avoid any thoughts of divorce over any small inconveniences. Just as I love all of you forever, married couples should also try to love each other as long as possible."
Jesus said: "My people, as you see people walking around on your main streets, you do not see them as I see them. A good share of these people are walking around with black souls of mortal sin. You have difficulty looking at certain politicians, but imagine how hard it is for Me to see people who do not know Me in love with their black souls. Those souls, who love Me, warm My heart, but other souls love themselves and their idols of money, possessions, and sports. I am the Creator of all men and women, but only My faithful acknowledge My love and My Kingship. This is why I will bring My Warning to wake up all sinners to show them that they can only come to heaven through Me. They will be shown their life review, and they will have My mini-judgment of their lives. Some people with these black souls will actually feel and see what hell is like. They will be put back into their bodies to have a second chance to repent of their sins, and accept Me as their Savior. Some people will be converted in the Warning, but others will refuse to love Me because they love their sinful pleasures more than Me. I am asking My prayer warriors to pray for poor sinners, so some of them could be saved from hell."

August 18, 2016
Saturday, August 13, 2016: (St. Pontian & St. Hippolytus)
Jesus said: "My people, I am showing you a monastery where the monks live a monastic life of prayer and silence. Today's Gospel calls on you to have the innocence and the humility of a child who is dependent on his or her parents. You are also My children, and you are dependent on Me for everything. I want My faithful to take time out for Me in silent contemplative prayer each day, to honor your Lord, and listen to My words of instruction. If you are quiet and listen to your heart, I will instruct you what I want you to do each day. You remember the words of My heavenly Father on Mt. Tabor: 'This is My beloved Son, listen to Him.' You can listen for My words in the readings and the Gospel. Even your guardian angel is guiding you what to do. I love all of My people, and I am calling all of you to know, love, and serve Me by helping your neighbors. Do everything out of love for Me, and you will be on the right path to heaven. Pray for your children, and help guide them to heaven, even after they leave your

home."
Jesus said: "My people, I want you to be aware of doing your corporal works of mercy. Whenever one of your friends or family are in the hospital, you need to make an attempt to visit them, and pray over them. In other times when your friends or relatives have a death in the family, you need to come to the funeral to pay your respects. Pray for the deceased with a Chaplet of Divine Mercy for his or her soul, and have a Mass offered as well. You need to comfort the family with your presence, and put your heart into your good deeds. You may even be called to pray for the prisoners in prison, or to comfort some elderly friends or relatives. By doing all of your corporal works of mercy, you are storing up treasure in heaven. You have also been active in your food shelf work to help feed the poor. You have demonstrated against abortion before Planned Parenthood abortion centers, and in Washington, D.C. on January 22. Life is so precious and you need to defend the unborn and to fight against euthanasia. I bless all of My faithful who are trying to save lives, and to save souls from the evil ones."

August 18, 2016
Sunday, August 14, 2016:
Jesus said: "My people, this vision I am giving you is like a miracle of My grace that I could touch people's hearts with so much joy that people would walk out of a football stadium game and into a church with Mass. This is how I wish My love through the Holy Spirit could touch people. In reality I have given all people a free will to choose to love Me, but I do not force people to do so. It is this choice of loving Me or not, that may appear to be a division, but it is really how people choose to live. When people have a strong faith in Me, they are loving Me, and loving their neighbors in their actions. When you are on fire in My love, you want to share your love with everyone, even with those people who are not with Me. It is this love that gives you the desire to even share your faith, as you try to evangelize people who are open to My Word. I give all of My people the grace for evangelizing at your Baptism and Confirmation. So when you listen to today's Gospel, let the fire of the Holy Spirit come into your hearts and souls. America needs a spiritual renewal, and it is through your prayers and actions that you could set your country on fire with My love. Peace be with you, even amidst all of your divisions."

August 18, 2016
Monday, August 15, 2016: (The Assumption of Mary into heaven)
Our Blessed Mother said: “My dear children, the Church is honoring my feast day today as I was graced by Jesus to be assumed into heaven. I love all of my children, and you honor Me, but you worship my Son, Jesus. My Son and I are joined as one in our two hearts. The priest is right that I was sinless, and I did not suffer all the consequences of Adam and Eve’s original sin. One of these consequences is death in the grave, but Our Lord did not allow me to suffer corruption in the grave. Instead I was assumed into heaven with body and soul. In the reading it said that death will be the last enemy that my Son will conquer. All of heaven is rejoicing on my feast day. On the last day of judgment, my faithful children will also be joined with their body and soul. I commend your priest for giving respect to my Son by giving Holy Communion on the tongue and the people were kneeling. This also honors my Son’s Real Presence in the consecrated Host. There have been attempts to take away the reverence for the Blessed Sacrament. So stand up for your beliefs in the Church’s teachings. Continue to pray your daily rosaries, and wear my scapulars of protection.”
Jesus said: “My people, this is a special feast of My Blessed Mother’s Assumption into heaven. In the Gospel you see St. John the Baptist stirring in Elizabeth’s womb to announce My coming. I was present in My Blessed Mother’s womb to greet St. John. I chose My Blessed Mother from all women, and I prepared her to be free of original sin. She also was sinless in life, and she was the perfect Ark of the Covenant so she could carry Me for nine months. Our hearts are always joined as one, and it was her fiat ‘yes’ that made her My co-redemptrix for the salvation of all humanity. She is the most Blessed Mother to live in My Divine Will without sin. This is why she is a perfect model to follow, so she can lead you to heaven through Me. She is also a perfect intercessor for your petitions because I always listen to My Blessed Mother’s requests for prayer. She offers you to pray the fifteen decade rosary each day which is modeled after the 150 Psalms. She also offers you her protection with wearing her scapular, and she will help you to gain heaven after your death. Give honor to My Blessed Mother for saying ‘yes’ to St. Gabriel to be the handmaid of the Lord.”

August 18, 2016
Tuesday, August 16, 2016: (St. Stephen of Hungary)
Jesus said: “My people, I have told you in previous messages how America will be punished with natural disasters because of your abortions and your sexual sins. Now, you are reading of the current floods in Louisiana that have flooded thousands of homes, and even some people have died as well. Other places as California and the Northeast, are suffering from severe droughts as your crops are at risk. As time moves on, you could see more natural disasters, and a possible martial law could be declared if enough people are affected. Keep praying hard for your country so the people could repent, and prevent a takeover of America. If your people do not repent, and do not change their ways, then you could see a takeover of America.”

Wednesday, August 17, 2016:
Jesus said: “My son, I am happy that you are going out to many places to spread My Good News. This car in the vision is how you travel to places closer to your home. You are also pasturing My sheep when I have so few working for Me in My vineyard. I am affirming, My son, that you need to have a physical and spiritual rest for all of your traveling and talks. You have read in the Gospels how I went off into the mountains to gather My physical rest after giving My sermons. I also wanted to be close to My heavenly Father in prayer so I could rest spiritually as well. This is why you need to make it a priority in your life to make time for Me in prayer. You can only find true rest and peace in Me in your prayer time. Sometimes it is good to go on retreats to strengthen your spiritual life, and to give your body rest from your busy schedule. You remember the Bible quote: ‘Come to Me, all you who labor and are burdened, and I will give you rest. Take My yoke upon you, and learn from Me, for I am meek and humble of heart, and you will find rest for your souls. For My yoke is easy, and My burden light.’” (Matt. 11:28-30)
Jesus said: “My people, there will be one last World War that could start the Battle of Armageddon. This will involve millions of troops from many nations.

Many will die in this battle, but My forces will prevail over the evil ones. As this battle comes to a close, I will then bring My Comet of Chastisement that will be My victory over the evil ones. I will protect My faithful from the Comet and the evil ones. All the evil people and demons will be cast into hell during the three days of darkness. I will renew the face of the earth, and it will look like the Garden of Eden. I will bring My faithful into My Era of Peace, and you will live a long time as you are prepared for heaven. Rejoice that I will show you My power, which is greater than all the evil ones. Keep your souls pure so you are ready for My Warning, and your judgment."

Wednesday, August 17, 2016:
Jesus said: "My son, I am happy that you are going out to many places to spread My Good News. This car in the vision is how you travel to places closer to your home. You are also pasturing My sheep when I have so few working for Me in My vineyard. I am affirming, My son, that you need to have a physical and spiritual rest for all of your traveling and talks. You have read in the Gospels how I went off into the mountains to gather My physical rest after giving My sermons. I also wanted to be close to My heavenly Father in prayer so I could rest spiritually as well. This is why you need to make it a priority in your life to make time for Me in prayer. You can only find true rest and peace in Me in your prayer time. Sometimes it is good to go on retreats to strengthen your spiritual life, and to give your body rest from your busy schedule. You remember the Bible quote: 'Come to Me, all you who labor and are burdened, and I will give you rest. Take My yoke upon you, and learn from Me, for I am meek and humble of heart, and you will find rest for your souls. For My yoke is easy, and My burden light.'" (Matt. 11:28-30)
Jesus said: "My people, there will be one last World War that could start the Battle of Armageddon. This will involve millions of troops from many nations. Many will die in this battle, but My forces will prevail over the evil ones. As this battle comes to a close, I will then bring My Comet of Chastisement that will be My victory over the evil ones. I will protect My faithful from the Comet and the evil ones. All the evil people and demons will be cast into hell during the three days of darkness. I will renew the face of the earth, and it will look like the Garden of Eden. I will bring My faithful into My Era of Peace, and you will live

a long time as you are prepared for heaven. Rejoice that I will show you My power, which is greater than all the evil ones. Keep your souls pure so you are ready for My Warning, and your judgment."

Thursday, August 18, 2016:
Jesus said: "My people, I call all of My people to obey My Commandments and My decrees. You have free will to obey Me or not, but you will suffer the consequences of your sins. In the Gospel the man found without a wedding garment was bound and thrown outside to gnash his teeth. If you die with mortal sin on your soul, you are at risk to be judged to hell. So come to Confession so you can have a pure soul, and you will be properly dressed for My Wedding Banquet. In the last sentence you read how many are called to the Wedding Banquet, but few are chosen. By loving Me and following My Commandments, you can be one of My chosen disciples. In the last sentence of the first reading I told the Israelites that I would be their God, and they will be My people. In the New Testament I am the cornerstone, but the builders rejected Me. So I formed My Church on St. Peter, and the gates of hell will not prevail over My faithful remnant, who are My chosen people, and I will protect them at My refuges. Trust in your Savior and follow Me, and I will bring My faithful to My heavenly Wedding Banquet."
(Funeral Mass for Helen Rosenthal) Helen said: "I am overjoyed to be standing in line for the best dinner of all with Jesus at His Wedding Feast. This Mass enabled me to come to heaven. I was happy to see my fellow Carmelites at my funeral. I love all of my family, and I will be praying for them and watching over them. I thank all of my family and friends for coming to my funeral Mass. I thank Jesus and the Blessed Mother for all they have done for me in my life on earth. I hope to see all of you again one day when you come to heaven."
Prayer Group:
Jesus said: "My people, you are aware of the Book of Revelation, and there are various groups of seven objects (7 churches, 7 seals, 7 trumpets, 7 signs, and 7 bowls) that reveal the progression toward the coming tribulation events. For your homework I want you to look up the seven scrolls with the seven seals of Revelation because these events are about to be opened. I will give you another message to reveal their contents so you can share what is coming upon

mankind." (Revelation chapters 6 and 7)
The seven seals are war, strife, famine, pestilence, martyrs, stars falling from heaven, sealing of God's servants on the forehead.
Jesus said: "My people, you are aware of the severe droughts you have been having in California. Because of this dry bush and some arson fires, you are seeing tens of thousands of homes having to evacuate due to many severe fires. It is hard for many families to return to their burned out homes. These people were losing lives, jobs, and their homes. The winds have made it difficult to contain these fires. Pray for rain and less wind so the fires could be brought under control."
Jesus said: "My people, in the Gulf area you have seen a circling low pressure that was equivalent to the rain of a hurricane. The rain storms stayed over Louisiana long enough to create some historic flood levels that have taken lives and tens of thousands of homes. The devastation is so bad that it will take a major effort to restore this area to normal again. Pray for donations and prayers for these people to start all over. These natural disasters are part of America's punishment for your abortions, euthanasia, and gay marriages. Pray for your people to see the need for prayers and repenting."
Jesus said: "My people, more information is being revealed about the email details of your Democratic candidate. I have mentioned before that more revelations from these emails could endanger this candidate's credibility. It is unknown what will happen if this candidate was removed from the election. A surprise candidate could replace the current candidate. The one world people are intent on creating a martial law so they could take over America and bring about a North American Union. Be ready to leave for My refuges, if you see a martial law or mandatory chips in the body. Have trust in Me that I will protect you at My refuges."
Jesus said: "My people, I have been warning you for some time that you need to store some extra food and water for a coming world famine. Your natural disasters and mandatory chips in the body will cause a famine in America. Without these chips you will not be able to buy food. I will multiply your food pantries so you will not starve, and you will not need chips for food because you will be at My refuges. When your lives are in danger I will help you with My angels to get to My refuges, and I will bring My Warning."
Jesus said: "My people, when people come to My refuges, they think all will go smoothly, but at first it will take a while to calm the people down, so they can work together for their survival. People will be assigned jobs to help with

bedding, meals, water, and the multiplication of your food and fuels. Storage of your refuge items and space for the people will be needed. If necessary, My angels may have to expand your living quarters to provide for more people than you expected. Trust in Me that you will have food to eat, water to drink, beds to sleep on, and clothes to wear."
Jesus said: "My people, at My refuges My angels may have to finish or build more buildings to accommodate all the people who will come to your refuges. Keep in mind that only the people who have crosses on their foreheads, will be allowed into your refuges. You may need to make more tables for eating, more beds for sleeping, and more outhouses for your needs. With all of this construction and building going on at your refuges, it may take a short time for people to adapt to their new homes and your angel protection. I will calm people down with My Eucharistic miracles, and you will have a place for perpetual Adoration. Pray that your people will see the need to be satisfied with less accommodations than they had at their homes. You will also see the need for a better prayer life."

Friday, August 19, 2016: (St. John Eudes)
Jesus said: "My people, you have two meanings in this vision where a pan of bread was baked to a black crisp. The first meaning is that the unusual heat of this summer has combined with little rain, and your crops are drying out to a crisp as well. The second meaning is that your souls were once with Me and they were full of grace. Now, your sins are like scarlet, and they have become so perverted that there are many souls who are black with mortal sin. When your fields of crops dry up, are burned by fire, or are flooded, then your food supply can be affected. This could be the beginning of a world famine when the best fields for producing wheat and corn are not producing what is needed. Keep a watch on your food supplies because this is critical for your survival. Trust in Me to provide for your needs."
(Isaiah 1:18-20) "Though your sins be like scarlet, they may become white as snow; though they be crimson red, they may become white as wool. If you are willing, and obey, you shall eat the good things of the land; but if you refuse and resist, the sword shall consume you: for the mouth of the Lord as spoken."
Jesus said: "My people, you are well aware of prayer groups praying for people's

souls to be saved. You may not know too much about the covens of witches and warlocks that have their own occult meetings. They pray to Satan with curses and spells to try and bring souls to hell. They use horoscopes and meet on full moons because they worship the moon and the sun as gods. For everything that Christians do, these occult members do the opposite. You have Masses with the priest, but the evil ones have black masses to desecrate My Blessed Sacrament, or they have human or animal sacrifices. You have prayers on the rosary beads, and they have cosmic beads with curses and spells. You worship the Blessed Trinity, and they worship Satan, the Antichrist, and the False Prophet. You pray for the souls of the dead, and they have seances to call up the spirits of the dead. You have My Bible, and they have the Satanic verses. My faithful need protection from the demons, and the evil people who try to cast spells and curses on you. My power is greater than the demons, so call on Me, and I will send My angels to protect you."

September 6, 2016
Saturday, August 20, 2016: (St. Bernard)
Jesus said: "My people, you have had small wars with ISIS in Syria and Iraq, but I am preparing you for a larger World War that would be a major battle involving many nations. This battle will even involve demons and My angels supporting the troops. This unusual vision of what appears to be robots, or men dressed in metallic colored outfits, represents the high technical warfare that will occur. Just as your police use robots to disarm bombs, you will see a larger use of robots, or robotic arms and legs on the military people. You could even see tactical nuclear weapons and EMP (electromagnetic pulse) weapons in use. Some armies may use chemical weapons as well. I told you that many people would die in this massive war. This will be the Antichrist' brief reign, but I will bring My victory with My angels and My Comet of Chastisement. All the power of the evil ones will be overwhelmed by My power, and My angels will cast the demons and the evil people into hell. You will rejoice when I will bring My faithful into My Era of Peace."
(4:00 p.m. Mass) Jesus said: "My people, it is not enough to call out Lord, Lord to be saved, but you need to develop a personal love relationship with Me. Show your love for Me in your actions, and not just in your words. By helping your neighbor in good works, then you are putting your love for Me into action. It is

better to pray to Me daily to show Me that you want to talk to Me, and ask your petitions. If you pray, come to Mass on Sunday, and help your neighbor, then you will know and love Me. Those people, who only give Me lip service, are not sincere in trying to know Me, but they just want Me to give them things. So when these lukewarm souls come to My gates to try and enter heaven, I will turn them away as evildoers who I do not know. I am love and I give everyone the ability to love Me and your neighbor. When you ignore Me and worship the things of the earth, how am I to see the proof of your love? I call on all souls to repent of their sins, and to accept Me as Master of their lives. These are My conditions to come to heaven. If you do not show Me love and do not obey My Commandments, you are not ready for heaven. Love for Me and your neighbor needs to be in your heart as the first step to heaven. Until people love Me and repent of their sins, they will be just another black soul that will not be allowed into heaven, and will be cast into hell."

September 6, 2016
Sunday, August 21, 2016:
Jesus said: "My people, many of you are locked in your habits of your activities, and you do not go outside of what you know. All of My faithful people have been given gifts of faith and love of their Lord. Do not just keep your joy of faith to yourself, because you need to share My love with everyone, even if it takes you out of your comfort zone. I told My apostles to go out to all the nations and share My Good News. Some of you are called to be My missionaries, but even if you do not go too far, you can still make some sacrifices to share your faith with others. My love inspires you with My peace in celebration of My Gospel. There are many people who do not know My love, and you are called to invite non-believers to come to My heavenly Banquet at Mass to share My Eucharistic joy in their hearts. Once people are converted, and they feel My Real Presence, they will thank you for inviting them to Me. I tell you to love one another as I have loved you."

Monday, August 22, 2016: (Queenship of the Blessed Virgin Mary)

Jesus said: “My people, about a week ago you celebrated My Blessed Mother’s Assumption of body and soul into heaven. Today, you are celebrating her Queenship as she was crowned as Queen in heaven. This is another glorious celebration in heaven. I know that you have a May crowning of My Blessed Mother’s statues, but her proper order to be crowned, comes after her Assumption. My Blessed Mother plays a large role in your salvation because she gave her ‘yes’ or fiat to carry Me in her womb for nine months. Because she was made ‘Blessed’ among your people, she is more than worthy of her Queenship title. Sometimes you give titles of temporary fame to people, but My Blessed Mother’s Queenship is an everlasting title of distinction, and not of fame. I want you to honor her as your best intercessor for prayer intentions. This is why you have pictures, icons, and statues to remember Me and My Blessed Mother.”
Jesus said: “My people, I am showing you a rich looking hotel where the G-8 people were meeting in secret. They were making plans how to crash the dollar, and replace it with a gold backed currency called SDRs or Special Drawing Rights. This will be an electronic currency that would require chips in the body to complete any transaction. A gold backed currency would attract more investors, and soon the debt backed dollar would become worthless. Many rich people are already using their dollars to purchase value assets that keep their value like gold, silver, diamonds, artwork, and land. When the dollar crashes, all dollar backed assets would also become worthless. Your markets would crash and your stores would be cleaned out by thieves. Such a major event would cause riots in the streets, and precipitate a martial law. If you see the banks close and the dollar lose its value, then it will be time to come to the safety of My refuges. Many will lose what money they have in bankruptcy, but the rich and those people who have value assets, will not lose anything. See this coming martial law as another reason to be ready to leave for My refuges.”

Tuesday, August 23, 2016: (St. Rose of Lima)
Jesus said: “My people, you are seeing in the vision how a stream of water can be used to turn a water wheel which can help grind the grain into flour. There is a millstone that can grind the wheat, so there are two thoughts in this vision. The first is about the millstone: ‘Whoever causes a little child, who believes in Me to sin, it were better for him to have a millstone hung around his neck, and to be

drowned in the depths of the sea.' (Matt. 18:6) The second thought is about the flour that can be made into the unleavened Host for Mass. 'If anyone eats of this bread, he shall live forever; and the bread that I will give is My Flesh for the life of the world.' (John 6:52) This is a difficult saying to eat My Body and drink My Blood. When the bread and wine are transubstantiated into My Body and Blood at the Consecration of the Mass, this is a miracle to have you receive My Real Presence. Then I gave a further explanation: 'Amen, amen, I say to you, unless you eat the Flesh of the Son of Man, and drink His Blood, you shall not have life in you. He who eats My Flesh and drinks My Blood, has life everlasting, and I will raise him up on the last day.' (John 6:54-55) This is why you are called to worship Me at Sunday Mass, but also you can receive Me in Holy Communion to unite your life and Mine in the Holy Spirit. I give you the grace of My Eucharist to strengthen you against sin, and to heal any effects of your sins." Jesus said: "My son, you need to be more careful with objects that could be stolen from your cars, and having locked doors at your house. These devices are helpful in finding places for your talks when you are driving. I also want to calm any of your apprehensions of danger on your trip to Mexico. When you go in faith and trust to give My messages to the people of Mexico, I will send angels of protection to provide for your safety. Do not be afraid, but continue on as you talk in many other places. Be at peace in your soul, and the Holy Spirit will lead you in what words to say. You are happy to finally visit My Blessed Mother's Shrine of Guadalupe in Mexico City. She is waiting to share her graces with both of you, once you arrive at the shrine."

September 6, 2016
Wednesday, August 24, 2016: (St. Bartholomew)
Jesus said: "My people, there are many Catholics that do not even attend Sunday Mass, let alone coming to weekday Mass. You have some people who are spiritually lazy, and they know that they should be coming to Mass on Sunday. You need to pray for these lukewarm Catholics to wake up to how much they need Me in their lives. There are faithful souls who love Me so much, that they go out of their way to find time to be with Me at daily Mass. These souls are coming without being forced, but they are coming out of love for being with Me in My Blessed Sacrament. The same can be said for those souls who take time to come and visit Me in My tabernacle, or in Adoration of My Blessed Sacrament

with the Host in the monstrance. These souls are My prayer warriors, and they are devoted in helping people with prayers and good works for people. They will receive much treasure in heaven for their love of Me and their neighbors. Your priest made a good point in his homily that My people need to share their faith experiences, even in difficult moments when they are being tested. Life's experiences test all souls, but it matters how you respond lovingly to life's challenges. Do not let anger for justice consume you, but keep My love in your heart so you can share it all of the time. By trying to imitate My life of love, you can put aside the temptations of the evil one."
Jesus said: "My people, this show of spears represents the many weapons made by your defense contractors. There are heavy politics in what companies get chosen for contracts, and in what election districts the companies are favored. Some of these companies sell planes and guns to foreign countries. If you followed the money, you would see arms are sold to both parties in any wars. The one world people encourage wars, and then they sell weapons to both sides. It is almost like blood money that these companies are making profits on wars. In some wars the weapons continue to kill more people with more powerful explosives. This plan of causing wars is another means for Satan to reduce the population. Beware of your industrial defense complex that makes many kinds of deadly weapons. Weapons are being made abroad as well with factories in other countries. Your country spends the most on your Defense Budgets, but your military is being restrained in protecting your mainland. Keep praying for peace and less conflicts among the world's nations."

September 6, 2016
Thursday, August 25, 2016: (St. Louis)
Jesus said: "My people, the people who were crushed or trapped under concrete debris suffered either an instant death, or one of suffocation over time. A few people were freed, but a few hundred people died under the ruble. Several towns were leveled from an earthquake in Italy. The people there lost everything, and it will be hard to rebuild or find shelter. They need prayers and assistance with food and water. Natural disasters are happening in various countries, but it is hard for the people to get back to a normal way of life. Continue praying, and have Masses of reparation offered for the souls who die suddenly, without time to prepare for their judgment."

Prayer Group:
The Blessed Mother said: “My dear children, I invite many faithful souls to come and visit my basilica near Tepeyac Hill in Mexico. You will see crowds of reverent people as they honor my image at Guadalupe on St. Juan Diego’s tilma. My son, you have not had an opportunity to visit my shrine at Guadalupe, but now the way is clear for you to make that visit. You are familiar how the Indians stopped offering up their babies to the gods when they saw this miracle of my picture on the tilma. Now, years later you are killing millions of babies in the womb by abortion. I am your inspiration to fight abortion, and try to convince women not to abort their babies.”
Jesus said: “My people, you have read of a meeting coming in September in Jerusalem that will be a joining of all religions together. There are various organizations who want to form a one world religion which is a violation of My Church’s teachings that should not be changed. See this one world religion as misleading people beyond any ecumenical movement. The Antichrist is behind the new world order, and he wants to control all religions. Avoid such a one world religion because it is against My teachings.”
Jesus said: “My people, you are seeing the death toll growing, and how hundreds of people were injured. As you watch rescue workers trying to clear the debris, only a few live people have been found. This is a huge disaster that has not discovered the extent of how many people were affected. Pray for the mourning of the dead, and for people to find shelter, food, and water.”
Jesus said: “My people, there are some instances where you have seen young children physically abused and controlled by demons. Even when priests have prayed over these children, they are still seeing attacks. I want My children and priests to use blessed salt, holy water, and blessed sacramentals to be placed on or near these children. In some severe cases you may need rigorous fasting, and the long form of the St. Michael prayer for deliverance. You can also pray the binding of evil spirits to the foot of My cross in My Name, Jesus. You can also call on Me, and I will send My angels to combat these demons. Trust in My power when you fight addictions and possessed people.”
Jesus said: “My son, you need to remember the poor and the hungry who do not have food to eat. Your food shelves are your last resort for people who cannot get food stamps or help from your welfare programs. You saw the faces of the people that you brought food in your work. Even if you cannot do this now, you can still pray for the hungry, and make financial donations to your food shelves.”
Jesus said: “My people, there are many disasters all over your nation where

people, who lost homes, need help for homes, food, and water. It is hard to get donations to the people, who need immediate help, but pray and do what you can to help your own countrymen and women. It takes many years of work to heal these damaged communities. Pray that your first responders and government agencies can get help to these people in need."
Jesus said: "My people, you have seen a long hot summer with record high temperatures, and droughts with little rain. Your farmers have suffered lost crops when they could not get enough water to keep their crops alive. Another problem with droughts is that lightning and arson can cause fires that burn up woodlands and destroy homes. Again you need to pray for any firefighters who were killed, and pray for the people who lost their homes in the fires. It is not easy to start all over, but some people have had no choice."

September 6, 2016
Friday. August 26, 2016:
Jesus said: "My people, before you bring your gift to the altar, you need to go and seek the forgiveness of those people who you have harmed or insulted. Once you have made a proper preparation for Mass with a good Confession, then you can come and share My Eucharist at the banquet table. If you remember the Gospel reading, the wise virgins were prepared for the wedding feast because they brought oil for their lamps. The foolish virgins did not bring oil for their lamps. So when they went to buy the oil and returned, the door to the banquet was shut, and they could not enter. So it is for the people who live good lives and follow My Commandments. They repented of their sins, and I will welcome such faithful into heaven at My Banquet. Other people have not repented of their sins, and they come to heaven with empty hands, and without any good works. When these people call Lord, Lord at the gates of heaven, the door to heaven will be closed to them because they did not confess their sins, and they did not make a proper preparation for their judgment. Such lukewarm people I spew from My mouth, and they are on the road to hell."

September 6, 2016
Saturday, August 27, 2016: (St. Monica)
Jesus said: "My people, I do not want My servants to boast of their status, their

wealth, or their intelligence. You need to treat all people equally because I see all souls as very valuable. You are so valuable to Me that I suffered death on the cross to offer all of you an opportunity for salvation. So do not discriminate between people, who are poorer than you, or have less intelligence, or are different from you in any way. You are all My children that I love. The Gospel is another opportunity to learn about how to live a good Christian life. I give all peoples various talents or gifts to provide for earning their living. Some may have more gifts of learning, but they have a higher responsibility to use their gifts properly. Some have lesser gifts, but they still are called to work hard for their wages. Some people are disabled, and they need the help of others. But there are some people who are lazy, as the man who buried his master's money. You are called to make something of your life without wasting all of your time. You should be able to work for a living to support your family, and be ready to help your neighbor with good works. You were given talents to use them, so work to serve Me and your neighbors. Those people, who waste their talents, will have to account for their actions at their judgment."
(7:00 p.m. Sunday Mass) Jesus said: "My people, there are some people who like to sit in places of honor, even if they are not worthy. Others strive to be famous and rich so they can show off expensive cars and expensive homes. My faithful people, I want you to live a humble life, and be satisfied with your station in life. Fame is fleeting, and it is more important to strive for the higher places in heaven, because when you are in heaven, it is for all eternity. Those people, who exult themselves, will be humbled, but those people, who humble themselves, will be exulted. Trust in Me because you are worth more than a flock of sparrows, and I will see to all of your earthly and spiritual needs."

September 6, 2016
Sunday, August 28, 2016: (Mass with Cardinal Norberto Rivera)
Jesus said: "My people, I know you will always have the poor with you, but you need to respect them as your neighbors, and love them for My sake. Pray for them to have food to live and a place to stay. When possible, give donations to your local food shelf and worthy organizations who help the poor. As you witnessed the beautiful Mass of Cardinal Norberto Rivera, you also witnessed the love of the Mexican people that they have for Me and My Church. I love all the people of Mexico, as I love all the peoples of the world.
When you arrived at the Cathedral, you saw native Indian people with drums.

You thought it was entertaining at first, but later you saw dancing with incense being given to spirits you did not know. If they do not give worship to Me, then they are worshiping the evil spirits that you should avoid. Such worship is bringing evil among the people. Pray for My angels to protect you from such evil. You would be better to erase such evil worship from your cameras so you do not bring evil into your homes or into your mission."
Jesus said: "My son, you just saw a thief that wanted to steal your purses, but you saw him in time, so he went away. It is one thing if a thief steals your possessions that can be replaced. It is another thing if you see demons trying to steal your soul that cannot be replaced. These demons try to get you involved in addictions so they can control you, and make you weak to more serious sins. Do not let anything earthly control you, but instead you should be dependent on Me for everything. You need to stop any addictions before they can control you, so do not start them. When you feel like you are being attacked by evil spirits, then call on Me, and I will send My angels to defend you. Be on your guard at all times so you can avoid any demon that is trying to steal your soul from Me. I am your Lord and Master, and you should only worship Me, and be dependent on Me every day."

September 6, 2016
Monday, August 29, 2016: (Beheading of St. John the Baptist)
Our Blessed Mother said: "My dear children, I am happy that you all are coming as pilgrims to visit the site of my apparitions to St. Juan Diego. I told you in a previous message that I would shine my Son's graces on you to strengthen you in fighting your daily temptations. I want you to enjoy the beautiful gardens and basilicas here that the people have built in my honor and at my request. I am also showing you a sign of the coming persecution of the Church with this large crucifix on fire. You are aware of some people who are against your country when they desecrate your flag by burning it. So in this vision a time is coming when evil people will burn my Son's crucifix, and they will destroy anything that is holy. They will also burn or destroy your churches, and they will try to kill all Christians. The angels will guide you to safe places of refuge at that time. At this shrine my Son will have the angels protect the faithful from those evil ones who want to kill you. Give thanks and praise to my Son because he will protect you at all of our shrines. I will pray for all of you, and for your protection on your pilgrimage."

Our Blessed Mother said: “My dear children, I am giving my blessing to all of the pilgrims, and to all the people of Mexico. I am the Blessed Virgin for all of the Americas as well. You saw me crying tears in the vision for all of the abortions of the unborn. They are like little martyrs who are also being beheaded as St. John the Baptist on his feast day. I came here years ago to stop the Aztec Indians from offering up their babies to their gods. They were inspired by my picture as a pregnant Aztec virgin which was a miracle on St. Juan Diego’s tilma, and they stopped killing their babies. Today, I am asking all of my pilgrims to pray for the stoppage of abortion of your babies. You are doing Satan’s work when you kill your babies. Life is precious and this killing of the unborn greatly offends my Son, Jesus. Those women, who have had abortions, need to come to Confession to have this sin forgiven. Those people, who support and fund abortions, also need to come to Confession for aiding these killings. Women, who abort their babies, are worshiping their gods of money, convenience, and pleasure. Seek the forgiveness of my Son, and work to have laws against abortion. Protest against abortions where they are killing God’s little ones.”

September 6, 2016
Tuesday, August 30, 2016:
Jesus said: “My son, you are seeing in the vision how I draw you to Myself in Holy Communion at Mass, and before My consecrated Host in My tabernacle that opened so you could see Me. It is My Real Presence that draws you, and in Holy Communion I feed you your daily spiritual Bread. I am the One who sustains you every day in both your soul and your body. When you seek My forgiveness of your sins, then I heal your soul, and I fill your soul with My sanctifying grace. You have been given a gift of faith in Me, and I am such a part of your life, that you obey Me, and I lead you what to do each day. By letting Me be the Master of your life, you are able to accomplish the special mission that I have given you. You should be watchful to give good example to others by being humble and prayerful. The people need to know Me and obey My Commandments out of love for Me. When you love Me, you will be willing to serve Me in all that I ask of you. My faithful need to preach My Gospel to everyone, and you should try to convert all souls to My love, for those who are open to hear My Word and act on it.”
Jesus said: “My people, you have been shown a Ferris Wheel that was moving

around, and this represented another sign of the Warning, and it will be coming soon. I have shown you many signs of the Warning and how such a number of signs means it is about to happen. My faithful should know that My Warning is another extension of My Divine Mercy for all souls to have one last chance to repent and have their souls saved from hell. You know My mercy is endless, and I will forgive any repentant sinner. Those souls, who receive My Warning experience, will be given a second chance to save themselves by changing their life of sin. If people do not show any effort to change their lives away from sin, then their mini-judgment will become their final judgment. I am praying for My prayer warriors to work on evangelizing their family members, especially after the Warning. Let those people, who are away from Me, be saved by changing their lives to a love of Me, and I will lead them to heaven. Give praise and glory to Me for sharing My Divine Mercy on all sinners."

For the Divine Will prayer group that Marisa attends in Mexico City, Mexico:

Jesus said: "My people, all of your prayer groups have an angel assigned to watch over their members to keep them together, and to protect them from any evil influence. You were asking for a name of the angel of this prayer group. I do not force such a name on this prayer group, but I will send one of My archangels as St. Uriel to guard over them. You could find a picture or a statue of St. Uriel to place at their meetings."

Wednesday, August 31, 2016:

Jesus said: "My people, in the first reading St. Paul is reminding the people that all power and graces come down from Me, God the Father, and God the Holy Spirit. When you receive Holy Communion, you are receiving all Three Persons in the Blessed Trinity. When you are praying for deliverance from the demons, your prayers are invoking My Name and My power to cast out the demons. When you are praying to heal people, or for answering their prayer requests, it is My power and grace that heals addictions and heals your infirmities. You saw in the Gospel how I healed the fever of St. Peter's mother-in-law. I also healed many people who were brought before Me. When I was on the earth, I healed both the soul and the body. When My healing ministers pray over people, they also should pray to heal the soul and the body. Each soul, who desires a healing, needs to have an open soul and an open heart to receive My healing power, and they should have faith in Me that I can heal them."

Thursday, September 1, 2016:
Jesus said: “My people, there are some people who boast of all of their accomplishments without one word of Me in helping them. In the vision you are seeing a hall of awards, but the fame of people is temporary, and it will pass away. St. Peter had fished all night, and had caught nothing. When I asked him to lower the nets for a catch, he did so reluctantly, but he did not expect to catch anything. When the apostles had caught a great catch of fish, St. Peter was sorry for doubting My Word. When you put your trust in Me to do a mission, your work may seem like foolishness to the world, but you will be blessed as St. Peter with a great catch. I provide for all of your needs, but I will even give you a greater reward than you could ever imagine in heaven for your faithfulness to Me. So do not worry or be anxious of what you need, or what you will do, because I will lead you with My angels to help accomplish the mission that I have given you.”
Jesus said: “My people, you have seen many killings with guns, so I do not want My faithful to use guns to kill people, except in immediate self-defense. Your laws against people having guns are not realistic, because your criminals will find illegal ways to obtain and use guns. I have told you that you should not worry about having guns because I will protect you with an invisible shield when you come to My refuges. The evil ones will have far more firepower than your citizens with guns. So it is better to depend on My protection with My angels, than to depend on your guns for protection. Eventually, I will conquer all of the evil ones, and there will be no evil in the Era of Peace. So do not worry about your protection, because I will provide what you need for your soul and your body.”

Friday, September 2, 2016:
Jesus said: “My people, in the vision you are seeing the Light of My glory. This is very much how I showed My radiance of My glorified Body to My apostles in My Transfiguration on Mt. Tabor. I was giving assurance of My power to My apostles before I had to suffer and die on the cross. So it is right now. I am showing you My glory and My power before the darkness of the tribulation that

I will allow. I am giving My faithful confidence in My protection so you can endure your Good Friday of suffering. I will protect you at My refuges, but you will be joyous to share in My victory in My Era of Peace. In the first reading St. Paul spoke of his desire to only be judged by God, and he encourages the people not to judge others either. You do not know all of the circumstances of people's lives, so you should leave any judging up to Me. You may see evil in the actions of others, but only advise them how to live better, and pray for them without judging. The Gospel reading speaks about fasting which is a powerful means with prayer to help people, and even to help get rid of demons out of people. Whenever you are doing novenas for your intentions, you can add fasting to open the hearts of those fallen away souls, so they will be open to love Me and repent of their sins."

Saturday, September 3, 2016: (St. Gregory the Great)
Jesus said: "My people, I am giving you a flashback in your memory of when you used to show the old films of the Mysteries of the rosary in your church. At that time there were a lot more people coming to Sunday Mass and they were praying the rosary, which you were promoting. You remember very vividly how Fr. Peyton said: 'The family that prays together, stays together.' This was very good training for young couples to have family rosaries together. Today, you are seeing more divorces, and living together in fornication because people are not coming to Sunday Mass, nor are they praying in family prayer. Those faithful, who pray in public or encourage others to come to Mass, are ridiculed as being old-fashioned, or overly religious. My people, you may seem like fools to the rest of your pagan society, but to Me you are beacons of faith shining in the darkness of evil. So do not be afraid to pray in public, or encourage people to convert to being a Catholic. Your life on earth is short, and My prayer warriors are needed more than ever to pray for sinners, so they can be saved from hell. You will be persecuted more and more as you will be entering the time of tribulation. Keep strong in your faith, even if people threaten your lives, because I will be guarding your souls at all times."

Sunday, September 4, 2016: (Canonization of St. Mother Teresa)

Jesus said: “My people, I am showing you this beautiful stairway to heaven as it comes into a church. When you receive Me worthily in Holy Communion, you have a taste of heaven in My Real Presence. In today’s Gospel I am not directly causing division in your families, but each person has to make a choice to accept Me or not by his or her own free will. Some people may choose to follow Me, while others may not. The other parts of My teaching refer to counting the costs to become one of My believers. To truly be My disciple you need to let Me be the Master of your life. You can only accomplish the mission I have for you, by dying to self and letting Me lead you in your every day activities. When you do everything for Me out of love, you will be helping your neighbor as best as you can. You could help others out of love for Me as well. You may give donations to people, but doing physical labor or housing someone takes an extra step of love that may even take you out of your comfort zone. When you reach out to help people, you are storing up treasure in heaven, so one day you can walk up My stairway to heaven.”

September 6, 2016
Monday, September 5, 2016: (Labor Day)
Jesus said: “My people, I am showing you a picture of the past when the nuns wore a black habit. Many of your traditions and laws have changed over the years. The Pharisees made some of their traditions into laws of conduct, but they missed the spirit of the law. My Commandments are the laws that are changeless, but some of the traditions could be changed. In your world today, people are forced to work on Sundays which used to be respected without working for honoring My day of rest. When you are not obligated to work on Sunday, it is better to do work on another day. Your people should be coming more often to Confession, as there are only a few present when you come. They also should be coming to Sunday Mass as well. This is another sign of how spiritual laziness is afflicting your people. When people start ignoring My laws and their daily prayer, they are closing Me out of their lives. I love all of My people, but their love for Me is waning. The devil has used many of your distractions to keep you away from Me. I am coming with My Warning to give everyone one last chance to wake up, and see how they are offending Me with their sins. Those people, who do not repent and do not accept Me as their loving Lord, are on the road to hell. Those people, who repent and love their Master, will find their reward in

heaven, where I will prepare a place for them."
Jesus said: "My people, I have talked about people drinking to excess when they become drunk drinking alcoholic liquids as wine in the vision. Once you are drunk with alcohol, you lose control of your bodily functions to make proper decisions. Your inhibitions for bad behavior are blocked, as you could do things you would not do if you were sober. You could cause a car accident and endanger lives on the road, if you drove while intoxicated. Some people get violent when they are drinking, and they could harm people. This is why you are seeing the prisoner in an orange jumpsuit with handcuffs. If you kill someone or injure them, you could be put in prison for your bad behavior. If you drink wine, be careful not to drink too much. Those people, who drink too much, can become drunkards, if they become addicted. Such drinkers can become a problem when they could harm, or upset a whole family. Pray for such addicts to alcohol, and try to get them to stop. It takes time to detox such a drinker, but you can only help cure them if they want to stop. You can also pray deliverance prayers for them. As long as they have access to money and alcoholic drinks, it is hard to stop their habit. The best solution is to not get drunk in the first place."

Tuesday, September 6, 2016:
Jesus said: "My people, this trumpet looking shade, that was turning around with My Light, is another sign of My coming Warning. Some people will experience a long spinning tunnel as they come to My Light. I keep telling My faithful that the best preparation for My Warning, is daily prayer and frequent Confession. By remaining faithful to Me, and obeying My Commandments, you can avoid any mini-judgment to hell. Even if some people see their first judgment to hell, they still will have a second chance to change their lives, when they return to their bodies. People returning from this experience, will understand how much they have offended Me with their sins, and they will be seeking My forgiveness in Confession. The most important lesson from the Warning, will be to see the need for repenting of your sins. The next step is to develop a love for Me by giving your will over to following My ways. By loving God and neighbor, you will be put on the right path to heaven."
Jesus said: "My people, when you are living at My refuges during the tribulation, you will be praying more than now, and you will be spending at least one hour a day adoring My Blessed Sacrament in a monstrance. I will have a

priest or My angels bring you daily Holy Communion. You will place one of My consecrated Hosts into your monstrance for perpetual Adoration. At that time it will not be necessary to have a bishop's approval to have My Blessed Sacrament in your refuges. You will have more time to pray your Chaplet of Divine Mercy and your rosaries. I will continue giving you messages to support the people at your refuges. Pray that you will have a faithful priest for daily Mass. I am answering your question of how you will be able to share your messages with other refuges. You will be bi-locating to different refuges while your body is asleep at your refuge. This will give hope to other refuges when you come before them. There will be many healings when My faithful look upon My luminous cross, or when you are blessed with holy water or miraculous spring water. I will see that you all have enough food, water, and fuels for your survival. You have just acquired the plans and lumber necessary to build your outhouse. Now, you will have to put it together with someone's help so you will be ready to use this latrine. At the appropriate time you will have to dig a hole and have your lime ready to use for the people. This will still be heavy to move, but easier than moving your shed. Thank you, My son, for all that you are doing to help prepare your refuge, and thank you for saying 'yes' to this mission also."

September 27, 2016
Wednesday, September 7, 2016: (Magi Andresky Funeral Mass)
Jesus said: "My people, Magi was happy to see all of her family and friends at the wake, and at the funeral Mass. She was thankful for the eulogy and Father's homily. She was truly a prayer warrior as she prayed for all of her family and friends. You saw in the vision how My Blessed Mother and I welcomed Magi in the clouds of heaven. She will be watching over her family, and praying for them as she did on earth. She loved the songs and the readings that were picked out. She says farewell, but she loves all of her family and friends."
Jesus said: "My people, I am giving you a preview of what it will be like when you come to My refuges. Those people, who come to the larger final refuges, will see My luminous cross in the sky. When you look upon it, you will be healed of all of your infirmities. When you come to smaller interim refuges, you could be healed from healing spring water or from holy water. There will be a means for healing people at every refuge, so rejoice in not needing pills or doctors. At My refuges you will also see a large powerful angel who will put an invisible shield all around your refuge so no evil ones will see you. Only My

faithful people with a cross on their foreheads, will be allowed to enter. Those people, who do not have such a cross on their foreheads, will not be allowed to enter. My refuge builders have been preparing for this time of the tribulation for a long time. Other refuge builders are rushing to complete their projects before the tribulation comes. Be grateful that I am providing places of refuge to protect you from the evil ones who want to kill you."

September 27, 2016
Thursday, September 8, 2016: (Nativity of the Blessed Mother)
Jesus said: "My people, in the first reading of Micah (5:1-2) a sign was given that a virgin shall give birth to a Ruler of the world in Bethlehem. I prepared My Blessed Mother to be the perfect woman without original sin, when she was conceived by the power of the Holy Spirit. She truly lived in My Divine Will without any sin. She would be the holy Ark of the Covenant to carry Me in her womb. She gave her free will 'fiat' to conceive Me in her womb as well. My Blessed Mother's birth was one of the first steps to man's salvation, before I came into the world as your Savior. Rejoice on this day commemorating her birth, as she later was the fulfillment of this prophesy from Micah."
Prayer Group:
Jesus said: "My people, you could see various kings that inherited power over certain lands. I came on the earth as King of the Universe, but Herod tried to kill Me. Even though I had a spiritual nature and a physical nature, the people did not recognize Me as the Messiah, despite My many miracles. I kept My identity hidden, until My hour came, and I admitted to Pontius Pilot that I was a king. When I told the high priest of the Sanhedrin that I was the Son of God, he did not believe Me, and he wanted Me crucified for blaspheming. So My people need to give praise and worship to your heavenly King."
Jesus said: "My people, you remember the parable I told about the five wise virgins who brought oil for their lamps at the wedding feast. There were five foolish virgins who did not bring oil with their lamps, and their lamps were going out. The foolish ones went to buy oil, but when they returned, they could not enter the closed door. The time of the tribulation is coming soon, and My faithful need to be prepared with daily prayer and frequent Confession. Keep faithful to Me, and the doors to My refuges and the gates of heaven, will be open to you."
Jesus said: "My son, you were welcomed to Mexico and My Blessed Mother's

Shrine at Guadalupe. I thank you for coming, and you had everything fall into place so you could give your talks. The people treated you well, and they were open to My messages. As you came to My Blessed Mother's Shrine, you were given graces for coming, and for going through the holy doors. The people were blessed by your visit, and you prayed over many people. This was a very successful and fruitful trip to Mexico."
Jesus said: "My son, you have struggled to obtain your outhouse kit from the trucking company, and then you carried the wood to your shed. Now, you need to find a way to put it together for your future latrine. Call on My help and I will have people help you to put it together. You may not have to dig a hole yet, but you could buy some extra lime to be multiplied. You also have purchased eight more 55 gallon barrels, but you need to fill at least six of them with water before you have freezing weather. You will need to keep your barrels inside, so the water does not freeze. You could keep some in your garage where it does not get too cold. You need to complete these projects as soon as possible."
Jesus said: "My son, I have been urging you to get your projects done soon because there will be some serious events about to occur in your country. In the vision you had a sense of the ominous events that will be coming that could even lead to a martial law. If these events do result in martial law, then you will need to call on Me to have your guardian angels lead you to the nearest refuge. This again is why your refuge needs to be ready to receive My faithful."
Jesus said: "My son, you need to research any progress of this plan to have a one world religion. I do not want My Church compromised to change any of My teachings. Such a one world religion is a plan of Satan to bring down and persecute My Church, and your belief in Me. Do not accept any one world religion because this could be the vehicle to cause a division in My Church."
Jesus said: "My people, this vision speaks of two types of building processes. The first speaks about My refuge builders who I am helping to build places of safe haven for My faithful to be protected during the tribulation. Preparing buildings, providing food, bedding, and water is not easy, especially for a lot of people. I have enabled some people with financial gifts to have the money to build their refuges. The second building up of My Church is another ongoing mission to bring converts into My Church. You need to have souls with open minds and hearts so they can receive My Word, and grow into a gift of faith. Continue to pray for the conversion of poor sinners."

September 27, 2016
Friday, September 9, 2016: (St. Peter Claver)
Jesus said: “My son, you are seeing how St. Peter Claver dedicated his life to helping the African slaves have hope, and he baptized them. In a similar manner, My refuge builders need to help My desperate faithful to have hope in face of the evil people who want to kill you. You have made a lot preparations, but your time to prepare is running out. This is why I have been encouraging you to finish up the projects that I have given you. Make the best use of what time you have left, so you will be able to accept the people that I will send to you. You may have to change some of your priorities to fit these projects into your schedule. I will be always watching over you to find ways to finish what you need. I thank you for your dedication to both missions of sharing My messages, and sharing your refuge with people.”
